MONTHLY MEETING TOWN COUNCIL

Sheriff Foster Will Act as Police
Complaints from Tax-payers
Already.

The first regular monthly meeting of Hartland Town Council was held on Monday evening, March 4th, occupied the chair and the full board was in attendance with the exception of Ald. Carr and Campbell.

The question of employing a town marshal or police was taken up. The mayor reported that he had interviewed E. T. Shaw and J. F. Murdoch and found that either of these husky gentlemen were available for the job. Ald. Cameron reported that Sheriff Foster would undertake to keep the town peaceful evenings for \$1 per night. On motion of Ald. Nevers, seconded by Ald. Hagerman, it was decided to retain the services of Sheriff Foster. The Sheriff's special duties as police officer for Hartland will commence immediately.

Ald. Hagerman reported that he had written Hon. F. B. Carvell in regard to securing quarters for a look-up in the basement of the Dominion Building, but had as yet received no response.

The committee on By-Laws submitted a draft of By-Laws No. 6, relating to impounding of cattle and poultry. There is a suggested fine of \$1 for allowing four footed animals to run at large and 25 cents per head for poultry between the dates of May 1 and Oct. 1. If fowls are impounded it will cost 50 cents per head to release them.

Other by-laws proposed relate to loitering, spitting in public places, and exposure, disturbing meetings, and making noises after being asked to desist. The council appointed as assessors M. Warren White, Henry Teddie and A. G. Baker. It was moved by Ald. Hagerman and Dr. MacIntosh that proper steps be taken toward taking over the assets of the water corporation, subject to the liabilities thereof. Moved by Ald. Cameron and Hagerman that application be made to the provincial government for authority to change the date of the annual election to the second Monday in January. Certain concessions with regard to operating the electric light plant of A. W. Glass were discussed. It was decided to ask Mr. Glass to appear at Council, when in discussing this matter, also the question of street lighting would be brought up.

M. A. Sawyer was heard by the board with regard to the tax on moving pictures. He thought the tax excessive and that he should at least run as many nights as he chose.

H. B. Boyer was heard in protest against the pool-table tax. He contended that \$15 for two tables was as much as his business could stand. The council promised to give consideration in both these cases.

Session adjourned to meet first Monday in March.

In this report last week there was an error in stating the dog tax. Male dogs are to be taxed \$2.

How They Won Honors

The following clipping concerns the son of Conductor Charles Henderson and Lt. W. A. MacDougall, well remembered as commander of the platoon of infantry that was stationed here three years ago. It is the official report of how they won the Military Cross:

Lieutenant Hubert H. Henderson, 26th Bn. (Edmundston).—When the advance was held up by an enemy machine gun nest, this officer placed his Lewis gun section so as to cover his advance, and rushed the post with the remaining sections. During the advance he was severely wounded through the chest, but continued directing his men from a shell hole. His courage under the most trying conditions set a fine example to his men.

Lieutenant William A. MacDougall, M. C., 26th Bn. (Debec).—On the first day of the attack this officer, in command of the support company, led it to its objective. Two days later, when the attack was held up, he filled a gap with his company and supervised the consolidation. When in line he pushed out posts to the left, and on the right led a patrol himself to establish communication. The reports he sent in and his conduct throughout were invaluable to his C. O. (M. C. gazetted December 2, 1918.)

Well Known Houlton Physician Suicides at Edmundston

Dr. Walker, a well known homeopathist of Houlton, suicided in the jail at Edmundston during Tuesday night. During the day a warrant had been issued charging him with the murder of a young girl of Bridgewater, it being alleged that her death resulted from an illegal operation performed by him. He drove over to Woodstock, sold his rig to James W. Gallagher and took the express for Edmundston. Officers at that town were asked to apprehend him and on Wednesday morning he was found dead in his cell.

THORNTON "BROUGHT HOME THE PORK"

Keenly Contested Races Takes Big
Crowd to Waterville

The long talked of horse race has materialized at last and about 400 enthusiasts gathered at Waterville on Tuesday afternoon to see the speedsters pull off their fancy stunts. An excellent track was prepared on the pond and people came from far and near to witness the sport. The speed exhibit was a real show and a revelation to those who came expecting merely a "farmers' race." Some go so far as to say it was the most exciting and scientific horse race that was ever pulled off in the county.

W. E. Thornton has been making some claims for his bay mare, and she backed up all that had been said about her. Had Irving Hart not cast a shoe in the fifth heat no one knows what might have been the outcome. Walter Mott was around with his Strathleen Burns (2,124) but there was none other present to start with her.

The result of the five heats is as follows:

Cassie W. (Thornton) 1 1 2 2 1
Irving Hart (Plummer) 3 3 1 1 2
Lady Bell (DeWitt) 2 2 3 3 3
Dell Carter, Crandall 4 4 4 4 4
Time—334, 33, 334, 334, 334.

In last week's issue Lady Bell's record should have been stated as 2:19.

Local horsemen endeavored to have a track prepared on the river near town but could get encouragement nor help with the necessary work sufficient to make it a go, so the crowd went to Waterville, where they are all expected to gather again next Tuesday afternoon, when some others of the fast ones will be added to the string.

