## REPORT OF THE EXECUTIVE COMMITTEE AS ADOPTED.

Your Committee, in presenting this report, wishes to express its deep sense of the loss sustained by the Society in the death of Mrs MacCoy, the efficient and beloved President of the Nova Scotia Branch. At the request of the Committee, a letter of sympathy was written by the President to the Secretary of the N. S. Branch.

### JAPAN.

At the last meeting of the Board, a request from Rev. Dr. Eby for the establishment of a central home for evangelistic work in Hongo could not be granted; but it was recommended that a home be provided for two Bible-women, and that the ladies from Azabu visit in the district. The Council in Japan acted upon this, but it was found unsatisfactory, and the Bible-women were withdrawn, believing that their time could be more profitably employed in Komagoma, Shytaya, and Kakigara, three other districts. Dr. Eby then applied to the General Society to send a lady worker to that especial district. This the General Society thought unadvisable. A committee was appointed from the Committee of Consultation and Finance, to confer with your Executive on the subject. After a minute and careful consideration of the requirements of the work, and the desirability of such an appointment being clearly recognized, it was agreed to recommend the establishment of a second centre for woman's work, which would meet the needs of the Tabernacle and adjacent churches, to be under the direction of the Woman's Missionary Society; the General Society to aid in providing the Home, the W. M. S. to appoint and maintain the women workers; also that representatives of the two Societies confer together and lay down certain general principles as a basis of co-operation.

In view of information received later, and the probability of changes being made in regard to the Tabernacle at the Japan Conference, it was

*Resolved*,—That this Committee does not see it way clear to proceed with the plan agreed to previously, but would desire to continue work along the line laid down by the Board of Managers.

A letter was received from Mrs. Large, tendering her resignation. This was followed by one addressed to Mrs. Large, and signed by all the ladies in Japan, urging Mrs. Large to withdraw her resignation. It was

*Resolved*,—That no action be taken at present in regard to Mrs. Large's resignation, believing that her good judgment and deep interest in the work will, directed by our heavenly Father, lead her to a right decision.

Mrs. Large has since withdrawn her resignation.

The resignation of Miss Shoultz, referred by the Board to the Executive, was accepted, and her return expenses, amounting to \$190.22, were paid.

The resignation of Miss Cushing was received. It having already been accepted by the Council in Japan, the Executive was asked to endorse the action of the Council, which was done.

Miss Wintemute's resignation was received, accompanied by a report of work done during the year's furlough. Miss Wintemute had travelled 11,736 miles (including 8,525 from Japan); addressed fifty-eight public meetings, eight Auxiliaries, four Mission Bands, eight Sabbath Schools, and assisted in ten Japanese entertainments. From these meetings the Society received about \$550, and between forty and fifty new members were added. This report was considered highly satisfactory.

The following resolution was carried unanimously,—That Miss Wintemute's resignation be accepted, and that we assure her of our prayers for continued success in her new sphere in life, trusting that the kind Father above who has so abundantly blessed her labors in our Woman's Missionary Society may guide and direct her in whatever part of His vineyard she may be called to labor.

A resignation was received from Miss Lund also. A resolution was passed declining to accept it, at the same time assuring Miss Lund of our high appreciation of her self-sacrificing spirit and the valuable work done by her in the past, and expressing the earnest hope that under the guidance of the all-wise Father she may see fit to withdraw her resignation.

Miss Lund's resignation has been withdrawn, but her health is not sufficiently improved to permit her to return at present.

The Committee was authorized to send two ladies to Japan during the year. But only one was available. Miss Crombie, of Juvenile, N. B., accepted on the recommendation of the N. B. and P. E. I. Branch, was appointed to Japan, and accompanied Miss Cunningham on her return in August.

It was with sincere regret that the Committee learned that Miss Lizzie Hart's health was not satisfactory, notwithstanding which she strongly desired to remain in the work. Permission was given her to return at any time Dr. McDonald might consider it necessary.

PORT SIMPSON, B.C.

The time for Miss Hart's well-earned furlough having come and Miss Smith, of Maitland, N.S., designated by the Board for this work, not yet being at liberty, Mrs. Redner, of Hastings, was appointed matron, having been accepted on the recommendation of the Central Branch. Miss Hart was granted half salary for the year—she to work in the interests of the Society in the Eastern,

#### CHILLIWHACK.

Miss Elderkin, whose resignation was accepted by the Board, very kindly remained until July, Miss Smith, of Nova Scotia, taking her place in August. Miss Somers having withdrawn, Miss Burpee, being recommended by Miss Clarke and having furnished satisfactory testimonials, was appointed sewing teacher until the annual meeting. Mrs. Strachan and Mrs. Burns were appointed to prepare rules for the government of the new Union Institute.

The Committee on Indian Work was authorized to lay before the Committee of Consultation and Finance the memorial from British Columbia, asking an extension of the work among the Indians.

#### CHINESE RESCUE HOME.

At the first meeting of the Committee a letter was received from Miss Leake—then on furlough—tendering her resignation. A resolution was passed expressing high appreciation of the good work done by Miss Leake in establishing the Rescue Home, regret at her resignation, and a hope that she would reconsider it. Mrs. Morrow, who was temporarily in charge, having furnished approved testimonials, was appointed matron for the year, and to have associated with her Miss Florence Wickett, of Toronto, who was recommended by the Central Branch. The improvements, sanitary and otherwise, required in the Home, have been completed at a cost of \$554.77.

The authorized petition *re* traffic in Chinese girls in British Columbia, was prepared by a Union Committee, signed by the President and Secretary of the Woman's Missionary Societies of all denominations, and of the Woman's Christian Temperance Union; and by request of the Committee was presented by our President to Hon. Mackenzie Bowell, Minister of Trade and Commerce, who, in a personal interview, assured her that he would give the matter his careful consideration.

#### CHINA.

A medical outfit being required by Dr. Gifford, it was provided for her at a cost of \$265.03. One hundred dollars each were allowed to Dr. Gifford and Miss Brackbill for house-furnishings—instruments, permanent supplies and home furnishings to be the property of the Woman's Missionary Society. Authority was given these ladies to employ a teacher of Chinese at the expense of the Society.

#### LITERATURE AND PUBLICATIONS.

Miss Smith, of St. John, N.B., who was appointed editor of *Our Quarterly*, having declined to accept the appointment, Mrs. Bascom, Mission Band Corresponding Secretary of Central Branch, had in the intervening emergency prepared the first number. The preparation of the remaining numbers was referred to the Mission Band Cor

responding Secretaries of the Eastern, Western and Nova Scotia Branches respectively. A request from the Literature Committee for permission to issue a new life-membership certificate for Auxiliaries was referred to the Board meeting.

#### CANDIDATES.

1. The Executive of the Branch in which a missionary candidate resides shall designate the physician whose opinion shall be procured.

2. Missionaries on furlough shall procure certificate of health before being permitted to return to their fields of labor.

3. The age at which candidates shall be eligible for appointment shall be twenty-five, instead of twenty-two, as formerly, discretionary power, however, being left with the Executive. It was recommended that hereafter candidates be required to pass an examination in Theology. Arrangements for the carrying out of this was left to Mrs. Burns, to be presented at this meeting.

Your committee was waited on by a deputation from the Methodist Young People's Union, who presented resolutions adopted by the Methodist Young People's Convention, expressing a desire for affiliation with the W.M.S. A committee was appointed to formulate a basis of union, but after consultation it was decided to leave the question in abeyance until the General Conference, as no legal affiliation could be effected without legislation from that body.

A recommendation from the Central Branch, "That during the meetings of the Board, morning sessions be devoted to business only," was approved.

Official correspondents for the *Outlook* were appointed, viz.: For French Work, Mrs. W. E. Ross; Coqualeetza Home, Miss Clarke; Port Simpson, The Matron; Chinese Home, The Matron.

The Society is indebted to Miss Greene, of the Indian Home at Elkhorn, formerly a missionary in China, for a number of valuable Chinese articles—garments, photographs, paintings on silk, etc., which have been placed in "Room 20," Wesley Buildings.

An invitation to send representatives to the World's Woman's Congress, held in Chicago in May, was responded to by the appointment of the President and Corresponding Secretary.

The arrangements for the Woman's Missionary Conference in September, allowed each Society to send two members of the Executive Committee, and one delegate for every one hundred auxiliaries. In order to distribute the representation, each Branch was given the privilege of nominating one representative. Those appointed from the Executive were Mrs. Carman and Mrs. Willmott.

Some additional instructions to missionaries were authorized, which will be found elsewhere.

Invitations for the annual meeting were received from the auxiliaries in Guelph and in Ottawa. The invitation from Ottawa was accepted.

NOVA SCOTIA BRANCH.—Mrs. T. E. Whiston, President, Halifax ; Mrs. Brownrigg, Corresponding Secretary, Bridgewater.

NEW BRUNSWICK AND P. E. ISLAND BRANCH.—Miss Palmer, President, St. John, N.B. ; Mesdames Howard Sprague, Hampton ; S. Howard, Hampton Station.

RETURNED MISSIONARIES.—Miss Preston, Mount Pleasant, Ont. ; Miss Munro, Peterboro'.

The opening devotional exercises were conducted by the President, after which she gave her annual address, which was listened to with deep interest.

The report of the Executive Committee, read by the Secretary, was discussed, amended and confirmed.

The report of the Corresponding Secretary was presented by Mrs. Strachan, and adopted:

In the absence, through illness, of the Treasurer, Mrs. Thompson, her report was read by Mrs. Willmott, and adopted by a standing vote, after which the doxology was sung, and prayer was offered by Mrs. W. E. Ross. The following resolution was carried unanimously :

*Resolved*,—That we desire to convey to our absent Treasurer, Mrs. Thompson, our loving sympathy with her in her illness, which has deprived us of her genial presence.

Satisfactory reports from the different departments of the Society's work were received and adopted.

On motion the following message was addressed to our missionaries :

We, the members of this Board, desire to express to our dear fellow-workers in the different fields our deep interest in all that concerns them ; our anxious solicitude when hearing of debilitated health or over-taxed powers ; our sympathy when long and patiently repeated sowing apparently yields no harvest ; our rejoicing over the tidings of any soul turning to the Lord, or of the growth in Christian character of those under their care ; and we desire to assure them that our prayers do ascend for them that they may be guided in perplexity, encouraged when disappointed, strengthened physically and spiritually, and that their work may be prospered. May each one realize that the Lord is to her " As the shadow of a great rock in a weary land," then can she, to some extent, become the same to other burdened, thirsty souls.

Instead of having the usual committees appointed, it was decided to do all the committee work, except that of the Candidates Committee, in a business session of the whole. The following memorials were presented—

From the Western Branch, recommending :

1. The acceptance of a calendar prepared by Mrs. Walker, of Glencoe. The Secretary of the Literature and Publication Committee

showed a specimen page of the calendar, and moved that it be adopted, subject to revision by the committee, in order to retain the birthday feature. Price to be fifteen cents. Carried.

2. That the publication of the Monthly Letter be discontinued. This was rejected by a standing vote.

3. That a committee be appointed to confer with the General Conference in view of asking for a monetary interest in the *Outlook*. Not carried.

4. That any memorial not entertained by the Branch meeting shall not be passed on to the Annual Board meeting. This was amended to read, Any memorial affecting the Branch only, and not entertained by the Branch meeting, shall not be forwarded to the annual meeting of the Board. Carried.

5. That the salary of a missionary returning home on furlough cease with the expiration of her term of service. Not carried.

6. That sums paid by gentlemen to auxiliaries be entered as donations, and not as membership fees, thereby avoiding the confusion of honorary and active members. Carried.

Also resolutions in relation to the liquor and opium traffic, which were referred for revision to a committee composed of Mrs. Carman, Mrs. G. Wright, and Mrs. G. P. McKay, and afterwards adopted as follows :

*Resolved*,—That we do record our solemn protest against the iniquitous methods used to raise the revenue for the Anglo-Indian Government by way of the opium and liquor traffics, believing that the ruling power that makes merchandise out of the vices of its subjects is below the level of a savage nation. And also we deeply deplore the opium traffic that was forced upon China by the British Government, the evil effects of which are so wide-spread they are proving one of the most serious hindrances to the progress of missionary work in that country. Further, we earnestly entreat the English Government to make the pending examination of Indian military authorities for violation of English law in their cantonment immoralities as searching as possible, and with consequences to offenders that may deter from such further crimes.

*Resolved*,—That the Secretary of this Board forward copies of the above resolution to the English Government, signed by the President, Vice-President, Recording and Corresponding Secretaries of the Board, in behalf of the 19,000 represented.

From the Mission Band Committee of Western Branch :

In view of the fact that Epworth Leagues and other Methodist young people's societies are, in their missionary committees, working along the same lines as Mission Circles and Bands, and in view of the

further fact that a union of these societies might be in the interests of the cause of missions, your Committee recommends that the Board of Managers appoint a representative or representatives from each Branch to confer with a Committee of the General Conference. This was left to the Executive Committee to consider, and if thought advisable, to appoint such a committee.

