

BOARD OF EDUCATION TO ASK \$236,000 FOR PRESENT YEAR

Large Expenditures Contemplated to Meet Overcrowding Conditions, and Need of New Heating Systems is Pressing.

ASKED FOR NEW SCHOOLS.

New Aberdeen School	\$70,000
Heating system in Talbot street school	10,000
Addition to Chesley avenue school	33,000
Addition to Industrial School	35,000
New heating system and alterations to the interior of the Collegiate	40,000
New school and land in northwest part of Ward One	50,000
Total	\$236,000

There promises to be a lively time at a meeting of the board of education, which is to be held this afternoon, and after the meeting is over the citizens may sit up and gasp if the board decides to act on the recommendations for new schools and repairs to schools which will be made by the committees.

It is a well-known fact that a number of schools of the city are in an insanitary condition, and that they are not adequate to handle the pupils. In some of the lower grades there are twice as many pupils as there should be, and as a result the teachers are handicapped.

\$70,000 For New School.

A new school must be built to take the place of the Aberdeen school on the Hamilton road. Some time ago the board purchased enough property to enlarge the yards, and a recommendation will be sent to the board

this afternoon that it ask the city council to allow it to issue debentures for \$70,000 for the erection of the school.

Heating System Required.
The heating system in the Talbot street school is inadequate, and a new equipment is needed. The board will be asked to request permission to issue debentures for \$10,000, to install a Chesley avenue school in East London is not large enough to accommodate the increasing population in that section, and as a result a number of the pupils have to attend the Rectory street school. The parents object to this because the children have to cross the level crossings, and as a result the board will be asked to build a \$33,000 addition to the school.

Collegiate Poorly Heated.
The heating system at the Collegiate Institute is poor and the inside of the building has to be remodelled to conform with regulations recently sent out by the department of education and to accommodate the pupils.

Some time ago the building was condemned by the department, and as a result the city nearly lost the Government grant for the school. It is estimated that it will take \$40,000 to install a heating system and to remodel the building.

A new school is needed in the northwest section of Ward 1 to relieve the congestion in the schools in that section, and it is estimated that it will take at least \$50,000 to purchase the necessary land and to put up the building.

Western Ont. Fruit Growers Place the Rate Grievance Before Common's Committee

Complaint Made That Schedule From Nova Scotia to Edmonton Is Lower Than From Ontario, But Railway Commission Expert Says Misunderstanding.

[Special to The Advertiser.]
Ottawa, April 1.—The question of railroad rates as related to profitable apple culture and shipping, was discussed in the agriculture and colonization committee this morning. Freight Traffic Expert Hardwell, of the Dominion railway commission, gave evidence. Mr. Hardwell was called upon to discuss alleged discriminations in shipping rates given to the committee by President Johnson, of the Ontario Fruit Growers' Association at a previous sitting.

Mr. Johnston had stated that the rate on apples from Nova Scotia to Edmonton were lower than those from points in Ontario to Edmonton. Mr. Hardwell quoted the rates authorized by the commission to show that the rate from Kemptonville, N. S., to Edmonton was \$1.33 per hundred pounds, while from points in Western Ontario the rate was \$1.01.

Mr. Hardwell did not agree with the statement previously made by Mr. Johnston to the effect that the rates given by the railroads to American apples coming from western points to

Winnipeg constituted a discrimination against the eastern fruit growers shipping to Winnipeg. From Winnipeg to London, 1,592 miles, the rate was 75 cents a hundred. The rate from London to Brandon, 1,475 miles, was 65 cents per hundred. Mr. Hardwell stated that there had been many complaints from the Washington and Oregon fruit growers that they were being discriminated against in favor of the eastern fruit growers.

J. E. Armstrong read extracts from a statement by P. W. Hodggets, secretary-treasurer of the Ontario Fruit Growers' Association, in which it was intimated that numerous complaints had been made from time to time to the commission regarding excessive express rates, discriminatory freight rates, damage to goods in pilfering, etc. Mr. Hodggets intimated that little satisfaction had been received from the commission.

"We cannot exceed our powers, you know," said Mr. Hardwell.

"The complaints at least merited investigation," said Mr. Armstrong. The committee considered the question of competition rates for the remainder of the morning.

New City Engineer Assumes Office

Does Not Immediately Contemplate Any Radical Changes.

Once again the city engineer's chair at the city hall was occupied by a new man this morning. Mr. W. N. Ashplant, who was appointed some weeks ago, taking over the office.

Asked if he would make any changes in the office or in the department heads, Mr. Ashplant said that he had not been in office long enough to say what he would do.

"There is a great deal of work to be done in this department," said he, "and it will take some time to get things straightened around."

Was It You That Called?

"We've been getting these since daybreak," said the lady in charge of the switchboard at the London Hospital for the Insane, when a luckless one who had found the number on his desk tripped on the April Fool "joke."

River Washes Another Breach In West London Breakwater

Another large strip of the West London breakwater was washed out Monday afternoon, and residents of that section are becoming alarmed. They fear a heavy rainstorm, which would cause the river to rise and force the water through this aperture and flood that section of the city.

The part where the washout occurred is between Empress avenue and Argyle street, and a hole 60 feet in length was washed away.

If that is not an answer as to whether we need a permanent seawall, I don't know what is," said a West London resident to The Advertiser today.

"Some night we will go to bed and the river will rise suddenly, and when we wake in the morning we will find our houses going down the stream unless the city builds a permanent wall."

W. LONDONERS DISPLEASED BY MAYOR'S STAND

See Defeat Awaiting the Breakwater and Storm Sewer Bylaws.

BOTH ARE NOW OF
VITAL IMPORTANCE

Suspicion Centering on Motives That Took His Worship to Toronto.

When Mayor Graham Monday afternoon at a special meeting of the city council, replied to Ald. Richter that some of the ministers at Toronto dealing with the city of London bill had absolutely refused to give their sanction to the clause asking permission to include the storm sewer and West London breakwater expenditures in one bylaw for submission to the people, he not only conveyed very unsatisfactory news to West Londoners in particular and property-holders at large, but stimulated suspicion as to his attitude towards these measures.

What Will the Answer Be?
The question is being asked today: Has Mayor Graham fixed things at Toronto so that the storm sewer and the breakwater bylaws have to be submitted to vote separately, and therefore, in his opinion, be doomed to defeat?

In fact many allege that the mayor is making a desperate effort to get track such necessary things as the storm sewer system and the West London breakwater in order that the people may not realize the heavy expenditures that must be met immediately, and may be inveigled into support of the costly, needless and uncertain electrical scheme.

Blames Ministers.
Mayor Graham said Ald. Richter that certain of the ministers had informed him when he was in Toronto in reference to the city of London bill, that they would absolutely refuse to consider the proposition.

"They intimated that it was a hoax, and that the residents of West London were trying to force the rest of the citizens to vote in favor of the question of the storm sewer and water sewer bylaw," said the mayor.

"They don't object to a vote being taken on the question of a permanent breakwater alone, but they object to the breakwater being incorporated in the storm sewer bylaw."

Would Be Legal.
"West London defeated the storm sewer bylaw last time, and it will defeat it again," said a resident.

"The river is our surface sewer, and we have obtained legal advice saying that the incorporation of \$75,000 in the sewer bylaw would be legal. We need the breakwater and we need it badly. The rest of the city needs storm sewers, but we don't. If the two were incorporated they would both be almost sure of passing, but as it is I think they will both be defeated."

LIGHTNING BOLT POINTS WARNING TO PUPILS

Quebec Convent Shattered and Shaken as Superior Tells of Lord's Omnipotence.

[Canadian Press.]
Covansville, Que., April 1.—"The Lord is able to crush us whenever he wills," said the mother superior of the Convent of Presentation of Mary, at Sweetsburg, to her pupils yesterday afternoon. There came a terrific crash of thunder, followed by a bolt of lightning, which entered the building and shattered the walls in many places. Miraculously all in the building escaped injury. But several of the pupils who were in the upstairs hall were thrown bodily on the floor below while pupils and nuns were panic-stricken.

The waterpipes were twisted and broken, the faucets melted off, plaster fell in great quantities, the portions of the iron roof were torn off, and most of the windows were broken.

Law Complied With Says the Inspector

The bakers, laundrymen and storekeepers of the city are endeavoring to conform in every respect to the health regulations according to Health Inspector James Lutman.

Several weeks ago, two or three bakeries were in an insanitary condition, but Mr. Lutman visited them and informed them they would have to clean up under penalty of having their institutions closed. "Since then we have had no trouble," said Mr. Lutman.

City of London Bill Comes Up At Toronto, Thursday Morning

The Advertiser received word from its Toronto correspondent this morning that the city of London bill would come up in the public accounts committee of the Legislature Thursday morning.

The city will be represented by the mayor and city solicitor.

YOUNG MAN FAILED TO GET FRIEDMAN TREATMENT; DIES IN DEEP DISAPPOINTMENT

Taken From Bed to Hospital in Hope of Securing Injection of Serum, Shock of Failure Causes Him to Sink Rapidly.

The first death of a patient who endeavored to secure the Friedman treatment in London, but failed, was recorded Monday.

He was a well-known young man, who contracted the disease just about one year ago. He spent some time at the Alexandra Sanatorium, but before the winter set in he begged to be returned to his home, as he had not shown much improvement.

Buoyed Into Hope.
When it was announced that Dr. Friedman was coming to London, an examination of the young man was made, and although he had been unable to leave his bed for some time, he was greatly buoyed up with the hope that he would secure the treatment.

Although he was in a weak condition, after a consultation, and out of deference to what was his last serious wish, he was taken to Victoria Hospital early on Saturday, March 15. When he was carried into the building it was indefinite as to when the

MONTREAL GIRL, WHO THOUGHT SHE WAS CURED, IS NOW WORSE

Marie Dubois Forced To Take To Her Bed Again After She Believed Friedman Treatment Had Given Back Health.

Montreal, April 1.—Miss Marie Dubois, of East Lagache street, is again confined to her bed, unable to walk a step, as was the case before Dr. Friedman's visit. She believed she had been cured, but now she is worse than ever.

Last Thursday evening she retired to rest happy in the feeling that she

CHARITY TO GET SOME OF MILLIONS LEFT BY MORGAN

Expected That There Will Be Many Public Bequests in Will.

Fortune of Dead Financier Estimated to Range From 75 to 300 Millions.

[Canadian Press.]
New York, April 1.—Estimates of the fortune left by J. P. Morgan, as made in the financial district today, range from \$75,000,000 to \$300,000,000, this sum including his art collections. It is understood that the financier's will is of comparatively recent date, but no intimation has been made as to when it will be given to the public. Mr. Morgan's personal counsel declines to discuss the matter.

Those who shared Mr. Morgan's close friendship predict that there will be large charitable and public bequests, although it is conceded that the son, J. P. Morgan, jun., will doubtless receive the bulk of the fortune. Mr. Morgan's realty holdings were comparatively small, and by far the greater part of the estate, it is understood, will be found to be made up of gilt-edged securities. Judging by his former quiet philanthropy, those who speculated today as to possible bequests thought that the Metropolitan Museum of Art, the Episcopal Church, and perhaps Yale and Harvard Universities, would come in for handsome benefactions.

The funeral plans, it was thought, will be announced some time today, either in New York or in Rome.

NO MORE SMALLPOX

Exeter Public Schools Open to All Who Have Certificates.

[Special to The Advertiser.]
Exeter, April 1.—The Exeter public school opened on Monday after a holiday of three weeks. All the cases of smallpox are out of quarantine, and nearly everybody going to school has been vaccinated. All had to have certificates before they could get back to school.

FOUND SHOT, POCKET'S EMPTY, BERLIN ONT., MURDER MYSTERY

[Canadian Press.]
Berlin, Ont., April 1.—Alfred Heil, aged 20, was found lying beside the track in the Canadian Pacific Railway yards at 3 o'clock this morning, with a bullet wound in his head and a revolver lying by his side. The body was frozen, but the fingerprints made while he was returning home are easily traced.

It is clearly not a case of suicide, as fingerprints are visible of a man and a boy standing about where the body fell. The revolver did not belong to the victim, as his weapon was found at home this morning. He was a man of steady habits and had considerable money. Only 5 cents was found in his pockets. An inquest has been ordered.

DENNIS CONNOR, old- time London baseball player, whose death occurred in Chicago on Friday last.

DORCHESTER MAN CRUSHED TO DEATH BY CEMENT WALL

James Elliott Instantly Killed on Monday on Westminster Farm.

Engaged With Employer in Removing Old Gangway Support Which Collapsed.

James Elliott, 23 years of age, employed by Alonzo Pearson, on the town line between Westminster and Dorchester, was instantly killed Monday afternoon when a cement wall which he and Mr. Pearson were preparing to remove, collapsed and fell upon him.

Mr. Pearson owns two farms on the town line. He resides in Dorchester, but Monday he and Mr. Elliott went to the Westminster place, which is just across the road, to take down the wall which had supported a gangway leading to a barn which had been removed.

