AUDIT OF PUBLIC ACCOUNTS.

THE BOARD OF AUDIT WILL SIT ON THE FOLLOWING DAYS :

Tuesday, January 13th.

Tuesday, July 7th.

Friday, April 10th.

Friday, October 9th.

Friday, Jan. 8th. 1892.

All accounts must be in the hands of the Clerk of the Peace not later than the first week of the quarter. Any account received after that time will be laid over till the next audit.

SUGGESTIONS TO MAGISTRATES AND CONSTABLES.

Inasmuch as Constables' accounts are often thrown out by the Board of Audit, owing to defects in the certificates of the Magistrates who vouch for the services performed, it is important that the following suggestions be carefully observed :

1. *All unnecessary portions* of the printed certificate should be struck out before it is signed, so that it will appear whether

- (a) The prisoner was *committed for trial*, or
- (b) Committed for a period certain, or
- (c) Discharged and
- (d) Whether he was admitted to bail.

Magistrates would greatly assist constables in obtaining payment of their accounts if they would see that the following requirements are observed when the accounts are submitted to them to be certified:

1. The *name* of the prisoner set out.
2. The *offence* with which he was charged.
3. The *mileage* to and from any particular place, giving the town, village, lot and concession of township, &c.
4. The affidavit to be made by the constable carefully filled up, and the *date* given in the *jurat*.
5. The day, month and year must be given for each particular item of the account.
6. Claims against the *County* not to be included with those against the *Government*.
7. As blank forms are now printed on quarter sheets, it is suggested that in criminal matters every case should have a separate sheet.
8. Claims in respect of *inquests* must not be included with any other claim.

Magistrates in making their quarterly returns to the Clerk of the Peace, will oblige by informing him at the same time of any Justices or Constables who have died or left the place since their last return.
