The copy filmed here has been reproduced thanks to the generosity of:

Library of the Public  
Archives of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▼ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

La bibliothèque des Archives  
publiques du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▼ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

## NOTICE BY THE PUBLISHERS.

OUR.

THE great changes that have lately been made in the Municipal Institutions of Upper Canada, and the extension of the Municipal system, suggested to the subscribers, the propriety and necessity of collecting in a compact form, the various Acts and parts of Acts of Parliament, now in force in the Province, relating to those Institutions. These Acts are scattered over several volumes of the Statute Book, which are not at all times to be obtained by parties wishing to consult them, and even when accessible, they are by no means of a convenient shape for reference. The subscribers have, therefore, carefully collected these Acts together, and now present them in a form at once cheap and convenient. They trust that this publication will meet with favour, and that the foundation will thus be laid, for issuing annually, a Municipal Manual, embodying those changes which may hereafter take place, with such other information as may be necessary, to render the community familiar with the Municipal Laws and the mode of carrying them beneficially and legally into execution.

The Municipal Acts form the second part of the Manual. The first part comprises lists of the various Municipalities, Division Courts, &c., which have been collected with great care, and will be found very useful for reference. The compilation has been attended with considerable labour, and the amount of matter embodied in it, is such as to render it an acquisition to all who interest themselves in the public affairs of the Province.

The Publishers tender their grateful acknowledgements to the gentlemen in the several Counties, who have kindly aided them, in supplying information for the work.

SCOBIE & BALFOUR.

IX. And be it enacted, That it shall and may be lawful for the Municipality of each Township, from time to time, by any By-law or By-laws to be passed for that purpose, to appoint a fit and convenient place in each of the several Wards into which such Township shall be divided for holding the election of Township Councillors, therefore, every which appointment shall supersede that made by such District or County Municipal Council, as well as any appointment previously made by such Municipality.

XIV. And be it enacted, That whenever such new Division into Wards shall not have been made by the Municipality of any Union of Townships according to the next preceding section of this Act, in anticipation of the dissolution of such Union, and in consequence of the whole of any one or more of the rural Wards of any such Union of Townships lying wholly within the limits of any Junior Township of such Union, the other Township or Townships of such Union, upon the dissolution of such Union as provided for by this Act, shall be left without a sufficient number of Wards for completing the number of Councillors to which it or they shall be entitled according to the provisions of this Act, the elections of Councillors for such Senior or remaining Township or Townships, shall, after the dissolution of such Union, be made by general vote of the qualified freeholders and householders of the whole of such Senior or remaining Township or Townships at a general Township meeting, to be held for that purpose, at the time appointed by law, and not by rural Wards as theretofore, until the Municipality of such Senior or remaining Township or Townships shall, by a By-law to be passed for that purpose, have redivided such last mentioned Township or remaining Townships into rural Wards according to the provisions of this Act; Provided always, nevertheless, that whenever notwithstanding the dissolution of any such Union, parts of the Wards of which such Junior Township, or some portion thereof formed a part, shall still remain to such Senior or remaining Township or Townships, the election of Township Councillors for the same shall not be by such general vote of such Township, but by Wards as before.

XV. And be it enacted, That in every case in which any Township shall be divided into rural Wards under this Act, the same shall be so divided into five of such Wards.

XVI. And be it enacted, That whenever any Township so attached or united to another shall have within it fifty resident freeholders and householders on the Collector's Roll, such Township shall, for the year following the making up such roll and thenceforth, be incorporated by itself, and such Township, and that to which it shall have been so united shall thenceforth, to all intents and purposes whatsoever, be held and considered as separate Townships.

XVII. And be it enacted, That no part of any Incorporated City, or of the liberties thereof, or of any Incorporated Town or Village, although

lying within the boundaries of a Township, shall, for the purposes of this Act, be held to form any part of such Township, nor shall it be lawful to appoint any election of Township Councillors to be held within the limits of any such City, or the liberties thereof, or within the limits of any such Incorporated Town or Village.

XIX. And be it enacted, That if the Municipal Council of any District in Upper Canada shall not think fit, within the term and the manner prescribed for that purpose, to divide any Township into rural Wards, as provided by this Act, then and until such Township shall be divided into such Wards by the Municipality thereof, the election of Councillors for such Township shall be by the votes of the electors of the whole Township at a general Township meeting, to be held at the place where the last annual Township meeting, for the election of District Councillors and the appointment of parish and Town Officers was held in each Township, or in the case of Townships united or attached to each other, as aforesaid, then at the place where the last annual meeting for such purposes was held in the Senior Townships to which such other Township or Townships shall or may be attached or united as aforesaid, and such place shall continue to be the place for holding such elections under this Act in such Township until it shall be otherwise appointed by the Municipality thereof by any By-law or By-laws to be passed for that purpose: Provided always nevertheless, firstly, that it shall not be lawful in any such By-law to appoint such place of election within the limits of any Incorporated Village, Town or City, or the liberties thereof; and provided also, secondly, that when the place at which the last Township meeting shall have been held previous to the passing of this Act, shall be within the limits or liberties of any City, Town or Incorporated Village within the meaning of this Act, it shall be the duty of the Municipal Council of the District wherein the same is situated at such special meeting as aforesaid, to appoint by By-law some place within such Township and without the limits of such City, Town or Village for the holding of the first election of Township Councillors for such Township under this Act.

