REPORT OF THE COUNCIL
OF THE
ONTARIO RIFLE ASSOCIATION
FOR 1886.

Your Council herewith submit for approval its Annual Report for the year 1886.

The Annual Prize Meeting was held on the Association Ranges in August, beginning on the 25th and continuing for three days.

For the first time in the record of Prize Meetings of the Association sighting shots were abolished and a great saving of time effected thereby. When this course was settled upon by your Council it became apparent that a falling off in the revenue from loss of sighting shot fees would ensue, and to save this as well as give competitors a chance of sighting their rifles, a larger than usual Extra Series List was provided and intermingled with the regular matches, the result being most satisfactory.

The prize list was increased by some \$500 over last year, but as has before been experienced under similar circumstances, the addition failed to materially swell the number of competitors.

In the number of affiliated Associations an increase of four is shown, while in the membership a decrease of twelve is observable; the grants from municipalities also fell off to the extent of four. The

receipts from rent of pasturage is behind that of previous years, principally owing to a substitution of milch cows for sheep as being less in the way of the daily target practice.

The amount expended on repairs to the ranges was much greater than usual or anticipated.

The spring found No. 3 range almost entirely demolished by the frost and snow caused by its proximity to the lake, which prevents proper slopes being given to the pit and background; this range had to be entirely rebuilt, while No. 1, which has not been repaired for years, had to undergo similar treatment. All three ranges are now in very good order.

Another unexpected outlay was the purchase of new binoculars for the use of the Registrar-keepers to replace those lost and worn out.

The expenses of the Prize Meeting Staff were very much reduced and the financial state of the Association can again be quoted as quite sound and satisfactory.

The friends of the Association have, as usual, been most generous and your Council has to acknowledge with warmest thanks the following liberal donations.

His Excellency the Governor-General, silver and bronze medals.

The Dominion Government, its annual grant of \$1,800; the Ontario Government, a similar one of \$1,000; the Canada Company, twenty-five guineas; Lieut.-Col. Gibson, M.P.P., President of the Association, \$100; Lieut.-Col. Lewis, of London, \$20; and the Municipalities of Huron, Haldimand, Lincoln, Oxford, Victoria, Wentworth, York, and City of Toronto, \$10 each; Captain Cooper, Messrs. Copp, Clark & Co., Jno. F. Crean, Robinson Bros., Brown Bros., Mail Printing Company, Fulton, Michie & Co., Globe Printing Company, Davidson & Hay, Rubber Company, Cooper & Smith, World Printing Company, Captain Mutton, Lieut.-Col. Jones, Captain Hughes, and Captain Blain, prizes in value and money.

Your Council has also to convey its thanks for the efficient services of the undernamed, composing the Staff of the Prize Meet-

ing, viz.:—Lieut.-Col. Jones, Dufferin Rifles, on the Executive Committee; Lieut.-Col. Gray, Toronto Field Battery, as Statistical Officer; Major McLaren, 13th Battalion, Captain Manley, Royal Grenadiers, the Range Officers; Captain Mutton, Queen's Own Rifles, the Assistant Secretary; Captain Boomer, Retired List, and Captain Delamere, the Auditors; and Surgeon Major De la Hooke, Surgeon Strange, Surgeon Lesslie and Surgeon Ryerson, the Medical Officers.

To the managers and proprietors of the various daily newspapers of Toronto for the full and accurate accounts published of each day's proceedings the Association is under many obligations.

J. M. GIBSON, LIEUT.-COL.

President.

W. D. OTTER, LIEUT.-COL.

Secretary.

XVI.—PRIZE WINNERS.

1. Winners of prizes must apply to the Treasurer's office on the ground for them, and on receiving the amount of such prizes sign a receipt for the same.
2. All prizes not claimed before the 31st December, 1886, will be forfeited to the Association.

XVII.—GENERAL REGULATIONS.

The Meeting will be under the direction of an Executive Committee, composed of the chairman and two members of the Council, to be nominated by the Council, whose decision shall be final and binding in all matters submitted to them for their consideration; but they may, at their discretion, refer any questions to the decision of the Council, in which case the decision of the Council on such questions shall be final.