Dug Trench by Wall.
In order to get the wall, which was eight feet high and fourteen feet long, they dug a trench along one side of it. After they had finished this work the wall gave way as they were standing nearby, and Mr. Elliott was crushed beneath it. By a narrow margin his employer missed being struck down.

Dr. Beattie, of Belmont, was called, and found that death had been instantaneous. He notified Coroner Dr. Doan, of Harriestville, who decided that death had been accidental. No inquest will be held.

Arrangements Not Yet Made.
The relatives of Mr. Elliott, who reside in Port Huron, and his sister and mother are expected to arrive at once. An aunt resides in this city. Funeral arrangements will be made upon their arrival.

Mr. Elliott had worked for Mr. Pearson on two occasions, having been in the district for two years.

BOY KEPT QUIET TO SAVE DOG FROM DEATH

Parents Only Found Out Lad Was Bitten When He Couldn't Walk.

[Special to The Advertiser.]
Wingham, April 1.—The 15-year-old son of Mr. K. Buchanan, bitten by a neighbor's dog recently, did not say anything about the matter to his parents until yesterday his leg was so swollen and sore that he was unable to walk. He explained that he feared the animal would be destroyed if he mentioned the affair. Dr. Redmond as soon as possible cauterized the wound, in which it was feared blood-poisoning had developed, and young Buchanan is resting more easily. Last fall the same dog bit Mr. A. L. Binkley and the police are looking into the case.

LIBERALS INVITED TO WEEKLY GAMES

Question Drawer Will Again Be a Feature of Gathering.

All Liberals are reminded that a progressive euchre contest will be held as usual Wednesday evening at the Liberal Club rooms, Queen's and Park avenues.

Last Wednesday there was a ten minutes' interruption of the smoker, during which time political questions were asked and answered. In all probability this question drawer will be again a feature of the social tomorrow evening. All desiring to join in the euchre game are requested to be present sharp at 8 o'clock.

LONDONERS TO PAY HIGH TAX RATE FOR 1913

Prediction Is Made That Nothing Less Than 25 Mills Is Needed.

NEW SUBURBS WON'T
PAY THEIR OWN WAY

Estimates for Necessary Expenditures Are Later Than in Years.

It is confidently predicted by municipal authorities that the tax rate will be in the neighborhood of 25 mills. The Advertiser has learned that the taxes to be secured from the newly-annexed districts, which comprise about one-third of the city's area, will in all probability be less than \$15,000, or not much more than will pay the salaries of the school teachers who are required in the new territory.

Somebody Must Pay.
That, while no one blames the residents of the new district in the slightest degree for coming into the city and accepting a good bargain, its burden will have to be borne by the city at large for many years to come, is the practical conclusion of those watching developments.

The fact that the consideration of the estimates has been delayed this year longer than in many years is a matter for wonder with many citizens.

Becoming Deep Mystery.
If questions are asked at the city hall, it is said that the estimates are being held up by the engineering department. Yet there are many other estimates than those of public works that could be gone ahead with, and there is a mysterious side to the delinquency.

In some quarters it is asserted that Mayor Graham and his electrification followers are endeavoring to keep everything back in an effort to blind the ratepayers to the enormous expenditures that must be faced.

Keeping Decks Clear.
One city hall man stated today that the West London breakwater, good roads and storm sewers would all have to await the convenience of the million-dollar luxury school, and that every effort was being made to have the Legislature call out items of expenditure in order to clear the decks for "the big fish."

"That the tax rate will be higher than in many years unless some queer slashing is resorted to, is stated by those who know from consideration of the facts."

DAY'S PERMITS TOTAL \$49,000

The Court House Alterations to Cost at Least \$35,000.

TWO \$7,000 RESIDENCES

The month of April had a good start in building permits, and it today is any sample of what the rest of the month will be. April of this year will be a record-breaker.

Shortly after Building Inspector Piper arrived at the office this morning a permit for alterations to the courthouse, to cost \$35,000, was taken out on behalf of the city and county jointly.

A short time later a permit for a two-story brick residence on William street, to cost \$7,000, was issued to Mr. J. D. Keaneyside, and a few minutes later a permit for a two-story brick residence on Colborne street, to cost \$7,000, was issued to Mr. J. E. Boomer.

SEVENTEEN RUNS MADE BY FIRE DEPARTMENT

Only One Serious Fire During Month of March, 1913.

Seventeen alarms were responded to by the London fire department during March, according to statistics issued by Chief Aitken. Of these thirteen were fires, the most serious being the total destruction of the Evans Hotel, Pottersburg, Sunday night.

Three false alarms were turned in, one of them being the work of mischievous boys in South London, two of whom appeared in the juvenile court as a result. One emergency call was also responded to when a horse sank into a hole in the road on English street.

Thirteen of the alarms came in by telephone, the other four being box alarms.

TWO SMALL FIRES

Department Has to Extinguish Flames on Roof of Cottage.

The fire department responded to an alarm at 743 York street this morning, where sparks from a chimney had set fire to the roof of a cottage owned by Mr. George Belton and occupied by a family named Tanton. About \$15 damage was done.

Fire in the window of Mr. N. Peel's variety store also gave the firemen a run about 6 o'clock Monday evening. The damage was slight.

POTATOES.

LONDON, TUESDAY, APRIL 1.

THE DANEGELD UP TO DATE.

About a thousand years ago the Danish invasions were troubling England. There was in those days a real emergency all the time in the North Sea. A certain king known to the schoolboys as Ethelred the Unready started to levy a tax called the Danegeld, to furnish means against the foe. It was to be a special war tax, not a permanent policy, you understand, but a temporary emergency contribution. Well, the tax went on being collected. It got to be a habit with the Government, and even a change of governments at the Norman Conquest made no difference to the Danegeld. Governments might come and go, but the Danegeld went on long after the Danes ceased troubling.

Now, Mr. Borden wants us to pay a "special" sum of many millions against an imaginary enemy in that same North Sea. If an emergency exists, there now, it always will, for it can only be seen with the eye of fear or party interest, and there can never be less emergency than there now. So more contributions will follow, as the night must follow day, and the Danegeld will become a permanent feature of our obligations. Especially in these mad days of armament rivalry nothing else can be expected than pay, pay, pay, and more of it. Governments will get used to raising the increasing sums, and, worst of all, the people will be expected to get used to them, too.

Another parallel, in some measure, to Mr. Borden's expedient is the ship money which Charles I. tried to force from the English people. Mr. Borden has no popular mandate for his actions; it is entirely arbitrary. If the Hampdens had not resisted arbitrary measures three hundred years ago, it might have gone hard with English freedom. Ship money was to be collected for ships if they were wanted, but if they were not wanted, the money, Wentworth argued, could just as well be used for anything else. Certainly there is very little doubt that the three Dreadnoughts to be built for a Gibraltar squadron are not wanted by anyone. They will simply symbolize the loss to Canada in returning to power the unholy alliance of 1911. The Canadian people should have a voice in determining whether some arbitrary ship money policy of disguised tribute is to be inaugurated as regards this country in the twentieth century that we say belongs to Canada.

THE NEW AMERICAN AMBASSADOR TO BRITAIN.

The United States ambassadorship to Great Britain has been refused recently by Richard Olney, of Massachusetts, and former President Eliot of Harvard. Mr. Olney, as the secretary of state in the Cleveland cabinet, penned the unfortunate ultimatum to the British Government in the Venezuelan affair. The memory of this incident and his advanced age, or both combined, may have prompted his refusal. If so, he showed a more delicate appreciation of the fitness of things than did the President in offering him the post. Dr. Eliot was an admirable choice; he would have maintained on the side of scholarship and culture, the high traditions of the office. But he is also an old man, and perhaps felt unequal to the social and financial demands. The President's third offer has gone to Mr. Walter H. Page, publisher and magazine editor, who has accepted. Mr. Page is not a famous or foremost American, but his literary training is in his favor. In the long line of distinguished men sent by the United States to the court of St. James, the outstanding qualities have been the gift of speech and sympathy with the intellectual side of British life. In many instances, as in the late ambassador, these have been joined with a social zest, and a real affection for the country. Mr. Page's entrance into public office comes late—he is 53 years of age—but most of his predecessors were without public experience when they went to London. They had a ready-made equipment for their duties, which Mr. Page may also have.

AN INDEFENSIBLE TRANSACTION.

A contract for 550,000 locks and keys for mail bags at \$1 each has been awarded by the Postmaster-General without tender.

An official return shows that 9,000 locks and 5,000 keys have been the extent of the average annual purchases in the past six years. At this rate Mr. Pelletier has contracted for a 40 years supply.

Whether it is true or not that the company securing the contract was organized with this object in view, and is composed of the Postmaster-General's friends, it is undeniable that tenders should have been asked by

the department for so large an order. The Opposition has done well to challenge the transaction. If it is approved by the Government, it will be a disastrous precedent, leading to outrageous extravagance and abuses of the patronage system.

In any case the purchase of a 40 years' supply of locks and keys cannot be defended on business principles. The Postmaster-General must be made to throw more light on the deal.

WHAT WILL MR. BRYAN DO?

The attitude of Mr. Bryan toward the question of arbitration and armaments will be watched with keen interest. Will Secretary of State Bryan try to make a practical application of the ideals of Citizen Bryan? In a lecture three years ago at Lake Mohawk, he satirized the naval rivalry of the nations in this fashion:

"Suppose there was a large lake, and suppose that there were half a dozen landowners, with their lands bordering on this lake, living peaceably together, without trouble or sign of trouble. A man who builds ships goes to one of them and says: 'You are very foolish; you are living here with no protection whatever. Don't you know that any of these men around you might build a battleship and come here, and you are absolutely defenceless? Now let me build a ship for you, and you will get ahead of them.' Suppose the man was foolish enough to take the advice. Just as soon as that ship was built, the shipbuilder would go to the next neighbor, and say: 'Why, don't you see that man over there has got a battleship? What has he got that for? Do you suppose he is building it for nothing? Have you any doubt he has designs on you? Where else can he use it except on this lake? You had better get ready. Now I can build you two.' And if this man is foolish, he would build two. Then what an argument the shipbuilder would have when he got to the third man! 'Why, there are two of them against you. They might combine and you are absolutely defenceless.' Now with that argument he could go all round that lake, and after building ships for each one, he could go back to the first one, and say: 'You are out of date. Look at the improvements since you built. And then you have only one, and these other people have four or five or eight apiece. There is nothing for you to do but mortgage your land. Now you are in for it! Now that is the race of the world, my friends—that is the mad race of the world.'"

If Secretary Bryan has the courage of his convictions expressed three years ago, he will be among the first to welcome the British proposal of a naval holiday.

ALL EYES TURN TO OTTAWA AGAIN.

No doubt Mr. Pelletier would have preferred to keep that contract under lock and key.

Only a Canadian navy will rescue the Borden Government from the deep water it is in.

When a multi-millionaire dies, the world is tempted to ask what he would have been worth if he had lost all his money.

Farmers who want rural mail delivery routes should apply directly to the Minister of Labor. He makes a specialty of the business.

The steadiness of Wall street after Morgan's death was a reassuring sign. No single man, no matter what his character, should be so powerful as was Morgan at the height of his activity. But it is well to know that no matter how powerful a man may become he is not indispensable.

Lord Wolsey was laid in St. Paul's, near Wellington and Nelson. Lord Roberts is the only remaining Briton who would be given that honor if death came tomorrow. And there is no one living whom the public today would consider a candidate for Westminster Abbey tomorrow. Is the race of giants dying out?

THE DIFFERENCE.
 [Pittsburg Post.]
 "They say my son is a credit to me."
 "Mine has never been anything but a liability."

UNION RATES.
 [Everybody's.]
 "So you got the opinions of two lawyers on the case. Were their opinions the same?"
 "Yes, \$25 each."

BE THYSELF.
 [Channing.]
 No process is so fatal as that which would cast all men in one mold. Every human being is intended to have a character of his own, to be what no other is, to do what no other can do. Our common nature is to be unfolded in unbounded diversities. It is rich enough for infinite manifestations. It is to wear innumerable forms of beauty and glory. Every human being has a work to carry on within, duties to perform abroad, influences to exert, which are peculiarly his and which no conscience but his own can teach.

TOO MUCH WARMING UP.

[Judge.]
 Ball Fan—How do you account for the slump in McGarity's fielding average?
 Sport Writer—He goes after too many highballs.

A FLAT JOKE.

[Houston Post.]
 "The doctors say that auto riding causes flat feet."
 "Yes, and flat purses."

WOULD THAT BE THE EFFECT?

[Salt Lake Tribune.]
 Dr. Wiley wants the railroads to abolish smoking compartments in their cars and provide compartments for invalids instead. In that case where would the commercial travellers find a place to tell their funny stories?—Boston Globe.

What's the matter with telling these stories to the invalids and cheering them up?

THE LONDON STOCK EXCHANGE.

[Los Angeles Express.]
 The average daily speculation in London exceeds that of New York and Philadelphia combined. There are

1,100 members of the New York Stock Exchange. There are 5,000 members of the London Exchange. Wall Street has less than 1,000 listed securities. London has almost 10,000. The par value of London's list is almost double that of New York and Philadelphia combined.