Upper Kent

The school has reopened under the management of Miss Helen Henderson of Durham Ridge.

The Women's Institute of Upper Kent and Maplehurst met Thursday, Jan. 23, for the first time since the ban was lifted. The members responded heartily to the call of the Salvation Army Drive, donating \$20 to the fund. It was also decided to send the books now on hand to the Canadian Soldiers in Siberia.

The many friends of Robert Dyer were very glad to welcome him home again after spending three years in France. He has now received his discharge from the Canadian Army and has once more entered civilian life.

The young people of this place spent a very enjoyable evening at the home of Miss Carrie Thompson on Wednesday, Jan. 23.

Mrs. Oliver Wright has recovered sufficiently to be removed to her home at Maplehurst after spending several weeks in the hospital at Fort Fairfield from an attack of typhoid fever following a surgical operation.

Mrs. William Gannon is spending a few days with friends in Fredericton.

Little Phyllis Thompson who was operated on for empyema has entirely recovered and is able to be around again.

January Session Carleton Co. Council

The County Council met in semi-annual session Tuesday, Jan. 21st, Warden Fleming presiding. The following councillors were present:

Aberdeen—D. Lamont, Chalmers Derrah.
Brighton—Fred Smith, W. D. Keith.
Northampton—H. A. Phillips, Arthur Gibson.
Peel—E. W. Melville, Frank Tompkins.

Richmond—Ezra Fleming, Wil-mot Watson.

Simonds—Odbur Shaw.

Wilmot—Harry Carvell, Wil-mot Anderson.

Wicklow—Carey, Estey, Ronnie Tracey.

Kent—Stephen Kinney, Gladstone W. Perry.

Wakefield—Albert G. Bell, Robert Bell.

Woodstock Parish—Chas. Clark.

Woodstock Town—H. D. Stevens.

Jas. W. Gallagher, A. S. Benn.

Warden Fleming in his opening remarks said that changes of importance were taking place throughout the world since our last meeting. We all felt sure that Victory would crown the efforts of the Allies and while the victory was sudden it was not unexpected. The peace settlement will no doubt be a distinct advantage and Canada will pass through an important reconstruction period and I believe we will all rise as true men and true women. I regret very much that in our own county the effect of the influenza has been so serious-

GOOD DIGESTION A GREAT BLESSING

An Acute Sufferer Tells How She Found New Health

Very few people appreciate what good digestion means until they lose it. To be able to eat what you want and to properly digest it is a priceless blessing. But if you find that your digestion is in any way impaired you cannot afford to risk experiments by trying uncertain remedies. Strong medicines are hard on the stomach; pre-digested foods only aggravate the trouble. What is needed is a tonic that will so strengthen the stomach as to enable it to do its own work. There is no tonic for the stomach that is not at the same time a tonic for every other part of the body. As the blood circulates through all the body an improvement in its condition quickly results in strengthening any weak organ. Rich red blood is absolutely necessary to good digestion. If your stomach is weak, if you are troubled with sour risings in your throat, a feeling of nausea after eating, pains or fluttering about the heart, try at once the true tonic treatment of Dr. Williams' Pink Pills. So many people have been helped by this treatment that every sufferer from indigestion should promptly try Dr. Williams' Pink Pills. Among the many who rejoice in a renewed digestion through the use of this medicine is Mrs. William Dale, Midland, Ont., who says:—"I suffered for a long time from a severe form of indigestion, and had doctored so much without benefit that I had all but given up hope of getting better. Everything I ate caused me intense pain, and some days I did not touch a thing but a cup of cold water, and even that distressed me. As a result I was very much run down, and slept so poorly that I dreaded night coming on. I was continually taking medicine, but was actually growing worse instead of better. Having often read the cures made by Dr. Williams' Pink Pills, I finally decided to give them a trial. I have had great cause to bless this decision for by the time I had used a couple of boxes there was no doubt the pills were helping me, and in less time than I had anticipated the pills had cured me, and I was again enjoying not only good digestion but better health in every way than before."

You can get Dr. Williams' Pink Pills through any medicine dealer, or by mail at 50 cents a box, or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

ty felt. Among the other important measures the town of Hartland has taken in incorporation and we will all be glad to welcome the new representative who will be present here today.

The following letter from Councillor John Perry was read to which fitting reference was made and deep regret expressed at his serious illness.

To the Warden, Councillors and Officials of the Municipality of Carleton.

Gentlemen:—

It is with sincere regret that I have to address you at this session of the Council by letter, instead of in person, but, owing to a severe illness from which I have not sufficiently recovered, I shall be compelled to forego the pleasure, which it has been my privilege to enjoy in the past. I therefore take this opportunity to express my appreciation of the kind and courteous treatment accorded to me by the members of the Board, for the past nine years.

I rejoice with you that the dreadful war is at last over, and that victory rests with the cause of right and our hearts swell with pride when we recall the fact that our brave Canadian soldiers have made a name for Canada second to none in the world.

