BEAVER BOARD
If you are building or going to complete some unfinished rooms, let us show you some colored samples, illustrating the beautiful color effects obtained by using this sanitary and durable board for walls and ceilings in all classes of buildings.
We carry a large stock in assorted sizes.

MAIL ORDERS

We solicit out of town orders which receive our personal attention. The length of time taken to fill orders is governed very largely by how busy we are in the department of our factory in which the particular goods are made. While we have exceptional facilities for promptly turning out goods, it is important to place orders as far ahead as possible. Orders are filled by us in the rotation in which they are received, and customers can always depend on our doing everything in reason to give prompt despatch.

Our Office is connected with the N. B. Telephone Co.'s line by two separate lines insuring prompt attention.
Office Hours—8 A. M. to 6 P. M.

TO QUEBEC ON BRIDGE MATTER

Board of Trade Appoint Delegation to Take Next Step for Bridge.

A meeting of the Campbellton Board of Trade was held in the Firemen's room last Friday evening. In the absence of President Champoux, Mr. Geo. G. McKenzie occupied the chair. The delegation who waited upon the Government at Ottawa reported. Messrs. W. H. Miller, Thos. Busted and D. A. Stewart gave enthusiastic reports of what had been accomplished in the bridge matter. Mr. Busted emphasized the necessity of "just keep pushing" and we can have this bridge.

The report was received and adopted. Mr. W. H. Wallace moved a vote of thanks to the delegation of the Canadian Lumbermen's Association who looked after this work for the Board of Trade.—Carried.
On motion it was decided to name a delegation to press matters at Quebec and the following were named: President Champoux, Max. M. Mowat, J. G. Duncan, with power to add to their numbers.

The matter of preparing the necessary memorial was left in the hands of the Memorial Committee.

Mr. Joseph Duncan moved that Messrs. A. T. O'Neil, W. H. Miller and John Harquail be a delegation to interview the local government re bridge.

On motion the resolution protesting against the removal of the Public Works Dept. office of St. John be endorsed.—Carried.

The matter of the pullman service between Campbellton and the Suburban train was warmly commended and the Secretary was instructed to write the proper authorities the appreciation of Campbellton citizens for this service. The meeting then adjourned.

DATE SET FOR PROTEST TRIAL

Will be Heard Before Judge Barry at Dalhousie February 16th.

February 16th has been set for the opening of the case in the Restigouche protest. His Honor Judge Barry will preside.

Much interest is being taken in this case and the outcome will be awaited with interest.

FAVORS A MANAGER.

At a meeting of the Chatham Board of Trade, President Jarvis spoke in favor of a town manager.

On taking the chair, President Jarvis thanked the meeting for the honor conferred upon him, and in a lengthy address referred to numerous matters, which in his opinion should have the attention of the Board. He strongly advocated the system of a Town Manager for civic affairs and concluded by urging the co-operation of all citizens in helping along the work of the Board.

DARTMOUTH PASTOR

RAPS THE U. S.

Halifax, N. S., Jan. 16.—"Any country professing Christianity, which spends \$750,000,000 on talcum powder and only \$25,000,000 on foreign missions, has dimly failed to understand the great business of Jesus Christ in this world," said Rev. Neil Herman, in the course of a sermon at the Kings street Baptist church, Dartmouth, in which he quoted copiously from a recently annotated "luxury programme" of the United States for the year 1919, to prove his claim, that there is a great need for a Christian revival the world over.

GIVES ASSURANCE OF ASSISTANCE

Hon. Mr. Wigmore Will Help Project in Every Possible Way.

The following letter has been received from Hon. R. W. Wigmore and is encouraging. It shows that the Campbellton Board of Trade is losing no opportunity of impressing upon the minds of our ministers the necessity of a bridge across the Restigouche at Campbellton.

Ottawa, Jan. 22nd, 1921.
H. R. Smith, Esq.,
Sec'y Board of Trade,
Campbellton, N. B.
Dear Sir:—

I beg to acknowledge receipt of two petitions by the Campbellton Board of Trade relating to the project of the construction of a highway bridge across the Restigouche River at Campbellton, connecting the County of Restigouche at that point with the County of Bonaventure at or near Cross Point.

Mr. Stewart, and delegation interviewed me in connection with this matter a few days ago, and I am writing you now to say that I am pressing it very strongly upon the attention of the Minister of Public Works. Yours faithfully,
(Sgd.) R. W. WIGMORE

MANY KILLED IN R. R. WRECK

Express and Train Collide on Welsh Railway With Heavy Casualties.

Abermule, Wales, Jan. 2.—Fourteen persons, 11 of whom were passengers, were killed in a railway wreck near here to-day. Many others were injured. The wreck occurred when a coach express collided with a train from Montgomery.

Lord Robert Vane-Tempest, brother of the Marquis of Londonderry, who was one of those injured, died shortly after the collision, bringing the death toll to fifteen.

CONVENTION.

The annual convention of the New Brunswick United Farmers will be held at Fredericton, on Feb. 1, 2 and 3rd.

Total Expenses 12.41
Balance \$938.12
Respectfully submitted
I. B. MacKENZIE,
Conventor

ANOTHER WIN FOR CAMPBELLTON

Fast and Clean Game Played Here Last Evening—Big Crowd.

Campbellton won its Wednesday night's Hockey League game by 8 to 5 before a large crowd at Campbellton skating rink. Both teams were at a slight disadvantage on account of Marysville and Campbellton colors being so very much alike at night. Marysville being blue and white and Campbellton, purple and white. Thus it made combination play harder. Campbellton was without their regular goal tender Ingram McKenzie, which is a big loss to the team, at this time in the standing of the League.

The game opened up at a very fast pace, and in three minutes play McLean who played by far his best game this season, pulled off one of his old time rushes and scored first for Campbellton.

Starrak who seems to be always where he is needed at the right time, showed in the rubber for second one for Campbellton.

E. Wade for Marysville by a clever lot of stick handling and a long shot, scored 1st for Marysville.

Period ending 2 to 1.
Second period started fast and furious and combination play was very hard for both teams on account of similarity of colors.

Starrak on a pass from Thomas after a good combination play banged in the curtains for the first one in this period for Campbellton, and Brewer who played an exceptionally fine game for Marysville scored the second for his team.

Starrak did good work at this period by his back checking, quick turns and wonderful stick handling.

Payne and Thomas pulled off a nice piece of combination play, and Thomas scored on a pass from Payne. Harrison notched the next for Marysville, making it 4 to 3 in favor of Campbellton. Payne got the puck just behind Campbellton goal and was down the ice like a whirlwind and banged it in. Period ending 5 to 3 in favor of Campbellton.

The pace in first and second period now began to tell in the third period, and both teams slowed up slightly.

C. Wade shoved in the rubber making it 4 to 3 in favor of Campbellton. Excitement was now very high, but Starrak who followed Payne every time he rushed, in a good combination played on a pass from Payne who scored. McLean by an end to end rush shoved in another for Campbellton.

Dewar scored again for Marysville and Starrak for Campbellton. Game ended 8 to 5 in favor of Campbellton.

The line-up was as follows:—
Campbellton Marysville
Connell Goal Ferney
Payne Point M. Wade
McLean Cover E. Wade
Thomas L. Wing C. Wade
McLean R. Wing D. Brewer
Starrak Centre I. Wade
Campbellton Spares—Laviolette,
Sharpe, Wilkins and Duncan.
Marysville Spares—Harrison, Higgins, Miller, Dennison, C. P. Wade.
Referee—C. M. Murray.
Timers—Lane, Wallace and Ferguson.

Goal Judges—Kerr and Black.
NOTES OF GAME.
McLean played his best game this season. His end to end rushes were goal getters.

Mathews was as fast as ever, with that wicked shot from right wing. Starrak and Thomas pulled off some good combination play and got results. Laviolette and Sharpe were in for a short period, and did well.

JUMPED FROM A

MOVING TRAIN, IS KILLED

QUEBEC, Jan. 25.—Cleophas Boulet, 36 years of age, of St. Camille, de Bellechase, was killed yesterday at that place. He was at the station and came to the train to talk to a travelling friend. The train beginning to move, he jumped out, but fell on the track, under the wheels of the car. When the train was stopped he was dead, having been dragged some distance. He was married and had two children.

LOOKS FOR BETTER TIMES SHORTLY

Montreal President of Board of Trade Says They Are Coming Again.

Montreal, Jan. 25.—An optimistic note was sounded by George Sumner, the veteran president of the board of trade, at the annual meeting this afternoon when Mr. Sumner gave his valedictory.

"The outlook at the present moment," said Mr. Sumner in his address, "is possibly not as bright as usual at this season. Nevertheless, my feeling is that we ought not to be discouraged, for from information which has come into my possession recently, merchants are quite hopeful of the future. Moreover, we had splendid crop last year, cotton mills have plenty of orders and in many other lines there is not lacking evidence of an early return to normal conditions."

