Christmas, School closing and Concert—Students Home for Holidays.

BY NICODEMUS

Christmas again! Once more the golden hands of time have revolved! In no uncertain tones this year of 1912—to us a year of peace—with the chimes of Christ-eve ring out the annual message of the centuries and repeat the theme which every Christian steeple and bell was built to perpetuate.

The message that emphasizes the universal brotherhood of man as implied in the proclamation "Peace on earth" and is embodied in the anniversary of the birth of Christ.

The birth of Christ! What a world of meaning underlies the celebration of that anniversary. Away back yonder in the dim past, 1916 years ago, in the royal village of Bethlehem in Judea, a baby boy was born in a manger. No royal preparations had been made for his advent. He was wrapped in swaddling clothes of poverty for lack of better robes. Mark the pitiful contrast, nowadays, in grandly decorated churches, sumptuous in all the pomp of modern pride. Trained voices sing of the "Birthday of a king" in glorious memory of the event.

Wise men, led by a star, journeyed from a great distance with gifts to worship Him where He lay sleeping in the poverty of the rock-hewn Judean stable, and thus originated the beautiful custom of Christmas giving. Christ Himself the first gift, the great gift, the gift of God's love.

No wonder that men, women and children remember the Christmas-tide with kindness and gratitude and generosity. There has been no other such event in all the world's history to commemorate.

Every gift should have its meaning. It should be as the first gift, a gift of love. This Christmas spirit and Christmas giving is all a reflex of the worship of the Christ-child in the Judean manger long years ago, and it is well for us to repeat the custom and the story, a story that never grows old, upon every recurring anniversary "Lest we forget—lest we forget".

During the last few weeks of school the children have been diligently preparing a program, under the careful training of their teacher, Miss Helen Harper with a view to closing the work of a successful term with a public entertainment, the proceeds to be used in the purchase of a new flag, the old one having become somewhat tattered and torn with "trailing through Jerusalem" for some seventeen long years.

Miss Harper and her little band of kiddlets happily entertained a capacity audience with one of the best concerts of its class ever seen in the village. The lengthy program was so chockfull of classy numbers that it would be futile to undertake to make any special mention where all was so equally balanced and well rendered. At the close of the exercises the children were delighted by the distribution of a generous treat from a Christmas tree that formed part of the decorations of evergreens and flags. This was followed by the sale of a quantity of home made candy which with the door receipts netted about seventeen dollars. This amount will be applied to the purchase of a flag and other school supplies. The audience, fully representative of the district, literally showered the modest promoter of the pleasant

Christmas With the Churches.

The service in the Methodist church last Sunday evening was of a special nature for Christmas.

The young people of the congregation had taken great pains to decorate the church which presented a fine appearance to the large congregation. Several commented on the beautiful evergreen wreaths tied with red bows, as well as the mottoes and festooning around the pulpit and end windows.

The pastor preached an appropriate sermon and choir rendered special music.

Next Sunday evening Rev. H. T. Smith of Mount Allison University will preach.

In the United Baptist church there was an impressive sermon by the pastor, Rev. S. W. Schurman, who had for his subject "Looking for the King and His Kingdom". The minister spoke of the world's preparation for the advent of Christ, the people's anticipation of His coming, and then went on to show that the quest of the Kingdom still goes on. The singing was fine at this service, two appropriate anthems being especially well-rendered. A trio part was taken by Mrs. Schurman, Mrs. Adams and Miss Cogswell, a duet by Mrs. Adams and Miss Cogswell, solo parts by Mrs. Schurman, Miss Cogswell and Mr. Schurman. The church was very tastefully decorated for the occasion.

In the Reformed Baptist church the pastor preached an impressive sermon, appropriate to the season, and a Christmas duet was prettily sung by Clara Boyer and Dorothy Traflet, two little girls.

Rev. A. S. Hazel, rector of Woodstock, conducted Church of England service in Burt's hall on Sunday morning. In his sermon he admonished his hearers not to forget the true significance of Christmas in gift-giving and pleasuring.

