The copy filmed here has been reproduced thanks to the generosity of:

Nova Scotia Public Archives

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Nova Scotia Public Archives

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

### THE DOCUMENT.

To the Right Honorable, the Lords of the Admiralty :

MAY IT PLEASE YOUR LORDSHIPS--

I, the undersigned merchant, ship-owner and inhabitant of the city of Halifax and Nova Scotia, fearing the possibility of any renewal of the expiring contract for the conveyance of the mails between this city and the British Isles by steamer, respectfully beg to draw your attention to the following facts:

That there now exists opportunities for postal steamer communication with the British Isles by way of the United States at least thrice a week, and that to pay for even a weekly direct communication from this is of no possible communication whatever.

That any subsidy so paid is nothing less than a subsidy in another form for merchandize traffic, and by heavily handicapping legitimate traders, is a serious interference with private enterprizes.

That your petitioner has had large amount invested in wooden vessels engaged in carrying trade between the two countries which has been most injuriously affected by undue competition with subsidized companies :

That the increased trade between the two countries would give employment to the Nova Scotia shipping which now seeks employment in the carrying trade of foreign countries :

That your petitioner has large amounts invested in the carrying trade between the two countries which has been injuriously affected by undue competition with subsidized companies :

And, they therefore pray that your lordships will not sanction the renewal of the present expiring contract, or the making of a new one ;

And, as in duty bound, your petitioner will ever pray.

A. G. JONES & CO.
