BY WM. L. SHOEMAKER.
O, do not think I love thee less,
That I ne'er sing in preise
Of thee,—thy more than lovliness
And dainty, winning ways!
The violet that loves the star,
Can only love and care. Can only love and gaze, And the flower that loves the sun afar,

Thyself art sweetest poesy,
With music rich and rare
As sounds of seraph's harp may be
To a hely saint at prayer:
'Twould mar that soul felt melody,
If I thy praise should dare,
And weak my strongest enlogy
Would be for one;

In the deforms the lovery guest liniteness in his streams;
So, bright within my silent heart
Thine image ever gleams,—
A ray from heaven—a thing apart
For worship and for dreams.

They were not figure and what many those it is said that belonged to the two men that were with Haladay. Nothing was asid about Haladay. Nothing was asid about Haladay. Nothing the has specially unveited to his recent purtains the heard and the hats found in the morning were attention is specially nurched to he hats found in the morning were attention to the bloose to the the hats found in the morning was asid about Haladay. Nothing was asid about Haladay. Nothi

THE MURDER CASE.

Last week we inserted as much of the evidence against Bolger and Hannshan, charged with the murder of Hugh Bradand Bolger went away directly. Noble then took hold of Bardford and tried to part drag him from Hanahan to the haywe did in the evidence, we have been found fault with, and motives laid to our charge which never entered our mind. It is alleged that in breaking off at the end of the examination of Noble, we sought to benefit the prisoners—especially Bolger, and that our expressed desire that the death penalty should not be carried into effect, was evidence of the fact. Those who judge thus are mistaken. It was utterly impossible to give a the time had had bid on to Bradford's legs at the time and witness went and helped Noble to get Bradford on any his head and seemed quite useless. When witness was helping Bradford to stand he felt something warm and soft which turned out to be blood but which at the time he thought me continue to the hay-bad ay helping on to Bradford's legs at the time and witness went and helped Noble to get Bradford and ay helping and that our expressed destricts and helped Noble to get Bradford and ay helping and had bid on the had bid bid on the had bid on the had bid on the had bid on the had bid on taken. It was utterly impossible to give more of the evidence last week than appeared. We attended court during the whole of Monday, and up till one o'clock whole of Monday, and up till one o'clock was very much bruised. When Hanahan movement of the Atlantic. Optical examined by Mr. Sherwood. Hanahan was very much bruised. Hanahan ot sober that night—he was a good definition of Monday, and up till one o'clock when Hanahan merchantable being obtainable.

on Tuesday morning—then at the opening of the court on Tuesday morning when the prisoners were sentenced. In the afternoon of Tuesday the writer had carred him to Craig's door and laid him. to appear again in court to prove the down when witness saw the blood runn- Ja e look examined by Mr. Lyon.

the prisoners at the har. Knew them not see any one else drink. It might be partly through fear he went into White's White's avern on that night. Stopped there a little while. Saw the prisoner He did not wish to get into a row. He Bolger there. Saw Bradford there, he went for his boots too. Bradford shouted was sitting on a chair or a bench. Did to witness to get Noble home, as he was not see Cardic there, but saw Noble. in a fight. He had no stones in his hands. Did not see Hannahan there. Saw The fight was over when they went up. Benjamir Stewart there and a number He did not go to Craig's, as he stood of others Mr. White told them all to talking to Spence. When Hanahan was

