The copy filmed here has been reproduced thanks to the generosity of:

Manuscript Division  
Public Archives of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Division des manuscrits  
Archives publiques du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

## A FEW THOUGHTS FOR THE ELECTORS OF STORMONT.

What is Samuel Ault? What has Samuel Ault done for Stormont during the last seven years he has been in Parliament?

Samuel Ault, who now seeks your suffrage, is what one of the Members called strictly a Ministerial Man, the political charlatan of the whole House, and votes with every party as long as it is in power!

Samuel Ault is Whig, Tory, or Reformer, as the party in power happens to smile upon him!

Samuel Ault is the man who supported the Reform Party and denounced John A. Macdonald and Galt while out of power, and turned round and opposed the very Reform Party the moment John A. and Galt came into power again.

Samuel Ault is the shifty politician who is everything to every one, as it suits his purpose.

Samuel Ault is the man who denounced the Intercolonial Railway and the Amalgamation of the Buffalo and Lake Huron Railway with the Grand Trunk prior to 1864, and who wheeled round and supported those measures for a paltry consideration.

Samuel Ault is the man who voted for 8 and 10 per cent. when 6 was proposed.

Samuel Ault is the man reported to be taken in at the back door of the House in Quebec to pledge himself to John A. Macdonald, and who, after pledging himself, came out and voted against John A. through the influence of George Brown and J. S. Macdonald.

Samuel Ault is the man who voted for increasing the duties on Teas, Sugars, Cottons, Molasses, and Tobacco, to the enormous extent they are at present.

Samuel Ault is the man who voted to have your watch-dogs taxed, and would vote for a tax on your cats if the party in power would ask him.

Samuel Ault is the man who voted to spend half-a-million dollars on the Ottawa Buildings, when two and a-half was already spent, out of the pockets of Upper Canadians, and allow the Lower Provinces to pay nothing.

Samuel Ault is the man who goes for every measure he is told, to the detriment of the farming and mechanical interests, to fill the pockets of a few "pets."

Samuel Ault is the man who has made a laughing-stock of Stormont in the Legislature.

Samuel Ault is the man of monosyllables, who was hoisted down on the floor of the House when he attempted to open his mouth, and who never dare let his voice be heard since in the Halls of the Assembly.

Samuel Ault is the man who has the audacity and meanness to try and hoodwink the Electors of Stormont to send him back to Parliament to be made a tool of and be laughed at.

Independent Electors of Stormont, one and all, Tory and Reformer: this pliable politician offers himself as your candidate for the House of Commons, and will not pledge himself to support the Government, so that he can have a hole to creep out of at any time.

Will you trust him? Can you trust him after what you know of his past conduct? Do you think him worthy to represent the old constituency of Stormont that has had so many men of talent on the floor of the House of Parliament of Canada.

Therefore, it remains to be seen whether you will consent to place the fate of our country in such unsafe and quibbling hands.

**AN ELECTOR.**