XX. And be it enacted, That in all cases in which the election of Councillors for any such Township shall be by general vote of the whole Township at a general Township meeting as aforesaid, and not by Ward elections as hereinbefore provided for, the Township Clerk for such Township, whether appointed under this Act or before the passing thereof, shall be the Returning Officer for holding such election.

XXI. And be it enacted, That on the first Monday in January, in the year of our Lord, one thousand eight hundred and fifty, and on the first Monday in the same month, in each succeeding year, there shall be held an election either by general Township meeting or by Wards for Township Councillors for each Township in Upper Canada.

XXII. II. And be it enacted, That as well for the purposes of this Act and the said other Acts of Parliament hereinbefore mentioned and referred to, as for all other purposes whatsoever, so much of the said Township of Dawn as lies to the south of the south main branch of the River Sydenham, sometimes known as Bear Creek, shall be detached from the said Township of Dawn, and by and under the name of the Gore of Camden, be attached to and henceforth form a part of the said Township of Camden; that so much of the said Township of Sombra as lies to the south of the said south main branch of the said river shall be detached from the said Township of Sombra, and by and under the name of the North Gore of Chatham be attached to and henceforth form a part of the said Township of Chatham; and that so much of the said Township of Zone as lies to the north of the northerly side line of lots numbers fifteen in the several concessions of the said Township of Zone, shall be detached from the said Township, and shall henceforth form a new Township by and under the name of the Township of Euphemia.

III. And be it enacted, That all the provisions of the thirty-third and thirty-fourth sections of the said last mentioned Act, making certain provisions with respect to the United Counties of Kent, Haldimand and Welland, shall extend and apply to the said Counties of Essex, Kent and Lambton, and every of them, as if they and each of them had been mentioned in such sections and the said Schedules to the said Act annexed, respectively; and all the provisions in the said last mentioned Act of Parliament providing for a Union of the said Counties of Kent and Lambton, apart from and irrespective of their Union with Essex, shall be and the same are hereby repealed: Provided always, nevertheless, that all such provisions as by the Act of the Parliament of this Province, passed in the Session held in the tenth and eleventh years of Her Majesty's Reign, intituled, *An Act to divide the Western District of the Province of Canada, and for other purposes therein mentioned*, were conferred upon the Township Councillors of the different Townships of the then County of Kent, shall be possessed by and vested in the Provisional Municipal Council of the said County of Kent as described in this Act; and such Provisional Municipal Council shall be charged with and liable to any debt that may have been contracted by competent authority on behalf of the District by that Act intended to be erected; and the Municipal Council of the said County of Kent as described in this Act, both Provisional and Permanent, shall and they are hereby required to provide for the payment of every such debt, and in default of their doing so, the same shall and may be sued for, recovered and levied by rate or otherwise as in the case of debts of any other Municipal Corporation in Upper-Canada.

[30th May, 1849.]

## Preamble.

The Acts and parts of Acts mentioned in the Schedule repealed with Acts continuing them or continued by them.

Proviso : Acts not to be revived or repealed, &c., by the passing of this Act, by implication.

Proviso as to proceedings relative to offences and other matters occurring before this Act shall be in force, under the Acts repealed.

**W**HEREAS it is expedient to repeal the several Acts in force in Upper-Canada, relating to the Incorporation of the Inhabitants of the several Districts of that part of this Province, and of certain other localities therein, the Election and duties of Township Officers, and other matters of a like nature, to the end that better provision may be made for such purposes : Be it therefore enacted, &c., That the several Acts of the Parliament of the late Province of Upper-Canada, and those of the Parliament of this Province set forth in the Schedule to this Act annexed marked A, and containing a description of the Acts and parts of Acts repealed by this Act, so far as the same shall be in force at the commencement of this Act, and all Acts continuing or making permanent any of the said Acts, or continued or made permanent by any of them, shall be, and the same are hereby repealed : Provided always, nevertheless, Firstly : That no Act or part of an Act repealed by any of the Acts hereby repealed, shall be revived by the passing of this Act, and no Act, or part of an Act, perpetuated or continued by any of the Acts hereby repealed, (except such as are herein expressly repealed), shall be repealed by the passing of this Act ; And provided always, Secondly : That notwithstanding the repeal of the Acts and parts of Acts hereby repealed, all acts which might have been done, and all proceedings which might have been taken or prosecuted relating to any offences or neglects which may have been committed, or to any matters which shall have happened, or to any moneys which shall have become due, or to any fines or penalties which shall have been incurred before

the day on which this Act shall come into operation, shall and may still be done or prosecuted, and the offences and omissions may be dealt with and punished. and the moneys may be recovered and dealt with, and the fines and penalties may be imposed and applied as if the Acts, and parts of Acts, hereby repealed, continued in force, except only so far as the new Municipal Corporations to be created by and under the provisions of the Act of the present Session of Parliament to provide for the Incorporation of Townships, Counties, Villages, Towns and Cities in Upper-Canada, shall or may be substituted for the old ones.

