FIRST ANNUAL REPORT

OF THE

New Brunswick Provincial Rifle Association.

THE COUNCIL of the New Brunswick Provincial Rifle Association, in submitting their first Annual Report, have to congratulate the members of the Association upon the success which has, so far, attended its proceedings.

The Association was formed at a time, and under circumstances little favorable to the success of such a movement. The temporary excitement caused in the Spring of 1866 by the threatened Fenian invasion of the Province had in great measure subsided, and a period of reaction had commenced; while a defective law had tended rather to render the Militia unpopular than to induce each inhabitant of the Province to feel it a duty to prepare himself to take part in its defence.

It was under such circumstances that His Excellency Major General Doyle undertook the formation of the Association, and summoned a meeting of Officers of the Militia for that purpose in December last. It is but right to add, that His Excellency has continued throughout the firm friend of the Association, and that to the countenance and encouragement afforded by him its success during the first year of its existence must in great measure be ascribed.

The Roll of Members for the past year has reached the large number of seven hundred, of whom more than three hundred contributed the sum required to constitute full membership; the remainder contributing the smaller subscription required to qualify Non-commissioned Officers and Privates of the Militia force for competing for the prizes offered by the Association.

The subscription list for the year has amounted to £244 4 0. In addition to this, £100 has been raised by the Ladies of Saint John, in response to an appeal made by His Excellency Major General Doyle in December last; £30 (for local purposes) by the Ladies of Fredericton; and £250, granted by the Provincial Government for

the general purposes of the Association. The sum of £12 10s. was also offered for competition by the City Corporation of Saint John, and the sum of £10 by the Bank of British North America. A valuable Gold Watch and Chain was presented by Major General Doyle; and several other prizes have also been given at the various County Competitions.

A course of public entertainments, under the auspices of the Association, conducted at Saint John, met in some instances with great success; resulting not merely in an addition to the funds at the disposal of the Council, but it is hoped in an increased interest in the Militia movement as one deserving the support of all classes in the community.

In recognition of their services at these entertainments, an ornamental Clock and Stand have been presented by the Council to the Band of the 1st Battalion H. M. 15th Regiment, now stationed at St. John. The ceremony of the presentation took place in May last.

Lectures have also been delivered at Chatham and St. Stephen, for the benefit of the Association, with success.

The Treasurer's report shows a balance in favor of the Association, the greater part of the whole of which will however be required to meet the cost of Dies and Medals ordered from England for the Association, and printing the Annual Report.

The Council have much pleasure in stating that His Excellency Major General Doyle, Lieutenant Governor of New Brunswick; His Excellency Lieutenant General Sir W. F. Williams, K. C. B., &c. &c., Lieutenant Governor of Nova Scotia; and His Excellency the Hon. Arthur H. Gordon, C. M. G., late Lieutenant Governor of New Brunswick, have consented to become Vice Patrons of the Association.

One general, and five local Competitions have been held during the past year.

The General Competition took place at Sussex Vale, Kings Co., during the first week in September, upon the grounds of Lieutenant Colonel Beer, Commanding the 2nd Battalion King's County Militia. More than two hundred Competitors were present, and in addition to the Prince of Wales Challenge Cup (competed for at the same time with the Association prizes, and under the same regulations for firing, though not in any way under the control of the Council), prizes to the value of £450 were offered for competition.

The Provincial Rifle Association Gold Medal was won by Sapper Christopher Johnson, New Brunswick Engineers.

The Medal of the National Rifle Association of England was won by Capt. W. Langstroth, New Brunswick Yeomanry Cavalry. This Medal and many of the succeeding prizes were fired for at the longer ranges—from 400 to 600 yards—to which the marksmen of the Province have hitherto been little accustomed. The practice was consequently not so good as it is hoped another year's competition will produce.

The Ladies' Cup was won by Ensign J. P. Bixby, 4th Charlotte Militia.

The winner of the Gold Medal and Money prize offered with the Prince of Wales Challenge Cup, and open to class A of the Militia (Volunteers only), was winner R. B. Cunningham, of the N. B. Regiment of Artillery; Lieutenant Colonel B. Lester Peters' Battery for the second time carrying off this prize.

A Silver-plated Tea Service, competed for by Officers of classes B and C of the Militia, during the firing for the Prince of Wales Cup by the Volunteers, was won by Major Willis, Inspecting Field Officer of Militia.

A Gold Watch and Chain, presented by His Excellency Major General Doyle, was won by Captain and Adjutant Edwin Arnold, 2nd Battalion King's County Militia.

