## THIS WEEK'S DEATH ROLL

### Many Prominent Citizens Have Passed Away Whose Places Will be Hard to Fill

J. ELVIN SHAFFNER

One of the most prominent and best beloved citizens of Lawrence town, J. Elvin Shaffner, passed away at the Memorial Hospital, Middleton, at 6 o'clock Wednesday morning, aged 51 years, following an operation. Mr. Shaffner was injured August, 1919, by a fall from his automobile. His death was due to a fracture of the skull received at that time.

Up until a few days ago, Mr. Shaffner was feeling well, but on Sunday complained of pains in his head. He was moved to Middleton where he was operated upon by Dr. Morse and Dr. Phinney. On Tuesday evening he was again operated on by Dr. McLehlan. Tuesday, Mr. Shaffner was unconscious since Sunday.

Mr. Shaffner was manager of Shaffners, Ltd., one of the largest business houses in this county. He also owned a large farm and was extensively engaged in the apple business. The deceased was a very enterprising citizen and was generally known as the man who put up and kept Lawrence town on the map. He was a member of the Baptist Church and vice-president of the Liberal Association of Digby and Annapolis Counties. He had been in business for twenty-five years and was noted for his integrity and honest dealing with all who came in contact. He was of a cheerful disposition, very charitable and many to whom he has rendered assistance will mourn the loss of a true friend. He was one of the first to be initiated into Evangelical Lodge A. F. and A. M. and his is the first death since that Lodge was organized. He was also a member of Sunbeam Lodge of Oddfellows, Middleton.

Mr. Shaffner was actively interested in all that contributed to the uplift of the town—the churches, the school, the Agricultural Building, the library, and everything pertaining to its social life. He was a broad-minded man in a small town, and all his activities received an impulse from his vision of life and his personal kindness. He is survived by his widow, three sons, Malcolm at Yale, Ernest and John at home; two daughters, Ethel, at Mt. Allison, and Jean at home—an aged mother, two brothers, Leonard and Leander, merchants of Middleton, one sister, Mrs. (Rev.) Owen Chipman, of Port Williams, and a host of friends.

The funeral, which was a Masonic one, and largely attended, took place Thursday afternoon, the services being conducted at the house, church and grave by Rev. A. H. Whitman, pastor of the Lawrence town Baptist Church, assisted by Rev. H. T. Jones, pastor of the Lawrence town Methodist Church. Interment was at Fairview cemetery where his brother Masons paid their last respects. The pall bearers were: Paul Durling, Fred Bishop, Stewart Elliott and A. P. Rumsay. The floral offerings were many and beautiful: Wreath, Winnie; Chrysanthemums, mother; Pillow Roses, "father"—his children: Crescent, "Dad"—Malcolm; Roses, Mr. and Mrs. I. Durling; Basket Chrysanthemums, Durling sisters; Basket Snapdragon, Hannah; Anchor, Mr. and Mrs. J. Elliott; Wreath, Mr. and Mrs. H. W. Phinney; Crescent, Mr. and Mrs. F. B. Bishop; Pillow, Women's Institute; Basket Roses, Mr. and Mrs. W. W. Bent; Wreath, Rev. and Mrs.

Lew Wallace; Spray, Mr. and Mrs. F. G. Palfrey; Spray, Mr. and Mrs. J. E. Hales; Cross, Baptist Church and Sunday School; Harp, Hon. O. T. Daniels; Anchor, Shaffners Limited, Firm; Pillow, Shaffners Limited staff; Wreath, Liberal Association, Annapolis County; Wreath, warehouse; Cut Flowers, Mrs. D. Trask; Crescent, "The Girls"; Wreath, merchants; Crescent, Dr. and Mrs. V. D. Shaffner; Pillow, Dr. and Mrs. J. B. Hall; Spray, Mr. and Mrs. I. C. Archibald; Square and Compass, Evangeline Masonic Lodge; Design, Sunbeam, I.O.O.F., Middleton; Design, Bros. L. P. and L. S. and wives.

COLONEL ARTHUR H. BISHOP  
A prominent resident of Annapolis County, Col. Arthur H. Bishop, died at his home in South Williamstown, Tuesday night, October 11th, at 10 o'clock, aged 59 years. Besides being a well known and prosperous farmer he was also very prominent in military service, having taken a deep interest in the volunteer service for over thirty-five years. He was a faithful member of the old sixty-ninth regiment and had held every position from private to colonel. He was a member of the Baptist Church and in politics was a staunch Conservative. He is survived by a widow, one son, Brinton, and one daughter, Doris, at home. He also leaves two brothers, Prof. Avar L. Bishop, a member of the Yale University staff, and William B., a representative of Greenshields, Montreal, and three sisters, Mrs. A. F. Dodge, Middleton; Mrs. Laura West, Lawrence town; and Mrs. E. C. Shaffner, Williamstown.

The funeral took place from his late home Thursday afternoon, the services being conducted by Rev. A. H. Whitman, pastor of the Lawrence town Baptist Church. The pall bearers were J. L. Shaffner, A. F. Morse, Harry Bartheaux and Frank Fitz-Randolph. The floral tributes were beautiful. Colonel Bishop had a large circle of friends, was highly respected by all who knew him and his death is keenly felt, especially in the community in which he resided.

MRS. CARL NICHOLS  
At her home in Deep Brook, October 9th, Nellie Clements Nichols, age 29 years, after a lingering illness, heard her Saviour's welcome into the Father's house in order that where He is she might also be. A very large number of relatives and friends gathered at her late home on Tuesday afternoon to pay their last tribute of respect to one who had through her patient and cheerful disposition endeared herself to all who knew her. The service was conducted by Rev. A. W. L. Smith, rector of St. Matthew's Church, of which she was a valued member. The scripture selections, Matt. 11; 28-30, "Come Unto Me, AM Ye That Labor and are Heavy Laden, and I Will Give You Rest," "Take My Yoke Upon You, and Learn of Me; for I am Meek and Lowly in Heart; and Ye Shall Find Rest Unto Your Souls. For my Yoke is easy, and my burden is light. The choir sang "Gathering Home One By One," "Pony to Face," and "Perfect Rest." The floral offerings were many and beautiful. She leaves to mourn their loss a husband and little daughter Nellie Manning, by her first husband, and several brothers and sisters in England. Interment took place in Mt. Hope cemetery, Bear River.

THOMAS E. POTTER  
On Sunday morning word was received that Thomas E. Potter, of Upper Clements, had entered into rest during the night, having been ill since last January. The deceased who had lived a christian life was 54 years of age, son of Mr. and Mrs. John

## PAROCHIAL MISSION IN ST. JAMES CHURCH

Commencing next Sunday and continuing for a week, the Rev. Canon G. Osborne Troop will conduct a Parochial Mission in St. James' Church, Bridgetown, (Sunday, Oct. 23rd, to Sunday, Oct. 30th inclusive).

REV. CANON G. OSBORNE TROOP

Canon Troop is a native of Bridgetown, born here 67 years ago. Since entering the ministry over forty years ago, he has occupied important and fruitful pastorates. A few years back he resigned his last Canadian charge—St. Martin's, Montreal, and went to England for rest and change. Since his return, although living in Halifax, he has been giving his services very largely to Parochial Mission work and wherever he has been his name has become a household word.