Notice of motion given in 1891: That Mission Band Corresponding Secretaries be members of the Board of Managers, but not of the Executive Committee. Not carried.

Notice of motion in 1892: That Article V., Section 1, of Constitution be amended to include as a member of the Board of Managers *ex officio* the Secretary-Treasurer of the Literature and Publication Department. Carried.

Notice of motion in 1892: That Article II. of the Constitution be amended to read "women and girls," instead of "women and children." Not carried.

Memorial from British Columbia Branch in 1892, asking that as the Auxiliaries are so widely separated, the Branch be allowed to change the date of holding the annual meeting to correspond with the date of the British Columbia Conference. Carried.

From the same:

1st. Whereas, the people of Bella Bella and Upper Skeena are pleading for more light for their children, and are willing to give their land for a Home in Kitzequcla, in Upper Skeena, as well as assist in the building, we especially memorialize the Board to take into consideration the establishment of a Home at both these points. The Committee on Indian Work was requested to lay this case before the Committee of Consultation and Finance again.

2nd. That Gertrude San Kam be allowed to return to college, and that a grant of two dollars per week be given for her support. Carried.

Mrs. Strachan submitted a by-law adopted by the British Columbia Branch, providing for increased delegation to the Branch meeting. As this was not in harmony with the Constitution it could not be endorsed.

From Central Branch:

1st. Asking that the names of Auxiliary members, excepting those of President and Corresponding Secretary, be omitted from the annual report. An amendment was carried, that this be left over for a year, and the question be brought before the Auxiliaries.

2nd. Recommending that the annual report be sold at ten cents, the cost price. Not carried. But Branches will be required to pay for the reports furnished to their organizers.

3rd. Asking the Board to consider the advisability of providing "Home care" for the children of missionaries who are sent from the missions to be educated. The Presidents of the Toronto Auxiliaries were appointed a committee to look into the question, and bring in a recommendation, but without incurring any financial obligation. Mrs. D. G. Sutherland, convener of committee.

From Nova Scotia Branch :

1st. Recommending that a more useful paper for Bands be substituted for *Our Quarterly*, and that it be issued monthly. It was decided by a standing vote that the Society adopt the *Palm Branch* as our Mission Band paper, and that it be issued monthly; also that the subscription price be ten cents, and that it be ordered from Room 20, Wesley Buildings.

2nd. Recommending that in cases where Auxiliaries present life-membership, the names of the life-members be retained on the roll of the Auxiliary paying the fee; and in case of removal that such names be marked with an "R" in addition to the asterisk, but that these names be counted only in the Auxiliary to which they have been transferred. This was not carried.

A request was presented, through the Japan Council, from the missionaries there who have entered on their second term of service and those now on furlough, that the resolution passed three years ago increasing their salaries in their second term, be rescinded, and that the salaries remain as formerly. The reason given for this request was that they could live on \$600, and could not find it in their hearts to accept any more, as there is so much need of more workers. The following resolution was carried: That this Board desires to express its appreciation of the self-sacrificing action of the Council in Japan in asking us to rescind the resolution passed at their request three years ago *re* salary for agents in their second or third terms, and that we hereby rescind said resolution.

The question of establishing a contingent fund was referred to the favorable consideration of the Executive, as was also a request received by the Council in Japan, and forwarded to the Board, to open work in Nangano.

The report of the Literature and Publication Committee was presented by Mrs. McKay and adopted.

Statements and recommendations from the Committee led to the following resolutions :

That the resolution allowing an auxiliary a copy of the Monthly Letter free be rescinded. Carried.

That the Branch Secretaries write to the Auxiliaries not taking the Monthly Letter and urge them to subscribe for it. Carried.

That the August and September Letters be issued together. That the Committee issue another edition of "An appeal to the women of the Methodist Church" and that it be free. Carried.

That the Committee issue a new set of books for the use of Auxiliaries, leaving out the Corresponding Secretary's book, the proposed changes in the books to be submitted to the Executive before being published. Carried.

That the Treasurer's tabulated statements be discontinued, and that in future the Treasurer's published reports be modelled after the Treasurer's report of the Central Branch of last year. Carried. Liberty was afterwards given those Branches desiring it to publish the tabulated form.

That the Committee issue an envelope for self-denial week, thank-offerings and Easter-offerings.

Amendment,—That a separate envelope be prepared for each of these. Neither was carried.

That the order of business for monthly meetings be changed (see order of business). Carried.

That the prayer card be revised and submitted to the members of the Executive in Toronto for approval. Carried.

The question of stationery with a printed heading for the use of the Society was referred to the Literature and Publication Committee.

A statement of the Literature Department was presented by Miss Ogden, and adopted. A standing vote of thanks was accorded to Miss Ogden for her faithful painstaking and onerous work in "Room 20."

In Mrs. Parker's absence, owing to illness in the family, her report of the *Outlook* was read by Mrs. Strachan. The following was carried unanimously: That, having received with great pleasure the excellent report of Mrs. Parker, editor of our department in the *Outlook*, we desire to express our appreciation of the efficient work done by her for us, and also our regret that we are deprived of her presence at our annual meeting.

The Secretary read a report from Miss Lund of work done during furlough. Miss Lund had travelled over 3,600 miles, had spoken at fifty-four public and six Auxiliary meetings. Collections at these meetings amounted to \$609.49. It was moved and seconded, and carried by a standing vote, that we desire to express our sympathy with Miss Lund and to assure her that we shall hail with delight the time when her health is sufficiently established to permit her to return to Japan.

The Secretary was requested to send to Miss Morgan an expression of our sincere sympathy with her in her illness, and our earnest hope that her health may soon be restored.

A kind message of interest was received from Mrs. John Ross, of Montreal, and the following was carried: We desire to acknowledge the touching greetings of Mrs. Ross, and to assure her of our heartfelt sympathy with her in her present trying affliction, while we rejoice with her in the comfort of knowing that in the midst of the furnace there is walking with her "the Son of God."

A letter was read from Dr. Sutherland, *re* Chilliwhack Home. It is expected that the new building will be ready for occupancy about Christmas.

The President and the members of the Executive Committee in the Western, Toronto Conference and Bay of Quinte Branches, were appointed a committee to confer with the General Society with reference to rules, management, furnishings, etc., of the new Union Institute.

It was decided to recommend :

1. That the General Society assume entire charge of the Institute, and that our Board pay annually such proportion as may be agreed upon.

2. That the Principal be a practical Christian layman.

3. That we retain as our agents the three ladies now in the Home, and if in the rearrangement so many are not needed, we have the power to transfer them to another home.

A letter from Dr. Sutherland stated that the McDougall Orphanage greatly needed increased accommodation and furnishings. The six hundred dollars appropriated conditionally, is not this year required for maintenance, but should be used for equipment.

The report of the Committee on Indian Work was presented by Mrs. Burns. In regard to memorial from British Columbia Branch in 1892, the Committee ascertained that there is not at present any law by which compulsory education can be enforced. But amendments to the Indian Act are anticipated, which will meet the requirements. A grant of \$600 had been obtained from Government for the Port Simpson Home. The following resolution was carried unanimously :

Whereas, the Committee on Indian Work has done a great deal of faithful work, and gained much valuable information which will be of service to the Society ; therefore,

*Resolved*,—That the thanks of the Board are due and are hereby presented to the said Committee, consisting of Mesdames Burns, Sutherland and Cunningham.

The question of obtaining a grant from the British Columbia Government for the Chinese Home was referred to the Committee on Indian Work.

The Committee on Missionary Candidates, viz., Mesdames Carman, Strachan, Burns, Cunningham, Fowler, Howard, Kendry, J. A. Williams, Campbell, Ryckman, T. G. Williams, Whiston and Miss Palmer, reported through Mrs. Burns. The Western, Central, Eastern and Nova Scotia Branches had no accepted candidates to present. New Brunswick and Prince Edward Island Branch had accepted Miss Alexander, of Stanhope, P.E.I. On motion Miss Alexander was accepted and placed on the reserved list. A communication from a lady in London was referred to the Western

Branch. The Corresponding Secretary was authorized to make an appeal through the *Outlook*, *Guardian* and *Wesleyan* for missionaries and trained nurses. Miss Leake's resignation was accepted.

*Resolved*,—That this Board requires of the candidates for our work that they pass a satisfactory examination in Biblical Study, doctrines of the Methodist Church and our Catechism.

That in view of the fact that a training school for Christian workers is about to be established in connection with the Deaconess Home in Toronto, and realizing that a preliminary training would be extremely useful to those accepted as candidates for the work, be it

*Resolved*,—That each candidate be required to attend the Training Home such time as the Executive Committee shall specify, taking up the course required in Theology, and actively engaging in Christian work, as directed by the Superintendent of the school, the expense of such training to be borne by the Society when necessary.

Dr. Gifford having written to the President of the need of a native assistant, and that one was available, the President authorized her employment, and paid to the Treasurer the sum of \$50 for that purpose.

Dr. Hart asked that Dr. Gifford might take charge of the female ward in the hospital.

He also stated that a small school had been opened, and he desires our co-operation.

*Resolved*,—That the Executive be empowered to act in regard to work in China, after receiving information from our missionaries.

The Executive Committee was authorized to send during the year two missionaries to Japan and another medical missionary and a trained nurse to China, and to provide for their salaries and travelling expenses; also, to supplement Miss Spence's salary by \$50, if necessary; also to consider, and if deemed advisable, to make such arrangements as will enable us to make the date of closing our financial year the same as the financial year of the Church.

A letter, enquiring if Victoria College would make the same offer as made by Kingston Medical College, last year, *re* education of missionary candidates, was referred to the Executive.

The need of perfect rest for our returned missionaries being impressed upon the Board, it was decided that they should work only under the direction of the Executive.

Regular meetings of the Executive Committee were fixed for the third Wednesday in January and in April.

*Resolved*,—That in view of the approaching plebiscite, this Board expresses its sincere hope that all women who have the right to vote will make use of their privilege in endeavoring to stamp out the iniquitous liquor traffic.

*Resolved*,—That the local Auxiliaries entertaining the General Board be invited to assist in preparing the programme for the public meeting.

Mrs. Kendry, Recording Secretary of Central Branch, reported the division of the Branch into the Toronto Conference and Bay of Quinte Branches. The Board endorsed this action.

An invitation for next annual meeting was received from the Auxiliaries in Pembroke. On account of the expense of going so far east, the Board felt obliged to decline it.

The Standing Committee on Literature and Publication was appointed as follows :

- Western Branch—Miss McCallum; Toronto Conference, Miss Ogden; Bay of Quinte, Miss Firstbrook. Eastern—Mrs. Croft.
- Nova Scotia—Mrs. Bascom. New Brunswick and Prince Edward Island—Mrs. McKay. British Columbia—Mrs. Hamilton. Separate Auxiliaries—Mrs. Willmott.

A donation of \$80 was received from Mr. Roundtree, of London, for the purchase of a magic lantern for use in Japan, for which the Society expressed thanks.

On Tuesday evening a reception and tea were given the delegates, after which a public meeting was held, presided over by the Pastor, Rev. Dr. Benson. An address of welcome was given by Mrs. Lloyd, and responded to by Miss Palmer. Mrs. Alexander, Mrs. Haskill and Miss Wood presented the greetings and good wishes of the W. M. Societies of the Presbyterian, Baptist and Congregational Churches respectively; and an address was given by Miss Preston, recently returned from Japan.

On Thursday afternoon business was suspended for an hour, which was spent in prayer, praise and testimony.

The Committee on Courtesies moved votes of thanks to the pastor, trustees, choir and press; also, That we gratefully acknowledge the royal hospitality of the ladies of the Ottawa Auxiliaries, their thoughtfulness in according us such a cordial reception, and in making our meeting "to blossom as the rose" by their floral tributes. This was carried by a standing vote.

A few earnest words of cheer and encouragement were spoken by Rev. Dr. Benson, pastor, after which he offered the closing prayer.

## PRESIDENT'S ADDRESS.

DEARLY BELOVED SISTERS,—We are met for the important business of another Board meeting, and again to sing, "Blest be the tie that binds our hearts in Christian love." I believe we realize the responsibility resting on us on this occasion, and the need of that wisdom which is promised to all who ask in faith. In looking over the names of the Executive Committee, we are reminded that "one is not"—our dear sister Mrs. MacCoy, the President of the Nova Scotia Branch, having been taken from labor and suffering to rest during the year. She has gone "to be with Christ, which is far better." "Our loss is her gain." "We a little longer wait, but how little none can know."

This is a representative gathering from all the Branches, and I trust we have all come in the spirit of prayer and expectancy, so that we shall have the presence of the Master, and be taught of Him, and be able to say, "It is good for us to be here."

My visit to the Central Branch meeting convinced me that there is no diminution of interest there, and from what I have read from the others, the same may be said of them. For this we are thankful.