We also glory in the thought that we form a part of the Great British Empire who so nobly and gloriously upheld the banner of right against tyranny and oppression, and never in the history of the world have the following words been more appropriate. Britannia the pride of the ocean.

The home of the brave and the free.

Thy worth claims our heartfelt devotion.

We offer true homage to thee.

Wishing you a pleasant sitting, and the compliments of the season to each and all, I am,

Yours Sincerely,

JOHN N. PERRY.

The minutes of the last session were read by the secretary and approved.

Coun. Stevens concurred in the remarks of Warden Fleming on the war conditions. He also spoke feelingly of the illness of Coun. Perry and moved the Warden be authorized to acknowledge the receipt of Coun. Perry's letter and that a telegram be sent Coun. Perry by the Warden expressing the regret of the council at his illness. The following telegram was sent.

Woodstock, N. B., Jan. 21.
Coun. John N. Perry,
Fort Fairfield, Me.

With feelings of mingled pleasure and regret we acknowledge receipt of your letter. Pleasure in receiving your strong expressions of loyalty and devotion to our great empire and your kind wishes for ourselves. We sincerely regret that your illness prevents you from meeting us at this session and I heartily concur in the unanimous wish of the council that your health may be speedily restored and that you may be able to resume your place at our board where your counsels are so highly valued.

W. B. FLEMING, Warden

On a motion of Coun. Carvell, the council adjourned until 2 o'clock. The Clerk said Dr. Melville would be present this afternoon and address the council on health matters.

The council met Tuesday p.m.,

at which time Coun. Hagerman of Hartland presented his credentials and took his seat at the board. Warden Fleming said he had learned of the illness of Coun. Moxon and on the approval of the council had sent the following telegram.

My Dear Sir:—

The attention of the Municipal Councils of the Province of N. B., is being called at their January meetings to the requirements of the Public Health Act of 1918, viz.—the appointment by them of their quota of the New Sub-District (County) Board of Health—three members. Because of the recent epidemic, we have been unable to submit at an earlier date that this be done—so that in order that we shall be able to immediately organize our various sub-district (or county) Boards and get down to the work so much required by such an organization throughout our Province—it will become necessary for several Municipalities to introduce the business of appointing of the said three members during their first session, if possible. When these are made, the Government will be on hand with theirs, and that first evening the New Board can have its meeting and prepare its estimates which estimates can be presented to the Council on its second day of meeting for action.

This has already been arranged in the same way in some five or six of the Municipalities thus far, and has worked out to the entire satisfaction of all concerned. The Council in passing the estimates, passes a credit representing the amount called for in some chartered back within the County. The Board of Health issues cheques signed by one of its members appointed as Acting Chairman and its Secretary. At the end of the year, a printed statement of all expenses will be presented to the Municipal Council.

The above is offered in explanation as to the method of procedure suggested by us, so that progress might be facilitated. Enclosed please find a synopsis of some of the direct benefits to be derived by an efficiently organized Health Board.

Your kind co-operation in this matter, I feel satisfied will receive the hearty approval and support of your electorate who today are looking upon matters pertaining to Public Health and Sanitation and Medical Inspection of Public School, from an entirely different view-point than did some years ago.

Thanking you kindly in anticipation for any assistance you feel justified in giving to this work, I remain,

Respectfully yours,
WILLIAM F. ROBERTS, Minister.

The following resolution was read. Whereas there is a bylaw in force in the Town of Woodstock whereby the street committee can build sidewalks in the town of Woodstock where needed and 75 per cent of the cost of the same can be collected from the owners of the property in front of which the walls are built; Therefore resolved the County Council now in session do authorize the building of a sidewalk in front of the County building on Main street.

It would be much pleasanter to do it of our own free will than to be forced to do so as the sidewalk is much needed.

Coun. Hagerman said it was very necessary that action be taken in reference to sheep; he felt that many men today would go into sheep-raising business if the dog menace was removed.

Coun. Keith said that in reading the act it would appear to him that the council had very little to do with the operation of it. There are many complications said Coun. Melville connected with shooting of dogs. He would be very glad to support any action that would do away with useless dogs. He would move that a committee of three be appointed

to deal with the dog-law; Couns. Melville, Carvell and Hagerman.

Dr. Melvin of the Board of Health was heard in explanation of the Health Act. He said that the act called upon the various councils of the province to appoint members of the Board of Health.

Dr. Roberts, the Minister in charge of the department has been very seriously ill or he would have been here himself. He fully explained the nature of the Health Act and the duties of those connected with it. Dr. Abrahamson who had charge of the laboratory was building up a very excellent institution. The County was divided into three health districts.

Three members appointed by the County and two by the Board, making five in all for the sub-district Board. The sub-district boards are the organizations that get close to the people. Members of the Board serve voluntarily but the positions are honorary and responsible. Two services of great importance are vital statistics and inspections of schools. The government appoints are: Dr. Cummings, Bath, Dr. Fields of Centerville.

The following were nominated the Board of Health for the County Dr. L. B. Curtis, John A. Lindsay, and W. E. Fleming, Sub district Carleton Co.