He comes to Bridgetown fresh from a Mission in his old parish of St. Martin's and writes—"It seems a wonderful call from God to re-visit the scene of my boyhood as His messenger in His message."

All who have come in contact with Canon Troop speak of his wonderful fervour and winsome personality. As well as being a preacher of note he has written considerably and the same note stands out in all he writes. The services on Sundays will be at the usual hours. Each week day (Saturday excepted) there will be a "Bible Reading" in the afternoon at 3.30, and a general Mission service in the evening, commencing at 8 o'clock.

Potter, Clementsvale, living with his parents at home until 1885, when he married Miss Theresa Pyne, and moved to Upper Clements; she predeceased him in 1891. There were three children from this union: Orin C., in Nokomis, Sask.; Orlis W., Upper Clements, and one daughter, who died. The second wife was Miss Florence May Whitman, by whom were five sons and one daughter: Leslie A., Ezra D., and Leona (Mrs. Harry Ruggles), residing at Nokomis, and Fred, at home with his mother; one son dying in infancy. The funeral was held Tuesday with interment at Clementsvale, the services being conducted by Rev. A. M. McNitch, pastor of the Clements Baptist Church. Among those at the funeral were several relatives and friends from Bridgetown.

REV. A. T. DYKEMAN  
Rev. A. T. Dykeman died at the home of his daughter, Mrs. G. C. Warren, at the Brunswick street Baptist parsonage, Frederickton, Tuesday morning October 11th. He was 67 years of age, born at Jemseg, on May 31st, 1854.

Rev. Mr. Dykeman was father-in-law of Rev. G. C. Warren, pastor of the Brunswick street Baptist Church. Mrs. G. C. Warren, formerly of Bridgetown, is an only daughter. Rev. Mr. Dykeman was a graduate of Acadia University, and had been in the Baptist ministry since 1881. His last charge was Zion Church, Yarmouth. Prior to that he had been pastor in New Brunswick, Nova Scotia, Ontario, Quebec and Massachusetts. Interment was made in Frederickton.

Mr. Dykeman had also been pastor of the Digby Baptist Church, was an Oddfellow and performed the duties of Chaplain when the corner stone of the I.O.O.F. hall was laid in Digby July 1st, 1896. For several years he had spent his vacation at Smith's Cove, where he owned a summer cottage. His death will be keenly felt by a large circle of friends.

## A LETTER FROM OTTAWA

### Our Capital is Fast Becoming the Washington of the North

MR. EDITOR:

A few lines again to-day to give you a small outline how times in general are in this part of our fair Dominion. As like yourselves, down by the sea, there is considerable political prognostication being made of the outcome of the forthcoming elections, but the chaotic condition of the country at large makes the outlook somewhat nebulous. There is not the slightest doubt but what the National Progressive party will pile up a huge vote in Ontario and the three western provinces, but it is too early in the campaign to get a very clear line on the outcome in December, so I will draw the line at that. I notice that Messrs. Meighen and King are certainly vying with each other in who will hold the most campaign meetings. No doubt they are both anxious to put their respective platforms before the electorate, but they both cannot succeed, that is sure, and Mr. Crerar invades Ontario in the near future to place his platform before the electorate. He is a clever man and has a good cause to place before the voters. Many think he will win out, but honestly I think it will be a great mix-up when the ballots come to be counted.

Our beautiful autumn weather of all September and the first week of October has been succeeded by a rainy cold spell. Our first frost of the season occurred Saturday night, Oct. 9th. Jack Frost has been quite lenient to us this fall, but it is time now for him to make his annual debut, but still hope for a good show of fine weather yet. I suppose the farmers down through the Valley are still busy gathering in their great crop of fruit. It surely will be an enormous revenue to all those who have large orchards. The apple crop is not very large in Ontario, but I believe British Columbia has a large yield, so between the extreme east and west we are hoping to get some to tide us over the winter.

The tower on our beautiful parliament building is slowly climbing heaven-ward, and when completed will be the most picturesque piece of architecture on the continent of America and all Canadians will take just pride in viewing its beautiful proportions. A unique feature when completed will be a complete chime of bells, and experts from Europe have been consulted in what will be the best. Our Capital is fast becoming the Washington of the North. New and palatial buildings are being erected which are hard to excel in any city. Our driveways are on an elaborate scale and are being added to every year, then our parks, over forty in number, are very beautiful. But nothing is too good for the Capital of our young nation. The city is being built for future generations to gaze upon and I'm sure every citizen from Charlottetown to Vancouver will be justly proud of this, our capital city of this fair Dominion of Canada. But Ottawas do not exist solely for the beautiful or the esthetic. The moral and religious side is well looked after by our different denominations, our churches are largely attended and suffice it to say, our dear Rev. Dr. Marshall can more than hold his own with any of them. He is regarded by many as the premier pulpit orator of Ottawa.

For fear I am making this letter too long, and occupy too much space, I will close for the present, but before doing so I wish once more to mention the prompt receipt of your valuable and able local paper. Its pages are scanned with the same degree of interest as ever.

Sincerely yours,  
H. W. M.

"IN MIZZOURA," NEW WARWICK PICTURE, FOUNDED ON FACTS

Famous Train Robbery Gave Augustus Thomas Facts For Thrilling Plot.

Much has been written about realism on the screen, but the whole plot of "In Mizoura," the new Paramount-Artcraft picture starring Robt. Warwick, which will be shown at the Primrose Theatre, Friday and Saturday evenings, next week, is built

around a startling incident that happened in that state several years ago. The author, Augustus Thomas, was at that time a reporter on a St. Louis paper. A train robbery took place in which a lone highwayman held up the express messenger and stole several thousands of dollars. Afterward he was captured. Mr. Thomas took this affair and, with his dramatic genius, incorporated it into a play, along with an unusually appealing little love story. The late Nat Goodwin used it for several years as a starring vehicle. It was inevitable that a play of such force and appeal should reach the screen. Robert Warwick is said to fit ideally into the role of the hero, and Eileen Percy is a pretty leading woman. The cast also includes Noah Beery, Monte Blue, Gertrude Short and Robert Cain. Hugh Ford, master director, handled the screening of the picture. Benlah Marie Dix, who pictured "Secret Service" and "The Woman Thou Gavest Me" wrote the scenario.

## ORDER OF THE EASTERN STAR

(Written for the Monitor)

One of the best functions this season was the banquet given by Port Royal Chapter No. 1 of the Eastern Star to Annapolis Royal Lodge No. 33 A. F. and A. M. at their banquet hall, Annapolis, on Friday night, Oct. 7, at which about 150 guests were present. The Order of the Eastern Star was instituted at Annapolis Royal but a few months ago with 27 charter members and its popularity has so increased since its institution, that it now numbers over 50 members and propositions for membership are being received every night of meeting, not only in Annapolis, but from sister towns.

The Order of the Eastern Star is an adjunct of Masonry, and has a large and ever increasing membership in the United States and as a matter of fact has chapters of the Order not only in every State, but also in every town of any size in all the States of the Union and in Montreal, Quebec and other Provinces, including Prince Edward Island.

