# CARD OF THANKS.

To my customers and friends I return my sincere thanks for the very liberal patronage bestowed upon me since commencing business. and I shall endeavour in the future, as in the past, to sell all my Goods at me since commencing business, and I shall endeavour in the future, as in the past, to sell all my Goods at small profits, knowing by experience that my efforts in this direction have been appreciated by the public.

My aim is to give satisfaction, both in quality and price, and I shall be pleased to show my Goods at any destroyer in the world. 500 Medical men endestroyer in the world. 500 Medical men endestroyer in the world. 500 Medical men endestroyer in the world. time, whether purchasing or not.

Samples of any goods sent post free to all parts. Goods not in stock can be procured in a few days. Wishing all a Happy and Prosperous New Year, I remain, yours respectfully,

B. FAIREY.

mean! It was a long time before he did. But when the right time came, and somebody listened, then he told.' shading the lips that kept their old, 'O mother!' said he, with his eyes loving kisses for me alone. The Superintendent tried to speak, and rapped on his little table, but all in vain, until the crowd had loving kisses for me alone. shining, 'what must it have been to

The little house and garden were almost paid for, and we thought that nowhere in the world were happier people than we, or a brighter, cosier home. My husband and I were always talking of this and that to be done for Jack as soon as the last payment should be made. But before the

hurrying in and out of the trains would turn to look and smile at him, and praise to each other, speaking low, maybe, but not too low for another's quick, proud ears to hear!

"For we lived in a little house close by the station, and when I heard the whistle of his father's train, I used to snatch the boy from his cradle, or off the floor where he sat with his little playthings, and run down to the

dear! he used to cry out to me'Yon'll wreck my train for sure!
"So I had to go softly about my
work, with scarce a place sometimes to set my foot. And all the chairs in the house would be ranged for cars, the big rocker, with the tea-bell tied not unders'and the words, and then be would sit perched up by the hour together, making believe attond the valves and shouting to the fireman.
"I shall never forget the first time"

what father wants to say.

"You will think me cowardly, sir, but I did as the child bade me. I left the door ajar, and I could hear my hasband's weak voice, though I could not unders'and the words, and then my brave boy's answers, clear and low; not a break or tremble in the sweet voice. And at last Jack said, 'Is that all, dear father?' and, 'Yes was Tim Harbrook, but with wife and babes at home—let himself down from the trender and escaped. So might my Jack have done. But he crept

"I shall never forget the first time bis father took him to ride on the congular with almost a smile, and went through over to go, but his father always bade him wait till he was older. So I had said,—

"Don't tease father any more, Jack him lying on his face in the long grass him living on his face in the long grass him living on his face in the long grass him living on his face in the long grass him living to the artendance.

"Then he came out and kissed me with almost a smile, and went through the outer door. But an hour after ward, when I went out to the weil, I heard a little choking sound, and saw him lying on his face in the long grass had consisting of the artendance.

"On the sure to remember the weil, I shall be sure to remember the sure of the father always bade with almost a smile, and went through the two days are choking to remember the sure of the fat

ould, and never let him know. took my b came into his face, and he pulled himself up tall and straight, and said, debts left and very little money. It was a long time before Jack's burns were healed. The road-people quite softly, his voice frembling a was a hard thing for me, that had had dutte sorty, his voice tremoting a was a hard thing for me, that had had been kinder—and every week his grown enough now?

"Looking at him, I saw two tears think and plan how to make ends "But one evening after he had be-

in a hurry, and said he,—

""We meet the up-train at Langton,
Mary, and Will Brown will bring the
little chap back all straight, I know.
What do you say?"

"What could I say but yes? At supper time he was back again, but he round not out. His evently at the beginning. But Jack you'll be moped to death here!' be said. "You want a change. There's a big meeting of the road-folks over ut the hall to-night. I'm just on my way. Come along!"

"What sort of a meeting?" said Jack.