Exception.

II. And in order that no doubt shall remain whether any or what part of any former Acts relating to the Incorporation of the Inhabitants of the several Districts of that part of this Province, and of the other localities therein, or the Election and duties of Township Officers, continue in force: Be it enacted, That all Acts and parts of Acts relating to the same, shall be, and the same are hereby repealed, so far as such Acts or parts of Acts shall be in force at the commencement of this Act, save and except such Acts or parts of Acts as are mentioned in the Schedule to this Act annexed, marked B, and save and except all other Acts made expressly for other purposes, although they incidentally touch on matters relating to such subjects, or although the provisions thereof are to be carried into effect by Officers elected or appointed under such Acts or parts of Acts, nevertheless, such matters and provisions last mentioned, so far as they are repugnant to, or inconsistent with the Act or Acts relating to such matters in force at the time, shall be, in all respects, controlled by such last mentioned Act or Acts, unless the contrary shall have been expressed in such last mentioned Act or Acts.

Recital.

Duty of Fence Viewers as to lands bounded by brooks, &c.

XI. And be it enacted, That when lands belonging to or occupied by different persons, are subject to be fenced and bounded upon or divided from each other by any brook, pond, or creek, which of itself is not a sufficient fence, in such case, if the parties disagree, the same may be submitted to three Fence Viewers, as heretofore provided; and if in the opinion of such Fence Viewers, such brook, river, pond, or creek, is not of itself a sufficient barrier, and that it is impracticable to fence at the true boundary line, they shall judge and determine how or on which side thereof the Fence shall be set up and maintained, or whether partly on one side and partly on the other, as to them shall appear just, and reduce their determination to writing as heretofore provided in other cases; and if either of the parties shall refuse or neglect to keep up or maintain the part of the Fence to such party belonging, according to the Fence Viewers' determination in writing as aforesaid, the same may be done and performed as is in this Act before provided in other cases, and the delinquent party shall be subject to the same costs and charges, and to be recovered in like manner.

or Division Fences; and it shall be the duty of such Fence Viewers to whom such matters shall be referred, to divide or apportion such Ditch or Water Course among the several parties, in such way as in the opinion of such Fence Viewers shall be a just and equitable proportion having due regard to the interest each of the parties shall have in the opening of such Ditch or Water Course; and the Fence Viewers at the same time decide what length of time shall be allowed to each of the said parties to open his share of such Ditch or Water Course; and the determination or award of such Fence Viewers shall be made in the same manner, and have the same effect in regard to Ditches or Water Courses as is provided by this Act in regard to Division or Line Fences.

XIII. And be it enacted, That when it shall appear to such Fence Viewers that the owner or occupier of any tract or parcel of land is not sufficiently interested in the opening of such Ditch or Water Course to make him a party, and at the same time that it is necessary that such Ditch should be continued across his land by the other party or parties at his or their own expense, they may award the same in manner and form aforesaid; and upon such award, such party or parties may lawfully open such Ditch or Water Course across such land as aforesaid at his or their own expense, without being deemed to have committed a trespass by so doing.

Provision in case any party shall refuse to make his share of a Water Course.

XV. And be it enacted, That any party who may be in possession of any part of an allowance for road laid out as such in the rear of his lot, in the original survey of any Township in Upper Canada, the same being enclosed by a lawful Fence, and which road, from particular circumstances, may not be travelled or required to be used by the public for the time being, by reason of any other road or roads, being used in lieu thereof, or because the same has not been open for public travel, shall be deemed and taken to be legally possessed of that part of such road as against any other private party: Provided always, that in any such case the said possession shall cease and determine, upon an order from any two Justices of the Peace for the District in which such allowance for road may be situate, being made and directed to the proper Township Officer requiring him to open the same.

A party may take lawful possession of the allowance for road in rear of his lot, in certain cases and on certain conditions.

The LITHOGRAPHIC DEPARTMENT is particularly worthy the attention of all requiring this description of work. Maps, Plans, Charts, Diagrams, Landscapes, Portraits, Circulars, Bank Cheques, Notes, &c., can be executed on the shortest notice, at a price far below that of Engraving on Copper or Steel, and in many instances not perceptibly inferior in execution.

COPPER-PLATE and WOOD ENGRAVING executed to order, and printed either from the Plates or Wood Cuts, or (by being transferred) from the Stone, at the option of parties.

Orders in every department of the business, will be at all times promptly attended to; and it will, moreover, be the constant aim of the Subscribers, to merit a continuance of the very extensive and daily increasing support with which they have been honoured, by the due observance of promptitude and economy in all their transactions.