The Canada West India Co.

A Montreal correspondent writing a review of the potato situation says that receipts have been light but sufficient for the demand. He says Montreal is now getting the greater part of its supply from I.C.R. and Grand Trunk points. Hatfield & Scott, the McCain-Prime Co., and Clements Company, the heaviest shippers in the business, are sending the bulk of their stock to Toronto and other Ontario points. The Canada West India Co., is selling some in Montreal, having disposed of two or three cars in the last two weeks. Their Montreal manager, T. James, is employed in the jewelry department of Goodwins Limited, and his assistant is looking after the Company's business. For some reason they are vacating their sumptuous offices, as the following ad., clipped from a daily paper, will show:

"To Let: Bright office, convenient and pleasant situation; every convenience; immediate possession given; reasonable terms; also smaller one adjoining if desired. T. James, 18 McGill College ave."

The pastor of the Methodist church was greatly surprised at the close of the Epworth League service last Friday evening when A. Plummer on behalf of the congregation presented a splendid purse of money as an appreciation of the services rendered by the popular pastor. Mr. Fitzpatrick was deeply moved by this expression of the good-will of the people and replied to the words of esteem spoken, thanking the people for all their loyalty and faithfulness in the work.

Our Neighbours

Centreville.

The ice on the pond is in excellent condition for trotting and we expect a great time Christmas afternoon. There are a lot of fast horses here. The latest arrival is George Briggs with "Lady B" and of course he naturally expects to sweep the ice. However Wednesday will tell the tale and they may be some surprise in store. We hope to see the pond kept clear all winter as trotting is about the only sport we have here in the winter season.

We now have street lights from the corner to the mill road paid for by the people along the street. They are a great convenience and help out the appearance of the village in the evening. Citizens of the other streets ought to get together and light the whole town.

Mr. Sinclair, our miller, is also handy with carpenter tools and has made for his friends a number of centre tables which are certainly fine.

C. M. Sherwood has arrived at Los Angeles and reports the climate ahead of his expectation.

Quite a number enjoyed themselves driving on the ice Sunday afternoon. We would like to have a machine to take pictures of the setups for moving picture machines. They certainly would command a high price.

Fort George, B. C.

Record Railroad construction will cause British Columbia to be the scene of greatest development in the western Canada during the next decade. Premier McBride says

\$100,000,000.00

will be spent in British Columbia between now and the end of 1915.

Fort George

Is in the centre of this great development

All lots in Central Fort George were sold in sixty days. Other Additions have been put in since. These are going rapidly.

Lots may be had from one hundred and fifty dollars each—Double Corners, three hundred and twenty-five, payments \$10 per month per lot or 10 per cent discount for cash.

Now is the time to buy, before the railroads get there. Those who invested in Fort George one or two years ago have already made big profits, but the growing time is ahead.

If you have a few or many dollars to invest

Fort George

is the place to put it. I can sell you lots in town sites from St. John to Vancouver, but I believe Fort George is the surest and quickest money maker.

diversion with unstinted congratulations. Miss Harper gives evidence of being a diligent conscientious worker, and though having just closed her initial term it is readily patent that by careful handling she has already won the confidence and love of her pupils and through her native winsomeness gained the universal good will of the community.

I have been requested to insert in my dept. the following report of work by the more advanced pupils of the Victoria school. The averages of the pupils of Grade V of Victoria school for the term ending Dec. 21st, 1912, are as follows: Ada M. Boyer 79.1, Marion Somers 76.1, Hazel Birmingham 72.5, Kate Cook 72.5, Helen Oliver 67.6.

J. Alf Bowser and J. McLeod Boyer are home from their several schools for the holidays.

Mrs. R. L. Boyer went to Bristol on Wednesday to attend the burial of Shepherd Farley, who was a brother-in-law.

James Brown lineman on this division of the W. U. Telegraph was in this section early Sunday morning looking for trouble. The big maples at Maplewood got Jimmie's goat on this occasion.