BUT IT WON'T.

[Ottawa Free Press.]
 It now turns out that Lloyd George is a comparatively poor man, a fact that ought to put an end to some of the public abuse to which he has been subjected.

TOO TIRED TO REMEMBER.

[New Orleans Picayune.]
 "Impressions when we are tired are not permanently fixed upon the mind," says a writer. The man to whom we loaned our last 50 cents must have been very tired.

BRITISH SUPERIORITY IN SEA POWER.

[London Daily News.]
 An important parliamentary paper showing the present strength of the chief navies of the world was issued last night by the Admiralty. The fleets dealt with are those of Great Britain, France, Russia, Germany, Italy, Austria-Hungary, the United States, and Japan, and the figures show the comparative strength on Jan. 1 last, battleships and armored cruisers over 20 years old being omitted from the return.

The navies of the four chief sea powers—Great Britain, France, Germany, and the United States—may be thus summarized:

	Built.	Great Britain.	France.	Germany.	United States.
Battleships	55	21	33	13	13
Battle cruisers	4	—	—	—	—
Armored cruisers	34	20	9	14	—
First-class protected cruisers	5	—	—	—	—
Second-class protected cruisers	40	4	30	15	—
Third-class protected cruisers	16	5	11	—	—
Torpedo vessels	28	4	—	—	—
Destroyers	191	73	125	46	—
Torpedo boats	166	89	—	—	—
Submarines	64	61	18	—	—

Building.

	Built.	Great Britain.	France.	Germany.	United States.
Battleships	13	—	—	—	—
Battle cruisers	3	—	—	—	—
Light armored cruisers	8	—	—	—	—
Second-class protected cruisers	7	—	—	—	—
Unprotected cruisers	3	—	—	—	—
Torpedo vessel	1	—	—	—	—
Destroyers	38	11	9	14	—
Submarines	22	8	14	22	—

It will thus be seen that Great Britain possesses an overwhelming superiority in all the more important fighting ships.

THE DANGEROUS KISS.

[Tid-Bits.]
 He—Do you think kissing is as dangerous as the doctors say?
 She—Well, it has certainly put an end to a good many confirmed bachelors, at any rate.

AS IT SHOULD BE.

[Woman's Home Companion.]
 Woman Shopper—I want to buy some men's ties.
 Floor Walker—Madam, women unaccompanied by male escort cannot buy men's ties in this store.

TRIFLES?

[Stratford Beacon.]
 These are some of the subjects which Mr. Rowell would have young Liberals study: Social reform, the housing problem, workmen's compensation, factory legislation, the social and economic effects of the liquor traffic, taxation, the conservation of natural resources, the public health, and public ownership of public utilities. Most or all of these he has discussed in the Legislature, but Mr. John Bennet, M. P. for South Perth, says Mr. Rowell is engaged in "everlasting criticism of the merest trifles." These are "trifles" some of which it may well be doubted Mr. Bennet is capable of handling.

SELF-RESPECTING AUSTRALIA.

[Sydney Australia, Morning Herald.]
 Three kids laid in one day is an event of magnitude in any naval dockyard. In Australia it is unique. It epitomizes the determination of the people to do their duty in the way of national defence. It means that the dream of an Australian-built navy is surely crystallizing into actual accomplishment. The event, as the minister said, would in time become historic.

BODY IN RIVER HAD NEITHER ARMS NOR HEAD.

Unusual Find Made at Wallaceburg—Identification Quite Impossible.

[Special to The Advertiser.]
 Wallaceburg, March 31.—The body of a man was found in the river near the home of Mr. Thibodeau, on Saturday, without arms or head. It was impossible to identify him. The remains were taken charge of by Mr. J. T. Saint and interred in the Wallaceburg Cemetery.

It was supposed that the body had been in the water for some time, and that the limbs were ground off by the ice. The police are making what inquiry they can, but nothing has developed.

TRUE BILL FOUND AGAINST MRS. PANKHURST.

Charged With Inciting Followers to Arson and May Receive Long Sentence.

[Canadian Press.]
 London, April 1.—A true bill against Mrs. Emmeline Pankhurst was returned today by the grand jury at the Old Bailey sessions on the charge of incitement to commit damage.

Mrs. Pankhurst was arrested on Feb. 24 in connection with the destruction of the country residence at Walton Heath which had been rented for David Lloyd George, chancellor of the exchequer. She stated at a public meeting that she had conspired with and incited her followers to commit the outrage.

The offence is punishable with penal servitude for a maximum of 14 years.

ALD. RICHTER SEES QUEER WORK IN JOCKEYING OF BILL.

Believes People Voted on Right Principle for Board of Control.

But Mayor Says Legislature Declares Act Must Be Amended.

At a special meeting of the city council held Monday afternoon, Ald. Richter inquired of Mayor Graham what the latter and the city solicitor had undertaken when they were in Toronto about the city of London bill and how the clauses had been received by members.

The mayor said that several clauses had been objected to in the bill, one of them being the board of control proposal voted on by the people last January.

"If they decided to act on that clause," said the mayor, "an amendment would have to be made to the municipal act in order that some of the aldermen might have a two-year term alternately."

"But you don't mean to tell me that the Legislature will not act on the expressed will of the people?" queried Ald. Richter.

"It certainly will not unless the municipal act is amended," replied the mayor.

Now Provides Two-Year Term.

Ald. Richter contends that the municipal act now provides for a two-year term for aldermen, but does not provide for an alternating term.

When the special committee, of which Ald. Johnston was chairman, which was appointed to make an investigation of the board of control question, made its report to the city council, it recommended that a mayor and four controllers and a number of aldermen be elected under section 70 of the municipal act.

Section 70 of the municipal act says in part:

"The council of every city shall consist of a mayor and three aldermen for each ward, provided always that the council of any city may, on or before the first day of November in any year, pass a bylaw reducing the number of aldermen for each ward to two, and at the next municipal election, and thereafter, two aldermen shall be elected for each ward; but such bylaw before the final passing shall require the assent of the electors of the ward, duly qualified to vote at municipal elections. Provided that this section shall not affect the right of any city to have a mayor and four controllers and a number of aldermen as provided in that behalf."

In Compliance With Act.
 Ald. Richter also says that it was the intention of the special committee to have the bylaw asking the voice of the people on the question of a board of control in compliance with section 70 of the municipal act.

Through a mistake, a plebiscite only J. P. Morgan, after it had been embodied and passed, was today included in a warrant issued by the city of London. This was then placed in a leaden casket and finally in a third case of heavy walnut with gold and silver fittings.

Flowers continued to be sent to the hotel throughout the day, and the apartment was now filled with them.

The United States ambassador has offered to hold a funeral service at the embassy in pursuance of instructions received from Secretary of State Bryan.

No definite arrangements have yet been made for the transport of the body to America, but it is understood that accommodations have been offered on board the Koenig Albert, leaving Naples on April 4, for the body and also for the relatives of the late financier.

Another Lie Nailed.

Ald. Richter at the meeting also characterized as a falsehood a story which appeared in a local paper on March 29 to the effect that some time ago the council drafted a statement of the needs of the board of control, as Ald. Richter and some of the aldermen saw them, arranged for a board of control of four members and a mayor, four of the aldermen and two controllers to retire at the end of each year, with the salary of the controllers at \$1,500 a year.

"According to the recommendation of the special committee," said Ald. Richter, "the board of control was to be elective and not appointed, and was to receive a salary from \$100 a year to \$1,500. An appointive body in a city the size of London can only be paid \$400 per annum."

Setting Up Man of Straw.

The Free Press goes ahead and sets up a straw man, which they know to be entirely misrepresentative, in order that they can easily knock him down. I think the question the people voted on was entirely correct and that there is some reason for defeating the will of the electors of London."

VILLAGE OF RIDGEWAY DEVASTATED BY FIRE.

Business Section Almost Wiped Out By Fire of Unknown Origin.

[Special to The Advertiser.]
 Ridgeway, Ont., April 1.—Fire of unknown origin almost completely wiped out the business section of this town last night, and several buildings in the path of the flames were saved only by the strenuous efforts of a bucket brigade. The loss includes the destruction of the postoffice block, owned by Mr. H. H. Hibbard, and also occupied by Mr. J. L. Brodie, druggist; Bell Telephone central building; jewelry store of H. House & Co.; J. N. Swartz's drug store, and the fine residence of Mr. Y. H. Collard, manager of the Imperial Bank here, while the grocery store owned by Mr. A. T. Patton was considerably damaged. The mails in the postoffice were saved.

The fire, which is supposed to have started in the building occupied by the Bell Telephone Company, had gained considerable headway before being discovered, and Mr. J. W. Bowden and family, who resided in the building, had a narrow escape. The town will be without telephone connection for some time as a result of the fire. The total loss is estimated to exceed \$35,000.

Popular - Priced RAIN-COATS

Navy and Fawn Rubber Raincoats, full length, raglan sleeve and close-fitting collar. Special at \$9.00

Men's Raincoats

6 only Men's Raincoats, fawn shade, guaranteed water-proof. These were shipped to us by mistake. Worth \$18. Our price, to clear, \$12.00

MORGAN'S BODY READY FOR BURIAL IN U. S.

Will Likely Be Shipped to America About April the Fourth.

[Canadian Press.]
 Rome, April 1.—The body of the late J. P. Morgan, after it had been embalmed and dressed, was today inclosed in a wainit casket lined with white brocade. This was then placed in a leaden casket and finally in a third case of heavy walnut with gold and silver fittings.

Flowers continued to be sent to the hotel throughout the day, and the apartment was now filled with them.

The United States ambassador has offered to hold a funeral service at the embassy in pursuance of instructions received from Secretary of State Bryan.

No definite arrangements have yet been made for the transport of the body to America, but it is understood that accommodations have been offered on board the Koenig Albert, leaving Naples on April 4, for the body and also for the relatives of the late financier.

GEORGE SENDS MESSAGE TO FLOOD SUFFERERS

Royal Sympathy Cabled to President of the United States.

[Canadian Press.]
 Washington, April 1.—Messages continued to come to President Wilson today from foreign rulers expressing sympathy for sufferers in the western floods. King George of Great Britain cabled:

"I am greatly distressed at the news of the disastrous flood and the grievous loss of life caused by them. I desire to express to your excellency my deep sympathy with yourself and the people of the United States in your misfortune."

The President replied: "Allow me, in the name of the people and Government of the United States, to express deep appreciation of your majesty's kind message of condolence."

TO THOSE WHO ARE WEAK AND NERVOUS

Frank Beauchesne Says Take Dodd's Kidney Pills.

He Suffered For a Year and After the Doctor Failed Found a Quick and Complete Cure.

Stoke Centre, Richmond County, Que., March 31.—(Special).—Those who are sick, weak, nervous and irritable, will be interested in the case of Frank Beauchesne, a well-known resident of this place. For a year he was in just that condition. Today he is a well man. Dodd's Kidney Pills cured him. In a statement given over his signature, Mr. Beauchesne says:

"I was sick for a year with cramps in the muscles, backache, and nervousness. I was always tired and irritable, and my sleep was broken and unrefreshing. The doctor treated me, but it was five boxes of Dodd's Kidney Pills that made me a new man."

Mr. Beauchesne suffered from a complication of complaints, but they all sprang from the same root—the kidneys. With the kidneys out of order the impurities are not strained out of the blood. That means poison all over the body. It means weakness, irritability and pain. The cure is to cure the kidneys. Dodd's Kidney Pills always cure the kidneys.

The Attraction of Gravity Is Just as Strong in Mexico as in Kansas -- By "Bud" Fisher

LONDON INFIELD AND OUTFIELD STILL UNCERTAIN QUANTITIES

Catching and Pitching Departments Look Strong on Paper, But Other Positions on Team Are Providing Problems—Outfield Is Especially Uncertain.

[BY JINX.]
Although Manager Deneau has been actively engaged for the past month or more in signing up players for the London team, he has not as yet landed enough men to fill the positions. So far only about sixteen men have been signed up by the local club, and several of these are pitchers and catchers.

Infield and Outfield Uncertain.
While it is certain that London will have a strong backstopping department, and also a good bunch of slab artists, the infield and outfield strength is at present an uncertain quantity. Only two or three new men have been signed up as tryouts—in the infield and outfield. It is a question if any of these players will make good.

Rube Is Still on the Trail.
Knowing this, Manager Deneau is still on the trail of more diamond stars, and it is likely that when the date for reporting comes around that about 25 players will gather at Tecumseh Park. Last year over 30 players were given tryouts before the season opened, and many of these were sent home again with only a couple of days' trial. With every recruit who makes good in the spring training there are three or four who do not, and this is just as true in the Canadian League as it is in the big leagues.

An Old-Time Weakness.
With a strong catching department this season, the London club will have bolstered up a weakness that has been apparent for the past two seasons. With Bowerman doing some of the backstopping for the club last year the catching department of the London club seemed to be a strong one, but the former Giant did not come up to expectations and he was not any better than Benny Spear, who was not even good enough to keep on the reserve list.