The general depression has affected many of the religious and philanthropic institutions throughout the country, but our women are still unwearied in their efforts to sustain the record of the past, not only in the matter of income, but also in the interest taken in the work. They provide and circulate missionary information, and thus enlist the sympathy and secure the co-operation of the women in the Church, in this important duty so plainly taught by our Lord, of carrying the Gospel into the uttermost parts of the earth.

I am pleased to find that our income is derived chiefly from membership fees, voluntary contributions, thankofferings, mite-boxes, and legacies, rather than from concerts, teas, etc., etc. These latter, under proper conditions, are useful for social purposes, but cannot be considered as reliable sources of income.

I expected to hear from the Vice-President and the Recording Secretary some interesting facts regarding the Congress of Missions which was held in Chicago recently, and I very much regret that indisposition prevented their being present at those meetings.

The visit of the Corresponding Secretary and myself to the Woman's Congress was a rare treat to us. I shall not soon forget the representative women I met through the kindness and courtesy of our American sisters, and I cannot speak too highly of the hospitality of the women, or of their ability in the management of such a large number of visitors. The platform was a broad one, admitting

women of every nationality and faith, and woman's interests were considered from every side. The elevation of woman, and, through her, the uplifting of humanity, was frequently dwelt on, nor were we permitted to forget that the interests of men and women are identical and inseparable, and the family the most sacred of all human relationships.

Our Dominion has been honored in having the Countess of Aberdeen elected President of the International Council of Women, which is likely to embrace, in the near future, all the associations of women having for their object the general advancement of woman.

If this Council can help to bring before all Christian women a correct understanding of the disabilities of women and girls outside the pale of Christianity, so as to hasten the time of their emancipation from physical and spiritual bondage, it will serve a good purpose and deserve the support of every organization of women.

Whatever may be the result of that unique gathering, the World's Parliament of Religions, I hope that some good will accrue to the women so long secluded and downtrodden.

The reports I have read lead me to hope that many truth-seekers were there, feeling after God, if haply they might find Him, and from some of the addresses I would infer that it is still true that God hath not left himself without a witness among any people.

With regard to the operations of our Society, the field has been enlarged by having China added to our other foreign field.

The home work in the Dominion has been cared for, and may be said to be fairly prosperous, but of this we shall hear more in detail later.

From British Columbia comes the news of a greater interest in spiritual things, giving hope of a truer conception of the obligations pertaining to the profession of Christianity and what it implies.

From Japan we hear, "The harvest has come," and an invitation is extended to establish woman's work in Nagano; but the return of so many on furlough, and the resignations and illness of other members of the Japanese Mission leaves us short-handed, and how the need is to be met will be a question for this Board to answer.

In the past we have proved that "man's extremity is God's opportunity." He has commanded us to "pray the Lord of the harvest that He will send forth laborers into His harvest."

Difficulties and perplexities should be incentives to prayer and tests of faith, instead of excuses for discouragement.

Our pioneer women while detained at Shanghai met a great many missionaries, and learned much of the needs and habits of the people, and a little of the language. They are now slowly working their way into the interior, hoping to reach their destination about Christmas.

It is for this Board to consider the character of the work they wish them to undertake—not an easy task, with so little information to guide us.

Hospital and medical work awaits Dr. Retta Gifford. The medical missionary has a great advantage in China, and Dr. Gifford has made a request that a nurse be sent out, qualified to teach her profession to the native women.

A school must be thought of, evangelistic work arranged for, and a solid foundation laid. If any department appeals to us specially for prayer, this does.

The prejudice against foreigners is not likely to be removed as long as Christian nations falsify the teachings of the Founder of Christianity. "I hope you will treat my countrymen as kindly as you have treated me," said the Secretary of the Chinese Legation at Washington, at the Parliament of Religions in Chicago, by way of a mild rebuke to the obnoxious legislation regarding the Chinese in the United States.

I met a lady who had been driven out of the province our agents are appointed to labor in. Let us remember them before the Lord.

Dear sisters. God has honored us in calling us to this work; it is great, for it is His work. It is His vineyard, and He has called the harvest His. We ourselves cannot perhaps go into the fields, but we can maintain and uphold those who go.

"He that reapeth receiveth wages, and gathereth fruit unto life eternal."

S. K. GOODERHAM.

### TWELFTH ANNUAL REPORT OF THE CORRESPONDING SECRETARY.

---

The statistical statement, with the important addition of the Treasurer's Report, give an idea of the state of the Society as far as it can be tabulated. They represent much quiet labor, prayerful thought, earnest conversation, carefully planned meetings, and attendance sometimes under difficulties; but would not each one who has made the slightest effort in this cause rejoice were she here to-day in the summing up of the year's work?

We cannot note the gain to individual character in the extended information, the enlarged sympathies, the greater power in prayer, the increased faith, and the growing willingness to let voice, pen, influence, time, and means be ready at all times for the Master's use. We did not think of these gains when beginning our work, but the promise with its condition is still verified, "Give, and it shall be given you."

Beyond the statistical summary it seems almost superfluous to submit a general report, as each department and each field of labor furnishes its own statement.

The most marked feature of the year in our work has been the entering of a new field, that of West China. While we are here in comfort and security, our two pioneer missionaries, Miss Gifford, M. D., and Miss Brackbill, with representatives of the Missionary Society of our Church, are taking their somewhat perilous journey of 1,800 miles up the Yang-tse to the city of Chen-tu, Province of Se-chuen, the scene of their future labors. The journey will not probably be completed much before Christmas.

During their stay in Shanghai for some months, waiting for a suitable opportunity to proceed, they have improved the time by studying the language and visiting several schools and hospitals under the management of other denominations ; this has been a good preparation for the work which may await them. They crave our prayers that they may be led in the right way, their steps guided, and the best plans pursued.

Dr. Gifford, in her medical work, required a native assistant. Providentially one was forthcoming just at the right time ; one educated in the Methodist Episcopal Mission, and who, being a native of the Province of Se-chuen, was familiar with the dialect. Through the liberality of our President this helper was secured. Dr. Hart writes that a number of girls, already gathered in a school, can be handed over to us, so that plenty of work awaits our representatives.

### JAPAN.

Our four stations in this empire continue to be faithfully worked up to the limit of strength and opportunity by a noble band of young women.

There have been several changes during the year. Miss Wintemute, after nearly six years' service in Japan and one at home on furlough, sent in her resignation, and has returned as the wife of Rev. H. H. Coates, one of the missionaries of our Church. Miss Cushing has also resigned and returned to Canada.

Misses Munro and Preston, pretty thoroughly wearied after their five years' work, are at home on furlough.

Through the considerateness of the Auxiliaries in the East during her stay in the home land, Miss Cunningham has returned to her loved field of labor rested and invigorated. Accompanying her was Miss Crombie, of Juvenile, N. B., who has just begun her life as a foreign missionary.

It has not been all sunshine during the year. Perplexities and discouragements have tested the faith and tried the patience, but steadily our missionaries have kept before them the object of their toil, not only the conversion of individuals, but the development and training of strong Christian womanhood. In this there has been gratifying success, some of the girls taking great delight in imparting what they have received to poor children whom they have gathered into day and Sunday Schools, twenty-two from our Azabu school every Sunday going out to teach ; and another very commendable feature is that their sympathies are being drawn out beyond their own neighborhood and country, so that they have already of their own earnings sent a contribution to our work in China.

In Tokyo, Shizuoka and Kofu we have boarding schools with about 130 in attendance. In Kanazawa the new building for a day school was taken possession of last December and another district entered in March.

Twenty-six stations are occupied, some new Sunday Schools having been started this past year. Twenty-two baptisms are reported and others on trial. Industrial work has also been carried on with profit.

To all our workers is due the expression of appreciation which we feel, and especially the one on whom rests the chief burden, Mrs. Large. We cannot review the work of the year without recognizing that much is due, under the blessing of God, to her faithful and wise administration, as well as to the cheerful courage and patient labor under sometimes perilous conditions of her associates.

### FRENCH WORK.

The report of this department is encouraging. The French Institute in Cote Ste. Antoine, Montreal, is proving well adapted to the need.

There has been a good attendance, the majority being girls, and they are proving apt and diligent students. What is most gratifying is that some of them are being developed into teachers and Christian workers.

Two Bible-women have been employed in the city, and, as in previous years, two schools in the country have been aided.

#### INDIAN WORK.

The two houses and schools at Port Simpson and at Chilliwack, B.C., have been maintained, and encouraging word comes from them as to progress in study and in Christian character. In the former a very gracious revival of religion last winter affected the whole school, as well as the village, bringing almost all to repentance and faith in the Lord Jesus.

During the year Miss Sadie Hart, after five years of work and responsibility at this post, returned home, her place being supplied by Mrs. Redner, of Hastings, Ont. At Chilliwack also there has been a change of workers, Miss Elderkin having resigned and married. Miss Maggie Smith, of Maitland, N.S., has gone to this Home, where she is taking charge of the school. Miss Clarke, who has been so energetic and efficient, still attends to the Home department. Miss Burpee has been secured for the sewing, and with twenty-six boys and girls there is no lack of employment.

After two years of cramped quarters there will be great rejoicing when possession is taken of our fine new building, now nearly completed.

In Dr. Bolton's hospital, at Port Simpson, the sick are still receiving the kind and efficient services of Miss Spence.

#### CHINESE WORK.

##### VICTORIA, B.C.

This Home, like so many of our fields, has changed its workers. Miss Leake having retired on furlough, her place has been filled by Mrs. Morrow, who has with motherly kindness cared for those entrusted to her. Miss Wickett, of Toronto, has taken charge of the school department, and has also found access to a number of women in Chinatown.

Considerable expense has been incurred in the endeavor to rescue other poor victims of cruelty and oppression, sometimes without success; but when evil men, to defend their wretched traffic, willingly and freely spend money, surely the followers of Christ will not grudge what may be necessary to liberate those who are striving to escape from bondage. There are now twelve in residence.

#### METHODIST ORPHANAGE.

##### ST. JOHNS, NFLD.

The managers of this institution have appreciated the aid rendered by this Society, especially since suffering from the great losses occasioned by the fire of last year.

This covers the ground of our operations. The great need seems to be more workers, both foreign and native. Shall we not more earnestly "pray the Lord of the harvest that He will send forth more laborers into His harvest," and to put it into the hearts of our people at home to give liberally for the prosecution of His cause, at the same time acknowledging with grateful hearts His unbounded goodness in permitting us to have any share in such a work, and in blessing our imperfect efforts.

REPORT OF THE LITERATURE COMMITTEE.

The Literature and Publication Committee has much pleasure in submitting the following report :

The Committee has met thirty-one times during the year, and has found each meeting interesting, helpful, and a blessing to themselves, and trust the publications issued have also been helpful to the Society at large.

In the beginning of the year a change was made in the Monthly Letter, and, instead of the prayer study formerly given, a suggested programme for monthly meetings was substituted, with suggestions and references for home readings. The review of useful leaflets has been continued, and has, we know, very much increased the sale of the same.

In December, our Missionary Birthday Calendar was issued, which met with general approbation and sold readily. The average circulation of the monthly letter has been nearly 11,000. Each Mission Band member in our Society (with the exception of those in the N. B. Branch), has received one copy. The prayer card has been revised, but as the monthly subject for prayer appears in the monthly letter, and also in the Birthday Calendar about to be issued, we do not advise a special issue of the same.

The publications for the year are as follows :

## REPORT OF SUPPLY COMMITTEE.

The Mission Band Quarterly has been prepared by the Branches, as requested by Executive Committee. The issue for January was 2,000, and 1,500 for succeeding quarters. We trust it has been useful to Mission Circles and Bands, but the price must be raised to five cents if it is intended to make it pay the cost of publication.

The thanks of the Committee are due to those who have helped them in their work during the year, and also to the Mission Rooms and Book Room for many kindnesses shown and help freely given, as in former years.

## REPORT OF SUPPLY COMMITTEE.

This year has been rich in the fruitage of Christian charity, and many thanks have been tendered and prayers offered by the grateful recipients, for the kindness and thoughtfulness of the members of our Auxiliaries and Mission Bands who have endeavored to add to the comfort and happiness of the poor and destitute during the past year.

The gifts of clothing and bedding, so generously contributed to our Homes in British Columbia, to Indian Missions in the North-West, and to Indian and white Missions in newly-settled and poor districts in Ontario, have been received with smiles and tears.

More than one of our Indian Missions last Christmas had the best and happiest gathering they had ever held, because of the gifts from our Woman's Missionary Society.

We have not time to tell of all the good done or the thanks received. Not until we reach Heaven shall we know what a blessing this Supply Committee has been to hundreds of people.

About 120 Auxiliaries and Mission Bands have engaged in this labor of love during the year, and the aggregate value of the contributions has been nearly \$2,000. The Indian Department at Ottawa has refunded to Auxiliaries \$61.23, which they had paid on freight to Missions in the North-West. The Committee received in cash the sum of \$19 50, which was used in the purchase of goods for our missionaries supplemented by valuable gifts of beautiful clothing. We regretted that for want of funds we were unable to do as much last Christmas in this way as had been possible the two previous years.