At the meeting of the council at 2 p.m., Coun. Melville called attention to the fact that Chas. W. Wright had been sentenced to pay a fine of \$50 or serve three months in jail. The man was not in jail and he enquired why he was not. The Sheriff stated the fine was paid to him and he had the money. On motion of Coun. Melville the sheriff was instructed to pay the Secty-Treas. the amount for county purposes.

die every year from bronchitis. A large proportion of these could be saved by direct treatment, but in order to heal the bronchial tubes a remedy must be taken which will get there direct. Peps can. Peps is a bronchial remedy which goes right to the seat of the trouble—hence its wonderful success in cases of bronchitis.

Disolve a Peps in your mouth. The medicine contained is turned into a vapor and carried by the breath to the bronchial tubes and the minute air passages. The inflamed lining is healed, the pain ended and the cough stopped.

Miss Mary Weston, a graduate nurse living at 461 Victor Ave., Winnipeg, says she owes her health to Peps. She writes:—"When I finished my hospital training I was suffering with chronic bronchial trouble, and I was told I would not be able to continue nursing. I used Peps so perseveringly, however, that I was finally entirely cured. I am quite sure that I would not be following my profession to-day if it had not been for Peps."

For asthma, laryngitis, hoarse throat, coughs, colds and loose ness Peps are equally invaluable. All dealers, 50c. box.

To the Auto Public

Ladies and Gentlemen: I wish to thank you for the liberal patronage you gave our garage during the past season. We have decided to close our books and to do a cash business during the coming season. We feel that this will be a more satisfactory way of doing business, to you and us. We believe we have come to stay, and to this end we have installed an up-to-date charging plant, which is operated by Mr. S. S. Grant who took a course of instruction at the Hartt Factory where batteries are made. We have purchased some of the best tools to work with including patent Grease Pail, a large combination set of dies for auto work, a three wheeled jack, and expect to instal a power drill. These are all new. While we cannot boast of having every kind of machinery, we claim to be able to do nearly any kind of a job. With about 10,000 feet of floor space we are able to take care of your car, repair or paint. We have engaged the services of one of the best and most artistic painters it is possible to secure in Canada. Anyone who has seen Mr. Dunn's work can testify to the truthfulness of this statement. Samples of his work can be seen here any day. All who wish work done for spring delivery better have your orders booked soon or get left in the lurch.

All who owe this concern will please settle at once as patience will soon cease to be a virtue in our case and past due accounts will be left for collection.

THEY CELEBRATED RABBIT BURN'S NIGHT

Good People of Scotch Colony Remembered The Loved Bard

The celebration of Robbie Burns' was held in the Upper Kintore hall, Monday evening, Jan. 27, and was largely attended. An excellent program was carried out by the old and young. Rev. Gordon Pringle acted as chairman, and in his usual pleasing way kept the audience in roars of laughter. Thomas Patterson of Washburn, Me., formerly of Edinburgh, Scotland, was present and delighted the audience with a musical treat. Mr. Patterson has a beautiful voice and is a born humorist, and in singing Harry Lauder's songs held the audience spell-bound. Wm. Duncan of Washburn and Wm. Cummings of Boston, who, previous to moving to Uncle Sam's land, were Colony boys, also came to attend the "Scotch Night" and took their part in the program with hearty good will.

The program was as follows: Scots Wha Hae, by choir; address, Rev. G. C. Pringle; solo, When I Come Back Again from Bonnie Scotland by Mr. Patterson (encore); reading, To a Mouse by Mr. Duncan; duet, Loch Lomond, by Mr. Patterson and Miss Rebecca Barclay; chorus, It's Nice to Get Up in the Morning by the children; solo, Just as His Father was Afore Him by Mr. Patterson (encore); solo, The Bairn at our Door by Farguhar; quartette, Annie Laurie by Messrs Patterson, Duncan, Barclay and Miss Barclay; solo, Robin Tamson's Smiddy by Wm. Cummings (encore); chorus, The Wee Hoose Mang the Heather by the children; solo, I love my Bonnie Jean by Miss Jennie Nevers; address by James T. Mavor; solo, Roamin' in the Gloamin' by Mr. Patterson (encore); recitation by James Hutchinson; solo, a Wee Deoch and Dore by Wm. Duncan; solo, I Love a Lassie by Mr. Patterson; solo, Mary of Argyll by Miss Barclay; solo and chorus, Ladies at the Sechele by Wm. Christie; solo, by Ruth Stevenson (encore); solo, We'd Better Bide a Wee by Miss Maizie Paul; solo, The Auld Scotch Sangs, by Mr. Barclay; solo, He was very Kind to Me by Mr. Patterson (encore); "It's nice to get yer breakfast in yer bed on Sunday morning."

Mr. Patterson also took the house by storm by imitating the bag-pipes and singing an Italian song.

Solo by Wm. Duncan, Britannia the Pride of the Ocean.

