FIRE SITUATION MUCH IMPROVED

Rain of Tuesday Night and Wednesday Extinguished Fires.

The heavy rain which fell practically all night and intervals Wednesday has greatly improved the fire situation in this district, and the atmosphere is now entirely clear of smoke in this district.

The Graphic understands that the rain was fairly general over the Bay of Chaleur country, but did not extend further south than Jacques River.

Besides extinguishing the fires, crops were greatly benefited and prospects now look much brighter for fall crops.

The rainfall during May and June was much below the average.

SOME OPINIONS ON THE C.A.A.C.

Many Well-Informed People Express Themselves on the Athletic Club Idea.

In another column will be found a report of the proceedings of a meeting held on Monday evening at which the organization of a Campbellton Amateur Athletic Club was begun, also the constitution and by-laws of the new association. Owing to the rapid progress made in connection with this movement many citizens may yet be at a loss to decide whether they should get in line and boost the undertaking or not. Naturally the opinions of well-informed professional and business men will be of interest at this time. Below we quote the statements of a few citizens who have been approached on the subject.

A DOCTOR'S OPINION.

"I am very much in favor of the organizing of an Athletic Association or club. It is, without a doubt, a fine thing for the young people and the town. It is a good thing to have some provision for the girls also. It would help to get them out of the house into the open air. I am heartily in sympathy with the sport movement."

What Business Men Say.

Several local business men of widely different interests have also expressed themselves as being behind the athletic movement. They have declared that real, well organized athletic association of some kind is something that the young people of Campbellton surely need. Every liberal-minded person, they declare, should get behind the scheme and make it a genuine success.

A Local Merchant.

A prominent merchant of the town has also declared his opinion in our hearing. "I hope," he said, "that this sport movement amounts to something. Campbellton has for years been deplorably backward in providing wholesome recreation for its younger citizens. This has probably been the cause for people here given the matter much thought. But that time is past. We must think of it—and not only think but act. This is a chance to get away from the thought that we are merely citizens of a small town and try to formulate plans for the time when our town will be a city. We are going ahead in many ways and we must exert every effort to keep our young people up to the highest possible level both mentally and physically. We cannot do this unless we go about it in a whole-hearted manner and with our efforts properly directed through organization."

A Traveller's Opinion.

A commercial traveller who has covered the Eastern provinces of Canada for years and knows every town in New Brunswick says: "Campbellton is as far as I can see, the most promising town in the province and if the promoters of this proposed athletic organization can convince the citizens of the need for such a thing here and induce them to co-operate in a whole-hearted manner, I am confident that it will boost and advertise the town as nothing else could do. I do not know conditions here and I know nothing of any local problem you may have, in so far as sport is concerned, but I would think that your board of aldermen or other civic officials would be among the most ardent supporters of the scheme."

Being the benefit of a town derives from a successful sport organization. I know two towns where thousands of dollars were indirectly invested in schemes of this kind and I am informed now that they consider these projects the most lucrative investments they have ever made. I do not see why the same thing would not apply here, to a large extent at least. Your town is most admirably situated on the beautiful Restigouche River in a rich country and I should think that frequent sport instructions that you might have here would bring in a great volume of business from all the outlying districts."

SUCCESS COMES ONLY TO THOSE WHO WORK STEADILY AND EARNESTLY

This is a Very Important Week for The Graphic Candidates—Seven Extra Cash Prizes Will Be Won This Week—Less Votes Given for Subscriptions at Close of This Week—Only Four Weeks More Left in Which to Get Subscriptions and Votes to Win the Big Free Auto—Candidates Who Depend on Luck Will Lose—Resolution, Backed by Action, Will Win—Make This Your Banner Week.

Do you think that other candidates can get subscriptions easier than you? That is what the unsuccessful man thinks of the successful man or woman in any line of endeavor in the world. Look into the history of any man who ever did anything that makes his life stand out from the rest of humanity. You may say he had money, opportunity, friends at court, good luck, was born with brains or had a chance. After you have taken stock in all these things which appear on the surface, look at the man. You will find the very lines of work in his face.

No amount of money ever made any one great; the finest of opportunity never made anyone famous; the most favorable environment never produced a genius or master of men. If these things were true, there would be only two kinds of people in the world: a class of mental aristocrats with all the money and the brains, and the rest of the world full of cattle. We would have a race of super men and a race of slaves. But you will find the majority of the super men come from the classes sometimes called "lowers," which only mean poor.

Break away from the field; get the votes and get the most of them and you will win. The first thing to do is to tell yourself that you can do it and you are already a winner. You cannot lose if you can convince yourself that you can win.

There are only four more weeks of The Graphic's Big circulation drive left, and there are some very valuable prizes to be won. Will you be driving away in a new auto when the big contest comes to close four weeks from next Sunday night? Tell your friends how well you are getting along and the great support that you are getting, and ask them if they will extend their present subscription another year to help you win. Tell them about the prizes and how well you stand in the big list of workers. This week will count you a great many more votes if paid now than it will New Year's week, also be sure and tell them that you are working hard this week to win one of the big extra cash prizes which will be given for the best work done during last week and this week.

To the present subscribers of The Graphic it simply means that they will give you money that they will pay out at some future date when there will be no free votes or prizes given for subscriptions, and their subscription, if paid now, will help you to success. If they understand that you will get some benefit from their paid-in advance subscriptions, also subscriptions paid in arrears and new subscriptions, they will be willing to give you their support.

This is a chance of a life time and some of the candidates are just beginning to realize it. Never again may you have the chance to get such valuable prizes by the simple method of getting subscribers for The Graphic.

The time to act is NOW. Work hard while the big special offers are on. Make sure of the votes now and it will be much easier to win when the closing week comes. Don't hang back and loaf. You cannot afford to do that with so much at stake, especially so who never procrastinate is guaranteed a prize or cash commission award. There will be no losers in The Graphic's big prize contest.

Did you ever work with such an object in view before? What could you do in the next few weeks that would bring you bigger returns for your efforts? Get right out and get a few subscriptions NOW. One thing certain in this big drive is the hardest workers will win.

It is not so tough you are asking people to buy pictures or books or something for which they have very little use. A paper, a necessity, and in buying a newspaper everyone should have the best, just as they demand the best clothes the best groceries or the best kind of meat.

Everybody knows that The Graphic is the best of weekly newspapers. That is why you should not feel a bit timid in asking for subscriptions. The Graphic speaks for itself.

Let your motto be "HUSTLE!" Every day from now on until the closing hour, and whatever else you do make every minute count this week, so that you will win one of the big extra cash prizes which will be awarded for the best work done during last week and this week. The winners of these special cash prizes will be announced early next week and the prizes will be awarded at that time. This is also the last week that club votes will be given. Make this week your banner week.

Three new ministers, all recent graduates of Pine Hill College, were given by the Rev. H. McLeod, Interim Moderator of the Restigouche Congregation and declared the pulpit vacant on the second Sunday of September.

The following delegates from the different church in this Restigouche congregation were heard: Messrs. Robt. May, Tide Head; Fred Adams, Broadlands; Robt. Nichol, Sellarville; Daniel Adams, Glenlivet; and Mrs. Tainage Adams of Tide Head speaking on behalf of the ladies of the congregation. All these delegates expressed regret that their pastor should leave and go to another field and were enthusiastic in their expressions of appreciation for his faithful work done among them. Feeling it his duty Mr. Salter accepted the call. Rev. W. W. McNeill of St. Andrew's Church, Campbellton, was appointed Interim Moderator of the Restigouche Congregation and declared the pulpit vacant on the second Sunday of September.

PAVING CONTRACT HAS BEEN SIGNED

Large Number of Men Now At Work On Water Street.

The paving contract has been signed and a large crew of men are now engaged on lower Water Street grading and making ready for the permanent street work.

The Stephens Construction Co., have put up the necessary bond and the contract was signed yesterday.

NEW TURNTABLE AT ROUNDHOUSE

Changes Made Necessary by Use of Larger and Heavier Engines

For some time a large crew of men have been hard at work making improvements at the round house here. These improvements were made necessary to accommodate the large engines known as the Santa Fee and the new Mountain Type Passenger Engines which are now being used on the road.

The new turntable is 85 feet long and will be operated by electricity. The work of installing it is about complete.

Some of the stalls have also been lengthened to hold the new engines.

The ground. He explained that the church property had been insured for \$5000 and stated that it would cost considerable more than three times that amount to replace the buildings. Mr. Girdwood said, however, that the congregation had faced their misfortune with admirable courage and had already taken steps to erect a church which will be a credit to the Presbyterian Church of Canada. In closing his report Mr. Girdwood spoke with pride of the splendid spirit of courage and hopefulness which prevails in his congregation in spite of their disheartening loss.

The Presbytery expressed sympathy for the Red Bank congregation in their misfortune and also expressed the hope that they might, before long, be in a position to show their sympathy in a more practical way. A grant from the Church Fund to help this congregation in their need was also applied for.

The Presbytery meetings were much enjoyed and the quarterly session voted by all as being most successful. The ladies of Tide Head served dinner to the Presbytery in the Hall and later in the afternoon served ice cream at the church. All the visitors were enthusiastic in their expressions of gratitude for the hospitality shown them. The last session closed after a hearty vote of thanks had been tendered the ladies for their kindness and solicitude.

An instructive and interesting report of the proceedings at the General Assembly in Fort Arthur was given by the Rev. H. McLeod. This report dealt largely with the church union question. A call from St. James Church, Antigonish to the Rev. B. C. Salter, pastor of the Restigouche Congregation was also considered and supported by Rev. W. W. McNeill and J. M. A. Anderson.

The following delegates from the different church in this Restigouche congregation were heard: Messrs. Robt. May, Tide Head; Fred Adams, Broadlands; Robt. Nichol, Sellarville; Daniel Adams, Glenlivet; and Mrs. Tainage Adams of Tide Head speaking on behalf of the ladies of the congregation. All these delegates expressed regret that their pastor should leave and go to another field and were enthusiastic in their expressions of appreciation for his faithful work done among them. Feeling it his duty Mr. Salter accepted the call. Rev. W. W. McNeill of St. Andrew's Church, Campbellton, was appointed Interim Moderator of the Restigouche Congregation and declared the pulpit vacant on the second Sunday of September.

CAMPBELLTON MEN TO CAMP SUSSEX

Left By Special Train Tuesday Morning—A Big Camp This Year.

The militia camp at Sussex this year is the largest since the war, and the various units are now hard at work. Camp will break up July 4th. Members of A Squadron, New Brunswick Dragoons, with their horses, in command of Capt. Wm. M. Ferguson and C. Company Infantry Regiment in command of Major A. H. Troy, left Campbellton Tuesday morning by special train for Camp Sussex where they will commence the annual period of nine days training.

All units go into camp this year at skeleton strength for training of officers and non-commissioned officers. A Squadron of New Brunswick Dragoons in command of Capt. Ferguson consisted of 26 men and three officers, while C. Company in command of Major Troy consisted of 14 men and four officers.

