The copy filmed here has been reproduced thanks to the generosity of:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaires. Les diagrammes suivants illustrent la méthode.

DOORS open for matinees at 2 p. m.; curtain rises at 2.30 p. m.

Evenings.—Doors open at 7.30, and curtain rises at 8.15 p. m. sharp.

Tickets can be reserved two days in advance without extra charge.

Office open from 9 a. m. to 9 p. m.

Seats can be secured by mail, telegraph or telephone. Telephone 732.

Seats ordered by Telephone or in Person, and not called for by 7.30 o'clock on the night of performance, will then be sold to avoid loss to the Theatre.

Physicians are requested to register at the Box Office, leaving seat number, as this will enable Ushers to find them, if called for, without disturbing the audience.

Children in arms not admitted to evening performances. Children three years old or over, full price.

Patrons will confer a favor by reporting to the management any incivility or inattention on the part of the employees, and annoyances of any nature.

If the individual members of an audience would stop to think for just an instant, they would undoubtedly appreciate the fact that the habit of rising from their seat and leaving the theatre before the curtain falls, is a most annoying one, and one that should be stopped. We therefore beg our audiences to kindly remain in their seats until the close of the performance.

Electric Cars will be waiting on Richmond St. for all parts of the City, at the close each performance.

Carriages can be ordered at the Box Office or of the Chief Usher.

For all lost articles, apply at Box Office.

It is strange, but there is a class of people that seem to take an intense delight in bespattering the floor with tobacco juice, and in being boisterous and using profane language. These people should know at once that the courts authorize their immediate expulsion, should the management see fit to exercise its rights.

WHAT HAROLD MEANT.

Mother—Every name means something—Harry, the bold, Charles, the brave, William, the good, Harold, the

Helen (starting from a reverie) — Harold—Oh, yes, Harold means business. He told me so last night.

When Your Coal Won't Burn!

This life is full of trials—
They strike us at each turn,
But the greatest of them all is

WHEN YOUR COAL WON'T BURN!

You may be dire afflicted,
And your troubles bravely spurn,
But you're bound to knuckle under

IF YOUR COAL WON'T BURN!

You may lend men money
Which they never will return,
But you'll swear great deal harder

IF YOUR COAL WON'T BURN!

There are dozens other troubles
In life's too brief sojourn,
But they fade away to nothing

WHEN YOUR COAL WON'T BURN!

P.S.—The moral is obvious: Buy good coal at Cameron's and be happy.

MARK TWAIN IN AFRICA.

Mark Twain has been telling the South African pressmen some yarns and cracking some jokes at his own expense. One of the latter is related by a Johannesburg paper. Mark was talking about South Africa's numerous recent afflictions. "Yes," he said, "you have had a fearful time here lately—what with wars, revolutions, rinderpest, locusts, drought—and me. I guess you can go no further with plagues. Now that I've come you must take a change for the better."

Victor Herbert and Harry B. Smith's charming comic opera, "The Wizard of the Nile," has captured Vienna, according to cable advices from the Austrian capital. It was produced there Saturday, Sept. 26th, and scored an immediate success. Inasmuch as this is the first instance on record of an American comic opera being produced in the German speaking countries, the honor is no small one. When it is further remembered that Vienna is the recognized home of comic opera, and the scene of the Strauss and Milloecker triumphs, the success of "The Wizard of the Nile" is a sincere tribute to the opera's merits.

THE SCORCHER.

"Why do they call a fast bicycle rider a scorcher, papa?"

"Because he goes a hot pace, makes pedestrians boiling mad, warms up the police and gets roasted in court. The scorcher thinks it a burning shame."

A REAL ESTATE JOKER.

An uptown real estate man had sent the facetious man to look at a house he said he wanted. The prospective tenant found it in need of extensive repairs, and went back to the agent's office.

"I didn't want a six-room house," he said solemnly.