The program was then closed by all the Auld Scotch fiddlers gathered on the stage, re-united to take a right good willie hand-bake for Auld Lang Syne. Luncheon was served and a good cup of tea enjoyed by all. A hearty vote of thanks was given for all who so ably assisted in the program and making it a success. Cheers after cheer went up for Mr. Patterson who so willingly responded to all requests and for Messrs. Duncan and Cummings for coming so far to take part. The floor was then cleared and dancing indulged in "till the wee sma' hours," when the crowd departed, all hoping to meet again and have the pleasure of having Mr. Patterson on Burn's Night, 1920.

CHILDHOOD

CONSTIPATION

Constipation is one of the most common ailments of babyhood and childhood and unless it is promptly cured will undoubtedly lead to disastrous results. To cure this trouble nothing can equal Baby's Own Tablets. They are a mild laxative which instantly regulate the bowels and sweeten the stomach, thus banishing constipation, colic, colds, etc. Concerning them Mrs. Eugene Vaillancourt, St. Mathieu, Que., writes: "When my baby was constipated I gave her Baby's Own Tablets and am well satisfied with the result. I would strongly recommend them to all mothers for this trouble." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

HON. MR. CARVELL'S SPEECH.

Some observations by Hon. Mr. Carvell in an address at Peterborough, Ontario, are commended to the thoughtful consideration of citizens of all shades of political belief. The Minister of Public Works became a member of the Union government because convinced the problems of war and recovery from war called for united effort. The responsibility of raising more millions than any Canadian government ever before raised to meet its obligations to the soldiers and their dependents, to carry on the machinery of government and to aid in the work of reconstruction has brought home to Hon. Mr. Carvell, as it must to all thoughtful men, the difficulties ahead. With faith in the people of Canada, he places before them the problems of the present and asks that support and co-operation which the government has the right to expect from every citizen at this time. If the people of Canada see their duty as the Minister of Public Works sees his the country will successfully overcome the problems ahead and win through to that new time when our men at home, our industries re-established and the excessive burden of militarism reduced to its lowest minimum, ordinary income meets ordinary expenditure. Justification will then be found in steady growth for those larger schemes which are part of national development.—St. John Globe.

EDITORIAL NOTES

Commencing next week The Victoria Observer will print the detailed report of the January session of the Victoria County Council. It is interesting to note that the council did not divide in the acceptance of the new Health Act and are disposed to give it a just trial.

The report of the old Board of Health through Dr. R. W. L. Earle, the capable chairman, showed that the number of contagious diseases was greater than ever before but due entirely to the influenza epidemic outbreak.

The whole province will be interested in knowing that Victoria county will ask the local government to grant no further extensions of franchises on the Grand Falls water power.

Recently The Observer referred to Hon. J. F. Tweeddale which indicated that he owed thirty years subscription. This is not true and what was intended to infer was that he had never subscribed for The Observer during its thirty years of existence.

Perth Locals

Ronald C. Anderson, son of Mrs. Nellie Anderson, who enlisted in the 140th Batt., arrived home last Wednesday, stopping at Fredericton and Woodstock enroute to see his sister, Miss Beulah Anderson and uncle, B. A. Craig. Ronald was quite seriously wounded in the early fall, having lost an eye. He is, however, in the best of spirits and is being heartily welcomed by all.

Friends of Samuel Raymond were surprised to hear of his death at an early hour on Monday, as he was in his usual health the night before. A neighbor entering his house on Monday found him lying on the floor dead. Death was due to heart failure. The funeral took place Thursday, interment being made in the Episcopal cemetery and over beside the remains of his wife who died a few years ago. The deceased leaves to mourn, two

daughters in the west, one son, Charles, in England, and one son on the Tobique who all have the sympathy of their many friends in their bereavement.

The funeral of the late James Hunter took place at the Ladies Creek church on Wednesday afternoon. Rev. A. Hatfield officiating. Quite a large gathering of friends were present. Mr. Hunter's age was 32 years. He leaves to mourn an only son, George, and one sister living in Houlton. The deceased was a quiet peaceable man, and a kind neighbor. Deep sympathy is extended to the lonely son in his loss of a kind parent.

Mrs. J. P. Dickson was collecting for the Salvation Army Drive during the week and was meeting with splendid success.

T. W. Palmer of Boston was a guest at the home of his son, B. C. Palmer last week. He also visited relatives in Fredericton and Woodstock leaving for his home on Saturday.

Mrs. George Anderson and two sons, James and Alex. of Kintore were week-end visitors at the home of Mrs. Nellie Anderson.

A. D. Campbell of Arthurette was a business caller in town on Thursday.

R. Beveridge of St. Almo was in town during the week.

Ronald Anderson went to Wapasky on Saturday to spend the Sabbath with his uncle and aunt, Mr. and Mrs. John McNair.

The supper given in the Street Imman building on Wednesday night for the benefit of the U. B. church, was a complete success a large number being present to do justice to the goodies provided by the ladies of the congregation. A handsome sum was realized.

Hon. J. F. Tweeddale was in town on Saturday on his way from Woodstock to his home in Arthurette.

Mrs. Esther Robertson of Port Fairfield was a recent visitor at the home of her sister, Mrs. A. D. Campbell, Arthurette.

Miss Inez Bird of St. Leonards is a guest at the home of her brother, A. M. Bird.