In order to become a member of the Eastern Star the applicant must be a person of good moral character in the community where they reside, and give assent to the truths of the Bible, "The Great Light of Masonry," and be the wife, daughter, sister or mother of a Mason in good standing, and by means of signs of recognition can make themselves known to the fraternity and if necessary receive aid and assistance especially in travelling and the Order fosters friendship and good will.

Masonry as is generally known opens wide its doors to receive all Nationalities, Creeds and colors, and its warm and sympathetic heart beats faster in anticipation of the time "when man to man the world over shall brothers be and all that," when the war drums cease to beat and Nations shall live and dwell in Amity, Concord and Peace and thereby shed a brighter lustre on their splendid character.

## ST. CROIX COVE

Capt. Edwin E. Hall, Brockton, Mass., visited relatives here the 13th. Mr. Bradford Poole and daughter Kathleen visited the home of Mr. Emerson on Tuesday.

Mr. Lester Hines and Miss Wynona Brown, Mt. Rose, were recent visitors at the home of Mr. and Mrs. Joseph Hall.

A lazy man's idea of exercise would be to go around a golf course in a fiver.

## THE FISHERMEN'S INTERNATIONAL

### Schrs. Bluenose of Lunenburg and Elsie of Gloucester, the Contestants for the Cup

The Gloucester, Mass., schooner Elsie ably captained by the redoubtable "Marty" Welch, a Digby boy, is queen of the American fleet, winning the elimination contest at Gloucester last Friday, defeating her nearest competitor the Ralph Brown by 11 minutes 21 seconds. The Arthur James was third, 3 minutes, 42 seconds behind the Brown, with the Elsie G. Silva a bad fourth, and the Phillip P. Manta distanced.

The Lunenburg schr. Bluenose, Capt. Angus Walters, won the elimination races off Halifax last Saturday and Monday and has therefore been selected to meet the Elsie in the International races to be commenced off Halifax next Saturday morning. The following is the result of Saturday's race:

Vessel	Points Gained	Elapsed Time
Bluenose	8	5:26.18
Canada	7	5:40.26
Alcalá	6	5:42.26
Delawana	5	5:47.07
Independence	4	5:52.42
Donald J. Cook	3	6:01.20
Uda R. Corkum	2	6:17.06
J. Duffy	1	6:25.22

(Course Number Two, 39.85 Miles.)

## MONDAY'S RACE

Vessel	Time Points	Total
Bluenose	4:30.33	8 16
Delawana	4:46.55	7 12
Independence	4:50.25	6 10
Uda R. Corkum	4:51.18	5 7
Alcalá	4:54.25	4 10
Donald J. Cook	5:04.05	3 6
Canada	5:13.35	2 9
J. Duffy	5:18.00	1 2

The standing of the vessels in the two-race series is therefore: Bluenose, first, winning \$1,000 prize money and the Nova Scotia trophy; Delawana, second, \$700; Alcalá and Independence tied for third money, \$500, the winner to be decided by a special race between the two vessels, the loser to take fourth money, \$400; Canada, fifth, \$400; Uda R. Corkum, sixth, \$400; Donald J. Cook, seventh, no prize money; and J. Duffy, eighth, no prize money.

(Course Number One Monday 39.85 miles.)

While the people of Bridgetown naturally favored the schr. Canada, owned by Capt. Joseph Conrad, of Clarence, the MONITOR, like Capt. Conrad, wanted to see the best vessel win. It now looks as if Capt. "Marty" has got to go faster in the Elsie than he did in the Esperanto in order to take the cup back to Gloucester this year.

I SUFFERED FIVE YEARS

Finally Was Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Paris, Ont.—"For five years I suffered from pains caused by displacement of my organs and in my back. All of this time I was unfit for work and was taking different medicines that I thought were good. I saw the advertisement in the papers of Lydia E. Pinkham's Vegetable Compound and took it faithfully. I am now in perfect health and do all my own work. I recommend it to others, and give you permission to publish this letter in your little books and in the newspapers as a testimonial."

Why women will continue to suffer so long is more than we can understand, when they can find health in Lydia E. Pinkham's Vegetable Compound. For forty years it has been the standard remedy for female ills, and has restored the health of thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, irregularities, etc.

Miss Olive Atlee returned to Halifax last week to resume her studies at Dalhousie University.

Mrs. R. S. Fortier and two children left with Miss Catharine Fortier last week for England via Montreal.

Misses Alice and Ruth Harris returned Monday from Rothesay, New Brunswick, where they spent their vacation.

Mrs. Henrietta M. Chaplin is here from Monson, Maine, to visit Mrs. L. D. Shafner. Mrs. Chaplin spent last winter in Iowa.

The marriage of Miss O. A. Harnish and Mr. Marshall is announced to take place next Wednesday morning at the residence of the bride's parents, Lequille.

C. L. G. Hervey was in town yesterday settling the fire claims of losers who were insured in the Commercial Union, the leading company which he so successfully represents.

An interesting find of an article lost in the fire was that of one of the medals won in the war by Frank Wood. His two medals were in the house. What became of them of course no one knew until Frank received a letter last week from a gentleman in Washington, D.C., stating that he had picked up one on the street in Digby the day after the fire and if Frank were still here he would send it to him as it bore his name.

OCEAN FISHERS SAFE ON SHORE

Advices from Norfolk, Virginia, sent by Joseph H. Engle, who was in command of the sixteen-foot Veteran, which left Halifax some months ago, accompanied by Arthur Sprague, in an endeavor to sail to Vancouver, stated that the boat capsized in a heavy squall five miles off Point Judith, R.I., last Wednesday, and that they were picked up by the tug boat Prudence, bound to Norfolk.

Strong head winds prevailed, making the voyage a very slow one and the boat did not arrive at that port until Sunday. The message stated that they lost everything, including their identification papers, which makes their presence in that city an embarrassing one.

CUT PRICE OF BREAD

Montreal, Oct. 10.—Several bakeries cut the price of bread to-day, both wholesale and retail, following the recent decline in the cost of flour, which dropped 20 cents on October 3rd, 20 cents on October 5th and 20 cents again on October 6th, making a total reduction for the month to date of 60 cents, and bringing the price of Five Roses to \$8.10 per barrel, and of Harvest Queen to \$7.60 per barrel.

Under the revised prices, the 1 1/2 pound loaf of bread sells retail at 10 1/2 cents plain and 11 1/2 wrapped. Plain cake is also down to 15 cents per pound.

CONFESSES DROWNING WIFE

Detroit, Mich., Oct. 10.—Herman Rademacher confessed tonight, according to Allen W. Kent, assistant prosecutor, that he murdered his wife last Tuesday by throwing her over the railing of Belle Isle bridge into the Detroit River, where she was drowned.

The act, Rademacher said, followed a quarrel while he and his wife were out walking in the park. He had been held on a charge of murder since Mrs. Rademacher's body was recovered Saturday.

SHOOTING IS RENEWED ON BELFAST STREET

Belfast, Oct. 10.—There was renewed shooting in Seaford street, East Belfast, this afternoon, creating a turmoil in the district.