The present is a time for caution, hard work, increased production, and an unshaken confidence in this Canada of ours. We have done well in the past. We are of all things Canadians and as Canadians we must and will succeed."

NORTH SHORE BONSPIEL.

The Annual North Shore Bonspiel will be held at Newcastle next Thursday and Friday.

CURLERS GONE TO QUEBEC MEET

Two Rinks of the Campbellton Club Now in Quebec Attending Bonspiel.

Two rinks of Campbellton curlers left Tuesday night for Quebec to take part in the big curling bonspiel which is now being held at Quebec. The rinks were composed of Messrs. R. K. Shives, Thos. Wran, H. A. Carr, E. P. Mowat, Alex. McLennan, Max. M. Mowat, F. G. Kerr, and Clifford McDonald.

FATAL ACCIDENT AT MCLEODS

Edward Boudreau Fell Off Landing of Logs and Dies Instantly.

Edward Boudreau, aged 37 of Maple Green was instantly killed on Saturday on a landing of logs near McLeod siding.

It appears that some men were rolling logs from a landing to another landing on the bank lower down. Boudreau although not particularly engaged in this work came to give a hand. He endeavored to roll a large log when he lost his balance, falling to the logs below, a distance of about ten feet. He struck on his head on a log, and a protruding knot penetrated his brain causing instant death.

Coroner Martin was summoned but after hearing the evidence of eye witnesses decided an inquest was not necessary.

Deceased was a much respected resident of Maple Green. He is survived by a wife and five small children who have the sympathy of all in their bereavement.

The funeral was held Wednesday morning. The services were held at the Church of Our Lady of Snows, Rev. Fr. Melanson officiating, and were very largely attended. Interment was made in the R.C. cemetery.

RECENT CHANGES.

On the recommendation of Chief Inspector J. B. Hawthorne, various changes have been made in the sub-inspectors staff in various parts of the province. Adam, Dickson and James Dickson of Chatham have been replaced, and Harry Martin of Newcastle has resigned. Those appointed and Joseph P. Manderson for Northumberland county, and Alfred Quarmann at Chatham. Joshua P. Gammon of Bathurst has been appointed senior officer for Restigouche, Gloucester and Northumberland.

Joseph Savoie of St. Quentin has been reappointed a vendor, and W. L. Durick of Newcastle has also been appointed a vendor.

LITTLE INTEREST IN TOWN ELECTION

Norman C. McKay Elected Mayor—Voters Turned Out Small.

Deputy Public Works
Norman C. McKay was elected Mayor and Councilor at the Town Election which took place Tuesday. The weather was cold and blustery and it was impossible to do much electioneering outside, consequently a very small vote was polled. Another matter which was responsible for so small a vote was the fact that many of the smaller ratepayers, and some of the larger ones had not paid their taxes. Very little tax money was received in the previous to the election.

At 5 o'clock the Town Clerk held his court in the Firemen's hall and gave out the results as follows:—

For Mayor.

A. A. Andrew 176
N. C. McKay 199

Councillors at Large.

Joseph Duncan, 268
Geo. St. Onge 215
Chas. Goss 161

Councillors Ward II.

J. H. Moores 96
J. J. McLean 75
Jas. Patterson 123
P. M. Shannon 78

The vote by Ward was as follows:—

WARD I.

McKay 42
Andrew 18

Councillors at Large.

Duncan 42
Goss 12
St. Onge 47

WARD II.

For Mayor.

McKay 83
Andrew 117

Councillors at Large.

Duncan 129
Goss 104
St. Onge 101

Ward Councillors.

Moores 96
McRae 75
Patterson 128
Shannon 78

WARD III.

For Mayor.

McKay 74
Andrew 41

Councillors at Large.

Duncan 97
Goss 45
St. Onge 65

The present council is composed as follows:—

Mayor—Norman C. McKay.

Councillor Ward I.—W. H. Wallace and A. C. Belle Isle, elected by acclamation.

Councillors Ward II.—James Patterson, James H. Moores.

Councillors Ward III.—John Bissett, A. P. Chamberlain, elected by acclamation.

Councillors at Large—Joseph Duncan, Geo. St. Onge.

It is expected the first meeting of the council will be held next Tuesday evening.

WOODSTOCK TOWN MANAGER SYSTEM

Financial Statement Indicates a Net Surplus of \$5,616.80 for Year.

Woodstock, Jan. 11.—At a largely attended meeting of representative citizens last night the report of the town manager for the year was presented. The report was most complete and for the first time in the town's history the financial statement indicated a net surplus of \$5,616.80. All departments have been administered according to the budget prepared at the start of the year. The surplus was obtained chiefly from the water and sewerage departments and the excellent work along all lines in the town service under the direction of Mr. Fraser Armstrong, the efficient town manager.

The present system of government was adopted in August, 1919, and at the end of the year there was a deficit of \$3,094.88. This has been wiped out and all outstanding bills paid, leaving a net surplus. If there were any doubts lurking in the minds of any citizen as to the success of the new form of government they have been dispelled by the report. Of last year's assessment of \$71,000 there has been collected \$66,731 and a collection of tax arrears amounting to \$5,554. Manager Armstrong was warmly commended by several speakers and tendered a unanimous vote of thanks for his excellent work during the year. In acknowledging the sentiments expressed by the citizens, Mr. Armstrong attributed much of the good results of the year to the loyal assistance of the Mayor, Councillors, the Sentinel, Press and citizens generally, who all worked in harmony to promote the good interests of the town.

E. W. Mair, complying with a largely signed petition, has consented to be a candidate for mayor. Two of the old councillors, Augerton and Bell, will offer again for election for the two years' term.

MAXIMUM WAGE IN UNITED STATES.
Washington, Jan. 21.—A department of labor table published today said that if the maximum wage cut of 22 1/2 per cent for far-reaching any cotton mill were applied generally in the industry to 1920 scales, it would leave an hourly wage 2.5 times as high as prevailed in 1913 or 1.4 times as high as in 1918.

DALHOUSIE.
Dalhousie, Jan. 18.—St. John's Presbyterian Church held their annual congregational meeting on the 12th of January with D. G. Stewart in the chair. Reports were read from every department of the Church's work. The financial report was presented by the treasurer, Mr. A. B. McKinnon, who showed that the finances were in good condition with a small surplus at the end of the year. By gifts exceeding \$1,100 the congregation showed a marked generosity towards the schemes of the church and other benevolences. Of the \$3,320 subscribed to the Forward Movement and to be paid in two years, over \$2,000 has already been paid. Mr. McKinnon was given a hearty vote of thanks for his painstaking and accurate work. After the business was transacted refreshments were served and one of the most successful church years brought to a close.

Rev. J. A. McLean, who has been spending the winter with his son at the Manse, was summoned to his boyhood home in Pictou Co., N. S., because of the illness of his aged mother, now approaching her 97th year.

Mrs. Clara Allain arrived here on Monday's limited from Montreal to spend a couple of weeks in Dalhousie, the guest of her sister, Mrs. E. R. Gaudet, at the Queen Hotel.

Edwin Craig has returned to Chatham College.

The annual meeting of the Dalhousie Social Club was held in the club rooms on Thursday evening, January 13th. There was a good attendance of members. Mr. John Midgley, the retiring president, occupied the chair, and J. B. McKay acted as secretary.

The following officers were elected for the current year:—
President—Mr. Frank McEvoy
Vice-Pres.—Mayor Barberie
Treasurer—James Wallace
Secretary—J. B. McKay
Auditor—Ole McNellie

Room Committee—Dr. A. G. Ferguson, C. H. LaBillette, John Oakleaf.
Social Committee—J. B. McKay, D. A. McKee, George McKenzie.

A resolution was passed to Mr. W. H. Priest, Manager of the Dalhousie Lumber Co., expressing the appreciation of the members for the improved appearance of the Club rooms.

The members of the club also decided at their recent meeting, to inaugurate their improved rooms, by holding a grand whist party in the near future, the date to be fixed by the members of the Social Committee.

Captain Joseph Savoie died here last week in his 70th year. He was one of the Shiretown's most industrious citizens.

NATIONAL FISH DAY.

Every Canadian should be interested in the development of our natural resources. Of these our fisheries are the greatest. Each and every Canadian has a share in this great national property and indirectly draws his dividends. His interest in seeing the markets for our fish develop should be just as intense as it would be were he an actual subscriber of capital and drawing profits in actual cash.

Of all the markets offered for Canadian fish the home market is the best. That puts each one of us in a position to assist in the expansion of this outlet.

February 9 is Fisherman's Day—National Fish Day, designed to commemorate the thousands of brave fishermen who daily risk their lives to furnish us with food, and also to develop greater respect for the nutritive and economic value of fish as an item in one's diet.

Let everyone, whether in the habit of eating fish or not, give it the premier place in the National Fish Day meals. If we are to develop a broader local market, each citizen—each shareholder in the industry—must assist in the project.