UNEARTH MASTODON ON ONTARIO FARM

It is Estimated That the Beast Weighed Between 30 and 50 Tons.

London, Ont., June 27.—Wm. Jones, of the second concession of Delaware Township, has unearthed on his farm parts of the skeleton of a mastodon. Experts claim that the remains are those of an animal that lived about 30,000 years ago and efforts are being made to put the bones together as they had been assembled in the carcass. The teeth found are a foot long and about 15 inches across. The tusk are eight feet long. The jaw bone weighs 40 pounds and it is estimated that the beast weighed between 30 and 50 tons. Prof. Robertson, of the Western University, who was notified made further excavations after the discovery of the skeleton by Mr. Jones, and it was he who found the cranium, lower jaw, teeth, vertebrae, tusk and ribs.

Prof. Robertson thinks the remains are those of an animal that existed in the pleistocene age, just previous to the coming of man.

WAGE INCREASES ASKED BY SHOPMEN

Montreal, June 27.—The railway association of Canada yesterday received the wage and working conditions proposals of rail shippers on Canadian lines, negotiations in which open soon.

The shippers ask an increase of ten cents an hour for all grades, making a proposed rate for merchandise of eighty cents an hour, for freight car men of seventy-three cents, and a minimum rate for helpers of fifty-seven cents an hour. The present rates are: Merchants, seventy cents; freight car men, sixty-three cents, and minimum rate for helpers forty-seven cents. About 35,000 men are involved.

HEADED FOR FREEDOM

TURKISH WOMEN IN REVOLTS AGAINST SOCIAL CUSTOMS.

The Harem Will be a Thing of the Past Before Very Long—Kemal Pasha Has Been Leading the Feminist Movement in His Own Land.

Kemal Pasha is the leading Turkish feminist, but it is predicted that he will have a more difficult task than any he has yet set himself before the freedom he permits and encourages in his wife becomes general among Turkish women. She has assisted in a review of troops, wearing no veil and garbed in riding boots. Such a thing was probably never known in Turkey before of a woman of high caste. It is true that the veil is gradually disappearing, but it is equally true that Turkish women in Constantinople are not allowed to appear in a theatre, restaurant or dancing hall. If one of them dared to do so she would be liable to arrest. Dr. F. Kouph, writing in the New York Herald, says that a short time ago, with a Turkish friend and his wife, who about to enter a hotel for a cup of tea, but was hurriedly barred, and informed that the police prefect had ordered that Turkish women would no longer be permitted to take tea in public places.

How Turkish women are treated by their husbands depends altogether on the husband. The writer says that you may call on a Turkish friend and be at once admitted into the family circle as though in America, and pass the evening playing poker. On the other hand he has a particular friend who is the editor of one of the nationalist papers, and a graduate of Columbia College. They meet frequently, but never yet has he had a glimpse of his friend's wife or even of his mother. On the other hand he has been to the movies with Kemal officers and their sisters and aces the only form of public entertainment that is permitted Turkish women. Even in the movies they are received with reluctance although the Koran says that good women should be sequestered in the home. The theory is that their presence would distract the holy thoughts of the men.

However the harem has practically disappeared. Polygamy is no longer by religion and law but only by custom. Turks are too poor to afford several wives. So the great majority of men but one wife at a time but they are as a rule a rapid succession. The divorce is easier in Turkey than in any other European country. When a man tired of his wife writes her a note telling her to get up and move out. This note is forthwith, and she has no need of an explanation. It is true that the husbands are arranged a little money is fixed when most men's women if she is repudiated, she is considered bad and is not allowed to marry again. But if a woman's husband is a better class than this she is treated as a divorcee and she has almost as much trouble as though she were in England. She can secure her freedom only if she can prove that her husband has committed adultery or that he is a drunkard. The result of the Turkish marriage and divorce law is that almost all other Turkish women are divorced. Constantinople is a divorce city several times over. Though the treatment of the divorced is not as good as in much eastern countries, it is not as bad as in the west. If a Turkish woman is divorced she is treated as a second-class citizen. If a Turkish woman is divorced she is treated as a second-class citizen.

It is extremely dangerous for a Christian to make love to a Turkish girl. Not long ago a young American, engaged in the process of being married and thrown into an asylum. Scott, and even Alford, received letters failed to get him out. He was a Moslem and married the young lady whereupon he was declared with the benedictions of his people. The modern Turkish woman is freed herself from the long veil. If one sees a presumably young and stylishly dressed Turkish lady with a veil, it is safe to say that she is bound on some errand that she wishes to keep from her husband or her father. The revolt of the Turkish women began with the success of the Nationalist movement, and has been proceeding ever since, but it is a long time to go before women in Turkey will be granted the same rights they possess in Christian countries and every religious revival will probably have the effect of delaying the arrival of their complete freedom.

He Holy-Stoned It Also.
"Filed you income tax statement?"
"Yes. I not only filed it but I used a grand stone on it and then couldn't get it down to a decent business figure."
Two and Two.
"Isn't it rather difficult to officiate at a double wedding?" the clergyman was asked.
"Not at all. It's just like putting two and two together," was the reply.

EIGHTEEN YEAR OLD BOY HANGED FOR MURDER IN WEST
San Quentin, Cal., June 23—Lawrence O. Campbell, 18, of Marquette, Mich., was hanged here yesterday for the murder of Leslie Nicholson, a Los Angeles insurance adjuster on January 20. It was said he was the youngest prisoner ever to pay the death penalty in California.

WILSON'S FLY PADS

Kill them all, and the germs too, 10¢ a packet at Druggists, Grocers and General Stores.

ARMY WORMS HOLD UP OCEAN LIMITED

Pests Swarmed on Rails and Train Could Not Climb Grades.

The Ocean Limited which left here on time Saturday was delayed over two hours between Bathurst and Newcastle by army worms which covered the rails at the up grade going into Gloucester Junction.

All the way between Bathurst and Newcastle these pests gave the train a lot of trouble and especially between Gloucester Jct. and Bathurst where they practically stopped the train and before it could proceed, section men, train hands and a detachment of soldiers who were passengers on the Limited, had to sweep the insects off the rails. Progress naturally was slow as the rails were completely covered with these insects which would swarm back on the rails again almost as fast as they were cleared off. Passengers said they had never before witnessed such a plague of pests. Not only did the caterpillars cover the tracks but they were just as thick on the telegraph poles and fences and the odor from them was most nauseating.

These insects have been giving quite a lot of trouble lately in sections of New Brunswick. Only early last week the train on the Canadian Eastern division of the C. N. R. was held up several hours on the same account and freight trains were also experiencing some difficulty with them in the northern division, the latter part of last week.

TRUCK DRIVER ONE DAY, EARL THE NEXT

California Man Next in Line for Peer's Title—Went Through One Fortune.

San Francisco, June 16—Thirty-one years old, a truck driver one day and English Earl the next, such is the jural jist of fate with Russell S. Houston of Oakland, it was revealed here Friday.

For two years Houston has been a truck driver for the Hogan Transfer Company of Oakland; now he faces they are ahead as the Earl of Covington and heir to a huge fortune, according to notification from Lloyds of London.

Houston said he is delighted with the money—the title doesn't matter. Once, seven years ago, he ran through a fortune of \$90,000 left him in a year. The money from this estate will go the same way, he says.

"See life and have a good time," is his philosophy of living.
Houston's mother, Mrs. Anita Houston Congdon of Oakland, is the daughter of the Earl of Covington, and Russell is the only male heir in line to the title and estate. He is making arrangements to depart for London next week.

Lord Covington, the last earl, died, in Salt Lake City, two years ago, while touring the United States.

LARGEST SAW MILLS IN WORLD DESTROYED BY FIRE

Stockholm, June 23—Fire yesterday completely destroyed the Korasmah saw mills near Gefle, on the Gulf of Bothnia, 100 miles from Stockholm. The mills are said to be the largest of the kind in the world. A great stock of wood pulp was burned.

Reasonable Deduction.
The doctor was giving an informal talk on physiology.

"Also," he remarked, "it has recently been found that the human body contains sulphur."
"Sulphur?" exclaimed the girl in the blue and white blazer. "And how much sulphur is there, then, in a girl's body?"

"Oh, the amount varies," said the doctor, smiling, "according to the girl. Oh! remarked the girl, "that's what you make better matches than others."

Those Pencil Marks.
"Who was it saw the handwriting on the wall, Bobby?" asked the teacher.

"The landlord," replied the boy who lives in a flat.—Boston Transcript.
In a Different Sense.
"I flatter myself you will like this article," said the would-be contributor. "That's a fact," returned the editor glancing over the first few lines. "You do like it, then?"
"No, I mean, it's a fact that you flatter yourself."

TWO YEARS SUFFERING ENDED

Donald Savard Tortured by Rheumatism Drove Gave Relief—Walks Without Cane for First Time in Two Years—Wonderful Recovery of Almost Helpless Invalid.

No sadder picture can be imagined than that of a powerful man stricken in the prime of life and reduced to helplessness of a bedridden invalid. Such was the misfortune of Mr. Donald Savard, a trapper, of 231 Argyle Street, Fredericton, who suffered such unspeakable torture from rheumatism of the muscles and joints as to confine him to his home for two full years, barely able to hobble from room to room with the aid of a cane. Let Mr. Savard, relieved of his suffering, tell you how Dreo is rapidly restoring him to healthful, pain-free activity.

Says Mr. Savard: "Words cannot express my gratitude to Dreo, but you can imagine my feeling at being able to go out for the first time in two years after being crippled with rheumatism. I have taken only three bottles of this splendid remedy, yet, for new for me, as gas would always form and cause terrible pains. My bowels are as regular as a clock and I enjoy peaceful, restful sleep. Dreo is the only remedy that has ever done me any good."

Dreo is nature's own herb and root remedy, toning and regulating the system and giving relief in the most obstinate cases of rheumatism, indigestion, stomach, liver and kidney troubles and their resulting miseries of nervousness, loss of sleep and appetite, hiccoughs, etc.

Dreo is being specially introduced in Campbellton by Wran's Drug Store, and is sold by a good druggist everywhere.

BE CAREFUL

Officials of the Forest Service Branch of the Department of Lands and Mines are urging that every precaution be observed to prevent a forest conflagration similar to that of the Miramichi Fire. A carelessly thrown match, cigarette or cigar butt, or live ashes from a pipe may become the cause of a blaze which will sweep the province in its present critical state of drought. Recent fires originating in York County have shown the rapidly with which such a blaze will spread, contrary to the general impression that central and southern New Brunswick has been exempted from the same conditions of drought prevailing in the locality of the most serious fires in the northern portion of the province. At Mactaquack, fire fighters summoned to extinguish a blaze which spread over a mile in an hour, discovered a bait can full of live worms and two fishing rods which had been abandoned in haste. It is believed that this fire spread so rapidly from careless smoking that the parties responsible were unable to retrieve their fishing tackle.

LARGEST ENGINE IN ALL CANADA

Has Just Been Turned Out of Kingston, Ont., Shop for the C. N. R. Rly.