At one of the sessions of the Central Branch meeting, the Rev. W. F. Wilson presented to the Supply Committee a little red bag filled with coppers to the amount of \$6.58, which had been given to him by the crippled children in the Sick Children's Hospital; they wished the money to be spent for the benefit of some sick child. Kind-hearted friends sometimes give these little ones cents, coins, etc., and now freely, willingly out of their poverty, these sick ones laid their offerings at the Master's feet.

With confidence in the generosity of our Auxiliaries and Bands, we look forward with faith to the coming year, as one rich with blessings for giver and receiver.

## REPORTS FROM MISSIONS.

### THE JAPAN WORK.

The Sixth Annual Meeting of the Japan Council of the Woman's Missionary Society was held in Karuizawa, July 17th and 18th, 1893. The following members were present: Mrs. Large, Misses L. Hart, Hargrave, N. G. Hart, Blackmore, Robertson, Cartmell, Veazey and Alexander.

After the devotional exercises, led by Miss Hargrave, the minutes of the Council Executive Committee meetings held during the year were read; also instructions to missionaries received during the year from the Corresponding Secretary of the Woman's Missionary Society.

The reports from the various Branches of the work were read and received as follows:

#### TOKYO BRANCH SCHOOL.

In reviewing the work of the past year our hearts are filled with thankfulness, and we say, "the harvest has come." Growth expresses the results of the year's work.

In the hearts of our girls the work has been deepened and intensified. Some who were content with half-hearted service and imperfect knowledge have come into the light and have become whole-hearted and active. Some who were last year receiving training are this year training others. Many are beginning to feel that praying and giving for the good of one's own country only, is neither self-denying nor Christian-like, and now frequently we hear fervent prayers for China. One-tenth of the earnings of the Kings Daughters' Society is consecrated to the work of the Lord in that country, and our Wednesday meeting includes a monthly missionary meeting, in which all are much interested.

Our Sunday School work requires twenty-two workers from the school, and thus every Sunday an average of about 225 children, women and men receive instruction from our students. In March, at the request of these workers, a Sunday School Normal class was organized. It is increasing in interest and benefit as the workers develop. Our King's Daughters' school has an attendance of forty-five; sixty yen (about \$45) a year is required for running expenses. But the girls, by hard work and much self-denial, are able to raise this amount. In connection with this school, every Sunday evening a Mothers' Meeting is held, with an average attendance of ten women and thirty children.

Once a month, in our Literary Society, we have had addresses from outside people on subjects calculated to awaken an interest in and give a knowledge of the world at large.

Anyone coming into contact with the women of this land must be impressed with the emptiness of their lives and the works of supererogation done to fill time and thought, for they love to be busy. Christian work, in some measure, supplies the need, but we have greatly desired the girls to

develop a love of reading. For those who understood English, the difficulty was not so great, but for the great number who do not, the lack of Christian, or indeed of pure literature, in the Japanese language, was sadly felt. This year the number of suitable books has greatly increased, and we have added a number to our library; and now, for all students of the Academic classes, private reading is compulsory.

Our Industrial work reports a profit of over 125 yen (about \$90), besides a saving in school-servants' wages, and is arousing in the girls some thought of the dignity of labor and the honor of self-support. There have been four baptisms among the servants.

The greatest attendance during the year has been for May and June—seventy-seven. This is the highest number reached since December, 1891.

At Christmas, six students graduated. All of these are working either in their homes or in connection with the Woman's Missionary Society for the spread of Christ's kingdom.

Thirty students are being supported in the school, either by the Woman's Missionary Society, private contributions, or the earnings of the Industrial class.

This is the *direct* report of the year. The *indirect* carries us out into city and country, where, as daughters, sisters or wives, those who have gone out from us are laying the foundations of Christian Japan. Our hearts overflow when we hear of church work aided, women's meetings established, Sunday School classes organized and taught, mothers and fathers being led into the light by those who are our daughters in Christ.

*Evangelistic.*—We began work in September with five Bible-women. In November we secured a new worker, Mrs. Hasegawa, who was sent to work in Komagomi. In the spring Hasegawa and Inomata san were laid aside because of ill-health.

We opened a poor school in Shitaya in March. A gift of ten dollars from a young man in the home land, has covered all the expenses except the salary of the teacher, a graduate of the Methodist Episcopal school at Aoyama, Tokyo.

In February, work was opened in Koishikawa District. A little later we opened two Sunday Schools in the poor district in Azabu. Since early in March, Yoshida O Yu San, one of our own graduates, has given her afternoons to work in this district.

Two hundred and sixty-three meetings have been held on week-days during the year.

Miss Cartmell has had charge of the meetings in Azabu, Ushigomi, Kakigara-cho and Kobiki-cho; Miss L. Hart of those in Hongo, Shitaya, Negishi, Komagomi and Koishikawa.

Two Sunday afternoon meetings have been carried on since early in April by Kato Sentaro and one of the girls of the school.

The attendance at the week-day meetings varied from three to thirty.

Visits made during the year, 2,479; of these, 223 have been to homes before unvisited. Thirteen have asked for baptism. We have marked during the year the regular attendance of the women at the meetings, the deeper interest taken; the pastors, too, have borne witness to this as having been a year when a closer relation has grown up between the foreign worker and the Japanese women than ever before.

## SHIZUOKA BRANCH.

*School.*—During the year nearly closed, the names of thirty-four girls have been entered on the roll. Of these, two have been sent to Azabu school to continue their studies there. Three have graduated, and four have withdrawn for various reasons, mostly satisfactory. The number attending this term, twenty-five.

We are happy to report six baptisms during the year, one Japanese teacher, four students, and one servant of our household.

Though we have to report a falling off from the attendance of last June, we are not discouraged. We feel that the spiritual life is developing and a good foundation being laid among the girls for future usefulness. Those who have left us to come back no more have carried the Gospel to their homes with them, and we have encouraging reports of faith clung to in the midst of opposition and many temptations.

*Evangelistic.*—The evangelistic work is steady. We have not much increase at the various meeting places to report, but those who attend are regular and we feel their faith is strengthening.

Meetings are held weekly at Hirona and Ejiri alternately, conducted by Miss Hart and the Bible-woman; fortnightly at Shimada, by Miss Hart; three times a month at Jonakoshi, and monthly at Fujieda, where the Bible-woman also visits twice a month.

The Bible-woman goes monthly to Omiya for meeting and visiting. Faithful visiting is done among the families in Shizuoka and other places where meetings are held.

During this term we began an afternoon meeting, held fortnightly in our house, for the women of Shizuoka, the chief object of which is definite study of the Gospel. We have four Sunday Schools under our control, in which the teaching is done mainly by the oldest girls trained in our school. The attendance at these fluctuates considerably, and for various reasons it is not as good as last year.

We have but one Bible-woman employed at present. After the fire at Christmas, Mrs. Sato felt it necessary to withdraw from the work.

Total number of visits for the year, 912; new homes reached, 27; visits to seekers, 45; baptized as result of Bible-woman's work, 7 (there are still 4 on trial for baptism); meetings held from November to June, 117; average attendance at the four Sunday Schools, 85.

We hope in due time to see the results of our labors.

## KOFU BRANCH.

*School.*—The indifference with which Christianity and its work were viewed last year in this province has changed during the year into dislike and opposition. The Buddhists have been diligent in warning the people against the "greedy" foreigner, and against the religion which (they say) teaches disloyalty to the Emperor. But opposition is a better atmosphere than indifference, and our work has had a more healthful growth, and the prospects are in every way brighter than last year.

The number of pupils has increased from twenty to twenty-seven, and a steady growth of Christian character is evident. Of our twenty-two boarders eighteen are regular attendants at the class-meeting; they still need much careful training, but I believe they are all sincerely trying to follow Christ. This year has seen the beginning of our pupils doing regular outside Christian work. Since November all who are old enough have

been teaching in the Sunday Schools under Miss Preston's care, and thus giving out of what they have themselves received, has been a real means of grace. The three resident teachers, the matron and the school cook also assist in these schools.

There are twelve baptized Christians in the school, but these all come from Christian homes. Non-Christian parents, though they freely consent to their daughters helping in Christian work, will not permit them to be baptized.

*Evangelistic*—This past year has been one of the happiest and most satisfactory yet vouchsafed us. While in certain of the country appointments we can report no improvement, on the whole the outlook is hopeful and inspiring. In Kofu there has been a steady, healthy growth, and the attendance at church on the part of both Christian and Non-Christian women is most encouraging. We report but a small number of baptisms this year, but we hope for a large ingathering next year, when we will be surer of each woman being established in the faith. Various causes bring us new inquirers—sometimes the husbands of the women wish them to become Christians. They believe that if they become so, they will be better women and more capable mothers, although they themselves find it inconvenient to believe.

A prosperous society among the churchwomen partially supports a student in our Girls' School, besides contributing occasionally to other objects, and they pay in regularly a third of their earnings to the church. The money contributed is supposed to be earned by self-denial or work in some shape or form.

Through the year we have opened up five Sunday Schools, besides continuing to help in the Church Sunday School. Average attendance, twenty-seven. The teaching is largely supplied by the teachers and students of our school, and thus in this and in other ways the school and evangelistic work inter-act helpfully.

Country meetings have been held more or less frequently in nine places, and one trip was made to Gunnai, the far eastern part of the province.

Baptisms, 5; on trial, 2; besides some 15 or more who are interested in the truth, or are really Christians, but not yet baptized.

Meetings held, 223; average attendance, 7; visits, 458. We have reason abundantly to utter the memory of His great goodness and to sing of His righteousness, for He has opened His hand and given us richly of His good treasure.

#### KANAZAWA BRANCH.

The year has been one of varied experiences, and we rejoice to report it one of growth in all departments of the work.

The work in connection with the "charity schools" is encouraging. Our efforts have been honored of God and greatly appreciated by the parents. Still there are many who look upon us with suspicion and think we must have some "deep and secret meaning" to be so charitably disposed.

We have often felt our lack of wisdom in dealing with this poor class. They are indeed needy, their poverty is distressing and amazing, and forces them to sacrifice all opportunities for education. And they are such "shams" one has to be wise in one's givings. If they think they can get a penny they can don a pious face and a pious tongue on short notice, and to in any way bribe them to even listen to the story of the Cross would be a curse to them and to the cause, as has been proved.

I will give one instance which will give an idea of their need. Last winter I provided dresses for three or four children, who had no clothes to attend school in. They received them gratefully, I assure you. Clad in these old-new garments they attended school for two or three weeks, where we tried to "clothe" their minds also. One day they were missing. On inquiry we found the mothers had pawned the dresses for food, so they were again naked. The winter had more than set in, the weather was cold, but no word was to be found, and they had to perish with cold in order to have the little food for present need—no telling what the future would bring in the way of added misery.

Early in December we took possession of our new building; had a very successful and enjoyable opening. For the three previous and two succeeding months our average attendance was twenty. The building is two stories high; the downstairs room, which is used for a class-room and for the Monday evening service, will seat thirty-two pupils, and by removing the seats and spreading "goza" (straw matting) will accommodate over fifty at the evening service.

The upstairs room has "tatami" (straw mats) on the floor, and is used for the embroidery class and women's meetings. Behind are three rooms where the teacher lives. The lot, building, furnishings, including fence and well, cost yen 404.94 (almost \$300).

In January, February and March we met with very bitter and decided persecution from the Buddhists. They did everything possible to try to close up our school. With increased trust, we are glad to be able to report that, though for two months there was a decided decrease in our attendance and considerable damage to our property, the Truth has withstood all their opposition and we now report our former average twenty-one.

In connection with this school we have industrial work—making handkerchiefs and envelopes. The children are remunerated for their work; for the latter they receive 7 sen a thousand.

In March we opened work in another poor district. Here during the day the children are employed in making match boxes, for which they are paid at the rate of 6 sen a thousand. In the evening they meet for classes. In both these schools we have Bible lessons twice a week, and Sunday Schools and preaching services once a week. We rejoice that it is our privilege to work among this class, but, as we go in and out among them and see their great need, we often "sow in tears," but, trusting in the Lord, we wish to continue knowing "duty and to-day are ours, results and futurity belong to God."

There has also been an industrial class organized with Mrs. Yamazaki, one of our Christian women, which promises to be the means of reaching a number. So far eight have entered. They are required to attend one women's meeting during the week, and to rest and attend church on Sunday, also to be at the Sunday School. They are paid so that they can afford to rest on the Lord's day.

Early in June our hearts were saddened when two of the girls (sisters, one sixteen, the other nineteen), who had attended this class from the first, came to inform us that their parents were in financial difficulty, and had decided to sell them into a life of shame. We did all we could in the way of teaching them the evil of such a life, and also offering financial help, but not being able to lay down the "purchase money"—190 yen—to use the father's words, "they must go." They had heard a good deal of the story of the Cross; may the Lord be merciful.

