SINGLE COPIES 6 CENTS

BIG SELF-SERVICE STOCK REDUCING SALE

500 Pairs SHOES 500 Pairs
Men's, Women's, Boys', Girls', Children's

LONGMIRE'S

Three Days Only Beginning Thursday, August 19th at 2.30 o'clock p.m. and ending Saturday night, August 21st at 10.30.

HERE'S THE STORY. I find it necessary to reduce my stock of Shoes not only from the fact that I need the capital invested, but it is considered a good business method to clear out all broken lines and odd lots of Shoes at this season of the year. Hence my willingness to stand any loss to effect a speedy and absolute clearance at this Big Stock Reducing Sale.

Now, whenever this Store advertises BARGAINS there is no fake about it. REAL BARGAINS are offered as hundreds of customers can vouch who have attended previous Bargain Sales held at this Home of Good Shoes. There has been no reduction in the wholesale price of Boots and Shoes and therefore no prospect of cheaper footwear for some time to come. This is all the more reason why you should attend this Big Stock Reducing Sale. In making up these Bargain Prices no thought was given to the wholesale cost price. EVERY PAIR WILL BE SOLD AWAY BELOW COST.

SELF SERVICE PLAN

As no extra clerks will be employed for this Big Sale, every person who attends is requested to serve themselves. The right shoe of every pair to be sold will be placed on large tables, the Bargain Price being plainly marked. You select the style you like, try them on yourself. If they fit hand in the amount and receive the mate. In this manner you wait upon yourself.

Four Big Tables of Bargains

TABLE No. 1 will contain regular \$9.00 to \$12.00 SHOES all marked down to \$6.98	TABLE No. 2 will contain regular \$6.00 to \$8.00 SHOES all marked down to \$4.98
TABLE No. 3 will contain regular \$5.00 to \$7.00 SHOES all marked down to \$2.98	TABLE No. 4 will contain odd lots Men's, Women's and Children's SHOES. Good Quality Shoes marked down to only \$1.98

This Store will be closed on Thursday morning to prepare for the Big Sale. Doors will open at 2.30 p.m. sharp.

Important: At this Sale no Shoes will be allowed out on trial and positively No Exchanges made.

Remember these shoes are selected from our regular stock and are therefore GOOD SHOES. COME find a pair for yourself. COME EARLY. You'll save money no matter what pair you buy.

Windsor Defeated Bridgetown Thursday

The Rain Prevented More than One Inning Each

The visitors arrived by auto in the morning after a disagreeable drive through the rain from Windsor. Lunch was served by a number of Bridgetown ladies. The game was commenced, notwithstanding the rain, the Bridgetown boys going to bat first.

They were retired with a score of 50. Windsor followed with 65.

BRIDGETOWN

1st innings	
C. Ollerhead, b Anslow, c Forsythe	3
Whiteway, b Anslow, c L. Smith	1
Gill, b and c Shaw	1
Webb, b Anslow	0
Bothamley, b Anslow	14
O. Ollerhead, b Anslow, c Dill	10
W. Donat, b Anslow	2
Little, b Anslow	0
J. Donat, b Shaw	8
Young, b Shaw	0
P. Donat, not out	4
Byes	3
Leg Byes	4
Total	50

WINDSOR

1st innings	
McElhinney, b Donat	0
Candle, b Gill, c Donat	2
Maurice, b Gill, c Donat	4
Anslow, b Gill, c Whiteway	9
Forsythe, b Donat, c Whiteway	11
Weatherhead, not out	13
H. Smith, b Ollerhead	0
Dill, b Ollerhead	0
L. Smith, b Donat	6
Shaw, b Donat	1
Koach, b Ollerhead	3
Byes	14
Leg Byes	1
Wides	1
Total	65

Bridgetown again went to bat and was making a good showing, when rain made it necessary to stop the game, and make the decision from the first two innings. In Bridgetown's second innings P. Donat made 11 runs, C. Ollerhead 11, R. Whiteway 6, Gill 1 and Bothamley (not out) 3. The Bridgetown boys also had to their credit in this innings 1 leg bye and 1 wide.

Bridgetown plays a return match at Windsor Thursday, Aug. 26th.

Wolville plays Bridgetown at Bridgetown today.

The Serial Of Thrilling Sensations

Pearl White in "The Black Secret" A Big Attraction at the Primrose Theatre

The Black Secret is said to be the best serial ever shown in Bridgetown and that is certainly speaking highly of it for we have had some good ones in the past. It has just commenced as will be seen by the theatre's regular advertisement in the MONITOR and to appreciate this picture now is the time to begin your attendance and if you do you will get interested at once.

It is a story of the late war where a brave hearted and staunch blue blooded maiden firmly determined to outwit and crush the black-hearted gang whose secret is a terrible menace—On the other side is a band of implacable foes in possession of a terrible secret the revelation of which must cause their disgrace and death!

We do not intend to publish the story. We have told enough. It is up to those who enjoy good pictures to see the coming episodes.

Bishop & Bishop, the proprietors of the Primrose Theatre, select only the best, and we can assure our readers this is no exception.

Marine News

The sloop A W Longmire, Capt Longmire, arrived at Yarmouth on Tuesday evening and on Wednesday landed her fare of 6,000 lbs of fresh halibut and 25,000 of shuck, which was purchased by George R Earl. The vessel stocked \$1,600.

How Much in Bridgetown? The Digby Courier says: During the past four or five weeks the town has collected over \$225 in fines for offences against the Motor Vehicle Act.

NOT COSTLY

"Pa, what is sympathy?"
"Sympathy, my boy, is what you usually give to another, when you don't want to lend him any money."

Bridgetown Ready To Stage Big Games

Valley League Secretary Was in Halifax to Arrange.