Kingston, Ont.—Designed specially for speed and economy of operation, engine No. 6,000, the largest passenger engine in Canada, has just been built for the Canadian National Railways, by the Canadian Locomotive Company, of Kingston, Ont. The latest iron monster to be added to the 1923 equipment of the National Railways will roll out of the Locomotive Company's yards tomorrow night and make its initial journey to Montreal, where it will be on exhibition over the week end. At the first of the week it will be driven to Toronto, where it will also be on public exhibition.

Engine No. 6,000 is of the Mountain type and, according to both the builders and the engineers of the Canadian National Railways, it is the latest word in engine construction and represents the finest product of modern locomotive design. It is the first sixteen engine which will be built in Kingston for the National Railways. Of these, six are to be put into operation by the National Railways between Montreal and Toronto, while the remaining ten will be shipped to the Atlantic division, where they will be put into service between Moncton and points eastward.

SINKS AND DRAINS

Use a little of Gillett's Lye when the kitchen or bathroom drains are clogged. It works wonderful! Use it also for cleaning and disinfecting. Cleanse drains for softening water, making soap, cleaning dirty floors and glass. It has over 50 different uses and a can should be kept handy in every home. Avoid costly and dangerous substitutes. Insist on the genuine.

KEEPS TAN SHOES LIKE NEW

Not only will you get greater wear out of your tan shoes if you polish them with Tan-O, but they will give you greater comfort. Tan-O softens the leather and prevents it from cracking and creasing, and so adds to its life, besides making all the difference in the appearance of the shoes. Clean, well polished shoes are the touch to shoes well desired. It is just as important as clean linen. A quick and shiny lasting polish is assured with Tan-O.

Hog Grading
and Equipment
Explained

Various forms of equipment have been installed by the different stockyards and abattoirs in Canada for the grading of hogs. At large markets, such as the United Stock Yards, Toronto, two sets of equipment have been installed by the different stockyards and abattoirs in Canada for the grading of hogs. At large markets, such as the United Stock Yards, Toronto, two sets of equipment have been installed by the different stockyards and abattoirs in Canada for the grading of hogs.

Making the Best
Use of Experimental
Farm Seed

Many farmers this spring will have obtained seed grain of special breeding from either the Central Experimental Farm, Ottawa, or from one of the Branch Farms of Agricultural College, throughout Canada. Even the former institution alone samples of seed grain, varying from two to five pounds each, were sent to 15,676 farmers who had applied for same. In the case of most of the other institutions, considerable quantities also were supplied. These samples if carefully handled, be they small or large, may form the basis of a supply of superior seed for the farm and sometimes for the neighborhood.

Controlling the
Mosquito

The discomfort produced by the mosquito during the early summer months leads not only the scientist but the man on the street to consider whether the pest cannot be controlled. The question often asked, "Of what value is the mosquito?", has not been satisfactorily answered. Fortunately methods of controlling this insect have been discovered and are being applied with greater or less success. Portions of the tropics would, perhaps, never have been made habitable for the white man had not successful mosquito control methods been discovered. The means employed in the tropics have been found applicable to other places.

The Flavour is Superb!

Its rich delicacy delightful!

Here and There

The output of coal from Canadian mines during January, 1923, amounted to 1,731,000 tons.

The total wheat production of Canada in 1922 was 297,546,000 bushels of which Saskatchewan produced 70,167,000 bushels.

The "Phoenix" gave the doctor his first success in curing a patient who had been ill for many months.

Heads of large implement and machinery companies in Ontario and Quebec state that for every acre of corn that was sown in Alberta last year there will be some this year.

1923 will be the greatest prospecting year known so far in Northern Ontario. The largest rush of prospectors is in the district extending from Swastika for a hundred miles east into the Province of Quebec.

Grain men and others in Calgary already forecast the probable yield of wheat in Alberta this year at something in the neighborhood of 100,000,000 bushels. This estimate is based on the 65,000,000 bushel crop of last year.

The total wheat production in Canada has grown from 172,000 bushels in 1871 to over 297,000,000 in 1922. The number of elevators in 1908 was 525 with capacity for 15,200,000 bushels. To-day the capacity of 1,924 elevators in Canada is 231,633,420 bushels.

The Canadian Pacific Railway have further reduced the freight rate on horses from prairie stations to all eastern Canada points. The old rate on horses from Moose Jaw to Montreal or Toronto was 21.00 per hundred pounds. The new rate will be 18.00 or a saving to the farmer of 3.00 per car.

"Will Summers," owned by His Majesty the King, was recently brought to Canada on the Canadian Pacific liner "Albatross" and will be kept at the Prince of Wales ranch near Calgary for breeding purposes. This famous five-year-old has a pedigree back to Orme and Galop, the former sire of Flying Fox and the latter a Derby winner.

It is reported that the head of the textile department of Leeds University, England, has begun the process for the making of artificial wool from cotton waste. The basis of the process is cellulose acetate. The product wears well as wool, it is said, will take the dye of any desired color and is considered a better insulator than natural wool.

During the last fiscal year Canadian exports of tobacco amounted to 71,091 pounds with a value of \$175,826. Of this value the United Kingdom accounted for \$135,784, the United States \$216 and other countries \$34,826. There are 125 tobacco factories in Canada, Quebec and Ontario being the principal producers.

Running on schedule the Canadian Pacific liner "Empress of Canada," Captain J. H. Bailey, again demonstrated her right to the claim of "Queen of the Pacific." The Canadian vessel left Vancouver 24 hours after the American liner "President McKinley" and arrived in Yokohama five hours in the lead.

The British Government is completing at Chatham the largest and most wonderful under-water craft in the world. On the surface she will displace 2,780 tons and when submerged 3,600 tons, this displacement being 1,400 tons greater than that of the largest German submarine. With a twelve-inch gun the new submarine will be able to bombard any object and then quickly disappear under the sea.

Making It Worth While. "I gladly would die for you!" exclaimed the enraptured youth.

"That's nice," remarked the practical maid, "but please wait until after we are married and you have your life heavily insured."

WET MAJORITY
IN MANITOBA

Government Pledged to Put
the Controlled Sale System
Into Effect

Winnipeg, June 25.—On the strength of returns from rural polls received this afternoon it was estimated that the final majority for the moderate bill would fall not far short of 35,000.

The "wet" majority which stood above 30,000 last night, seemed to be eluding slowly although many districts traditionally dry were still to be heard from and it is possible that they may pull down the present figure.

Few constituencies will report complete figures to-day.

Seven Winnipeg polls gave dry majorities. It is shown by a check of figures and the 140 city polls turned in a total wet majority of 25,988. Eighty-five per cent of the registered voters went to the polls.

REFUSERS 1921
WAGES RATES IN
N. S. COAL FIELDS

New Glasgow, N. S., June 25.—A reply has been received from the British Empire Steel Corporation at Montreal, refusing to put in force 1921 wage rates in the coal fields of Nova Scotia and it is understood that the district convention of miners here spent yesterday in discussing the refusal and what line of action they should follow.

J. R. MacLachlan, secretary, said that he was not able to make any official announcement last night. He did say that a telegram had been sent to the corporation asking the immediate putting into effect of the 1921 wage agreement, giving one day as the time for reply. The reply and refusal were received yesterday.

LARGE DIAMOND FOUND
A diamond weighing twenty and three-quarters carats has been found by the Debers Company in its mine in Cape Colony. The diamond of a rich, brassy shade is described as the largest of the kind and is valued at 10,000 pounds.

Blocking Traffic
Police—What are you standing there for?

Loafing—Nothing.

Police—Well, just move on. If everybody was to stand in one place how would the rest get past—Edinburgh Scotsman.

Get After the
Tent Caterpillar

When the Caterpillars are very abundant in the orchard they may defoliate every tree. Sometimes this defoliation takes place two or three years in succession. The result is that not only the crop is lost each year but the trees are left in a greatly weakened condition and sometimes succumb to the strain of a severe winter.

The full grown larvae are about two inches in length, of a general brownish black color, with a conspicuous white stripe down the middle of the back.

METHODS OF CONTROL.—The best way of dealing with the pest is to spray the trees with a solution of lead or one-half to one-third pound of PARIS GREEN to every gallon of water. This will destroy the caterpillars.

Cutting down wasps which are wild fruit trees that are infested will help them, as will also the collecting and destroying of wasp nests in the winter or early spring.

A. H. Mc
Dept. of Agriculture

Anti-Fat Treatment
"You seem to have lost weight since I saw you last, Mrs. Brown. Are you taking treatment?"

"Oh no. That's only because of my new coat."

"Why don't you discharge her?"

"I'm going to. Just as soon as she worries me down to 140 pounds I shall order her out of the house."

Mr. and Mrs. Calixte Champoux and children Marie Jeanne, Paul, John, Roland and Garganeux are enjoying a two week motor trip to Dismal.

M. A. Kelly, Esq., Campbellton, who has been spending a few days in the city and Nashvaakish, will leave this evening on his return home—Glenora.

The Misses Verne Murray and Frances Yorton of Campbellton, formerly students at the Provincial Normal School this year, were in the city Saturday, guests of Miss Clara Addy, Robinson St.—Moncton Transcript.

Miss Eugenie LaVolette of River Louisbourg, who has been spending some time the guest of Mrs. W. H. Gray, has returned home. Miss La Volette leaves on July 2nd for St. John to attend the Vocational Summer School.

Mr. O. J. Klein returned on Monday morning's Ocean Limited from New York and left on Tuesday evening for Chateau Frontenac, Que., to await the arrival of the S. S. Minnedosa on which boat Mrs. Klein is due to return from Europe.

Miss Gladys Allanach, of Halifax Conservatory of Music, is spending her

vacation with her parents Mr. and Mrs. Robert Allanach. Miss Allanach has been successful in receiving a Junior certificate in Pianoforte playing and singing, also in winning the harmony prize.

Mrs. J. W. McDonald very pleasantly entertained the members of the Campbellton Musical Club at her home Tuesday evening in honor of Miss Greta Metzler. Delightful songs and a piano solo were rendered by some of the members after which Miss Metzler was presented with a set of beautiful sherry glasses.

Mrs. H. H. Luman was hostess at a bridge of three tables Tuesday evening. The prize was won by Mrs. Arnold Murray. The guests were Mrs. Wilkinson, (Hampton), N. B., Mrs. W. A. Clark, (St. John), Mrs. W. F. Napier, Mrs. R. K. Shives, Mrs. H. A. Carr, Mrs. R. B. Rossborough, Mrs. I. Morrison, Mrs. Hubert Henderson, Misses Jessie McIntosh and Jessie Moore.

The teachers of the Roseberry Street School entertained at the tea hour on Tuesday in honor of the Misses Nellie Kerr, Leila McKenzie and Ruby Miller, who are resigning from the school staff and who are to be principals in interesting events to take place in the near future. The teachers presented each bride-to-be with a beautiful pair of silver candlesticks.

The teachers of the Campbellton Grammar School entertained at the tea hour on Friday last in honor of Miss Nellie Kerr, prospective bride, and Miss Mary Adams, who has resigned from the teaching staff here and has accepted a position at the Charlotte Street School, Fredericton. A cut glass bowl was presented Miss Kerr, while Miss Adams was presented with a gold sun-burnt.