Greenhaigh Is Promising.
This year, however, with Greenhaigh and the two other catchers that De-

RED SOX WON FROM PIRATES

Took the Deciding Game of Series by 2-0.

WINNERS WERE OUTHIT

Hot Springs, Ark., March 31.—The Boston Americans shut out the Pittsburgh Pirates in the sixth and last scheduled game, and won the exhibition series 2 to 0 here today. One game was a tie.

The score: R. H. E.
Pittsburgh.....0 0 0 0 0 0 0 0 0 0
Boston.....0 0 0 0 0 0 0 0 0 0
Batteries—Beldert, Hall and Carrigan and Nunamaker; Hendrix, Adams and Kelly.

EDDIE HOLLY SOLD BY TORONTO CLUB

Holdout Surprised When He Arrived in Camp to Find He Was Sold to Southern League.

Macon, Ga., March 31.—After holding out for higher figures in his contract and threatening not to report at all, Eddie Holly, shortstop, arrived in Macon this morning only to be informed that he had been sold to Montgomery, Ala., of the Southern Association.

He does not want to go to that club, and Manager Kelley is endeavoring to place him.

Pitcher Branan will return at once to his home in Montezuma, Ga. He is the newest recruit seen in a Toronto uniform in years.

INGERSOLL TO FORM TOWN SOCCER LEAGUE

Meeting Will Be Held Friday Night to Organize—Much Interest Displayed in Game.

Ingersoll, April 1.—There is a real business aspect to the football situation, and by the way, the week it is thought the teams will be in shape to take up work, provided the grounds are in fit condition. In order to get the season started as early as possible, a meeting for the purpose of reorganizing the town league will be held in the council chamber at 8 o'clock Friday night. Judging from the interest that has been evinced in the game of late years a very large attendance is expected. All the players are anxious to get chasing the pigskin. They realize the benefits that accrue from early practices, and as the town league has developed into a lively affair competition will be very keen. There has been an influx of soccer players during the winter, and the indications point to a most successful season.

Who's Who in Baseball

Daily Bulletin of Major League Players.

Jack Miller finally came to terms with the Pirates when he found that Dreyfuss didn't intend to raise the figures mentioned in his 1913 contract. He had the fans worried, though.

He was paid \$2,700 last season, and the terms offered this year were \$3,000. Miller is being used at first to plug up the hole that has existed there for many years. Hyatt will be the substitute and Artie Hoffman may be tried there also, although he is not as active as he used to be.

Last season Miller batted in more runs for 164 team than any other player except Wagner and Wilson. His batting average was .275 for 148 games.

T.R. & A. A. LOST TO VICTORIAS

Senior O. H. A. Champions Lost by 3 to 1 on Slushy Ice.

HALF TIME SCORE 2-1

Winnipeg, March 31.—Stopping about in slush and water that made fast hockey out of the question, Winnipeg Victorias trimmed the Toronto E. and A. A. seven at the amphitheatre tonight by three goals to one. The teams started in water that was soon churned to slush, with the result that the puck was batted about and clean shooting was very difficult. Winnipeg showed the better condition, and had rather more of the game than the small score indicates, but the stubborn defence of the visitors kept the score down.

Heffernan was very effective at point, McKenzie, the fast rover of the Toronto team also showed real class and kept the Victoria defence busy at all stages. The same teams are scheduled to play again Wednesday night if the ice holds out.

The score at half-time was two to one, Caldwell and Fred Bawlf registering for the Victorias on individual rushes before Gordon Meeking raised the hopes of the "Punch" boys by finding the net after eluding the strong defence of the home team. Play in the second half was slow, as the men tired from the heavy ice. "Hammy" Baker, whose fast rushes kept the Toronto defence on the jump all the way, scored the only goal of the second period. The teams:

Toronto—Goal, Addison; point, McLean; cover point, Heffernan; rover, McKenzie; centre, G. Meeking; right wing, Brown; left wing, Burrell.

Victorias—Goal, Baker; point, C. Bawlf; cover point, Lovett; rover, F. Bawlf; centre, Caldwell; right wing, H. Baker; left wing, Belcher.

ORVAL OVERALL WILL SIGN WITH CHICAGO

Murphy's Secret Was Abandoned Yesterday and News Given Out—Will Strengthen Cubs.

[Canadian Press.]
Chicago, April 1.—The new pitcher recently announced by President Murphy as a star player, who would bring the Chicago Nationals' hurling staff up to an equality with the best in the league, is none other than Orval Overall. Murphy abandoned secrecy yesterday, and said that Orval Overall is the man, and that he expected his signed contract within a few days.

Overall made his last appearance in a Chicago uniform in the world's series in 1910. After that he refused to play any more, but kept himself in condition by pitching in week-end games around Los Angeles.

COAST LACROSSE MEN WILL MEET EASTERNERS

[Canadian Press.]
Vancouver, B. C., March 31.—Con Jones, Lionel Lyons and Cowan Macdonald, representing Vancouver, Victoria and New Westminster lacrosse clubs, respectively have left for Toronto, where they will meet the eastern magnates and endeavor to perfect plans for the organization of a commission to govern professional lacrosse and also to try to land players for the coast teams.

PHILADELPHIA BEAT BALTIMORE

Baltimore, March 30.—The Philadelphia Nationals won from the Baltimore Orioles in the ninth inning. The score was 9 to 8. The score: R. H. E.
Philadelphia.....4 2 2 0 0 0 1-5 18 2
Baltimore.....1 2 5 0 0 0 0-8 13 2
Batteries—Nicholson, Seaton and Kilfeer; Eckert, Johnson, Danforth, Smith, Bergen and Lidgate.

TORONTO LEAFS WON FROM MACON TEAM

Game Was Featured By Slugging, the Final Score Being 24 to 15.

Macon, Ga., March 31.—The Toronto Club defeated the Macon nine here today in the first of a series of three exhibition games. The game was a slugfest, the final score reading 24 to 15. The pitchers did not resort to curves, which accounts for the large score.

Fred Clarke To Be His Own Pinch Hitter This Season

Hot Springs, Ark., March 31.—Fred Clarke, manager of the Pirates, will be his own "pinch hitter" this year unless he changes his mind about the matter.

Save to go on the coaching lines, Clarke announced his retirement from the game last fall in every respect except the management of his club. In an interview here, the fellow who gave Pittsburgh brilliant service for a decade or more, says he will act as "pinch hitter" when the occasion demands.

The Live Oak Hall

ROUGH GAME AT VANCOUVER

Quebec Beaten by Mainland Stars by Score of 9 to 3.

OATMAN QUITE A MIXER

[Canadian Press.]
Vancouver, B. C., April 1.—The combined Vancouver-New Westminster team cut dizzy circles around the Quebec Stanley cup team in Vancouver. The final score was 9 to 3. The game was brilliant in spots, at times bordering on the sensational, and the goalkeepers showed wonderful class. But the game was marred by dirty playing, something that had not made its appearance out here until last night's game. Crawford and Oatman mixed it up quite frequently, and were both penalized. Hall also took a hand with the western stars outplayed Quebec at all stages, and the issue was never in doubt. The Quebec team leaves for the east today.

Summary.
First period—1, Mainland Stars, Oatman, 1:35; 2, Mainland Stars, Harris, 2:20; 3, Mainland Stars, Kendall, 3:40; 4, Quebec, Smith, 4:30.

Second period—5, Mainland Stars, Harris, 5:25; 6, Quebec, Malone, 4:45.

Third period—7, Mainland Stars, J. McDonald, 1:50; 8, Mainland Stars, Johnson, 2:08.

Fourth period—9, Quebec, 2:15; 10, Mainland Stars, Harris, 1:45; 11, Mainland Stars, Kendall, 10:07; 12, Mainland Stars, Harris, 10:50.

Lineup.
Westerners—Lyman, goal; Griffin, point; Johnson, cover; Harris, right; Kendall, centre; Oatman, left.

Quebecs—Moran, goal; Mummary, point; Hall, cover; Crawford, right; Malone, centre; Smith, left.

Referee—E. Weids. Judge of play—J. C. Gardner.

CRAWFORD GETS FIVE HITS IN SIX AT BAT

Repeats Performance of Day Before in Game Tigers Won at Chattanooga.

Chattanooga, Tenn., March 31.—The Tigers took their first clash of a five-game series with the Lookouts this afternoon, beating the Chattanooga Southern Leaguers, 14 to 5, with House and Claxton on the firing line.

Sam Crawford, for the second day in succession, was the individual batting star, the Walloo man getting five hits in six times at bat, which, together with his performance of the day before, makes his record 19 safe bangs in eleven trips to the plate.

OTTAWA INFIELDER SAID TO BE DYING

Jimmy Louden Suffers From Blood-Poisoning, and Is in Chicago Hospital.

Ottawa, March 31.—The Ottawa Baseball Club was notified today that its second baseman, Jimmie Louden, is dying in a Chicago hospital, and is not expected to live through the day. He was operated on last spring for abscess of the jaw. Recently blood-poisoning set in. Louden's right name is George Kempf. He was a classmate of Fred Herber, of the Toronto Baseball Club, at Illinois University.

Here are some of the many features applying exclusively to Dunlop Traction Tread Bicycle tires—the only tire with a built-in tread—the V-shaped top of the tire is made by iron moulds after the tire proper is completed. That means a skid-resistant surface which cannot wear off, as so often happens with ordinary-made bicycle tires.

The only bicycle tire that is practically puncture-proof. Your wheel is making revolutions on a series of "V's" which contain no air. Thus the air-containing portion of the tire is kept clear of the ground.

Don't fail to equip your mount with Dunlop Traction Tread, or Dunlop Special, the rubber-studded bicycle tire.

PERRIN'S ATHLETIC ASSOCIATION WINNER OF MANY LOCAL TROPHIES

Probably no local organization in the city championship last year. They were the runners-up this year for the honors, and many thought they would repeat again.

In relay running, they have a speedy track team. They hold Dr. Hadley Williams' handsome cup.

In short, they are an organization that have done themselves credit and have won much to encourage outdoor pastime in the city, as well as to create a spirit of friendliness and interest among the employees and a large number of our citizens.

The success of the association is largely due to the efficient staff of officers:

Honorary President—Mr. H. P. Allen.
Honorary Vice-President—Dr. Hadley Williams.
President—Mr. T. W. McFarland.
Secretary—Mr. C. H. McNeill.
Treasurer—Mr. Wm. Knott.

Team Managers.
Hockey—Norman B. Graham.
Tug-of-war—Wm. Evans.
Bowling—H. Hardy.
Baseball—A. Gregory.
Cricket—F. Lindsay.
Track—F. Knott.

In hockey circles, the Perrins have long been recognized as a classy team. They are the holders of three championships cups, which appear in the photo, winning the Manufacturers' League for two years in succession.

Ferryboats Have Been Put on a Twenty-Minute Schedule.

[Special to The Advertiser.]

Sarnia, April 1.—The ferryboats, which have been running on a half-hour service for the last two weeks, have returned again to the 20-minute

WHERE DOCTORS FAILED TO HELP

Lydia E. Pinkham's Vegetable Compound Restored Mrs. Green's Health—Her Own Statement.

Covington, Mo.—"Your medicine has done me more good than all the doctors' medicines. At every monthly period I had to stay in bed four days because of hemorrhages, and my back was so weak I could hardly walk. I have been taking Lydia E. Pinkham's Vegetable Compound and now I can stand up and do my work. I think it is the best medicine on earth for women."

—Mrs. JENNIE GREEN, Covington, Mo.

How Mrs. Cline Avoided Operation.

Brownsville, Ind.—"I can say that Lydia E. Pinkham's Vegetable Compound has done me more good than anything else. One doctor said I must be operated upon for a serious female trouble and that nothing could help me but an operation. I had hemorrhages and at times could not get any medicine to stop them. I got in such a weak condition that I would have died if I had not got relief soon. Several women who had taken your Compound, told me to try it and I did and found it to be the right medicine to build up the system and overcome female troubles. I am now in great deal better health than I ever expected to be, so I think I ought to thank you for it."

—Mrs. O. M. CLINE, S. Main St., Brownsville, Ind.

She's on the warpath again

She's always most active when the nipping winds set others shivering. They bring her out—bustling about to get ready that basin of warm, satisfying soup which looks so good, smells so good, and tastes—well, just try a basin yourself and see.

It's made of prime beef and the choicest of Irish vegetables. And as there's no over-strong, added flavouring, it's the making of any other soup or made dish.

EDWARDS' SOUPS

5c. per packet.

Edwards' Soup is made from three varieties—Beef, Tomato, and White. The Beef variety is a thick, nourishing soup prepared from beef and fresh vegetables. The other two are purely vegetable soups. Best for baby and invalid.

Lots of dainty new dishes in our new Cook Book. Write for a copy post free.

THE JUST AND THE UNJUST

By Vaughan Kester

The Prodigal Judge

Copyright, 1912, The Bobbs-Merrill Company.

She was everything to him. He could have wished that North was almost anyone else than Nellie, and in his self this feeling gave its color to their interview, something of his wonted frankness was lacking. It was his unconscious protest.