[Halifax Herald]

Bridgetown baseball men are hot after the Crescents and Middleton teams to play two exhibitions in the "cider" town Labor Day. Fans there state that these teams would draw a record attendance, as sports from all parts of the Valley would motor in to see the games. Secretary Bath of the Valley League, who also belongs to Bridgetown, came to Halifax to interview Manager Shields and Captain Hanlon, in regard to the Crescents accepting the offers made them, but the locals cannot as yet give their definite acceptance. Big games may be staged here on Labor Day between the Crescents and an American team, or the Stellarton club.

Should these games not be played, the offer of Bridgetown will be accepted. Bridgetown has a splendid diamond, with club rooms and showers and other necessities, and the locals are promised a good time should they make the trip.

Camp Meetings Largely Attended

Meetings Closed But Camp Will Remain Open For Accommodation of Visitors.

(Wednesday's Berwick Register)

The 49th annual Camp Meeting opened last Tuesday evening. Rev. A. B. Higgins, President of the Association conducted the opening service and introduced the speakers in charge of the meetings. They are all members of the New Brunswick Conference, namely: Rev. H. A. Goodwin, H. E. Thomas, Harry Rice, H. S. B. Strothard and G. F. Dawson. Mrs. G. F. Dawson was organist. The weather has been all that could be desired since the opening of Camp. The cottages are practically all occupied and the attendance has been increasing daily. On Sunday many people took advantage of the fine bright day to drive or motor in from the surrounding country and the grounds were thronged with visitors who came from far and near.

Among the ministers are the Revs. S. Huestis, W. Ryan and J. M. Fisher, who belong to the Old Guard of the Association and rendered invaluable help in the olden days when the Camp Meeting was in its infancy. The addresses by the different speakers have been very forceful and proved to be very helpful.

At the business meeting on Saturday Rev. A. B. Higgins was again elected president, and the other officers were also re-elected. H. E. Dunnack, State Librarian for the State of Maine, will be one of the speakers at the patriotic service.

Mr. Dunnack is a native of Grand Falls, N. B. The meetings close this evening, but for the accommodation of those attending cottages the grounds will remain open until the end of the month.

Next year is the jubilee year of the Association, and a big time is expected.

PAINS SO BAD STAYED IN BED

Young Mrs. Beecroft Had Miserable Time Until She Took Lydia E. Pinkham's Vegetable Compound.

Hamilton, Ont.—"I have suffered for three years from a female trouble and consequent weakness, pain and irregularity which kept me in bed four or five days each month. I nearly went crazy with pain in my back, and for about a week at a time I could not do my work. I saw Lydia E. Pinkham's Vegetable Compound advertised in the Hamilton Spectator and I took it. Now I have no pain and am quite regular unless I overwork or stay on my feet for early morning until late at night. I keep house and do all my own work without any trouble. I have recommended the Compound to several friends."—Mrs. Emily Beecroft, 209 Victoria Ave. N., Hamilton, Ontario.

GENERAL NEWS IN BRIEF

(By C. P. R. Telegraph.) Leithbridge, Alta.—The Leithbridge Brick Company have commenced operations with a capacity of 15,000 bricks a day, which they expect to increase shortly to the full capacity of 35,000 bricks. Sydney, N. S.—A large order for rods and bars has been secured from the Japanese government by the Dominion Steel Corporation, which will keep the rod and bar mill in operation for a long time to come. Edmonton, Alta.—A new market for the Alberta potato crop was opened up recently when a first consignment of a carload of this vegetable was sent to San Francisco. Winnipeg, Man.—The first paper bag manufacturing company in the west will be established here in the near future. The Western Canada Paper Bag Co. is at present being organized by A. Seabrook, and equipment costing \$50,000 being purchased for the plant. Charlottetown, P.E.I.—With the slogan of "Spend your vacation in Canada" being taken up everywhere, Prince Edward Island is looking forward to a large holiday traffic and a great influx of visitors. Virren, Man.—Dairying is making rapid strides in Manitoba. In 1912 55 cars of creamery butter were imported; in 1913 the number dropped to 35; and in 1914 to 20 cars. In 1915, 50 cars were exported; in 1916, 68 cars; in 1917, 96 cars; in 1918, 176 cars; and in 1919, 150 carloads left the province. St. John's, Nfld.—The Minister of Marine and Fisheries, who has just returned from the United Kingdom and Europe, states that great interest in Newfoundland affairs is being taken in England and that capitalists are more inclined than ever to embark on the exploitation of the colony's natural resources. Halifax, N. S.—Arrangements have been made to employ a wireless equipped fisheries protection cruiser during the coming season for the purpose of scouting mackerel in order that fishermen may be advised of the arrival of schools, their location, approximate size and direction and movement. Montreal, P.Q.—A total sum of \$5,093,120 was realized at the fur auction sales here. Prices were proportionately higher than at the New York and St. Louis sales, beaver bringing as high as \$100 each, minkskin \$150, muskrat \$7.50, wolf \$45.25, white fox \$70.00, fisher \$33.00, lynx \$62.50, fisher \$245.00, silver fox \$1,225.00. Victoria, B. C.—Canadian Holstein cattle are highly regarded in Australia, according to H. A. Simmons, who recently delivered a small herd of these cattle there. He claims that the Holsteins bred in the Antipodes are not as good as the Canadian bred stock and is making preparations to assemble another herd for export. Regina, Sask.—More settlers are coming into Saskatchewan from the United States this spring than at any time since the outbreak of the war, according to figures which have been received by local C.P.R. officials. While this influx is considerable, it is said by these same railwaymen to be nothing to what may be expected later in the summer. During the first three weeks of the month, twenty settlers arrived here from U. S. points on their way to land in the province and twenty-three cars to Alberta points. Settlers are also coming through Kingsgate and Emerson, the traffic at the latter place being particularly heavy and as many as 46 carloads of effects passing through the port of entry in a day. GRANVILLE FERRY Miss Ella Longmire is visiting her father in St. John. Miss Gertrude Willett is visiting her mother, Mrs. Lawrence Willett. Mr. and Mrs. John Gilliat are being congratulated on the arrival of a son on Aug. 4th. Miss Gwendolyn Jones returned to Aylesford on the 5th after visiting Miss D. Mortimer. Mr. Eddard Caswell, who has spent several weeks here with his mother, left on the 5th for St. John, before proceeding further west. Arch Gesner has taken up his old position on the Ferry service. It is rumored that the steam ferry is to run for a while every day. Dr. and Mrs. Goodwin and daughter are guests at the home of Mrs. Weatherpoon. Also Mrs. Longale and her son, are staying there. A good sample of road making is the mountain road to Parker's Cove, which is almost smooth as a lawn and delightful means of getting to a good picnic place.