Miss Helen Stevens was hostess at a very enjoyable variety shower in honor of Miss Nellie Kerr on Wednesday evening last. Among those present were: Miss Nellie Kerr, Mrs. Geo. Bradley, Mr. G. E. McGrath, Mrs. J. Matthews, Mrs. F. Dickson, Mrs. J. Stevens, Mabel Sargent, Gladys Jean, K. Power, Mamie Shannon, Greta Hayes, Sazel Hayes, Laura Dickie, Annie Hicks, Nora Wall, Agathe Wall, Francis Dickie, Lydia Duncan, Jeanetta Yorton, Bernet Power, Isabel McBeath, Rosa Boudreau, Katherine Calder, Laura McIntyre, Grace Calder, Leila McKenzie, Ruby Miller, and Mrs. Louis J. Bourque.

Mrs. H. Vernon Ramsey, entertained at a variety shower on Monday evening in honor of Miss Ruby Miller, a prospective bride. The guests were Miss Ruby Miller, Mrs. Qhas Killam, Mrs. Chas. Goss, Mrs. Annie Ward, Mrs. J. B. Sowerby, Mrs. James Smith, Mrs. Harry Foster, Mrs. J. R. Hamilton, Mrs. W. R. Gilker, Mrs. Maud Killam, Mrs. J. J. McPherson, Mrs. Geo. Mann, Mrs. Robt. Adams, Misses Hazel Quinn Gladys Kean, Blanche Crockett, Helen Crockett, Jessie Smith, Maurine Cook, Lilian Hamilton, Laura Dickie, Lydia Duncan, Leila McKenzie, Jeanetta Yorton, Katherine McNeil, Nellie Kerr, Helen Stevens, Grace Calder, Vera McLeod and Mary Price.

Dr. and Mrs. Henri Brennan pleasantly entertained a number of young people on Monday evening. A faintly torchon was served and a most enjoyable time spent by all present. The guests were: Misses Berthe Brennan, Cecile Brennan, Marie Jeanne Champoux, Grace Vermette, Rosa Vermette, Marion Harquail, Patricia Harquail, Corinne Roy, Lily Roy, Lucienne Sanson, Eva Gaudin, Yvonne Fontaine, Irene Henry, Gertrude Cormier, Dolly Russell, Lauretta Russell, Bertha Pourrier, Blanche Mercier, Albertine Delron and Messrs. Paul Champoux, Gonzague Champoux, Maurice Champoux, Harry McEvoy, Raymond, Levie, Pichette, Plourde, A. A. Mendenhall, Adelard Guerin, Eddie St. Onge, Alonzo Loudon, Adolphe Bernier, Leo Wagner, Jimmy Murray, Jose Carth, Emile Carth, Allen LeBlanc, Lionel Polier and Lionel Roy.

Dr. Stewart of Halifax, N. S., spent a few days in town last week, the guest of Dr. Murray. Dr. Stewart was a Colonel in the Canadian Army during the late war and for some time had charge of Field Hospital No. 7 in France, after which he was transferred to England, where he acted as a consulting surgeon in one of the Military hospitals there. He graduated in Medicine at Edinburgh University, and was associated with that world famous surgeon, Lord Lister, both in Edinburgh and London. He afterwards received the honorary degree of L. D. from the Universities of Edinburgh, Dalhousie and McGill. Dr. Stewart, although upwards of seventy years of age, is still vigorous and youthful in appearance. He attends regularly the annual conventions of the leading Medical and Surgical Association, including the American College of Surgeons, of which he is a member, and is recognized as one of the leading surgeons in Canada.

Misses Kathryn Andrew and Eunice Matthews were joint hostesses in honor of Miss Kathleen Acton at the tea hour on Saturday afternoon. About 5:30 Master Bob Cook and little Ruth Miller looking charming in bridal attire entered the drawing-room to the strains of Lohengrin Wedding March played by Miss Madge Musgrave, and presented the bride-to-be with a club bag, prettily decorated with white crepe paper and apple blossoms and containing numerous dainty and useful gifts. Mrs. Hubert Henderson presided over the prettily appointed tea table and assisting in serving were Misses Ethel Farrar and Ida Andrew. Among the guests were: Miss Kathleen Acton, Mrs. Austin Kean, Mrs. V. G. Mott, Mrs. J. J. McPherson, Mrs. Homer Matthews, Mrs. Jas. Sanson, Misses Jeanetta Duncan, Laura Dickie, Grace Calder, Madge Musgrave, Sophie Meteler, Gladys Kean, Jean MacDonald, Alma Wetmore, Christine McBeath, Nellie Annett, Helen Crockett, Nora Acton, (New York), Muriel Stevens, Grace Savage, Georgie Anderson, Hazel Murray and Helen Stevens.

Excellent prospects for a heavy strawberry crop in the Westmorland county districts were reported here today by Provincial Horticulturist A. G. Turney, who has returned from an inspection trip through the southern portion of the province. Apple trees in that district were also in full bloom—just between eighteen and twenty-one days behind the orchards in this vicinity. The persistent weather has hardened the ground to such an extent that it was said considerable rain would be required to produce noticeable results.

Weddings

COMEAU-RICHARD.

A very pretty wedding was solemnized in the Church of Our Lady of the Snows at eight o'clock Tuesday morning when Rev. Father Melapou, united in the holy bonds of matrimony Miss Bertha Mary Richard, daughter of Mrs. A. Richard of this town, to Mr. Lawrence Comeau, son of Mr. Jerome Comeau of Petit Rocher. The bride, who was given in marriage by Dr. A. H. Gaudet, looked charming in a suit of fawn pique tulle, with neck-piece and picture hat of fawn net-piece and carrying a bridal bouquet of American Beauty Roses, white carnations and shower of sweet peas. Mr. Clare Boudreau acted as best man and the ushers were Messrs. Lionel Roy, and Adjutor Briler.

After the ceremony a wedding breakfast was served at the home of Mr. and Mrs. Clare Boudreau and the happy couple left on the Ocean Limited for a honeymoon trip through the lower provinces. Upon their return they reside in Campbellton.

The groom's gift to the bride was a pearl ring, to the ushers a pearl neck-tie pin and fountain pen. The bride was the recipient of many beautiful and costly gifts, testifying to the high esteem in which this young couple are held. Their many friends here join in wishing them a happy and prosperous journey through life.

THOMAS-ACTON.

The home of Mr. and Mrs. Austin Kean, Campbellton, was the scene of a very pretty wedding, Tuesday afternoon, June 20th, when Miss Kathleen Helen Acton was united in marriage to Mr. Frederick Vernon Thomas, both of Campbellton.

The bride was attired in a beige colored suit with hat to match and a blue shoe and hose and carried a shower bouquet of Ophelia roses and sweet peas. The bride was attended by Miss Georgie Anderson who wore a becoming gown of reseda green crepe, carrying a bouquet of sweet peas. The groom was supported by Mr. Hector McDonald, Smith's Little.

After the ceremony Mrs. Kean served a very delicious luncheon. The numerous and beautiful gifts received testified to the popularity of the happy couple, consisting of cut glass, silver, china, linen and several cheques.

Mr. and Mrs. Thomas left on the Ocean Limited for Quebec, Montreal, Toronto, and Niagara Falls and on their return will reside in Campbellton.

The groom's gift to the bride was a ring of pearls, and to the best man a silver cigarette case. Their many friends here wish them every happiness.

STRAWBERRY CROP.

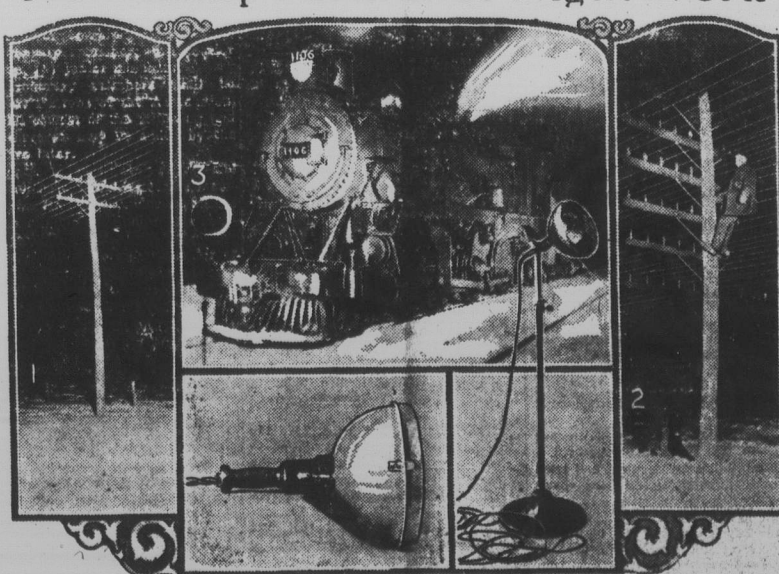

Good prospects in the Southeastern Counties of the Province, the Horticulturist Report.

Excellent prospects for a heavy strawberry crop in the Westmorland county districts were reported here today by Provincial Horticulturist A. G. Turney, who has returned from an inspection trip through the southern portion of the province. Apple trees in that district were also in full bloom—just between eighteen and twenty-one days behind the orchards in this vicinity. The persistent weather has hardened the ground to such an extent that it was said considerable rain would be required to produce noticeable results.

New Lamp Facilitates Night Work

IN the past interruptions to telegraph service caused by lightning, snow, wind and rain, have been a constant source of annoyance to the public. There is no doubt this was a disadvantage which delayed the delivery of important messages. The new lamp, however, has been found to be a most valuable addition to the telegraph system. It is a simple construction, the power is derived from the dynamo turbine from the locomotive which provides electricity for the illumination of the headlight and the lamp. A headlight globe is used and an especially designed reflector throws a beam sufficiently strong to allow working operations at a distance of 600 feet. The lamp is attached to a socket in the cab of the locomotive. There is also a semi-permanent stand to which the lamp can be attached for the convenience of men working at night on bridges or in fact anywhere that requires a steady flow of light. The lamp can also be interchanged of globes to be used where there is a domestic current, but not with such good effect.

As there is so much that can affect the Telegraph System, such as fire, snow, lightning, wind, rain, the advantage of being able to locate the source of trouble cannot be overestimated and time and time again, when the lines have been seriously damaged during the night, it has been found that the electric hand lamp, which is now used throughout the System, has been of great benefit. During the past winter when the service experienced a considerable number of interruptions the lamp was often used during snow and sleet storms and not in one instance is it known of its having failed to meet all services put upon it. There is no doubt that the perfection of this lamp has been a decided progressive step in telegraph maintenance at night.

MEETING OF TOWN COUNCIL

Water Supply Question Up For Discussion—Salary Increases.

A meeting of the Town Council was held Monday evening. His Worship Mayor, Mr. H. H. Luman, presided. The minutes of the last regular meeting were read and confirmed.

The following letter was read: Government House, Ottawa, May 21st, 1923.