C. C. BALLANTYNE,
Minister of Marine and Fisheries

season was held in the rink here on Friday evening, 14th inst. There was a good attendance of spectators and the costumes were admired. After skating supper was served at St. Mary's Hall. Several young people from Campbellton patronized the affair.

Mr. Henry Good arrived home from Milo, Maine after spending a few weeks with friends and relatives. He was also accompanied by his mother, Mrs. Edward Good, formerly of Dalhousie who will make her future home in Dalhousie.

IF YOUR CHILD IS CROSS, FEVERISH, CONSTIPATED

Look, Mother! If tongue is coated, cleanses little bowels with "California Syrup of Figs."

Mother can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again. Sick children needn't be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure. Ask your druggist for a bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups.

WHEN YOU DECIDE to purchase a diamond ring, you should patronize

A JEWELER

on whom you can absolutely rely. We invite you to come in and see our stock and to ask any of our patrons who they have ever been deceived in the quality of the jewelry we sell.

IS VERY PICTURE
OF HEALTH NOW

St. John Man Says Wife Is Like
A Different Woman Since She
Began Taking Tanlac.

TANLAC mfwy mfwy twymch
"A little more than a month ago my
wife didn't have the strength to stay
on her feet an hour at a time, but
today she can do her housework with
ease and in the very picture of health,"
said Harold Moses, 73 Erin Street,
St. John, N. B.

"I guess my wife has gone through
about as much suffering as any woman
ever did," he said. "It just looked
like she couldn't stay out of bed, she
was so weak and run down. Lots of
mornings she got up and I thought
she was feeling better, but in a little
while she would have to go back to
bed again."

"She ate very little, all she usually
took was a piece of bread and a glass
of milk. She said she never felt hun-
gry and that anything else made her
sick. She suffered dreadfully from
gas and pains in the stomach and side.
Whenever she tried to do any of the
housework it would exhaust her so
that she would have to give up."

"That's exactly the way she suffered
before she began taking Tanlac, but
today she looks like a different person
and says she is feeling better than
she has in years. Her appetite is
just fine and she can eat anything and
it never gives her a sign of trouble.
Gas has stopped forming and those
pains have all gone and she sleeps as
sound as any child I ever saw. She
is never troubled in any way whatever
and has gained so much in weight
and strength that she is now doing her
own housework." Tanlac is sold in
Campbellton by THOS. WRAN.

MATAPEDIA, QUE.
Miss Effie Adams entertained at a
most pleasant dance at her home on
last Friday evening. The guests in-
cluded: Mr. and Mrs. John Lawlor,
Mr. and Mrs. Mortimer Moore, Miss
Elizabeth Fraser, Miss Mary Gillis,
Miss Lillian Adams, Miss Louise
Adams, Miss Violet Lawlor, Miss Mac
Adams, Miss Jean Pratt, Miss Henrie-
tte Adams and Messrs. John Adams,

(St. John, N. B.), Professor J. O.
Ardenneaux (Berton).

**Cause of
Early Old Age**
The celebrated Dr. Michaelisoff,
an authority on early old age,
says that it is "caused by poisons
generated in the intestines."
When your stomach digests food
properly it is absorbed without
forming poisonous matter. Poi-
sons bring on early old age and
premature death. It is 30 drops of
"St. John's Syrup" after meals,
"make your digestion sound, to
prevent early old age."

**10 CENT "CASCARETS"
FOR LIVER AND BOWELS**
Cure Sick Headache, Constipation,
Biliousness, Sour Stomach, Bad
Breath—Candy Cathartic.

No odds how bad your liver, stomach
or bowels; how much your head aches
how miserable you are from constipa-
tion, indigestion, biliousness and stig-
mah bowels—your always get relief with
Cascarets. They immediately cleanse
and regulate the stomach, remove the
sour, fermenting food, and foul gases;
take the excess life from the liver and
carry off the constipated waste matter
and poison from the intestines and
bowels. A 10-cent box from your drug-
gist will keep your liver and bowels
clean; stomach sweet and head clear for
months. They work while you sleep.

LOCAL AND GENERAL

N. B. MEN ELECTED.

Montreal, Jan. 20.—At the 21st an-
nual meeting of the Canadian Forest
ry Association held here today, C. E.
R. Usher, of the Canadian Pacific
Railway, was re-elected president. Dan
McLachlan, of Amport (Ont.), was
elected vice president; secretary, Rob-
son Black, of Ottawa; treasurer, Miss
M. Robertson, Ottawa.
Directors included: New Brunswick:
David Champoux, Restigouche; Angus
McLean, Bathurst; W. E. Golding, St.
John.
Nova Scotia—Senator N. Curry,
Amherst; F. J. D. Barnjum, Annapolis
Royal.

NEW PARTNERSHIP.

We are pleased to note an addition
to the business interests of our town
in the person of James W. Day. Mr.
Day is associated with Mr. P. M.
Shannon in the Real Estate, Insurance
and General Brokerage business. He
has had considerable experience in
these lines and is well qualified to
render the public expert service. The
graphic extends P. M. Shannon & Co.,
all good wishes for a successful busi-
ness.

IMPORTANT

Dear Sir:—
Are you aware of the fact that the
fire loss in Canada last year was over
\$25,000,000 (twenty five million dol-
lars). A considerable portion of that
loss was not covered by insurance.
That means that many families were
turned out of a comfortable, well fur-
nished home. The accumulation of a
life-time. Procrastination is the thief
of time, and also the loss of your
home. DO IT NOW, if you have not
done it before. Call and let us pro-
tect you by a fire insurance policy.
We give good service.
P. M. SHANNON & CO.
Insurance Brokers.

LEST WE FORGET.

So often our merchants say I did
not know you could handle our order
for Counter Check books or shipping
tags or general office stationery. Why
this is the main line in our business.
Hundreds of satisfied customers have
served each year. Let us number
you among the many.

PROMPT SERVICE.

We can guarantee prompt delivery
of all orders for Counter Check Books.
If your stock is running low let us
submit samples and prices—Jan. 17 tf.

**FRANKLIN
PRINTING
PRICE LIST**

In common with thousands of other
printing offices throughout Canada
and the United States the Graphic has
adopted the Franklin Price List on all
its commercial printing projects. This
price list is the most comprehensive
and can be understood very easily, the
service being able to figure the price
on even the most intricate job. We
have had ours in use one year and
have yet to find a case when it would
not serve.

By the use of this list our custom-
ers are guaranteed the only correct
and right price.

THE BEST ON THE MARKET.
The commercial printing turned out
by the Graphic is acknowledged to be
of the nearest kind. "The quality of
paper used, the best for the money and
the price guaranteed by the Franklin
list, the same to all.

WELL RECEIVED.

The suggestion of H. B. Bailey that
the Sugarloaf be renamed Mount Mac-
Kenzie has been well received in Camp-
bellton and in fact throughout the
whole Bay Chaleur country. Many
citizens have spoken to the Graphic
and endorsed the suggestion and many
have gone further and suggested that
a road be built to the summit, and
that improvements be made at the top
and a tablet erected upon which will
be placed the names of every boy
from this district who made the sum-
mit sacrifice.

If such a road were built the top of
Mount MacKenzie would soon become
one of the most noted view points in
this province. The view of the Bay
Chaleur from its lookout is one which
will long remain in one's memory.
"The Graphic suggests that steps be
taken at once to bring the matter to a
successful issue."

IT'S COLD.

But never too cold to attend to that
order of printing. Surely you need
some nice clean office stationery.

Why Endure?

The weakening misery of piles is the
belief that operation is the only cure.
Result from the experience of Mrs. C.
Hanson, Commercial Hotel, B.C. Get
this wonderful herbal Zam-Buk to-day!
"For years I was a victim to bleeding
piles," she writes, "the burning,
smarting pain was so intense at times
that I could hardly walk. As ordinary
remedies seemed utterly ineffective I
underwent a hospital operation. I haven't
had piles now for three years."

PILES
grow again as painful as ever. Laxatives,
not poisoning and so-called "pile cures,"
did no good, but I got wonderful relief
from Zam-Buk. As I kept on the treat-
ment the piles began to disappear and I
felt a happier different woman. I used
six boxes of this soothing Zam-Buk in all,
when I was delighted to find the obnoxious
and painful disease quite gone. I haven't
had piles now for three years."

Zam-Buk
When There's
Also for chills, poisoned wounds and cold sores.

WENT TO SEEK EGGS

AND TOOK JERUSALEM

British Soldier Got City's Keys,
So Did Four Generals.

The story of the fall of Jerusalem
before General Allenby is not as pic-
turesque as the moving pictures have
portrayed it, but much more amusing
in the narrative given yesterday by
Major Vivian Gilbert, who was ma-
chine gun officers of the Sixth Divi-
sion, the first to come in touch with
the city. Major Gilbert told his tale at a
studio party given by Miss Mary Car-
lisle at 24 East Fortieth street.