ST. JOHN WOMAN ALMOST GAVE UP

Was So Weak Has To Be Helped Out of Bed—Gains Thirteen Pounds Taking Tanlac.

Just think of it. Only a few weeks ago I was so bad off as to be almost helpless, but since taking Tanlac I have gained thirteen pounds in weight and am enjoying the best of health," said Mrs. Leonard Miller, 124 Water St., St. John's Newfoundland, a few days ago. "No one knows what I have gone through with during the past nine years, for I have suffered from a complication of troubles," she continued. "My digestion was so bad that no matter what I ate it would disagree with me and keep me in misery for hours afterwards. I was troubled a great deal with heartburn and after every meal I would have a stuffy, distressing feeling. My heart palpitated so had I thought I would smother, and I became so dizzy I had to catch hold of the nearest thing to keep from falling. My back was weak and lame and at times it pained me so bad I just had to take to my bed, and whenever I wanted to get up I always had to have someone help me. Severe headaches often came on and I was so restless and miserable I could never sleep good at night. My nerves were terribly upset and even the children playing would nearly run me wild. I was afraid to be alone, for several times I thought I was going to die. Then rheumatism set in and my hands and feet would swell up and pain me so bad I could hardly stand it. I gave up my housework entirely and was so weak that, as I now look back over my condition, it is hard for me to understand how I held out as long as I did. "But now things are different, for Tanlac has overcome all my troubles and I am feeling like a young girl again. I enjoy my meals now, because I can eat anything I want and not suffer one bit afterwards with palpitations or heartburn. My back never bothers me in the least and the headaches are a thing of the past. My nerves are steady and I can sleep all night long as sound as a child. The rheumatism has completely disappeared and I have gone back to doing my housework all by myself. I feel stronger and better than I have in many years and I am overjoyed at what Tanlac has done for me." Tanlac is sold in Bridgetown by S. N. Weare in Middleton by Clifford A. Mumford and in Bear River by L. V. Harris.

Will of Senator Dennis

The residence on Coburg Road, Halifax, goes to Mrs. Dennis. The stock of the Halifax Herald, Ltd., goes to W. H. Dennis 55 per cent, 35 per cent to Wm. A. Dennis, and 10 per cent to a grandson. Brothers, sisters, nephews and nieces get bequests. Hiram Weir receives \$10,000; W. R. MacCurdy \$6,000; John Trider \$1,000, and Miss Houstous \$1,000. Mrs. Dennis receives \$50,000 for charitable institutions. The Eric Dennis chair in Dalhousie is increased from \$60,000, to \$100,000. The residue of the estate is divided between Mrs. Dennis and the children.

BABY'S GREAT DANGER DURING HOT WEATHER

More little ones die during the hot weather than at any other time of the year. Diarrhoea, dysentery, cholera infantum and stomach troubles come without warning, and when a medicine is not at hand to give promptly the short delay too frequently means that the child has passed beyond aid. Baby's Own Tablets should always be kept in the house where there are young children. An occasional dose of the Tablets will prevent stomach and bowel troubles, or if the trouble comes suddenly the prompt use of the Tablets will relieve the baby. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

An Up-to-date Advertiser

One of Bridgetown's manufacturers who has demonstrated that advertising is a profitable investment is Mr. R. Whiteway, Manager of Annapolis Valley Cyder Co. His whole page in Friday's Hx. Herald, was well written and very attractive and we are sure it will greatly increase his already large sales of "Evangeline Brand" of Apple Cyder.

PROMPT RELIEF FOR THE AGED-DISTRESS

after meals, dissolved on the tongue—keeps your stomach sweet—try it—sides—the new aid to digestion. MADE BY SCOTT & BOWNE MAKERS OF SCOTT'S EMULSION

Admitted the Crime

"What," said the woman, doing her own marketing, "is the price of these chickens?" "A dollar and a quarter apiece, ma'am" replied the market woman. "Did you raise them yourself?" asked the lady. "Oh, yes, ma'am. They was only a dollar ten last week," was the reply.

A Right Choice

Nearly everyone arrives at a point where there is need for a tonic-restorative. Scott's Emulsion is the choice of tens of thousands because it gives tone to the whole system and restores strength. MAKE SCOTT'S YOUR CHOICE! Scott & Bowne, Toronto, Ont. 20-11

SHIPPING AND FISHING NEWS

Schr. Ononette, Capt. Longmire, arrived at St. John July 31 from New York. Capt. John Corkum left Lunenburg for Halifax last week to take charge of the tern schr. Canadian Maid, loading for South America. The tern schr. Stewart T. Salter, which recently discharged hard coal at Weymouth, is now at Five Islands loading spruce lumber for New York. The two-masted schooner, Neva, arrived in Parrsboro Thursday from Windsor in ballast, and will load a cargo of spruce, lumber for the Sound of New York, shipped by J. Newton Pugsley. The auxiliary schr. Cora Certie, which went ashore last week on Peter's Island, near Westport, came to Yarmouth Tuesday. She is considerably damaged and is at O'Hanley's dock where her engine is being removed by C. J. O'Hanley for a general overhauling. The schooner will afterwards be towed to Meteghan where she will undergo permanent repairs. The schooner W. M. Richard, Capt. Boudreau, which for the past two months has been undergoing very extensive repairs at Meteghan, is now about ready to go into commission. The tug Wanda left Yarmouth for that place Tuesday to take the schooner to Yarmouth to load a cargo of lumber for the West India market. The George McClearn Lumber Co., of Liverpool, are the charterers.