"That isn't a six-room house," retorted the agent.

"Yes, it is."

"But I say it is not," and the agent began counting them: there's the kitchen, two bedrooms, reception-room and dining-room; that's five, ain't it?

"Yes, and there's room for improvement; that's six," added the facetious man, and wanted to see something else.

A CRANIUM CURE.

My friend lay tossing, wild with pain,
Upon his restless bed;
He rolled his eyes in agony,
And pressed his aching head.

I whispered low—he quick replied:
"I never thought of that;
E'en as you say, I'll go to-day
To GRAHAM THE HATTER, for a hat.

When next I saw him he was well
And free from every pain;
The Hat had wrought a perfect cure
Where physic's aid was vain.

And when o'er his ambrosial curls
I saw his Beaver shine—
Upon my sacred oath, I swear
I wished that Hat was mine.

Speaking about Tragedy!

There have been several narrow escapes in London recently.

A Broken Plank

was the cause. You possibly have a poor stretch of walk in front of your premises. Our Telephone No. is 653.

And Lumber is Cheap.

Before you place an order for Inside Finishing, remember that we have an elegantly equipped factory and a great reputation on that class of work.

GEO. H. BELTON
LUMBER YARD,
YORK STREET.

Honest instinct comes like a volunteer, sure never to overshoot, but just to hit, while still too wide or short of human wit.—Pope.

TOO MUCH.

Banns—You didn't know that I was once engaged to marry your wife, did you?

Danns—No; who broke the engagement?

Banns—I did.

Danns—Did, eh? (Smashes him, and pounds him within an inch of his life). There, now; if you ever play a trick like that on me again, I'll kill you the next time.

JAMIE'S OFFER.

Jamie is a bright-eyed boy who belongs to a family of seven children. He has an uncle living in the country twenty miles from his city home, and he loves to visit him.

Although he is only six, he shows great fondness for animals, and during his last visit he was much interested in a little calf there, and kept teasing his uncle to sell it to him to take home.

Finally the uncle asked: "What would you pay me for the calf?"

Jamie replied: "I haven't much money, but I could trade the baby for the calf, for we have a baby at our house most every year."

BEHIND THE TIMES.

Colonel—"Yes, that silver plate was handed down to me by my great grandmother, dear soul, who has been in heaven these sixty years."

Mrs. Parvenoo—"Bless me! How awfully behind the times they are up there, aren't they?"

A PLACE TO STAY IN.

"Kind sir," said the well-dressed stranger to a resident of the city, "is there a home for the friendless in this place?"

"Yes, there is; but you don't look as though you were forced to seek such a refuge."

"You must not judge by appearances, sir. I am a baseball umpire."

AN EFFECTIVE ONE, TOO.

Miss Kilduff—"How did Blanche manage to get a husband?"

Miss Kittish—"She utilized a matrimonial agency."

Miss Kilduff—"She surely didn't! What matrimonial agency did she utilize?"

Miss Kittish—"A hammock."

ECONOMICAL.

Bingo—"I shouldn't think you could afford to let your wife go to so many matinees."

Kingley—"Why not? It keeps her away from the dry-goods stores at least two hours and a-half."

Patrons of this Theatre will confer a favor by reporting any discourtesy on the part of employees, to A. E. ROOTE, Manager.

"Sir!"

That was the sound that he heard when he asked her for just one little kiss.

There was so much emphasis to the sound that came from her pretty lips that he longed to have the ground open and swallow him up.

"Cert!"

When she finished the word he at last realized that she was only a new woman somewhat given to slang.—

A GREAT POSSIBILITY.

We have discovered a plan to get around, or rather to get over, the tall wide theatre hat. It is simple, too.

Just have the ceiling of the theatre made of huge mirrors, then at any critical moment the unhappy wretch who was quarantined behind a mass of ostrich plumes could look up for help and get it, instead of wanting to call in the other direction for aid as at present he does.