"The true story has never appeared
in print," said Major Gilbert. "The
Colonel of a London regiment told me
a mess cook to get some eggs one morn-
ing the Turks withdrew from Jerusa-
lem. The cook went in the direction
given him, but he lost his way. He
soon came to the outskirts of what ap-
peared quite a large village, and the
inhabitants seemed to be coming out
to welcome him, with white flags wa-
ving before them. When they saw that
he was British they surrounded him,
in spite of his cries that he wanted
eggs—they dragged him, down the
main street, which was packed with
troops. I was with the Colonel when
the man returned to our lines,
said he:
"A tall standing on a balcony tried
to give me a bunch of keys, and sez
"The city is yours," but I sez, "I
don't want the city, I want eggs."

"When the Colonel heard the story
he went to the Brigadier who rode to
Jerusalem. The Major of the city
handed him the keys. The Brigadier
made a short speech and returned, in
the meantime the Major General com-
manding the division had been noti-
fied. He rang up and said "Stop the
Brigadier. I will myself take the sur-
render."

"Shortly after the Major-General
arrived and the Brigadier having
handed the keys back to the Mayor,
the Mayor came out again, made a
speech, surrounded the city to the
Major-General and handed over the
keys. When the Major-General re-
ported to the Commander in Chief Gen-
eral Allenby wired to say that in two
days he would himself take the sur-
render of the city, which he did. The
Mayor came out again, handed over
the keys and made a speech.

"Two weeks later the Mayor died
of pneumonia. It was feared he caught
cold standing in the open air without
a hat handing over the city to the cook,
the Brigadier, the Major-General and
to the Commander-in-Chief.

EDITORS MAIL.

Val D'Amour, N. B.,
Jan. 22, 1921.

Editor Graphic,
Campbellton, N. B.
Dear Sir:—

Although not on your subscription
list, I read the Graphic regularly and
enjoy its contents immensely. The
editorial on Lily Lake, in your last issue,
struck a vital point. This little set-
tlement has been retarded for the
want of roads. There is quite a lot
of good land adjoining Lily Lake,
especially to the south.

It may not be generally known that
the large parish of Bathurst is only
three miles to the south of Lily Lake,
yet not a vestige of a road is there to
get there. Thirteen miles is the
round-about way we have to travel to
Bathurst.

Dundee two miles to the east may
be reached by travelling ten miles by
the present route.
Now this is a great hardship. How
can the country become settled when
there are no roads to travel on? It is
next to impossible to keep our boys on
the farm if we have not good roads.
Leave the blessed country is the alterna-
tive.

Fortunately some years ago a road
was opened through to Tobique (now
Val D'Amour) the number of settlers
have about doubled since that, but we
want a road to Dundee in the very
near way. Several land owners in
that section are awaiting that happy
event to settle on their farms. This is
the missing link which would connect
the back settlements by a main road
from Gloucester to Chatham.

A STRUGGLER.

END STOMACH TROUBLE.

GASES OR DYSPEPSIA

"Pape's Diaphepsin" makes sick, sour,
gassy stomachs surely feel fine
in five minutes.

If what you just ate is souring on
your stomach or lies like a lump of
lead, or you belch gas and eructate
sour, undigested food, or have a feeling
of dizziness, heartburn, fullness, nausea,
bad taste in mouth and stomach-head-
ache, you can get relief in five minutes
by neutralizing acidity. Put an end to
such stomach distress now by getting a
large fifty-cent case of Pape's Diaphepsin
from any drug store. You realize in
five minutes how needless it is to suffer
from indigestion, dyspepsia or any stom-
ach disorder caused by food fermentation
due to excessive acid in stomach.

Graphic Ads Always Pays.

LUMBAGO

If you feel a touch of lumbago, you can ward off
the evil of recurrent attacks, by taking Gin
Pills without delay. Learn a lesson from the
experience of Mr. H. A. Jukes. After suffering with
lumbago for years, and being confined to the house
at times, Mr. Jukes began to take Gin Pills. His let-
ter to us reads, in part: "and much to my surprise,
I at once felt a change for the better. I have been
taking them at intervals, and, up to date, have had
no recurrence of my old trouble; in fact, I have
felt better for years."

Don't delay. Buy a box on our money-back-guaran-
tee, or write for a free sample. National Drug &
Chemical Co. of Canada, Limited, Toronto, Ont. U.S.
residents should address: Na-Dru-Co, Inc., 202 Main
St., Buffalo, N.Y.

NEW RICHMOND.

(Held over from last week).
New Richmond, Jan. 14.—The wea-
ther still continues mild, with more
than the average depth of snow but
not very cold or windy.

The annual election of municipal
councillors occurred on Wednesday
last. Robert Hardy, of New Rich-
mond Centre, was elected mayor in
place of Napoleon Cyr, retired. The
other councillors were all re-elected.

On the 12th instant Wilfred Cor-
mier, of Little Cascapedia, and Eliza
Gallin, of New Carlisle, were married.
Rev. Alex. McKay officiated.

On the 7th inst. at his residence at
Black Cape, the death occurred of
James Martin, in his 69th year.
At his residence at Black Cape, the
death occurred of Archibald McKee in
his 83rd year. Deceased belonged to
a fine old Ayrshire family.

At the residence of Alexander
Walsh, New Richmond, Wallace Wil-
lett, an old resident of this place, died
this week. Deceased belonged to a
family of U. E. Loyalists, his grand-
father having come from the State of
Virginia. Deceased was unmar-
ried and is survived by one sister
and one brother. Interment in St.
Jules Cemetery.

The death took place at the resi-
dence of his daughter, Mrs. LeGrand,
of New Port, Gaspe Co., Que. Of John
Thorburn aged 81 years. His father
came from Stranrose, Scotland, and
his mother from White Haven, Cum-
berland, England. Interment in St.
Andrew's Cemetery, New Richmond.
Rev. Alex. McKay officiating.

On the 11th inst. at the old resi-
dence, Grand Cascapedia, the death
took place of Anna Cavanagh, aged
about 65. Interment in St. Jules
Cemetery.

John W. Campbell, who spent a
week visiting friends and relations in
Black Cape and New Richmond, has
returned to his home in Campbellton.
The Meigs-Pulpwood Co. of New
York, is about to open up their saw
mill and roaster at Harrington Lake,
which will give employment to a num-
ber of men.

Ralston McCollm will also open his
saw mill in New Richmond. It is
thought that the winter's cut of logs can be
hailed to the railroad for shipment.
Oswald Fourn's son, who got tramped
by a horse, is much improved. The
little victim was not as badly hurt as
at first reported, as the flesh wounds
are not serious, but his leg and hand
are badly crushed. Good hopes are
entertained for his recovery. He is
14 years old, instead of 7 or 8, as first
reported.—Quebec Telegraph.

Campbellton, N. B., Jan. 27th, 1921.

MAKING PROGRESS.

The reception given the delegates of the Campbellton Board of Trade and the Municipality of Mann was the most encouraging yet. From reports of the delegates and the following letter, it will be seen that things are looking exceedingly bright for the placing in the estimates of a sum of money to make a beginning.

Ottawa, Jan. 13th, 1921.
H. R. Smith, Esq.,
Sec'y Board of Trade
Campbellton, N. B.
Dear Sir:

I beg to acknowledge receipt of your letter of the 5th instant with enclosed petition signed by the President and Secretary of your Board of Trade and in replying I wish to say, that I am referring this matter to the Minister of Public Works, so that a report may be prepared.

I wish to say that personally this petition appeals to me and if some arrangements could be made with the Provincial Government of New Brunswick and the Provincial Government of Quebec, I would be prepared on the recommendation of the Minister of Public Works, to support same. I would strongly urge that you get in touch with the Minister of Public Works for the Province of Quebec

and New Brunswick, and see if they are willing to enter into some mutual arrangements and advise me of their decision.

Yours very truly,

R. W. WIGMORE.
This matter must be followed up. We must not allow the different governments involved to switch this matter off from one to the other. A meeting of the Board of Trade will be held Friday evening when the next step will be decided upon.

THE ROAD TO GASPE.

As the member representing the Gaspé peninsula in the Legislative Council, the Hon. Mr. Carrel performed an important duty the other day by bringing to the attention of the members of the government the necessity of improving the roadway connections between Gaspé and the more westerly portions of the province. He showed

clearly the advantages, not alone to the district of Gaspé, but also to the entire province, of so improving the connections in question as to open up the roadways of Gaspé, with all their scenic grandeur, to the many thousands of automobile parties from the United States who are always on the lookout for new and interesting routes of motor travel, but who are for the most part practically cut off from this delightful section of our province because of the almost impassable condition for cars of some thirty miles of roadway of the federal road in the vicinity of Causapuel. Not only is it unfair to the large and important population of the Gaspé peninsula to be cut off from the rest of the province by a piece of road such as is no longer tolerated on any of its other main arteries, but it is particularly insistent in the interest of the whole country that improved connections should be made at the earliest possible moment with the Baie des Chaleurs roadway system, which would ensure an additional stay of many days in the province of visiting motor parties. The absence of such proper automobile connection at present means a loss to the province, and to Gaspé, in particular, of many thousands of dollars annually.

