A  
Wonderful Restorer  
**CARBOLINE**  
& Beautifier of the  
HAIR

**CARBOLINE** is now presented to the public, without fear of contradiction, as the best restorative and beautifier of the hair science has ever produced. It performs what others only claim for their preparations. **It is an elegant Dressing, removes Dandruff, cleans the Scalp, prevents the hair from falling out, restores the hair on Bald Heads, restores it to its original color, makes it grow rapidly, will not stain the skin, contains not a particle of lead, silver, sulphur or other deleterious drugs. IT IS A NATURAL PRODUCT OF THE EARTH, containing the elements required by the hair to feed upon.** A few applications will show its restorative qualities. Does not require months of continued use before you can perceive any result. It is cooling, cleanly, and too much praise cannot be bestowed upon it.

By the skill of one of our chemists, and by a process known only to himself, he has, after very elaborate and costly experiments, succeeded in deodorizing petroleum, which renders it susceptible of being handled as daintily as the famous EAU DE COLOGNE. The experiments with the deodorized liquid on the human hair have been attended with the most astonishing results. A few applications, where the hair was thin and falling, gave remarkable tone and vigor to the scalp and the hair. Every particle of dandruff disappears on the first or second dressing, and the liquid, so searching in its nature, seems to penetrate to the roots at once, and set up a radical change from the start. It is well known that the most beautiful colors are made from petroleum, and by some mysterious operation of nature the use of this article gradually imparts a beautiful light brown color to the hair, which by continued use deepens to a black. The color remains permanent for an indefinite length of time, and the change is so gradual that the most intimate friend can scarcely detect its progress.

In a word, it is the most wonderful discovery of the age, and well calculated to make the prematurely bald and grey rejoice.

**See what is said about  
Carboline.**

The article is telling its own story in the hands of thousands who are using it with the most gratifying and encouraging results, as shown by the numerous testimonials we are receiving from all parts of the world.

MR. GUSTAVUS F. HALL, of the Oates' Opera Troupe, writes: "After six weeks' use I am convinced that your CARBOLINE has and is producing a wonderful growth of hair where I had none for years."

N. M'CLAREN, Druggist, Pittsburgh, Pa., says: "The good effects from the use of CARBOLINE are brought to my notice every day to such an extent as to justify me in recommending it to my most intimate friends."

C. H. SMITH, of the Jennie Hight Combination, writes: "After using your CARBOLINE three weeks I am convinced that bald heads can be 're-haired.' It is simply wonderful in my case."

DANIEL F. BEATTY, Organ Manufacturer, says: "I have used CARBOLINE, and am glad to add my testimony in regard to its good qualities. It is a great remedy for baldness. My whiskers have grown more luxuriantly than ever since using it."

L. V. FOLLETT, 158 East Eighty-eighth street, New York, writes: "After several weeks' use of your CARBOLINE I find a wonderful growth of new hair growing on my head, where I had been bald for many years. My friends have tried it with like results. I believe it the only remedy for restoring the hair, and there is no possible danger in using."

MARY LOUISE WOOD, Plainfield, N.J., writes: "About two years ago my hair began falling out, the cause being a long course of illness, which culminated in scarlet fever. After trying various remedies, without much success, I purchased a bottle of CARBOLINE and used it perseveringly, and have since used it regularly. The result has been, I am happy to say, a luxuriant growth of hair, longer, and finer, and better in every respect to that I had before my illness. I am glad to be able to say a word in favor of such a meritorious article. It has a delightful odor and is a lovely dressing, and one that every lady of my acquaintance has been charmed with."

VEGETABLE medicines and vegetable food are of the same origin, consequently, if the latter nourishes the body (and we know it does), it follows that the former will do the same. Northrop & Lyman's Vegetable Discovery is, as its name represents, a vegetable medicine, skilfully combined, thereby forming a preparation which nourishes and invigorates the system, while it permeates and cleanses the Blood from all impurities.

If the Blood is pure and rich you will be in the enjoyment of good health, but if this river of Life is turbid or impoverished the circulation is checked and a multitude of diseases follow. What are

**PIMPLES** and Blotches, those unsightly things that disfigure the fairest and loveliest face, and make it an object of indifference, if not disgust? Are they not an evidence of the impurity of the Blood? What is

**SCROFULA?**—It is the unsightly eruptions that owe their origin to the same source, and nothing but a blood purifier or cleanser will cure this disease.

**SALT RHEUM,** *Cancerous Humors, Tetter, Ring-worm, Erysipelas, Itch, Boils, etc.*, are also evidence of the state of the Blood, and are Nature's attempt to throw off the poison or impurities that are lurking in that vital fluid. Give Nature a chance by using Northrop & Lyman's Vegetable Discovery, and the eruptions will all disappear.

**DYSPEPSIA.**—We challenge anyone to produce a case of this disease that the Discovery will not cure. Its operation is thorough, and it removes every vestige of the complaint.

**BILIOUSNESS.**—For this complaint it has no equal. It gives tone to the stomach, corrects acidity, and brings every part into active work. It drives

**MALARIA** and all Malarial Diseases, such as Fever and Ague, etc., from the system by

cleansing the Blood, giving activity to the Liver, strengthening the organs of digestion, secretion and absorption.

**LIVER COMPLAINT.**—Try this valuable medicine for Liver Complaint. It has a good record, as you will see by looking at the testimonials from those who have been cured.

**KIDNEY AND BLADDER DISEASES** have been cured by the use of Northrop & Lyman's Vegetable Discovery, and we don't believe there is any preparation equal to it or that will do as much for these complaints as this celebrated medicine.

**CATARRH** is a constitutional disease and requires a medicine that will permeate every part of the human system and cleanse all impurities from the blood. This is precisely what Northrop & Lyman's Vegetable Discovery will do.

**AS A TONIC** it has a remarkable effect on the weak and broken-down constitution, restoring the appetite and giving strength and vitality to the system.

**THE LADIES' Favorite Medicine** is Northrop & Lyman's Vegetable Discovery. It has a beneficial effect at once by strengthening the system and helping Nature to perform her duty. Female complaints are caused by some part of the body becoming clogged. The Blood may have become thick from some impurity, or the Liver sluggish. Don't waste time brooding over your trouble and making yourself miserable and everyone around you; get Northrop & Lyman's Vegetable Discovery and use it and continue to use it, and you will soon see an improvement in your appetite and your body and mind strengthened.

**DID YOU EVER NOTICE** how susceptible you were to disease when your blood was out of order? How soon a hearty dinner would be followed by an attack of Dyspepsia or an affection of the Liver? If you expose yourself to the least draught, how easily you caught cold; then followed Catarrh, Bronchitis, Asthma, Rheumatism, or some other disease. Did you ever stop to think that most of these complaints were directly caused by the machinery of the body becoming clogged through the **Impurity of the Blood?**

Take, for instance, a stream of water that is full of impurities, and erect thereon a mill, and you will find that in a very short time the water-wheel that drives the machinery will get out of order, and if the impediments are not removed it will soon refuse to move. It is just the same with the machinery of the human body. The blood, or stream of life, must be pure or the big wheel will stop. It may not stop suddenly as in the case of those who die from *Heart Disease*. A strong constitution may enable you to fight with it for years, but eventually it will come to a standstill.

But many have not a strong constitution, and the great reaper, Death, gathers them in before they have reached the age of manhood.

How many valuable lives might have been spared if a little more precaution had been taken, and when our system required renovating get some good medicine for it? We claim that by the timely use of our Vegetable Discovery a vast amount of suffering may be removed and diseases cured, that if not checked would bring the afflicted to an untimely end. Ample proof of our assertion is to be found by reading the following testimonials, and many others to be found in this book:

## A MAN'S LIFE SAVED.

I WOULD not be doing justice to the afflicted if I withheld a statement of my experience with Jaundice, and how I was completely cured by using

### NORTHROP & LYMAN'S VEGETABLE DISCOVERY.

No one can tell what I suffered for nine weeks, one-third of which I was confined to my bed, with the best medical skill I could obtain in the city trying to remove my affliction, but without even giving me temporary relief. My body was so sore that it was painful for me to walk. I could not bear my clothes tight around me, my bowels only operated when taking purgative medicines, my appetite was gone, nothing would remain on my stomach, and my eyes and body were as yellow as a guinea. When I ventured on the street I was stared at or turned from with a repulsive feeling by the passer-by. The doctors said their was no cure for me. I made up my mind to die, as LIFE HAD LOST ALL ITS CHARMS. One day a friend called to see me and advised me to try Northrop & Lyman's Vegetable Discovery. I thought if the doctors could not cure me, what is the use of trying the Discovery, but after deliberating for a time I concluded to give it a trial, so I procured a bottle and commenced taking it three times a day. JUDGE OF MY SURPRISE, at the expiration of the third day to find my appetite returning. Despair gave place to hope, and I persevered in following the directions and taking hot baths two or three times a week until I had used the fifth bottle. I then had no further need for the medicine that had SAVED MY LIFE—that had restored me to health—as I was radically cured. The natural color had replaced the dingy yellow; I could eat three meals a day, in fact the trouble was to get enough to eat. When I commenced taking the Discovery my weight was only 132½ lbs., when I finished

(3)

the fifth bottle it was 172½ lbs., or an increase of about ½ pound per day, and I never felt better in my life. No one can tell how thankful I am for what this wonderful medicine has done for me. It has rooted out of my system every vestige of the worst type of Jaundice, and I don't believe there is a case of Jaundice, Liver Complaint or Dyspepsia that it will not cure.

(Signed), W. LEE, Toronto.

**WHY SUFFER** from disorders caused by Impure Blood, when thousands are being cured by using Northrop & Lyman's Vegetable Discovery? It removes Pimples and all Eruptions of the Skin.

MR. JOHN C. FOX, Olinda, writes: "Northrop & Lyman's Vegetable Discovery is giving good satisfaction. Those who have used it say it has done them more good than anything they have ever taken."

MR. R. A. HARRISON, Chemist and Druggist, Dunnville, Ont., writes: "I can with confidence recommend Northrop & Lyman's Vegetable Discovery for Dyspepsia, Impure Blood, Pimples on the Face, Bilioussness and Constipation—such cases having come under my personal observation."

**A PLEASURE TO US.**—MR. L. N. BOURCIER, Ripon, P.Q., writes: "It is with great pleasure I inform you that your Vegetable Discovery cured me of Dyspepsia. I tried many remedies, but none had any effect on me until I came across Northrop & Lyman's Vegetable Discovery; one bottle relieved me, and a second completely cured me; you cannot recommend it too highly."

**DYSPEPSIA HAD TO GO.**—MR. W. J. DEYELL, carpenter and builder, writes: "Three years ago I was greatly troubled with Dyspepsia; a pain between my shoulders was so bad that I thought I would have to quit work altogether. No medicine gave me ease until I got a bottle of Northrop & Lyman's Vegetable Discovery, which gave me relief. I continued using the medicine until I had taken three bottles, when I was perfectly well. I consider it invaluable as a cure for Dyspepsia. I know of several persons who have used it with the same benefit."