A REAL LIVE TESTIMONIAL

Given to Professor Hamilton, of Hampden, N. S. Park's Creek, Lunenburg Co., N. S. June 18, 1914

Professor B. S. Hamilton, East Middle LaHave Dear Sir—I hear you are about leaving for Lunenburg, and before doing so, I wish to thank you for what you have done for me. As you are aware, when you arrived in March I was a cripple, getting around with a crutch and stick. This state of affairs was brought on through an accident in June, 1913, and had turned to what the doctors who had been treating me called chronic rheumatism. Their treatment had very little if any effect. Today thanks to your treatment, I am completely cured. I can walk without any assistance, and have discontinued wearing the knee caps. I can sincerely recommend your treatment to those afflicted as I was, Capt. Conrad, of LaHave, also wishes me to state that he derived great benefit from your treatment. Again thanking you, I remain respectfully yours, A. V. CONRAD

Exhibitions

The Halifax Board of Trade announced Thursday the following dates of Nova Scotia exhibitions, with the name and address of the secretary given in each case: Sydney, Sept. 29 to Oct. 2, D. R. Nicholson, Coxheath. Stewiacke, Sept. 28-30, A. D. Fulton, Stewiacke. Caledonia, Queens Co., Sept. 28-29, Fred Kempton, Kempton. Pictou, Sept. 27-29, John D. McDonald, Pictou. Antigonish, Oct. 5-6, T. F. McDonald, Antigonish. Yarmouth, Sept. 29 to Oct. 1, W. Corning, Yarmouth. Bridgewater, Sept. 21-24, J.G.A. Robertson, Bridgewater. Shelburne, Oct. 7-8, W. K. Hood, Shelburne. Oxford, Sept. 23-24, W. H. Chase, Oxford. Kentville, Oct. 5-7, Prof. W. S. Blair, Kentville. Port Hood, Sept. 21-22, J. A. McDonnell, Judique. Bear River, Oct. 1, C. E. McErdman, Bear River. Maritime Winter Fair, Almerst, Dec. 13-16, F. L. Fuller, Truro.

Use B-H Paint—it Pays

B-H Paint will withstand the severe "climate test" of many hard Canadian winters. Speaking more definitely still, there is one paint that carries a 100% guarantee on every can.

B-H PAINT

Famous for its covering capacity and durability. It has a base 100% pure, to which is added a fine turpentine and an exceptional linseed oil from the B-H mills. Some dealers can sell you paint which costs less per gallon than B-H, but it will not have the B-H guarantee of quality and permanence—neither will you have the certainty that a gallon will show the greatest covering capacity. Even at the slightly higher cost of B-H you will find when the job is done that the ultimate cost is lower—very much lower. Another thing, just look at any house that was painted, maybe years ago, with B-H and see the "finish" that still remains.

A Good Advertising Medium

The Editor was pleasantly entertained recently at Sea Breeze, one of Deep Brook's popular summer hotels. While there the genial proprietor, Mr. R. V. Ditmars, informed us that in less than two weeks after giving this hotel favorable mention in our columns, one of our regular subscribers in Texas wrote for terms, planning to spend next season at this beautiful resort.

Entertainment at Deep Brook

A correspondent writes: Tourist and residents are eagerly anticipating the sale of the Dorcas Society, at the Baptist Church, Deep Brook, on August 25th. Already many beautiful articles have been received. What is more unusual there is a demand for an advance sale by those whose early departure will prevent their presence at the party.

Stay on Your Job

An exchange says: Thousands of railway men are being laid off in the United States and in Canada as well. It is a bad sign when traffic falls off, and indicates depression. Our advice to those who have jobs is to make the most of them, stick to them, for unless all signs fail, there is a quiet spell not far ahead.

THE ARMY WORM PEST IS HERE

Every Farmer Should Take Extra Precaution

The Army Worm is now very prevalent in parts of Nova Scotia and doing a very considerable amount of damage. Considering this and remembering the seriousness of the outbreak in 1914, it will be well to be on the look out for these devastating caterpillars.

The Army Worms are from 1 1/2 to 2 inches long and the variety prevalent this year are particularly dark in color.

guests of the former's brother, Mr. C. B. Tupper.

Mrs. J. M. Owen, of Annapolis is reported steadily improving in health in Montreal. No operation was performed on her shoulder but special treatment is steadily increasing its usefulness.

Prof. and Mrs. H. B. Penhollow and two children who motored from New York City and were the guests of Mr. and Mrs. W. N. Stronach for ten days, started on their return trip Friday.

Mrs. S. J. Porter and daughter, Lillie J., of Boston, Mr. S. J. Porter, of Clementsport, and Mrs. F. W. Dakin, of Toronto, spent the weekend, the guests of Mr. Richard W. Ray, of Upper Granville.

Mr. and Mrs. David Shipp, Mrs. Freeman Shipp, Mrs. Manly Brooks and Mr. Myers Gibson motored to Yarmouth Aug. 4th to attend the Guide's sports. They report a very pleasant outing.

Mrs. R. D. Atkinson and son Crofton, of Advocate, Mrs. Elwood Armstrong and daughter Mildred, of Walrus, Sask., and Mr. Chesley Rice, of Paradise, have been recent guests at the home of Mrs. Wm. Piggott.

Conductor M. Nichols of Truro, who is now in charge of the Buena Vista express between Kentville and Halifax alternately with Conductor Wm. Clark, was among the Camp Meeting visitors in Berwick on Thursday.

Mrs. James Hoyt and children and Miss Madge MacKay, who have been spending their vacation with their parents, Mr. and Mrs. H. R. MacKay, Annapolis, left Thursday to return to their home in Montclair, N. J.

