### FROM \$2.00 PER ACRE UPWARDS.

Detailed prices can be obtained from the Land Commissioner at Winnipeg.

### TERMS OF PAYMENT.

If paid for in full at time of purchase, a Deed of Conveyance will be given; but the purchaser may pay one-tenth in cash, and the balance in instalments spread over nine years, with interest at six per cent. per annum, payable at the end of the year with each instalment.

### GENERAL CONDITIONS.

All sales are subject to the following conditions:

1.—All improvements placed upon land purchased to be maintained thereon until the final payment has been made.

2.—All taxes and assessments lawfully imposed upon the land or improvements to be paid by the purchaser.

3.—The Company reserve from sale, under these regulations, all mineral and coal lands, and lands containing timber in quantities, stone, slate and marble quarries, lands with water-power hereon, and tracts for town sites and railway purposes.

4.—Mineral, coal and timber lands and quarries, and lands controlling water-power will be disposed of on very moderate terms to persons giving satisfactory evidence of their intention and ability to utilize the same.

Liberal rates for settlers and their effects will be granted by the Company over their railway.

## SOUTHERN MANITOBA LANDS.

The LAND GRANT OF THE MANITOBA SOUTH-WESTERN COLONIZATION RAILWAY COMPANY, now placed on the market, offers special attractions to purchasers. It consists of over 1,000,000 acres of the choicest land in America, well adapted for grain growing and mixed farming, in a belt 21 miles wide, immediately north of the International Boundary, and from range 13 (west 1st meridian) westward. That portion of this Grant lying in Manitoba is well settled (the homesteads having been long taken up). Purchasers will at once have all the advantages of this early settlement, such as schools, churches, and municipal organizations. The fertility of the soil has been amply demonstrated by the splendid crops which have been raised from year to year in that district. The country is well watered by lakes and streams, the principal of which are Rock Lake, Pelican Lake, Whitewater Lake and the Souris River, and its tributaries, while never-failing spring creeks take their rise in the Turtle Mountain. Wood is plentiful, and lumber suitable for building purposes is manufactured at Desford and Wakopa, and may be purchased at reasonable prices. At the latter place a grist mill is also in operation.

The terms of purchase of the Manitoba South-Western Colonization Railway Company are the same as those of the Canadian Pacific Railway.

## TOWN LOTS.

The Company have for sale on liberal terms lots in the following towns along the line: Marquette, McGregor, Austin, Stony, Carberry, Sewell, Chater, Brandon, Treherne, Holland, Cypress River, Glenboro, Gretna, Mordenville, Manitou, LaRivière, Crystal City, Pilot Mound, Cartwright, Holmfild, Killarney, Whitewater, Deloraine, Ninga, Plum Coulee, Carmen, Douglas.

For further particulars apply to

**L. A. HAMILTON, Land Commissioner, Winnipeg.**

NOTE.—All payments are to be remitted by the purchaser direct to the Land Commissioner, Winnipeg. Local land agents are not authorized to accept or receipt for any monies in payment for land.

## PREFACE.

The Publishers have much pleasure in submitting herewith the eleventh annual edition of their City of Winnipeg Directory. The changing of the street numbers, after we had gone to press, made our first edition confusing, and we decided to make a thorough revise of the city, and now present the Directory with the new numbers, bringing the information down to the latest possible date. Every effort has been made to secure the christian names in full, which, we believe, will be of advantage.

All numbers under 200 are east of Main Street, numbers 200 to 300 from Main to Princess or Donald, and over 300, west of Princess and Donald. The terms east and west of Main have been done away with, houses are numbered consecutively from the Red River westwards, and from the Assiniboine River northwards.

Attention is called to our *Complete Classified Business Directory*. The steady increase of population has largely reduced the number of vacant houses over previous years. A reference to the street directory will show the vacant houses in the first week in July.

The following estimate of the population of the city based on the number of names in the Directory each year, from 1876 to 1890, is submitted for the first time.

ESTIMATED POPULATION, 1890—25,000.

The most pessimistic must acknowledge that Winnipeg has outridden the storm of depression, and is now steadily gaining in population. Attention is called to the large increase after the wonderful crop of 1887, and at the present estimate of the 1890 crop Winnipeg can look forward to her future greatness.

Respectfully,

THE HENDERSON DIRECTORY CO.

WINNIPEG, July, 1890.

PROTESTANT SCHOOLS OF MANITOBA.

The present system was established in 1871. Since that date its progress and development have kept pace with the advancement of the Province in population, as is shown by the following table :—

Year.	No. of Schools.	Total attendance.
1871.....	16.....	816
1872.....	17.....	1,095
1873.....	17.....	1,108

The system provides for the free education of children, from the ages of five to sixteen years. These provisions embrace schools for primary education, established in every part of the Province, where a settlement of ten or more children of school age within a radius of three miles is found ; also Collegiate departments connected with the primary, at Winnipeg and Brandon, which affords students the preparation necessary for entrance into the University and for teachers' certificates. No settler, therefore, is compelled to send his children out of the Province in order to complete their preparation for professional life, or to secure them any educational advantage to be obtained in the eastern provinces.

On the 1st May, 1890, the system will be changed to the Public Schools of Manitoba, managed by the Department of Education, and an Advisory Board consisting of 6 members, 2 to be appointed by the Government, 2 to be elected by the School Teachers, and 2 by the University and Colleges of Manitoba.