A glance at the map will easily show the great advantage of such a road as proposed, which would be a continuation of the present roadway system from Quebec along the south shore of the St. Lawrence, but continuing to Mont Joli thence branching off to the southwest and through the beautiful Matapedia valley and to the Baie des Chaleurs and Gaspé Coast and on through Campbellton and other New Brunswick points to the Atlantic, making an ideal scenic valley. It is encouraging to note that after the Legislative Council representative for Gaspé had spoken, the Hon. Mr. Tassier announced the first step to be taken by the provincial governments towards opening up this improved route by promising a survey and report for next spring. This is a good beginning. —Quebec Telegraph.

GREAT JANUARY Reduction Sale

Reductions of 1-5, 1-4, 1-3, 1-2 and Even 2-3 Off Regular Prices.

STOCK MUST BE REDUCED REGARDLESS OF COST.

The policy of this store is that goods must move. We are inaugurating something new in a sale. We have picked out a number of lines that must be disposed of; they are now marked at ridiculously low figures, but in the event of not selling at these, prices will be reduced 20 p. c. every Monday. The new prices will be marked on the tag with the old prices. Should they not sell at the final mark-down they will be given away to charity.

FERGUSON & WALLACE.

Campbellton, N. B.

particular, of many thousands of dollars annually. A glance at the map will easily show the great advantage of such a road as proposed, which would be a continuation of the present roadway system from Quebec along the south shore of the St. Lawrence, but continuing to Mont Joli thence branching off to the southwest and through the beautiful Matapedia valley and to the Baie des Chaleurs and Gaspé Coast and on through Campbellton and other New Brunswick points to the Atlantic, making an ideal scenic valley. It is encouraging to note that after the Legislative Council representative for Gaspé had spoken, the Hon. Mr. Tassier announced the first step to be taken by the provincial governments towards opening up this improved route by promising a survey and report for next spring. This is a good beginning. —Quebec Telegraph.

NOT SATISFACTORY.

Bathurst and Gloucester county residents are very outspoken in the condemnation of the government management of the Carleton railway. They are beginning to learn as did Campbellton people, that government ownership is not a cure for all branch line railway ills. If they keep overlastingly at it they might in about ten years have a fairly satisfactory service, but we doubt it and hold up as an object lesson our International railway. We must admit that the service is a trifle better than a year ago, but it is ten years behind the service given by the company.

Reaxell Catarrh Jelly for colds in the head at 35c.

WELL RECEIVED.

The suggestion of H. B. Bailey that the Sugarloaf be renamed Mount MacKenzie has been well received in Campbellton and in fact throughout the whole Bay Chaleur country. Many citizens have spoken to the Graphic and endorsed the suggestion and many have gone further and suggested that a road be built to the summit, and that improvements be made at the top and a tablet erected upon which will be placed the names of every boy from this district who made the supreme sacrifice.

If such a road were built the top of Mount MacKenzie would soon become one of the most noted view points in this province. The view of the Bay Chaleur from its lookout is one which will long remain in one's memory. The Graphic suggests that steps be taken at once to bring the matter to a successful issue.

GUESS!

"MY CANADA" "MY CANADA"
\$300 Cash Reward to any Person
Who is Nearest Right on 3 Guesses

FRANKLY, we want to draw your attention to the enormous imports of United States goods into Canada. We want you to realize what it all means to every Canadian—to Labor especially. So we will pay in Cash \$300.00 First Prize, \$100.00 Second Prize, \$50.00 Third Prize—and the next eleven prizes of \$5.00 each to any person who makes and sends into us the nearest guess to the amount of money in goods that will be imported into Canada from the United States for FEBRUARY, 1921, as will be reported in

Canada's Trade Returns for February, 1921
The figures for February, 1920, were \$80,701,248.00; for February, 1919, they were \$52,225,909.00; for February, 1918, they were \$41,135,814.00; February, 1917, were \$53,578,427.00, and for February, 1916 (before the war) they were only \$22,385,731.00. You see where we are, and what we are coming to in Canada! What will the figures be for February, 1921? Are you a good guesser? If so, win one of the prizes.

HOW TO WIN

Get two of your neighbors to give you only ONE DOLLAR each for a year's trial subscription to "MY CANADA" (regular price Two Dollars per year), and send in the money with your three guesses. Each subscriber is also allowed three guesses! Will you risk an hour of your time to win THREE HUNDRED DOLLARS? Come! "Go, GET TIP!"

"MY CANADA" will be published by the Canadian Press, Ltd., 100 King Street West, Toronto. It goes without saying that the more readers we have the better this National periodical will be. This is not only true commercially, but we feel that every additional reader means so much added moral support.

Your guess must be in by FEBRUARY 28th, 1921. As the old adage would say, obey that impulse—obey it now! Help us by this means to reinforce our convictions as to the future and the present in Canada, and of leading the way to better things for you, and yours, and us. Address your guess and send subscription to the publishers, "MY CANADA," Suites 314-5 Stair Bldg., Toronto.

EXCHANGE RATE.

American exchange was quoted Tuesday at 12 per cent. Sterling at 3.08% in New York. The 1937 victory Loan was quoted at par, and other Victory Loans were reported strong by following the lead taken by the 1937 issue.

TOLEDO BANDITS

Toledo, O., Jan. 25.—Four bandits entered the Daniel's jewelry store here today, bound the proprietor and customers hand and foot and escaped in an automobile with jewelry valued at more than \$30,000.

SEXTON—LEBLANC.

On Dec. 29th, at our Lady of Visitation Catholic Church, New Mills, Rev. Fr. De la Garde, united in marriage May Alice LeBlanc and Mr. Gordon Sexton of Maria, Que. The bride who was attended by Miss Merilda Tardy of Campbellton, wore a becoming suit of navy blue with hat to match and white furs. The groom was supported by Mr. Fred LeBlanc, brother of the bride. Mr. and Mrs. Sexton will reside in Maria, Que.

Wampole's Emulsion at Wran's.

MUST HAVE PERMITS.

The press has been asked to give a final warning to all persons having wild geese or other migratory game birds in captivity, that permits for keeping same must be taken out without further delay. Holders of permits for 1920 are also notified that it is necessary to make further application for permits for the coming year. Failure to comply with these regulations will involve prosecutions. No fees are necessary to obtain the permits which may be had from R. W. Tufts, Chief Officer under the Migratory Birds Act for the Maritime Provinces.

DOUBTFUL STORY FROM HOULTON, ME.

Doctors Refuse to Attend Cases of Child-Birth and Sickness.

HOULTON, Me., Jan. 25.—All Northern Maine is deeply stirred at the situation holding forth in Aroostook County, whereby physicians, organized into so-called "trusts," are refusing to respond to calls in the outlying sections to give their services in cases of child birth or even in cases of serious illness.

In consequence, babies are being born without the presence of a physician or nurses, neighbors and relatives meeting the situation as best they can. Particular complaint is registered against the physicians of Houlton, seven in number, who, it is charged, have bound themselves not to answer calls in maternity cases in rural homes. The physicians, it is explained, have requested that the women come or be brought to the hospitals which they can easily reach. It is stated that this is literally impossible in a large number of cases. Conditions in the outlying sections are described as worse than those in the new and crude frontier communities of the West fifty to seventy-five years ago. At least one baby has died at birth as a result of lack of expert care, it is stated.

CULLIGAN—MURDOCK.

An interesting event took place at St. Michael's cathedral, Tuesday morning, Jan. 18th, when Miss Sadie Marie Murdock, daughter of Mr. and Mrs. Jas. Murdock, formerly of Chatham, but now of Portland, Me., was united in marriage to Joseph M. Culligan of Jacquet River, the ceremony being performed by Rev. Mgr. O'Keefe, followed by nuptial mass. The wedding march was rendered by Miss Carrie Synnott, assisted by Mrs. Clara McKendry, cousins of the bride. The bride was attended by Miss Edna Shives Athol; C. Cyr, Balmoral; F. Culligan of Jacquet River, sister of the groom, and Norman Frenette of Jacquet River acted as best man. Moncton, Mr. and Mrs. E. Gaudet, Mr. and Mrs. Little, Mr. and Mrs. J. Philpott, Mr. Frank Troy, Miss Audrey Troy, Dalhousie; Miss Frances Buquesne, El Kive; Miss Nettie Blanchard, Misses Dolly and Martha Methot, Dalhousie, Messrs. Joseph and Ludwig Bernard of Balmoral, and Miss Alice Poirier, Quebec. The numerous and valuable gifts attested of the popularity of the couple. The happy couple took the Limited for Halifax. On their return they will visit the groom's home at Moncton. Mr. and Mrs. Jules Girouard will reside in Quebec and may happiness and prosperity accompany them through life's journey.