Mrs. Nellie Anderson was visiting relatives at Wapasky over Sunday.

Mason Johnston of Port Fairfield was in town during the week.

The trains were delayed several hours on Saturday on account of a freight train being wrecked at Stickney.

Miss Frances Gallant spent the week-end in Aroostook.

Eczema On Baby's Ear.

Mrs. F. Clarke, Belmont, Man., writes: "My baby had eczema on her ear. The sore was very bad and nothing seemed to do her much good. Hearing of the remarkable cure Dr. Chase's Ointment was making, we sent for some, and after the third application the sore began to heal. I am glad to say that it is quite well now and we give the credit to Dr. Chase's Ointment. We cannot recommend this preparation too highly."

"The SPECIALTY" Theatre - Andover
TWO DAYS Saturday, Feb. 15
EVENING AT 7.30 Monday, Feb. 17

"HEARTS OF THE WORLD" is by the same producer as "The Birth of a Nation" and "Intolerance." It is the sweetest love story ever told.

ITS BACKGROUND IS THE GREAT WAR. David Lloyd George commissioned Mr. Griffith to make this wonderful production under the auspices of the British Government. THE ENTIRE BRITISH ARMY IN FRANCE was placed at his disposal in the making of this gigantic screen drama.

YOU WILL SEE peaceful France and Belgium; then comes the alarm of war, the mailed fist of the holocaust is on.

YOU WILL SEE the most striking indictment of German Bestiality and German frightfulness yet shown to the civilized world.

YOU WILL SEE the British Parliament, Champion of Liberty, in its famous session when the House of Commons votes in the name of humanity to resist the outrage upon a free people and TO FIGHT TO MAINTAIN JUSTICE IN THE WORLD.

YOU WILL SEE France, Cradle of Liberty, the memorable session of the Chamber Deputies voting war with Germany, waiting for the further time that would bring them revenge for the crime of Alsace and Lorraine.

YOU WILL SEE WHY ANY COUNTRY THAT IS GOOD ENOUGH TO FIGHT FOR.

YOU WILL SEE displayed the grim story of the great struggle, with the rainbow of promise of success and happiness brought to Europe by the coming of the British, Canadian and United States troops.

After witnessing D. W. Griffith's supreme triumph, "HEARTS OF THE WORLD" you will go forth with renewed ardor and with increased faith in the justice of our beloved country and allies in their fight for humanity and civilization.

Hartland Department Store

An Open Letter to My Customers :

Now that the war is over business should be better than ever. Everything needed for men's sustenance will be required in large quantities.

There are armies to be fed—armies of Allies, armies of Prisoners, armies of disabled men, multitudes of destitute people throughout Central Europe, Russia, The Balkans, etc, need food. It will be a year or two before the supply of food will meet the world's demands. That means continued prosperity on the farms. Eggs, Butter and Poultry, Hay and Oats will never again be down to the prices they used to be. And on the other hand the things the farmer has to buy are not going to tumble in a hurry. Don't put off buying expecting things are going to be cheap. The things you require are needed more in Europe than here. But wages will keep up as men of all occupations are needed and one thing will even up the other. Although prices have been high since the war commenced people in Canada have never made so much money or found it easier to get along. We are stocking up with new Spring Goods! Come and see Us!

A very pleasant evening was spent at the home of Rev. J. M. Mallory when the members of the Red Cross met and presented their President (Mrs. Mallory) with two nice rocking chairs. This was to show their appreciation of her faithfulness in keeping this much needed work going. Refreshments were served and there was music and singing. At the closing all joined in singing God be with you till we meet again. One and all agreed it was an evening well spent.

The many friends of Miss Jane Green are sorry to hear of her severe illness and hope for a speedy recovery.

DOCTOR URGED AN OPERATION

Instead I took Lydia E. Pinkham's Vegetable Compound and Was Cured.

Baltimore, Md.—"Nearly four years I suffered from organic trouble, nervousness and headaches and very much worse. I was in bed most of the time. Treatments would relieve me for a time but my doctor was always urging me to have an operation. My sister asked me to try Lydia E. Pinkham's Vegetable Compound before I consented to an operation. Had Headache For Two Years

A Barrie Man Tells of Persistent Headaches and Indigestion—Finally Found His Way to Good Health.

For two long years the writer of this letter was subject to severe headaches. The nervous system got run down, digestion failed, and there was continued loss of weight.

The use of Dr. Chase's Nerve Food changed all this and now with scores of other Barrie people Mr. Baker is recommending the use of this food cure as the best means of building up the exhausted nervous system and curing headaches, indigestion, and all the annoying symptoms of a run-down condition.

St. John Nader, 25 Front Street East, Barrie, Ont., writes: "During the last two years I had an attack of indigestion, accompanied by severe headaches, and I suffered from loss of appetite and my system became run down. I also lost considerable weight. I began using Dr. Chase's Nerve Food, and as they helped me I continued this treatment for some time. My condition is now greatly improved, my headaches are gone and my health in general is much better. I can cheerfully recommend the use of Dr. Chase's Nerve Food to those suffering from nervousness of any kind."