**IT CURES**

**Rheumatism, Lumbago, Lamé Back, Neuralgia, Diphtheria, Coughs and Colds, Sore Throat, Croup, Piles, Frost Bites, Burns, Asthma, Catarrh, Chilblains, Corns, Tooth, Ear and Headache, Bruises, Wounds and Sprains of every description on Man or Beast. Actually the best External and Internal Remedy known.**

Entering the System through the pores, when applied externally to relieve pain and inflammation, DR. THOMAS' ELECTRIC OIL relaxes and soothes the stiffened, swollen, and irritated Ligaments, or Rheumatic Joints, and promptly checks the pain. Taken internally, it remedies disorders of the Respiratory Organs, Bowels, Liver, and Kidneys.

This matchless compound not only possesses remedial efficacy of the highest order, but, inasmuch as it contains no alcohol, its influence is not weakened by evaporation, which is the case with a great many oils of doubtful efficacy, which have an alcoholic basis.

**Ease by Day** and  **repose by night** are enjoyed by those who are wise enough to apply DR. THOMAS' ELECTRIC OIL to their aching muscles and joints. A quantity easily held in the palm of the hand is often enough to relieve the most exquisite pain.

**Constitutions of Iron** are undermined and destroyed by lung and bronchial disease consequent upon neglect of a cough. A foolhardy disregard of that warning symptom is, unfortunately, very common; and that is the main reason why consumption figures so conspicuously among the causes of premature death. A timely use, inwardly and outwardly, of DR. THOMAS' ELECTRIC OIL—a benign, pure, and undeteriorating antispasmodic, soothing and healing agent, endorsed and recommended by the faculty—is a sure, prompt, and inexpensive way of arresting a cough or cold. Besides being a pulmonic of acknowledged excellence, it is a matchless anodyne for rheumatic and neuralgic pain; cures bleeding or blind Piles, Sores and Hurts of all kinds, and

remedies Kidney troubles and lameness or weakness of the Back.

**Used for All Ailments.**—MR. CHAS. G. GRIMES, Walker's Point, Ont., writes: "DR. THOMAS' ELECTRIC OIL cures so many different diseases that every one uses it, and say it is the best medicine ever sold in this part of the country."

**Street Car Accident.**—MR. THOMAS SABIN says: "My eleven year old boy had his foot badly injured by being run over by a car on the Street Railway. We at once commenced bathing the foot with DR. THOMAS' ELECTRIC OIL, when the discoloration and swelling were removed, and in nine days he could use his foot. We always keep a bottle in the house ready for any emergency."

**Word from California.**—MR. J. F. MUNCEY, San Francisco, Cal., writes us: "DR. THOMAS' ELECTRIC OIL is a wonderful medicine for reducing swelling; my leg was fractured, and the foot and ankle being badly swollen, I used the Oil and found it excellent for taking down the swelling."

**One Bottle Did It.**—MR. W. J. KENNEDY, Estmere, C. B., writes: "DR. THOMAS' ELECTRIC OIL has a ready sale here. I tried it myself in a case of Bronchitis, where all other remedies failed and was cured with one bottle."

**All Say the Same.**—MRS. N. BROOKMIRE, Ellendale, Dickey Co., Dakota, writes:—"When leaving Canada, I brought some of DR. THOMAS' ELECTRIC OIL with me, and my friends here think the world of it. We cannot get along without it," etc., etc.

**A Grand Remedy.**—MR. E. G. HOWARD, 69 Sullivan Street, Toronto, writes: "I had been troubled with a very severe pain in my left side, and had become quite unfit to follow my daily employment, and having heard that DR. THOMAS' ELECTRIC OIL was a sure remedy for the ailments of mankind, I got a bottle and have proved it so in my case. I have found it a grand remedy for soreness of the muscles or joints. I have also recommended it to others for the ear-ache and for severe cold in the head, and it has never failed to give satisfaction. My friends have found it a valuable family medicine, and we unite in thanking you for the benefits we have received from your valuable medicine."

**Still Another Triumph.**—MR. THOS. S. BULLEN, Sunderland, writes:—"For fourteen years I was afflicted with Piles; and frequently I was unable to walk or sit, but four years ago I was cured by using DR. THOMAS' ELECTRIC OIL. I have also been subject to Quinsy for over forty years, but Electric Oil cured it, and it was a permanent cure in both cases, as neither the Piles nor Quinsy have troubled me since."

"It is the little things that tell," says an old adage. Yes, especially the little brot'ers.

"How long has Brown been married, Charlie?" "Didn't know he was married at all. I don't believe he is, either." "Yes, he is. I noticed him turn pale when the clock struck eleven.

FOND MAMMA to young miss—"Did I not forbid you to go in the park without a protector?" Young miss—"But I had a protector." Fond mamma—"You mean to tell me—" Young miss—"Yes, I went to the druggist's and bought a chest protector."

AN ENGLISHMAN shooting small game in Germany remarked to his host that there was a spice of danger in shooting in America. "Ah," said the host, "you like danger mit your shoot? Den you go out shooting mit me. De last time I shoot mine bruder-in-law in de schtomack."

WHY is a tight boot like a warm summer? Because it hastens the growth of the corn.

IT is said that a woman has little or no sense of humor, and it must be true. Otherwise she never could get past the love, honor, and obey part of the marriage ceremony without laughing.

REID WIDOW—"I can't keep a servant girl in the house. I have sent away six or seven already. They all fall in love with my handsome coachman." Gentleman friend: "Then why don't you send the coachman away?" (A painful but significant silence ensues.)

YOUNG HUSBAND—"Isn't there something peculiar about the taste of these onions, my dear?" Young wife—"Oh, I hope not, dear. I took such pains with them. I even sprinkled them with Jockey Club before I put them to boil, to take away the unpleasant odor."

FOR over eighteen years this celebrated medicine has been sold in Canada, and it has now the largest sale of any medicine in the market.

Its popularity has not been attained by advertising but by genuine worth. The experience of those who have used it fully demonstrates the skill of its composition and its superiority for all the purposes for which it is recommended.

There is no one that has used this wonderful pain-conquering oil and tested its curative power but gives it the preference over all others, which accounts for its rapidly-increasing sale.

It is constantly making new friends and never loses any of the old ones, which is ample proof that it is a medicine of rare and unparalleled value. Where is there another medicine that has for eighteen years withstood the impartial judgment of the people and increased in sale each year? Not one can be found.

**It Does Not** merely allay pain and soreness to return again, as most medicines do, but the efficacy of the ingredients from which it is made are so wonderfully penetrating that a proper use of it will most certainly remove all stiffness of the joints, lameness of the muscles, and pain arising from any cause; even in spinal disease, a chronic form of which baffles all treatment, a frequent use of DR. THOMAS' ECLECTRIC OIL will give strength and freedom from pain derived from no other source.

**Rheumatism** is thoroughly conquered by the use of this medicine, with the assistance of a few doses of Northrop & Lyman's Vegetable Discovery to remove the humor or seeds of the disease from the blood and system. Of course, to effect a permanent cure the disease must be removed from the blood, and no medicine can remove it as quickly as the Vegetable Discovery. All who use both medicines are astonished at the rapidity with which they remove this excruciating and harassing disease, simply by thoroughly rubbing the parts affected with DR. THOMAS' ECLECTRIC OIL and taking the Vegetable Discovery according to directions.

**Neuralgia, Sciatica, Tic Douloureux,** Lumbago, and such diseases should be

(7)

treated in the same manner, and a cure will follow without fail.

**For Sore Throat, Quinsy, Croup, Colds, Etc.,** is worth its weight in gold. A few doses will cure sore throat. It never fails in Croup or Quinsy. It has cured Inflammation of the Lungs when the doctors had given up the case. It has cured bad bases of Diphtheria, and those who have used it believe there is nothing equals it for that dreadful disease. **CHRONIC SORES,** that refused to heal under medical treatment for years, were rapidly healed by the application of Eclectic Oil and the use of Northrop & Lyman's Vegetable Discovery to Purify the Blood.

**A Cough,** even of long standing, is speedily controlled and cured by it. Swelled Neck and Lame Back rapidly disappear when it is used.

The certificates to be found in this book should be conclusive evidence that it will effectually arrest pain of every character, in any part of the body, no matter how severe, or of how long standing, if it is thoroughly applied and rubbed in. Those using it in this manner express a conviction of the reality and efficacy of the penetrating ingredients of which DR. THOMAS' ECLECTRIC OIL is composed. But never forget that where there are Humors or Impurities in the Blood and System, Northrop & Lyman's Vegetable Discovery is your sheet anchor of hope for a lasting cure. It is positively unequalled by any remedy or compound in the whole catalogue of medicines for purifying the Blood and removing the source of disease from the system.

**Remarkable Cure.**—MR. F. BURROWS, of Wilkesport, writes that he was cured of a very dangerous case of Inflammation of the Lungs solely by the use of five bottles of DR. THOMAS' ECLECTRIC OIL.

**Heads the List.**—MR. R. C. BRUCE, Drug-gist, Tara, says: "I have no medicine on my shelves that sells faster or gives better satisfaction than DR. THOMAS' ECLECTRIC OIL, and the sale is constantly increasing, the past year being the largest I have ever had. One of my customers was cured of Catarrh by using three bottles. Another was raised out of bed, where he had been laid up a long time with a Lame Back, by using two bottles. I have lots of customers who would not be without it over night."

**Can Recommend It.**—MR. ENOS BORN-BERRY, Tuscarora, writes: "I am pleased to say that DR. THOMAS' ECLECTRIC OIL is all that you claim it to be, as we have been using it for years, both internally and externally, and have always received benefit from its use. It is our family medicine, and I take great pleasure in recommending it."

THE ideas of some men are like steam—pretty thin even after condensation.

WIFE—"Where shall we hide the silver while we are away?" Husband—"Put it in the pockets of your dresses in the closet."

As the happy couple were leaving the church the husband said to the partner of his wedded life: "Marriage must see a dreadful thing to you; why, you were all of a tremble, and one could hardly hear you say 'I will.'" "I will have more courage to say it louder next time," said the blushing bride.

WHEN a man treats himself repeatedly to strong drink he is generous to a fault.

MISTRESS (to new servant)—"We have breakfast generally about eight o'clock." New servant—"Well, mum, if I ain't down to it, don't wait."

"Is the lady of the house in?" he asked, as he stood on the steps of a residence on St. Charles Avenue the other evening. "Which lady of de house?" asked the girl who answered the ring. "Why, are there two?" "Sartin, sah. If you want de white lady, she am out. If you has business wid de cull'd lady, proceed to dewelop."

**T**HIS Remedy is one of the best known for relieving and curing that dreadful disease, Asthma. Where other remedies have been tried, and where doctors have prescribed, without success, this remedy has given immediate relief. It will relieve the difficulty experienced in breathing, and that distressing tightness of the chest so well known to Asthmatics. The patient will thus be enabled to obtain a much-needed rest by being able to sleep naturally and comfortably, and without being forced to sleep in an upright position. This remedy has also been found valuable in cases of Hay Fever, Bronchitis, Catarrh, Cold in the Head, etc.

Whooping Cough has been cured by the use of DR. KELLOGG'S ASTHMA REMEDY. Some bad cases have been cured by burning a small quantity of it in the room for two or three nights, after the little sufferers had retired.