Dear Sir:—I am desired by His Excellency the Governor General to say that he proposes to visit Campbellton, Monday, September 2nd, arriving at 2:30 p.m., and leaving at 4:30 p.m. He will be accompanied by His Excellency's Lady Byng of Vimy, Miss Walpole, and four members of his staff.

If it is convenient to you, I should be greatly obliged if you would let me know, at the same time forwarding a proposed program for Their Excellencies' visit, and a copy of any address should be proposed to present one.

I am to add that His Excellency is particularly anxious that no expense should be entailed by the Municipality on account of his visit, and hopes that arrangements will be made so as to enable him to meet as many of your citizens as possible.

Yours faithfully, R. K. HODGSON, Major, Private Secretary.

His Worship, The Mayor of Campbellton, N. B.

It was suggested that a public reception be held at the Town Hall. The Mayor suggested that a committee be appointed to make necessary arrangements for a reception to the Governor General and his family.

The Mayor appointed Comm. Graham, Duncan, St. Onge and Bellefleur such committee.

Comm. French-Cook of Quebec wrote in answer to a letter from the Council, that he had previously taken up the matter of the Innes-Canada highway and had stated clearly that he would favor no other route than that down the Matapedia valley.

The clerk was instructed to acknowledge receipt of letter.

The clerk read Comm. Maniquis resignation as councillor for Ward II. His resignation was accepted.

Comm. Moore's resignation and letter accompanying same were read.

On motion of Comm. Graham, resignation was accepted, but letter accompanying same was returned to Mr. Moore.

P. H. Bujold of the Florence Hotel wrote re assessment on the Florence Hotel. Referred to Assessment and Appeals Committee.

Whitney McDonald wrote asking to be appointed timekeeper. Placed on file.

Chief of Police Adams wrote asking for the usual two weeks vacation for himself and Officer Smith. Referred to Police and License Committee with power to act.

The residents of Gervais lane sent in a largely signed petition asking that a road be graded, a sidewalk built, and the water be taken at one

place. The petition was referred to the Public Property Committee for consideration.

The Police and Fire Departments were given the Lonsbury mission to install the Police and Fire Departments.

The Campbellton Graphic

VOL. XXVI—No. 51.

CAMPBELLTON, NEW BRUNSWICK, THURSDAY, JUNE 28, 1923

FIVE CENTS A COPY

MEETING OF TOWN COUNCIL

Water Supply Question Up For Discussion—Salary Increases

A meeting of the Town Council was held Monday evening. His Worship Mayor McKay presiding. Those present were Councillors: Balle, Dunlop, Graham, and Graham.

The minutes of the last regular meeting were read and confirmed.

The following letter was read:

Government House,
Ottawa,
May 31st, 1923

Dear Sir—

I am directed by His Excellency the Governor General to say that he proposes to visit Campbellton, Monday, September 2nd, arriving at 2.30 p.m., and leaving at 4.30 p.m. He will be accompanied by Mrs. Balle, the Lady Balle, Miss Walpole, and four members of his staff.

If this is convenient to you, I should be greatly obliged if you would let me know, at the time forwarding a proposed program for their Excellencies' visit, and a copy of any address should be made to present one.

I am to add that His Excellency is particularly anxious that no expense should be entailed by the Municipality on account of his visit, and hopes that arrangements will be made so as to enable him to meet as many of your citizens as possible.

Yours faithfully,

R. K. HODGSON, Major,
Private Secretary.

His Worship, The Mayor
of Campbellton, N. B.

It was suggested that a public reception be held at the Town Hall.

The Mayor suggested that a committee be appointed to make necessary arrangements for a reception to the Governor General.

Coun. Balle-Iale moved that the Mayor be Chairman with authority to appoint a committee of four to make all necessary arrangements. Carried.

The Mayor appointed Coun. Graham, Dunlop, St. Onge, and Balle-Iale sub-committee.

On motion of Coun. Graham, an answer to a letter from the Council, that he had previously taken up the matter of the issue of the "Graphic" and had stated clearly that he would favor no other route than that down the Matapedia valley.

The Clerk was instructed to acknowledge receipt of letter.

The Clerk read Coun. Marquis' resignation as councillor for Ward II.

On motion of Coun. Graham said resignation was accepted.

Coun. Moore's resignation and letter accompanying same were read.

Returned to Mr. Moore.

On motion of Coun. Graham, resignation was accepted, but letter accompanying same was returned to Mr. Moore.

F. H. Bujold of the Florence Hotel wrote re assessment on the Florence Hotel. Referred to Assessment and Appeals Committee.

Whitney McDonald wrote asking to be appointed timekeeper. Placed on file.

Chief of Police Adams wrote asking for the usual two weeks vacation for himself and Officer Smith. Referred to Police and License Committee with power to act.

The residents of Gorm's lane sent in a largely signed petition asking that road be graded, a sidewalk built, and the sprinkler over the street occasionally.

The petition was referred to the Public Property and Streets Committee with power to act.

The usual departmental accounts were passed.

Upon recommendation of Police and License Committee the usual licensing licenses were granted.

The Lumbering Co. were given permission to install a gasoline tank.

The Police and License Committee reported that suitable quarters could be provided for female prisoners for \$145.00.

The committee was authorized to have work completed.

The Police and License Committee recommended that the Chief of Police be given an increase of \$16.00 per month, beginning July 1st. Chief's salary is now \$155 per month.

Upon recommendation of the Electric Light Committee the Electric Light Company was appointed assistant engineer, and Fred Watson, fireman at the Power House.

The claim of the Central Book Store for loss of business because of failure of lights, during Christmas week was not allowed.

The Electric Light Committee recommended that H. G. V. Parry be given \$25.00 per month increase, dating from Jan. 1923. Also that Whitney McDonald be paid one day's pay deducted in error—Carried.

Coun. Duncan reported that the Stephen Construction Co., had asked for permission to use the stone piled for logs use. They agreed to replace same not later than one month after street contract was completed.

The town to keep off \$1.40 per yard for same, until returned.

After considerable discussion the Public Property and Streets Committee was empowered to deal with the matter.

Coun. Graham moved that the town treasurer, clerk and collector be granted Saturday afternoons off during July and August.

Coun. Duncan said he was opposed to this. Many people would be inconvenienced during the busy season.

Coun. St. Onge said the staff did not work very hard. They came in at 9 o'clock, and left at 5. The summer was a busy time and the office should be kept open.

Motion lost.

Coun. Balle-Iale moved that whereas Coun. Moore and Marquis had tendered their resignations as Coun. Balle-Iale for Ward II, and said "resignations had been accepted, therefore resolved that an election be held on July 1st, to fill the vacancies—Carried.

These McDavids was appointed returning officer with power to appoint his clerk and constable.

Coun. Balle-Iale brought up the matter of outside canvassers coming into town and taking away business from our local firms. He said there should be heavy taxes imposed upon all such.

His Worship said that this matter had been referred to the By-law and Legislation committee, who had the matter in hand.

On motion of Coun. Graham, Coun. Graham was appointed chairman of the Fire Protection Committee.

A resolution authorizing an overdraft of \$70,000 was passed.

Coun. St. Onge wanted to know if anything was going to be undertaken to improve the water supply. He stated of lack of rain we were already drawing upon Smith Lake reserve.

Last year we had to depend upon the electric pump, but we must make other provision this year.

Coun. Balle-Iale said we should get busy. "Some years ago Engineer Holt had made a feasibility report on the water supply question and his recommendations should be carried out. He suggested that some steps be taken at once."

NEW CANDIDATES LEAD THIS WEEK

The following represents the list of workers in the Graphic's big drive for circulation. The votes marked opposite candidate's name does not represent the full voting strength of the candidates as many of the contestants have votes held in reserve. The candidates who win the extra cash prizes for the best work done this week and last week will all have a special write-up in the Graphic in next week's issue—Watch for it.

SEVERAL INJURED IN AUTO COLLISION

St. John, June 24.—Several were injured when a motor car driven by J. Edward Tighe, labor leader of St. John, collided this morning with a truck.

Mr. Tighe, who was on his way to Nelson to attend a labor meeting, was thrown a considerable distance but escaped practically unhurt; two others who accompanied him were rendered unconscious.

Among the occupants of the other car, which was owned and driven by Henry Baily, slight injuries were sustained by Dr. W. B. Jones, M. J. Jarvis and French, and several minor injuries.

All of whom were badly shaken up and put about the feet and hands by lying flat. The injured were taken to the Hotel Dieu in Chatham for treatment.

THE POWER OF SUGGESTION. Travelling is becoming more and more of a life art. Formerly it was regarded simply as a process of getting from one place to another—most distressing but unavoidable. Now it is looked upon as a joyful undertaking, a delightful interlude in the regular routine of life, especially when the journey is over the lines of the Canadian National Railway. The keynote of the Canadian National Railway in Service. That service which is the power of suggestion. The keynote of the Canadian National Railway is service. CONDITIONS GOOD ON NORTH SHORE

Salmon Fishing Good—Most Crops Promising Despite Dry Weather.

Basing conditions on the steady increase of industrial and commercial activity in Campbellton and vicinity and news items just received from various localities throughout the eastern part of Restigouche County and along the Gaspe Coast, conditions this summer seem to be nearer to pre-war normalcy than is generally supposed. The fifteen larger lumber mills throughout Restigouche County are all in operation and their combined output throughout the months of June, July, August and September is estimated to be in the vicinity of one and one half million sq. ft. per day. Though the period of their activity this summer it is further estimated that the combined operations of these fifteen mills will furnish employment for considerably upwards of three thousand men.

Fishing Good.

Information received last night from some of the numerous villages along both sides of the Bay Chaleur where fishing is carried on as a livelihood, goes to show that, considering the industry as a whole on the North Shore, fishing so far has been good. For some time after the opening of the fishing season, fishermen at several points along the Quebec side of the Bay Chaleur complained of a scarcity of lobsters, but the large quantities taken in other vicinities evened up the season's catch. Along the New Brunswick side of the bay the lobster fishing has not been exceptionally heavy except at one or two points but most fishermen have experienced a profitable season. This year's catch, according to an informant from the northern part of Gloucester County, has been heavier along that section than further up the bay.

Crop Outlook.

In spite of the fact that rain has been badly needed in this part of the province for the past two weeks, and heavy losses from forest fires have resulted, the general crop outlook is still fair. This also applies to conditions along the Gaspe Coast. The hay crop, which was a bumper one last year, will be considerably lighter this summer. The grain crop in this part of the province is also suffering from the continued dry weather but if a good rainfall is had in the next few days, no serious damage is likely to result. Potato raising has not been gone into on quite such an extensive scale this season as last but if weather conditions from now on prove favorable the crop will be sufficiently large to enable Restigouche County to maintain her past high standing as a potato-raising county. As a natural result of this steadily improvement in general conditions in this district there is much more money in circulation and an increasing spirit of optimism and aggressiveness now prevails in this part of the province.

TWO COUNCILLORS HAVE RESIGNED

Election to Be Held July 10th With Nomination One Week Away.