A Purse of Fifty Dollars, offered by the City of Saint John fell to the lot of Ensign E. Ashley Wilmot, 1st Sunbury Militia; and a Purse of Forty Dollars, offered by the Bank of British North America to those members of the Association only who had already shown a certain degree of proficiency, to Private B. P. Darling of the New Brunswick Yeomanry Cavalry.

The first of the Consolation Prizes was won by Captain D. M. Campbell of the New Brunswick Yeomanry Cavalry; and the first of a series of All-comer Prizes, made up on the grounds, and amounting in all to nearly £30 in value, by Corporal W. Hancock, New Brunswick Engineers.

The expenses of conducting the Competitions have been greatly increased by the necessity of fitting up a Range expressly for the general meeting, and the scarcity of Targets, which had to be gathered from all directions—a very limited number being at the disposal of the Provincial Government. The General Competition could not indeed have been held but for the readiness with which Colonel Grierson, H. M. 15th Regiment, and Major Greig of the Store Department, with His Excellency Major General Doyle's sanction, placed the targets under their control at the temporary disposal of the Council.

The Council have to express their thanks to Major Wilkinson, of H. M. 15th Regiment, for his valuable assistance as Umpire and Referee at Sussex Vale; the readiness with which in every instance his decisions were acquiesced in forming the surest guarantee for the judgment with which they were made.

The Camp, in connection with the General Competition, was under the control of Lieutenant Colonel Maunsell, Adjutant General of Militia, to whom the Association have been repeatedly indebted for his ready and constant assistance and co-operation.

The readiness with which Lieutenant Colonel Beer placed his grounds at the disposal of the Council cannot be passed over without notice, nor the valuable assistance rendered both by Lieut. Colonel Beer and Major Arnold of the same Battalion, and Major Willis, Inspecting Field Officer of Militia, in preparing the ranges for the Competitions.

The Prizes won at the General Competition were presented on the ground upon Saturday the 7th September at the conclusion of the firing for the Consolation Prizes.

The first series of Prizes were presented by Lieutenant Colonel Thurgar, President of the Association. The second, fourth and sixth by His Excellency Major General Doyle. The third (the ladies' prizes) by Mrs. Ritchie, wife of His Honor the Chief Justice. The fifth by Lieutenant Colonel Maunsell, Adjutant General of Militia. The seventh by Lieutenant Colonel B. Lester Peters, for the Corporation of Saint John. The eighth by Lieutenant Colonel the Hon. John Robertson. The Consolation Prizes by John Boyd, Esquire, Treasurer of the Association; and the All-comer's Prizes by Lieutenant Colonel Beer.

The weather, throughout the week of the General Competition, proved most favorable, and all that could be desired.

The local Competition for the County of York was held at Fredericton upon the 23d day of July last. Forty Pounds were distributed in prizes. The winner of the Association Medal was Lieutenant C. W. Hartt, 1st York Militia.

The local Competition for Saint John took place upon the 14th and 15th August last. £35 10s. were distributed in prizes, in addition to the Association Medal, which was won by Brevet Major G. H. Pick, N. B. Regiment Artillery.

The local Competition for Northumberland took place at Chatham upon the 15th of August. Prizes in value of £32 15s. were fired

for. The winner of the Association Medal was Major D. Ferguson, 1st Northumberland Militia.

The King's County Competition was held during the last week in September at Sussex Vale. The value of the prizes offered was £25. The Association Medal was won by Private L. Langstroth, N. B. Yeomanry Cavalry.

The Charlotte County Competition took place also during the last week in September at Saint Stephen. The value of the prizes was about £47 15s., and the Association Medal was won by Color Serg't J. Mullin, 4th Battalion Charlotte County Militia.

A Competition also took place at Woodstock for the County of Carleton, but not having been held in accordance with the provisions of Article 6 of the Bye Laws of this Association, no return of the same is published with this Report.

Thus, during the present year the Association has been the means of distributing prizes to the value of about £640 among the Militia of the Province. The year before its formation, but £30 in prizes were offered, in addition to the Prince of Wales Challenge Cup and the Medal of the National Rifle Association of England.

The thanks of the Association are due to all who have given it their countenance and support; and more particularly to those who have aided it by offering prizes for competition. It is hoped that the success of the past year will induce the friends and supporters of the Association to redouble their exertions for the next.

There is no reason that during another year, lectures, concerts, or entertainments in aid of the funds of the Association, should not be established, not merely at Saint John, Chatham and Saint Stephen, but in every town and village throughout the Province; and if each Officer commanding a Battalion or Volunteer Corps, will undertake to bring its claims prominently, and as early in the season as possible, to the notice of those under his command, it may be confidently stated, that, from the encouragement the Association has received wherever this has been done during the past year, no difficulty will be experienced in securing for it a largely increased membership during the next.