COAL PRICES DUE TO COME DOWN

Four Dollar Cut in Hard Coal Said to Be Made in March.

Montreal, Jan. 25.—About the first of March a reduction of three or four dollars a ton in the price of hard coal may be expected, according to a prominent fuel merchant this morning. The heavy freight rate and the exchange, however, will prevent anything like a drop to the old levels.

BRIGHTEN UP.
Brighten up business by using advertising space in the Graphic. The best tonic for sluggish business. Try it.

GIROUARD—POIRIER.

Dalhousie, N. B., Jan. 25.—A very pretty wedding took place at the Convent Chapel this morning when Miss Anna Poirier, daughter of Mrs. Celine Poirier of this town was united in the holy bonds of matrimony with Mr. Jules E. Girouard, son of lawyer Girouard of Moncton.

The bride was given away by her brother in law Mr. T. Synette, while Mr. A. T. LeBlanc of Campbellton supported the groom. Solemn High Mass was celebrated by Rev. Fr. C. Poirier, cousin of the bride and Parish Priest of St. Therese, with Fr. M. Lantignie and Fr. C. Cyr as Deacon and Sub-Deacon. Lovely music was rendered by Miss Nettie Blanchard, while appropriate hymns were sung by the Misses Edna Girouard of Moncton, Frances Burquesne, Alice Poirier, Emely Methot, and the Convent pupils. The ushers were Messrs. Harry McEvoy and Frank Troy.

After mass a sumptuous wedding breakfast was served by Mrs. F. Synett, sister of the bride. The guests were Rev. Fathers A. H. Hart, Dalhousie; A. Melanson, Campbellton; C. Poirier, St. Therese; M. Lantignie, Shives Athol; C. Cyr, Balmoral; F. Culligan of Jacquet River, sister of the groom, and Norman Frenette of Jacquet River acted as best man. Moncton, Mr. and Mrs. E. Gaudet, Mr. and Mrs. Little, Mr. and Mrs. J. Philpott, Mr. Frank Troy, Miss Audrey Troy, Dalhousie; Miss Frances Buquesne, El Kive; Miss Nettie Blanchard, Misses Dolly and Martha Methot, Dalhousie, Messrs. Joseph and Ludwig Bernard of Balmoral, and Miss Alice Poirier, Quebec.

The numerous and valuable gifts attested of the popularity of the couple. The happy couple took the Limited for Halifax. On their return they will visit the groom's home at Moncton. Mr. and Mrs. Jules Girouard will reside in Quebec and may happiness and prosperity accompany them through life's journey.

CANADIANS SHOULD KNOW COUNTRY

Every Traveller Should be a Missionary of its Advantages—Information Available

A knowledge of one's country should be the first essential of the patriotic citizen's education. Without this knowledge, he is neither prepared to advocate its advantages nor to defend it from derogatory criticism. Canada has much that her citizens should be proud of, but, unfortunately, this fact is not as well known as it should be by her citizens. Every Canadian should know what Canada's forests, mines, fisheries, wild life and waterways represent to the country. Many thousands go abroad every year and a very large number spend a portion of the winter season in southern climes. Each and every one of these travellers should be a missionary for Canada, spreading knowledge of its many advantages.

This information is available for the asking, the Commission of Conservation being authorized by Parliament to secure and compile information on Canada's natural resources and to advise the public of the same. The Commission has available many valuable reports, two of which, "Water powers of British Columbia," and "Forests of British Columbia," having been recently issued. They are handsome, well illustrated and contain much valuable information on that western province which it would be of advantage for the resident of eastern Canada to know. These reports may be had on request.

OBITUARY.

Mrs. Harry McMillan.
The death of Mrs. Harry McMillan took place at her home on Landsdowne St., Sunday evening about 11 o'clock after an illness extending over a considerable time.

Deceased, who was thirty-five years of age, was born at Bonaventure River, Que. She is survived by a husband and one son John Parker McMillan, four sisters, Mrs. William Gilker, Campbellton; Mrs. Austin Kerr, Bonaventure Station; Mrs. Albin Sinclair and Mrs. Wm. Sinclair, Culler's Brook and three brothers: Hiram of Fauvel, Ephraim of Culler's Brook and Frank of Montreal.

The funeral was held on Thursday afternoon. The services at the house and cemetery being performed by Rev. Mr. Bothroyd. Interment was in the rural cemetery.

The bereaved have the sincere sympathy of all.

This Is Better Than Laxatives

One NR Tablet Each Night For A Week Will Correct Your Constipation and Make Constant Dosing Unnecessary. Try It.

Poor digestion and assimilation mean a poorly nourished body and low vitality. Look elimination means constipation, indigestion, nervousness, dizziness, coated tongue, inactive liver, bilious attacks, loss of energy, nervousness, poor appetite, impurities and blood, salivary secretion, pimples, skin diseases, and often times serious illness.

Ordinary laxatives, purges and cathartics, irritate, inflame and the like—may relieve for a few hours, but real, lasting benefit can only come through use of medicine that tones up and strengthens the digestive as well as the eliminative organs.

Get a box of Nature's Remedy (NR Tablets) and take one tablet each night for a week. After a few days you will feel better. When you get straightened out and feel just right again you need not take medicine every day—an occasional NR Tablet will then keep your system in good condition and you will always feel your best. Remember, keeping well is easier and cheaper than getting well. Nature's Remedy (NR Tablets) are sold, guaranteed and recommended by your druggist.

JAMES H. MOORES, Druggist.

Nature's Remedy

Better than Pills! GET A Box For Liver Ills. 12c Box

SAVED FROM LIFELONG MISERY

And a Dangerous Operation, by Taking "FRUIT-A-LIVES"

MRS. M. J. GORSE
8228 Union St., Vancouver, B.C.
"I suffered with all the symptoms of Female Trouble, with chronic Constipation and constant headaches. I had pains low down in the back and sides of the body. I tried various remedies without relief, and then put myself under a doctor's care and he advised me to have an operation. I refused."

Then, I started taking 'Fruit-a-lives'; and from the outset, I felt better, and this medicine has completely relieved me of all my misery and suffering. My weight was only 145 pounds and now it is 168 pounds. I am free of pain and headaches and the terrible Constipation; and what saved me from misery is the splendid fruit medicine, 'Fruit-a-lives'."

MRS. M. J. GORSE.
Box a box, 6 for \$2.50, trial size 25c. At all dealers or sent postpaid by Fruit-a-lives Limited Ottawa, Ont.

Whizz a minute and walk a Mile
That's tobogganing—a swift slide down hill, and a long walk up hill.

A cold is generally like that—it comes quickly and easily, but it is a hard uphill pull to get back to normal health.

SHARP'S BALSAM
of Borehound and Anise Seed assures a rapid recovery from colds, coughs, and other bronchial and pulmonary affections. It has been the most popular and reliable cold remedy in the Maritime Provinces for the last 70 years.

35c. buys a bottle of this insurance against colds, at any drug or general store.
The Canadian Drug Co., Limited, ST. JOHN, N. B.

INSTALLATION OF OFFICERS.

The following officers were installed on Tuesday evening, Jan. 11th, 1921 in York River Rebekah Lodge No. 37, Gaspe Bay South for the coming term:

Past Noble Grand—Mrs. Jos. C. Patterson.

Noble Grand—Mrs. Eden Patterson.

Vice Grand—Mrs. Percy Patterson.

Recording Secretary—Miss Jean Annett.

Financial Secretary—Miss Mildred Boyle.

Treasurer—Mrs. Reggie Patterson.

Chaplain—Miss Minnie Young.

Warden—Mrs. George Eden.

Conductor—Miss Elsie Patterson.

R. S. N. G.—Mrs. Wm. Patterson.

R. S. N. G.—Miss Evelyn Boyle.

R. S. V. G.—Mrs. Maude Beecher-vaire.

L. S. V. G.—Miss Hazel Miller.

Inside Guardian—Miss Maria Patterson.

Outside Guardian—Mrs. Elsie Eden.

INCREASING VALUE OF WOOD PRODUCTS

Second Hand Lumber Brought More Than Original Price.

The appreciation in value of timber is shown in a recent transaction in second-hand material. Last year, at Bellevue, Ont., a wooden bridge on the Algoma Central railway was removed and replaced by a steel structure. The bridge had been built about twelve years ago, of Douglas fir. After being taken down and after twelve years use, the timber, 1,250,000 board feet, was sold for a higher price than that originally paid for it.

Newsprint, another product of the forest, that before the war sold at \$38 to \$40 per ton, is now selling at \$120. If these products are worth so much more to-day than a few years ago, what must the increased value represent in the need of precautions for the adequate protection of our forests and for proper methods of cutting?