The previous disturbances originated in an attack on Nationalists and Sinn Feiners engaged in tramway track re-construction and the workmen were replaced by Unionists. To-day the latter reached a Sinn Fein locality in the track laying work and vigorous reprisals were taken.

GIRL IN AUTO TAKES POISON

Montreal, Oct. 9.—Stated to have become dependent over a love affair, Mary Rifman, 18 years old, of 487 Clarke street, ended her life to-night while out driving in an automobile with a girl and man friend. She swallowed a quantity of creoline mixed with carbolic acid and died almost as soon as she entered the General Hospital to which she was driven as soon as it was discovered that she had taken the poison.

EMPIRE BONDS STRONGER THAN EVER

The Duke of Devonshire, in a speech at Chatsworth recently, said: "Within the next few months an election will take place in the Dominion of Canada." "Many great issues will be thrashed out, but there is one question which will not be raised, and that is the relationship between Canada and the Old Country."

WHAT CAUSES SO MUCH SICKNESS

Constipation Responsible for 90% of Disease  
"FRUIT-A-TIVES" Corrects It

It is generally recognized among the medical profession that Constipation or Insufficient Action of The Bowels, produces more disease than any other one cause. Constipation is responsible for at least 90% of the disease in the world today—because Constipation is responsible for the Indigestion and Dyspepsia—the nervousness, Insomnia and Rheumatism—the Eczema and other skin troubles—the Headaches and Backaches.

Why is this?  
As you know, it is the duty of the bowels to carry off the waste matter in the system. If the bowel muscles are weak or the liver inactive, then this waste matter remains in the body and poisons the blood. As a result, every organ in the body is poisoned by this waste.

"Fruit-a-tives" has been wonderfully successful in relieving Stomach Troubles, Nervous Troubles, Liver Troubles, Kidney Troubles, Skin Troubles and Blood Troubles, because "Fruit-a-tives" positively and emphatically relieves Constipation. "Fruit-a-tives" will always relieve Constipation, even though the trouble has been chronic for ten, fifteen and twenty years. Thousands of grateful users proclaim "Fruit-a-tives" the greatest remedy for Constipation that the world has ever known.

**BRADY SAYS STRIKE WOULD SUIT THE C. N. R. SPLENDIDLY**

Ottawa, Oct. 14.—The question of wage reductions as affecting the lower paid employes of the Canadian National Railways will in all probability be referred to a board of arbitration, as a result of the stand taken by F. P. Brady, advisor to the National Railways executive before the board of conciliation which met this afternoon. A previous session of the board a few days ago was adjourned in order to allow the representatives of the railways and the employes to negotiate to a further extent.

Mr. Brady agreed to the withdrawal of all suggestions of a revision of the schedule of working conditions, but refused to consider any alterations of the scale of wage reductions which the company made effective on July 16th last.

The representatives of the employes maintained that the reductions in the case of the lower paid men were improper.

Mr. Brady replied: "There is nothing we would like better than for you fellows to go on strike. It would suit us splendidly."

A. R. Mosher, grand president Canadian Brotherhood of Railway Employes, replied: "As long as a legitimate course of opposing wage reductions in their present form is open we will not go out on strike."

A WOMAN AGED 100 BORN IN ANNAPOLIS

Mrs. Sarah Ann Burns Descendant of Loyalists—Another Woman in Massachusetts Enters On 104th Year.

Boston, Oct. 12.—Mrs. Sarah Ann Burns, probably the oldest woman in Newton, Thursday observed the 100th anniversary of her birth, at the home of her son, Arthur S. Burns, Newton Highlands. Beyond the informal visit of relatives and close friends no observance of the occasion was planned. Mrs. Burns is in excellent health, and her faculties are unimpaired, with the exception of slight deafness.

She was born in Annapolis, N.S., and is the daughter of William Jones, who was well known in New York as a Loyalist. He left New York to settle in Annapolis. His wife was Sarah Pickup. Mrs. Burns was the wife of Michael Burns, whose father was also a New York Loyalist, who made his home in Annapolis, and she lived there until his death at the age of eighty-six years, which occurred about twelve years ago. She then came to Massachusetts, and for the past three years has been a resident of Newton.

At the Mount Pleasant Home for Aged Men and Women on Elm Hill Avenue, Roxbury, Miss Annis Stone, since November 15th, 1909, a member of the household of that place, welcomed her host of friends at a reception given in her honor at the home, late Wednesday afternoon, in celebration of her one hundred and third birthday.

A WOMAN'S HEALTH NEEDS GREAT CARE

When the Blood Becomes Watery a Breakdown Follows

Every woman's health is dependent upon the condition of her blood. How many women suffer with headache, pain in the back, poor appetite, weak digestion, a constant feeling of shortness of breath, pallor and nervousness? Of course all these symptoms may not be present—the more they are the worse the condition of the blood, and the more necessary that you should begin to enrich it without delay. Dr. Williams' Pink Pills are a splendid blood-building tonic. Every dose helps to make better blood which goes to every part of the body and brings new health to weak, despondent people. Dr. Williams' Pink Pills are particularly useful to girls of school age who become pale, languid and nervous. There can be neither health nor beauty without red blood which gives brightness to the eyes and color to the cheeks and lips. Dr. Williams' Pink Pills build up the blood as is shown by the experience of Mrs. Jos. E. Venlotte, West Northfield, N.S., who says: "For several years I was in a bad state of health. I was pale and nervous, my appetite was poor, and I suffered from weakness, headaches and a feeling of oppression. I got so nervous that I was afraid to stay in the house alone. All this time I was taking medicine, but it only did not help me, but I was growing weaker. Finally I decided to try Dr. Williams' Pink Pills, and after using six boxes I felt much better. I had a better appetite, slept better and felt stronger. However, I continued taking the pills for a couple of months longer and now I am feeling as well as ever I did. I give all the credit to Dr. Williams' Pink Pills, and hope that my experience may be of benefit to some other weak woman."

You can get Dr. Williams' Pink Pills through any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

**MINISTER GUILTY OF FEE SPLITTING**  
Performed Two Hundred Marriages In Two Months.

Wilmington, Del., Oct. 15.—The Rev. R. T. Western, a retired Methodist Episcopal minister of Elkton, Md., has been dismissed from the church after conviction on fourteen counts by an ecclesiastical jury. Chief among the charges were trafficking in marriages, splitting fees and conduct unbecoming a minister.

Mr. Western, who acted as his own counsel, made no attempt to deny the allegations, members of the jury said. He testified that he had "split fifty" with jitney drivers on his fee, ranging from \$2 to \$10, for performing marriage ceremonies. Since Aug. 1st he said he had performed about 200 such ceremonies.

Mr. Western said that he would ignore the conviction. He says he is a member of the Montana conference and denies the authority of the Wilmington body to dismiss him.

England, France and Germany now have commercial and passenger airplane service daily operating over a number of routes.

ENTERPRISE PIPELESS FURNACE

ONE TON IN THREE IS WHAT YOU CAN SAVE WITH A PIPELESS FURNACE—and it burns any old kind of fuel—hard or soft coal, wood or coke.