Witness tent and took Spence of Hanahan, who was lying you his back and
Spence ly ng over him. Spence was
beating H innahan on the body and
head. When he took Spence off Hanlead. When he took Spence off Hanhead. The Priest and witness abe a, Hanshan got up, and witness then after the row. The Priest and witness where Spe her went to. Hananan seemed was in a possion, and Noble came up and witness then took Hanahan to Bolger's house, but he would not go in, as he said it was not his house. He fell on his knees and begged Mr. Keely's pardon. Witness took him towards Conner's house, where Hanahan lived, but he forced himself he had he was took him towards Conner's house, where Hanahan lived, but he forced himself he was took him towards Conner's house, where desired him not to be foolish, or some- back to Perth Street again. Saw Mr. thing like that. Hanahan then drew his first an struck Noble. The two then got into holds and fell one on the and swore he was the best fighting Papist then got into holds and fell one on the top of the other and rolled on the ground till they got on the hay-scales. Witness up and he saked witness if he would assume them saw in kelly, the Priest, coming up and he saked witness if he would assume with him in separating them. Witness and he would, and took hold of Hanahan and the Priest and lifted him away. Mr Kelly then advised them to go home and gave ger a kick behind to make him go home and gave When Mr kelley went away. Bolger said with the sweet in town, or they ware the two best pups of Orangemen they dict the gone to the two best pups of Orangemen they against them would have considered them would, and took hold of Hanahan and the Priest took hold of Hanahan and the Priest took hold of Bolger. He saw Noble and lifted him to go home and gave Bolger a kick behind to make him go home and keep quiet. He also on the place they be to draw from the witnesses.

I m down, or they ware the two best pups of Orangemen they dict the gone to asked with the verdict anahan, he would have considered the was an active young mad, and of the verdict anahan, he would have considered them as verdict perfectly in accordance with the verdict anahan, he would have considered them as verdict perfectly in accordance with the verdict anahan, he would have considered them as verdict perfectly in accordance with the verdict anahan, he would have considered them as verdict perfectly in accordance with the verdict anahan, he would have considered them as verdict perfectly in accordance with the verdict anahan, he would have considered them as verdict perfectly in accordance with the verdict anahan, he would have considered them to cold hold of the place; his former place of the place; his former place of the was an active young mad, and to he asked Murphy to separate them. Murphy to separate them. Murphy to separate them. Murphy to separate them to what had taken place before with the verdict anahan, he would have considered the verdict anahan, he would have considered them to with the

another street. When they got to Craig's by another street. When they got to Craig's they saw no light and they did not get in: Cardic met Spencer and stood speaking to him on Perth Street, and witness and Bardford went on up Perth Street to go home by Church Street. Before they got to the hay- him. His general character, so far as he the ba Hanahan has been sent off to to prove infallibly that the goldmines of scales they heard cheers as if there was knows, is good. Witness has been in the Pe entiary, and Bolger lies in his the Tchatic Dagh exist and have been a fight. Bradford said if there was any persons fighting they ought to go up and try to separate them, As they were going up one of the two men cried out, two separate the two boys who can dissect taverns in Perth Street; White's, Craig's, the best two Orangemen in town."
Thinks it was Bolger who cried this thinks it was his voice. They went up to the hay-scales. Bradford was walking before witness. When witness went up. Hanahan and to him "Mike, I will remember ou another day." Witness thought this was said in consequence of the part took when Hanahan was fighting with Spence. Witness told Hanahan hat he had been a friend to him. Bolger ipsinuated something agahand hat he had been a friend to him. Bo ger insinuated something against witness also and wished to change hats with him. Witness told Bolger he had nothing against him and would not change buts with him. A person named Keys was passing at the time and heard what was said but he does not kaew were Keys is now Bradford then said, "The Priest left you at home and you should have remained there." This he thinks was said to Bolger. As soon as Bradford said thus Handhan grabbed at the hay-scales, he appeared to be bruised. Saw blood on his shirt. [Here considerable merriment was created in Court by the witness addressing the counsel as, My learned friend."] Witness helped to take Handhan at the request of Mr. Kelly—Handhan appeared outrageous. Bolger seemed to be excited because Mr. Skelly told him if it was fighting he wanted he would give him plenty of it to-morrow. John Green and Johnston are Bradford as id this Handhan grabbed. Bradford ound the waist and Bradford made a turn around to try and loose Henches's half and the way and knocked at the door.—He demanded