"Very well, then, I will see Judge Belmont and some day when I can," said North, still struggling with his emotion and his pride.

"Don't speak of that!" exclaimed General Herbert hastily.

"This miserable business could not have happened at a worse time for me," said the young fellow with bitterness.

"Don't say that, John," pleaded Elizabeth. "For your friends."

"You and your father, you mean!" interrupted North.

"It is hard enough to think of you here alone, without—"

"Her voice faltered, and this time her eyes filled with tears. "I will not object again, Elizabeth, if you should suffer as much the worst part of the whole affair."

"Will your father agree to that?" asked North.

"I can't say how good and kind he is," said North.

"Indeed, I can; it is far beyond what I should expect of him. I'm afraid."

"It has been so horrible—such nights of agony—"

"I know, dear," said North, "but I don't suppose a really strong man could resist such a course; the law doesn't often punish innocent men, and I am innocent."

"They are not looking for other clues, and the man who killed poor old man McBride may be somewhere in Mount Hope at this very minute."

"Until I am convinced innocent, I suppose they see nothing to do," said North.

"But, John, you are not afraid of the outcome?"

"And she rested a hand on his arm."

"I shall be able to clear myself, of course; the law doesn't often punish innocent men, and I am innocent."

"They are not looking for other clues, and the man who killed poor old man McBride may be somewhere in Mount Hope at this very minute."

"Until I am convinced innocent, I suppose they see nothing to do," said North.

"But, John, you are not afraid of the outcome?"

COCHRANE PRESENTS I. C. R. FINANCES

Estimated Surplus of a Million
for the Government
System.

BIG PURCHASES PLANNED

Rise of Twelve Cents in Price of Coal
Makes \$85,000 Difference.

Ottawa, March 31.—Hon. Frank Cochrane, minister of railways and canals, made a general statement of the Intercolonial Railway affairs in the House this afternoon in response to Hon. H. R. Emmerson, who objected to the House being asked to vote one-sixth of the supply for the railway without being enlightened in some respects at least as to how matters stood with the Government line.

Premier Borden protested to Mr. Emmerson that an understanding had been agreed upon by both parties that a sixth of the supply should be voted, and he argued that since it was only a small portion of the main estimates that was being asked for there should be no question raised.

The former minister replied that the practice of past years should be continued, and before one dollar was voted to the I.C.R. there should be a statement reviewing the situation and foreshadowing what expenditures were to be made for the current fiscal year. It had been the invariable practice of Parliament for the past thirty years to require the Minister of Railways and Canals to make a general statement at least.

Cochrane's Surplus.
Hon. Mr. Cochrane then said he could give a synopsis of affairs for the past year. The estimated surplus was between \$800,000 and \$1,000,000, while the revenue would probably be \$12,000,000. The following amounts had been taken out of the revenue and charged to current revenue: Rail renewals, \$100,000; fire renewals, \$60,000; equipment, \$300,000. During the year about \$350,000 extra was paid in wages. Contracts for the current fiscal year for purchased rolling stock would amount to about \$3,000,000.

Hon. Mr. Cochrane then enumerated the articles of rolling stock to be purchased as being 45 consolidated freight engines, 12 Pacific type engines, 5 switching engines, 1,425 steel frame box cars, 150 wooden box cars, 200 steel under-frame flatcars, 200 steel frame stock cars, 100 Hart-Otis coal cars, 36 refrigerator cars, 1 stock pile, 100 wooden tank cars, 4 diners, 7 first-class coaches and 3 baggage cars.

"What proportion of these are to be paid for out of the revenue?" asked Mr. Emmerson.
"All but \$1,000,000, which is in the estimates for the year," replied the minister. "In addition to the above, the following cars are under construction in the Moncton shops: One hundred and fifty wooden tank cars, 15 conductor vans, 3 colonist and 1 flanger."

Improvements Needed.
The Minister of Railways added that there had been an average increase in the price of coal of twelve cents per ton last year, and this would mean \$85,000. For the present year he estimated the coal cost would be increased twenty-five cents per ton.

Hon. Mr. Emmerson asked for an estimated cost of the proposed additions to the rolling stock. The minister was not prepared to give this information, but promised it in the near future.

Messrs. Carvell, Macdonald, Kyte and Carroll followed, pointing out improvements that might well be made in the management of the Intercolonial system and its operation. In response to representations from Mr. Maclean of Halifax, Premier Borden presented a plan and general outline of the Government's proposed work toward ocean terminal development at Halifax harbor. The scheme contemplates additional railway terminals in a locality considerably removed from the present docking wharves. All told it will cost an expenditure of \$12,000,000, but the amount asked for in the present estimates is \$2,500,000, to considerably increase the present accommodation, and provide for the construction of a new terminal depot for all railways and the removal of all level crossings.

DIED SUDDENLY.
[Special to The Advertiser.]
Teeswater, March 31.—R. J. Evans was stricken with heart failure here today and died in a few minutes. He had resided here for 19 years and was an active member of the Methodist Church.

Are You Droopy, Tired, Worn Out?

HERE IS GOOD ADVICE TO ALL
WHO FEEL AS IF THEIR VIGOR
AND LIFE HAD ALL OZED
AWAY.

This Condition Can Be Quickly Cured
By a Good Cleansing Medicine.

Your experience is probably somewhat similar to that described by Mr. J. T. Fleming in the following letter from his home in Lebanon: "I think I must have the most sluggish sort of a liver. In the morning my mouth was bitter, and that foul, soft feeling that tells you, 'No breakfast needed here this morning.' A cup of coffee would sort of brace me up, but in two hours I was disposed to quit work, all energy having oozed out of me. Supper was my only good meal, but I guess I didn't digest very well, for I dreamt to beat the band. A friend of mine put me wise to Dr. Hamilton's Pills. I think they must have taken hold of my liver, perhaps my stomach, too, because at the very start they made things go right. Look me now—not sleepy in the daytime, but bustling for the mighty dollar and getting no end of life every minute. That's what Dr. Hamilton's Pills have done for me—they have rebuilt and rejuvenated my entire system."

To keep free from headaches, to feel young and bright, to enjoy your meals, to sleep sound and look your best, nothing can help like Dr. Hamilton's Pills. 25c. per box, five for \$1 at all druggists and storekeepers or postpaid from The Catarthozone Company, Buffalo, N. Y., and Kingston, Canada.

PENSION PLAN FOR CIVIL SERVANTS

Draft Bill Outlining Scheme
Introduced in the Legis-
lature.

SUPERANNUATION FUND

Employees of Hospitals, Asylums and
Other Outside Institutions Not
Affected.

[Special to The Advertiser.]
Toronto, March 31.—An initial step has been taken by the Ontario Civil Service Association to secure a superannuation scheme. For the purpose of opening the question to discussion, Hon. W. H. Hearst, minister of lands, forests and mines, introduced a draft bill in the House yesterday. Although there is little hope of the bill becoming law this session, no cold water was thrown upon the project by the minister. As drafted, the bill only applies to the "inside" service at the Parliament Buildings, Osgoode Hall and court offices, and will not affect those at hospitals, asylums and other institutions throughout the Province.

To Retire at Sixty-Five.
It is proposed that members will be retired upon reaching the age of 65 years, but no superannuation will take place until an order for such is issued by the Government. This enables the Government to retain the services of officials in special cases. A civil servant, to be entitled to a full superannuation allowance, must be ten continuous years in the service. Temporary employees are not to be included. When retirement after the ten years' service is necessary due to ill-health, infirmity, or the abolition of a department, superannuation will be allowed to a civil servant who has not reached the age limit. This clause will include all but those who have been forced out through ill-behavior.

In the case of death after ten years' service the Government may pay to the personal representative of the party or to his family a lump sum not exceeding his average yearly salary for the past three years, or the amount he has paid into a fund, with 4 per cent interest, whichever may happen to be the larger amount. Where death occurs within ten years of service the amount contributed is to be paid with interest at 4 per cent.

Superannuation Fund.
The bill provides for the establishment of a superannuation fund. This will be provided by deducting an amount equal to 3 per cent on all yearly salaries over \$800, and where the salary does not exceed \$800, and at date of passing the act, the servant is over 55 years of age, this payment may be made, otherwise the party will not be entitled to superannuation under the act.

The amount of superannuation will depend upon the salary received during service. It will be computed on the basis of one-fiftieth of the average salary for the last three years of service multiplied by the number of years of service. The superannuation payments are to extend beyond a period of 30 years. This will work out, one who has a salary of \$1,000 a year and works for 30 years, will have a retiring allowance of \$600.

In case where a party is appointed made after Jan. 1, 1908, and the party was entitled to superannuation and retires, the Government may pay a lump sum by way of gratuity instead of the superannuation allowance, but the amount is not to exceed the average salary for the last three years of service.

Where a retired servant receives an allowance before he gets a pension equal to the average salary during his last three years of service, the Government may make up the amount out of the fund.

Now that the question is before the people's suggestions will be invited with regard to the working of similar schemes elsewhere.

A Church Bill.
Mr. Rowell introduced a bill to give trustees of Methodist churches power to transfer property to the representatives of other religious denominations. This is an enabling act made necessary by recent legislation, and view of the existing tendency to church union and cooperation between religious bodies in outlying districts.

Before the woman suffrage snag was struck it looked as if two weeks would see the end of the session from the way some thirty bills were given a third reading. However, the questions of workmen's compensation, the factories act and other matters of importance still remain to be considered. As Mr. Rowell intimated the other evening that the Liberals are prepared to sit until Christmas if they can get a decent factories act framed, the end may be not yet.

AYLMER TEACHER GOES TO WARDVILLE

Miss H. M. Gundry Succeeds W. W.
Jardin as Principal.

[Special to The Advertiser.]
Wardville, March 31.—The board of education at its regular meeting accepted the resignation of W. W. Jardin, B. A., principal of the high school. The resignation, which is due to ill-health, was accepted with very great regret. Mr. Jardin has been a very earnest principal, and has been eminently successful in the work to which he applied himself.

The board was favored with a personal application from Miss H. M. Gundry, B.A., of Aylmer, whose services were secured. Miss Gundry, whose career in classics, has won in her school career many scholarships, and has had several years' experience. She took charge today.

COMING TO LONDON

Rev. Dr. McCrae Preached Farewell
Sermons at Westminster.

[Special to The Advertiser.]
Westminster, March 31.—Rev. Dr. McCrae preached his farewell sermons on Sunday to large congregations, notwithstanding the impassable condition of the roads. The sermon, based on H. Cor. xiii, 11, was an impressive appeal for the highest type of Christian living and a beautiful testimony to the unbroken harmony, peace and progress of the past twelve and a half years. Dr. McCrae's leaving is deeply regretted by the members of all denominations in Westminster. He has possessed in an eminent degree the love and respect of the whole community.

NIAGARA FALLS BRIDE ILL WITH SMALLPOX

Mrs. Harry Carter Had Just Got
Back From Her Honey-
moon.

[Special to The Advertiser.]
Niagara Falls, Ont., March 31.—The latest smallpox victim here is Mrs. Harry Carter, wife of the son of Capt. R. F. Carter, of the Maid of the Mist. A bride of a few days, Mrs. Carter returned from her honeymoon trip on Saturday and was taken ill yesterday. The case was diagnosed as smallpox today and the young woman is now quarantined in her newly-furnished home.

There are seventeen cases in the Emergency Quarantine Hospital, which is properly equipped to accommodate thirteen patients. For this reason Mr. Carter would not consent to his bride being removed there, and she is now alone in the house except for a trained nurse, who is attending her.

C. P. R. MAY EXTEND LINE TO WELLESLEY

Ten Per Cent Increase for Men East
of Cartier, Ont.

[Canadian Press.]
Fort William, Ont., March 31.—The agreement between the C. P. R. and their engineers, whereby the latter are granted a five per cent increase on the lines east of Cartier, Ont., and a five per cent per day augmentation of their wages on lines between Fort William and Cartier, was signed on Saturday. There will be no change in the working conditions of the men. The new agreement which will go into effect shortly is for an indefinite period, terminable at 30 days' notice on either side.

MAY BE INSANE

Thomas Hughes Held for Trying to
Poison Neighbor's Horses.

[Special to The Advertiser.]
Woodstock, March 31.—Thomas Hughes, who was arrested on Saturday, charged with attempting to poison four horses belonging to Edgar St. Jacques, of Hillbrook, had his preliminary hearing in police court this morning and was committed for trial. He made no statement, asked no questions, and refused to employ a lawyer, simply saying he was not guilty. He seemed to take no notice of the evidence, and gave the impression that his mind was unhinged. He said he had suffered with his head for two years.

FRUIT GROWERS HAD A LIVELY MEETING

Manager Came in For a Good Deal of
Criticism.

[Special to The Advertiser.]
Woodstock, March 31.—The annual meeting of the Oxford Fruit Growers' Association today provided a very lively session and Manager J. F. Elliott came in for much unfavorable criticism, partly because he had no detailed statement for the meeting, and partly because he had fought apples from the orchards outside the county. This latter action was alleged to have been the reason for Oxford men having to take a low price because of over-supply. A resolution was carried that these outside orchards should be classed as Mr. Elliott's personal property, and he should pay for them. No one seemed anxious to reorganize the association for this year and the meeting was adjourned for two weeks.

