The copy filmed here has been reproduced thanks to the generosity of:

National Library of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Bibliothèque nationale du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

PLEASE OBSERVE.

THE LIBRARY is arranged in three divisions : Junior for the younger Scholars ; Medium for the older ones ; while the third is more specially designed for Teachers and members of the Bible Classes.— It is, however, not intended that Scholars should restrict themselves to any one division.

Bring your book up to the Library immediately after entering the School-room.

A Book must not be kept out more than two weeks, and if returned injured, or with the numbers, either inside or outside, defaced, will prevent the drawing of another for two Sabbaths.

Teachers will please write the numbers plainly, and exactly opposite the Scholar's name, and immediately after the formation of the Class. Not less than five numbers to be put down.

The name of a new Scholar to be given to one of the Librarians on a slip of paper, and such Scholar not to receive a Book till the next Sabbath.

Scholars will not be permitted to change Books one with another, or at the Library after being selected, or to draw a Book in the name of an absent, or any other Scholar.

It will be much to the advantage of all, if the Teacher would require the Scholars to select their numbers at home, and bring them on a slip of paper.

Parents and Teachers are respectfully requested to use their influence to secure the carrying out of these Rules.