The reason Dr. Chase's Nerve Food is so effective in cases of this kind is because of its extraordinary blood-forming influence. By restoring an abundance of rich, red blood it strengthens the action of the heart, revitalizes the exhausted nerves and builds up the system in every way.

The appetite is restored, digestion improves, you rest and sleep well, and the new vigor and energy is felt in every organ of the human body. Dr. Chase's Nerve Food is doing wonders for men, women and children whose systems have become weak and run down. TAKES OFF DANDRUFF, HAIR STOPS FALLING

Save your Hair! Get a small bottle of Dandruff right now—Also stops itching scalp.

Thin, brittle, colorless and falling hair is sure evidence of a neglected scalp; of dandruff—that awful scourge. There is nothing so destructive to the hair as dandruff. It ruins the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and disengage, the hair falls out fast. A little Dandruff to-night—now—any time—will surely save your hair.

Get a small bottle of Knowlton's Dandruff from any drug store. You surely can have beautiful hair and lose it if you will just try a little Dandruff. Save your hair! Try it!

10 CENT "CASCARETS" FOR LIVER AND BOWELS

Cure Sick Headache, Constipation, Bloating, Sour Stomach, Bad Breath—Candy Cathartic.

No one how bad your liver, stomach or bowels; how much your head aches; how miserable you are from constipation, indigestion, bloating, and flatulence—how you always get rid of your Cascarets. They immediately cleanse and regulate the stomach, remove the acid, fermenting food and foul gases, take the excess bile from the liver and carry off the constipated waste matter and poison from the intestines and bowels. A 10-cent box from your druggist will keep your liver and bowels clean; stomach sweet and head clear for months. They work while you sleep.

IF YOUR CHILD IS CROSS, FEVERISH, CONSTIPATED

"Look, Mother! If tongue is coated, give me little bowels with 'California Syrup of Fig.'"

Mother, can you rest any after giving California Syrup of Figs, because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, peaceful child again. Risk children need to be careful to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure. Ask your druggist for a bottle of California Syrup of Figs, which contains directions for babies, children of all ages and for grownups.

Woodstock, N. B., Jan. 22nd, 1919.

The council resumed at 10 a.m.

Coun. Melville from the special committee on the question of passing a bye-law bringing into force the law relating to taxing dogs made verbal report. Couns. Hagerman and Estey also reported. It was moved by Coun. Estey, seconded by Coun. Carvell, that the petition of 25 householders of Richmond asking to have a law put in force to tax dogs, be accepted, and the Secty-Treas. be instructed to prepare the necessary bye-law and submit same to Council for passing at tomorrow's session—carried.

On motion a committee of four was appointed to meet Mr. Peacock and take up the matter of technical education. Couns. Estey, Gibson, Shaw and Melville were appointed.

THE VOCATIONAL EDUCATION ACT.

(The Need)

Outside of Woodstock there are 600 boys and girls in Carleton County of high school age not in school. Many who are past school age would be glad to take short courses in subjects connected with their daily occupation. Agriculture is one of the greatest of the sciences and is the basic industry of the nation, it has wonderful possibilities. Present school courses not preparing the majority for life. The County Vocational School used in many places in West and in States.

There is a Vocational School Building now in Woodstock. Can it be made to serve the county?

(The Law.)

Defines Vocational Education being training that fits for profitable employment.

Provides for County Boards of seven, four of whom are named by the Council.

Will the Council name this committee to look into the question?

Will the Council pass a resolution favoring Dominion aid for Vocational Education?

A Quick Relief for Headache

A headache is frequently caused by badly digested food; the gases and acids resulting therefrom are absorbed by the blood which in turn irritates the nerves and causes painful symptoms called headache, neuralgia, rheumatism, etc. 15 to 30 drops of **WATERBURY'S SYRUP** will convert family discomfort and afford relief.

A preparation for restoring natural color to gray or faded hair, for removing dandruff and scalp itching. It is not a dye. Genuine sized bottles at all druggists, ready to use. Price 50c per bottle. New York, N.Y.

WHILE stooping near the stove I caught the handle of a pan of boiling water and upset it," writes Mrs. Albert Smart, of 279 Harbison Ave., Winnipeg. "The entire contents of the pan poured partly down my arm, but mostly over my foot, and as I was wearing slippers at the time my foot was very badly scalded! A huge blister covered the whole top of my foot and the pain I suffered was intense. We had heard how good Zam-Buk is for such injuries, so my husband got some and applied it. The first application soon gave me wonderful relief from the burning pain, and continued applications completely cured the scald. After this demonstration of the value of Zam-Buk we are now never without a box in the house. We have proved it invaluable for the many little accidents which are of such frequent occurrence in every home.

Zam-Buk is just as effective for skin diseases, such as eczema, salt rheum and ulcers, and is without equal for piles. In many cases where the disease or sore is of long standing and other remedies have been useless, Zam-Buk has worked a complete and permanent cure. Its absolute purity makes it suitable for the most tender skin (even the skin of a young baby) and mothers should always keep a box on hand for emergencies. Zam-Buk does not deteriorate with keeping. All dealers, 50c. a box.