-that you read last Sunday.'

"And I spoke to Mr. Withers about it only yesterday," he went on, 'and nobody'll notice. Leastways, they asked, for I had quite forgotten.

"Don't you know, mother?" "The wings of the wind!"

"And I spoke to Mr. Withers about it only yesterday," he went on, 'and nobody'll notice. Leastways, they needn't!"

"With a little more coaxing, Jack begin next week, if I like. What do you say, dear mother?" "With a little more coaxing, Jack begin next week, if I like. What do you say, dear mother?" "And I spoke to Mr. Withers about

you say, dear mother?'
'O Jack!' I said 'how can I get again, and Jenny Brown came in like engine by many times, for, as he grew through the long lonesome days witholder, his father would take him often out you? And if anything should on Saturday or other half-holidays.

He was perfectly trusty and obedient. He was perfectly trusty and obedient. mother!' he said, gently, for the tears "Where? What do said, for I was frightened to be would have had his right were in my eyes again. But I would said, for I was frightened to be well as the said, so I was frightened to be said.

hand cut off sconer than have metalian hand cut of the signals all along the line, answered. 'And you to give under my chin, as succeed, and metalian hand cut of the signals all along the line, answered. 'But he said that the back gate, fairly without my will she hurried me across the square, and she hurried me across the square has crown as the square has a square has "To the meeting! Hurry or we shall be late!"
"To the meeting! Hurry or we shall be late!"
"To the meeting! Hurry or we shall be late!"
"She was tying my bonnet-strings under my chin, as she spoke, and she had the house-door locked, and me

"Trust him! Ah, yes! he had "Trust laim! Ah, yes! he had but out of hours he was always studying over books about machinery and steam. Such an odd child as he was, with thoughts far beyond his years! Sometimes, sitting here by myself, I go over in my mind the strange things he used to say to me in those days.

"I remember that one evening he struck the right chord at last, and I lifted my head and dried my tears."

"I was out of breath with nervousness and fast walking, so we sat down in a back seat. The room was fall.
The rewere a great many ladies there, and on the platform sat the Supering of the soul. 'Faith ul and true!' In tendent and several of the Directors of the soul. 'I was wonderful how he succeeded with the books and papers, and the other things he sold. There was something in him that made him a why.'

"It was not very long that he had through it all I watched my boy.

listen, because we can't know when when one of the depot-hands came listen, because we can't know when when one of the depot-hands came smiling on him, and a score of hands he might speak, or what there might running up the path calling for him. 'Mr. Harding wants you instantly, all at once-he knew!

"I rould not answer him for a choking in my throat, but I laid down my knitting and put my arm around him; and he looked up into my face with something in his eyes that I never forgot.

"We were getting on well then.

The little house and garden were al.

"Mr. Harding wants you instantly, latt once—he knew!

"O sir, I cannot tell you about it! How they carried him up to the front, though not on the platform—there he would not go—how they found me out and made me sit beside him; how says there's nobody left but you that he'll trust with the train.'

"And, at last the Superintendent."

noney was due my husband came at that. He darted one smile at me

off the floor where he sat with his little playthings, and run down to the starther end of the long depot, where the engine always halted, to get the smile and loving word that my heart lived on all day.

"Not the least bit afraid was the baby of all the whistling and clanging of bells, the groaning of the wheels and puffling of the steam. He would laugh and spring so in my arms that I could scarcely hold him, till his father would reach down sometimes and lift him up into the engineer's cab, and kiss him for one precious minute and then toss him down to me again.

"Young as he was, Jack was my stay and dashed it into a thousand pieces, and he knew no more till a horrible agony awoke him where he had fallen as enseless on the engine. "Burned and almost blind, with the flesh scalded and torp from his hands, he remembered his engine, with its open throttle, leaping on to certain destruction. He seemed to must let me speak to you to-day!"

"I fell to crying as if my heart when he called the morning papers in the cars.