Dr. and Mrs. C. W. Thorne, who have been visiting his parents, Mr. and Mrs. Fred W. Thorne, Lower Granville, have returned to Halifax. Dr. and Mrs. Thorne have recently returned from Brooklyn, N. Y., where he has been taking a course in M. E. Hospital.

Mr. and Mrs. Charles Judge, of Halifax, accompanied by their little granddaughter motored through from Halifax to visit Mr. and Mrs. John Daniels, Lawrencetown, and last week left on a trip around the South Shore accompanied by Mr. and Mrs. Daniels.

Mrs. E. F. Goggans, who has spent most of the summer at the home of her mother, Mrs. John Greenland, Morse Road, has left for the U. S. We are very pleased to report Mrs. Goggans has improved in health and we hope she will continue to do so.

Mrs. F. R. Elliott, of Middleton, who accompanied by her son, Roy, has been spending several months visiting her brother, Editor Chipman of Winnipeg and her sister, Mrs. Flemming of Arrow River, Manitoba; also relatives in Ottawa, arrived home on Thursday last after a delightful trip.

Mr. Jack Michie was a passenger to St. John Thursday en route to Western Canada, where he expects to spend several months. Mr. Michie has been employed for some time in O. P. Cover's tonorial rooms and will be greatly missed by many friends in town, all of whom, however, wish him a pleasant and successful trip.

Capt. Leon Everett, of Bridgetown, master of H. R. Grace Co's steamer Bruyere, arrived in Yarmouth Saturday morning from New York and proceeded by auto accompanied by Mrs. Everett, who joined him in Yarmouth for Plympton, Digby Co., to spend a week there and at his home. He will return to New York Saturday, via Yarmouth to join his steamer which sails from that port about August 26th for Montevideo, Buenos Ayres and Rosario.

Before You Buy Your Phonograph

DECIDE whether you want one which plays all records, or one which limits you to a single make—whether you will be content with old standards of tone reproduction or the better qualities afforded by The Brunswick.

And remember, this super-phonograph is produced by the House of Brunswick—famous among American craftsmen for 73 years.

Just you hear The Brunswick! Learn what the Utiona All-Record Reproducer and the new All-Wood Tone Amplifier add to tone reproduction!

The Brunswick requires no exclusive artists. IT PLAYS THEM ALL—AT THEIR BEST.

Hear The Brunswick before you buy. Its choice means permanent satisfaction.

WEDDING BELLS

GIDNEY—BAILEY

The home of Mr. and Mrs. W. A. Bailey, of Round Hill, was the scene of a very pretty wedding, when their eldest daughter, Maria, was united in marriage to Mr. Conrad Gidney, son of E. A. Gidney, of Mink Cove; Digby Co. The home was prettily decorated with cut flowers and ferns, and a very pretty arch of green ivy and pink phlox was arranged in one corner of the drawing room. At 10.30 a. m. the young groom took his place beneath this, and immediately the bride gowned in white silk, with pearl trimmings, and the conventional veil and orange blossoms entered, leaning on the arm of her father. Rev. John Reeks performed the ceremony in the presence of the near relatives of both parties. The young bride is very popular and her young friends gave her a miscellaneous shower at her aunt Mrs. H. B. Whitman's home on

Saturday evening, and cheques, cut glass, silver and linen came in from friends. The happy couple left after luncheon by auto for their home in Mink Cove, followed by the good wishes of all.

Up to Date Motor Hearse

(Digby Courier)
The most up-to-date motor hearse in the province has arrived this week for J. F. Rice. It was specially designed by Mr. Rice and is not a "stock" hearse by any manner of means. There is a wealth of hand carving; the side and panels made to represent flowing draperies are remarkable and can be replaced by plain panels, which are desirable when the hearse is used for carrying an empty casket, or as an ambulance. It is lighted throughout by electricity and is equipped with every modern convenience an auto can have. A. B. Greer & Son, of London, Ont. were the builders.

SASKATOON'S UNIVERSITY FOR THE PRAIRIES

Upper Picture.—One end of the Administration Building, University of Saskatchewan, with the Engineering Building in the background.
Lower Picture.—A Travelling University, showing how instruction is carried to the farmers of Saskatchewan.

Long after the ivy peered in at the upper windows of such splendid universities as Oxford, Cambridge or Harvard, such an institution as the University of Saskatchewan had not even been imagined. When Sir Wilfrid Laurier, who laid the corner stone of this new university July 29th, 1910, was a student poring over his books few but Indians had stood on the height of land which is the site of the buildings shown in the accompanying photographs, and watched the waters of the South Saskatchewan River gliding swiftly and silently northward.
Although the prairie soil was as rich and the river as broad and full then as now, the City of Saskatoon was unconceived. Even as late as twenty years ago, where now stands a city of 30,000 people on three lines of railway, there were not one hundred men, women and children and these were housed in a few tents and shacks. The widest enthusiast would hardly have dared to prophesy that one day a university would grow there—yet there it stands!
The buildings of the University of Saskatchewan crown the height of land north east of Saskatoon and the site could hardly have been more fortunately chosen. It includes half a mile of well-wooded river front and altogether embraces 1,233 acres of rich land, 293 acres of which are set aside for a campus, 160 acres for purposes of agricultural experimentation and 630 for the Agricultural College farm. The plan provides for the eventual accommodation of 5,000 students.
The present buildings consist of an administration building, containing a hall and offices for the different departments as well as class rooms, two students' residences, one containing a spacious dining hall and the other a gymnasium and swimming pool; an engineering building; a livestock pavilion and up-to-date model farm buildings. All the buildings conform to the pre-conceived plan and will, like those already erected, be of stone in the Gothic style. Work has just recently begun on a new science building. There are also several private residences on the campus, the two principal stone ones provided for in the architect's plan being those of the President of the University and the Dean of Emmanuel College, a church of England Divinity School, the first of its kind in Saskatchewan also occupy a part of the campus. The University grants sites of from three to five acres to such affiliated colleges at a nominal rental. Eight thousand dollars has already been subscribed towards a beautiful structure which will be the home of the Presbyterian College.
The university provides degrees in Arts, Science, Law, Agriculture, Civil Engineering and a Diploma in Pharmacy.
The present enrollment is between 1,400 and 1,500, including returned soldiers who are retraining in various branches of skilled work, particularly engineering. Scores of promising returned soldiers have been turned out as capable motor mechanics. Steam engineering and the handling and repairing of farm tractors are also taught. Agricultural students, principally the sons of farmers, are training in livestock handling and judging, and even in the care and management of poultry.
An important feature of the work of the University of Saskatchewan has been its Extension Department consisting of short instructional courses at seasonal times for farmers and farmers' wives. Each year a special train is fitted out and a regular course of instruction mapped out including lectures to farmers. This train is widely advertised as the "Better Farming Train." It makes a tour of the Province, stopping at all important points and the farmers drive in for miles to examine the exhibits, talk over their problems with experts and hear the lectures. Realizing that the average busy farmer cannot go to the University, an effort is made to take the University to him and to let him know at first hand the results of experiments with special varieties of grain, the latest information about methods of soil tillage, and the like.
During the recent winter evening lecture courses have been given at a nominal fee for the benefit of city residents. Some of the best educated people in the community have attended these classes.
From an educational standpoint Saskatoon offers as great opportunities as any city in Canada. Complete training from Kindergarten to University is provided through a fine set of public schools, thirteen large public schools, which ranged in cost from \$115,000.00 to \$155,000.00 at pre-war building prices. An accompanying photograph shows two of them in one block in the working class section of the city. The enrollment of pupils in the public schools is now well over 4,000.
The Collegiate Institute, which provides the intermediate stage between the Public Schools and the University, has an enrollment of about 2,000.

