## PARK GAILY DECORATED

Speakers Heard From Plat form Covered With Flags and Bunting.

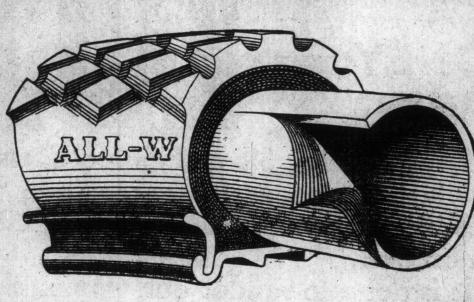

Hundreds of Kew Beach residents attended the patriotic rally on Saturday night in Kew Beach Gardens, held by the York Rangers. The beautiful park looked like fairyland, with the electric lights and flag-decorated platform, and the martial strains of the York Rangers' Band rendered the

event an inspiring one. The band played several national airs, and the assemblage sang the choruses with vigor. President E. A. Berkinshaw of the Balmy Beach Cluh expressed gratification at the splendid turnout to hear the reasons for the

present important recruiting movement. The Beaches had done nobly in ment. The Beaches had done nobly in sending strong delegations with the first and second contingents, as the honor rolls of the local churches, and, sad also to say, the casualty lists had shown. The sons of many of the fam-ilies at the Beaches were now at the front, and he was confident that the call for reinforcements mould be are Tont, and he was condicent that the call for reinforcements would be well responded to by many others from the locality, as the reasons for the present call were fully recognized. The band led the meeting in the hymn, "Oh, God, Our Help in Ages Past."

Controller F. S. Spence said that it young people at the patriotic rally. They had the privilege of belonging to the British Empire, because the words Britain and England represe erty, while Germany stood for brute force and tyranny. The young men of Germany were not invited to meetings to have the justice of the war discussed before being asked to enter the ranks. They were compelled by despotic orders to join the army, which sought only to gain territory for the kaiser. If the kaiser's army succeeded in Europe, the heel of German oppres-sion would crush down the rights of the people of Canada. In the battles to prevent such a contingency it was a high privilege for the young men o Canada to take a part.

"The Maple Leaf" and "Tipperary' were played by the band with the choruses sung by the assemblage. As the weather turned to rain, the band led a procession to the Kew Beach Presbyterian Church, where the meet-

## **Goodyear Tubes Can't Leak They Outlast Any Tire**

Inner tubes are made to hold air. Those that are made of one thick piece of rubber are apt to be perous. Neither can foreign matter be detected. So the air escapes and your tires run into trouble. Tubes that are colored contain much mineral matter. That, heats up under friction and destroys the tube before its time.

Goodyear Inner Tubes are made of thin sheets of "pure natural gray rubber. So the slightest flaw is detected and eliminated. Then these perfect sheets are wrapped laver on layer and vulcanized into an inseparable unit. The valve patch, too, is made part of the tube. It is not stuck on. And so our method makes the tube proof against inherent leaks.

## **20 Per Cent Lower Priced**

Besides giving extra quality, we cut our prices 20 per cent on tubes when we announced our great reduction on Goodyear Fortified Tires. Ten Toronto Bands Take Part in Riverdale Program Tonight.

TO BOOST RECRUITING

Natural Amphitheatre Will Accommodate Big Crowds -Sergeants Will Be Busy.

Tonight's military tattoo in Riverdale park promises to be the greatest event of its kind ever held in Toronto. Ten military bands will participate. Eight of these are brass, one is a bugle band and the other a pipe band. It will be a spectacle long to be remembered and the effect which it will have upon recruiting in Toronto should be far reaching.

Musical and patriotic Toronto, it is expected, will turn out A masse and there will be abundant room at the large natural amphitheatre which Riv-erdale park affords. It is not thought that yesterday's showers will interfere to any great extent and provided good weather prevails today the grounds should be in good condition. The favorite orchestra, as usual, furnished the music, which, of course, spelled success for the dance. The large ballroom up-stairs was exceedingly pretty, the decora-tions being most artistic. Down the cen-tre of the floor was a miniature canal, filled with real water, with ferns and plants growing in and around it; over-head the celling was draped with colored ribbons and studded with very effective Chinese lanterns, and the view from the door of the lighted bowling green, with a match being played, was lovely; an-other door showing the illuminations at a Hanlan's Point and the city across the bay. The girls dancing were pretty and their dresses were of the latest and smartest cut, of the most beautiful ma-terials, chiefly taffetas in white and the softest shades. Grand Trunk won the toss and Lieut.-Col. Dansereau-kicked off. It was even up with close chances on both sides. The Trunks soon had a breakaway, and Laycock, coming out of his goal to clear, did not get the ball away and Stott, taking advantage of an open goal, had no difficulty in scoring. This success put new life into the Trunks, and for a time they harassed the Red Rose defence. Rooney forced a corner, which proved abortive. The Trunks were now having the best of matters, but could not again pierce the defence. The Trunks' forwards at this stage were superior to the Red Rose, but could not add to their score, the latter sadly missing Conway's services. The whistle blew shortly af-terwards for the interval, with the Trunks leading 1-0. <u>Becond Half.</u> On restarting, Lancashires pressed and offer some versity work Beaman MANY FLORAL TRIBUTES Dignified simplicity and strict privacy marked the funerals of the five victims of the Muskoka motor car tragedy, who were laid at rest on Sat-urday, at Mount Pleasant Cemetery.

**WHAT WILL WE DO TO ROCHESTER?** John Ganzel and his Rochester Club will be here today and tomorrow for their last appearance of the season, the dium tomorrow, owing to the island grounds being engaged for the police games on Wednesday. It is likely that Ganzel will work southpaw Chester Hoff against the Leafs this afternoon, while Clymer will most likely use Luque. On the season the Hustlers have one game on the locals and Clymer will endeavor to get that back this trip. CANADDAN LEACUE

**DR. SOPER** Dodge Wins Hotel DR. WHITE Stakes at Fort Erie FORT ERIE, Aug. 7.—The Kentucky colt Dodge added another to his list of victories when he won the Iroquois Hotel Stakes, a handicap for 2-year-olds at five and a half furlongs, today. The Iroquis was the feature of the half-holday program offered by the Niagara Jockey Club a: Fort Erie this afternoon and it brought out the best youngsters racing here. I vodge shouldered the-top weight, 122 pounds, made all of his own pace and drew away into a lead in the last quarter, winning eased up by a half dozen lengths. Milestone bumped two or three of the horses in the race, King Neptune being the principal suf-ferer. The latter was in a jam at the half-mile pole and Cooper was forced to pull him up until he was the last of his field. **SPECIALISTS** following Diseases Dyspepsia Epilepsy Rheumatism Skin Disease Kidney Affec
