FIENDISH TREATMENT OF BRIDE

Husband and Another Knock Her on Head Leave Her in Well

ROB HER TRUNK

Sleeps Three Months, Passes Into Death—Schooner Towed Into Nantucket—Bank Closes Its Doors—Ski Jumping Record

Fairfield, Conn., Jan. 16—Knocked on the head, thrown into a well by her husband and a companion, and left for dead, the fate that met Annie Brooks, a 24-year-old bride, was the result of a quarrel on the morning of her wedding.

According to Mrs. Brooks, the three arrived in Bridgeport early Saturday morning and after leaving the woman in the station all day, returned at night and brought her to the Ferris farm here, where they assaulted her and threw her into the well, covering her up, as they supposed, with snow.

On striking the water, the woman regained consciousness and drew herself up by means of an iron pipe which she clung to until this morning when she was found by William Ferris. When taken out her feet were found to be frozen and they will have to be amputated.

The men returned to Bridgeport and there checked a trunk which belonged to the woman, which she said contained \$700, to Springfield, where they are supposed to have gone.

Pittsburg, Pa., Jan. 16—From a trace in which she had lain for three months and a half, Mrs. Kate Mendelsohn passed to death at a hospital here today. The physicians are puzzled over the case. Mr. Mendelsohn thinks that his wife must have been shocked into unconsciousness one night when the baby tumbled out of bed, believing that the child was killed.

Nantucket, Mass., Jan. 16—The steamer Pretzel towed into Nantucket harbor, the schooner Belle Halliday, which went ashore on Brent Point, December 25, and remained there until she was floated by the high tide today. The vessel appeared to be unharmed. A survey by the underwriters will be held tomorrow.

New Bedford, Mass., Jan. 16—In all my twelve years experience at the Nantucket Shoals lightship station, I never weathered a storm so severe as that of Friday and Saturday last, says Captain F. J. Doane, when he had docked the lightship at this port today. The vessel was cast adrift from her station on Friday afternoon.

Evansville, Ill., Jan. 16—The Citizens National Bank will not open tomorrow. After a meeting of the directors tonight, a notice was posted that the bank was closed, but it was believed the depositors would be paid in full.

JEWES AGAIN POPULATE HOLY LAND

Proclamation of Turkey Constitution Has Thrown Open Doors of Palestine—Jerusalem Now Four-fifths Hebrew

New York, Jan. 17—A cable dispatch to the Times, says that the proclamation of the constitution in Turkey has thrown open the doors of Palestine to the incoming Jews from all parts of the world.

In Jerusalem alone four fifths of the population of 100,000 now belong to the Jewish faith, while at Jaffa, Tiberias, Safed and Haifa Jews are reckoned with tens of thousands.

Almost the whole extensive plain of Esdras has been brought up by them. Their prosperous colonies spread from Dan to Beersheba and even south to the outskirts of Egypt. Thousands are escaping from Persia to find shelter and protection in the Holy Land, while every ship from Odessa carries hundreds of them.

Washington, Jan. 17—With an opening address by President Taft complimenting the organization on the work it had done in the past and referring to some of the important questions of national moment to which it would lend its aid, the National Civic Federation today began a three days conference here.

Other speakers at the opening session were Judge Alton B. Parker, former President of the American Bar Association, and Governor Wilson, of Kentucky, chairman of the committee on arrangements for the conference of governors.

Barre, Vermont, Jan. 17—The lockout which has practically paralyzed the Granite industry of this state since November 15, was changed to a strike today, and the responsibility thrown on the 5,000 cutters who are out.

This was brought about by the action of the manufacturers in Barre, East Barre, Northfield, Montpelier, Williamstown and Waterbury in opening their quarries for the men to return if they choose under the old conditions.

In only one shop did the ending of the lockout result in the return of the cutters to work, and in this instance the manufacturer, the Lettes Granite Company of Barre, acceded to the demand of the men for an increase in wages.

San Diego, Cal., Jan. 17—In a desperate effort to find Lord Osborne Beauchamp, of Sussex, (Eng.) and W. Arlington Pike of Victoria, (B. C.), whose whereabouts have been a mystery since November 10, a young plane man from Arizona, Albert Conifido, accompanied by a party of five will leave here on Thursday morning.