Duke of Devonshire Keeps His Date

Canada is crowing over the exploits of a new Canadian Pacific Ocean Service liner, the Empress of France.
The Duke of Devonshire promised Sir Auckland Gosden, by cable, that he would preside at a dinner given to the new British Ambassador at Washington by the Canadian Club at the Prince's Restaurant, Piccadilly, London, England. The specific purpose of the Duke's visit, however, was to attend the wedding of his daughter, Lady Dorothy Cavendish, to Captain Harold MacMillan.
He was to sail on the Empress of France. Things looked bad at the start when the boat's schedule read "Sailing from St. John, N. B., March 13th." The 13 was a hoodoo right enough because a terrible gale set in with such fury that it was deemed advisable to delay the sailing twenty-four hours.
Capt. Cook, the commander, consulted by the Duke, gave a solemn promise: "Your Excellency will be in Liverpool at the appointed time on the stroke of the clock—if the ship's engines can manage it." Steam gauges were never so popular, stokers were heroes. A spirit of adventure tightened the nerves of all on board. The Duke kept his date.
Just as an after-thought, the Hoodoo of the 13 tried to break the Duke's promise by hanging a dense fog over the Mersey, but by cautious navigation Capt. Cook brought his great vessel to anchor opposite the Prince's Landing Stage at Liverpool at six o'clock on the morning of March 22nd, the date and hour scheduled for his arrival.

Made in Canada

WE know the sale of the Chevrolet Light Delivery Wagon depends on the satisfaction it gives in actual service. We also know that its valve-in head motor eliminates fuel waste and delivers fullest power, that its ample bearings cut friction to a minimum, that its perfect balance—strength without weight—insures stability and makes a maximum of power available for actual hauling.
These are only a few of the obvious reasons for Chevrolet ability, durability and economy.

NOVA SCOTIA'S TOURIST TRAVEL

A Comparison of Figures With Other Years

Passenger travel between Yarmouth and Boston for the month of July has just been tabulated and it shows the largest number of people travelling to and from Boston via this port than of any July in the past ten years. The daily service started from Boston on July 1st, and for the month there were twenty six complete trips between the two ports during which 8,103 persons arrived from Boston and 2,609 took passage from Yarmouth for Boston, making a total in and out of 11,712 passengers. For the corresponding month of 1919 only 14 complete trips were made when 7,412 passengers were reported inwards and 2,862 outward, or a total of 10,274 making a difference of 1,438 persons in favor of July, 1920. For the month June last the steamers made fourteen complete trips and brought 3,796 people, while they took away 2,137 or a total 5,933.

For June, 1919, the steamer North Star performed the service for the first two weeks and the Governor Cobb the latter two, making an total of eight trips for that month. During which they landed in Yarmouth 2,465 passengers and took away 1,652, or a total of 4,117, which made a difference in favor of 1920 with fourteen trips per month, of 826 persons. During the past month there was a decided slump in freights as only 637 tons of inward freight were received at Yarmouth from Boston and 930 tons were shipped from this port to Boston. In July 1919, the inward freights totalled 896 tons and the outward 1,938 or practically 1,000 tons more than last month.

A TONIC FOR THE NERVES

The Only Real Nerve Tonic is a Good Supply of Rich, Red Blood

"If people would only attend to their blood, instead of worrying themselves ill," said an eminent nerve specialist, "we doctors would not see our consulting rooms crowded with nervous wrecks. More people suffer from worry than anything else. The sort of thing which the specialist spoke of is the nervous rundown condition caused by over-work and the many anxieties of to-day. Sufferers find themselves tired, low-spirited and unable to keep their minds on anything. Any sudden noise hurts like a blow. They are full of groundless fears, and do not sleep well at night. Headaches and other nerve pains are part of the misery, and it all comes from starved nerves. Doctoring the nerves with poisonous sedatives is a terrible mistake. The only real nerve tonic is a good supply of rich, red blood. Therefore to relieve nervousness and run-down health Dr. Williams' Pink Pills should be taken. These pills make new, rich blood, which strengthens the nerves, improves the appetite, gives new strength and spirits, and makes hitherto despondent people bright and cheerful. If you are at all "out of sorts" you should begin taking Dr. Williams' Pink Pills. You can get these pills through any dealer in medicine, or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co. Brockville, Ont.