**Unbounded Praise.**—MR. MILES DENEL, Bismarck, Eaton Co., Mich., writes: "A customer tried a box of DR. J. D. KELLOGG'S ASTHMA REMEDY, and he says it acted magically. His praise of the remedy is unbounded."

ALFRETTE ORDE, Greywood, writes: "I have had the Asthma for sixteen years, and a small box of KELLOGG'S ASTHMA REMEDY helped me more than all the medicines I ever tried."

**Removed the Trouble.**—MR. WM. PITT, Jr., Shanly, says: "I thank you for what DR. J. D. KELLOGG'S ASTHMA REMEDY has done for me. I was a terrible sufferer with Asthma, but your medicine has removed the trouble."

**Instantly Cured.**—MR. ANTHONY DONAHUE, St. Sylvester, P. Q., says: "I had the Asthma and I used DR. KELLOGG'S ASTHMA REMEDY as directed and it instantly cured me."

**A New Man.**—MR. W. HOPCROFT, Charlinch, writes: "A customer of mine suffered greatly

from the Asthma, and spent a small fortune trying to get relief, but until he tried KELLOGG'S ASTHMA REMEDY nothing helped him; one box of Kellogg's has made a new man of him."

**A Life Saved.**—MR. JAMES CLENDENEN, Markham, writes: "I have suffered twelve years with Asthma; often been so effected that my life was despaired of. I used nearly every Asthma Remedy that I could buy, with no permanent relief until I tried KELLOGG'S ASTHMA REMEDY, which has now nearly cured me. I have now no bad attacks, and believe would not be alive to-day if I had not used DR. KELLOGG'S ASTHMA REMEDY."

**Delighted With It.**—MR. DONALD H. MCKAY, West St. Peters, P. E. I., writes: "For sixteen years I have been afflicted with Asthma, but your valuable powder, DR. J. D. KELLOGG'S ASTHMA REMEDY, has done me more good than all the doctors I have consulted, or all the Asthma Remedies I have tried. Any of my asthmatic neighbors or friends who have given it a trial are delighted with it."

**A Blessing to Him.**—MR. CHAS. SMITH, Spence, writes: "I was laid up with Asthma and unable to work; had several physicians, but they did not do me any good. A friend gave me a box of DR. KELLOGG'S ASTHMA REMEDY, and it has been a blessing to me, it having relieved me so that I am now able to resume my work."

DR. R. C. CALDWELL, Bloomfield, Ky., writes: "I have been practicing medicine for ten years, and one package of DR. J. D. KELLOGG'S ASTHMA REMEDY has given me more satisfaction than anything in its line I have ever tried. I have used it on my little boy for Phthisic, and it gave him great relief."

**At Work Again.**—MR. B. WELLS, Sudley, Maryland, writes: "I have been a sufferer from Asthma for twenty years, and tried everything I could hear of, but got no relief until I got a box of KELLOGG'S ASTHMA REMEDY. Previous to that time I had not slept in bed half a dozen nights for three years, nor done a week's work. Since that time, eight months ago, I have not lost a night's sleep or a day's work with the Asthma."

**All Satisfied.**—S. E. JOHNSTON & Co., Lebanon, Ky., writes: "DR. KELLOGG'S ASTHMA REMEDY gives entire satisfaction even to our best physicians."

**Wants to Shake Hands.**—MRS. ALICE HAMILTON, Why-Not, Lee Co., Ky., writes: "I just feel like shaking hands with you. I have suffered six years with Asthma. Nothing did me any good till I got DR. KELLOGG'S ASTHMA REMEDY. I could not live without it."

The resemblance between a summer dog and a baseball catcher is easily stated—both wear muzzles and both snap at flies.

"How many of you are there?" asked a voice from an upper window, of a serenading party. "Four," was thereply. "Divide that among you," said the voice, as a bucket of dirty water fell like gentle dew from heaven on those beneath.

This is a boy's composition on girls:—"Girls are the only folk that has their own way every time. Girls is of several thousand kinds, and sometimes one girl can be like several thousand girls if she wants to do anything. This is all I know about girls, and father says the less I know about them the better off I am."

He—"I beg your pardon, miss, but I don't admire your last name." She—"Great Heaven, man! Haven't I done everything in my power to change it? Must I knock a man down with a club?"

It is the habitual thought that frames itself into our life. It affects us even more than our intimate social relations do. Our confidential friends have not so much to do in shaping our lives, as thoughts have which we harbor.

It is not what we earn, but what we save, that makes us rich. It is not what we eat, but what we digest, that makes us strong. It is not what we read, but what we remember, that makes us wise. It is not what we intend, but what we do, that makes us useful.

DR. C. D. POTTER, of Adams Centre, N. Y., the originator of HANDY PACKAGE DYES, gave up the practice of medicine for the chemical study of Dyes. His time, talents and money were devoted to experimenting on the different aniline colors, their relation to each other, and the result of combining two or more colors. His years of patient, persevering devotion to the work he loved, has had its reward in the discovery of the combination of anilines and other articles to make what is known as the HANDY PACKAGE DYES.

These Dyes have never been equalled for brilliancy of colors, reliability of shades, and are warranted to color more goods, and to give better satisfaction than any Dye in the market. Compare them; try them; and be satisfied of this fact.

**These Dyes** are manufactured from the best and purest materials, so that you are certain to get good colors every time if your goods are free from grease, and the directions followed.

Old silks, faded ribbons, etc., can be made to look like new by using the HANDY PACKAGE DYES.

They are just what you want for coloring carpet rags, old dresses, stockings, etc.

Beautiful ornaments can be made out of grass, wheat, oats, and other grain, after coloring them with the HANDY PACKAGE DYES.

The person with an ingenious mind and decorative taste can find hundreds of ways to beautify their homes by using the HANDY PACKAGE DYES.

**Remarks on Colors.**—Pure and bright colors can be had only on white goods. Colored goods, especially silk and cotton, can often be made nearly white by boiling in strong soap-suds and rinsing, repeating the process as long as the color comes into the water.

If the Dyes are used on goods already colored, the color obtained will be a combination of the old and new colors.

A Red color, dyed on Green, Slate, or Drab, will make a Brown; on Yellow an Orange; on Blue, a Purple; on Violet, a Wine.

Green will color nicely over Gray, Drab, Slate, Bismarck, and Blue, making Dark Greens, or Olive.

Blue over Green will make a Peacock color; over Reds a Violet or Purple; over Yellow a Green; over Browns, Dark Bluish Shades.

Browns will color over all colors except Black, making on Green a Bronze, on Red a Garnet, on Purple and Violet a Wine or Maroon.

(11)

Purple and Violet will color over Red, Blue and Brown, making Wine, Plum, etc.

All the dark colors will color over lighter colors, making various shades of the darker colors used.

Manufactured by THE HANDY PACKAGE DYE COMPANY, Adams Centre, N. Y., and Toronto, Ont. NORTHROP & LYMAN CO., Toronto, Agents for Canada.

Endorsed by over 600 Doctors in Canada.

WE have recollections that are hard to erase from our memory of a time when the good old-fashioned but disagreeable Castor Oil was the favorite medicine with our mothers. We then feared to tell that we were sick, for we knew what would follow that acknowledgment. We preferred suffering in silence rather than take that nauseous and sickening medicine. But with the advancement of science this feeling has disappeared; one discovery has followed another; and one of the most important in the history of medicine is the discovery of a way whereby Castor Oil can be sweetened and rendered palatable.

**To the Inventor** of COPLAND'S SWEET CASTOR OIL is the world indebted for this valuable improvement on a staple household medicine. After careful and long research he made this discovery, and called his preparation

**Copland's Sweet Castor Oil.**

It is of the same strength and medical qualities as the ordinary Castor Oil, and while equally safe and harmless, yet acts with more certainty, and produces neither nausea nor griping. Some children say it is honey; others call it syrup—they all say they like it. One parent says: "My children drink it like water"; another: "We had to hide the bottle or they would have finished it right off"; another: "My little girl has taken it twice without any trouble, and does not know what it is, though she hates the ordinary Castor Oil, and we could never get her to take it without a fight." Yet another: "I wish you success of your SWEET CASTOR OIL; it is a splendid thing, sure to take the place of all the common oil."

Why is it that whenever you are looking for anything you always find it in the last place you look? The reason is because you always stop looking when you find it.

A LITTLE boy was asked about the story of Joseph and if he knew what wrong his brethren did in disposing of him, when he replied: "I suppose they sold him too cheap."

"I NEVER can enjoy poetry when I'm cooking," said an old lady who dropped in on a neighbor recently. "But when I step out to feed the pigs and h'ist myself on the fence, and throw my soul into a few lines of 'Wait Till the Clouds Roll By,' it does seem as if this airth was made to live on, after all."

A SCOTCHMAN'S definition: "When the folks who listen dinna ken the meaning o' what they hear, and when the mon who speaks dinna ken what he means his ain sel'—that's meetafissicks."

A CERTAIN doctor of divinity said every blade of grass was a sermon. The next day he was amusing himself by clipping his lawn, when a parishioner said, "That's right, doctor—cut your sermons short."

"My dear," said her lover, "I am fired with an ambition to win your hand. May I consult your father?" "Yes," she softly murmured. "An hour later he was again 'fired,' but it was not with an ambition to win her hand this time. There was more foot than hand about it."

IT is a preparation combining in a pleasant and agreeable form all the stimulating and nutritious tonic properties of the above-named ingredients, chemically combining the elements that make up the human system and are well calculated to supply and re-create the wasted body. Its agreeableness to the taste, restoring and invigorating properties, combined with its powers to vitalize and enrich the blood, render it peculiarly adapted for delicate ladies and children, many of whom object to bitter or nauseous tonics.

It is a most effective strengthener and restorative, and admirably adapted for impaired digestion. As a nutritious tonic it will be found invaluable in the treatment of impaired Nutrition of the Blood, and in all the various forms of General Debility.

**If Your Stomach** is weak use NORTHROP & LYMAN'S BEEF, IRON AND WINE, to tone and strengthen it.

**If your Appetite** is poor, and you are weak and languid, use this BEEF, IRON AND WINE to improve the appetite and restore to the system its exhausted power, and thus, by the general vigor which it imparts, create an appetite and restore the weak and broken down to health and strength, dispel gloomy spirits, enrich the blood, and tone up the whole system.

MR. H. E. SMALLPIECE, of the *Toronto World*, says: "We have used NORTHROP & LYMAN'S BEEF, IRON AND WINE, and can testify as to its excellent qualities. It has done my children a world of good."

MR. CHARLES WHALEN, Kearney P. O., writes: "In the spring of 1887 my six-year old child was very delicate, with poor appetite, having had the diphtheria some four or five months previous. I feared I was going to lose her, as I had lost three children six months previous. On the recommendation of Mrs. McDonald, of Emsdale, we got a bottle of NORTHROP & LYMAN'S BEEF, IRON AND WINE, and in a very short time we noticed a decided improvement in her appetite, and by the time one bottle was used my child was quite smart and enjoying good health, for which I feel thankful.

Price \$1 per bottle. Prepared by  
NORTHROP & LYMAN CO., Toronto.

MR. JAMES STANLEY, merchant at Constance, writes:—"My wife has taken two bottles of NORTHROP & LYMAN'S VEGETABLE DISCOVERY for Dyspepsia, and it has done her more good than anything she has ever used."