CHATHAM CHEF HAD RELATIVES DROWNED

His Mother, Brother and Sister-in-Law
Lost in Floods.

[Special to The Advertiser.]
Chatham, March 31.—Verne Spencer, chef at Hotel Garner, received a telegram today announcing that his mother, his brother, Leon, Spencer, and his brother's wife, were among those drowned in the floods at Piqua, Ohio. The bodies, except that of Mrs. Spencer, sent, had been recovered. Mr. Spencer is leaving for Piqua at once.

KINCARDINE IS "DRY"

Judge Barrett Declares Local Option
Carried by Bare Majority.

[Special to The Advertiser.]
Kincardine, March 31.—Judge Barrett gave his decision re local option on Saturday. The vote for local option was carried by a simple three-fifths vote and means a complete dry. The anti-optionists pay \$50 to the temperance party, who have to pay their own expenses, and the town pays the expenses of the town. The anti-dry, of course, have to pay their own expenses.

FIVE INJURED

Carpenters on Scaffold Blown Down at
New Berlin Factory.

[Special to The Advertiser.]
Berlin, March 31.—Between forty and fifty carpenters and laborers at the Dominion Tire Company's new factory were standing on a long scaffold, which was blown over by the heavy wind. Only five were injured and bruised, but not seriously.

FITZGERALD—HARDING

Pretty Thorndale Girl Becomes Bride
of London Township Man.

Mapleview, the home of Mr. and Mrs. R. H. Harding, Thorndale, was the scene of a very pretty wedding recently, when their eldest daughter, L. Ruth, was united in marriage to Frank H. Fitzgerald, of London Township.

DIED AT STRATHROY

Mrs. Margaret Meekison Had Resided
There for Many Years.

[Special to The Advertiser.]
Strathroy, April 1.—The funeral of Mrs. Margaret Meekison, relict of the late Andrew Meekison, held today to Strathroy Cemetery, was largely attended. She is survived by two sons, John D. of Vancouver, and William, of Strathroy, and two daughters, Mrs. Sullivan, who is on a trip to the Holy Land, and Miss Jean, who resides at home. Mrs. Meekison was 75 years old.

CHINA SHOWER FOR MISS ETHEL CHITTICK

Popular Dorchester Girl Was
Pleasantly Surprised by Her
Young Friends.

[Special to The Advertiser.]
Dorchester, April 1.—The young people of St. Peter's Church, the Guild of the Gospels, and the Girls' Guild, gave Miss Ethel Chittick a "shower" at the home of Mrs. Peter Toppan last night. The affair of the Guild presented Miss Chittick with china and the young people gave her a miscellaneous shower.

The N. S. of the Methodist Church held their anniversary services on Sunday. The Rev. G. J. Barr, pastor, presiding, and interesting sermons both morning and evening. Liberal collections were taken at both services, which will go to aid that society in its work. Special music was furnished by the choir.

NEW PACT MADE WITH C. P. R. ENGINEERS

Ten Per Cent Increase for Men East
of Cartier, Ont.

[Canadian Press.]
Fort William, Ont., March 31.—The agreement between the C. P. R. and their engineers, whereby the latter are granted a five per cent increase on the lines east of Cartier, Ont., and a five per cent per day augmentation of their wages on lines between Fort William and Cartier, was signed on Saturday. There will be no change in the working conditions of the men. The new agreement which will go into effect shortly is for an indefinite period, terminable at 30 days' notice on either side.

THROWN BENEATH WHEELS

Chapleau Man Instantly Killed While
Attempting to Board Train.

[Canadian Press.]
North Bay, Ont., March 31.—George Annett, 24 years of age, from Renfrew, bookkeeper for Austin & Nicholson, lumbermen, at Chapleau, was killed at Bischofsing, C. P. R. station, Sunday morning. Annett was attempting to board a train, and was struck by the wheels of the train. He was thrown under the wheels and almost instantly killed.

FIERCE FIGHT IN MEXICO

Sixteen-Hour Battle Between the Fed-
erals and Rebels at Lapados.

[Canadian Press.]
Laredo, Texas, March 31.—Eighty-nine were killed and many wounded in a sixteen-hour fight yesterday and Saturday at Lapados, 70 miles south of here between a handful of Federals and 800 followers of Venustiano Carranza, rebel governor of Coahuila. The rebels surrounded Lapados Friday night, according to Captain Rivas, and fought a deadly battle, which was turned by the Federals. The Federals fought desperately, Rivas said, and lost nine men killed and several wounded, while the rebels lost at least 50 killed. The rebel forces are reported to have wrought destruction by the use of dynamite.

HIT BY EXPRESS

Veteran of British Army Accidentally
Killed in the West.

[Canadian Press.]
Winnipeg, Man., March 31.—Arthur C. C. while travelling on a railway velocipede, near the new C. P. R. roundhouse, north of here, on the transcontinental, failed to get out of the way of the incoming locomotive, and was struck and fatally injured. He died shortly afterwards at St. Boniface Hospital. Mr. C. had seen much service in the British army. Two sons reside in Toronto.

WESTERN ONTARIO

Johnson, Jex, aged 88, one of Brant-
ford's oldest residents, is dead after a
brief illness.

Galt police raided an alleged "blind pig" conducted by Armenians, and the proprietor has pleaded not guilty. Windsor has been visited by a heavy 62½ inch snow, with an eight-hour working day, by an agreement which went into effect today.

J. W. Lyons, a businessman of Proton, near Elgin, died very unexpectedly from heart trouble.

Fireman B. C. Button, who was hurt in a smash on the Wabash-G. T. R. line near Glenora in January, has commenced an action for \$5,000 damages.

Charles Garbham is the new chairman of the license board of East Elgin. He succeeds Thomas Hammond, who goes to England as Canadian emigration agent.

Garret M. Muckle, of the Canners Company, is critically ill at his home in Blenheim with typhoid fever.

BROKE HER WRIST.
[Special to The Advertiser.]
Dorchester, April 1.—Mrs. Ephraim Windsor broke her wrist in falling down the steps of the Methodist Church on Sunday afternoon and fracture her wrist quite seriously. Dr. Bangsall reduced the fracture.

ADELAIDE PIONEER.
Strathroy March 31.—David Jurg, aged 83, is dead at his home in Adelaide after an illness extending over some time. The funeral will be held on Wednesday to Strathroy Cemetery and services will be conducted in the Mount Zion Methodist Church.

LAST YEAR'S TRADE ABOUT \$1,000,000,000

All Previous Prosperity Records
Are Expected To Be
Eclipsed.

[Canadian Press.]
Ottawa, March 31.—Though, of course, official figures are not yet available, the Canadian financial year, which ends tonight, will eclipse all records of the country's prosperity. It is estimated that final figures will show trade aggregating about \$1,000,000,000, of which imports for domestic consumption will total about \$650,000,000, and exports of domestic produce \$350,000,000. The trade increase is in the neighborhood of 26 per cent.

Government expenditure will total about \$154,000,000. It is understood that Hon. W. T. White's budget speech will show substantial expansion of the revenue in every department. The date of the speech depends on the passage of the West Indian trade agreement, as some tariff adjustment is necessitated by the agreement.

EARL PEMBROKE DIES IN ITALY

Was Owner of 60,000 Acres and Noted
Art Treasures.

[Canadian Press.]
Rome, March 31.—The Earl of Pembroke died here today.

Sidney Herbert, P. C., the fourteenth earl, was born in 1833 and succeeded to the title on the death of his brother in 1885. He was in two Parliaments in the Conservative interest, and was lord of the treasury under the Marquess of Salisbury. Lord Pembroke's Salisbury residence, Wilton House, containing pictures by Van Dyck, Rubens and Reynolds, and much antique statuary. The estates in Ireland comprise about 60,000 acres.

WINNIPEG MOVIES GET INTO TROUBLE

May Be Prosecuted for Playing Sun-
day to Help Flood Sufferers.

[Canadian Press.]
Winnipeg, Man., March 31.—Fifteen downtown moving picture theatres here raised a fund of \$2,500 by Sunday performances for the flood sufferers' relief fund. A silver collection was taken in each house, and the total receipts went to the fund, all the employees volunteering their services. During the afternoon police visited each theatre open and took the name and address of each employee working and prosecutions may result. Attacks on the motives of the theatre proprietors were made in the county jail this afternoon on conviction of disorderly conduct in connection with a gathering of strikers yesterday at Lafayette Oval here. A second charge, that of causing unlawful assemblage, also was lodged against him. On this he was held for the grand jury, with the amount of his bail to be fixed later in the day.

HAYWOOD SENT TO JAIL

Paterson, N. J., March 31.—Wm. D. Haywood, organizer of the Industrial Workers of the World, was sentenced to six months in the county jail this afternoon on conviction of disorderly conduct in connection with a gathering of strikers yesterday at Lafayette Oval here. A second charge, that of causing unlawful assemblage, also was lodged against him. On this he was held for the grand jury, with the amount of his bail to be fixed later in the day.

Haywood pleaded not guilty to both charges. He was sent to the county jail immediately to begin his sentence, but his attorneys indicated that they would file an appeal within a few days.

Could Not Sleep Well For Four Years.

HEART AND NERVES WERE BAD.

To the thousands of people who toss on a sleepless pillow night after night, or who pace the bedroom floor with nerves unhealed, heart action wrong, and to whose eye sleep will not come, Milburn's Heart and Nerve Pills offer the blessing of sound, refreshing slumber.

They restore the equilibrium of the deranged nerve centres and correct the wrong action of the heart. Mrs. Wm. Douglas, Thessalon, Ont., writes:—"I am going to send you my testimonial for what your Milburn's Heart and Nerve Pills did for me. For four years I could not sleep well at night, as my heart and nerves were so bad. I tried all the doctors here, but none of them helped me. I read of your Heart and Nerve Pills, and tried only a few boxes, and I can certainly say they did me a great amount of good. I can now sleep as well as ever, and can advise anyone who suffers from heart trouble to try them."

Milburn's Heart and Nerve Pills are 50 cents a box; 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

ALBEMARLE.
Virginia avenue, near Beach. Offers special rates of \$10 up weekly; \$2 up daily. Sunny rooms, excellent table, steam heat, elevator, private baths, sun parlors; every comfort and convenience of the most luxurious hotels. Booklet, J. P. Cope, Wm. Ap. 19.

That naval officer is noted for always going to the bottom of things. "Good heavens! I hope they won't appoint him to the command of this ship!"—Baltimore American.

"He is a self-made man, isn't he?" "He was." "Then he is." "No, the woman he married didn't like the result he had accomplished, so she made him over!"—Houston Post.

Statements on the First

Are your statements sent out on the first of the month?

Or, do they reach your customers anywhere from the fifth to the tenth?

With less than half the time, effort and expense—and with an absolute certainty that they are accurate and readable—you can have Burroughs-made statements out on the first.

The same machine can be used all the balance of the month for any kind of figure work.

We'll prove it, in your own office, on your own work by helping you make out your statements next month—no cost or obligation. Write us for an appointment.

Quality Remembered Long After Price Is Forgotten

Take Cutlery or Mechanics' Tools, for instance. Does it pay to buy cheap stuff or is it not better to pay a trifle more and get a guaranteed article? Now, our cutlery is all imported direct from the best makers in Sheffield. Our tools come direct from English, Canadian and American makers, the best in their respective lines.

Today we want to tell you about the "Yankee" Screw-driver. It's one screw-driver that certainly gives satisfaction in every way. For house use, electrical or carpenter's work it can't be beat. Of course, if you break one we expect to replace it.

District Personals

BRUSSELS.

Brussels, April 1.—On April 25 Rev. Mr. Farewell, associate secretary of the Methodist Church, will devote a week to conventions in this district. One of the gatherings will be held at Ethel. Miss Nettie Pindar, of Morris Township, will visit shortly at Washington with her aunt, and will possibly be away all summer. Miss Kate Telfer has been engaged to complete Miss Pearl Backer's term as teacher in S. S. No. 1, Grey Township, the latter having resigned to accept a vacancy on Brussels school staff, rendered vacant by the removal of Miss Gertrude Ross to Prince Albert, Sask.

A month ago Mrs. Simpson, of Walton, had the misfortune to fall in the doorway and break her left limb near the thigh. Although the patient is past 76 years of age, she is making a good recovery. A. S. No. 1, Grey Township, of Globe, Arizona, who is a trained nurse, is here caring for her.

The Loyal Legion, under the temperance entertainment in the lecture room of the Carnegie library recently. The program was given by members of the Legion, extending an address by Rev. Mr. Mann, Mrs. A. McGuire, who is superintendent, is with her assistants, doing a good work with the juniors.

Quite a number of people are busy making maple syrup. Some already have 20 or 40 gallons manufactured. The 100-acre farm of Mrs. T. Maunders has been leased to Wm. McLean and Richard Jacobs has rented the farm of Wm. Hogg for a term of years.