Some conception of the magnitude of the fish egg collection operations of the Dominion Fisheries branch may be gleaned from the fact that the egg collecting station at Dauphin river, lake Winnipeg, 328,700,000 whitefish eggs were secured. These were deposited in the Dauphin River, Gull Harbour, Fort Qu'Appelle and Kenora hatcheries.

Hatching 79.63 per cent of the 26,261,400 Atlantic salmon eggs was the result secured by the Dominion fish hatcheries from the collection made in the autumn of 1919.

REPORT OF SALES COMMITTEE.

Campbellton, N. B.

Jan. 4th, 1921.

Madame President, Officers and members of The Soldiers' Memorial Hospital Aid, as convenor of the Sales Committee I beg leave to submit the following report for year 1920:

Receipts of the year are as follows:

Feb. 19—Sale of Cigars at Bonspiel \$15.30

Mar. 16—Sale of candy at Hockey Match 35.50

April 16—Easter Sale 425.80

April 24—Sale of Candy at Concert 28.00

May 24—Sale of Candy at Concert 28.00

June 1—Order filled by Com. 11.75

June 17—Sale at Mrs. Fitzmaurice's 78.00

June 17—Sale of Table Runner (order) 10.00

June 24—Sale at Circus Canteen 154.00

July 1—Sale at Hosp. Grounds 139.00

Donation Wm. Brown 5.00

Donation Mr. Ed. Sullivan 100.00

Oct. 1—Proceeds at Fair 1459.51

Nov. 6—Sale of Candy at Concert 49.20

Dec. 9—Christmas Sale 238.86

\$2802.92

Expenditures as follows:

Mar. 11—Baird & Peters 3.60

Mar. 16—Graphic 5.60

June 30—1/2 Rent Hall 7.50

June 24—W. H. Gray (Circus Canteen) 60.43

Wm. Brown 17.19

June 24—Jones & Schofield 5.23

July 1—W. H. Gray 51.04

Oct. 1—Fair Expenses 126.00

Nov. 6—Paper bags (W. H. Gray) 1.00

Dec. 9—1/2 Hall Rent 7.50

Dec. 9—Graphic 60c., Tribune 1.50

2.10

Total Amount \$287.09

Receipts \$2802.92

Expenditures 287.09

Net Receipts \$2515.88

M. GALLON, Convenor.

L. W. STEVENS

EVERY TIME YOU BREATHE

you inhale cold germs, some of which are bound to lodge in the throat and breathing passages. You cannot prevent this. You can, however, prevent their development which sets up inflammation resulting in coughs, colds, bronchitis, sore throat and laryngitis.

To avoid these troubles, keep the throat, nasal and breathing passages bathed with the medicinal and germ-destroying vapor that is released when Peps are dissolved in the mouth. This vapor mingles with the breath and reaches the remotest parts of the throat, breathing passages and lungs; destroying all germs and preventing infection.

Secure yourself by keeping a supply of Peps on hand. 50c. box. All dealers or Peps Co., Toronto.

FREE TRIAL package will be sent you upon receipt of this advertisement and 1c. stamp to cover return postage.

PEPS

OBITUARY.

Mrs. Emilie Allard

The death occurred at Carleton on Sunday the 9th of Mrs. Emilie Allard, after a short illness. She leaves to mourn her loss four daughters: Mrs. A. Portier, Cap de la Magdelaine; Mrs. James Giroux, Carleton; Mrs. Ernest Boudreau, Carleton; Mrs. Frank Bujold, St. Charles de Caplan and two sons, Dr. J. V. Allard, Chandler; and Edmond at home. All members of the family were at home for the funeral which was largely attended. Service was conducted by Rev. Father Allard, Val D'Amour, assisted by Rev. Father Chouinard, Carleton and Rev. Father Lantaigne, Athol; as deacon and sub-deacon. The pall bearers were: Messrs. L. A. Portier, Ernest Boudreau, Frank Bujold and Louis Allard.

IN MEMORIAM.

MURCHIE—In sad and loving memory of Harriet Edna Murchie who died Jan. 22nd, 1920.

We who love you sadly miss you.

As it dawns another year

In the lonely hours of thinking

Thoughts of you are always near;

Friends may think that we forget you,

When at times they see us smile,

But they little know the sorrow,

Which the smile hides all the while.

Inserted by Husband and Children.

How's This?

HALL'S CATARRH MEDICINE will show you how to cure Catarrh of the Nose, Throat, Lungs, or any other mucous membrane. It is a liquid, taken internally, and acts through the system, thus reducing the inflammation, and restoring normal conditions. All Druggists, Circulars free. F. J. Cheney & Co., Toledo, Ohio.

BETTER FEELING BETWEEN RACES

Ottawa, Jan. 16.—A graphic picture of French-Canadian literature, past and present, intertwined with a stirring appeal for closer cooperation in each and every sphere of activity, was drawn on Saturday by Monsieur Hector Garneau, chief librarian of Montreal, when he spoke at the Canadian Club luncheon.

Mr. Garneau made an eloquent appeal for still closer understanding between the English and French speaking races of the Dominion.

THERE IS ONLY ONE GENUINE ASPIRIN

Only Tablets with "Bayer Cross" are Aspirin—No others!

BAYER

If you don't see the "Bayer Cross" on the tablets, refuse them—they are not Aspirin at all.

Insist on genuine "Bayer Tablets of Aspirin" plainly stamped with the safety "Bayer Cross"—Aspirin prescribed by physicians for nineteen years and proved safe by millions for Headache, Toothache, Rheumatism, La Grippe, Colds, Neuritis, and Pain generally. Handy tin boxes of 12 tablets—also larger "Bayer" packages. Made in Canada.

Aspirin is the trade mark (registered in Canada) of Bayer Manufacturers of Monoclonalacetic Acid of Salicylic Acid.

While it is well known that Aspirin means Bayer manufacture, to assist the public against imitations, the Tablets of Bayer Company, Ltd., will be stamped with their general trade mark, the "Bayer Cross."

DANIEL McDONALD
PASSES AWAY

One of Dalhousie's Most Respected and Honored Citizens.

(Held from last week.)
Dalhousie, N. B., Jan. 19.—The community was greatly grieved today to learn of the death of Mr. Daniel McDonald which occurred at two o'clock this morning after a short illness from pneumonia. Everything which medical skill, loving hands and careful nursing could do for him was done, Mrs. Ferguson and Lunan being in almost constant attendance with Miss M. Harquail and Miss Duncan, two trained nurses assisting in the care of the patient, but all without avail.

The late Daniel McDonald who was in his 73rd year was highly respected and much esteemed. For years he was an Alderman of the town and gave good honest service. In his passing the poor have lost a true and staunch friend, as he was of a most generous disposition. Mr. McDonald was one of Dalhousie's foremost business men conducting for years a large flour and provision store. Last week while at his regular work he took a heavy cold which finally developed into pneumonia, and as stated all that loving hands, medical skill and careful nursing could do for him was done he passed peacefully away at 2 o'clock this morning.

To the bereaved widow, formerly Miss Margaret McLean of Campbellton, the heartfelt sympathy of the community is extended in the death of her honored and respected husband. The funeral was held Friday from the home of deceased at 2:30 o'clock and was one of the largest ever witnessed in Dalhousie. There were present residents from all sections of the county. The Municipal Council adjourned and the Councilors and officials attended in a body. Along the route of the cortege the stores and places of business were all closed and had the blinds drawn. The service was conducted by Rev. Mr. McLean, assisted by Rev. H. Miller of Campbellton. Seven elders of the church acted as pall-bearers. Their names were: D. G. Stewart, James Wright, Alec McDonald, Thomas McKenzie, John Dickie, James Miller and John Jamieson.

YOUNG WOMEN
• AVOID PAIN

This One Tells How She Was Benefited by Taking Lydia E. Pinkham's Vegetable Compound.

Regina, Sask.—"For two years I suffered from periodic pains and nausea so I was unable to get around. My mother had me take Lydia E. Pinkham's Vegetable Compound, and I am much better and able to go about all the time, which I could not do before. I recommend Vegetable Compound to my friends and I know they will be the same way, and you may publish my letter if it will help any one, as I hope it will."—Miss E. G. BLACKWELL, 2733 Oster Place, Regina, Sask.

If every girl who suffers as Miss Blackwell did, or from irregularities, painful periods, backache, sciatica, dragging down pains, inflammation or ulceration would only give this famous root and herb remedy a trial they would soon find relief from such suffering.

It hardly seems possible that there is a woman in this country who will continue to suffer without trying Lydia E. Pinkham's Vegetable Compound a trial after all the evidence that is continually being published, proving beyond contradiction that this grand old medicine has relieved more suffering among women than any other medicine in the world.

For special advice women are asked to write the Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of forty years experience is at your service.

JOHN T. RUNDLE
DEAD AT NEWCASTLE

Prominent Lumberman Succumbed to Attack of Pneumonia.