**For the Cure of all Diseases of the Eye, such as Inflammation, Films, Opacities, Specks, Abnormal Growths on the Mucous Surface, and Gangrene.**

TO describe the diseases to which the eye is subject would require more space than we have at our disposal. They are numerous and sometimes very difficult to treat and should only be treated by those who have a thorough knowledge of medicine. You should never use eye water, wash, or salve, that has not been prepared by an experienced chemist. Using home-made eye medicines is poor economy, as you run the risk of destroying that sensitive, complex and beautiful structure, the "Window of the Soul."

DR. J. D. KELLOGG'S EYE WATER promptly stops inflammation, cools and soothes the diseased parts, strengthens the sight and restores the organ to a natural healthy action.

**This Most Excellent** medicine stands at the head of the list of remedies for the cure of sore eyes. It has been on the market for a number of years, and we have never had one come plaintiff against it, nor has it come to our knowledge one instance in which it has failed to effect a complete cure where the directions were followed.

**Do Not Suffer** the loss of your sight, or go day after day with sore and inflamed eyes, when you can get a pleasant and cooling lotion in DR. KELLOGG'S EYE WATER for 25 cents per bottle. Try it without delay.

MR. JAMES HENDRY, Stewart's Bay, Ont., writes: "I received DR. KELLOGG'S EYE WATER, and am glad to say that it has done me a great deal of good. It soon removed the inflammation, and is gradually removing the film. It is much easier on the eye than any other remedy I have ever tried. I will recommend it to anyone I meet with suffering from sore eyes," etc.

Notice the name, "DR. J. D. KELLOGG'S EYE WATER," prepared only by Northrop & Lyman Co., Toronto. Sold by all medicine dealers, 25 cents per bottle.

THAT scientific expedition round the world may, perhaps, be able to tell us when it returns, why a man takes off his boots first when undressing, while a woman begins at her hairpins.

SHE—"What is this science of palmistry I hear so much about?" He—"The art of telling fortunes by the hand." She—"Can you tell my fortune by my hand?" He—"No; but if I had your hand I could tell my own fortune." He got it.

"How styles have changed since I was a girl," said an old lady. "When I was young we used to wear our dresses up to the neck, and gloves with only one button. Now they wear gloves up to the neck, and only one button on the dress."

PROVIDENCE stands by the man who stands by himself. He whose money is wisely spent in deeds of charity, kindness and helpfulness gets it all back with compound interest.

"So you have got a step-mother?" she said to the little girl of seven. "Yes." "Well, I feel sorry for you." "Oh, you needn't do that!" replied the little one. "Please feel sorry for pa."

"I WANT your mother to let my affairs alone," said Brown to Mrs. B. "I won't have any more of her dictation." "You're always finding fault with mother," retorted Mrs. B. "I'll have you understand, Mr. Brown, that my mother is an angel." "I wish she was," groaned Brown.

**MOTHER GRAVE'S WORM EXTERMINATOR**  
PLEASANT SURE AND EFFECTUAL

**The Usual Symptoms** of Worms in children are indigestion, irregular appetite, moaning and restlessness during sleep, grinding of the teeth, swelling and hardness of the abdomen, with frequent slimy stools, countenance pale, picking at the nose, offensive breath, low spirits, irritable and feverish, frightful dreams, headache, pain in the stomach, urine turbid, convulsive fits, and a gradual wasting away of the flesh, etc. When any of these symptoms are noticed, do not delay in getting relief for the sufferer.

Worms attack all ages, from the youngest up to the adult, but more frequently between the ages of three and ten years, and are no respecters of persons; the rich and poor, the proud and humble, alike have to seek relief from their ravages. They are not only a cause of disease, but by their irritation aggravate all other diseases. Their presence deranges the whole system, causing the strong to grow feeble, and the glow of health to fade from the cheek.

In administering medicine to children, one important thing is to get something that will be pleasant to the taste, and at the same time effectual in accomplishing the end desired. In

**Mother Graves' Worm Exterminator**

These two desirable qualifications are to be found. It is put up in the form of a syrup, and is so agreeable that children will not refuse it; in fact, so pleasant that it will have to be placed beyond their reach or they will empty the bottle.

**This Medicine Does** not require the help of any purgative medicine to complete the cure. It effectually destroys the worms, and removes the nests in which their young are deposited, thus relieving the sufferer of their injurious effects.

Mr. BENJAMIN MCKENZIE, Kimberley, writes as follows: "About three months ago our child, eighteen months old, was taken ill, followed by a fit. Suspecting that Worms were the cause, we got a bottle of MOTHER GRAVES' WORM EXTERMINATOR, and we had only given a few doses when the result was marvellous, an extraordinary number of large worms having been expelled."

Mr. GEORGE BURKE, Quebec, writes: "I have used MOTHER GRAVES' WORM EXTERMINATOR and found it the best thing I ever used for worms."

**DR. KELLOGG'S CATARRH SNUFF**  
FOR CATARRH, COLD IN THE HEAD, HEADACHE, &c

IN changeable climates there is no complaint so prevalent as Catarrh, or Cold in the Head, as it is commonly called. The cause is, generally, exposure to draughts, or damp atmosphere. Common Catarrh is an inflammatory state of the mucous membrane of the head or chest; Chronic Catarrh is usually the result of a neglected Cold or Common Catarrh, and is exceedingly troublesome, as the unpleasant discharges frequently find their way into the stomach and cause derangement of the whole system. The smell is impaired, and sometimes destroyed; appetite bad; and general emaciation frequently occurs. Remedies without number have been recommended for Catarrh, but none have been found more efficacious than **Dr. Kellogg's Catarrh Snuff**, the old and well-known specific for Catarrh. It gives immediate relief to the dull, heavy pains caused by Cold in the head. The sensations after using it are delightful and invigorating. It opens and purges out all obstructions, strengthens the glands, and gives healthy action to the parts effected.

Mr. PAUL THIBODEAU, Cavendish Road, P.E.I., writes: "I have had Catarrh for twelve years, and fifty cents' worth of KELLOGG'S SNUFF did me more good than \$50 worth of medicine which I had from the most eminent medical men of Montreal, Quebec, St. John and Charlottetown; I think one more bottle will completely cure me."

THE near sighted hen that swallowed a bee was not long in concluding that hers was a peck of trouble.

THE best dowry to advance the marriage of a young lady is when she has in her countenance mildness, in her speech wisdom, in her behavior modesty, and in her life virtues.

THE Congregationalist reports that one of the quaint old Scottish preachers in Edinburgh recently used this phrase in his prayer:—"O Lord, bless those who are at home, unable to be present; those who might be here if they would; bless the poor, and bless the rich, who, after their funerals, will be poor!"

AMONG the most unhappy moments of a boy's lifetime are those in which he is like a girl—with a switch down his back.

A PART of the development which every man needs to enter into is that relation of love and trust and obedience which lifts the whole disposition to an altitude that makes it wise in spiritual and practical things.

"SHE did wrong to look back, didn't she, Bessie?" "Yes, mamma." "And what do you think Lot thought when he saw his poor wife turned into a pillar of salt?" "I don't know, mamma; I s'pect he wondered where he could get a fresh one."

# Holloway's CORN CURE

THE GREAT ANNIHILATOR

FOR THE REMOVAL OF ALL KINDS OF CORNS, WARTS, ETC.

CORNS are caused generally by wearing ill-fitting boots or shoes. If our boots are too large or too small, they will by their uneven pressure induce the growth of an excrescence, or thickened scarf skin, which gradually sinks into the mucous net-work, and then into the true skin, which is the organ of touch.

There are several kinds of corns, and some are very difficult to remove, but none of them can withstand HOLLOWAY'S CORN CURE.

This never-failing medicine removes them without any inconvenience to the sufferer, as can be testified by those who have used it. The following testimonials are evidence of what it has done, and will do again if used according to directions.

**A Happy Man.**—MR. J. P. LATTIMORE, Cape La Ronde, N. S., writes: "I thank you for HOLLOWAY'S CORN CURE. It is a sure cure for corns. I was troubled for a long time with corns, and I assure you it is a blessing to get rid of them."

**After Thirty Years.**—MR. EDWARD ROBERTS, of the Oakville House, Oakville, writes: "Two bottles of HOLLOWAY'S CORN CURE has removed seven corns from my feet after thirty years of suffering. All other corn preparations failed to give relief. I can confidently recommend it as a sure cure."

MR. WILLIAM FRANK, Peterboro', writes: "I was troubled with a corn for thirty years. I had it operated upon by four different corn doctors, but it was only by the use of HOLLOWAY'S CORN CURE that a cure was effected."

**Entirely Cured.**—MR. J. W. BROWN, Chicago, Ill., writes: "Where can I get some of HOLLOWAY'S CORN CURE? I was entirely cured of my corns by this remedy, and I want to get some more to give relief to some of my friends."

MR. JOS. WALLACE, Louisville, writes: "I suffered with corns for forty years; for the last two or three years I could scarcely walk except by the help of a cane. I tried different kinds of corn cures, but got no relief until I got a bottle of HOLLOWAY'S CORN CURE. After applying it for a few days only, I removed the corns root and branch. I have pleasure in recommending it to all sufferers."

**Warts Removed.**—MR. JOHN ATKINSON, Cheapside, writes: "HOLLOWAY'S CORN CURE removed half a dozen warts from my hands."

## THE BEST HORSE AND CATTLE Medicine Ever Made.

A FAVORITE WITH ALL STOCK RAISERS.

IF your Horse is lame, stiff, or there is swelling of any kind, DR. THOMAS' ELECTRIC OIL is just the medicine to use. It allays swelling, removes stiffness of any kind, and is the most soothing and healing medicine that you can use.

**In Cattle** it cures Horn Distemper and in cows Garget; a few applications cure cracked teats, for the last named it is especially good. For Horn Distemper put half a teaspoonful in each ear, and pour a little back of the horns.

**Worth Knowing.**—MR. JAS. SHANNON, Leaskdale, writes: "I suppose it would be of interest to you to know of two wonderful cures effected on horses by DR. THOMAS' ELECTRIC OIL. A customer of mine had a valuable colt about a week old, which got cold and was unable to get on its feet. I advised him to give it a thorough rubbing with DR. THOMAS' ELECTRIC OIL, which he did, and to his surprise the stiffness was removed, and a perfect cure followed. The second astonishing cure was on a fine colt which had been operated on, followed by great swelling. The farriers said he would die, and they could not save him. 'Then, if he is going to die,' said the owner, 'I will go and get a dollar's worth of DR. THOMAS' ELECTRIC OIL, and it will at least ease his sufferings.' He got the ELECTRIC OIL, and it not only gave the colt relief, but cured him. It is just such remarkable cures as these that advertise DR. THOMAS' ELECTRIC OIL, and make our sales so much larger than of any other medicine."

**Best Ever Used.**—MR. W. R. LAZIER, Bailiff, etc., Belleville writes: "I find DR. THOMAS' ELECTRIC OIL the best medicine I have ever used in my stable. I have used it for Bruises, Scratches, Wind Puffs and Cuts, and in every case it gave the best satisfaction. We use it as a household remedy for Colds, Burns, etc., and it is a perfect panacea. It will remove Warts by paring them down and applying it occasionally."