With Pipeless Heating the entire system is in the cellar but all the heat is in the house. Not a degree is wasted or absorbed by cellar pipes, none is thrown off around the furnace, and your cellar is always cool—just right for storing fruits and vegetables.

You can change to Pipeless Heating in a single day—there is nothing at all to the installation. If we start today, we'll be through tomorrow and your heating troubles will be ended. No matter what next winter has in store, you'll be warm and comfortable.

We have not the space to say all we'd like to in this advertisement, but if you'll call in, we'll turn the furnace inside out for you.

Sole Agents for Bridgetown

Made in Canada.

On Monday, October 3rd, our salesmen started out with a complete price list of all the "Made at Windsor, N.S." fertilizers for the spring of 1922. We cover the entire Provinces of Nova Scotia, New Brunswick, Prince Edward Island and the eastern counties of Quebec.

Our fertilizers are essentially a "Made in Canada" product, and at this time with an unusual amount of unemployment every industry giving employment at home must be supported.

There may be some things which must be imported because not made here. There are others which because of either the price or quality preference is given to imported goods, but none of these reasons apply to "Made at Windsor, N.S." fertilizers.

No imported fertilizers can be brought on a more favorable basis than ours as to quantity price or quality. It is impossible to buy a better fertilizer than the "Made at Windsor, N.S." brands at any price. They are made from the best raw materials, properly mixed, well ground, rightly cured, and can be put on evenly, whether by hand or with a fertilizer sower.

We want agents either dealers or farmers in all territory where we are not now represented.

Write to us and our salesman will see you or we will quote from our head office.

LAMPS FOR VEHICLES

Owners of all vehicles, whether drawn by horses or oxen, ought to seriously consider the advisability of carrying lamps for their own safety after dark whether the law in this regard is enforced or not.

Several years ago the editor of the MONITOR brought this matter up before a meeting of the Western Nova Scotia Board of Trade, but nothing has since been done to enforce such a law which must come into effect in the near future.

HOW TO REDUCE THE SALE OF INTOXICANTS

If all the towns would appoint clergymen as Vendors it would greatly reduce the list of prescriptions as it is astonishing how many church members who indulge regularly always want to hide the fact from the minister who they never fail to hear preach the gospel every Sunday morning and evening.

SOCIAL EVENT AT DEEP BROOK

One of the most pleasant events of the season was the reception of Mrs. Frank H. Dittmars at her home, the Sea Breeze House, Deep Brook, October 12th and 13th, when a large number of guests were served with a dainty lunch.

WOMEN'S INSTITUTE

Miss Helen MacDougall, Supt. of the Women's Institutes for Nova Scotia, will be in Lower Granville on the evening of Friday, October 21st, when a public meeting will be held in the Union Church at Goat Island, addressed by Miss MacDougall and other speakers.

Local Happenings

A slight shock of earthquake was felt in Yarmouth on Tuesday.

Men who talk much about the good old days have the nights in mind.

New Brunswick has voted for prohibition of liquor for personal use.

The new bridge from Annapolis to Granville is expected to be completed in December.

Miss Evelyn Hayden, Victoria Beach, has the editor's thanks for a beautiful bouquet of violets.

The D.A.R. engine house at Annapolis has been lengthened ten feet and the roof raised several feet.

The Bridgetown delegates have returned home from attending the Baptist Convention in Halifax last week.

The Baptist Sewing Circle will meet at the home of Mrs. J. W. Peters this (Wednesday) afternoon at 3 o'clock.

Mr. Grant Walker shot a deer Monday morning. Mr. Walker has the editor's thanks for the first deer steak of the season.

The MONITOR being strictly neutral, takes no part in the coming election. Its advertising columns, however, are open to paid advertising from either party.

A practice of the Initiatory degree will be held in Crescent Lodge I.O. O.F. to-morrow (Thursday) night, and all officers of the lodge are expected to attend.

The Court House dance hall was crowded with young folk Tuesday evening. Special music, which was furnished by the Serenader orchestra, of Halifax, was much enjoyed.

One of our local sports is now becoming the fact that while in the city he had not gone to a free concert, as the paper stated in reporting it, that the music was intoxicating.

Owing to a railway accident near Nictaux, last Wednesday's express on the Canadian Government Railway did not reach Bridgetown. A special arrived here Friday to take care of the freight shipments.

A miscellaneous shower was held at the home of Mrs. J. I. Foster Saturday night for Miss Hattie M. Wheelock who takes part in an important event at her home in Clarence at 10 o'clock this morning.

A Canadian record for haulage was established when a train three-quarters of a mile long, drawn by two of the largest engines of the C.P.R. service, with seventy-five cars containing eighty-five thousand bushels of grain, reached Fort William, Ont., recently.

ARMISTICE DAY "Buy A Poppy on Poppy Day" Red Poppies made by French orphans, will be sold throughout the Allied countries for Armistice Day. The Poppy of Flanders has been adopted by the Great War Veterans Association, and will be adopted by all the Veterans of the Great War, in all Allied countries, as the Flower of Remembrance, or Memorial Flower. The local branch of the G.W.V.A. will organize a "Poppy Day" for Saturday, November 5th, 1921. With the inspiration given by such a good cause, there should be a ready response from the public to assist in every way possible and to wear a Poppy on Armistice Day, showing an outward expression of sentiment. THREE WORTHY OBJECTS There are three most worthy objects which we hope to attain by this "Poppy Campaign," as follows: 1. To inaugurate the custom of wearing the POPPY as a memorial flower on Armistice Day, and thus cherish in perpetuity the memory of our sacred dead. 2. To provide local branches with relief funds to meet the distress which is certain to be occasioned by widespread unemployment during the coming winter. 3. To aid the orphan children of the devastated areas in France to become self-supporting by purchasing at a reasonable price, the replicas in silk of the Flanders Poppy which they are manufacturing. V. A. LLOYD, Secy.-Treas. BRIDGETOWN VULCANIZING WORKS Now is the time for you to get your old rubbers fixed. Why Must it Be Zam-Buk?

—because in skin troubles, Zam-Buk has this great advantage over ordinary ointments, salves and lotions. It is wholly medicinal and perfectly free from mineral drugs or animal fats. Zam-Buk is a highly concentrated herbal preparation, and owing to its unique composition possesses Soothing, Healing, and Antiseptic qualities of rare power. Zam-Buk also combines the three virtues of Simplicity, Effectiveness, and Safety. It is always ready for use, always reliable and absolutely pure. Doctors, Nurses, and Ambulance experts who have subjected Zam-Buk to practical tests declare it to be wonderfully effective in superficial wounds and obstinate skin diseases. It makes for the immediate alleviation of pain and burning skin irritation. It destroys skin disease at the roots without damaging the delicate flesh tissues. It gives instant protection against germ-infection and blood-poison and promotes the quick growth of healthy new skin. For Husband, Wife and Child, Zam-Buk is the perfect skin healer. Regular users declare it to be worth its weight in gold. 50c. all drug stores and dealers, or Zam-Buk Co., Toronto.