"He knew how they looked and what they were doing—the men reading, smoking, talking of the elections."

'He knew how they looked and what they were doing—the men reading, smoking, talking of the elections and then toss him down to me again.

"When he grew a little older, he was never playing horse or soldiers, like the other little fellows around; it was always a railway train he was driving. All the smoothest strips out of my billets of kindling wood went ob hild tracks over the kitchen floor.

"It was a long time before Jack's

"Looking at him, I saw two tears in his pretty eyes. I think his father saw them, too, for he turned to me saw them, too, for he turned to me to my help again. "But one evening after he had became to my help again. "But one evening after he had became to my help again. "But one evening after he had became to meet, when I could not even start evenly at the beginning. But Jack you'll be moped to death here!" be

"Pshaw, man! it's evening, and

if I was to be struck dead on the engine, Jack could run her through withmother?'

You can trust me,
pushed ma through the crowd around
the hall-entrance. "I was out of breath with nervous-

days.

"I remember that one evening he had seen reading for a long time in some book that he had got out of the public library; but by and by he stopped and leaned his head on his hand, looking into the coals. All at once,—

"Mother,' said he, 'isn't it a won-derful thing that Gord could trust me."

"Well, the years went by, and he derful thing that Gord could trust me."

"Then the door opened and Jack came in with Tom. I heard somebody on the other side whisper, 'That's he!' and another and another, and a rustle him whether they wanted anything or not.

"Well, the years went by, and he derful thing that Gord could trust me."

"Well, the years went by, and he way from one heard in all my life before—no, not even when the troops derful thing that God could trust men with it?

"Well, the years went by, and he grew up—working his way from one position to another, on the road—came home from the war. The peotrusted everywhere. He was my own by the steam—the power in it I was a long time before he was so tall and their white handkerohiefs.

be James Watt, and to listen to such a secret as that?

"It was not very long that he had a day all the tunult, and trying to know of, and it is never safe to lorget to listen because my solve. He had a day of, and was doing some little things what it meant; but wherever he might turn his eyes he met a hundred others.

money was due my husband came home sick one day.

"Dul't be frightened, Mary," he sidd. 'I shall be better to morrow.'

"But he only grew worse next day.

"But he only grew worse next day.

It was a lung fever that he had, and the outgoing train and knew that my boy was trusted with a task that was too many days we thought he must die. Yet he rallied after a time,—though he kept his hacking cough,—and sat up and moved about the house, and at last thought himself strong enough to take his place again. But that was too much, for at the end of the trains, and thought, maybe, they spoiled features meant to be handsome?

"Ah, sir! that was because you did not know! Why, those red marks make him more beautiful to me now than when, a baby in my arms, with yellow curls and laughing eyes and a skin like a rose-leaf, and the people turrying in and out of the trains would-turn to look and smile at me, home sick one day.

"Du't be frightened, Mary," he said was off like a shot, drawing on his coat as he ran. In less time than I take in telling it, I heard the signal of the outgoing train and knew that my boy was trusted with a task that was too much, for at the end of the most intelligent and careful men in the service.

"They brought him back to me fit at might was too much, for at the end of the trains that was too much, for at the end of the trains starting out so late they wellow curls and laughing eyes and a skin like a rose-leaf, and the people burrying in and out of the trains would-turn to look and smile at me, home sick one day.

"But he only grew worse next day.

"But he only grew worse next day.

"But he only grew that had, and was of like a shot, drawing to his coat as he ran. In less time than I take in telling it, he and was of like a shot, drawing to his coat as he ran. In less time than I take in telling it, he and was too unton, or the theat on the signal of the outgoing train and knew that my boy was trusted with a take that was too unton, for at the end of the came of the most on the first week he that w

of my billets of kinding wood to build tracks over the kitchen floor bither and thither, crossing and recrossing each other.

'Don't move my switch, mother dear!' he used to cry out to medically what father wants to say.'