The work among the women has been carried on faithfully and perseveringly. But here, also, the opposition has been more open and violent this year than any experienced before. Many there are who wish to attend the meetings, but are prevented. Others have attended secretly, but, their whereabouts being suspected by their friends, they have often been sent for and called out of the meetings. Nevertheless, amid it all, we feel our influence is widening, and a few have been added to the regular attendants, proving it is useless for them to "kick against the pricks."

In March a meeting was opened especially for Non-Christians, with a hope that a number of the teachers and students from the Government schools would attend. For a time they did, but as soon as it was known they were coming persecution began, and, having "no root," they yielded, and consequently have absented themselves for the present.

We regret to report that some who were taken into the Church a year or more ago failed to show that they have any knowledge of a personal Saviour.

Many of our women are daily growing in the knowledge of His love, and give evidence of the fact that they are studying to make themselves workmen approved of God.

During the year 465 visits have been paid; 106 meetings held, with an average attendance of 10; applicants for baptism, 3.

The Treasurer then read the financial report, the total receipts for the year being yen 15,851.86; total expenditure, yen 15,532.73; cash on hand, yen 319.13. This report was accepted. The accepted report of the Stationing Committee is as follows:

The following questions were discussed and the appended resolutions passed :

OUR COUNCIL : IS IT AN ADVANTAGE TO THE WORK ?

*Resolved*,—That whereas it has been proved by experience that our Mission Council has been an advantage to the work, we would regret any change in the plans of work that would lead to its abolishment.

WHERE AND WHEN SHALL OUR ANNUAL MEETING BE HELD ?

The above was occasioned by a resolution to the Council of the Woman's Missionary Society, from the Council of the General Board, March 4th, clauses 3 and 4 of which were left to be considered at a time when "all" the members would be present—our annual meeting.

*Resolved*,—That whereas having carefully considered the proposal of the Council of the General Board, contained in clauses 3 and 4 of their communication of March 4th, to hold the annual meeting of the Japan Council of the Woman's Missionary Society at the same time and place as the annual Conference of the Methodist Church of Japan, and feeling that such a united meeting would be for the furtherance of the best interests of the common work in which we are engaged ; therefore

*Resolved*,—That we endeavor to make such arrangements with the Boards of Managers of our country schools as will enable all our ladies to attend said conference, providing it be held in Tokyo during the first week in July.

BIBLE-WOMEN'S SALARIES.

*Resolved*,—1st. That six yen be the maximum. 2nd. That jinrikisha expenses be paid where required, in going to and from work. 3rd. That in regard to house rent, length of service and ability, individual cases will have to be considered and decided upon by the Branches.

ESTABLISHMENT OF CHARITY SCHOOLS.

*Resolved*,—That having heard the reports of the schools established, we advise that such schools be established in all our Branches wherever practicable.

SUPPORTED STUDENTS IN OUR SCHOOLS, AND IS THE TEACHING OF ENGLISH TO SUCH ADVISABLE ?

As our work broadens we meet with many girls earnestly desiring the advantages of education, but unable to defray the necessary expenses, who wish to be received into our schools as supported students ; and as experience shows us that there is no more valuable work than that done by those trained in our schools, either in their own homes or as helpers in our work ; therefore

*Resolved*,—1st. That wherever the case proves satisfactory the applicant be admitted into the school nearest her home, as a supported student. 2nd. That in cases where parents or guardians are able to bear any part of the expense, they shall be required to do so. 3rd. That considering it advisable to teach them to look upon all labor as honorable, as well as to give them an opportunity to help in meeting the expenses of their education, all supported students be required to assist in the domestic work of the school, such as cleaning of windows, lamps, floors, etc. 4th. As the discipline derived from coming in contact with foreign teachers in

the study of English, as well as the better literature which is opened up to them, tends to make our students better women, we deem it advisable to teach English to all students of a suitable age, who have proved satisfactory after a three months' trial.

Once more we have been called to say farewell. Three of our number, Misses Morgan, Munro and Preston, are missing from our annual meeting, and while as a Council as well as personally, we cannot but regret the permanent severance of the pleasant associations of the past five years in the case of Miss Morgan, we trust that with Misses Munro and Preston it is "only for a season," and that with renewed health and vigor they will return to their work here after the year of needed rest in the home land. We desire to express our hearty appreciation of the faithful work of these ladies during their term of service here. We pray that God's richest blessings may rest upon them; that their presence may prove an inspiration to the Churches at home, and may help to strengthen the bond of unity between the home and foreign fields.

*Resolved*,—That owing to the nervous condition against which Miss Munro has had to contend during her residence in Japan, we respectfully request that no public work be required of her during her year in Canada.

*Resolved*,—That we, the members of the Japan Council of the Woman's Missionary Society, express our most hearty concurrence with the views expressed by Mrs. Large, Misses Munro and Preston, *re* salary for agent in their second and succeeding terms, and that we request the Board to rescind the action taken at our request, three years ago, and allow \$600 to be the maximum salary for Japan.

Miss L. Hart was re-appointed Recording Secretary for the year. The Japan Council of the Woman's Missionary Society send greetings to the members of the Woman's Missionary Society in Canada: "Truly our fellowship is with the Father and with His Son Jesus Christ." Then followed the hour of "prayer and praise," led by Miss Veazey.

The minutes of the last session were confirmed and the sixth annual meeting closed.

## THE FRENCH WORK.

---

### REPORT OF COMMITTEE ON FRENCH WORK FOR 1892-93.

As we review the work of the past year our hearts are filled with thankfulness to God for the success which has attended the labors of our Bible-women and teachers in our two schools. The seed has been sown with diligence, and surely we can leave results with Him who alone can give the increase.

Our West End school, held in La Salle Evangelique, De Lisle Street, has been taught by Miss Maynard to the best of her ability. Not having a thorough English education was a great drawback to her. As our former very efficient teacher, Miss Jackson, has been restored to health, we have re-engaged her, and recommended Miss Maynard to a course in the Institute.

Sixty-six pupils entered in September, but owing to sickness the average attendance has been only forty-six; of this number twenty-five are French-Canadians, eight Irish Catholics, and most of the others have one or other parent Catholic. All are learning both languages.

Miss Anderson, our Bible-woman, has done excellent work. In the morning she assists in the school, taking charge of the primary class, most of which is entirely new this year. In addition to their daily lessons, she tries to instil into their young hearts and minds many Bible truths, which we are sure will benefit them in after life. Every afternoon and Saturday she devotes to visiting the families, averaging 125 visits monthly, reading and praying with them, and also distributing tracts.

For some time past the work in the east end of the city has not been altogether satisfactory, owing, we think, principally to the fact that our Bible-woman did not work in harmony with the pastor of the church. This year, however, we open our work under an entirely new regime, having engaged as teacher Miss Matthieu, who worked for the French Missionary Society in the Rev. Mr. Beaudry's time. This reveals to us the encouraging fact that our converts are still holding fast to the Protestant faith.

As Bible-woman we have secured Madame Morin, a French lady, from the United States, who has been attending our French Institute for the past two years. Madame Morin and her husband were brought to Christ through the labors of the Rev. Mr. Benoit, who in turn learned the way of life from the Rev. Mr. Beaudry, so that she is, in a sense, the fruit of our labor in the past.

On the last Friday of the month we held a prayer-meeting and social tea. Quite a number of French ladies were present, and we hope to continue these meetings during the year. Madame Morin, who is the first thoroughly trained Bible-woman we have had, is anxious to organize a Mothers' Sewing Circle, where she can help them in cutting and sewing their garments, one of the ladies having kindly promised a sewing machine.

Altogether the outlook for the coming year is a very happy one, and we are hoping for grand results in this department of our work.

Number of pupils entered in the East End school in September, seventeen, but many others have promised to come.

Grants of \$50 each have been made during the year to the schools at St. Theodore and St. Faustin respectively.

### FRENCH METHODIST INSTITUTE.

Our fourth year's work in the French Methodist Institute, Cote St. Antoine, came to a close on April 27th. As in preceding years, there are many encouraging and some discouraging things to chronicle. We are realizing more deeply with each session that it is the work of years, and not of a winter, to train and develop our mercurial French students into such earnest, persevering and practical Christians as will enable them to withstand the oft-times demoralizing influences of their home surroundings.

During the past session the number of students in attendance has been eighty-four, though, owing to this characteristic lack of patient continuance, the actual average has not been over sixty-five.

The girls have been, on the whole, much more reliable and persevering than the boys, and their number shows a steady increase, they having been quite in the minority when the two schools were amalgamated, and, during the last term, showing a majority of six. They were, with few

exceptions, earnest, pleasant pupils, ready and eager to do their utmost, and quite as cheerfully in regard to household duties as in the class-room. Madame Morin, our pupil teacher, who is this year acting as Bible-woman in connection with the French work in the east end of the city, was of great help to us in looking after the girls, while her happy, practical Christian life was a daily example to them.

Several girls are the objects of special prayer and help of Mission Bands or Sunday Schools, and we trust will be prepared to do good work in years to come.

A new departure was proposed by Mrs. Morton at the close of the last session, viz., the engaging of a tailoress to instruct our girls in this trade, and the experiment is, we hope, to be tried this winter.

It has often been said that we cannot make teachers or missionaries of all our pupils, and in thus widening the course of instruction, it is thought that many more may be enabled to make themselves useful at home, or to earn a comfortable livelihood elsewhere.

During the summer months a number of the girls have had situations as nurse-maids or mothers'-helps, and the unflinching testimonials we have received as to their tidy, useful ways, is most gratifying proof that the household training they receive whilst with us is quite as satisfactory as that of the school-room.

The class-work during the term has been conducted as in former years, most subjects being taught in both languages. A special course was given, as usual, in controversial doctrines, and a daily Bible study was conducted by the principal.

At the close of the session we were assisted in the written examinations by Mrs. Sawyer, formerly of the Normal School, Ottawa; the Revs. W. Groulx, of Sabrevois College, A. F. Rivard, Chas. E. Bland, B.D., and Prof. Patton of the Wesleyan Theological College. In most cases the results showed satisfactory progress. The drawing-class was again superintended by members of the Douglas Mission Band.

Sewing was taught by Madame Morin, and instruction in calisthenics given by the kindness of Mrs. Ames and Miss Hall.

The generosity of the Douglas Mission Band, as in past years, provided a Thanksgiving Social and Christmas Tree.

To many other kind friends we are indebted for most useful gifts of clothing, bedding, books, etc.

We have been mercifully preserved from epidemics or any serious illness throughout the session, and feel that we have deep cause for thankfulness to our heavenly Father for His continued care.

(Signed) ISABEL G. MASTEN, *Secretary*.

The time having come for the annual report, I recall the many mercies of the past year with devout gratitude to our heavenly Father.

The case most requiring medical aid has been that of our bright little Jessie, who, we feared, was not only going to lose the sight of one eye, but that the eye itself would have to be removed; but I am thankful that, although the sight is impaired, it has recovered. Dr. McKecknie most kindly gave her daily attendance for three or four weeks, and performed two operations. In the last he was assisted by Dr. Jones, and we looked to the Divine Healer, whose power is now not less than in the days of His humanity. Gertrude also had an operation performed on her eyelids by Drs. Hall and McKecknie, which was a great benefit to her sight. Some of the girls had slight attacks of influenza last winter, but we had no other serious illness.

It has been a year of contest with the iniquitous traffic in Chinese women and girls. One was rescued from the destroyer and brought to the Home two weeks after she arrived from China. Another was prevented from.

landing, and after being taken from port to port for some weeks was finally shipped back to China, thus helping to make the trade unprofitable to those engaged in it.

Another that we made a great effort to reach and hope to save is still in evil surroundings, but the time may soon come for her deliverance. The twelve persons named in the list are all now in the Home except Gertie, who is at present at New Westminster, but may return very soon. The woman Nun Yeo came voluntarily to escape the ill-usage of a first wife. She brought with her a bright little girl of about 6. I will give the circumstances more fully elsewhere. She seems very willing to learn and teachable. It is our hearts' desire and prayer that while they are here they may find the way of salvation, the peace of great price.

Our Friday afternoon prayer-meetings are now very well attended, and great interest appears to be taken in the scripture lesson by the married girls and a few others who have been in the habit of attending occasionally. No altogether new ones come. We have had as many as twenty-six Chinese women and children at one time. We trust that these meetings are times of spiritual help and refreshing.

Messrs. Hall and Ross still continue their generous donation of rice for the girls in the Home. Our thanks are due to them and the other friends who take an interest in "The Home" and manifest it by gifts and prayers.

The time has come for the annual report, and it is with a heart filled with gratitude that I attempt to prepare it. During the six months that I have been in the Home, my interest has been daily increasing in the work. At first it was rather discouraging, but as time passes and I become better acquainted with dispositions of the girls, I feel that surely the Lord has given me a great responsibility in the training of those precious souls for whom He has given His life. May I be found worthy of His trust.