### Remarkable Change In This Man's Family

"I gained 12 pounds, my wife gained 26 pounds and my daughter is gaining day by day taking Tanlac. It's the biggest surprise of our lives and all our friends and neighbors are talking about it. This medicine has made a wonderful change in every one of us. Before I got Tanlac, I could hardly drag one foot after the other. I had indigestion perfectly awful. In fact we were all regular dyspeptics. We all swear by Tanlac now at our house. It ought to be in every home. It's the world's greatest family medicine."

The above statement was made by George L. Tessa, a well-known and highly respected Machinist, living at 83 Downing St., Buffalo, N. Y.

Tanlac is sold in Bridgetown by S. N. Weare and by leading druggists everywhere.

### SERIOUSNESS OF OUR TIMES

This is an age of pleasure seeking, luxury and extravagance. The young generation is speeding along taking advantage of every opportunity of enjoyment and less heed is paid to the more serious aspects of life. The times offer plenty to everyone, but few show pluck, energy and willingness to shoulder heavy burdens and responsibilities and carry the weighty problems of life. The modern inventions and conveniences offered in our every-day life are to a great extent an agency of destruction for the human race, because people are blind and don't know where to draw the line. There is no moderation, no judgment; the spirit gives way to the body; the temptations carry ruin to many and lead others astray. At every corner, at every point, the tempter holds out his hand and offers momentary pleasure.

Life is only worth living if the higher ideals and achievements in life can be attained. We are brought into the world for a purpose—to perform a duty, to work and elevate our mind, to conquer temptations, and grow up big and strong, mentally and physically. The great pain in life is to bring up a family and see it fall in the drugery of the sea of immorality and uselessness. It is a matter of concern to us all.

### WORTH REMEMBERING

Don't forget that your neighbor, though he differs from you politically, may be just as honest in his convictions as you, that this is a free country, where freedom of opinion is one of the biggest of the broad foundation stones of our government, and here would be an end of that form of government without it. Be tolerant, therefore, or rather not tolerant, but rational, patriotic and good-natured. Stand by your convictions and let your neighbor stand by his if so disposed. Keep cool. Argue politely if you will, but do it calmly and reasonably, and bear this fact always in mind, that just as you have made up your mind unalterably as to the way in which you will vote, ninety-nine hundredths of the voting population has done the same.

### FOREST SURVEYS BY AIRPLANE

One of the officers of the Dominion Forestry Branch reported after his first airplane survey trip: "This was my first opportunity to inspect from the air any extent of green timber, and I was amazed at the detail which it was possible to cover in the time allowed by a single flight over the territory. There was no difficulty whatever in distinguishing clearly every species of trees on the ground."

### KILLED WHILE DUCK HUNTING

Toronto, Oct. 14—Kenneth Rook, aged twenty-three, son of W. G. Rook, is dead as the result of a hunting accident in Muskoka. A gun, carried by Robert H. Cameron, former controller, was discharged accidentally. Young Rook received the contents in the side. The two were on a duck hunting expedition near Torrance.

### MARINE NEWS

Schooner Flora M., Captain B. E. Merriam, is at Annapolis Royal with hard coal from Jersey City.

Steamer Cananova, Captain Mundy, Annapolis, sailed from New York on Friday for Porto Rican ports.

Oil tank steamer S. M. Spaulding, Captain E. W. Spurr, Deep Brook, was 192 miles west of Sand Key at noon on the 15th.

The three-mast schooner Westway sailed from Belliveau's Cove Wednesday for Boston with a cargo of lumber shipped by her owner, Sidney Jones. Captain Will Brooks is in command.

Word received in Halifax states that the Weymouth tern schooner Edith Belliveau, Captain Bernard Bonenfant, from Campbellton, N.B., has arrived at Barbadoes with deck-load of lumber gone.

The three-mast vessel St. Clair Theriault, Capt. Hilaire LeBlanc, which has been loading potatoes at Belliveau's Cove sailed on Thursday for Meteghan River, where she will complete her cargo for Cuba.

The Halifax barquentine Maid of England, owned by F. K. Warren, has been chartered to load coal at Norfolk for Bathurst, at private terms and at the New Brunswick port loads baths for Philadelphia. On her last trip from Bathurst, she carried three million baths to New York and sailed from there on Saturday for Norfolk.

### SCHOONER LOST PART OF FALSE KEEL

Yarmouth, Oct. 10—The Barrington schooner Thomas and Robert, built and owned by Capt. Thos. Worthen and son Robert of the above place, was hauled out on the Yarmouth Marine Railway this afternoon, when it was found the schooner had lost about fifteen feet of her false keel. The accident happened a day or so ago when her owner was bringing the schooner to Yarmouth for Captain Ansel Snow, of Digby, who is to sail her during the fall haddocking season. When in the vicinity of French Point, the vessel struck what is known as Pals Rock. Fortunately she went right over the sunken ledge but started a severe leak. Capt. Worthen ran the craft into Deep Cove, found the leak, stopped it, and then sent to this port for a tug to ascertain just what damage his vessel had sustained. When pulled out this afternoon the full extent was revealed. When the vessel goes into the haddocking she will carry six double dorries.

### SPEAKS HIGHLY OF BABY'S OWN TABLETS

Once a mother has used Baby's Own Tablets for her little ones she is always pleased to speak highly of them to other mothers. She knows the good they have done her children and realizes that her experience should be of benefit to others. Concerning the Tablets Mrs. Fred Murphy, Charlottetown, P.E.I., writes: "I have used Baby's Own Tablets for the past eight months for my baby. I cannot speak too highly of them for they have been of great assistance to me in my first experience of motherhood." Baby's Own Tablets are a mild but thorough laxative which are absolutely harmless and may be given to even the newborn babe with perfect safety. They are sold by medicine dealers or direct at 25 cents a box, from The Dr. Williams' Medicine Co., Brockville, Ont.

### MAD BULL TRAMPLES ONTARIO FARMER

Cooksville, Ont., Oct. 19—Gored and trampled by a bull he was attempting to tie in a stable, Henry Death, a Middle Rose farmer, was terribly injured at noon on Saturday. His condition is critical.

The animal crushed Mr. Death against a wall and knocked him down. Two men with difficulty succeeded in pulling the man out of the stall. One of his legs was broken in two places, and he was terribly bruised all over.

### WELL OF WHISKEY

Knoxville, Tenn., Oct. 15—Police have discovered a "well" of whiskey in a residential section of the city. A small copper pipe from a copper tank sunk ten feet under ground enabled the owner to keep a supply of moonshine whiskey on tap at all hours.

The whiskey was forced through a faucet by a hand pump. The outfit was confiscated and the owner arraigned in police court.

### SIX INCHES OF SNOW IN AROOSTOOK

Bangor, Oct. 9—Motorists arriving here to-night from Aroostook County, reported a brisk snow storm in Northern Maine to-day. The fall at Maple and nearby towns was more than six inches.

T. J. White, of North Granby, Conn., claims to have grown the largest sun flower of the season. The flower is 13 feet 7 inches high.

### WHOOPIING COUGH

(Issued by the Department of the Public Health, Nova Scotia, 1921.)