The late Mrs. Thos. Kelly bequeathed St. John's Church the sum of \$500, to be paid forthwith. John Dunbar, aged 68, an old and well-known resident of Grey Township, died recently. Miss McLevey was the maiden name of his wife, who predeceased her husband nine years ago, after a married life of 37 years. A family of two sons and four daughters survive. Mr. Dunbar was a contractor before he went into farming.

Cure Your Sore Throat Nerviline Will Do It

Blessed Relief Comes Quick,
You Get Comfort, Every
Pain Disappears.

"Experience has taught me that the quickest way to cure a sore throat is with Nerviline," writes Mrs. Enoch P. Maclean. "My children always seem to get wet feet and stay out in the cold, and in consequence I have to keep a good household remedy handy. I rub in Nerviline almost every hour, give the children say twenty drops in hot sweetened water, and make them gargle with it. I have yet to see the cold this won't break up quickly."

From the La Have Islands, N. S., Mrs. John Walfield writes: "We have been using Nerviline for about nine years, and find it excellent. When we find any of us getting a cold we rub Nerviline in hot water. It is a sure relief for it, and is also an instant relief for internal pains of any kind."

The remarkable pain-subduing power of Nerviline and its ability to check colds, influenza and sore throat is unequalled. Every home should have Nerviline handy on the shelf for sudden illness at night, like cramps or internal pains. Large family size, 50¢; trial size 25¢, at all storekeepers or druggists, or The Catarrozo Company, Kingston, Ont.

Jasper Dies Under Wheels of Truck as Alarm Is Sounded

"Jasper," a pure white English bulldog, mascot at fire hall No. 5, on Adelaide street, was accidentally killed on Monday night, when he ran in front of the fire apparatus as the firemen were responding to a call about 9 o'clock.

"Jasper" always became excited when the alarm was sounded, and was the chief superintendent of the fire crew when they were preparing to leave the hall. He was excited as usual yesterday, and came in the way of the wheels just as the apparatus was rushing out. Death was instantaneous. There is mourning among the firemen.

DAYTON FLOOD SCENE

Dr. W. A. Ort, relief physician, with an aged woman, victim of the flood at Dayton. Dr. Ort administered restoratives to this woman, who had been rescued from a flooded residence west of the Little Miami River Thursday morning. She had been without food or fire since the flood broke Monday, and was almost dead from exposure when taken from the boat to the hospital, established in the court house by Major Daniel Ford, regimental surgeon of the Sixth Ohio Infantry.

FORMER AILSA CRAIG WOMEN WERE BURNED TO DEATH

Lamp Exploding in Bedroom Resulted In Cremation of Mrs. Mary Henderson and Her Daughter—Son Was Killed In Thresher Only a Short Time Ago.

[Special to The Advertiser.] Ailsa Craig, April 1.—Relatives residing in this vicinity have been notified by wire that Mrs. Mary Henderson, for many years a resident of McGillivray, and her daughter, were burned to death in a fire which completely destroyed their home. Only four months ago Mrs. Henderson's son had his arm caught as he was trying to slip a belt on a threshing machine, and was drawn into the machinery and torn to pieces. Mrs. Henderson suffered greatly from the shock, and early in the winter came home to visit with relatives, hoping that her health would improve. She had only returned to the West a week ago. Owing to her nervous condition she slept with a lamp in her bedroom, and it is supposed that it exploded while she and her daughter were asleep. The other members of the family awakened to find the house in flames, and only escaped with the greatest difficulty. Mrs. Henderson has a brother residing in McGillivray, and her mother lives with him.

\$40,000 WILL BE ASKED TO FIX COURTHOUSE

Contracts Awarded Monday Provide for Expenditure of \$35,383.

At a joint committee meeting, including representatives of the council of the city of London and that of the County of Middlesex, on Monday afternoon, contracts for repairs and improvements to the courthouse, amounting to \$35,383, were awarded. Two of the items of expenditure which were tendered for were left in abeyance for the present, but when contracts for these are let this week, it is expected that the total will be more than \$40,000.

The contracts were awarded as follows: Copp Bros' tender of \$678 for the brickwork.

Fitzgerald & Corpe's tender of \$2,600 for the painting and glazing.

Noble & Rich, for plumbing, at \$6,187.

The Dennis Company will install an iron stairway for \$3,000.

H. Stratford's tender for plastering at \$7,075.

H. Tozer, \$10,984, for carpentry work.

The tiling contract was let to Lautz & Co., Toronto, for \$2,564.

The vault fittings will be undertaken by the Office Specialty Company for \$2,295.

The contracts not yet awarded are those providing for electric wiring and office fittings.

Wray—Longworth

The home of Mrs. Fleming 19 Askin street, was the scene of a quiet wedding on Monday, March 24, when her son, Fred W. Wray, was united in marriage to Miss Mayme Longworth, formerly of Seaford. The ceremony was performed by Rev. George McKenzie, of the Christian Workers' Church, in the presence of the immediate friends and relatives of the bride and groom.

The bride was attended by Miss Maise Simpson, of this city, while the groom was supported by Mr. Charles Hale, formerly of Clinton, but now of London.

Following the wedding Mr. and Mrs. Wray left for Detroit and other western points. On their return they will reside in this city at 19 Askin street.

RUSS OFFICER INVENTS NEW WAY TO SUICIDE

Shuts Off Motor of Aeroplane and Drops 600 Feet to His Death.

[Canadian Press.] London, April 1.—Lieut. Perlovski, of the Russian army, committed suicide on Sunday by deliberately shutting off the motor of an aeroplane in which he was flying, and dropping from a height of 600 feet to the ground, according to a Central News dispatch. The tragedy was believed to have been an accident, until a letter written just before the fatal flight was opened. In Lieut. Perlovski expressed his intention of stopping his motor in mid-air, and gave as a reason for his action that he had been the victim of a plot.

ZAPATAS' REBEL BANDS ARE STILL UNSUBDUED

Insurrectos in Southern Part of Mexico Very Much Alive.

[Canadian Press.] Mexico City, April 1.—The breaking off of all negotiations for peace with Emiliano Zapata and his adherents has forced the Federal Government to mobilize a strong force of troops to undertake a campaign against the rebels to the south of the capital. This has been done in spite of the fact that the rebel successes in the north have made imperative the dispatch of a large part of the regular army to carry out operations in that region. The war department says that Government troops will begin moving into these districts infested by Zapata's followers, and their concentration will continue until an army of 10,000 men has been gathered together, which will include many organizations composed of former rebels. It is expected that General Orozco, Jun., and many of his old chiefs, will participate in the southern campaign.

Press dispatches, which arrived at a late hour from Cuautla, bring the report that Pascual Orozco, sen., was killed, as was previously stated, but is kept closely guarded at Huautla, in the same vicinity.

The followers of Emiliano Zapata have circulated many manifestos repudiating the Government if Provisional President Victoriano Huerta, and also that of Felix Diaz, if he should be elected president, and at the same time calling on the people to support the Zapata movement.

Numbers of bands of Zapata's followers have already resumed with much activity their old campaign of raiding, looting and burning.

ST. MARYS.

St. Marys, April 1.—Mr. John Willard, who was removed from the railway property on the west side of Water street, has given the contract to Mr. Pidd, of London, who will remove it this week, and will place it on Mr. Willard's lot, adjoining and south of Mrs. White's residence on Wellington street.

CITY OFFICIALS TO BE GIVEN NEW HOME

Special Committee Instructed by Council to Prepare New Quarters.

On motion of Ald. Richter, at a special council meeting Monday, the city hall committee was instructed to proceed immediately to secure quarters for the city officials, either in the Spencer block or elsewhere. Building Inspector Piper presented an estimate on cost of alterations to the Spencer block to house the officials. In his opinion it would cost \$1,200, but some of the aldermen are of the opinion that it could be done for half that amount.

Mr. W. Wakeling secured the bay fire horse which has been in the South London hall, but which has become unfit for duty, and Mr. Levi Attwell, of Dorchester, purchased the gray horse which has been at the central hall. Both were the highest tenders.

MAPLETON.

Mapleton, April 1.—Miss Julia McIntyre has returned, after spending the holidays at her home at Windsor.

Misses Lulu B. Finch, Alma College, St. Thomas, Clara Wismer and Estella Varwick, of the Normal School, London, have returned, after spending the holidays at their homes here.

Mr. S. G. Hall, of Springfield, has been the guest of his cousin, Mr. Warren Brown.

Dorchester, April 1.—Mr. John Burke lost a very valuable colt on Saturday. It got into some shorts and ate so much that it died.

Miss Deer, of Putnam, is the guest of her cousin, Miss Alberta George.

Mr. Cartright, of London, spent Sunday with Miss Bell.

Mr. C. W. Vollick has sold out his general store of dry goods and groceries to Mr. Marco, of Hyde Park, who will take possession today.

ADMINISTRATOR'S NOTICE TO CREDITORS AND CLAIMANTS.

In the matter of the estate of Charles Main Hyckman, of the City of London, in the County of Middlesex, conductor:

Notice is hereby given, pursuant to the statute in that behalf, chapter 26, section 55, and amending acts, that all creditors and other persons having any claims against or interests in the estate of Charles Main Hyckman, late of said City of London, conductor, who died intestate on or about the 23rd day of November, A.D. 1912, at the said City of London, are required to send by post prepaid, or deliver, on or before the 22nd day of April, A.D. 1913, to The Fidelity Trusts Company of Ontario, the undersigned administrator of the said estate, at its office in the said City of London, a statement, duly verified, of their claims and surpluses, addresses and descriptions, and the full particulars of their claims, and a list and valuation of the securities (if any) held by them.

And notice is hereby given that immediately after the last-mentioned date the undersigned administrator will proceed to distribute the assets of the estate of the said deceased among the parties entitled thereto, having regard only to the claims and interests of which it shall then have had notice, and the undersigned administrator will not be liable for the said assets or any part thereof so distributed to any person or persons, of whose claims or interests it has had notice.

The Fidelity Trusts Company of Ontario, administrator as aforesaid, by T. H. Luscombe, of 169 Dundas street, London, Ontario, its solicitor herein.

Dated at the City of London, in Ontario, this 1st day of April, A.D. 1913. A1, \$15

DAMAGE AT PT. STANLEY FROM HIGH WATERS

Parts of Hill Crest and Orchard Beach Were Washed Away.

Port Stanley, April 1.—Owing to the waters in the lake being so high, portions of Hill Crest and Orchard Beach are again being washed away. As these are the ideal spots for the tourist, many are urging that some means be devised to prevent the ravages of the waters.

The structural work of the new addition to the Casino on Stanley Beach is about completed, and with the drying of the cement floor the buildings will be ready for the summer visitors. It will furnish additional space on the second floor for dancing.

Induction Ceremony at Hamilton Road Presbyterian Church

Rev. Dr. McCrae was inducted as pastor of Hamilton Road Presbyterian Church at meeting of the Presbytery of London on Monday evening. The moderator, Rev. D. McKay, was in the chair.

Rev. Mr. Harper, of Chalmers Presbyterian Church, spoke from the text, "Instead of the thorn shall come up the fire tree," on the ability of Christ to change the useless into the useful life.

The moderator performed the induction ceremony, after which Rev. Dr. McDonald, of Kintore, delivered the charge to the new pastor. Rev. John Smith, the former pastor, delivered the charge to the church.

LONDON AND DISTRICT

Former Londoners Write.—Mr.
Charles White, of 424 Richmond street
has received a letter from his sister,
Mrs. James Wonderly, of Indiana-
polis, stating that her home has been
untouched by the floods, but they are
suffering great inconvenience as a
result of the high water. Mr. and
Mrs. Wonderly are former Londoners.

To Keep Office Open.—Ald. Spittal
stated Monday that pending the ap-
pointment of a new public commis-
sioner to succeed Mr. J. Grant Hen-
derson who completes his services to-
day, the office will be kept open in
charge of a stenographer under Ald.
Spittal's direction. A meeting of the
manufacturers' committee has not yet
been arranged.

Death of Mr. Whittaker.—Charles
A. Whittaker, aged 23, son of Mr. and
Mrs. John Whittaker, 551 King street,
died at his home on Monday. Three
sister and two brothers survive. Mrs.
J. W. Jones; Percy, a brakeman on
the G. T. R.; William, Mary and Alice
at home. Burial takes place in Wood-
land Cemetery on Wednesday at 3
o'clock. Rev. Dr. Manning, of Dundas
Centre Methodist Church, will officiate.

ELECTROCUTION CASE**

Adjourned Session Today to
View Scene of
Accident.

The jury selected by Dr. Ferguson
(coroner) to investigate the cause of
death of Herman Pocock, the 13-year-
old son of Mr. and Mrs. E. A. Pocock,
71 Blackfriars street, West London,
who was electrocuted at St. Peter's
Parish Hall on Sunday, met at the
Pocock home last night and evidence
which identified the remains was
taken. The jury met at noon today at
the scene of the fatality, where fur-
ther evidence was taken. The inquest
will likely be held at the police court
on Friday night. Mr. Thomas Jeffries
is foreman of the jury.