'You'll wreck my train for sure!' he said again, 'please go others coming home was 'Mother!' he said again, 'please go long away.

'He remembered that, as he hurried to his place at the front, that day, a 'You will think me cowardly, sir, but I did as the child bade me. I left had leaned from a car window, to give one more good by kiss to her father wants to say.'

Roman Catholics to obstruct the procession of Orangemen the following Wednesday. A good deal of street brawling occurred during Monday but by the efforts of the police anthorities the mob was quietly dispersed Tuesday passed peacefully. Or Tuesday passed peacefully. On Wednesday the Orangemen met at British Hall, arranged their programme and put on regalia, From a correspondent we (St. badges and customary symbols and James' Gazette) receive a very strange marched from their hall to the tory indeed, and one which, if he is rightly informed (as we have no reason to doubt), is likely to make a considerable sensation. The first scene of what promises to be the last act in a very strange drama will open confronted with the mob, the Orange to-day. The British Consul at Kertch is to meet a very serious charge, the nature of which will presently appear. For twenty years past the Sea of Az ff has been the dread of the shipping community. Vessels sent here have had not only to suffer from long delays, but from a remarkable system men were wounded, five it is supposed mortally. Their names are: of robbery. Kertch is the key of the Azoff, for every vessel has to stop there and receive free pratique at the quarantine-ground before proceeding towards the different ports. Now no vessel can get near the Azoff ports. vessel can get near the Azoff ports, and in the case of Taganroff, the

HALL'S Vegetable Sicilian

HAIR RENEWER was the first preparation perfectly adapted to cure diseases of the scalp, and the first successful restorer of faded or gray hair to its atural color, growth, and youthful beauty. It has had many imitators, but none have so fully met all the requirements needful for the proper treatment of the hair and scalp, HALL'S HAIR RENEWER has steadily grown in favor, and spread its fame and usefulness to every quarter of the globe. Its unparal-

leled success can be attributed to but one cause: the entire fulfilment of its promises. The proprietors have often been surprised at the receipt of orders from remote coun tries, where they had never made an effort for

The use for a short time of HALL'S HAIR RENEWER wonderfully improves the personal appearance. It cleanses the scalp from all impurities, cures all humors, fever, and dryness, and thus prevents baldness. It stimulates the weakened glands, and enables them to push forward a new and vigorous growth. The effects of this article are not transient, like those of alcoholic prepara-tions, but remain a long time, which makes

its use a matter of economy BUCKINGHAM'S DYE FOR THE

WHISKERS Will change the beard to a natural brown, or black, as desired. It produces a permanen color that will not wash away. Consisting of a single preparation, it is applied without PREPARED BY

In the Supreme Court

IN EQUITY. The 24th day of September, A. D., 1888. In the matter of an Award made for compensation for land damages to the heirs of John Jones, late of the

Parish of Newcastle, in the County of Northumberland, deceased. of Northumberland, deceased.

N the application of Mr. Harrison, and having had read the notice given by the Honorable the Minister of Railways and Canals in this matter, and the sum of two thousand six hundred and thirty nine dollars being the amount of the Award in this matter, together with interest thereon for six months having been paid into this Court under the provisions of the Act of the Parliament of Canada, 44 Victoria, Chapter 25, it is ordered that the notice hereto annexed marked A be published for three months in the "Union Advocate," a newspaper published in the County of Northumberland, the County in which the lands for damages to which the above Award was made lie.

By the Court.

By the Court. A. L. PALMER,

In the Supreme Court in Equity. BEFORE HIS HONOR THE JUDGE IN

In the matter of an Award made for com-pensation for land damages to the heirs of John Jones, late of the Parish of Newcastle in the County of Northumberland, deceased. Notice is hereby given that a notice in the words and form following has been delivered to the undersigned clerk of this Honorable Count IN THE SUPREME COURT IN EQUITY.