A GRAY DORT SPECIAL DID THE WORK

The Digby Courier says: "Peanut Marshall certainly did some driving with a Gray Dort Special on Tuesday. Leaving the Myrtle House with two guests who were going to Yarmouth on the Bluenose, he arrived at the station and found that the train had left. His passengers had to be in New York, so he started for Yarmouth, if necessary, but got to Weymouth and was waiting at the station when the Bluenose arrived—twenty one miles in twenty eight minutes. The roads can't be too bad in this county."

Here's one on old Mrs. Gleaner. Who was using her vacuum cleaner; When her baby at play, Got right in the way, And since then nobody has seen her.

TUXIS BOYS AND TRAIL RANGERS

BY FIRELIGHTER
"HOW HIGH OR HOW FAR IS THAT?"

As a real boy you should be able to judge distance from an inch up to a mile or more. You ought, first of all, to know exactly what is the span of your hand, the breadth of your thumb, the length from your elbow to your wrist, the length from one hand to the other with your arms stretched out to either side, and also the length of your feet; if you remember these accurately, they are a great help to you in measuring things.

Judging the distance of objects away from you is gained only by practice, and judging the distance of a journey is generally estimated by seeing how long you have been travelling, and at what rate; that is to say, supposing you walk at the rate of four miles an hour, if you have been walking for an hour and a half, you know that you have done about six miles.

Distance can also be judged by sound; that is, if you see a gun fired in the distance, and you count the number of seconds between the flash and the sound of the explosion reaching you, you will be able to tell how far off you are from the gun. Sound travels at the rate of 365 yards in a second, that is, as many yards as there are days in the year.

THE SEA MUSSEL INDUSTRY

A novel industry which promises rapid expansion and great popularity is no less than the development of a substitute for the succulent but somewhat costly oyster. This is the sea mussel, found in vast quantities along the low tide mark of the Atlantic coast, chiefly in New Brunswick. The Dominion Government, with the co-operation of scientists, has conducted experiments to this end in Western University laboratories and it is now claimed that mussels can be produced commercially and sold profitably at 15 cents per quart, as compared with the \$1.00 per quart around which oyster prices hover.

The mussel is by no means a new article of diet to the people of Canada, and besides being used extensively in coast towns has found its way to the tables of inland cities in Central Canada. Its delicacy of flavor and high food value have been much advertised since the establishment of government investigation and experiment, and deserve to be much better known. There is yet much to be done in the line of research to ascertain conditions under which production would be most rapid and profitable, and to this end the Council of Industrial and Scientific Research is devoting its efforts.

A survey of the mussel beds of the St. Croix River, which constitutes the boundary between New Brunswick and Maine, has occupied the attention of a scientist of the Council of Industrial and Scientific Research. It has also been determined that mussels become sweeter and more palatable the farther north they are found, and in this regard Canada has a distinct advantage over the mussel beds to the south of the Dominion. Those of the Hudson's Bay make particularly excellent eating.

Children Cry for Fletcher's CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA? Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

GENUINE CASTORIA ALWAYS Bears the Signature of *Chas. H. Fletcher*
In Use For Over 30 Years

Digby County Monitor

Mr and Mrs Frank Hayden left Thursday for Detroit.

Miss Grace Rice, of Baltimore, Md., is the guest of Mr and Mrs W Fairweather.

Mrs. Harry Cousins and daughter Gertrude have gone to Shelburne for a few weeks.

Walter Comeau of St John was the guest of his sister Mrs Wallace Abbott, on Wednesday.

Yarmouth Times—Mrs (Capt) George Hains and Miss Gertrude Hains are visiting friends in Halifax.

Miss Edith Reeks of Round Hill returned home on Tuesday after spending a week with Miss Marjorie Driffield.

Miss Agatha L Sullis, supervisor of schools in Bessmer, Mich., is visiting her father, S L Sullis, Fairmont Terrace.

Mr and Mrs Avon Chisholm, who have been visiting their sisters on Birch Street, left for their home in Allston Saturday.

Miss Violet Cousins, of Boston, Mass, is a guest of Mrs A J Westhaver, Harmony Lodge. She was accompanied by Mrs A H Henry, of Yarmouth.

Berwick Register—Mr G H Chisholm of the Kentville Publishing Co., with Mrs Chisholm and family were among the Camp meeting visitors to Berwick the past week.

Yarmouth Times—Mrs Byron B Abbott of New York, arrived here Saturday to visit friends. She was accompanied by her son Capt B F Abbott who proceeded to Halifax.

Rev Denton J Neily and Mr Herbert Derry from Massachusetts, accompanied by Byron A Roney are enjoying a few days out in the woods. They went in Mr Derry's auto as far as Lake Jolly and from there will canoe the chain of lakes.

M F Macdonald of Seattle, Wash, arrived in town Thursday to spend a few weeks with Mrs Alfred Warner, of Plympton. Mr Macdonald, (like his brother J D of Weymouth) is in the hat business, and is the western correspondent of the American Hatter, of New York. Mr Macdonald was one time a salesman in J L Peters' gent's furnishing department, then under the proprietorship of the late R S Fitzrandolph.

OFFENSIVE AGAINST THE GREEKS

Arabs Lost 7,000 Men in Attempting to Prevent French Entering Damascus.

CONSTANTINOPLE, Aug 4—Turkish Nationalist forces opened a bitter offensive against the Greeks along a sixty mile front in Asia Minor on Monday.

The battle line extends along the Bagdad Railway westward from Kutahia to Sivas. Greek forces in Anatolia are being reinforced from Thrace and in conjunction with British detachments, have already advanced eastward from Imdid to Adahabar.

The Turks are reported to have evacuated the Adana area, where the French have been heavily reinforced. Beirut messages indicate that the Arabs lost seven thousand men in attempts to prevent the French entering Damascus.