Miss Ethel Cook is spending the holidays at home. Miss Cook entered Normal as a third class teacher student but has been successful in winning advancement to second class work.

On Saturday last H. K. Bowser, Percy Tilley and Miss Cora Tilley were doing their Christmas shopping in the shire town.

Miss Maggie McAfee left for her home last Friday to remain for several weeks.

Miss Ruth A. Harper, a former teacher here, and who has just closed a successful term at Maple Leaf Superior school at Jacksonville, was here on Thursday night to attend the school concert as was also the popular teacher of the school at Lower Wakefield, Miss McLellan.

Mrs. Joseph York is visiting her daughter, Mrs. W. E. Kilpatrick at Florenceville. Mr. York will go up for the Christmas festivities.

Cooneyites a Moral and Well-living Sect.

From those with intimate knowledge of the "go-preachers" nothing but kind words can be heard. No charge of immorality has ever been proven against them. The Montreal Star says:

A paragraph dated from Dublin recently appeared in The Star to the effect that a sect known as the "Cooneyites," or "Irish Mormons," had been instrumental in kidnapping and sending to Salt Lake, the young daughter of a wealthy Irish farmer.

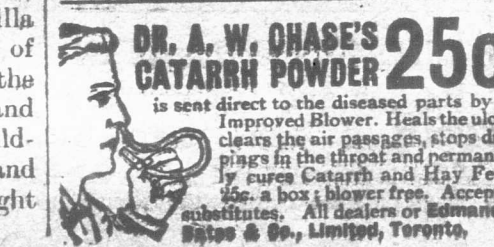

A local correspondent having communicated with the detective director of the Royal Irish Constabulary, that official writes stating that the kidnapping story is "absurd and absolutely without foundation," adding:

"The Cooneyites are a strictly moral and well-living sect, strongly opposed to Mormonism, and having many sympathizers in the Orthodox Churches."

Mr. Fisher's Gifts to Woodstock.

The formal opening of the Fisher Memorial School and the presentation of the portrait of the late James McCoy to the school took place Thursday night in the assembly room of the school, Woodstock, before a large audience. Mr. Carvell spoke briefly of the life of Mr. Fisher, and presented the keys of the school to the chairman, Mr. Belyon, who accepted on behalf of the school board. Senator Baird, one of the old boys, unveiled the portrait of the late James McCoy, the town's oldest teacher. Excellent addresses were given by Chancellor Jones, Superintendent Carter, Inspector Meagher, Mr. Pencock, Superintendent of Manual Training, Woodstock, through the will of Mr. Fisher, already has a fine hospital worth \$50,000, the Fisher Memorial School costing \$75,000, while next spring a public library will be built at a cost of \$25,000, and a technical and manual training school in connection with the experimental college to cost in the neighborhood of \$30,000.

R. L. Simms of the U.N.B. came from Fredericton on Friday to spend the holidays at Windsor and South Knowlesville.

Could Not Digest His Food

Suffered For Years From Indigestion Until Cured by Dr. Chase's Kidney-Liver Pills.

Mr. J. D. S. Barrett

If you suffer from chronic indigestion, forget about the stomach and pay attention to the condition of the liver and bowels. Ten to one that is where the real trouble lies.

The liver gets sluggish and fails to filter the bile from the blood, the bowels become constipated and the whole digestive system is upset.

As to cure, you cannot do better than to read of Mr. Barrett's experience with Dr. Chase's Kidney-Liver Pills. There is no treatment so prompt and thoroughly effective.

Mr. J. D. S. Barrett, Nelson, B. C., and formerly of Twillingate, Nfld., writes: "For several years I was a great sufferer from indigestion. The least bit of food caused me considerable trouble and often I could scarcely eat a meal a day. The many remedies I tried proved futile until in 1906 I began the use of Dr. Chase's Kidney-Liver Pills, and after using about eight boxes I was completely cured. Since that time I have not been troubled with indigestion, which I consider a great blessing."