WILL ASQUITH HAVE WORKING MAJORITY, OR WILL HE BE AT NATIONALISTS' MERCY?

Today's Voting in 104 Constituencies Marks Turning Point, With Both Parties Straining

London, Jan. 17—Today is recognized as the turning point in this historic election, both parties straining every nerve. Especially in London the Unionists, deep down in their hearts are surprised that they did so well as they did on Saturday.

The Liberal Unionists are confident that the Unionists cannot keep up Saturday's rate of gains, and that today's polling will ensure a working majority for Asquith over all possible combinations in the new parliament.

Will Crooks arrived from Australia on the eve of polling. At Woodwick he sent a message from workmen all over the English speaking dominion was "get your budget through, limit the power of the Lords, don't believe the Tory stories that the lot of your fathers' hands."

In Dundee today Winston Churchill speaking re the election results, remarked that the battle is well maintained. Many of the Tory supporters, however, are not so firmly re-jected with scorn as the suggestion that we need preference, which would make the Tories' position untenable.

Charles Traflet died this morning after a week's illness, aged eighty-two years. Mrs. Traflet and many relatives survive. He held the position of janitor of the government buildings. The funeral will take place tomorrow afternoon at 1:30 P. M. at Baker officiating.

An unknown man stayed over night at the Queen Hotel on Saturday and left early yesterday morning taking with him \$1,000 and a fur coat belonging to Landford Blackie. When Chief Constable Wood of the hotel he left for London, but the thief had arrived there before him and has not yet been arrested.

London, Jan. 17—(Special)—Many amusing scenes were witnessed on Saturday near the polling booths. At one place, a parrot, taught for the purpose, screamed "Vote for Asquith" and "Vote for Asquith" and a portly dog, lashed together and labelled respectively "Tariff Reform" and "Liberal Unionist" were paraded through public thoroughfares, exciting laughter by their frequent "barking" and "baying."

Among the constituencies polling today were West Ham, Bedford, Carlisle, Chatham, Colchester, Huddersfield, Newcastle, Underley, Norwich, Oldham, Paisley, Polesden, Portsmouth, Stockport, Tyne-mouth, Wakefield, and Worcester.

Tomorrow's polling will be: In Bethnal Green, North-east and South-west, Chelsea, Deptford, St. George's, Haver Square, South-west, West Bermondsey, Rotherhithe, Tower Hamlets, Bow and Bromley, Limehouse, Mile End, Poplar and St. George's in the east Steyne and Whitechapel.

HUGH HAY OF WOODSTOCK EXPIRES

Sterling Carleton County Resident Dies at Age of 81—Charles Traflet Dead—Theft From Queen Hotel

Woodstock, Jan. 17—(Special)—Hugh Hay, senior member of the firm of Hugh Hay & Son, one of Woodstock's best known citizens, died at 6:30 last night at his home here, aged eighty-one. He had been dangerously ill for a couple of months from general weakness of the system caused by old age.

Mr. Hay was born at Cumberland Bay, Queen's county, on Nov. 24, 1828 and established the Glasgow House here in 1851. He was prominent in the business life of the province. In business he was the son of honor, socially he was the most companionable of men. In every position he exhibited marked integrity and ability.

Redmond, Irish Leader, Among Those Returned Unopposed Today—Great Interest and Some Amusing Incidents—Paris Watches The Issue Keenly—Bonar Law's Election is Assured—Churchill is Cheery

London, Jan. 17—(Special)—The Liberal Unionist, for Cambridge, Dulwich Division, and W. H. Long, Unionist for the Strand, are quite secure. The Liberals, doubtless, will lose Greenwich and other London districts.

Among the provincial seats contested today are Blackburn, held at present by Philip Snowden, Labor, one of the leaders of the labor party; Bristol, where a Birrell, Labor, and C. Hobbhouse held seats and in which districts both sides profess confidence in making a clean sweep; and Portsmouth, where the Unionists are depending upon Admiral Lord C. Pemberton, their candidate, and their denunciation of the Liberal naval policy, to reverse the big Liberal majority returned at the last election.

Two Welsh and four Scottish boroughs, all heretofore Liberal strongholds, will also vote today.

The stock exchange is inclined to be disappointed that the Unionist gains of Saturday were not greater, and the deals this morning caused the loss of some advances registered last week in anticipation of a Tory victory. The market will show some feeling, particularly in official circles, while Home Rule and Kaffirs were fractionally weaker on realizations.