There have been four girls married from the Home during the year, and one whose time was up left in July.

About this time there seemed to be an uneasiness among the people. Many of them were leaving for the fishing season, and wished to take their girls with them, as they generally earn good wages during the fishing. Those were girls that had only been in a short time. However, I think it has been for the best, as some of them were wielding a very bad influence over the others. Our Home has seemed so different since that we have cause to be very thankful, especially as we see quite a number of the girls putting their professions of faith to practical use, and I think they are improving in every way and are as happy as possible in the Home.

The summer has been very pleasant, and we have been enjoying the best of health. We have had no school for five weeks, but expect to begin again on Monday. It has been rather difficult to keep so many interested with so much spare time, and they seem very anxious to be in school again. I am pleased with their anxiety in this respect.

Four other girls have sent application to get in the Home; two came to-day, but we have admitted none yet. One application was from a girl who left the Home over a year ago; she is very anxious to return. We will admit some of them soon.

Truly we feel that God is with us, and where He is, is fulness of joy.

MRS. J. REDNER.

## REPORT OF COQUALEETZA HOME AND SCHOOL.

Year Ending September 30th, 1893.

In taking a retrospective view of the work accomplished during the year just closed, we feel glad that the actual facts warrant our placing on record a good account of the pupils.

The year throughout has been characterized by a prevailing spirit of happy contentment; and, as happy children are usually good children, and good children do cheerfully what is required of them, satisfactory results are the natural outcome.

No serious sickness has entered our Home, and, at the end of the year, we find all the inmates in good health. Last year nineteen pupils were reported, and the appropriation made for that number. As a matter of fact, for a greater part of the time, that number has been exceeded, and at present there are twenty-six in residence. Owing to the kindness of friends who have sent clothing and goods, we have been able to provide comfortably for the increased number, and still have a small surplus.

A feature of our household arrangements is the prominent part the boys take in all duties connected therewith. We find them quite as efficient as the girls, and one boy, who aspires to become a finished cook, makes the greater part of the bread consumed in the establishment. Others of the boys and girls make bread occasionally, and it is quite interesting to note comparisons made by the different producers.

In the sewing department very satisfactory results have been attained. More work has been done this year than ever before. The girls have been clothed largely from second-hand garments, most of which had to be made over. Our pupils have been clothed neatly, comfortably, and economically. Considerable knitting has been done, and I think the most careful could have no reason to find the slightest fault as to the degree and extent of patching and darning, which is done almost entirely by the smaller girls.

The school work has gone on steadily, and though good progress has been made, still I know that better results might have been reached had fewer duties, outside the school, devolved upon the teacher.

Three of the girls have received instruction in instrumental music, and have made considerable progress. We are all taking singing lessons, in the tonic-sol-fa, from Mr. Tate. We find the study of this system so interesting the hour devoted to it, three times a week, passes before we are at all ready to stop.

With the aid of some hired help, the boys have brought the Woman's Missionary Society's property under thorough cultivation, and as a consequence, the land has produced abundantly. There is about an acre in potatoes, half an acre in hay, and the balance in vegetables.

We began the year with a staff of two teachers, Miss Elderkin and myself; Miss Somers having retired at the close of the previous year, after about three years in conscientious work in the sewing department. Miss Elderkin took her place and continued in charge until her marriage, July 5th, when Miss Burpee, of Woodstock, N.B., assumed the duties of sewing teacher. We hailed with delight the arrival of Miss Smith, from Maitland, N.S., the first week in September. She takes the school, while I have charge of the house-keeping.

No special revival has come to us, still we have seen evidences of renewed hearts in the consistent lives of many of the children. We endeavor in the daily teachings, in the Sabbath School, and in the prayer

and class-meetings, to teach Christ through His word ; and we know that heavenly influences are reaching hearts and moulding lives into harmony with the divine will and purpose.

Much interest has centred in the new institute building, and as it has grown under the hands of the workmen, we have looked it over many times and would gladly have hastened its completion, had it been in our power to do so. However, we are still here in the mission house, and are content with our cramped accommodations, in prospect of the splendid new quarters in preparation for us. The equipments, when complete, will, I believe, be all that could be desired. With proper management, great good to the Indian race shall be accomplished through the agency of this school. May the Lord grant us prosperity in the future, as in the past, only more abundantly.

Very sincerely yours,

LAVINIA CLARKE.

“The Orphanage is still conducted in a rented house, but active measures are being taken for the erection of a new building. There are now twenty-seven girls in the Home.”

“The managers thankfully acknowledge the continued and increasing liberality shown towards this institution by the W. M. S. Their grants have been of very great assistance to the Orphanage, and the thanks of all friends of the institution are due to the donors for their very practical sympathy and help.”

“The work is one carrying the highest authority, and based upon the broadest principles of Christian charity. As such it appeals to the practical sympathy of all who are desirous of helping to promote the physical, mental and spiritual well-being of the little ones who, in the providence of God, have been deprived of their natural protectors and guardians.”

## REPORTS FROM BRANCHES.

### WESTERN BRANCH.

#### CORRESPONDING SECRETARY'S REPORT, 1892-93.

In presenting the eleventh annual report of our Branch, we are thankful that, notwithstanding the hard times of which we hear so much, we are able to report an advance in every department of our work. We still have to regret that there are so many ladies in all our congregations who have not as yet identified themselves with this work, and so many of our churches still unorganized. With many of these, "so much to do at home" has kept them from hearing the Lord's call to them, "Go ye into all the world and preach the Gospel to every creature." Our organizers are working on with much to encourage them. As a result of their efforts and also that of our ministers, twenty-two Auxiliaries and eight Mission Bands have been organized. The Auxiliaries are: Alma, Arthur, Brantford (Sydenham Street), Bartonville, Baker's, Blenheim, Burgessville, Caledonia, Currie's Crossing, DeCewsville, Delaware Township, Dundalk, Fergus, Forest, Grovesend, Kippen, Lambeth, Melbourne, Markdale, Shedden, Wolverton and Woodhouse. Besides these, some have organized lately, ready for next year, viz.: Bright, Flesherton, Grand Valley, Hensall, Oil City, Staffordville, Princeton and Woodslée. We are sorry to report some as having dropped out through the year: Eramosa, Erin, Ebenezer Appointment, Lynville, Nelson, Southampton and Thorndale. Two, Kintore and Port Rowan, are working as Scattered Helpers. Mitchell (Trafalgar Street), Mount Vernon, Norwich, Simcoe, Tilsonburg, Verschoyle and Woodstock have organized Circles, and St. Mary's a Mission Band, during the year. The following have been organized lately, ready for work next year: Aylmer, Arva, Cainsville, Cayuga Band, Christie, London West, Mount Forest, Macville, Owen Sound, Owen Sound Band and Walkerton.

We report 159 Auxiliaries, increase 14; Mission Bands 50; annual members 3,700, increase 200; life-members 223, increase 24; total membership 3,923, increase 224; Mission Band members 1,731, increase 6; amount raised by Bands \$2,153.94, increase \$74.81; amount received by Branch Treasurers from all sources \$10,465.58, increase \$425.58; amount sent General Treasurer \$10,284.16, increase \$484.16. In addition to this, \$100 bequest from Miss Code's executors, Listowel, makes \$10,384.16 as the total received by the General Treasurer from the Western Branch for the year.

### ELEVENTH ANNUAL MEETING OF THE WESTERN BRANCH.

The eleventh annual meeting assembled in the Methodist Church, Listowel, at 2.30 p.m., Tuesday, October 3rd, Mrs. (Dr.) Burns, President, in the chair. The opening devotions were led by Mrs. (Dr.) Fowler. The roll of delegates gave an attendance of 114.

The President's address was full of courage and inspiration.

A most tender and solemn service in memory of "our promoted members" was led by Mrs. Phelps, of Mount Pleasant. Altogether thirty-two names were given, and, in most cases, some member of the convention was ready with graceful and sympathetic tribute to lives spent in Christian service, suffering borne patiently, and death welcomed as an entrance to the greater glory.

Reports from the districts were given by the Conference Organizers: London Conference, Mrs. Wright; Guelph Conference, Mrs. Scarff; Niagara Conference, Mrs. Jackson. District conventions had been held in three districts in this Conference, and favorable resolutions received from the district meeting:

Resolved, "That this Branch meeting recommends each Auxiliary in the Niagara Conference to make arrangements for Woman's Missionary Day as early in the year as will be agreeable to all concerned, especially as towards the end of the Conference year other funds are needing attention."—Carried.

A short address was given by Mrs. Dickson, of London, on "Our French Work, the Difficulty and Discouragement of the Workers, and the Incentives to Continue."

From the Mission Band Committee:

1. Your Committee recommend that a member of each Mission Band be appointed to work up an interest in and circulate *Our Quarterly*. We also recommend that where there is no delegate from Mission Band or Circle, that the delegate from the Auxiliary be asked to notify the Mission Band or Circle of this and other recommendations.—Carried.

2. In order to make an effort to scatter missionary literature, your Committee would recommend that the Mission Band Corresponding Secretary be requested to write to the Corresponding Secretary of Mission Band or Circle where next Branch meeting is to be held, authorizing her to purchase missionary literature, and charge the same to Branch meeting, so that she may acquaint herself with it, and thus be able to more intelligently meet the needs of the various Mission Bands and Circles represented by delegates.—Carried.

From the Committee of Organizers:

1. Your Committee recommend that District Organizers presenting themselves at the annual meeting of the Branch shall be entitled to the privileges of the convention and also to a billet.

2. Your Committee recommend the advisability of the District Organizers reporting half-yearly to the Conference Organizers, thereby keeping each other in close touch and communication.

3. Your Committee recommend that Organizers appoint some one lady on the unorganized circuits to distribute the Scattered Helpers and mite-boxes, and that they use their influence with the Auxiliaries now organized to use the same.

The Committee on Modes of Work suggested that in districts where there are two or three small Auxiliaries, they should ask permission of the Corresponding Secretary of the Branch and amalgamate, and send one delegate.—Carried.

The Committee also recommended that in all places where there are post-office facilities, the money sent to the Treasurer, Mrs. Williams, of Galt, be sent either by post-office order or cheque, and not, as heretofore, in stamps.—Carried.

The public meeting on Wednesday evening was presided over by Rev. Dr. Willoughby. An address of welcome was given by Mrs. James, and replied to by Mrs. Gayfer, of Hamilton. Addresses were given by Mrs. E. R. Young, of Toronto, Mrs. Mason, of Muncey, and Miss Preston, a returned missionary.

On Thursday, Mission Band evening, a good programme was carried out. Three papers on various aspects of China were given by Misses Fowler, London; Hardy, Hamilton; and Horning, Brantford.

The consecration meeting, led by Mrs. Mason, of Muncey, was a tender recital of blessing received in the Master's service.

Officers elected :

<i>President</i>	- - - -	Mrs. (Dr.) Burns, St. Thomas.
<i>1st Vice-President</i>	- -	Mrs. (Dr.) Fowler, London.
<i>2nd Vice-President</i>	- -	Mrs. Dickson, London.
<i>3rd Vice-President</i>	- -	Mrs. Phelps, Mount Pleasant.
<i>Recording Secretary</i>	- -	Mrs. McMechan, London.
<i>Corresponding Secretary</i>	- -	Mrs. Cunningham, Guelph.
<i>Treasurer</i>	- - - -	Mrs. Williams, Galt.
<i>Cor. Secretary of Mission Bands</i>		Miss Dickson, London.

It was decided that representatives to the Annual Conferences be chosen from the Auxiliaries where each Conference is held.

Conference Organizers :

<i>London</i>	- - - -	Mrs. Wright, South London.
<i>Guelph</i>	- - - -	Mrs. Scarff, Guelph.
<i>Niagara</i>	- - - -	Mrs. Jackson, Caledonia.

The award of the prize banner to Wilsonville Mission Band was received with applause. Mrs. Phelps, in coming forward to receive it, said that the Band had been well mothered, as the Auxiliary has a history of faithful and zealous work.

Invitations from Strathroy and St. Thomas were read, and Strathroy was accepted as the next place of meeting.

Dr. Willoughby and Mrs. Burns closed the meeting with a few parting words.

## CENTRAL BRANCH.

### ELEVENTH ANNUAL REPORT OF CORRESPONDING SECRETARY.

Deeper interest in missionary work, a greater depth of spirituality amongst our members, and therefore a wider sympathy for the claims of humanity, have been the prevailing conditions of our Branch during the past year.

The majority of the reports from the Auxiliaries are written in a spirit of praise and thanksgiving for the blessings of the year and for the encouraging increase of membership and funds. We have been specially favored in having been able to send out two of our number as active workers in the mission field—Mrs. Redner, a faithful member of the Hastings Auxiliary, having been appointed by the General Board as Matron at the Crosby Girls' Home, Port Simpson, and Miss Florence Wickett, from the Berkeley Street Church, Toronto, to the Chinese work in Victoria, B.C.

