The Pavilion held an old-time political audience last night! That is, as to size, respectability, enthusiasm and attentiveness. It was one of the Queen City's representative campaign gatherings. No such audience could be got together outside of Toronto. This statement is made not as a brag but as a matter of fact, of campaign fact.

This great audience, numbering at least 4000, turned out to welcome Mr. W. R. That speech was one of the finest and strongest that Mr. Meredith ver made, either on a public platform or in the Assembly.

No speaker before a Toronto andience ever got a better hearing, a more enthusiastic reception, or more applause.

Sir John Macdonald, Mr. Mowat, Mr. Laurier, Mr. Chapleau, have all spoken in the Pavillos, but none of them were ever more heartly applauded, ever more enthusiastically received.

MAIL BUILDING, BAY-STREET

May 1st, 18 90 Goronto,\_

We are preparing lists of houses for sale and to rent and purpose advertising them in the same liberal manner which has characterized our advertisements in the past.

We have not heretofore made any special effort to handle house properties, having confined ourselves almost exclusively to the sale of warehouses and vacant properties, but owing to the numerous enquiries for house properties for both sale and rent, we have concluded to open a Special Branch with a competent staff of officers, who will devote their entire time and energy to this line of business under our direction.

Our success in the past in the properties that we have been handling is a good guarantee that we can make this undertaking a success also.

We would be pleased to place your houses on our list, and will give them our best attention.

Yours very truly,

THOMSON & DUNSTAN.