At a meeting of the Town Council held Monday evening the resignations of Coun. H. A. Marquis and Jas. H. Moore, Councillors for Ward II, were accepted.

Coun. Moore's resignation was accompanied by the following letter:

The Mayor and Council,
Town of Campbellton.

Gentlemen:

Herewith my resignation as councillor for Ward II, in tendering this resignation I would like to state that I firmly believe the ratepayers of this town are opposed to the resolution passed by a majority vote of the council at the last regular meeting, the paving of streets, in which one of the highest tenders was accepted.

Being convinced that this is so I hereby challenge any of the supporters of said resolution to resign and allow the people of any ward or at large to say whether or not they or I have the confidence of the people in our action. Re paving contract.

Or in the event of the supporters of said resolution not wishing to take a chance I would suggest that they choose a man to support their action, at the polls and whatever the wish of the ratepayers I will be perfectly content.

I Beg to Remain,
Yours very truly,

J. H. MOORES.

The resignations were accepted and an election ordered for July 10th, with nomination day July 3rd.

CAN NOW MAKE ARTIFICIAL WOOD

Sawdust Mixed With Chemicals Subjected to Heavy Pressure as Hard as Oak.

Christiania, June 25.—By using a mixture of 50 per cent sawdust, with chalk and chemicals, and subjecting these to very heavy pressure, a scientist of the Kellebund says he has succeeded in making "artificial wood" possessing all the qualities of genuine timber. Its specific gravity is the same as wood, its hardness the same as oak. It can be planed, sawed, barked, nailed, painted, stained or polished and submitted to every process of carpentry or manufacture to which real wood is subjected. It is, no meteoric in water and on account of the chemicals it contains it is impervious to rot and it burns at a temperature much higher than that at which real timber ignites.

"WHAT DID the other boy leave for, sir?"

Storekeeper: "For having defective eyesight at times, my boy."

"Why, sir, I have seen him since. Apparently then, his eyesight was alright. It seems rather curious, sir."

"Well, my boy, at various times when taking money from customers he could not see the till."

FARMERS BEATEN IN ONTARIO

Farmer Leader and Five of His Ministers Go Down to Defeat.

Toronto, Ont., June 25.—After a four year trial of group government as represented by the United Farmer-Labor coalition of the Hon. E. C. Drury old man Ontario swept himself back to the straight line party system of provincial administration by electing the Conservatives under the leadership of Hon. Howard Ferguson to power by a heavy majority over all the other parties in the Legislature. At midnight the summary stands: Conservatives 68; Liberals 19; United Farmers 7; Labor 1; Independent 1; still to hear from 21; total 111. The results of the remaining twenty-one seats will not be heard from definitely until tomorrow.

Coinciding with the sweep of the Farmer-Labor party from power, the western part of the province was visited by the worst electrical storm of years. The wind and rain tore down miles of telephone and telegraph poles, as well as causing much other damage.

Premier Drury, Hon. Peter Smith, Provincial Treasurer, Hon. R. H. Grant, Minister of Education; Hon. Harry Mills, Minister of Mines; Hon. Walter Tollo, Minister of Labor; and Douglas Carmichael, minister without portfolio, were all borne down in the avalanche of defeat which visited the Farmer's Government. Messrs. Mills, and Tollo were the labor members in the Cabinet.

The Farmers had 45 members in the House of Assembly and the Labor Party nine, a total Government support of 54. The total Drury Government support so far reported numbers eight members.

Another notable defeat at the polls was that of the Liberal leader Wellington Hay, in his constituency of North Perth. On the other hand, the Hon. W. E. Raney, who on account of his part in the administration of the Ontario Temperance Act was the most criticized man in the Legislature, was elected apparently by a fair majority in East Wellington. The success of Hon. Adam Beck, Conservative, and Chairman of the Ontario Hydro Electric Commission, will be hailed as a great personal triumph.

STR. CARAQUET GOES ON REEFS

Royal Mail Steamer Ashore Off Bermuda—Ocean Tugs to Rescue.

Hamilton, Bermuda, June 25.—The Royal Mail Line steamship Caraquet, from Halifax to the West Indies, went on the reefs 12 miles north of Bermuda at daylight today.

She is believed to be breaking up. All available ocean tug have gone to take off the passengers. A high sea is running, but no loss of life is expected.

LOCAL ITEMS OF INTEREST

Newspapers of Town and Country Happenings
Gathered by Graphic Reporters.

Andrew's Clothing Store has a fine line of Samples of Washable Suits, it will pay you to call and see them.

GRAMMAR SCHOOL CLOSING
The Grammar School closing will take place to-morrow morning, commencing at 10.30 o'clock. Parents and all interested are asked to attend.

A NEW POSTAGE STAMP
A postage stamp of \$1 denomination will be available for issue about July 1. This stamp will be the same design as the other denominations and will be printed in red.

LARGER POST CARDS
On and after Sept. 1 next, the minimum size for postcards within Canada will be changed to four inches by three inches, the minimum size for the international mails.

SCHOOL HOLIDAYS
The public schools will close on Friday, June 29th, to permit the teachers and pupils to enjoy their regular eight weeks summer holidays.

BALMORAL BAZAAR
The annual Bazaar of the Balmoral congregation will be held June 30th, July 1st and 2nd, on the church grounds. Luncheon will be served, and various amusements will be provided.

PICNICS
The usual summer picnics are now on. The Balmoral congregation will hold a big fete over this week-end, beginning Saturday and ending Monday. The Atholville congregation picnic begins Monday (Dominion Day) and will be continued three subsequent evenings.

SALMON AND SEALS
The salmon fishermen are suffering loss by the presence of seals. In one salmon net the seals destroyed all the salmon. Something should be done to exterminate this evil. Salmon are now selling at 50c. at the nets. Due to the poor prices obtaining at the American markets it is not a profitable business for shippers, while the price paid to the fishermen has also taken a drop—Chatham World.

BAZAAR AT ATHOLVILLE
The B. C. congregation of Atholville will hold their annual Bazaar on the Church grounds, commencing Monday, July 2nd, and continuing three subsequent evenings. Dinner and supper will be served Monday, while supper only Tuesday. All kinds of amusements including a merry-go-round, will be provided. Refreshments will be sold. Proceeds in aid of new church.

LAWN TEA
Will be held by the ladies of Wesley Methodist Church at home of Mrs. A. H. Ingram. Ice-cream and home cooking for sale, from 3 to 6 p. m. Saturday June 30th.

TEN DAYS SALE
20 per cent discount on all wall paper and border from June 29th to July 9th inclusive.

L. W. STEVENS.

MARRIAGE ANNOUNCED
The marriage is announced of Richard A. Lane of Montreal and Mary Stella Troy of Dalhousie. The ceremony taking place in Dalhousie on Feb. 18th, 1923, the Rev. Father J. A. Hart officiating.

NOW CHAIRMAN SCHOOL BOARD
Mr. M. Alonso Kelly, of Campbellton, has been appointed chairman of the Board of School Trustees for the Town of Campbellton, term of office to expire on June 30, 1927, in place of W. M. Anderson, deceased.

ANNUAL TAG DAY
The members of Jeanie Gordon Lodge No. 840 of the L. O. B. A., will hold their annual tag day on July 11th out of town and July 12th in town in aid of the St. John Protestant Orphanage. June 28-29.

POST OFFICE HOLIDAY
Monday, 2nd July being observed as Dominion Day, the usual holiday arrangements will be in effect at the Post Office. Windows will be open from 8.30 a.m. to 9.30 a.m. The lobby will be open during the day for box holders and the general delivery window will be open in the evening after the local mails have been assorted, about 7.15 p.m.

OPENING TEA ROOM
The opening of Clifford's Tea Room at Dalhousie on Monday, July 2nd is another event which will interest holiday parties throughout this district. The new tea room is located on Victoria Street near the corner of Brunswick, and is beautifully situated in a grove of trees, offering the solace of quiet, restful shade to the tired motorist or traveller. It is easy of access, being right by the roadside and there is no doubt but it will be heartily welcomed by the many people of this vicinity who spend holidays and numerous evenings in motoring. Special preparation is being made for the occasion of the opening. One of these features will be an orchestra which will be in attendance from 8.30 to 11 o'clock on Monday evening. There is also a tennis court in connection and this will doubtless prove an added attraction to many.

GRAMMAR SCHOOL CLOSING EXERCISES

Large List of Graduates This Year—
Good Programme for Morning and Evening

The annual closing exercises of the Campbellton Grammar School will take place Friday morning at 10.30, in the Assembly hall. A very pleasing programme has been prepared and it is hoped there will be a large attendance of parents and friends interested.

CANADA IS HER OWN MISTRESS
Speaker Disallows Question On Dominion In British House.

London, June 16.—Mr. Lambert, member for South Molton, in the Commons yesterday asked if the Government was aware that the Canadian Government had confiscated \$7,000,000 pounds, mainly British capital expended in the construction of railways in Canada and added: "Is it not a fact that the Canadian Government refused facilities to the Grand Trunk to raise its rates to maintain working expenses?"

Mr. Lambert then said that he hoped the prohibition was not to be held up by the commission which the government proposed appointing to investigate the matter.

Mr. Fielding said that the government did not propose to be restricted in the House of Commons.

CAN PROHIBIT PULPWOOD EXPORT
Fielding's Resolution Passed By Parliament At Recent Session.

Ottawa, June 2.—A resolution giving power to the government to make regulations prohibiting the export of pulpwood from Canada, was carried in the House of Commons last evening.

Sir Henry Drayton asked Hon. W. S. Fielding who was in charge of the resolution, to indicate the nature of the regulations which it was proposed to make.

Mr. Fielding replied that the nature of the regulations have not yet been determined.

Mr. Fielding said that the government did not propose to be restricted in the House of Commons.

Grand Cascapedia
The weather has continued very dry and the crops are very backward.

Mrs. Willie Lynd and daughter Della, of New Richmond are visiting here guests of her mother, Mrs. Peter Gould.

Miss Marcel Debon of New Carlisle is visiting friends here. Quite a number of Americans are on the river for salmon fishing and quite a number of fish are being taken.

Mrs. Russell Campbell left Tuesday for Campbellton where she will spend some time visiting friends.

Mr. Chester Oull spent a few days last week at his home here. Our former pastor, Rev. J. B. Rattee is expected here shortly while here he will conduct a series of meetings.

The Field Question. The question of a suitable athletic field, the old I. N. property and the new hill, the latter of which the town were all considered. The president and other officers debated the matter and all seemed agreed that the question of a private field was not a matter of delay. Rev. M. McNair spoke of the appropriateness made by the town council for the purpose of fixing up the "I. N. R. Grounds" and the president said that the council were much interested in the matter of athletics and no doubt regarding any expenditure for that purpose, a profitable investment. The president then took up the matter of the money which was collected some seven years ago for the purpose of erecting a Y. M. C. A. building here and asked if the money could possibly be turned over to the present movement on behalf of the young, providing it was not going to be put to its intended purpose. A suggestion was made of a possible appeal.

