The copy filmed here has been reproduced thanks to the generosity of:

D. B. Weldon Library  
University of Western Ontario  
(Regional History Room)

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

D. B. Weldon Library  
University of Western Ontario  
(Regional History Room)

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

Decorator

Our Alabastine or Oil Wall Decorations, which are taking the place of wall paper in all our larger cities are **JUST AS CHEAP**, far **RICHER** and more **DURABLE** than wall paper. Paper is **UNSATISFACTORY** with the decaying glue on its face and flour paste behind. Alabastine sweetens and purifies the house, never decays, and drives away insects. The Michigan State Board of Health published a paper with one of their annual reports which strongly condemned kalsomine and wall paper, and recommended wall decorations.  
Rooms handsomely frescoed in Relief Work, \$30 and upwards.

## BELOW THE BELT

There is no blow you can hit a man that he'll feel like one aimed at his pocketbook. When you hit him there, you hit him in the tenderest part of his anatomy. When he buys a lottery ticket for a dollar and draws nothing but his breath, he feels hurt. When he spends a dime for a Cigar and it smells like cooking cabbage, his pride is wounded. If he deals with us nothing like this happens. We hit him right in his pocketbook, too, but we touch him so lightly that he enjoys the novelty.

SPECIAL RATES TO THEATRICAL PEOPLE.

M. O'MEARA, PROPRIETOR.

'Tis almost second nature for an actor to relate stories, even of a funeral nature, in an entertaining manner as possible.

Mr. Goodwin is accredited with talking about it the other day.

"For instance," said he, "what's the use of going into all the harrowing details. Leave something to the 'imagination. Now, take for example, suppose you read something like this in the paper:

"In Boston the other day, a man thought he could cross the track in advance of a locomotive. The services at the grave were very impressive." Or

"A man in Maryland ate fifty raw oysters on a wager. The silver trimmings on his coffin cost \$12.50." Or

"A Chicago man warned his wife not to light the fire with kerosene. She did not heed the warning. Her clothes fit his second wife admirably well." Or

"A Londoner got tired of buying coal haphazard, because it was cheap, and now buys it from Cameron. As a result the doctor never calls, and he and his family are happy all the time." 'Tis brief, but really sufficient. Office, Hiseox Building; Yard, Burwell St., at G. T. R.

**LEADS!**

TO OUR PATRONS.

It has, from time to time, been suggested to the management of this theatre, that it would be appreciated by the patrons if the management would, after the example of the large metropolitan houses, supply them with some light refreshment, during the wait between acts. In compliance with their request the management have contracted with Short Bros., the well-known confectioners of this city, to supply their finest selections of chocolates, bon-bons, etc., which will be offered to those desiring them at a nominal cost. Arrangements have also been made with C. R. Somerville to supply his best grades of chewing gum. The management wish it distinctly understood that this is not a desire on their part to make money at the expense of the patrons of the house, but wish simply to accommodate them.

**Surprised!**

The above word faintly portrays the feelings of those who availed themselves of the opportunity of purchasing a box of candy offered for sale in this theatre this evening. They were surprised at the quantity and gratified at the quality. We wish to state that the standard will be kept up to its present quality.