MR. P. M. MARKELL, West Jeddore, N. S., writes: "I wish to inform you of the wonderful qualities of DR. THOMAS' ELECTRIC OIL. I had a horse so lame that he could scarcely walk; the trouble was in the knee, and two or three applications completely cured him."

At night we cannot tell whether the river is shallow or deep: so neither can we judge of a silent or secret man. To know him we must have light, or else be able to sound him.

"JOHNNY, is your sister in?" "I don't know. Let me—What's your name?" "Mr. Barnes." "All right, Mr. Barnes. You just sit down and I'll ask sis whether she's at home; but I don't think that's the name."

# DR. J. D. KELLOGG'S HEALING OINTMENT

**THIS Ointment** is a compound of remarkable healing ingredients, and its composition has been arrived at by the most thorough investigation. It stands pre-eminently at the head of all the External Medicines for healing, as it never drives the disease inward to **Take Effect on the Internal Organs.**

It is a sure and certain remedy for the healing of every variety of Sore, from a simple scratch or bruise to the most aggravated Fever Sore or Scrofulous Ulcer, including the Healthy Ulcer, the Weak Ulcer, the Indolent Ulcer, and Ulcers of all kinds, Wounds, Bruises, Burns, Scalds, Corns, Chilblains, Cuts, Sore Nipples, Broken Breasts, Boils, Bed Sores, Fistulas, etc., and all affections of the **SKIN** known by the name of Eczema, Salt Rheum, Erysipelas, Tetter, Scald Head, and every variety of Chronic Disease of the Skin.

**Piles.**—This Ointment has given excellent satisfaction in curing Piles. Some very bad cases have been cured by applying **KELLOGG'S HEALING OINTMENT** only, but while we believe that it will cure this troublesome and painful complaint without the assistance of any other medicine, yet we think the only rational means of cure is to use **Northrop & Lyman's Vegetable Discovery** to remove the cause of the affliction and the **HEALING OINTMENT** to remove the disease. You thus effect a complete and permanent cure.

**Its Properties,** when applied to sores, go directly to the diseased parts, attract the virus to the surface, and *heal the sore from the bottom.* It is simply asked that the afflicted will **Try One Box,** the use of which will convince the most sceptical, and do more to introduce it into favorable notice than volumes written in its praise. In curing Scrofula and its Sores, with the assistance of the **Vegetable Discovery,** it is without a parallel. We say with the assistance of the *Vegetable Discovery,* for to attempt to heal a Scrofulous or any other Sore which owes its origin directly to Impure Blood, and while that impurity is in the system, is folly, as you cannot accomplish this successfully unless you drive the virus from the system. To remove Scrofulous Humor from the Blood and System, it is safe to say there is no

known medicine that will do it so effectually as **Northrop & Lyman's Vegetable Discovery.**

**For the Toilet.**—As this Ointment is exceedingly pleasant, and never becomes rancid, it is admirably adapted for Sore Lips, Pimples, Eruptions or Sores that disfigure the face; *Sunburn, Irritation of the Skin* after being exposed to the wind, Chapped or Sore Hands, and in fact for all sores that require a cooling and healing Ointment.

For Irritation or Eruption of the Scalp, and all diseases that have a tendency to cause Baldness, it will be found a Sovereign Remedy.

MR. W. S. LEWIS, Brierwood, Manitoba, writes: "For over five years I suffered with Scabs on my Head; tried several doctors in England and Manitoba, but got no relief. One box of **DR. KELLOGG'S HEALING OINTMENT** completely and permanently healed them."

NORTHROP & LYMAN CO.,

Price 25 cents per box.

## SICK HEADACHE

IS generally caused by a disordered stomach, imperfect digestion, or inactivity of the liver. If you are troubled with this distressing complaint, take **NORTHROP & LYMAN'S VEGETABLE DISCOVERY** to purify the stomach and give healthy action to the liver, and we will guarantee that the headache will be speedily and permanently removed.

**Heartburn.**—MR. JOHN MCCARTHY, Toronto, writes: "I can unhesitatingly say that **NORTHROP & LYMAN'S VEGETABLE DISCOVERY** is the *best medicine in the world.* It cured me of Heartburn that troubled me for over thirty years. During that time I tried a great many different medicines, but this wonderful medicine was the only one that took hold and rooted out the disease."

**In Its Worst Form.**—MISS JULIA A. PILSWORTH, Toronto, writes: "I had Dyspepsia in its worst form for over a year, but after taking three bottles of **NORTHROP & LYMAN'S VEGETABLE DISCOVERY** a perfect cure followed. I take great pleasure in recommending it to anyone suffering from Dyspepsia."

**Bilious Fever.**—MR. C. E. RIGGINS, Beamsville, writes: "A customer, who tried a bottle of **NORTHROP & LYMAN'S VEGETABLE DISCOVERY,** says it is the best thing he ever used; to quote his own words: "It just seemed to touch the spot affected." About a year ago he had an attack of Bilious Fever and was afraid he was in for another, when I recommended this valuable medicine with such happy results."

THE latest style of hand-organ has only one stop—it begins in the morning and stops at night.

WOMAN has a smile for every joy, a tear for every sorrow, a consolation for every grief, an excuse for every fault, a prayer for every misfortune, an encouragement for every hope.

"THERE are two things in this world," says a correspondent, "that I can't understand—one is, that you catch a cold without trying; the other, that if you let it run on it stays with you, but if you use Bickle's Syrup it goes away."

How happy is life, in whatever part of this great fragrant world of ours it is lived, when men live it happily, and how gloriously seems its sunshine even when seen through the shadows and darkness of our surly moods.

WHAT is the difference between the first love and the last? It is that one always believes one's first love is the last, and one's last the first.

"No girl gets along well without a mother," says a moral contemporary. This may be true; but hereabouts girls work harder to get mother-in-laws than they do to get mothers.

HUSBAND—"What are you reading, my dear?"  
Wife—"A long letter from mother."  
Husband—"Has she anything particular to say?"  
Wife—"I don't know. I haven't got to the postscript yet."

A WAG who thought to have a joke at the expense of an Irish provision dealer, said: "Can you supply me with a yard of pork?" "Pat," said the dealer to his assistant, "give this gentleman three pig's feet."

**Removing Tan, Sunburn, Freckles, and all Roughness of the Skin.**

**B**EAUTY has wonderful charms. Few men can withstand the witchcraft of a lovely face, all hearts are drawn towards it, all cheerfully pay a tribute to the possessor. A handsome woman, like a beautiful flower in a garden, draws all eyes to her. Admiration follows her movements. Men are stirred to tender and pleasant feelings to the fortunate beauty, giving her a power over them infinitely greater than they would like to acknowledge or is generally supposed.

All ladies must be aware of the value of preserving the bloom and freshness of youth as long as possible. All should know what remedy to use to efface the marks of time, or to remove the effects so vividly portrayed by sickness or suffering, or the blemishes caused by exposure to the sun, wind or weather. Our fair readers know how annoying it is to have the skin dried and hardened by exposure to the burning heat of the sun, or to the high winds.

The PERSIAN BEAUTIFIER will not only beautify the skin and give it a transparency, but will impart a most refreshing and agreeable sensation.

It removes Tan, Freckles, Pimples, and roughness from the skin, leaving the complexion fresh, transparent and smooth, and imparting that bloom to the cheek which is the desire of every lady and the admiration of the sterner sex.

It imparts a youthful bloom and lively expression to the countenance: it softens the plainest features, and the roughest skin is made smooth and beautifully clear. It is just what the ladies require to remove Tan, Sunburn, Freckles, etc.; in fact it is the great secret of beauty, and very justly deserves the reputation it has sustained for years as being entirely free from anything poisonous or injurious to health or skin.

**W**HEN grey hairs first are found among the locks that adorn our heads a feeling of regret and gloom comes to us. If young we feel that we will soon be classed with the middle-aged, or if we have reached middle age, that old age is approaching. Very few wish to be thought older than they are. Apart from the annoyance, this change is frequently an obstacle in the way of those who have to seek employment. One of our large daily papers stated a few months ago "that in England the practice of dyeing the hair is not the result merely of vanity or over-sensitiveness, but is resorted to by working men and women who find their grey hairs a hindrance to obtaining employment."

The coloring matter of the hair is contained in the centre, which is of a hollow form and consists of an oily substance in which carbon or charcoal in minute particles is more or less mingled; as old age approaches and even in very young persons, the color changes to grey or white. We cannot always account for the change, but we can change it to original color by using CANADIAN HAIR DYE.

This celebrated Dye is unequalled for changing both red and grey hair to a beautiful black or brown, as may be preferred, without in the least injuring the hair. Gentlemen will find it unsurpassed for obliterating white hair among their whiskers, and for touching up the beard and moustache to any shade or color.

It is over twenty years since the CANADIAN HAIR DYE was first introduced, and as it has a larger sale in Canada than all other Hair Dyes combined; this, we think, is conclusive evidence that it has given satisfaction.

Unlike many other preparations, it will neither rub nor wash off, and as it is complete in itself, it is much more convenient than those requiring two separate bottles.

Prepared only by NORTHROP & LYMAN CO., Toronto. Price 50 cents per bottle.

**What Toronto's Well-Known Good Samaritan Says:**

"I have been troubled with Dyspepsia and Liver Complaint for over twenty years, and have tried many remedies, but never found an article that has done me as much good as NORTHROP & LYMAN'S VEGETABLE DISCOVERY."—CLARA E. PORTER.

LAUNDRYMEN are the most humble and forgiving beings on earth. The more cuffs you give them the more they do for you.

THE very latest description.—A spinster declares that old bachelors are frozen-out old gardeners in the flower-bed of love.

A DETECTIVE wrote to a client: "I have found time to drop you a line." The client replied that he was very glad he had found something, as he was getting a little discouraged.

"INTELLIGENT!" said the man of his setter dog. "He knows a heap, sir. Why, once he took a dislike to a man and went and induced the man to kick him so I would lick the man! Fact, sir!"

A POET writes: "I reach and reach, but cannot grasp." He should advise his girl to lace more tightly or try the Eanting system.

THE widow is less selfish than the maiden, for while the latter is always looking out for No. 1, she is satisfied in watching for No. 2.

"I AM afraid your dress will never please the men," said a gentleman to his fashionable daughter. "Why, papa," she replied, "I don't dress to please the men, but to worry other women."

"AND what do you expect to make of your son when he comes of age, Mr. Smith?" "O, I don't know," replied Mr. Smith, despondently, "I think he'd make a good husband for a rich girl."

# Parmelee's VEGETABLE NEW PILLS

**Will Cure Liver and Kidney Complaints, Dyspepsia, Costiveness, Headache, Purify the Blood and Regulate the Secretions, Remove all Biliary Matter and Prevent Ague.**

**D**R. PARMELEE'S NEW VEGETABLE PILLS differ from all others now before the public in their composition and effect upon the system. Based upon the most scientific principles, and made from Roots, Herbs, and Solid Extracts which have specific virtues truly wonderful in their action upon the Liver and Kidneys, such as Mandrake and Dandelion, found in this country; while others, equally as potent in regulating the secretions and purifying the blood, etc., are found only in Spain and other countries. Thus we see that Nature in her wise providence has provided a valuable catalogue of plants all over the land, specific in their very nature for the cure of certain diseases. In this scientific combination it is found that PARMELEE'S PILLS possess the power of acting specifically upon the diseased organs, stimulating to action the dormant energies of the system, thereby removing disease. In this lies the great secret of PARMELEE'S NEW VEGETABLE PILLS.

