Mr. Weylille did not answer, but paced the room to and fro slowly, with a deep frown, his arms crossed on his breast.

MOONDYNE

THE CONVICT SHIP

Mr. Weylille read the face as easily as if it were a printed page. 'Captain Draper, I presume?' 'That is my name, said the other, with a wide and unmeaning smile of the cracked lips, in which the rest of the face took no part.

Weylille, and this friend, my brother and yours, will take you in his case till we see Tommason and the Vase.

THE CHILD'S GRAVE

The Bouguemont, chartered by the Government to carry the convicts to Western Australia, lay in Portland Roads. She rode with the dark shadow of the gloomy old prison which is built one of the greatest of the English imperial prisons.

This was the triangle, where the usually convicted were tried and it was every morning above this triangle, tied around the former, was a new and very fine hempen rope, leading away to the end of the forecastle.

THE INTEREST INCOME

The Ontario Mutual Life Insurance Company is more than sufficient to pay its death claims or expenses, hence no company is in a position to give better returns to its Policy Holders.

Mr. Weylille spoke, the hidden face became plain in Tappin's face. She looked only at Mr. Weylille, her large dark eyes slowly filling with tears.

THE INTEREST INCOME

For rates, etc., apply to JOHN T. MCKENZIE, Star Tailoring Establishment, London House.