John E. Redmond, for Waterford City and six other Irish Nationalist seats were returned unopposed today.

Paris, Jan. 17—(Special)—The British general elections are being watched here with thrilling interest. The French press is in sympathy with the lords. This is largely due to the prevailing belief that the victory for the Radicals would mean the abandonment of Britain as a naval and military factor in European politics.

London, Jan. 16—Election night in London is vaster in quantity if not more thrilling in quality than election night in Canada. The world's metropolis furnishes more crowds but no one point held a bigger crowd than that in front of the Electoral office on election night. The polls closed at 8, and at 10:23 the first return came from North Salford, the Liberal receiving the seat with a majority of 1,000.

A sign of relief went up from the cosmopolitan assemblage of over 1,000, including Hindu Liberals, jammies, and a big smoking room of the National Liberal Club.

The Liberals' confidence was mostly in their own hands. They were joined in their hearts, that an undercurrent of opinion might swamp them, Salford staided the Liberals, Manchester created them with joy over the defeat of Hicks, the conqueror of Churchill in the bye-election.

The Unionists assumed the worst had happened. They wanted round the ticker in fear and trembling, lest the Liberal, Labor and Socialist alliance and the budget output against food taxes and against the lords would annihilate the remnants of Unionist strength, in every working class in the constituency.

SASKATOON FIRE TOLL SIX LIVES

Investigation is Being Held—Water Break in Montreal Cause of \$20,000 Fire—Quarter Mile of Hose

Saskatoon, Jan. 17—(Special)—Alex. Reid the sixth victim of the holocaust caused by the burning of the shack of John Henderson on Friday morning, died of his injuries yesterday morning. Reid sacrificed his life in an effort to rescue his two little girls who lived with the Hendersons.

When the firemen arrived they found there was no water pressure in that district and they were forced to lay hose a quarter of a mile to Sherbrooke street. Before this could be done and the water turned on, the flames spread to an adjoining block of tenement houses and these were wiped out with Dobbie's place.

Montreal, Jan. 17—(Special)—As the result of a break in one of the auxiliary mains under the street the whole centre of Montreal was without water for about six hours last night and what is said to be a direct result of this break was the loss of \$20,000 by fire which started in a store on the corner of Wolfe and Robit streets, occupied by Dubuc Brothers.

Among those present were Mrs. Anne Day of Bloomfield, Miss Pearl Langlois of St. John, Mrs. Wesley Waters, Mr. and Mrs. J. B. Baxter, Mr. and Mrs. Joseph Hester, Mr. and Mrs. Fred Wood, Mr. and Mrs. Geo. Currie, Councilor and Mrs. Alfred Whelpley, Mr. and Mrs. R. H. Philbert, Mr. and Mrs. Aaron Kimball, Miss Edith Kirk of Boston, and Miss Margaret Hayes.

Music and games were enjoyed until the early hours of the morning, and those present left after tendering Mr. and Mrs. Whittaker right hearty congratulations of the day.

The young people of this place are enjoying the good skating on the St. John river.

New York, Jan. 17—The dogs and cats of the rich will no longer have a monopoly of medical and surgical attendance now that the Women's Auxiliary of the Society for the Prevention of Cruelty to Animals has established a free outdoor clinic.

The animal clinic has been opened at No. 225 Lafayette street, the building running through to Mulberry, which is in the heart of the heaviest traffic. Dr. J. H. Feser will specialize in the treatment of horses, while dogs and cats will be attended by Dr. Blaney.

Toronto Iron Firm Tender For at Least Part of Navy

Toronto, Jan. 17—(Special)—Some of the battle ships for the dominion government may be built in Toronto. Winnipeg, Jan. 17—(Special)—A wind of unusual velocity swept throughout the west on Friday night, as times preceding the day of a hurricane. Fortunately it was from the south and was not cold. Such remarkable velocity was, it is said, that it was blowing at the rate of 100 miles an hour when it was blowing at Rosser, and he was painfully injured.

Cobalt, Jan. 17—(Special)—James Murray and Napoleon Lembeux were fined \$300 and costs in the police court here today for selling liquor illegally. John Conhlim on a similar charge was fined \$100 and costs while James Charlton was sent to jail for four months without the option of a fine.