SHALL COME, GREETING:

Whereas, James Cowan, of the Town of Galt. in the Province of Ontario, William Compton. of the City of Halitax, Province of Nova Scotia, the Honorable Isaac Buchanan, of the City of Hamilton, in the said Province of Contario, and Joseph Simard, of the City of Montreal, in the Province of Quebec, all of the Dominion of Canada, have been duly appointed Official Arbitrators for Canada under and by virtue of the Statutes of Canada, Act 3ist Victoria. Chapter twelfth, to arbitrate and appraise, determine, and award on all disputed claims referred to the said Arbitrators. or any one or more of them, by the Minister of Public Works of Canada, by virtue of the said Act.

And whereas by amendments of the Statutes of Canada, the powers and duties of the said Arbitrators are extended to all claims preferred against the Government of Canada not included within the provisions of the Act firstly above named.

And whereas James Jones, of the Parish of Newcastle, Province of New Brunswick and Dominion of Canada, hath on behalf of himself and the other heirs of the estate of the late John Jones of the Parish of Newcastle aforesaid, preferred a claim against the Government of Canada for the sum of two thousand eight hundred dollars \$2,500.00 being—

1st. For land taken and used for ballasting SHALL COME, GREETING:-

J. H. PHINNEY.

two thousand eight hundred doilars \$2,500.00 being—

1st. For land taken and used for ballasting of the road bed of the Intercolonial Railway, 2nd. For damage to their saw and grist mills by the diversion of a portion of the waters of the Cruden Brook (so called) to the tank at the round house, and to the tank North of the Newcastle Station, the said water being so diverted for the uses of the Intercolonial Railway.

3rd. For damage caused to the cove and boom at claimant's saw mill, by the filling thereof of debris carried into them through the ditches and culvert constructed along and under the Intercolonial Railway.

And whereas the Minister of Railways and Causls of Canada being the head of the Department with respect to which the said claim has arisen, has been unable to effect an amicable settlement with the said John Jones heirs, the claimant, and hath referred the said claim to the said Official Arbitrators above named for their investigation and award,

Now therefore, we the said James Cowan, William Compton and Joseph Simard, having taken upon ourselves the charge of the said arbitration, appraisement, determination and award, and having heard and considered the allegations and evidences of the said arbitration, appraisement, determination and award, and having heard and considered the allegations and evidences of the said John Jones be paid for and in full and final settlement of said claim for their past, present and future damages, the sum of two thousand six hundred dollars, with interest from the date of this award,

And we de further adjudge that the costs to be paid by the Government.

In witness we have hereunto set our hands at Montreal in the Province of Quebec this twenty seventh day of June, A. D., one thousand eight hundred and eighty three.

(Signed,)

JAMES COWAN WM. COMPTON J. SIMARD. To T. Carleton A.len, Esquire, Clerk in Equity, the heirs of John Jones, late of the Parish of Newcastle, in the County of Northumberland, deceased, James Robinson, and their Executors, Administrators and Assigns, and all others whom it may or shall concern:

(Signed,)

The above is a copy of the award made by the Dominion arbitrators in the above matter, and the amount of the said award, namely: Two thousand six hundred and thirty nine dollars, with the interest thereon for six months, is herewith paid into this Honorable Court under the provisions of the above named Act of the Parliament of Canada. Dated September 25th, A. D., 1888. L. R. HARRISON

Agent and Attorney for the Honorable the Minister of Railways and Canals. Minister of Railways and Canals.

And that the title of the Crown, that is the Award. is under the said Act of the Parliament of Canada 44 Vic., Chap. 25.

You the above named heirs of the late John Jones, James Robinson or your Executors. Administrators and Assigns, and all other persons entitled to the lands for damage to which the above award is made, or any part thereof, or representing or being the husban is of any party so entitled or claiming to hold or represent encumbrances thereon or interest thereon, are hereby notified to file your dains to the said or any part thereof in the office of the Clerk of this Honorable Court. on or before the eighth day of January, A. D., 1884.