The French used armored cars, tanks and airplanes while the Arabs had only infantry, cavalry and poorly equipped artillery.

A CHALLENGE FROM NOVA SCOTIA

A C Ross, ex M P, has sent on behalf of the Royal Nova Scotia Yacht Squadron a challenge for the America's cup in 1921. The boat will be built in Canada, sailed by Admiral Armelias Jarvis, of Toronto, and it is said manned by Nova Scotia fishermen. If this race occurs we can assure the public that a breeze like prevailed on the Saturday the races were cancelled will just appeal to the Nova Scotian crew and the Americans will be compelled to race in rough weather if they desire to hold the cup.

MAGIC BAKING POWDER
Contains no alum

We unhesitatingly recommend Magic Baking Powder as being the best and purest baking powder possible to produce. It possesses elements of food that have to do the building up of brain and nerve matter and is absolutely free from alum or other injurious substitutes.

A SUCCESSFUL SALE OF ROTTEN RAINCOATS

The Result of Truth in a Newspaper Advertisement.

Here's a new true tale, with a point and a moral for the public generally as well as for dealers, as told by Frank Armstrong, secretary of the Better Business Bureau, of Iowa.

It concerns a well known department store proprietor, noted for his bluntness of speech and peppery temper, who walked into the office of his advertising manager one day to give orders regarding an advertisement in the next morning's dailies. The advertising manager was ill, and his new assistant a young college man, was doing his best to jelp things going.

"Young man" said the merchant, "I want you to stir interest in the water proof garment department. The fact is, we have a lot of rotten raincoats we've got to get rid of. They are shoptorn, and some of them are cracked, and we'll sell them for little or nothing. Now we've got to get the people to buy 'em. There are some good ones in the lot but if we can't sell 'em we might as well dump 'em in the river."

The young man assured "the boss" he knew exactly how to do it.

THEN THE STORM BROKE

The next morning when the merchant opened his paper to read his store's advertisement for that day, he came pretty near having a fit, for on the page opposite the editorials was the raincoat advertisement, away across the page in bold black face type, and it read this way:

"To tell the truth, we have a lot of rotten raincoats we've got to get rid of. They are shoptorn, and some of them are cracked, and we will sell them for little or nothing."

Down went his fist on the table, rattling the dishes and spilling the coffee. He read on:

"There are some good ones in the lot, but if we can't sell them, we might as well dump them into the river."

AGREEABLY SURPRISED

Without waiting to eat breakfast, he jammed on his hat close to his ears and started off down town, an hour ahead of his usual time, to discharge the youth who had written the advertisement. Red in the face he headed straight for the advertising manager's office. His partner met him on the way and asked:

"Do you know about the raincoats?"

"Do I know? Yes, I'm on my way to kick that fool out of the store."

"Then you don't know!" said his partner. "There was the biggest crowd in the raincoat department we ever had. Every garment was sold out thirty minutes after we opened this morning. That Ad. was a wonder. Seemed to please the people by its absolute frankness."

The merchant paused, and then turned his steps toward his office. He sent for the advertising man:

"Young man," he said, "how did it happen that you used my exact words in that advertisement this morning?"

DEAD MEN MAY ORGANIZE

There Are 2,000 of Them Living, But Officially Buried.

A despatch from Ohio says: A dead man's club, composed exclusively of ex-service men now living but listed officially as killed in action overseas, is the latest kind of fraternal organization suggested by William Wirt of this State.

Wirt is having a hard time trying to convince the government that he isn't dead and buried in France. His name now is being chiselled from the memorial bronze tablet recently erected here in a memorial building. Wirt estimates there are nearly two thousand ex-service men now living, whom the War Department records show were killed and buried overseas. He also declared that court records show about nine hundred men declared officially dead who are still alive. He suggests they organize a "Dead Man's Club" and adopt the slogan: "We may be dead, but we won't lie down."

HOT IN CHICAGO

(From a Chicago Paper)

Only 103 more shopping days until Christmas!

Today was the year's hottest. At 3:30 o'clock when the Mercury had crawled laboriously to 96 degrees, it had made a new higher record for the Summer. But it lingered only a moment and started its search for new altitudes.

Out on the North Side an unofficial weather profit ascribed the increased temperature to the fact that notices in raises of rents have been placed in the mails. Every body who received one of the notices got hot immediately.

In the loop the casualties were 279,000 linen collars, wilted at noon, 5,000 pairs of shoes ruined by frying asphalt, 4,000,000 eyes stopped up with flying dust, a prospective increase of 1 cent in the price of soft drinks.

It was 40 degrees above zero at Hammerfest, and there was a snow storm on Pike's Peak.

The Pants Will Come Of

People who go to the movies—and that includes nearly everybody—should be interested in the following advertisement in the Wayne (Ark) Progress: "If the lady who stoves her gum on my seat at the movies last night will call she may have the gum. If the gum won't come off she can have the pants, too."

Some Heat

A Oneco, Conn., despatch says: Monday was the hottest day in 40 years. Mercury went to 114 at noon, and stood at 100 in the shade at 2 o'clock.

A TRIHEDRON FOR YARMOUTH

The Department of Marine and Fisheries is considering the establishment in Yarmouth Harbor of a Trihedron, a new invention which has very recently been introduced in marine circles. Its object is to assist masters of steamers which are equipped with searchlights in ascertaining their true position. The position of the Trihedron is located by a bright reflector which it throws off when the rays of a searchlight at a good distance away is thrown upon it. The department has asked Yarmouth master mariners for suggestions as to where would be the best situation in this harbor for its establishment and efforts will be made to have it placed near the Sollows Rock shoal, where, provided the experiments with the Trihedron prove successful, it would be a valued assistance to ships in both entering or leaving the harbor.

THE WAY THEY DO OUT WEST

There will be no edition of the Western Prairie next week as we are taking a holiday to enable us to print the Agricultural Fair Prize list—Western Prairie, Cypress River.