LOCAL AND PERSONAL ITEMS

A very interesting and happy event occurred at the home of Mr. and Mrs. Everett Hoyt on Tuesday when her sister Miss Ethel Maybee was married to Mr. Arbuckle of Prince William. The ceremony took place at high noon in the presence of a number of immediate relatives and friends. Rev. S. Johnson was the officiating clergyman. The happy couple caught the down express at Florenceville, and after a short honeymoon trip they will reside in Prince William.

Mrs. J. O. Stevens entertained the members of the Younger Set Club at her home on Friday evening.

Major Jack MacKenzie spent last week in Fredericton.

Attention is again called to the call for tenders for cord wood from the School Board on this page.

The Red Cross Quilt of a very unique pleasing design was put up for lottery by ticket last week. The drawing took place on Thursday and the lucky ticket was held by Burt E. Cliff. The local Red Cross Society donated \$25 to the recent Salvation Army Campaign.

The solicitors for the Salvation Army fund were able to bring the subscriptions well up to the amount allotted for the place.

Mr. and Mrs. D. Fred Cliff and little daughter of Mrs. Hill spent last week here at the home of Mr. and Mrs. C. R. Cliff.

B. J. Clark spent last week in Newcastle on business arriving home for the week-end.

Paul Sweeney of the Great West Life Insurance Company arrived in town on Wednesday for a few days' canvases in the interests of his company.

Mr. and Mrs. Fitz Peterson of Lakeville were the guests of Mr. and Mrs. G. G. London on Wednesday.

Miss Clara Wasson and Roy Wasson of Bloomfield were the guests of Dr. and Mrs. Perkins on Saturday.

Harold White arrived home from Millinocket, on Tuesday for a few days stay with relatives.

Fred D. Tweedie of the Imperial Products Ltd., Woodstock, was in town on business on Saturday.

Misses Faye and Damey Burt spent Wednesday at Bridgewater, the guests of Mr. and Mrs. M. A. Burt.

Miss Beate Burt of Bridgewater, was a caller in town on Saturday.

WILL HAVE AN UP-TO-DATE HOTEL

Business Men, Booming the Town,
Organize Centreville Hotel Co., Ltd.

A second meeting of interested citizens was held in the Opera House on Friday evening, for the furtherance of the Centreville Hotel project, with a larger crowd in attendance than on the first occasion. E. L. West was elected chairman. The committee for the soliciting of share takers reported progress and introduced vouchers for shares pledged to the tune of \$2400 (240 shares), and this with very little effort. Those present beamed overjoyed to see the Hotel project so well out of its infancy. Provisional directors were elected in the persons of LeRoy G. Lee, G. E. Wilson, B. B. Estabrooke, B. E. Cliff, Da. F. M. Brown, J. Q. Stevens and L. H. Baldwin, and empowered to apply for a charter for the Centreville Hotel Co. Ltd. Several of the progressive and prominent farmers of the neighborhood and near localities are very much interested in Centreville's new work and two or three of them were glad to pool in the price of ten shares for her support. The management feels assured that the spirit of domestic improvement will be contagious, and that many of the other up to date agriculturists will be clamoring for a share of the interest and glory that will naturally accrue

Notice of Dissolution

Notice is hereby given that the partnership heretofore subsisting between George F. Burpee of Avondale, N. B., and Wilson of Lakerville, N. B., and known as Burpee & Wilson has this day been dissolved by mutual consent. All debts owing the said partnership are to be paid to the said George F. Burpee at Avondale. The said business will be contented by the said William W. Wilson. Dated at Avondale this 30th day of January 1919.

JANUARY CLEARANCE SALES

There Never Was a More Successful Sale

It is successful because it offers genuine bargains --- fresh, wanted merchandise at less than its real value. Our customers realize the importance of this sale, and they have not been slow to take advantage of it. In spite of the crowds that have attended, there are still plenty of bargains left for all. Come tomorrow and get your share of them.

Yes, Madam, your
favorite sugar, as
much as you want.

One of the most satisfactory material pleasures of Peace is that we may again have plenty of

**Lantic
Sugar**

"The Sun of Peaches"

UNDER war conditions we were unable to supply anywhere near the demand for Canada's favorite sugar. Few ships were available for bringing raw sugar from the tropics and a large part of the product of our refinery was needed for our soldiers overseas. Happily, Peace has changed the whole sugar situation. Unless unforeseen circumstances should arise the Lantic Red Ball will again brighten the shelves of stores throughout the country and housewives may have as much as they need of the famous Lantic "FINE" granulated, the perfect sugar for baking and the table; also there will be plenty of the Lantic delicious Old-fashioned Brown Sugars for the many dishes in which flavor is indispensable to success.

You may again buy Lantic Sugar in the larger original packages, the 10, 20 and 40 lb. sacks, as well as in the 5 and 10 lb. tins. The accurate weight and perfect preservation of the contents of Lantic packages make them the most economical way of buying sugar.

Ask your grocer for Lantic Sugar, the sugar with the Red Ball on every Centreville Bag.