Winnipeg, Jan. 17—In the provincial police court Albert Calder was sentenced to six months in jail for stealing \$864 from the Canadian Northern Express. Calder was employed by the company in Manitoba. (Mild reprimand.)

Toronto, Jan. 17—(Special)—Two hundred former residents of Newfoundland assembled on Saturday night at Bloor and Bathurst streets and formed a Newfoundland Association. The following officers were elected: President, Hon. A. B. Morine, K. C.; vice pres. Rev. C. W. Follett and E. H. Hudson; Sec. T. W. Thompson; treas. E. W. Hollett; Guard A. Porter.

Montreal, Jan. 17—(Special)—La Pays, the old-time French-Canadian rough and ready, made its reappearance today, under the direction of Genroir Langlois who recently resigned as chief editor of LeCanard, the Liberal organ of the city. The first edition was sufficiently extreme, and devoted columns in effort to prove that the Liberalism of today was unworthy of the ancient regime.

In fact La Pays is decidedly intransigent and opposes everything, especially the Carver bye-law providing for the early closing of bars. In this connection La Pays says that Montreal is no longer a village, but is to Canada what Paris is to France, London to Great Britain, Brussels to Belgium and Berlin to Germany, a centre of hospitality, a gay and attractive city. "Therefore," says the new French paper, "we should leave to Toronto the pride of being a cemetery, and to Quebec that of being a city behind the times."

REV. C. W. SQUIRES' ABLE ADDRESS TO EVERY DAY CLUB

"Man is not wholly depraved," said Rev. C. W. Squires at the Every Day Club last evening. "Away with the doctrine of total depravity. There is something of divinity in every man. Sin is misdirected energy. The man who goes into a saloon is not totally depraved. He goes there because he thinks he can there satisfy a craving of his nature. He is misguided. If he could but see his true relationship to God, how different would be his conduct. Joseph was greater than Pharaoh, Samuel than King Saul, Elijah than Ahab, John the Baptist than Herod, Marcus Aurelius than Nero. Why? Because they were on the side of righteousness."

Lathrop caused a sensation on the evening of the Springfield Fish and Game Association, of which he is president, by stating that he had declined to preside at the lecture and introduce Commander Robert E. Peary when the discoverer of the North Pole comes to this city tonight. As the mayor expressed it, he refused to be "a part of the Peary side show."