Fever and Ague and Biliary Derangements are positively cured by the use of PARMELEE'S PILLS. They not only cleanse the stomach and bowels from all bilious matter, but they open the excretory vessels, causing them to pour copious effusions from the blood into the bowels, after which the corrupted mass is thrown out by the natural passage of the body.

Mr. J. L. PRICE, Shoals, Martin Co., Ind., writes: "I have tried a sample box of PARMELEE'S PILLS and find them the best medicine for Fever and Ague I have ever used."

### **Nervous Debility and Diseases of the Liver and Kidneys Cured.**

Miss EMMA L. BEACH, Syracuse, writes: "Physicians called my complaint General Nervous Debility and Disease of the Liver and Kidneys. I tried various kinds of medicine for more than a year, without getting any relief. Most of the time I was not able to leave my room. My friends

thought I had *Consumption*. I was advised to try PARMELEE'S NEW VEGETABLE PILLS. I commenced by taking half a pill every night regularly for a week. My appetite began to improve, and I was stronger. I continued to take half a pill, every, or every other night, for six weeks. They restored me to perfect health."

### **The Medicine for Liver and Kidney Complaint.**

Mr. VICTOR AUGER, Ottawa, writes: "I take great pleasure in recommending to the general public PARMELEE'S PILLS as a cure for Liver and Kidney complaint. I have doctored for the last three years with leading physicians and have taken many medicines which were recommended to me without relief, but after taking eight of PARMELEE'S PILLS I was quite relieved, and now I feel as free from the disease as before I was troubled."

Mr. E. A. CAIRNCROSS, Shakespeare, writes: "I consider PARMELEE'S PILLS an excellent remedy for Bilioussness and derangement of the Liver, having used them myself for some time."

### **Colic and Kidney Difficulty.**

Mr. J. W. WILDER, J. P., Lafargeville, N. Y., writes: "I am subject to severe attacks of Colic and Kidney Difficulty, and find your Pills afford me great relief, while all other remedies have failed. They are the best medicine I have ever used."

**Out of Sorts.**—*Symptom*—Headache, loss of appetite, furred tongue, and general indisposition. These symptoms, if neglected, develop into acute diseases. It is a trite saying that an "ounce of prevention is worth a pound of cure," and a little attention at this point may save months of sickness and large doctors' bills. For this complaint take from two to three of PARMELEE'S NEW VEGETABLE PILLS on going to bed, and one or two for three nights in succession.

In fact, so great is the power of this medicine to cleanse and purify, that diseases of almost every name and nature are driven from the body.

For Inflammation of the Eyes, Eruptions of the Skin, Rough or Pimpley Face, take from one to two pills regularly for a short time, which will reduce the inflammation and give a smooth and healthy appearance to the skin.

For *Delicate and Debilitated Constitutions* these pills act like a charm. Taken in small doses, the effect is both a tonic and a stimulant, mildly exciting the secretions of the body, giving tone and vigor.

On the wrapper of the genuine PARMELEE'S PILLS you will find the names of NORTHROP & LYMAN CO., Toronto, Ont., Proprietors for Canada.

Price 25 cents per box.

"SARAH BERNHARDT drinks stout; but she doesn't look it," says a theatrical contemporary.

ANOTHER brickbat—"Girls think men are all soul," says a woman who has had three husbands; "women know they are all stomach."

HAUGHTY paterfamilias—"What do you say—you want to marry my daughter? Humph! What are your prospects?" Suitor—"With her, sir? Most flattering. She has consented."

A WOMAN thought she had struck the concentrated essence of spitefulness when she told her neighbor: "If you didn't wear a wig I'd like to pull your hair for you, you nasty thing."

"SALLIE, what time do you folks dine?" "As soon as you go away!—that's missus' orders."

SOME men seem to be fond of hugging delusions, and it may be that they got in the habit because girls are such delusive creatures.

JENKINS—"What does Dawdle do for a living?" Johnson—"Nothing. He lives on his wits!" Jenkins, sympathetically—"Poor wretch! I don't suppose he ever gets a decent meal."

"ANOTHER advance in shoe-leather," as the young fellow said as he saw her old man's foot approaching for a second kick, when the first one had sent him down the front steps.

AN UNPARALLELED REMEDY FOR

**Coughs, Colds, Influenza, Asthma, Croup, Hoarseness, Pleurisy, Bronchitis, Consumption, Spitting of Blood, Whooping Cough, Diseases of the Chest and Lungs, Shortness of Breath, etc.**

**I**N this country the degrees of heat and cold are not only various in the different seasons of the year, but often change from one extreme to the other in a few hours, and as these changes cannot fail to increase or diminish the perspiration, they must of course affect the health.

Nothing so suddenly obstructs the perspiration as sudden transitions from heat to cold. Heat rarifies the blood, quickens the circulation and increases the perspiration, but when these are suddenly checked the consequences must be bad. The most common cause of disease is obstructed perspiration, or what commonly goes by the name of catching cold.

**Coughs, Colds, Sore Throats, etc.,** if attended to in time are easily subdued, but if allowed to run their own course generally prove the forerunner of more dangerous diseases. Nine-tenths of the consumptives date their affliction from a neglected cold, and the diseases that are caused by wet feet, damp clothes or exposure are more numerous than are generally supposed. One of the most efficacious medicines for all diseases of the Throat and Lungs is BICKLE'S ANTI-CONSUMPTIVE SYRUP.

**This is not a Medicine** got up for speculation, to gull the poor sufferer, who like a drowning man will catch at any straw, but it is a scientific preparation recommended by the faculty (to whom the principal ingredients of the preparation have been made known), and which is believed to be the best medicine for diseases of the pulmonary organs which has ever been presented to the public.

It was only after a series of skilful **Chemical Experiments** that the inventor was successful in extracting the active principles or virtues of several medicinal herbs, which exert a most wonderful influence in curing Consumption, and other diseases of the

**LUNGS AND CHEST.**

Although there may be cases of Consumption so far advanced that this Syrup may not entirely cure, still the proprietors are confident that there is no case so bad, or of so long standing, but what may be materially relieved by the use of BICKLE'S ANTI-CONSUMPTIVE SYRUP. *In recent cases it may be said never to fail.*

**Good Reputation.**—MR. WM. ROBINSON, Teeterville, writes: "I have sold BICKLE'S ANTI-CONSUMPTIVE SYRUP for twenty years and I recommend it in every case for Coughs, Colds, Hoarseness, etc. It is the best article I have ever known, and has a better reputation than any other medicine in this locality."

MISS N. HORN BROOK, Toronto, writes: "I consider BICKLE'S ANTI-CONSUMPTIVE SYRUP an excellent medicine for Coughs and Colds. For a long time I was troubled with a very annoying Cough, but BICKLE'S SYRUP cured me."

**The Only Relief.**—MISS C. CAMERON, Toronto, says: "I contracted a Cold, and through neglect it finally resulted in Catarrh of the Stomach, from which I suffered for two or three years. Have used BICKLE'S SYRUP for it, and find it the only medicine that gives me any relief."

MR. G. C. BETTS, Haldane Hill, writes: "I have sold a great variety of Cough Medicines, and have sold and used in my family BICKLE'S ANTI-CONSUMPTIVE SYRUP, and I do not hesitate or exaggerate when I say it is the best Cough Medicine I have either used or sold. Its effects are noticed immediately."

**Verge of Consumption.**—MR. A. W. LEVY, Mitchell, writes: "I think BICKLE'S ANTI-CONSUMPTIVE SYRUP the best preparation on the market for Coughs and severe Colds. About six years ago I caught a severe Cold which settled on my Lungs, and for three months I had a Cough. I had a physician attending me, but gradually grew worse until I was on the verge of Consumption, and had given up hopes of being cured, when I was induced to try BICKLE'S ANTI-CONSUMPTIVE SYRUP. Before I had taken one bottle I found myself greatly relieved, and by the time I had finished the second bottle I was completely cured. I always recommend it for severe Colds and Consumption."

**The Best.**—MR. L. W. SENESAC, Stanbridge Station, P. Q., writes: "We have used BICKLE'S SYRUP for Coughs and Colds, and do not hesitate to pronounce it a first-class article, the best we have ever used."

A MAN who stakes his happiness on a maiden, as a matter of course, makes a miss-stake.

A BURGLAR was captured the other night, having fallen asleep in a rocking-chair. The poor fellow was probably trying to steal a nap.

LADY lodger—"Your dog, sir, is unbearable. He howls all night." Male lodger—"Indeed! Well, he might do worse than that; he might play the piano all day."

SMITH—"Why, Tompkins, you have forgotten to congratulate me?" Tompkins—"I beg pardon." "Perhaps you don't know I was married last week?" "Ah, yes, yes! Beg pardon! Many happy returns."

IN dry weather a farmer sits in the barn door and waits for something to turnip.

MRS. JONES—"Don't trouble to see me to the door, Mrs. Smith." Mrs. Smith—"No trouble. Quite a pleasure, I assure you!"

MOST people know something about the discipline of poverty, and feel quite ready to experience some of the awful responsibilities of wealth.

A WRITER makes his living by his marks, a pedestrian by his steps, a soldier by his arms, a singer by his notes, a gambler by his chips, a prize-fighter by his blows, while a fiddler scrapes for his living.

# THE GREAT BLOOD PURIFIER.

A WORD TO THE PEOPLE.

"Truth is Mighty and will Prevail."

THE remarkable effects, and most satisfactory results, in every variety of disease arising from **Impurities** of the **Blood**, which are experienced and made manifest from day to day, by those who have taken **NORTHROP & LYMAN'S VEGETABLE DISCOVERY**, for complaints which were pronounced incurable, are surprising to a . In many of these cases the persons say the pain and suffering cannot be expressed, as in cases of **Scrofula**, where apparently the whole body was one mass of corruption.

This celebrated medicine will relieve pain, cleanse and purify the blood, and cure such diseases, restoring the patient to perfect health after trying many remedies, and having suffered for years, is it not conclusive proof that if you are a sufferer you can be cured? Why is this medicine performing such great cures? It works in the **Blood**, the Circulating Fluid. It can truly be called the

## GREAT BLOOD PURIFIER.

The great source of disease originates in the **Blood**, and no medicine that does not act directly upon it, to purify and renovate, has any just claim upon the public attention. When the Blood becomes lifeless and stagnant, either from change of weather or of climate, want of exercise, irregular diet, or from any other cause, **NORTHROP & LYMAN'S VEGETABLE DISCOVERY** will renew the blood, carry off the putrid humors, cleanse the stomach, regulate the bowels, and impart a tone of vigor to the whole body.

The conviction is, in the public mind as well as in the medical profession, that the remedies supplied by the **Vegetable Kingdom** are more safe and more effectual in the cure of disease than mineral medicines. The **VEGETABLE DISCOVERY** is composed of the juice of most remarkable roots, barks and herbs. It is pleasant to take, and is perfectly safe to give an infant. Allow us to ask you a candid question: Do you need it? If so, do not hesitate to try it. You will never regret it. All druggists have it for sale.