Newcastle, N. B., January 22.—John T. Rundle, aged 63, a prominent lumberman, died here today of pneumonia. He was for many years manager of the Miramichi Lumber Company and retired from business eight years ago. James A. Rundle, of Halifax, is a brother.

CHANDLER.

Trains have been much delayed during the past week on account of the extremely heavy storms.

Mr. Wm. Nadeau spent Sunday with his brother, Mr. Arthur Nadeau, en route for Port Daniel.

Mr. LeBlanc and Mr. A. J. Comeau spent the week-end at their homes here.

Mr. P. J. Jones paid a short visit to Chandler last week.

The skating has been very good lately and the young people are spending many enjoyable hours at this sport.

The elections caused quite a little excitement in our town. The results were: Mr. Geo. Boisvert for Mayor and Messrs. Arthur Myles, Blanchard and Vachon councillors for the company and Messrs. Babin, Beliveau and Vachon, Babin, Beliveau and McGraugh for councillors.

FORESTS SUPPORT
CREDIT IN U. S.

Public Not Appreciative of Part of Forest Products in Our Export Trade.

For the first nine months of 1919 paper, wood and manufactures of wood were exported from Canada to the United States to the value of \$163,941,802. The total value of exports of Canadian goods to that country for the same period amounted to \$270,246,970.

With our forests supplying over 44 per cent of the exports to offset our purchases, it is not hard to realize what position our exchange would be in but for the forests.

The depreciated value of our money hurts the patriotic pride as well as the pockets of all Canadians. Those who have occasion to visit the United States realize the additional cost to them in purchasing with Canadian money, but it is hard to make the general public realize that the forests of Canada are carrying a tremendous load as the chief support of our credit in the United States. Every effort should be made to protect our forests from fire and to provide efficient forestry management, to enable them to continue in perpetuity the large part they are taking in our foreign trade.

BARONETCY FOR
A BATHURST MAN

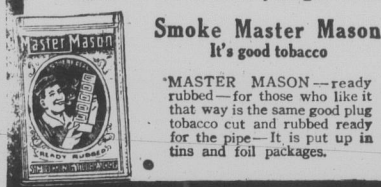

English papers of January 1st, which were received yesterday brought news of the conferring of a baronetcy upon a well known New Brunswick man. In the list of Baronets in the New Year honors is the name of J. H. Dunn, who has been honored for "public services rendered to the government during the war." Sir James Hammett Dunn, as he now is, is one of the youngest Canadians who has won prominence in financial circles in London. He is a native of Bathurst (N. B.). He is a graduate of Dalhousie Law School and studied law in the offices of the late Hon. B. P. Pearson. After completing his course he went to Calgary where he engaged in practice. A few years later, he returned east and became associated with the Greenfield firm in Montreal. About ten years ago he went to England and organized the financial house of Dunn, Fisher and Company in London. Mr. Dunn rapidly forged ahead and enjoyed intimate relations with Mr. Asquith and other distinguished Liberal leaders in the old country who placed great confidence in him. During the war acting in behalf of the British government, he secured an adequate quantity of nickel from Norway and Canada. He floated a company in England known as the British-American Nickel Company, controlled by British capital and in part by the British government.

Before leaving Canada, Mr. Dunn married Miss Gertrude Price, daughter of J. Price, lumber merchant of Quebec.

It will be remembered that Mr. Dunn built a hospital at Bathurst, which is named after him, and that he gave \$25,000 to Dalhousie University.

MASTER MASON
PLUG SMOKING TOBACCO

MASTER MASON plug smoking tobacco, scientifically blended and pressed into a solid plug handy, easy to carry and which keeps the distinctive flavor for any length of time.

Smoke Master Mason
It's good tobacco

MASTER MASON—ready rubbed—for those who like it that way is the same good plug tobacco cut and rubbed ready for the pipe—it is put up in tins and foil packages.

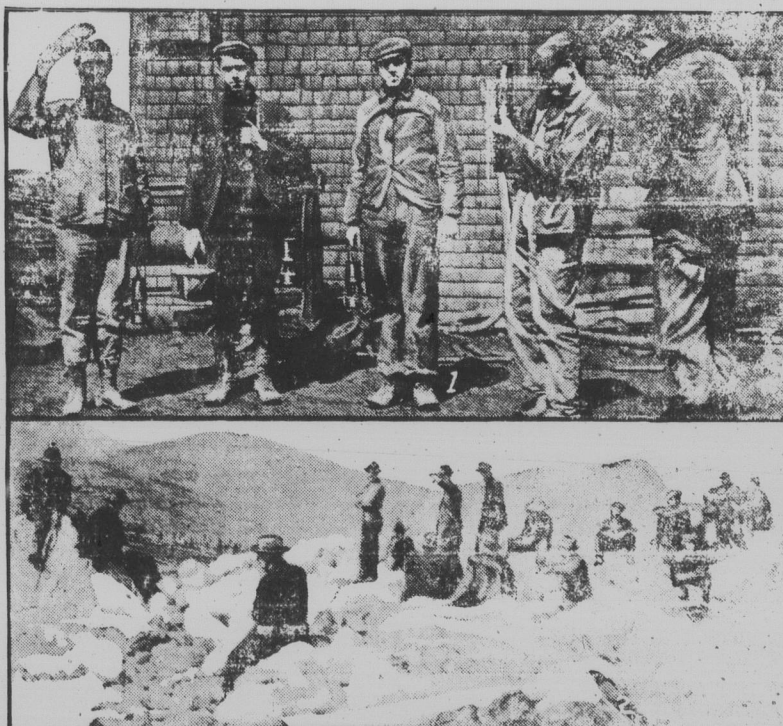

SHOULD BE PROUD.

In writing to a Campbellton friend a Sussex citizen states that Campbellton citizens should be proud of its building record of last year when other towns were showing little or no progress.

HOSPITAL TEA.

Ladies Aid Soldiers' Memorial Hospital will hold a tea and Home Cooking Sale at the home of Mrs. Alex. McLennan on Friday afternoon from 4 to 6.

The Practical Work of a Mining School.

(1) Mining students ready to go underground in a coal mine near Sydney.

(2) Students examining the great landslide at Turtle Mountain, Alberta.

Not very many years ago a great many people looked on an education at the University as unnecessary and perhaps even harmful for a young man proposing to enter business or manufacturing. The old professions of Law, Medicine and the Church were, of course, different, and demanded longer training, but fitness for success in even the greatest industrial or engineering undertakings was commonly supposed to be best gained by apprenticeship in an office or works, and the boy who left school at fourteen to run errands and sweep out the office was often lauded as having outdistanced his rich neighbor who had "wasted" four or five years in learning a lot of theory, and with it acquired habits of luxury and a sense of his own superiority to other men.

The above belief was due in part to ignorance of what college life really is, and in part to a failure to distinguish between the old and new methods of teaching. Fortunately, time has cleared away this misunderstanding and has proved to all observant people that nothing can equal a scientific education as a preparation for any branch of advanced industrial work, but it is doubtful if even now the public understands just what is done by our Universities in training young men for the Engineering Profession.

The modern method can be found in the teaching of Mining Engineering as given, for instance, at McGill. The students begin their course in October and spend seven months attending classes in Mathematics, Physics, and other fundamental subjects, and in carrying out elementary experiments in the laboratory. Then, after the spring examinations they go to a camp in the country, and do practical surveying for four weeks. This ends their obligatory work for the year, but they are urged to spend at least the main part of the vacation in Machine Shop or on Surveys or other engineering enterprises, and it is significant of the earnest spirit of the students that fully 80 per cent of this and of the same time earn good wages and thus acquire at least a fair part of the money needed to meet their next year college expenses.

The second year is similar to the first, except that the work both theoretical and practical is more advanced, and these first two years are the same for all Engineering students no matter what branch of the subject they propose to practice, but in the third year, they specialize, and the miners get a considerable part of their time to Mineralogy, Geology, etc. The practical work at the end of this year is still further specialized and is in the form of a travelling school. Sleeping cars are chartered for a month or more, a diner is engaged when necessary, and the party accompanied by a professor and a small group of competent instructors, is taken to some important mining district. About one-fifth of the time is given to practical field Geology—another fifth to visits to Ore Dressing and Metallurgical plants, and the remainder to actual visits to mines carefully selected in advance so that the widest possible experience can be gained. The students go underground, spend their time watching, and if possible working with the miners, and each day after returning to their travelling home they compare experiences and write up notes, under direction of the staff. At one end of the school proper all of the men are given opportunities for employment for the remainder of the summer in the mine visited, and thank to the broad-mindedness of our Canadian Mine Managers (many of them old McGill graduates) the students thus get invaluable experience and at the same time earn very substantial pay.

The value of this very practical summer school can only be fully appreciated when the men return to college for their fourth and final year, which is devoted to a study of the advanced technology of Mining. Matters which might otherwise be difficult to understand are quickly appreciated the interdependence of theory and practice are made clear and the students complete their course with a more mature and balanced understanding of their profession and its duties and responsibilities.