Whooping Cough is one of the most prevalent of the infectious diseases in Nova Scotia, and during the period for which we have statistics has been accountable for more than half as many deaths as diphtheria, and for nearly three times as many deaths as were caused by scarlet fever.

While the disease is not greatly influenced by seasonal changes, in our province, the winter and spring months are those in which the largest number of deaths attributable to whooping cough are reported.

A very small germ is the cause of this disease. Usually a week or more elapses after exposure to infection before the first symptom is noticed. This symptom is cough, which at first is not characteristic, and which may not become spasmodic for ten days or more. The "whoop" may be still later in developing, but the disease should be suspected whenever a cough which cannot be otherwise explained develops in a susceptible person during a time that whooping cough is prevalent in a community.

It is most important that a patient suffering from this disease be isolated promptly, as whooping cough is most infectious during the earlier part of its course. After the paroxysmal (whooping) stage has lasted for a week, the period of greatest infectivity has passed.

The infection is spread chiefly in the minute particles of mucus which are sprayed out during attacks of coughing or sneezing. A piece of gauze or old linen should, therefore, be held over the mouth and nose of the patient during the act of sneezing or coughing, and should be immediately destroyed by burning. One is most apt to become infected by fairly close contact with a patient, as in a room, tram car or other conveyance. A third person is unlikely to convey the disease unless the discharges from throat or nostrils of a patient are carried on the clothing or exposed parts of the body.

The disease is especially fatal to young children. Nearly 60 per cent. of the deaths from this disease in Nova Scotia occur in children under one year of age, and nearly 80 per cent. in children under two years of age. Only six per cent. of the deaths are in those more than five years of age. It is, therefore, especially important to protect young children against the infection.

Second attacks are much more frequent than is commonly supposed. The immunity conferred by an attack commonly lasts for only a few years.

The control of the disease is rendered difficult because it so frequently escapes recognition until the "whoop" develops, by which time it is usually less infectious than earlier in its course. Unfortunately, too, many cases never come under a physician's observation. This is doubly regrettable, because a physician would not only take measures to prevent its spread, but might also be able to ward off the complicating conditions which are responsible for a large proportion of the fatalities attributable to this disease.

Patients who are suffering from the disease should be strictly isolated until at least a week has passed after the development of the "whoop." They may then be allowed to go out of doors but not to mingle with other children or to use books and toys belonging to others. They should be excluded from school until the "whoop" has quite ceased to occur. Other children of the family, unless they are brought into intimate contact with the sufferer, are unlikely to transmit the infection and need not be excluded from school.

The attention of parents and others is called to the fact that the Public Health Act requires that "when any householder knows that any person in his family or household has any infectious or contagious disease, he shall, within twenty-four hours, give notice thereof to the local Board of Health for his district and to the Medical Health Officer." Neglect to comply with this requirement renders one liable to a penalty of twenty dollars.

### IMPROVEMENT OF NOVA SCOTIA SHEEP

A sheep expert from Ottawa has completed a visit to most of the pure bred sheep flocks in the Province of Nova Scotia and has graded the males offered for sale into first class XXX, second class XX and third class X. The complete report of this grader may be secured on application to the Agricultural College. Parties wishing to improve their flocks can, by securing this report from the College at Truro, have a reliable report which will guide them in buying sires with which to improve their flocks. In this connection it may be mentioned that the Live Stock Branch of the Federal Department of Agriculture are still offering a bonus of \$10 to sheep breeders using pure bred males in their flocks for the first time.

Sheep breeders all over Nova Scotia should write to Truro for full information.

### A MOOSE HUNT IN NOVA SCOTIA

(P. W. Longmire, in September Rod and Rod)

After looking forward to the opening day of the season for months, at last the time draws near. My companions, Mr. B. and his son "OLD TRUSTY" (as he called himself) wrote me to make arrangements to go in the day before the season opened, but this was not necessary as I had been ready for a week.

However, the day before the season opened, we left for the woods at 6 a.m. with plenty of grub; each pouring forth smoke like a volcano, and wearing a real smile. Arriving at camp at 11 a.m., we soon got the fire going and had something to eat, which is one thing that is fully enjoyed in the woods. Afterwards we sent the team back, and taking our leanto and grub for two meals, we started for a place to "call" in the morning. That night it was as warm as a night in summer, but in the morning, the wind was blowing so hard it was of little use to try calling so we returned to camp and after resting a couple of hours, we filled our packs with grub, and started for new grounds, to spend a couple of days. That night "Old Trusty" our official caller, tried a few times but without results, and in the morning he again called without receiving any answer. After that, we decided to try still hunting for the day, but the leaves were still on the trees, and the moose were in the swamps, we did not see anything. That night we tried calling again. This time a cow answered and walked out past Mr. B. After this we returned to camp as we had seen no signs of bulls, and spent the rest of the day in camp.

The next morning we left camp at 5 a.m. and "Old Trusty" said, "I will call one out this morning or give up." We all had great hopes as the ground was white with frost, and everything was most favorable for calling. Arriving at the calling rock, which was on a hill over-looking small swamps and barrens, Mr. B. started to the west, to take up his position, and I was to go north a few hundred yards. Before we got very far "Old Trusty" gave the challenge. Stopping and looking back he gave me the sign to keep down, and at the same time I heard the answer, and the sticks breaking, so knew that the circus had opened. I don't believe that I will ever have an opportunity to witness a sight that can equal it as not two minutes elapsed that we could not hear him barking, and he sure knew how to break kindling wood. Twice he stopped but "Old Trusty" had his goat, and had no trouble to start him again.

Mr. B. by this time was back to the calling rock, as the moose was coming from the north-east. Being on low ground I could not see the moose, but saw Mr. B. put up his rifle, and the rifle move. I found out afterwards that he had not pushed the safety off, not being used to a hammerless rifle, however, after a few seconds he got straightened out, and fired, shot a little too high. He then pulled the slide back, and put up again to shoot, but had to have some assistance in order to get in to action, as he did not know what was the trouble. However, he placed the shot when he did fire, back of the shoulder. This of course did not take very long. While Mr. B. was jumping around and stating what he thought of the rifle, "Old Trusty" reached over and patting his father on the head said "Steady down, don't act like a school boy." While this was going on, I was on my way around a small swamp, and deposited a .33 soft nose in his hind quarters staggering him, as he went out of sight. When Mr. B. and I came up to him he was laying down, but jumped up. We each fired a shot at his neck which started him out of a clear spot. "Old Trusty" ended ed him. After extending my hand to "Trusty", I went back to the calling rock and got the ax and rope, with which we built a tripod and lifted him up. We left him there to cool until the following morning, when we quartered him and covered the meat with bags. When we arrived out of the woods the meat was as clean as beet. "Old Trusty" stated that although he could not do much shooting owing to having injured his right eye, and losing the sight, he never had a better time out hunting in his life; and said that should he live he would go out again next fall and he thought he would be able to do the trick again. We are all hoping that he can. I am having the horns placed on a shield as I will take a great pleasure in looking at them and recalling this trip.

Nova Scotia is sorely in need of wider roads because of the press of traffic and the vast and continued increase among motor vehicles—particularly in trucks.