**No Headache Now.**—MR. THOS. BELL, of Messrs. Scott, Bell & Co., proprietors of the Wingham Furniture Factory, writes: "For over one year I was not free one day from Headache. I tried every medicine I thought would give me relief, but did not derive any benefit from their

use. I then procured a bottle of **NORTHROP & LYMAN'S VEGETABLE DISCOVERY**, and began taking it according to directions, when I soon found the headache leaving me. I am now completely cured, and I cannot recommend this medicine too highly. I would not be without a bottle of it, even if it should cost me three times its present price."

## Remarkable Cure of Dropsy and Dyspepsia.

MR. SAMUEL T. CASEY, Belleville, writes: "In the Spring of 1884 I began to be troubled with **Dyspepsia**, which gradually became more and more distressing. I used various domestic remedies, and applied to my family physician, but received no benefit. By this time my trouble assumed the form of **Dropsy**. I was unable to use any food whatever, except boiled milk and bread; my limbs were swollen to twice their natural size; all hopes of my recovery were given up; and I quite expected death within a few weeks. **NORTHROP & LYMAN'S VEGETABLE DISCOVERY** having been recommended to me, I tried a bottle with but little hope of relief; and now, after using eight bottles, my **Dyspepsia** and **Dropsy** are cured. Although now seventy-nine years of age, I can enjoy my meals as well as ever, and my general health is good. I am well known in this section of Canada, having lived here fifty-seven years; and you have liberty to use my name in recommendation of your **VEGETABLE DISCOVERY**, which has done such wonders in my case."

## Use it in the Spring and Summer Months.

By taking this medicine in the spring and summer, you will derive more benefit from it than at any other time of the year. The **Blood** is then more **Impure**, and the system run down by the severity of our climate, and requires some good tonic and laxative medicine to give it tone and remove the impurities, which, if not attended to, find their way out in **Pimples, Blotches, Boils, Scrofula**, and other eruptions of the skin. One bottle of this excellent medicine will generally be found sufficient to remove the impurities, and save you much sickness and expense. It will invigorate the whole system, improve the appetite, stimulate and tone the digestive organs, and eradicate all malaria from the system.

When one of the organs of the body is diseased all the rest sympathize with it, and to radically and permanently cure the disease of that organ we must have a remedy compounded of a variety of medicines possessing a variety of properties that will purify the blood as well as permeate, clear up and strengthen every organ in the body. Such a panacea is to be found in **NORTHROP & LYMAN'S VEGETABLE DISCOVERY AND DYSPEPTIC CURE**.

## DARLEY'S CONDITION POWDERS

### AND ARABIAN HEAVE REMEDY.

**A**RE your Horses or Cattle lean or poor, having no appetite, or do they devour their food ravenously, yet derive no benefit from it? If so, they require your attention. Give them DARLEY'S CONDITION POWDERS according to directions, and they will soon be brought to a healthy condition.

It first acts gently upon the bowels, and then on the liver and lungs, and removes all obstructions therefrom, purifying the blood and enabling all the organs to do their work without overtasking any.

**For Hide-Bound** it is a complete success. In a very short time the disease will disappear under its operation, and a sleek and shining coat will follow.

For Heaves, Coughs, Colds, and all diseases which affect the wind of Horses, it has no equal.

As a **Condition Medicine** for Horses, Cattle, Sheep, Pigs, Poultry, etc., it is a decided success.

It is gratifying to know that it has been thoroughly tested and has proved itself worthy the confidence reposed in it by all stock-raisers. We know of no article which has given such general satisfaction and which has been so largely sold. It has not lost any of its original virtues, but still possesses those wonder-working properties which have rendered it so popular, and constrains those who have once used it not to use any other when it is possible to procure it. It never fails to give satisfaction, and no one who owns a horse or fattens cattle should be without it, or will be when made acquainted with its virtues.

As a spring and fall medicine it is safe and thorough, and will not injure a horse whether sick or well, and can be given at all times without interfering with his work.

## DR. J. D. KELLOGG'S DYSENTERY CORDIAL

A SURE CURE FOR

**Dysentery, Diarrhoea, Cholera, Gripping Pains in the Bowels, Summer Complaints, Children Teething, Sea Sickness, Etc.**

**T**HIS cordial is prepared from drugs known to the profession as thoroughly reliable for the cure of the above named diseases. And having been used by medical practitioners for a number of years, with gratifying results, we place it on the market with the fullest confidence of its giving entire satisfaction.

All infants are more or less subject to this disease; older children and adults generally bring it on by eating green vegetables or unripe fruit, and in every instance it soon weakens even the strongest. It should be checked on its first appearance, and to do this effectually there is nothing better than DR. J. D. KELLOGG'S DYSENTERY CORDIAL, an article possessing excellent medicinal qualities for the disease named above. It acts with wonderful rapidity, and never fails when taken at the commencement.

**No Person Should** go from home without a bottle of DR. J. D. KELLOGG'S DYSENTERY CORDIAL in their possession, as change of water, cooking, climate, etc., frequently brings on summer complaint, and there is nothing like being ready with a sure remedy at hand, which oftentimes saves great suffering, and frequently valuable lives.

MR. E. D. NEWTON, Toronto, writes: "I have used DR. KELLOGG'S DYSENTERY CORDIAL and found it the best medicine I ever used for Diarrhoea.

MRS. STACK, Toronto, writes: "I have much pleasure in saying that four doses of DR. J. D. KELLOGG'S DYSENTERY CORDIAL cured me of a very severe attack of Cholera Morbus. I never saw anything act so quickly in subduing the pain and stopping the purging."

MR. GEORGE SMEDLEY, Toronto, says DR. KELLOGG'S DYSENTERY CORDIAL cured him of Cholera Morbus.

MR. J. J. DOYLE, Sackville St., Toronto, writes: "I am pleased to testify to the excellence of DR. J. D. KELLOGG'S DYSENTERY CORDIAL, and would not be without it. I was very ill with cramps and could not get anything to relieve me until I was advised to use the CORDIAL, which gave me instant relief."

THE BEST APPETIZER AND TONIC KNOWN.

It will be found unrivalled for such diseases as **Fever and Ague, Intermittent and Billous Fevers, Dyspepsia, Nervous Affections, Convalescence from Exhausting Diseases, and Functional Derangement of the Stomach.**

**T**HIS article is prepared from the pure Sulphate of Quinine, combined with fine sherry wine and choice aromatics, and is made an agreeable and pleasant invigorator to the whole system. It is a well known fact that Quinine has been acknowledged by the medical faculty for many years as the best appetizer and tonic known. And for general debility, this combination will be found superior to all other preparations.

It imparts to the stomach tone and energy, and fortifies the system against infectious diseases and exposure to change of climate. It is pleasant and contains *nothing Injurious to the Most Delicate Constitution.*

The properties of Quinine are a febrifuge tonic and anti-periodic. Small doses, frequently repeated, strengthen the pulse, increase muscular force, and invigorate the tone of the nervous system.

The peculiar operation of this medicine in **GENERAL DEBILITY**, and as an **APPETIZER**, has undergone long and close observation, and it is believed it will never fail, if properly and judiciously administered, unless other diseases predominate of a different character.

After its administration the general system becomes more or less influenced, the pulse being fuller and more rapid, and a gentle stimulus imparted to the various organs of the body.

**Nervous Persons**, after using it for a short time, will find their appetite improved, their spirits become more cheerful; sleepless nights, twitching of the muscles and trembling of the limbs, will all disappear, and they will feel and know that every fibre and tissue of their body is being braced and renovated.

**Persons of a Weak Constitution** may take it without the least difficulty, as it contains **NOTHING INJURIOUS** to the most delicate constitutions.

**MR. E. ROBINSON**, Windham Centre, writes: "For about ten years I have been troubled with Headache, or Brow Ague, as some people call it, a pain across my forehead accompanied with Billousness. Have tried nearly all the medicines sold in this country, but received no relief or benefit from them. Finally I commenced using **NORTHROP & LYMAN'S QUININE WINE**, and before I had used six bottles I was completely cured, and I have not had an attack of it since, now nearly one year.

**MESSRS. T. ELLIOTT & Co.**, Cookstown, write: "We are sold out of your **QUININE WINE**. It is very highly spoken of by our customers who have used it," etc.

**MR. E. T. MULLIGAN**, Toronto, writes: "In gratitude to you for what your most valuable medicine, '**QUININE WINE**,' has done for my wife, I wish to express my best wish and hope that all sufferers from disease to which your medicine is adapted will not hesitate in resorting to its use. My wife having been troubled with general debility, and having no appetite or relish for her food, I procured a bottle of your **QUININE WINE**, and after submitting it to our family doctor, he told me he could prescribe nothing better. Thanking you for what it has accomplished, I am, etc."

**MRS. JOSEPH SPENCER**, Toronto, writes: "Having been a sufferer from general debility and weakness, so peculiar to persons of a nervous temperament, I was induced to try your **QUININE WINE**. After taking the first bottle, it had such a decided effect that my system began to rebuild, and my appetite was so much improved that I decided to continue the medicine; and I have no hesitation in saying that after I used the second bottle I was quite restored to my natural health. I feel as if I cannot find words to express my feelings to you for what your medicine has done. I have also recommended it to my friends troubled in like manner, and in every instance it has met with the same results. I wish your medicine every prosperity."

# NORTHROP & LYMAN'S Vegetable Discovery

NO MEDICINE EQUALS IT.

**Its Properties are such as to  
Rapidly Insure Sound Health  
and Long Life.**

**A** PURELY vegetable compound, that cures every kind of unhealthy Humor, and every disease that depends on Impurity or Impoverishment of the Blood.

For the cure of diseases known by the names of Erysipelas, Salt Rheum, Eczema, Scald Head, Scaly Eruption of the Skin, Ulcers, and Fever Sores of all kinds; Boils, Humor in the Mouth and Stomach or Eyes, Sore Ears, and Eruption on the Head; Pimples or Blotches on the Face; and every Form of Disease of the Skin, and Scrofula, it stands pre-eminently at the head of all other remedies.

In the cure of Rheumatism, Dyspepsia, Liver Complaint, and Kidney Disease, its effects are surprising to all. For regulating the Bowels, and curing Biliousness, Headache, Sick Headache, Neuralgia, Female Weakness, Nervousness, Pains in the Side, Loins and Back, and General Weakness and Debility, its curative powers are beyond money and beyond price. It is the Great Blood Purifier. The Blood is the Life of the Flesh. Purify the Blood, and it is hard for disease of any kind to remain long in the body.

**A Benefit** is always derived from the first bottle. Two to four bottles usually effect a cure. In more obstinate cases, it takes from three to five or six bottles; and in very aggravated cases, particularly of long standing, even more is sometimes needed; but it never fails in such diseases, where the affected part is not beyond the limits of repair. When the above quantity, in proportion to the nature of the case, is taken, a perfect cure is warranted.