Mr. A. McC. McDonald followed the suggestion and stated that if the money were available it could hardly be put to a better use than the new athletic field. The objective of the promotion of the new association was decided however that this matter be investigated with a view to the erection of a Club building as soon as it was deemed necessary. A committee, consisting of the President and the three vice-presidents, was appointed for the purpose and was commissioned to interview the town

form the duties of the official's absence.

The duties of the Secretary shall be:

- (1) to keep a record of all meetings of the Association and of the Executive; (2) to notify the members of the Executive of all meetings of the Executive; (3) to carry on the correspondence of the Association; (4) to sign all orders for the disbursement of money under the authority of the Executive.

It shall be the duty of the Treasurer to receive all monies for the Association, to deposit them in a chartered bank, and to pay out such amounts as are authorized by the Executive, and to sign all orders for the disbursement of money under the authority of the Treasurer and to countersign by one of the other officers.

The duties of the Executive shall be:

1. To administer generally the affairs of the Association.
2. To appoint the chairman of such committees as may be necessary to carry on the varied branches of the Association.
3. In the event of any vacancy in the office of Executive, the Executive shall be filled by the Executive if quorum is present, otherwise a special meeting of the Association shall be called for that purpose.
4. To authorize the payment of all accounts.
5. To add from time to time to the list of patrons or honorary members of the Association.
6. A meeting of the Executive may be called at any time by the President or by any member of the Executive.

Written resolutions must be given to each member of the Executive.

Moncton, N. B., June 26.—The first sod on the site of a proposed new Masonic Temple here was turned this morning by Mayor J. Fred Edgett, P. D. G. M. for New Brunswick and P. M. of Keith Lodge, Moncton.

guidance and welfare of the workers in The Graphic circulation drive
who really are in earnest in their efforts to win the free autos or one
of the big cash prizes. We would advise every "live" candidate to
clip out this list, paste it up where it can be read night and morning,
and then follow it to the "T."

"DON'TS FOR WORKERS"

"Don't" let a day pass without securing some votes and sub-
scriptions. Remember that it is votes that will win the prizes.

"Don't" let any day pass without someone else walk off with a
prize that could just as easily have been yours if you had made the
proper effort to secure it. Enroll your name to-day and get busy on
the big special cash prizes for the best work done during this week
and last week. Every worker started even on the special prizes.

"Don't" take a rest while a special vote offer or special prize
offer is in force. Be one of the wise ones and figure out that you
might as well get the most votes for your efforts.

"Don't" forget that the special prize offers date from one week
ago last Tuesday morning, June 19th, up until next Monday night,
July 2nd (inclusive).

"Don't" fool yourself by losing out on winning one of the big
extra cash prizes this week.

"Don't" wait until the last day or two of these special offers
before getting busy. Some unforeseen event may happen at the
close of these offers which may cause you to fail to make the showing
you intended making, for instance rain may make the roads and
"getting around" rather unpleasant. The best plan is to get busy as
soon as a special offer is announced and make every minute count
during the offer.

"Don't" stop subscription getting and vote getting when you
have seen one or two of your friends and acquaintances, begin on
strangers. If they see that you are really out in earnest in your
efforts, they will give you their support. This was proven when the
campaign manager was talking to a certain business man in one of
the neighboring towns when he remarked that already he had had
three candidates call on him for his subscription to The Graphic, and
he remarked that he knew each one of these candidates very well and
that he was going to renew his own subscription for two years, also
one other subscription that he was sending to a member of his family
who is now living in Montreal. This party said he intended supporting
the one who makes real business in the big drive and who is really
out in earnest after one of the big prizes, and there are many more
who are waiting for the same thing. "Don't" have your friends lose
confidence in you. Keep right at subscription getting until you prove
to them that you are a worthy worker.

"Don't" stop when you have thoroughly canvassed your own
town. You are allowed to get subscriptions anywhere. Go to the
neighboring towns and vicinity and see the farmers in the outlying
communities.

"Don't" let a little rain or muddy roads cause you to lose a
valuable prize. Being out in the fresh air is good for your health.

"Don't" be skeptical of your chances of winning a prize. En-
thusiasm and get busy on the big extra prizes this week. Surely you
have as much ambition and energy as the "other fellow" in the big
drive, and ambition and energy are the main requisites for success in
a competition of this kind.

"Don't" fail to send in your nomination at once if you have not
already done so, if you intend entering the big drive and compet-
ing for one of the valuable prizes. You will be losing valuable
ground if you do not get your share of the big votes this week.

"Don't" get discouraged—keep at it. Resolution backed by
action will win. There are many valuable prizes and cash awards
for all who continue actively in the big drive to the end. Get every
possible vote you can this week and make your chances that much
better for winning one of the big prizes when the final count is made
three weeks from Saturday night.

Out of Town Candidates, Attention!

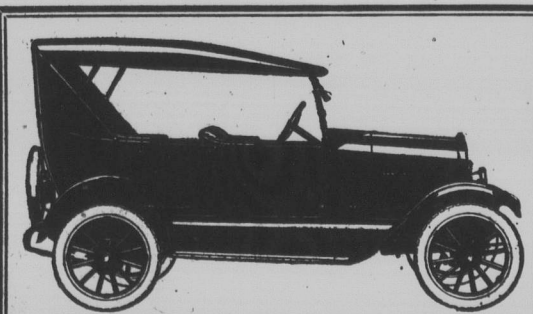

question of the awarding of the Durant Sport Touring Car and the
Durant Star Touring Car, which are given away free to the
Second Grand Prize. Candidates living out of Campbellton have an
equal chance in winning one of The Graphic's prizes. The candidate
securing the highest total of votes in the whole contest will win the
Durant Sport Touring. It makes no difference where the candidate
lives; either district can win the Grand Capital Prize. However, if
the Durant car is won in district number one, then the Second Grand
Prize, which is a Durant Star Touring Car, will be awarded to the
candidate having the highest total of votes in district number two, that
is the territory outside the town of Campbellton. There will be one
Grand Prize awarded to each district.

SEVEN EXTRA CASH PRIZES

This Week

For Seven Graphic Workers
A WONDERFUL OPPORTUNITY FOR NEW CANDIDATES

Votes are given on payment of old accounts as well as for renewals and new
subscriptions—Every paid subscription will help a candidate win one of the Free
Prizes—A wonderful opportunity for new Candidates.

Second Grand Prize

Durant Star Touring Car. Valued at \$715

SEE IT AT

HARRISON & JAMIESON'S

There will be \$140.00 in cash given to the candidates who do the best work
during this week and last week. The first extra prize amounts to \$50.00 in cash.
There will be two \$25.00 extra prizes, two \$15.00 extra prizes and two for \$5.00 each.
Win one. Win the best one. Show your friends you mean business. The extra cash
prizes will be given to the winners early next week and announced in The Graphic at
the same time.

Votes are given on all old accounts
and renewals of Subscriptions as well
as for NEW Subscriptions.

Most votes will win—secure the votes.

Totaling over \$3500

ONE GRAND PRIZE FOR EACH DISTRICT

NOTE—If the Capital Grand Prize, which is the Durant Sport
Touring Car, is won by a candidate living in District No. 2, the Sec-
ond Grand Prize, which is a Durant Star Touring Car, will be award-
ed to the candidate having to his or her credit the highest total of
votes in District No. 1, or vice versa. The balance of the prizes will
be awarded to the candidates having the next highest totals of votes
after the awarding of the Grand Prizes.

GRAND CAPITAL PRIZE IS THE DURANT SPORT
TOURING CAR, Value \$1545. THE SECOND GRAND
PRIZE IS A DURANT STAR TOURING CAR, Value
\$715. Call and see them at Harrison & Jamieson, Dealers,
Campbellton, N. B.

THIRD PRIZE is \$200.00 in Cash.

FOURTH PRIZE is \$100.00 in Cash.

FIFTH PRIZE is \$60.00 in Cash.

SIXTH PRIZE is \$50.00 in Cash.

SEVENTH PRIZE is \$40.00 in Cash.

EIGHTH PRIZE is \$25.00 in Cash.

NINTH PRIZE is \$20.00 in Cash.

All candidates who take an active part in The Graphic's Sub-
scription Campaign and fail to win one of the regular nine prizes,
and who continue actively in the campaign to the end, will be awarded
cash commission prizes of 10 per cent. on all the money they collect
during the contest.

This is the Last Week For Club Votes

Encouraged by the enormous number of extra votes accumulated
last week many of the candidates have requested that another club
vote offer be given. The request has been granted, and candidates
will have another chance to get club votes; however, this is positively
the last chance candidates will have to get so many votes for their
efforts. During this week and up until Tuesday night, at 10
o'clock, an extra 75,000 votes will be given for each and every \$10
club of subscriptions, secured. \$20 worth of business secured this
week will credit a candidate with 150,000 extra votes; \$50 turned in
this week will give a candidate 375,000 extra votes; \$100 will give
750,000, etc. This is positively your last chance to get extra club
votes, so candidates should make the best of the offer and subscribers
and candidates' supporters should help their favorite candidate this
week, before next Tuesday night at ten o'clock. DO IT NOW!

DALHOUSIE, N. B., JUNE 28, 1923

EVERY WEEK

CONVENT CLOSING PLEASANT AFFAIR

Programme Carried Out By
Pupils a Credit to That
Institution.

Dalhousie, June 25.—The closing
exercises of the Dalhousie Convent
took place on Thursday afternoon,
June 21st, before an audience of over
three hundred people, undoubtedly the
most successful closing yet held. The
function was presided over by the Rev.
Father J. A. Hart, who had at his
sides his confessor, the Rev. Father
R. Robichaud, Upper Charlo; F. M.
Lantagne, Athol; LeVesque, Val
D'Amour and Sivret, Campbellton.
There was also a large attendance of
parents of the pupils from Campbell-
ton, Dalhousie, Charlo, Kedgewick, St.
Quentin, Petit Rocher and Nouvelle,
P. Q.

The entertainment given by the
pupils, previous to the presentation of
prizes was carried out in a splendid
manner, followed by the awarding of
112 prizes to the pupils, eleven
diplomas for music, and nine diplomas
for book-keeping, stenography and
calligraphy.

The diplomas for stenography are
given by the Pitman Company, New
York; calligraphy, by the Underwood
Company, Canada and the Remington
Company, United States; "book-keep-
ing," by the Goodyear-Marshall Com-
pany, United States.

The following programme was car-
ried out most successfully:—

Value (Trio)
Miles, E. Sénéchal, Y. Blanchard, E.
LeBlanc and Mons. L. Pelletier,
J. Thibaut and P. Ouellet.
Montre Toujours! Cantate.
Recitation—Les Adieux de Marie
Stuart.
Cibiribirin (Valse)—Piano et Man-
doline.
Piano—Mons. G. Doyle, Miles. R.
Richard et M. Tennier.

An Ounce of Prevention
Miss Santition—Miss A. Melhot.
Cold in the Head—Miss M. Plourde.
Sore Throat—Miss E. Arseneau.
Headache—Miss M. Barthe.
Influenza—Miss A. Richard.

from Goodyear-Marshall Co.
Certificates of Proficiency in Type-
writing were awarded to Miss Alma
Gallant and Master Orlan Lavioie.

