Technical and Bibliographic Notes/Notes techniques et bibliographiques

The Institute has attempted to obtain the best original copy available for filming. Features of this copy which may be bibliographically unique, which may alter any of the images in the reproduction, or which may significantly change the usual method of filming, are checked below.

L'Institut a microfilmé le meilleur exemplaire qu'il lui a été possible de se procurer. Les détails de cet exemplaire qui sont peut-être uniques du point de vue bibliographique, qui peuvent modifier une image reproduite, ou qui peuvent exiger une modification dans la méthode normale de filmage sont indiqués ci-dessous.

This item is filmed at the reduction ratio checked below/
Ce document est filmé au taux de réduction indiqué ci-dessous.

10X	14X	18X	22X	24X	26X	30X
12X	16X	20X	/		28X	32X

The copy filmed here has been reproduced thanks to the generosity of:

Library of the Public Archives of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

La bibliothèque des Archives publiques du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

FISHERY LAW.

ABSTRACT of An Act, passed A. D. 1838—entitled “An Act to prevent injuries to the Fisheries within the County of Lunenburg, by

MILL DAMS, OR ANY OTHER OBSTRUCTIONS.”

1st. General Sessions to appoint OVERSEERS OF FISHERIES, each of whom is to be sworn, and to forfeit a fine not less than *one pound*, and not more than *five pounds*, for neglect or refusal to serve. General Sessions may pay out of County Rates, such sum, as they may deem necessary for enforcing this Act.

2nd. Each Overseer shall from time to time, and at least three times a year, carefully examine the different Rivers, Streams, Branches of Rivers, Lakes, Mill Ponds and Brooks, within his district; and in case any Mill Dam, Erection, Nuisance, of Obstructions whatever, or any Slabs, Boards, Stones, or other thing injurious to the Fisheries, or by which the Fish cannot *freely pass* be found therein,—the Overseer shall report the same, on oath in writing, to any Justice of the Peace.

3rd. Any Justice to whom such complaint, or the complaint of any person on oath shall be made, shall notify the same to the Clerk of the Peace, who shall assemble a SPECIAL SESSIONS, and give notice thereof to the owner or occupier, or person offending. Special Sessions shall examine into the complaint, and if they find it *well grounded and proved*, they shall order the owner, occupier, or offender, to REMOVE the same according to the meaning of this Act, within a reasonable time, and convict him in a Penalty of not less than *Two*, nor more *Ten pounds for each offence*, with Costs.

4th. Such Special Sessions shall and may, if they deem it expedient, also issue a WARRANT to the Sheriff, directing him with his Assistant to remove or destroy the obstruction or nuisance; and all persons are required to aid him, under a penalty of not less than one pound, and not more than five pounds, for neglecting or refusing so to assist.

5th. Warrant to issue for above Fine and Costs.

6th. Party aggrieved may, on giving Security, appeal to General Sessions.

7th. General Sessions may regulate Fisheries, although the Land on both sides be owned by the same person, and may forbid fishing by dip nets or scoops.

COURT OF GENERAL SESSIONS, LUNENBURG,

10th APRIL, 1838.

The Court direct that all obstructions to the River Fisheries be forthwith removed, and that the OVERSEERS OF FISHERIES diligently perform the important duties imposed on them by the above Act.

By the Court,

CHARLES B. OWEN,

CLERK PEACE.