Our organizers have worked faithfully and succeeded in adding twenty Auxiliaries to the list. They are in Creemore, Deseronto, Goodwood, Hilton, Kendall, Manilla, Norwood, Napanee West, Odessa, Picton (Main Street), Pontypool, Richmond Hill, Stirling, Selby, St. Vincent, Bathurst Street, Centennial and Trinity Churches (Toronto), Unionville and Wilfrid. We report 150 Auxiliaries; net increase, 11.

### THE ANNUAL MEETING OF CENTRAL BRANCH.

The eleventh annual meeting was held in Queen Street Church, Toronto, October 10th, 11th and 12th, 1893.

The President, Mrs. Dr. J. A. Williams, occupied the chair. There were 181 delegates present.

A very impressive Memorial Service was conducted by Mrs. (Rev.) G. Browne, of Maple, in memory of the members of different Auxiliaries who had been called home during the year. Forty-two names were read out and many touching references were made to the lives and influence of the departed. "They being dead, yet speak."

This convention was the most interesting ever held by the Branch, partly owing to the fact that Committee work was done by the Convention as a Committee of the Whole, and further by the organizers reporting for their Districts, which gave time for very interesting papers and discussions.

On Tuesday afternoon Mrs. J. B. Willmott led a Topical Conversation, which was largely taken part in by the delegates, who seemed thoroughly to enjoy the hour so profitably spent.

Wednesday afternoon, discussion on "Departments of Work" was introduced by reading a paper on "A Model President," by Mrs. G. N. Frazer, Napanee. This was followed by "The Model Recording Secretary," by Mrs. J. Carlyle, Peterboro'; "The Model Corresponding Secretary," by Mrs. (Rev.) J. C. Wilson; "The Model Treasurer," by Mrs. G. D. Kerr, Toronto. These papers were so well received that it was decided that they all be published in the *Outlook*.

A discussion on "Literature" was led by Mrs. G. P. McKay, who emphasized the importance of this branch of our work.

Mrs. (Rev.) A. M. Phillips followed with a paper on "Mission Band Work," which was so well received that a motion followed the reading of it that it be printed as a leaflet.

Public meetings were held on Tuesday and Wednesday evenings. At the former we had the pleasure of an address from Rev. E. Robson, B.C. At the latter we heard Miss Munro, from Japan. According to a by-law passed at the meeting, the delegates met by Districts and nominated by ballot their organizer, which was confirmed by the Branch.

It was resolved "that in future delegates' expenses be not paid at Branch meeting, but that they be arranged for by the Auxiliaries sending such delegates."

"That in the case of new Auxiliaries organized late in the year, the Treasurer and Corresponding Secretary be instructed to mention the organization of Auxiliary with the money that has been sent, without mentioning number of names."

*Resolved*,—That the plan of Auxiliaries reporting through organizers be a by-law of this Branch for the future.

#### BY-LAWS, 1892.

The election of officers in Auxiliaries, and of delegates to the Branch meeting, shall be by ballot, without nomination, and a majority vote be required.

That organizers and officers be required to send in a statement of their expenses before September 15th of each year, as the Treasurer of the Branch is obliged to close her books on that date.

That District Organizers be *ex officio* members of the Branch meeting, and have all the privileges of delegates.

Discussion on Division of Branch took place after the Secretary had read the resolution passed at last annual meeting, and the report of Executive Committee resulted in the resolution, "That the Branch be divided according to Conference limits."

**REPORT OF MISSION BAND CORRESPONDING SECRETARY,  
CENTRAL BRANCH.**

In presenting the report of another year of Mission Band work in this Branch, we realize that much of the success of the year's work is due to the faithful labors of the organizers. They have pressed the formation of new Bands and the continuance of discouraged ones.

We report this year the formation of eighteen new Bands as follows : A Juvenile Band in Barrie, Bands in Bracebridge, Cannington, Cherrywood, Cobourg, (re-organized), Glen Orchard, Hampton, Huntsville Circuit, Keene, Newburgh, Newmarket, Moira, Ravenscliffe, Euclid Avenue (Toronto), Parkdale (Toronto), Unionville, Utterson, and in a Mission Church on Kingston Road ; Bands in Marmora, Springbrook and Parry Sound have dropped from our list ; also Sherbourne Street, Toronto, the Circle of which decided to leave our Woman's Missionary Society and become a Christian Endeavor Society. Having, however, sent our Treasurer an offering of \$125.00, we feel that they have not altogether forgotten us.

Deducting our losses and adding our gains, our report is as follows : 74 Bands ; 1,923 members, including 56 life-members ; and \$1,546.40 sent to the Treasurer.

The decrease in membership and fees is owing to the fact that only those paying twenty-five cents are counted as members this year (according to Constitution). Last year all names sent in were counted.

The falling off in receipts is no doubt owing to the fact that too often our young people forget that they are working under the Constitution of the Woman's Missionary Society, and when they are eloquently appealed to in behalf of some special object, their sympathies are drawn out, and without stopping to reason why, or to ask "Is this constitutional," they apportion ten or fifteen dollars, and the balance goes to the Woman's Missionary Society.

This is not quite fair to our General Board of Managers, who are depending on us for the maintenance of missionaries already in the field, and who know where our funds can best be applied to produce most good. We wish our Circles to remember this when appealed to either by voice or through the President.

## EASTERN BRANCH.

### REPORT OF THE CORRESPONDING SECRETARY OF THE EASTERN BRANCH, 1892-93.

The Eastern Branch of the Woman's Missionary Society has just closed the tenth year of its existence, and, in reviewing the past, our hearts are filled with thanksgiving to the Giver of all good as we report an increase in membership and funds. Each year has been better than the one that preceded it. During the present year we have noted a greater increase in interest, a deeper sympathy, more willing service, and many instances of self-denial for the extension of Christ's kingdom. Seven new auxiliaries have been organized. They are: Moulinette, Lacolle, Pakenham, Robertson's, Avonmore, Northfield, and Gallingertown. We report

### ANNUAL MEETING OF THE EASTERN BRANCH.

The tenth annual meeting of the Eastern Branch was held in the George Street church, Brockville, Oct. 10th, 11th and 12th, 1893, the President, Mrs. W. E. Ross, in the chair.

The Brockville ladies had an excellent supper prepared, and a very pleasant reception was held in the lecture-room before the opening of the meeting. Very cordial words of greeting were given by the pastor, Rev. Mr. Scanlon, and on behalf of the Brockville ladies by Mrs. Donaldson, and were replied to by Mrs. Sawyer. Representatives from sister societies in Presbyterian, Baptist and Anglican churches were present.

The delegates, seventy-two in number, showed a marked interest throughout the meeting. Though our increase in members and funds is small, we are glad to report a growing interest in the work. The devotional exercises and consecration service were remarkable for the feeling of deep spirituality which pervaded them.

The reports from most of the auxiliaries were very encouraging. Many report great success in the use of "Scattered Helpers," Monthly Letter *Leaflets* and Programmes, Mite-boxes and Thankoffering Services. Several very excellent papers were read, and, in order that the hints in them may not be lost, it was specially requested that they be printed in the *Outlook*.

Our president, in her address, gave a very complete review of the work being done in our various mission fields, and urged us to endeavor to get every woman in our churches enlisted in the mission work, to give the best we have to the work, and not to use the word "discouraged" in connection with it.

The usual vote of thanks was tendered to our hostesses, the trustees, choir, editors, and all who had so kindly assisted us in our work.

The following officers were elected:

President	-	-	Mrs. W. E. Ross, 76 Shuter St., Montreal.
1st Vice-President	-		Mrs. Bigelow, Aultsville.
2nd Vice-President	-		Mrs. Sawyer, 14 Gladstone Ave., Montreal.
3rd Vice-President	-		Mrs. W. J. Hunter, Montreal.
Recording Secretary	-		Mrs. J. S. Atkinson, Gananoque.
Corresponding Secretary	-		Mrs. T. G. Williams, 7 Coursol St., Montreal.
Treasurer	-		Mrs. McRossie, Kingston.
Corresponding Secretary Mission Bands	-	}	Miss Effie Bailey, Iroquois.

## NOVA SCOTIA BRANCH.

### TENTH ANNUAL REPORT OF THE CORRESPONDING SECRETARY.

A shadow falls upon us as we sorrowfully realize that, since submitting our last Annual Report, the sharp stroke of death has cut into the family circle of our Executive and removed from us our beloved President, Mrs. MacCoy. She has passed beyond the shining portals, and has entered upon the inheritance of glory promised to the saints of God. We have the memory of her life, and could her freed spirit speak to us from "that bright land whose green turf hides no grave," we are assured the words would be, "Work while it is called to-day."

We cannot report much growth, but we can truly report a year of earnest work, spiritual benefits, zeal and interest. Regretfully we record, for the first time in our history, a decrease in income. But although "cast down," we are not "destroyed." Even failure may be an augury of success, and we are hopeful that ere the close of another year the word "decrease" will not be found in the vocabulary of the Nova Scotia Branch.

Again we count ourselves happy, as in other years, in the privilege of sending another laborer into the harvest field—Miss Maggie Smith, of Maitland—who has entered upon the work to which she has been designated, trusting in the promise so especially linked to the service.

We have added four to our roll of Auxiliaries, and have dropped two—Avondale and Granville Ferry. The added Auxiliaries are New Germany, Halifax West, Selma and Ritcey's Cove.

And what of the children? Gladly we answer that five new Bands have fallen into line during the year, as follows: Hillsburg Band, "The Standard Bearers," of Advocate Harbor; Downing Band, of New Germany; Kaye St. Band, of Halifax West, and Snowflake, of Bridgewater. The enthusiasm of our youth is becoming tempered with a sober outlook upon the realities of the work, and our Band members are learning that missions mean united effort and self-denial, rather than romance.

Our Easter thankoffering meetings are becoming more and more the central point of the year's interest, and we are constantly assured that spiritual benefits have been received through these services, and we have thus been made to realize the uplifting power of the Gospel in our lives as women.

ANNUAL MEETING OF NOVA SCOTIA BRANCH.

With a little of brightness, but much of shadow, we gathered in the charming village of Hillsburg for our Tenth Annual Meeting. There was a large attendance of visitors and delegates. The meeting, which opened on the morning of September 27th, continuing the two following days, was throughout helpful and full of interest. The discussions were general, and an increased familiarity with the work was evident. Many cheering words from different Auxiliaries show true life here and there—real bits of heaven, that we hope will keep on working till the whole is leavened.

Miss Hart's presence with us was an inspiration and strength. Miss Cunningham was not forgotten. Grateful acknowledgment was made of the impetus she has given the work during her sojourn with us. She has greatly endeared herself to us, and earnest prayers that she may be divinely guided in her future work were offered in her behalf.

# NEW BRUNSWICK AND PRINCE EDWARD ISLAND BRANCH.

## EIGHTH ANNUAL REPORT OF THE CORRESPONDING SECRETARY OF NEW BRUNSWICK AND P. E. ISLAND BRANCH, 1892-93.

In gathering up the many strands of the loving coil of missionary labor at the close of another year, that as "workers together with Him," we have sought to lengthen and strengthen, a sense of deep gratitude to the Father's goodness, and of humble confession on our part, falls across the horizon of the cherished hopes with which we entered upon the work a year ago. This Branch is obliged to report a large number removed by death. The circle is widening in the sky, and the home beyond is gathering in the loved ones with garnered sheaves to lay at His feet, called from earthly toil to higher service, and leaving upon those remaining greater responsibility and need of increased effort.

Tangible evidence of the kind thought of two of our workers, lately removed from earth's toil to heavenly rest, is given by a bequest of \$400 to our Woman's Missionary Society, by the late Mrs. C. W. Hamilton, of Bayfield, N.B., which has been paid; and also of \$2,000 by Miss Marion Heales, of Woodstock, N.B., to be paid next July.

" And we who linger 'mid life's toil and pain,  
Nor see the meaning of its mystery,  
Shall keep within our hearts a tender strain  
For these sweet memories."

Six new Auxiliaries report this year, while we have lost two, leaving a net increase of four. The Auxiliaries are: Cape Traverse, Vernon River North, Wright, Benton, Sussex, Young's Cove. Four others are ready for work. Seven new Bands have been added at the following places: Hampton, Moncton "Wesley Memorial," Mount Middleton, Pownal, Queen Square, St. John and Salisbury. This branch of the work reports quite an increase in life-members, while the enhanced interest in every department gives evidence of earnest, faithful work on the part of the Band Secretary. Easter services, held by many Auxiliaries, brought a great blessing to our workers; and it is hoped that the joyous festival will be more generally observed by the members of the Woman's Missionary Society.

Both Scattered Helpers and mite-boxes have brought many into touch with the work, and we close the year's effort, grateful for the measure of success that has attended our efforts.

May He who has so lovingly guided in the past give us increased wisdom and grace, helping us to remember the blessed promise, "Lo, I am with you alway, even unto the end of the world."