# The National Crisis

"My appeal is to the whole people; to every man and woman who wants to do right by this country; to everyone who breathes the spirit of our fathers who founded this British Dominion."  
—ARTHUR MEIGHEN

**T**HE Election to be held December 6th will be the most momentous in Canadian history; for as men and women vote will depend the economic stability, the political stability and, indeed, the national stability of this country.

Today we find group striving against group, class against class, the industrial and financial structure of the country assailed by false and unsound doctrines and theories, while our great neighbour to the south has adopted a trade exclusion policy directed against Canada's vast agricultural interests.

The currencies of nearly every country in the world are depreciated. The Canadian dollar in the United States is subject to a heavy discount causing a loss of over one hundred million dollars in exchange annually.

Europe is overwhelmed with war debts—unemployment is acute—and the restoration to pre-war conditions is slow.

While Canada is in a much more favorable condition than many countries, yet there is evidence of stagnation, instability, unemployment and lack of confidence.

Taxes are heavy because of the country's efforts in the Great War, but have become burdensome on account of the misconceived policies and blunders of Governments that directed Canada's affairs prior to 1911.

These conditions are largely the direct aftermath of the war, but they must be dealt with fearlessly and constructively. This is no time to consider experimental changes, or the theories of visionaries.

This is no time for Crerar and his Free Trade policy.

This is no time for King and his wobbling "charted" policies, varying with each provincial boundary.

It is the time to cling to orderly, stable Government in the interest of all the people; to be guided by the experience of the past, proceeding upon lines that have been proven sound.

It is the time to place the destinies of Canada again in the hands of a Government led by a sane, courageous Canadian who has safely brought the country through the trying years of reconstruction, and upon whom we can rely to retain and initiate policies in the interest, not of a group or class but of all the people.

It is the time to support Arthur Meighen and his Candidates.

### ANNAPOLIS ROYAL

(Spectator)  
Miss Frances Dargie and Mrs. F. W. Pickels left last week for a trip to Boston.  
Mrs. R. P. Saunders left on Friday for St. John, where she will spend the winter.  
Mr. and Mrs. F. C. Rice, of Annapolis, spent the week-end in Annapolis at Mr. Rice's old home.  
Rev. W. H. Langille was in town from Bridgetown Monday calling on old friends and looking as if he liked it.  
George Rice and family have moved into the new cottage built by W. H. Edwards near the foot of St. James street.  
Mrs. Marion G. Harris, who spent the past three months in Boston under special medical observation, has returned.  
Mr. and Mrs. Avard Reed, of Granville, are receiving congratulations on the 20th anniversary of their wedding which will be celebrated next Monday.  
Miss Leah Harris and Miss Anna Harris left last week for New York to be present at the wedding of George Harris on October 22nd. Miss Leah will spend the winter in Europe probably stopping for the most of the time in the South of France.  
Leonard S. McLean, chief of the de-

partment for the suppression of insect pests of the Dominion Entomological Service at Ottawa, was in town this week consulting with Mr. Sanders at the Laboratory here in regard to best methods as they have been evolved in Nova Scotia.  
Just to show that even the lanterns which now do duty as street lamps are not sacred from theft, one of them was found the other night to be walking off in the direction of Granville when it was halted by a special constable with a revolver whose emphatic remarks resulted in recovery.  
Judge Grierson was here Wednesday and held County Court for the cases of Fred and Leonard Melanson, charged with stealing goods from the fire. They were sentenced to pay costs and serve two years' imprisonment, enforcement of prison service being suspended, however, on good behavior.  
The giant new 56,000 ton *Majestic* is now being finished at Hampton for the New York-Southampton-Cherbourg route next spring. She was begun by the Germans as the *Bismark*. The *Majestic* is 2,000 tons larger than the *Leviathan* and 10,000 tons larger than the *Olympic*.  
The American House, Middleton, is undergoing repairs.

## IT'S GOOD TO FEEL WELL!

### Redmac, the Restorer of Health

If you are fagged out at night or have pains across the back and your face looks pale and drawn, REDMAC will put you on your feet.

When you find yourself nervous, irritable and easily upset, when you can no longer do your day's work without being all in, do not wait till you go all to pieces, and collapse in a state of nervous prostration, or until in a weakened condition, you contract some serious disease, but take REDMAC at once to help to enrich your blood and to strengthen your worn-out nerves.

If you are not strong or well, you owe it to yourself to make the following test: See how long you can work or how far you can walk without being tired—next take REDMAC for a few days. Then test your strength again, and see how much you have gained.

### You can have all these helps on the farm

In the best lighted farm homes, brilliant, clean electric light floods every room, cellar, stairways, stables, and other buildings at the touch of a button. These folks also have running water in bathroom, laundry, kitchen and outbuildings by turning a tap. No one turns the separator, grindstone, fanning mill, or churn—the "F" Power and Light Plant does all these jobs as quickly and easily as it pumps water.

The womenfolk are not slaves to the wash tub, and there are no lamps to fill and clean—the "F" Plant ends such drudgery. They save time and labour by using an electric iron and vacuum cleaner. The farm help is contented, does more work and becomes attached to the place.

You can live under the same happy and prosperous conditions.

Call in the first time you are near and learn how the "F" Power and Light Plant will save dollars, and work for you.

## Two of the Ever Said sure

Again we are on the Dominion Expositor's route to the witness what has become the international annual marine fishing schooner race between the United States for the cup presented by the Halifax Herald.

Among the passengers were many men, and perhaps a few who were going to the city for some purpose. The general opinion was that the race was a fair one, and the merits of the schooner, of Lunenburg, Nova Scotia Canadian representative and the Elsie, of Gloucester, Mass., the States defender.

Before arriving in Halifax the received an invitation to attend dinner with a number of Dominion Atlantic Railway officials at the Club. This was certainly a pleasant event which was greatly enjoyed after-dinner speeches and stories the funny incidents which occur the every day life of the passenger and freight departments of a busy system were both interesting and amusing. In the response to guests' the military draught press were represented.

After dinner, which occupied greater portion of the evening, the MONITOR enjoyed an interview with Capt. "Marty" Welch, the Elsie at his room in the ton Hotel, where old time incidents of boyhood days around Digby along St. Mary's Bay shore were recalled. We talked about events in the Bay of Fundy, related to such gentlemen as Mr. H. B. manager of the Maritime Fish Corporation, the late Capt. Howarderson, and present men of the industry—Mr. Frank L. son, Capt. Joseph B. William, Ansel Snow and not forgetting Mary's old ship mate, Capt. Cassey.

After visiting the Herald Chronicle office and meeting newspaper friends in the editor's parlours, such as Messrs. Edgewood, Capt. Wm. Murray and J. T. Elsie of the Herald; Messrs. A. Donald, H. W. Jones, and Tom of the Chronicle and Mr. A. D. Atlantic Supt. of the C.P.R. Press, the latter, a Digby boy, has certainly made good in his province, without going away to build up another country as too many of our boys have done in the past. We were asked to visit "eggs" in the Halifax Hotel where we found Banks, owner of the Boston Comfort and a party of Mass. and Nova Scotia friends, the most of the latter from Windsor, genial host "Banks," his part-