1. All Competitors will be subject to the Executive Committee, Officers or Non-Commissioned Officers, in charge of their respective ranges or squads, the Camp Police, and the General Regulations for the conduct of the meeting.
2. Competitors must make themselves acquainted with the General Regulations of the meeting, as also with the conditions attached to the prize or prizes for which they have entered, as the plea of ignorance of such regulations and conditions will not be entertained.
3. They must refer to the Notice Boards daily, and ascertain whether any orders have been issued which alter or affect the original detail.
4. They must attend at the firing point punctually at the hour detailed on the Firing Detail Board, and deliver their tickets to the Register Keeper. Unless a competitor produces his firing ticket at the firing point, he will not be allowed to fire. Should a competitor lose his firing ticket, omit to take it to the firing point, or fail to attend at the hour detailed, and so by *his own neglect* miss the opportunity given him of competing for the prize for which his ticket was issued, his claim on the Association in regard to such competition will be cancelled.
5. The Matches will take place, if possible, at the time named. Any deviations from the rule will be posted on the board at the Secretary's Hut. Temporary discontinuance on account of bad weather will be at the discretion of the Executive Committee.
6. The firing will begin daily at 9 a.m., and cease when the mid-day gun is fired. It will be resumed at 1 p.m., and cease at 6 p.m., except on the second day, when the firing will cease at 5 p.m., to enable members of the Association to attend the Annual General Meeting.
7. Two guns will be for the "Fire," one ten (10) minutes before the named hour, to warn competitors to move to the firing points, the second being the signal that firing is to begin; two guns also at the "Cease fire," one ten (10) minutes before the named hour, after which no competitor will be allowed to begin his score, the second as a signal that all the scores begun before the first gun are completed.
8. Competitors must submit their rifles and ammunition for inspection whenever required.
9. No hair triggers will be allowed.
10. Slings may be used as an assistance in all matches; but in those restricted to the Militia the slings must be of regulation length and pattern, and attached to the rifles, as in Government arms.
11. No "sighting" or "fouling" shots will be allowed.
12. Competitors may wipe out or clean out their rifles during any competition between distances only.

13. No two competitors shall shoot with the same rifle in the same match (except in the "Martini-Henry"); nor shall a competitor change his rifle during a match, unless it becomes unserviceable through an accident, which must be verified by the Range Officer.

14. Every competitor must enter and shoot under his own name, and, unless otherwise specified, not oftener than once for any prize.

15. No member of a squad or firing party shall absent himself without leave during firing. Any competitor delaying the squad will be passed by.

16. No competitor using a breech-loader shall load until called to the front to shoot.

17. In all competitions restricted to the use of breech-loading rifles, competitors will be formed up by files, and fire shot and shot *alternately*, but only one file at a time will be allowed within the firing ropes; and no person, except the Register Keeper, will be permitted to speak to a competitor after he has taken his place at the firing point, except in cases hereafter specified.

18. Where only one competitor is present, he must necessarily fire his shots consecutively and without undue delay.

19. A competitor may have any one present within the ropes to see that the scores recorded by the Register Keeper are in accordance with the signals from the butts.

20. In individual competitions, a competitor may use a binocular or telescope, *not mounted on any kind of stand*, provided his doing so is not allowed to delay the shooting.

21. In matches shot for by "representative" teams, all competitors will be permitted to have a "coach" or "spot," and to use binoculars or telescopes, provided that their doing so does not delay the firing.

22. The duly recognized Captain or Adjutant of a team, although not himself shooting, will be permitted to assist his team in like manner, and to appoint a "spotter" to assist him; but no person, with the above exceptions, will be permitted within the ropes, or allowed to offer advice or give instructions to competitors.

Any violation of this rule, or of any part of it, must be at once reported by the Register Keeper to the officer in charge, who will caution the offender, and on a repetition of the offence shall report the same to the Executive Committee, who will deal with the case as laid down in the Regulations under the head of Penalties, and may remove any person advising or instructing a competitor from the ground.

23. Any competitor protesting against the ruling of the officer of the Range, or feeling aggrieved in any way, must make a statement of his grievances in writing (upon forms to be had at the office), giving the names of two or more members of the squad who can bear him out in his statements, and hand it in to the Secretary; but his firing must not be delayed for that purpose.

24. No practice will be allowed on the ranges during the continuance of the meeting, either before or after the day's firing.

By Order,

W. D. OTTER, LIEUT.-COL.,
Secretary.