"The Family Friend for 40 years." A never
failing relief for Croup and Whooping Cough.

BANFF HOTEL.
The C. P. R. popular hotel at Banff,
in the Canadian Rockies, is to be open
all the year round, and next winter
will see the district the hub of winter
sports such as are the great attraction
of Switzerland. The vicinity of Banff
affords magnificent winter scenery, and
every effort is to be made to make it
an attractive winter resort. The hotel
has been in the hands of an army of
workmen during the past winter, and
additional accommodation has been
added together with many improve-
ments for the comfort of the visitors,
while the various pools and Turkish
baths have all been enlarged to cope
with the tremendous increase of
visitors. A huge bobsleighbing track
has been erected three and a half
miles long, and there will be ski-ing,
tobogganing, skating and curling, in
addition to bathing in the hot springs,
which has been popular this winter.
When the new tower is completed the
hotel will have accommodation for 450,
being greatly in excess of the previous
accommodation. A new dining-room
has been added, and the entrance has
been changed to the east to command
a magnificent view of the renowned
Bow River and valley.

WANT STREETS CLOSED.

[Special to The Advertiser.]

St. Marys, April 1.—The St. Marys
and Western Ontario Railway Com-
pany, now absorbed by the C. P. R., is
reported to be making an effort to have
the town council close all streets, south
of Park street, crossing the railway
from Water street to the River
Thames. The matter will come up
at the next council meeting.

**MANY CELLARS FLOODED
BY SUNDAY'S DOWNPOUR**

Complaints Registered at City
Engineer's Office This
Morning.

Following the heavy rain of Sunday
night a new shower of complaints of
flooded cellars was rained in upon the
city engineer's department on Monday
morning.
The complaints came from all parts
of the city. The inadequacy of the
present sewer system is evident at
present, but it will be greatly increased
when the sewers and drains of the
newly-annexed districts are connected.
The need for the proposed storm
sewer will be much greater then.
In many places in South London fol-
lowing a heavy rainstorm, the water
bubbles up out of the manholes on the
street in place of escaping through
them.

Have Your Piano Tuned

street.

**EMPRESS OF RUSSIA
SAILS TODAY**

Magnificent New Steamer's First Trip
Is a Tour of the World.

Today one of the latest additions to
the magnificent fleet of steamships of
the C. P. R. commenced its first trip,
starting out from Liverpool for an
around-the-world tour. The new ves-
sel is the much-talked-of Empress of
Russia, which will be a valuable ad-
dition to the already fine fleet of
steamers now plying between Van-
couver and the Orient. It was a unique
idea to inaugurate this around-the-
world trip on the initial voyage of the
floating palace, instead of sending the
vessel by way of Cape Horn, and
needless to say the results justified the
enterprise, as today, when the Empress
left the docks at Liverpool, it was
with a full complement of passengers,
and thousands crowded the docks to
bid them bon voyage. Included in the
passenger list are many Canadians,
who left these shores a few weeks ago
to be at Liverpool in time for the sail-
ing of the Empress of Russia. The
Empress of Asia follows a little later.

Beyond all question the most not-
able merchant steamers built in the
United Kingdom during the past year
were the two which the Fairfield Ship-
building and Engineering Company
constructed for the C. P. R. Com-
pany's trans-Pacific service, which
have received the titles of the Em-
press of Russia and the Empress of
Asia. Though outwardly the vessels
are identical in appearance, there is a
difference in the interior work, and
Empress of Russia being decorated in
the French style, mainly Louis Quinze
and Louis Seize, while the Empress of
Asia will be representative of the Eng-
lish style of the Georgian period,
which is particularly effecting on
board ship. The leading dimensions are:
Length, 550 feet; breadth, 68
feet; the depth, 48 feet; the gross ton-
nage being in the neighborhood of
15,000 tons. A feature which catches
the eye of the man who has but a cas-
ual acquaintance with ships is the
cruiser stern, which gives a distinctly
naval touch, besides conveying the

idea that a fast turn of speed can be
attained. In point of fact the speed
will be 18 knots an hour. Accommo-
dation has been provided for 1,100
passengers in all 200 first, 100 second
and 800 third class—and as the offi-
cers and crew will number 470, the
total complement will be 1,570. Elab-
orate precautions have been taken to
secure the safety of all, and should
any accident occur there would be
little chance of the ship sinking, the
vessel being provided with double the
number of watertight compartments
called for by the Board of Trade.

Coming to the general design, the
vessels have orlop, lower, main, upper
and shelter decks, while above the
latter is a long, combined forecastle
and bridge, the bridge deck being ex-
tended from stern to side-stanchion.
Above again there is a promenade deck
350 feet long. Here are situated the
many first-class public rooms, in-
cluding the lounge, a particularly fine
room 448 feet long and 36 feet wide,
with a height in the centre of 14 feet.
There are also writing rooms, smoking
rooms, and verandahs. The ves-
sels are fitted up in the most luxur-
ious style, and the dining-room is a
new departure—the tables being ar-
ranged for two and four persons, while
a party of six. There is also a well-
equipped gymnasium and up-to-date
laundry, while the kitchen and serving
rooms are all that can be desired. The
vessel is fitted with powerful en-
gines and a long-range Marconi system
of telegraphing, in addition to sema-
phore signalling from the bridge. The
Empress of Russia is scheduled to ar-
rive at Vancouver on June 7.

CORRESPONDENCE

The State of the Streets.

To the Editor of The Advertiser:

Just a word about our streets.

I never knew them as bad as they
are now, and the cause is sand. The
ward foreman can do no better with
the material supplied, and the storm
sewers will not save the streets from
going to slush if the streets are cov-
ered with the same material we have
been putting on the last few years.
Then all the rolling we can do will not
keep sand hard in the wet weather.
Horton street has a storm sewer, and
it is in bad shape and will be so until
stone is more freely used. I notice in
eastern American cities that broken
stone is used generally for residential
streets and with lasting effect. We
propose to go to very large expense for
storm sewers, cutting up the streets
again, and when the job is done if we
do not get better gravel we will be in
the same box. Then the land on the
streets will be washed into the sewers,
and probably our present sewers are
far below their capacity because of
this trouble. Our streets are flat, the
rounding the ward foreman gave them
has vanished, because of the light,
shifting gravel, and under those cir-
cumstances water lies in the centre of
the street; it never would run up hill,
and it never will. Gravel (all
stone), can be had from other
places, what's the matter with
getting a thousand carloads by
rail, and making some of our streets
solid now? Our market square was
laid with broken stone long years ago,
and the prisoners did the work. We
have hundreds of tons of broken ce-
ment sidewalks, which could be broken
up, and what's the matter with set-
ting our prisoners at it with hammers?
It would do them all good, and we
could pay them something for their
labor.

Trade and progress go in the line of
the least resistance, and our streets
are a great hindrance to the city now.
I notice the gravel roads in the coun-
ty, where they do not generally use
rollers, and have no sewers, and their
roads are in far better condition than
ours. But they use clean gravel, all
stone. We can have good streets yet
if we give our own employees a fair
chance with good gravel, and save this
awful expense of a storm sewer system.

Thanking you for space, I am yours
respectfully,
G. MARTINDALE.

On Feb. 10, 1833, Mary McFarlane
was married to Malcolm Smith, of
Lobo, by Elder Snot, and for more

farm to which she then went as a
bride. So far as can be ascertained
she was the first white woman mar-
ried in East Williams.

After 20 years of married life, in
which the difficulties of pioneer life
were unflinchingly met, Mrs. Smith
was left a widow by the death of her
husband on Feb. 4, 1854. He had just
returned from church and was un-
hitching his horse, when his call came
very suddenly, death resulting from
heart failure. This was the first death
in the McFarlane family circle in Can-
ada, and the only other member now
living is Mrs. Smith's sister, Cathar-
ine, Mrs. Peter Campbell, of Lobo, she

After the deaths of her parents in
the early sixties, followed the death
of her youngest sister, Flora, Mrs.
Robert K. Brown, on Jan. 12, 1869.
Since then, at various intervals, her
brothers and other sisters, brothers-
in-law and sisters-in-law, have died.
They were: Mr. and Mrs. Malcolm
McIntyre (Margaret), Mr. and Mrs.
Alexander Thompson (Anne), Mr. and
Mrs. John McFarlane, Mr. Peter
Campbell, Mr. Robert K. Brown, Mr.
and Mrs. Duncan McFarlane.

A Pioneer Family.

These were among the pioneers of
the early days who, with their neigh-

**Mrs. Malcolm Smith Celebrated
Her One Hundredth Birthday**

**Lobo Woman Has Lived During the Reigns of Six
British Monarchs—Came to East Williams
Wilderness Eighty-Two Years Ago, and Went
Through All the Hardships of Pioneer Life.**

[Special to The Advertiser.]

Coldstream, March 31.—On March
28, 1913, Mrs. Malcolm Smith, who re-
sides with her son, Mr. John Smith,
lot 15, con. 9, Lobo, reached the 100th
anniversary of her birth, which, ac-
cording to extracts obtained a few
years ago from the records of the
registry office, Edinburgh, took place
at Lochgishhead, in Argyleshire, Scot-
land, on March 28, 1813.

Her parents, Mr. and Mrs. Duncan
McFarlane, emigrated to Canada in
1831, and were among the pioneer set-
tlers of East Williams, their location
being lot 16, con. 3. Their family then
consisted of five daughters and two
sons, two children having died in in-
fancy. Mrs. Smith, whose Christian
name is Mary, was the eldest.

The country was then in a state of
almost primitive wilderness and loca-
tions were reached by means of blazed
trails.

Married in 1833.

On Feb. 10, 1833, Mary McFarlane
was married to Malcolm Smith, of
Lobo, by Elder Snot, and for more
than 80 years she has lived on the
farm to which she then went as a
bride. So far as can be ascertained
she was the first white woman mar-
ried in East Williams.

After 20 years of married life, in
which the difficulties of pioneer life
were unflinchingly met, Mrs. Smith
was left a widow by the death of her
husband on Feb. 4, 1854. He had just
returned from church and was un-
hitching his horse, when his call came
very suddenly, death resulting from
heart failure. This was the first death
in the McFarlane family circle in Can-
ada, and the only other member now
living is Mrs. Smith's sister, Cathar-
ine, Mrs. Peter Campbell, of Lobo, she
having reached the age of 80.

After the deaths of her parents in
the early sixties, followed the death
of her youngest sister, Flora, Mrs.
Robert K. Brown, on Jan. 12, 1869.
Since then, at various intervals, her
brothers and other sisters, brothers-
in-law and sisters-in-law, have died.
They were: Mr. and Mrs. Malcolm
McIntyre (Margaret), Mr. and Mrs.
Alexander Thompson (Anne), Mr. and
Mrs. John McFarlane, Mr. Peter
Campbell, Mr. Robert K. Brown, Mr.
and Mrs. Duncan McFarlane.

A Pioneer Family.

These were among the pioneers of
the early days who, with their neigh-

bors, did so much to change the face
of nature, and bring about the im-
proved conditions that now prevail.
All but Mr. Campbell lived in East
Williams.

Mrs. Smith has seven children living
and one deceased, thirteen grandchild-
ren and seven great-grandchildren.
Some years ago her eyesight failed and
for some time her hearing has been
defective. Her general health is as
good as could be expected. Her mem-
ory is still clear and many an inter-
esting account of pioneer days has
she given to the younger people.

Lived Under Six Kings.

She has lived during the reigns of
six British monarchs, a record rarely
equalled, and not likely surpassed by
any subject of King George V. She
was born before Waterloo was won by
Wellington, and during her long life
many events of the greatest impor-
tance have taken place in all spheres
of action. The one with which she and
her associates in the County of Mid-
dlesex were most closely connected
was the clearing, development and
progressive advancement of what is
now one of the finest portions of Can-
ada.

Kindness, generosity and self-denial
are among the good qualities always
prominent in her life-work, and the
Christian spirit, in which they have
been exercised, has endeared Mrs.
Smith to a large circle of affectionate
relatives and grateful friends, not only
in her own neighborhood, but also in
different parts of Canada and the
United States, where they reside.
Upon the occasion of the good old
lady's reaching the century mark their
congratulations and good wishes were
her remaining years under God's bless-
ing may be pleasant and peaceful.

HELPED MAKE REPAIRS.

[Special to The Advertiser.]

Mossley, April 1.—Mr. Richard Dun-
das was a heavy loser by the recent
windstorm. Both his barns were com-
pletely unroofed, and the side was
blown out of the larger one.

On Monday about 22 of his neighbors
turned out in a body to assist him in
repairing the damage. This large
force of workers soon succeeded in put-
ting things to rights.

"What goes up must come down,"
evidently does not apply to the high
cost of living.—Life.

THE BREAD LINE AT DAYTON, OHIO

Taken Especially for The Advertiser by W. H. Durborough.
Feeding the flood sufferers. The bread line at the Hoffman avenue school, where relief headquarters was established by the citizens' committee Wednesday, within 24 hours after the flood. Supplies of food and clothing were rushed into Dayton by motor truck and train from Springfield, Xenia and other nearby towns.