## DISEASES OF THE KIDNEYS AND BLADDER.

For the cure of diseases of the Kidneys and Bladder, NORTHROP & LYMAN'S VEGETABLE DISCOVERY is a remarkable remedy. It purifies and enriches the blood; regulates the bowels; acts directly upon the secretions, and the affected organs themselves, cleansing, strengthening, and removing all obstructions and impurities. In these diseases a few bottles of the DISCOVERY are worth their weight in gold.

MR. JOAB SCALES, of Toronto, writes: "A short time ago I was suffering from Kidney Complaint and Dyspepsia, Sour Stomach and Lame Back;

in fact I was completely prostrated and suffering intense pain. While in this state a friend recommended me to try a bottle of NORTHROP & LYMAN'S VEGETABLE DISCOVERY. I used one bottle, and the permanent manner in which it has cured and made a new man of me is such that I cannot withhold from the proprietors this expression of my gratitude."

**Disease of the Liver** is far more common than is generally supposed; and, indeed, it is possible for serious disease of that organ to exist without any well defined symptoms whatever. Comparatively few are constantly free from all irregularities of the Liver, and more particularly Biliousness.

The remarkable properties of NORTHROP & LYMAN'S VEGETABLE DISCOVERY in restoring the Liver from the affections to which it is subject, such as Biliousness, Jaundice, Congestion, Inflammation, etc., are surprising to all who witness their effects.

MRS. H. HALL, Navarino, N. Y., writes: "For years I have been troubled with Liver Complaint. The doctors said my Liver was hardened and enlarged. I was troubled with Dizziness, pain in my right shoulder, constipation, and gradually losing flesh all the time. All food soured on my stomach, even with the closest attention to diet. I was under the care of three physicians, but did not get any relief. A friend sent me a bottle of NORTHROP & LYMAN'S VEGETABLE DISCOVERY, and it affords me much pleasure to inform you that the benefit I have received from it is far beyond my expectation. I feel better now than I have for years."

**For 30 Years.**—MRS. L. SQUIRE, Ontario Steam Dye Works, Toronto, says: For about 30 years I have doctored for Liver Complaint and Dyspepsia without getting any cure. I then tried NORTHROP & LYMAN'S VEGETABLE DISCOVERY, and the benefits I have received from this medicine are such that I cannot withhold this expression of my gratitude. It acts immediately upon the Liver, and its good effects are noticed at once.

As a Dyspepsia remedy I don't think it can be equalled."

## WEAKNESS OF HEART AND STOMACH.

MRS. S. E. COCK, Oxford Station, says that both she and her mother have used the VEGETABLE DISCOVERY for weakness of the stomach, and that it completely restored them, which no other medicine would do. Her father has also used it with good results for weakness of the heart. She says she never used any medicine that did her so much good in so short a time, and in such small doses, and she pronounces it as certainly the best medicine for purifying the blood.

**Bad Cases.**—MR. C. E. WILLIAMS, Druggist, Wingham, says: "YOUR VEGETABLE DISCOVERY is selling well, and I know of bad cases of Dyspepsia that it has completely cured."

**T**HIS celebrated chemical compound is the result of an extensive experience with regard to the curative powers of all the known medical agents, and of a theoretical and practical knowledge of the various chemical affinities brought into play in their combinations. By careful investigation and laborious research, the ingredients—having been selected with special reference to their different virtues and peculiar powers—are so combined as to form a perfectly homogeneous compound, possessing, through its wonderful efficacy and manifold healing influences, an adaptedness to a wide circle of disease.

**Advertising Itself** wherever it goes by the wonderful and gratifying effects which it produces, this sterling medicinal preparation, Dr. Thomas' Electric Oil, is winning "golden opinions" in all parts of the Dominion.

Among the pains and aches cured with marvellous rapidity by Dr. Thomas' Electric Oil is Earache. The young are especially subject to it, and the desirability of this Oil as a family remedy is enhanced by the fact that it is admirably adapted not only to the above ailment, but also to the hurts, disorders of the bowels, and affections of the throat, to which the young are especially subject.

**Tell the Deaf.**—Mr. J. F. KELLOCK, Drug-gist, Perth, writes: "A customer of mine having been cured of deafness by the use of Dr. Thomas' Electric Oil, wrote to Ireland, telling his friends there of the cure. In consequence I received an order to send half a doz. by express to Wexford, Ireland, this week."

**Sore Feet.**—Mrs. E. J. NEILL, New Armagh, P.Q., writes: "For nearly six months I was troubled with burning pains and aches in my feet to such an extent that I could not sleep at night, and as my feet were badly swollen I could not wear my boots for weeks. At last I got a bottle of Dr. Thomas' Electric Oil and resolved to try it, and to my astonishment I got almost instant relief, and the one bottle accomplished a perfect cure."

Mr. JOHN GRAHAM, Stevensburgh, Mich., writes: "Dr. Thomas' Electric Oil is the best family medicine you can have in the house. I have been using it for fifteen years."

(32)

**Worth more than Gold.**—Mr. THOS. MOWAT, Lower Fort Garry, Man., writes: "My eight year old boy came from school a few days ago so bad with croup that we could not hear him talk, and in his efforts to get breath he caused bleeding of the nose. As an experiment I put fifteen drops of Dr. Thomas' Electric Oil on sugar and told him to try and swallow it. He did so with a great struggle, and to the surprise of my wife and I he could talk all right in less than fifteen minutes after. Now, gentlemen, you say Dr. Thomas' Electric Oil is worth its weight in gold, but I say it is worth twice its weight in gold for any throat disease."

**TWO GREAT MEDICINES,**

"UNION IS STRENGTH."

MISS M. J. RICHARDS, Belleville, writes: "Nearly three years ago I was taken with a pain in my shoulder so that I could not raise my arm. It rapidly grew worse, until a severe running sore broke out. For two years I tried a great many physicians in Belleville and Toronto, and nearly everything that I thought would help it, but got no relief. After being in bed for two months, an intimate friend thought if I used NORTHROP & LYMAN'S VEGETABLE DISCOVERY to Purify the Blood, and applied DR. THOMAS' ELECTRIC OIL on the arm, it might do me good. I must confess I did not have much faith in being cured, as I had tried so many things, and did not get any relief from them; but my friend persisted, and I commenced taking the DISCOVERY and rubbing the sore with DR. THOMAS' ELECTRIC OIL, and in less than two months my arm was completely healed and as strong as ever it was, while my health never was better."

**It Never Falls.**—Mr. W. J. CORBETT, Creemore, writes: "A few days ago a customer of mine came in with a Sore Throat, and his neck swelled to almost twice its usual size. In reply to my question as to what he was going to use for it, he said, 'I always use DR. THOMAS' ELECTRIC OIL'; I at once supplied him with a bottle and he took a dose then and there, and applied some externaly; strange to relate, he felt relieved before leaving the store, and stranger still, before night the swelling was almost entirely gone. I supplied DR. THOMAS' ELECTRIC OIL to a large number of parents during an epidemic of Diphtheria, and every one of them saved their children, while a number that I knew of lost theirs after using other remedies. These facts speak for themselves, and the consequence is that DR. THOMAS' ELECTRIC OIL is in constant demand all the year round."

The seven-year-old child of Mr. Henry Harding, Toronto, was confined to her bed for weeks with Rheumatism, limbs drawn up, great pain in all her joints; two bottles of DR. THOMAS' ELECTRIC OIL cured her.

**DR. THOMAS' ECLECTRIC OIL.**

Fix its appearance and the name in your mind, and don't be persuaded to take any Electric or Electron Oil in place of it, as they are base imitations.

In the year 1871, Dr. S. N. Thomas, of Phelps, N.Y., made arrangements with the undersigned to introduce his ECLECTRIC OIL into Canada. From the first it met with success, and in a very short time orders for it came pouring in from all parts of the country, and at the present time it has the largest sale of any medicine sold in the Dominion.

One proof of the remarkable success it has met with is the attempt of several

**LAND SHARKS**

to sell imitation oils on the strength of its popularity. If it were not a medicine of merit it would not be imitated. Men do not commit forgeries on defunct banks, nor do they counterfeit base coin; it is the genuine they imitate. And so it is here; if Dr. Thomas' Eclectic Oil was not an article as good as represented it would not have the popularity it has, and if it were not popular it would not be imitated. But thanks to a sense of fairness existing among the drug and medicine dealers, and a desire on their part to preserve their good name from the stigma of "dealers in counterfeit or imitation goods," those LAND PIRATES have not had any encouragement, and their trash has gone begging on the market.

They put up their preparation in wrappers similar to Dr. Thomas' Eclectic Oil, and call it Electric or Electron Oil, and try to palm it off as the genuine. Some have even a smell not unlike Dr. Thomas' Oil, but in everything else they are dead failures.

**Beware of these Similar Named Articles.**

If their originators had any faith in the healing properties of their medicines they would, like honest men, give them a name of their own, and not try to sell them on the reputation of another; but as they know their preparations have no merit they resort to the most unprincipled means of selling them by getting a name as near as possible to *Eclectic*. We, therefore ask the public when purchasing to see that the name,

**DR. THOMAS'**

ECLECTRIC OIL, is on the front of the wrapper, and on the back are the names of

*Northrop & Lyman Co.*

IT effectually and thoroughly Purifies and Enriches the Blood, gives Life, Strength and Vigor to the whole Organism of Digestion, restores to healthy action the functions of the Liver, regulates the Bowels, acts upon the Nervous System and Secretive Organs, restores the functions of the Kidneys and Skin, and renovates and invigorates the entire body, and in this way frees the system of disease. Its effects are surprising to all, in so effectually and thoroughly cleansing the entire system, and permanently curing all

### Diseases Arising from Impurities of the Blood,

such as Scrofula, and every kind of Unhealthy Humor, Female Weakness, and those complaints known by the names of Erysipelas, Canker, Salt-Rheum, Pimples or Blotches on the Face, Neck

or Ears, Ulcers, Fever Sores, Boils, Scald Head, Sore Eyes, Neuralgia, Rheumatism, Dyspepsia, Biliousness, Pains in the Side, Shoulder, Back or Loins, Diseases of the Liver and Kidneys, Costiveness, Piles, Headache, Dizziness, Nervousness, Faintness at the Stomach, and General Weakness and Debility

### Beyond their Expectation.

Mr. J. R. ALLEN, upholsterer, Toronto, sends us the following: "For six or seven years my wife suffered with Dyspepsia, Costiveness, Inward Piles, and Kidney Complaint. She had a pain in her back so bad that she could not straighten herself for some time after she arose in the morning. Her legs frequently cramped so much that she could scarcely turn over in bed at night. In fact, she was suffering untold agony in both body and mind. We tried two physicians and any number of medicines without getting any relief, until we got a bottle of Northrop & Lyman's Vegetable Discovery. This was the first relief she got, and I am happy to state that before one bottle was used the benefit she derived from it was beyond our expectation. We can with confidence recommend it for such complaints as she had, and hereafter we shall always keep a bottle of it on hand as our family medicine."

Mr. W. THAYER, Wright, P.Q., had **Dyspepsia for Twenty Years.** Tried many remedies and doctors, but got no relief. His appetite was very poor, had a distressing pain in his side and stomach, and gradual wasting away of flesh, when he heard of, and immediately commenced taking, Northrop & Lyman's Vegetable Discovery. The pains have left, and he rejoices in the enjoyment of excellent health; in fact he is quite a new man
