An Act to vest a certain Road Allowance and other property in Sarah Davidson Russel.

WHEREAS Sarah Davidson Russel, by her petition to the Legislature has set forth that she is the proprietor of the West half of Lot number two, in the Sixth Concession of the Township of Madoc, in the County of Hastings, and also of that part of the West half of Lot number one in the same Concession, which is adjacent to the said Lot number two, and bounded by the road to Marmorra, and that that part of the original allowance for road between the fifth and sixth Concessions of the said Townships which adjoins the property of the said Sarah Davidson Russel is impracticable and unfit for use as a public highway, and in consequence a road has been opened and run through the said property without the consent of or compensation being made to the owner thereof, which said last road is used and travelled as a public highway, and is now established by user, and that the said road being run in an oblique direction cuts up and destroys the land and greatly diminishes the value of the property. And that the said Sarah Davidson Russel is willing, and prays that she be allowed to provide a sufficient public highway in lieu of the intended Concession road, upon condition that the land now used as a road through her property, and the said allowance for road, be vested in her as a compensation therefor. And whereas it is expedient to grant the prayer of her petition:— Therefore Her Majesty, &c., enacts as follows:—

I. The original allowance for road between the fifth and sixth Concessions of the Township of Madoc, in the County of Hastings, so far as it adjoins those parts of Lots numbers one and two in the sixth Concession of the said Township which are the property of Sarah Davidson Russel, and also the land now used and travelled as a public highway through the said property shall be vested in her, her heirs and assigns for ever; upon condition, however, that the said Sarah Davidson Russel shall within six months after the passing of this Act lay out a new highway road through her said property at the distance of ~~thirteen~~ ^{seventy-four} chains seventy-four links from the original allowance for road, and running parallel therewith a distance of seventeen chains, thence west at right angles ten chains twenty-four links, thence again parallel to the original road allowance to within two chains and one-half chain of Lot number three in the said sixth Concession, and thence at right angles so as to intersect the original Concession road or road allowance. Provided further that the road now used and travelled as a public highway shall continue so to be used until the new road hereinbefore provided for shall have been laid out.

II. This Act shall be deemed a Public Act.

Preamble.