## BRITISH COLUMBIA BRANCH.

### SECOND ANNUAL REPORT OF THE BRITISH COLUMBIA BRANCH, 1892-93.

The second annual meeting of this Branch was held in the Central Methodist Church, New Westminster, August 26th, 27th, and 28th, 1893. Mrs. (Rev.) C. Watson, President, occupied the chair. The reports of the various Auxiliaries with the exception of two, were read and adopted, several of them being very encouraging. The President, in her annual address, which was stimulating and helpful, showed with great force how the work was being carried on in the different mission fields. Miss Clarke, of the Coqualeetza Home at Chilliwack, gave an interesting account of the work of the past year, reporting great improvement in the children. The Chinese Refuge Home, Victoria, was represented by Mrs. Morrow, who gave some instances of conversion in the Home, and of the Lord's care and help in times of great need. A chat on Japan, by Miss Wintemute, in which she gave statistics of the work, was full of interest. Rev. C. M. Tate spoke briefly of the Indian Missions, Rev. Mr. Michener of the Missions to white people, and Rev. J. C. Hicks extended fraternal greetings and wished the Woman's Missionary Society God-speed in its work.

The public meeting held on Saturday evening was presided over by Rev. J. W. Hall, pastor of the church. Mrs. Pearson gave a most cordial address of welcome, which was responded to by Mrs. Nicolls. Mrs. J. Cunningham presented the report, in which the membership was announced as 235, of which 9 are life-members. Number of Auxiliaries, 12; amount raised, \$615.50; or \$2.68 per member. Mr. Cassidy, in Japanese costume, and Miss Cunningham gave addresses full of most interesting information on the work in Japan, while Dr. Hare, who was on his way as medical missionary to Chen-tu, in the far west of China, claimed our prayers and sympathy in his new and untried field of labor. The singing was appropriate and hearty, and the heart-stirring solo of Mrs. Robson was enjoyed by all. The cordial hospitality of the friends at New Westminster received a warm vote of thanks.

The presence at the convention of so many missionaries who were returning to their work, added greatly to the interest of the occasion. It was felt that such earnest addresses as were given by our faithful workers would lead us all to work and pray more for the great cause of Missions during the coming year.

The officers elected for the coming year were:

<i>President</i>	- - -	Mrs. Sexsmith, Eburne P.O.
<i>1st Vice-President</i>	- - -	Mrs. (Rev.) C. Watson, Vancouver.
<i>2nd Vice-President</i>	- - -	Mrs. (Rev.) Tate, Chilliwack.
<i>3rd Vice-President</i>	- - -	Mrs. (Rev.) Betts, Kamloops.
<i>Recording Secretary</i>	- - -	Mrs. J. B. Newcombe, Vancouver.
<i>Corresponding Secretary</i>	- - -	Mrs. Nicolls, Vancouver.
<i>Treasurer</i>	- - -	Mrs. B. F. Wilson, Vancouver.

Report of Committee on Modes of Work :

1. The Committee on Modes of Work consider that, as the distribution of the literature of the Woman's Missionary Society has proved so beneficial in arousing interest in its work, it would be well if a lady were appointed in each Auxiliary to distribute leaflets and try to secure new members.

2. They recommend that, where practicable, missionary "At-Homes" be held, the entertainment to be of a decidedly missionary character, and that it be understood that money is not so much the object of these gatherings as to quicken interest in mission work.

3. They also recommend that each Auxiliary, by its President or Corresponding Secretary, confer with the pastors of their respective churches, and ask that one of the ordinary prayer-meetings once a month be made a missionary prayer-meeting.

The Financial Report was submitted by Mrs. Wilson. This showed a net income of \$615.50, an increase of \$56.54 over last year.

For Memorials, see Report of General Board Meeting.

### BRITISH COLUMBIA BRANCH.

HOMER STREET, VANCOUVER.

At one of our quarterly prayer-meetings one of the most active workers in this department, Mrs. Williams, gave an intensely interesting account of the work that was being carried on amongst the Indians, for which \$6 was collected. Our deceased member, Mrs. Mole, will be greatly missed in all the work, but especially in this department. With a large increase of membership and funds we hope to do much better in all respects in the future. We are thankful that so many of our brothers are giving us practical aid.

Pres., Mrs. (Rev.) Watson; 1st V.-Pres., Mrs. Nicolls; 2nd V.-Pres., Mrs. Wintemute; Rec. Sec., Mrs. Breeze; Cor. Sec., Mrs. W. McCraney; Treas., Miss M. Wintemute. ### PRINCESS STREET, VANCOUVER.

During the year we have doubled our membership and our funds. We have also organized a Mission Band. In addition to our regular monthly meetings and public meetings, we have set aside the last Wednesday in the month for a missionary prayer-meeting, which, we find, creates an interest in our work among those who do not belong to our Auxiliary. We feel greatly encouraged to go forward in our Master's work.

Pres., Mrs. (Rev.) Baer; V.-Pres., Mrs. Lunn; Rec. Sec., Miss McIntyre; Cor. Sec., Mrs. B. F. Wilson; Treas., Mrs. J. B. Newcomb. Mesdames \*(Rev.) Betts, \*Glenn, Ridley, Clendenin, Whipple, Bowyer, Bailey, Edmonson, Kelly, G. R. Gordon, D. C. Stewart, Reynolds, De Wolf Woodside, Hutchings; \*Miss Bowes. Honorary members Rev. Mr. Betts, Messrs. Pres., Miss Buttermer; V.-Pres., Miss Fanny Glenn; Rec. Sec., Miss Tilly Thomas; Cor. Sec., Miss Annie Hamilton; Treas., Miss M. Hamilton.

## PANDORA AVENUE, VICTORIA.

Although the membership is reduced, owing to many removals, yet our interest in the great work of missions is by no means lessened, and we are hoping for more prosperity during the coming year.

Pres., Mrs. Burkholder; V.-Pres., Mrs. Burgess; Cor. Sec., Mrs. Pendray; Rec. Sec., Mrs. Wier; Treas., Mrs. Morrow. Mesdames Jenkins, Goodacre, (Dr.) Siddall, Butler, \*Teague, \*Elford, \*McMillan, Powell, Cleaver, Archibald, Drury, McDonald, (Dr.) Hall, Sargison, Ray, Winkel, Luney, Watkins, Gardner, Dempster, Spencer, Theo. Elford, Bullan, Durham, Carey, Ralph, Jewell, Carne, C. Spencer, Hooper, Adams; Misses Leake and Wickett. Honorary member—Mr. Gardner.

## RICHMOND.

Our meetings, though small, are interesting. We generally find time for a reading of missionary import.

Pres., Mrs. E. J. Green; Cor. Sec., Mrs. A. M. Sexsmith. Annual members, 7.

## PORT SIMPSON.

Our members are so scattered that we never have a full gathering, and during the summer months no meetings are held; but the few members here at Port Simpson attend pretty regularly, and we have had some very good meetings. At our February meeting we had a thankoffering of \$38.50. One of our native members who had not understood the reason of our giving, after we had explained, said she would do what she could, and shortly after she gave Mrs. Crosby \$4, enclosed in an envelope, with the words, "The Lord gave me this few money, and I return it to Him again." May we all work, for the night cometh.

Pres., Mrs. Crosby; V.-Pres., Mrs. Jennings; Cor. Sec., Miss Hart; Rec. Sec., Mrs. Bolton; Treas., Miss Spence. Mesdames Abbott, Peake, Miller, (Dr.) Bolton, Hopkins, Stone, Russ, Anderson, Freeman; Misses Lawrence, Beavis, Caldwell, Gertie Crosby, Ross, Tranter. Honorary members—Messrs. Crosby, Dr. Bolton, Baker, Lazier, Cole, Spencer.

## LADY HOK.

During the past year far more interest has been shown than ever before, which we sincerely hope may be continued. Two public meetings have been held, at one of which Prof. Whittington gave a very interesting address on Japan.

## SEPARATE AUXILIARIES.

## ST. JOHN'S EAST, NEWFOUNDLAND.

We thankfully acknowledge God's blessing which has rested upon us as an Auxiliary. Our monthly meetings were held regularly, and fairly well attended. Although deprived for some time (through severe illness) of the presence of our esteemed President, yet we rejoice that the close of the year finds us with our ranks unbroken. We are looking forward to greater success in the future.

Pres., Mrs. Burchell ; 1st V.-Pres., Mrs. Hudson ; 2nd V.-Pres., Mrs. Nichols ; Rec. Sec., \*Mrs. Peters ; Cor. Sec., C. March ; Treas., Mrs. Sainthill. ## ST. JOHN'S EAST MISSION BAND.

The St. John's "Gleaners" Mission Band has been organized about ten years. Many changes have taken place. Old members have gone to fill new spheres, and others have taken their places ; thus the work is still being carried on. We have a membership of twenty-five. Though our number is not very large, we are glad that the best results are not always obtainable from the largest numbers, and that good work may be done by the earnest few. Monthly meetings are held regularly. During the past year we held two public meetings at which we collected \$70.10 ; we hope to raise \$60 (sixty dollars) or more by the talent system. Our special work this year will be to visit the sick and to canvass for Sunday School scholars ; also, to contribute, as we have been doing for the last seven years, \$50 (fifty dollars) towards the support of a Japanese girl, and to defray the expenses of a boy attending our college in St. John's. May our efforts be blessed by Him who went about doing good.

Pres., Miss English ; V.-Pres., Miss Clifford ; Rec. and Cor. Sec., Miss Skinner ; Treas., Miss Hudson. Mesdames Jolliffe, A. Peters ; Misses Barrett, Le Marquand, Parsons, G. Mews, R. Taylor, M. Joyce, Elsie English, J. Crosbie, B. Hudson, J. Garland, Davis, S. Barnes, A. Noseworthy, C. Bradbury, M. March, J. Webb, M. Clifford, M. Green, M. Burt.

## ST. JOHN'S WEST, NEWFOUNDLAND.

We acknowledge with gratitude the goodness of our heavenly Father. It is with joy we record an increase of five members, our membership now being forty-eight, including one life-member. The monthly meetings have been specially interesting. Instructive papers on missionary topics have been prepared and read on several occasions by members of the Auxiliary. Two letters received from Miss Munro and two from O'Levy Aruga, the Japanese girl we are helping to educate, have gladdened our hearts, their contents having given us reason to believe our labors have not been in vain.

Pres., Mrs. Steer; 1st V.-Pres., Mrs. Ayre; 2nd V.-Pres., Mrs. Done; 3rd V.-Pres., Mrs. Cowperthwaite; Rec. Sec., Miss Cole; Cor. Sec., Mrs. John West; Treas., Mrs. John Angel. Mesdames Rogerson, W. Knight, Cram; Misses Burchell, Smith, Milley, Roberts.

## BONAVISTA, NEWFOUNDLAND.

We are thankful that the year's work has not been in vain. During the winter months a Sewing Circle was formed. Each member contributed ten cents. Material was bought and worked up, and then sold. Proceeds, \$5.

Pres., Mrs. Jabez Saint; V.-Pres., Miss Amelia House; Rec. Sec., Mrs. (Dr.) Forbes; Cor. Sec., Miss Thirza Saint; Treas., Mrs. John Roper. Mesdames Jane Abbott, Thomas Ford, George Templeman, Adam Harris, William Olford, Thompson, T. F. Harris; Miss Fanny Wells.

### INSTRUCTIONS TO MISSIONARIES.

They shall incur no expense during the year to be met by this Society for which estimates have not previously been submitted to, and approved by, the Board of Managers at its Annual Meeting, or by its Executive Committee.

They shall credit to the Society all donations received for the support of their work, and annually report the same with their financial statement.

All solicitations for funds for special work must be made through the proper official authorities, and missionaries are requested not to apply to private sources for aid for support of their work.

A medical missionary shall keep an itemized account of all receipts and disbursements. Such receipts may be used for necessary expenses in the medical work, and any surplus shall be credited to the Woman's Missionary Society, and her medical outfit shall be the property of the same.

We recommend that, when practicable, such arrangements shall be made for the duties of our missionaries, during their first year's service, as shall allow them considerable time for the study of the language, and that during the first year of service, their salaries shall be two-thirds of the fixed salary. But medical missionaries shall from the first receive full salary.

Our missionaries to foreign fields shall be allowed one hundred dollars (\$100), for personal outfit, and \$100 for house furnishings, when necessary—the latter to be the property of the W. M. S.

If there prove manifest unfitness for missionary labor, the Board of Managers may cancel its obligations to a missionary whom it has appointed—three months' notice having been given to such appointee by the Board or its Executive; return expenses to be paid by the Society, provided she return at the expiration of the three months.

A missionary desiring to return home from any other cause than ill-health, must secure permission from the Board of Managers or its Executive, otherwise her expenses cannot be allowed. In case of ill-health demanding her immediate return, she shall bring a certificate of disability from a physician and the lady missionary in charge, and she shall be entitled to one-half salary for the year.