Hanahan's hold when Bolger made a admittance in Her Majesty's name. He side blow and hit Bradford on the left spoke in a regular tone of voice. The

gaining ground, that Pine Timber will command high prices next spring. There was blood on both hands. as a stain of blood on his right he mark appeared to be about of a penny-piece. He also saw blood on the back of his neck, the skin and partly on the shirt He found no knife. Heard that had washed himself in Bolger's. vife was at his back. Saw a gaining ground, that Pine Timber will ds with Bradford about a grog-lere witness refused to answer extent as Pine Timber, by the more enany in er question respecting his own couraging accounts which the last one busin is and called upon the Court for or two mails have brought to us from

the blood was found Haladay might have fallen into the lock and his death caused by the fall. It is generally supposed that the dock, and the jury have as a seembled, a verdice of murder were as a returned against Bogler, and one of inslaughter against Hanahan. The verdict of the respective to that effect could be elicited by the fall of the respectful the death of the respectful to the lock and his death caused by the fall. It is generally supposed that the death of Haladay is the consequence of foul play but as no conclusive evidence to that effect could be elicited by the jury the verdict of that body will be all that will in all probability, ever be all that will in all probability, ever be all that will in all probability, ever be asserted to suit their wants, with the Horse Nails of the right stamp, "Griffins" No. 9 and 10.

IN DRY GOODS.

A list of all the articles opened out, and now ready for Sale, would form a lengthy catalogue, and, like the Dictionary, be rather dry reading. Yet, the advertiser would consider this notice very imperfect, indeed, without a respectful though general invitation, to step in and look at the jury the verdict of that body will be all that will in all probability, ever be asserted to suit their wants, with the Horse Nails of the right stamp, "Griffins" No. 9 and 10.

The old seams gazed upon his young

Can you guess the truth?" 'lle said, The trath? cepeted Franch. Ay, can you not guess at?" De Mora gazed bard upon his com-

panion, and gradually his face grew as pale as death. He trembled, and leaned his hand against the wall. What is it? he whispered.

Then the truth is,' returned the old nan, as he moved forward, and laid his hand upon de Mora's shoulder, "inat this is the manner of our death! Now we know why these walls are built so tight. See it comes in faster and faster! Now at rushes to us in a torrent! Francis, let us kneel while yet we can. there's hope for us now only in Heaven!" Those two men knelt and mayed; and when their prayers were said, they arose

ushing in, with a roaring sound. The flood kept rising rising rising and not one drop of it found in outlet. With a frenzy which coming death can only give, Hildebrand rushed against the several walls to the contract the contract walls force open a door, or make some outlet for the water. But he might as well have thought to move a mountain. No-

giant force. Up, up rose the fatal element, until the prisoners stood without further thoughts of effort. The wavelets that broke from the stream laved their loins-it reached their waists-it wrapped its icy folds about their breasts, and, at ength, their footbold began to weaken.

Instinctively they both sought the narrow shelf upon which their bread and water had stood! They raised themselves upon it, and it gave them another short space of life. See,' uttered Hildebrand, ' how the

flood laughs us to scorn ! 'It comes, it comes!' murmured Francis. 'O, God, have mercy now!' 'Hark!' cried the old man. 'What

shout was that ?' They both heard the noise, as if of men shouting with all their power, but the she gave a long time to thought. Her rushing flood drowned it soon, and the bellowing of the water was all they heard. Again the shout sounded in those deep caverns, but the prisoners were too weak to hear it now.

CHAPTER XVII.

ANGELA'S REBELLION. We must go back. It was on the same day that Hildebrand and de Mora first door of her apartment was opened, and He had not spoken this in so many words, but Angela could read his thoughts and taken from a home of poverty by Anbept motions and the least the spoken this thoughts and taken from a home of poverty by Anbept motions. motions, and she knew to for just what gela's father, and through a service of this e

While she sat there in her room, her incle entered and took a seat. 'Well, Angela,' he said, 'how do you like the marquis ? 'Not at all,' was the maiden's calm re-

ply. She spoke calmly, because her mind was made up. Do not like him? And why not? Perhaps I might not be able to tell you that. But I will tell you what I

can. In the first place his character is not good.'
' But he will reform.' · He cannot so easily reform his dis-

Why, his disposition, I believe, is

'Not to me,' for he lacks everything that goes to make up a good religious thing.'

But his religion is sound.

Ab, I mean that true religion of the soul; that religion which a man bloes—not that which he professes. I mean that religion which shows itself in the walks of every day life, which warms the heart, kindles the eye, and opens the mind to all that is good and true? The You are looking wildly for your neming our man, my child.