PURIFIED HIS BLOOD

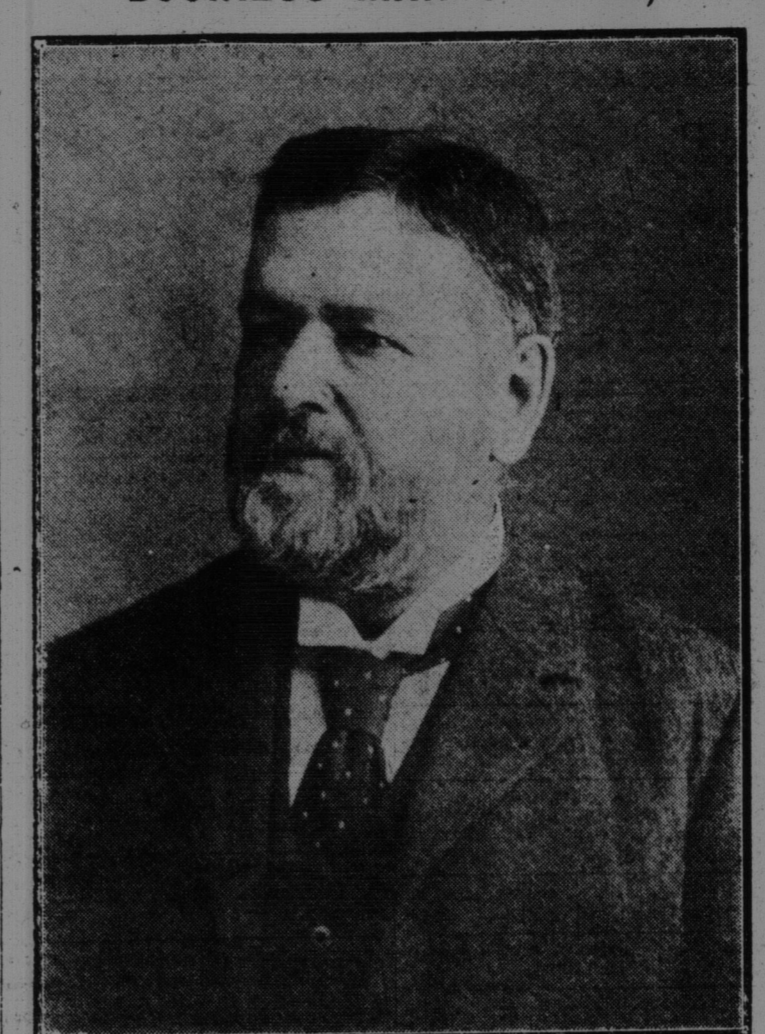

Dr. Morse's Indian Root Pills Healed Mr. Wilson's Sores

When the sores of the body—bowels, kidneys and skin ducts—get clogged up, the blood quickly becomes impure and eventually breaks out over the body. Dr. Morse's Indian Root Pills were brought to my notice, and they are one of the most wonderful medicines I have ever known. My blood was purified in a very short time, sores healed up, my indignation vanished. They always have a place in my home and are looked upon as the family remedy.

PRINCE RUPERT EXPECTS TO HAVE 10,000 IN YEAR

Vancouver, B. C., Jan. 16.—Prince Rupert is applying to the provincial government for a charter, building a ten thousand dollar hospital and asking for tenders for the construction of a sewerage system. There are nearly five thousand people at the new town, and the most conservative citizens estimate the possible population a year from now at ten thousand. The interest and excitement caused by the rapid development of the city is being dwarfed to some extent because of the mining boom along the Portland Canal. This mineral development promises to do for Prince Rupert what the British Columbia mining boom did for Spokane—people with millions.

JAMES H. McAVITY, PROMINENT BUSINESS MAN OF CITY, DEAD

THE LATE JAMES H. McAVITY

James H. McAvity passed away at his home, 185 Leinster street, at 1 o'clock yesterday afternoon. Mr. McAvity, who was 72 years of age, had been dangerously ill for several weeks and his death had been expected for several days. In his passing St. John loses one of her most prominent business men and one who had great faith in the expansion of the city. He was the eldest son of Thomas McAvity, at one time mayor of St. John and head of the firm of T. McAvity & Sons. Born in St. John (N. B.), 18th Sept., 1838, he was twice married, first on June 22, 1865, to Elizabeth Jane Stephenson, and secondly to Ella Elizabeth Ayer on June 22, 1877. The children of the first marriage are Ada L., wife of F. E. Game, of Montreal, and James Lupton McAvity, of this city. Of the second marriage the children are Alice R., wife of Henry W. Schofield, of this city; Emily L., wife of the Very Reverend Dean Schofield, of Fredericton, and Margaret Frances, of this city. Mr. McAvity received his early training with the firm of J. & T. McAvity, with whom he continued. He also commenced business himself about the year 1885 by purchasing the Kennedy brass foundry on Princess street. This business he largely increased. In the year 1870 he entered

WATER FAMINE IN MONTREAL THREATENED

Montreal, Jan. 17.—(Special)—Montreal was threatened last night with a water famine on a large scale. Gangs of men were sent out and could find no trace of any break.

UNIONISTS MAKE FIRST DAY GAINS

Looks, However, Like Government Victory With Majority Reduced

DETAILS IN FULL

Jebb Thrown Out of His Rival's Headquarters—One Suffragette Succeeds in Registering a Vote—Sir Gilbert Parker Loses Votes But is Elected

London, Jan. 15.—At the close of the elections today the standing of the various parties, including uncontested seats was as follows: Liberals, 413; Conservatives, 37; Labour, 15; Nationalists, 18; Liberal gains, 3; Labour gains over Liberals, 69. Of the twelve seats contested in London the Liberals held seven, the Conservatives five, and the Labour party one. In the provinces the Unionists gained southwest Manchester, Stalybridge, Salisbury, Rochester, Burnley, two seats in Devonport, Cambridge, Yarmouth, South, Wolverhampton west, and south, Walsbury, and two seats in Bath. The Liberals won Manchester (north-west), Darlington and Grimsby. The Conservatives won East Manchester. The first engagement in the fight for tariff reform, a great victory and the supremacy of the lords and home rule ended tonight with neither party in a commanding position. The results of the polling today tend to confirm the forecast that the Liberals will retain control of the government with a greatly reduced majority. The Unionists have gained an encouraging number of seats, although less than the twenty-nine which they expected to take away from the Liberals out of the seventy-four balloted for.