Happenings of The Week

Don't forget the opening of Clif-
ford's Tea Room on Victoria Street,
Monday, July 2nd.

The ladies of the W. A. held an at-
tractive Party Sale and Tea on Sat-
urday evening, in St. Mary's Hall, and
were well pleased with the financial
result.

The Young Ladies Branch of the W.
M. S. held a salmon supper on Friday
evening, June 22nd, in the Basement
Hall of St. John's Presbyterian Church.
The tables were very attractive. The
young ladies wore pretty costumes and
the function was well patronized.

Miss Mary E. Farrell and Mr.
George E. Scott wish to take occasion
through the columns of the Graphic
to thank their many friends for the
extreme courtesy and kindness shown
them during their period of service in
the town of Dalhousie.

An event advertised as the Summer
Opening of the Rink to take place on
Monday evening will doubtless attract
many patrons both here and in other
vicinities. Mr. Trudelle the manager
of the Rink has made careful prepara-
tion for the occasion and it promises
to be a very successful affair. A fine
six piece orchestra has been engaged
for the evening, new menus which dis-
play many new dishes are also a fea-
ture and a delightful Green Room,
beautifully decorated with evergreens
has been arranged in the main part of
the rink and fitted up as an ice cream
parlor. Outside parties are cordially
invited to attend and there is little
doubt but what all who take advantage
of the occasion will have a most en-
joyable time.

RINZLER—DINGETT.

The marriage of Miss Malvina Din-
gott, daughter of Mrs. A. Dingott of
Montreal to Mr. Wm. Rinzier, mech-
anic, son of Mr. M. Rinzier, mech-
anic of Dalhousie, was solemnized at the
beautiful Fairmount Synagogue on the
evening of June 10th, Rev. Doctor
Abromovitch officiated. The bride
was becomingly dressed in a white
satin gown beaded with pearls, her
veil of Spanish lace being held in place
by a pearl bandeau. She carried a
bouquet of Ophelia roses, lilies of the
valley and sweet peas. She was at-
tended by her June 10th, Rev. Doctor
as maid of honor, who wore a grey
canton crepe beaded gown, also by
Miss Emma Rinzier who wore a peach
flat canton crepe gown. Miss Mary
Shafer who wore a maize georgette
dress, Miss Ray Lechner in a Nile
green georgette gown and Miss Ger-
aldine Hoffer who wore a mauve geor-
gette dress and all carried bouquets
of roses. The three little flower girls
were Judith Mintz, Greta Rubin, and
Ella Lechner. The groom was attend-
ed by his brother, Mr. Jack Rinzier
as best man. The Synagogue was
beautifully decorated and the cere-
mony was presided over by Rev. Dr.
Dingett and N. Rubin. After the
ceremony a reception was held at the
Fairmount Hall where 300 guests
were entertained. The happy couple
left in the morning for their honey-
moon trip to New York, Atlantic City,
Baltimore and other American cities,
and on their return they will make
their home in Bathurst. The bride
received a wonderful array of beau-
tiful and costly gifts.
Mr. M. Rinzier of Dalhousie, was
present at the marriage of his son in
Montreal.

ORPHAN'S HOME APPEALS FOR HELP

Generous Subscriptions Solely
Needed to Carry On
Work.

(Advertisement)
To the Protestant People of New
Brunswick:—
Your Orphan's Home asks that at
once you please send in your most
generous possible subscription for
maintenance to H. C. Rankine, Treas-
urer, 197 Germain Street, Saint John,
N. B. The subscriptions for main-
tenance received from St. John County
are annually considered more than
three-fifths of the total amount so
subscribed. The number of inmates
at present shows exactly three-fifths
from Saint John County and two-
fifths from the rest of the Province.
From practically every County your
Home has inmates. Sixty in all from
outside St. John County, Ninety from
St. John County and many of these
are or are directly exposed to some other
County.

Your Home needs generous sub-
scriptions for maintenance very badly
at once and is therefore making this
appeal for the reason, above given,
largely outside of Saint John County.
Yours very truly,
D. C. CLAIR,
President.

H. USHER MILLER,
Secretary.
The New Brunswick Protestant
Orphan's Home.
June 27-4-wks.

The Graphic—\$2.00 per year.

Social and Personal News

The Misses Helen and Blanche La-
Vigne, assisted by Miss Louise Synn-
ott, are being congratulated on the re-
sult of the whole party they directed
in the Convent Hall on Thursday eve-
ning, June 21st in aid of the con-
vent. Six prizes were awarded after a very
enjoyable game of whist, which lasted
two hours.

A beautiful religious pic-
ture was donated by Mrs. George Win-
chester, who had brought the sum
of \$32, was won by Miss Tallantire,
Methot, clerk with Mr. James Wallace,
amount realizable was \$91. With the
amount realized a few days ago at
the whist party, held by Mrs. St.
Pierre, the good sisters have been
presented with the handsome sum of
\$150, for which they are most grate-
ful to all those who in any way con-
tributed to the success of the whist
party.

Mrs. Desire Roux and Miss May
Godin pleasantly entertained at a var-
iety shower on Thursday evening, at
Mrs. Roux's pretty home, in honor of
Miss S. Blanche LeVigne, whose mar-
riage takes place this week. The
bride to be was the recipient of a
large number of pretty gifts and a
most enjoyable evening was spent.
The guests were: Mrs. John J. Law,
Mrs. S. Blanchard, Mrs. Isadore
Allain, Mrs. James Arsenault, Mrs.
John LaVigne, Mrs. A. J. LeCoffre,
Mrs. Desire Roux, Mrs. Theo. Na-
dau, Sr., Mrs. Theo. Nadau, Jr., Mrs.
Andrew Wallace, Mrs. Patrick Le-
Blanc, Mrs. Wm. Letourneau, Mrs. Ed-
die Cannon, Mrs. Daniel Cook, Mrs.
Annie Morin, Mrs. Walter Cabot,
Mrs. Arthur Hayes, Mrs. A. LeTour-
neau, Mrs. T. LeVigne, Mrs. J. W.
Cooke, Mrs. Geo. Winchester, Mrs.
Andrew LeBlanc, Mrs. Ed. Harquail,
Mrs. Peter Methot, Mrs. Ed. Paquet,
Mrs. Philippe Main, Mrs. S. Brown,
Mrs. M. Rinzier, Mrs. Frank Synnott,
Mrs. Henry God, Mrs. Frank Cook,
and the Misses Stella Landry, May
Godin, Caroline Methot, Mary Farrell,
Helen LaVigne, Bessie Delaney,
Blanche LeVigne, McMillen, Steno-
grapher, Corine LePage, Ernestine Le-
Page, Lena LeTourneau, Cassie Rob-
ert, Corine Normandeau, Alma Cook,
Louise Synnott, Cecelia Landry, Lil-
lian LeTourneau.

TWO OF PRESIDENT'S PARTY KILLED

Amo Plunged Off Road Into
Creek With Fatal Results
Near Denver.

Denver, June 24.—Summer Curtis,
of Washington, representative of the
Republican National committee ac-
companying President Harding party on
his western trip, and Thomas
French, of Denver, were killed and
two other men seriously injured when
the automobile in which they were
making a mountain tour plunged off
the road into Bear Creek Canyon, 25
miles from Denver late today. French
was driving the car.

The injured are: Donald Craig,
manager of the Washington Bureau of
the New York Herald, and Thos. Daw-
son, Colorado State historian and vet-
eran Washington newspaper man.
French died on the way to a hospital.
Curtis was instantly killed.

U. N. B. CONVOCATION

The senate and faculty of the Uni-
versity of New Brunswick has issued
invitations for a University Convo-
cation to be followed by the ceremony
of laying the corner stone at the new
Excellency the Governor General of
Canada will be present.

Dalhousie League Opens Local Series

The first five games on the Dal-
housie Baseball League's Schedule had
to be postponed owing to the fact that
most of the players were away fight-
ing forest fires which have been con-
stantly breaking out in different lo-
calities along the north shore. Fri-
day night, of last week, however, saw
the opening of the local league series,
when the Red Sox and the Independ-
ents vied for honors, the former nine
winning by a score of 11 to 5.

The Independents went to bat first
but failed to get a runner home. The
Red Sox then came to the plate and
started off with a rush working seven
men around the circuit before the third
batter went down. In the first
half of the second inning the Inde-
pendents repeated their feat, work-
ing the first inning, again failing to
score. In the second half of the sec-
tion the Red Sox slowed down and
their opponents held them to their
former score.

Coming to bat in the third inning
the Independents began to show more
speed and challenge up one run. The
Red Sox followed this up however,
with two runs in their half of the
third.

In the fourth the Independents ral-
lied and brought three men home and
managed to hold their opponents to
their five run lead. In the fifth the
Independents went to bat with higher
hopes but one run was all they could
manage. The Red Sox then scored
twice clinching the victory. The game
was interesting although both teams
putting over some nice plays, both at
bat and in the field.

The box score:—
Indep. 0 2 8 4 5 6 Tot.
0 1 3 1 0 5
Red Sox 7 0 2 0 2 0 11
The Batteries:
Indep. L. Letourneau and R. Roy.
Red Sox: Desautels and R. Hutchison.
Rev. Father Hart umpired the game.
While losing by a big margin Capt.
Harquail and his nine men were con-
gratulated on the fine showing they
are making. If they keep up on im-
proving as the series advances there is
little doubt but what they will be-
come one of the fastest teams in the
league.

S. A. CORPS FOR BATHURST

Major Burrows announces that on
July 5th the S. A. will open a Corps
at Bathurst and new officers will
be appointed to take charge of the work
there. Major Burrows is a very pro-
gressive divisional commander, hav-
ing opened a number of new corps in
this division since taking command.
Major Burrows is a very popular D. C.
and is well liked by the officers under his
charge. He has always shown his
interest in officers that were station-
ed at hard corps and is noted for his
kindness to those with whom he has
come in contact.

The Forest Travel Permits Are Cancelled

and no more will be issued until
the present forest fires
menace is relieved.

Under authority vested in the Minister of Lands and
Mines, all forest travel is hereby prohibited, and all regis-
tration certificates are hereby cancelled until further notice
in all counties of New Brunswick.

This action is made necessary by the seriousness of
the forest fires situation.

Further warning is also given that:
**THE PROHIBITION OF BRUSH AND SLASH BURNING
THROUGHOUT THE ENTIRE PROVINCE, EFFECTIVE
SINCE MAY 18TH, IS CONTINUED UNTIL FURTHER
NOTICE.**

Violators of these instructions are subject to immediate
arrest and criminal prosecution and all law officers, includ-
ing Fire Wardens who are created special constables under
the Fire Law, are hereby instructed to have all violators
placed under arrest and held for trial under the Criminal
Code.

C. W. ROBINSON,
Minister of Lands and Mines

Crown Land Office,
Fredericton, N. B.
June 16th, 1923.