Had Heart Trouble. Nerves Were All Unstrung.

Wherever there is any weakness of the heart or nerves, flagging energy or physical breakdown, the use of Milburn's Heart and Nerve Pills will soon produce a healthy, strong system.

Mrs. M. C. McGann, Cas Do Her writes: "I wish to tell you what Milburn's Heart and Nerve Pills have done for me. Three years ago I was so run down I could not do my own work. When I commenced taking your pills I had heart trouble and that my nerves were all unstrung. I took my medicine, as he ordered me to do, but it did me no good. I then started to take Milburn's Heart and Nerve Pills, and had only taken one box before I started to feel better, so I continued their use until I had taken several boxes, and now weigh 135 and have given birth to a lovely young daughter, which was a happy thing in the family. When I commenced taking Milburn's Heart and Nerve Pills, I could not go upstairs without resting before I got to the top. I can now go up without any trouble." Price, 50 cents per box or 3 for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

SISTERS WILL TRY TO GET HIM OVER BORDER

Boy Held Up on Way to Join Her in States, She Comes For Him

After being turned back in an endeavor to enter the United States, Arthur Emmet, a fifteen year old Halifax boy, will make another endeavor to cross the border this evening. He arrived in the city on Monday last, on route to Boston to take up his abode with his sister. As he was under age and traveling alone, the American officials declined to permit him to proceed. The lad, whose home is at 290 Brunswick street, Halifax, where he has been living with his father, William Emmet, returned there, and after he communicated with his sister, Miss Elizabeth Emmet, of 468 Shawmut avenue, Boston, she came on for him and the two arrived from Halifax this morning.

The foregoing story was told to a Times man today by Miss Emmet. She feels that there should now be no difficulty in her brother getting to Boston. Miss Emmet felt strongly that her brother should have not been occasioned the expense of returning to Halifax. Her brother, she says, will make her home with her. Effort was made to see some of the United States immigration officials with reference to the matter, but to no avail.

THE DOUGLAS AVENUE LIQUOR LICENSE

It is understood that the petition in circulation in Lansdowne ward in favor of granting a license to M. J. Nugent has been withdrawn, owing to the fact that its authors could not secure enough signatures to it. In spite of this fact, however, it is claimed by friends of Mr. Nugent that he will secure his license, although no authority is given for his circulation. All doubts on the matter will be dispelled, however, after the commissioners have met next week.

In Leinster street Baptist church on Thursday evening a special meeting will be held on representatives of all the Baptist churches of the city will be present. On Account of a Death in the Family

Our Store Will Be Closed Until Wednesday

McLean, Holt & Co., - 155 Union St.

January 17, '10

Our Greatest January Sale Has an Auspicious Opening

We Say Our Greatest January Sale and That Means St. John's Greatest.

Among the clothing sales—which, with one excuse and another, have been thrust upon your attention lately—this one stands out like a giant among dwarfs.

Saturday the opening day of our sale the store was thronged with eager buyers all day resulting in the greatest volume of business ever done in any one day during this month of January—and we've held very successful sales during January in the past few years—but this one promises to surpass them all. It will be thronged today—it will be thronged tomorrow—it will be thronged every day while the sale continues because quantities are too large for one or two days selling to exhaust. And the values! The greatest ever offered in the clothing business in St. John. Make comparisons and prove this statement to your own satisfaction. Prices in themselves mean nothing—any store can advertise worth so much and reduced to so and so—but it's what you get for what you pay that counts.

A gentleman while here Saturday, asked the question: Why is it you always have such generous response to your sale announcements? We answered him: "Because we live strictly up to our motto 'Best for the money at all times' and when we announce a sale we never overstate the facts, so that everything is found just as represented—in other words, we deal fair with the public, and through such square dealing we have gained the confidence of the public."

Do you suppose there could be any other reason for this being the largest clothing business in the Maritime Provinces? No! of course, not.

Come every day while the sale lasts. Get your share of the truly remarkable values.