And take notice that the said claims will be adjudged upon at the next January sitting of this Honorable Court at Saint John.

> T. CARLETON ALLEN. Clerk in Equity. Oct, 8, 3m.

CARTER MEDICINE CO.

Internally and Externally.

SCROFULA

and all scrofulous diseases, Sores, Erysipe-las, Eczema, Blotches, Ringworm, Tu-mors, Carbuncles, Boils, and Eruptions of the Skin, are the direct result of an

To cure these diseases the blood must be urified, and restored to a healthy and na-

purified, and restored to a healthy and na-tural condition. AYER'S SARSAPARILLA has for over forty years been recognized by emi-nent medical authorities as the most pow-erful blood purifier in existence. It frees the system from all foul humors, enriches and strengthens the blood recognitions.

and strengthens the blood, removes all traces of mercurial treatment, and proves itself a complete master of all scrofulous diseases.

A Recent Cure of Scrofulous Sores.

A Recent Cure of Scrofulous Sores.

"Some months ago I was troubled with scrofulous sores (ulcers) on my legs. The limbs were badly swollen and inflamed, and the sores discharged large quantities of offensive matter. Every remedy I tried failed, until I used AYER'S SARSAPARILLA, of which I have now taken three bottles, with the result that the sores are healed, and my general health greatly improved. I feel very grateful for the good your medicine has done me.

Yours respectfully, Mrs. Ann O'BRIAN."
148 Sullivan St., New York, June 24, 1882.

All persons interested are invited to call on Mrs. O'Brian; also upon the Rev.Z. P. Wilds of '8 East 54th Street, New York City, who will take pleasure in testifying to the wonderful efficacy of Ayer's Sarsaparilla, not only in the cure of this lady, but in his own case and many others within his knowledge.

The well-known writer on the Boston Herald, 3. W. BALL, of Rochester, N.H., writes, June

Ayer's Sarsaparilla

stimulates and regulates the action of the digestive and assimilative organs, renews and strengthens the vital forces, and speedily cures Rheumatism, Neuralgia, Rheuma-tic Gout, Catarrh, General Debility, and

ened vitality.

It is incomparably the cheapest blood medicine, on account of its concentrated strength, and great power over disease.

# Miscellaneous.

(Continued from first page.) the man whose faithful courage had "Then a beautiful lady, all in soft,

'The little thing let go her mother's hand as she came near, looking up with shy blue eyes, and in her small fingers was a purse of gold. You could see the great coins shining through the silk netting. She held it ip to him, and all the room was still as death. I heard one great sob rise in my boy's throat, and then he lifted the child in his arms, and stood up, TAKEN INTERNALLY it cures Dysentery, Cholera, Diarhoza. Cramp and pain in the Stomach, Bowel

'No, darling!' he said in a low, tender Complaint, Painter's Colic, Liver Complaint, Dyspepsia or Indigestion, Sudden Colds, Sore Throat, Coughs, &c.

Then he kissed her and litted one long curl from her neck. 'This is the only gold I want!' he

USED EXTERNALLY it cures
Boils, Felons; Bruises, Cuts, Burns,
Scalds, Old Sores and Sprains, Swellings of the Joints, Tootbache, Pain in
the Face, Neuralgia and Rheumatism,
Chapped Hands, Frost-citten Feet, with a question in his eyes.

The PAIN-KILLER is sold edicine Dealers throughout the Price 25c. and 50c. per "He would not take the money-

the Superintendent said.

"I'll tell you then sir!" said Jack, Cold, is usually the result of irregularity of temperature in two parts of the said said.

ead in the red marks, 'Faithful and of blood to a part from one direc true!' and I would not have them tion faster than it is carried off by changed for the coat of arms of any the chilled blood vessels in the other king on any throne? - Youth's Com-direction, and this produces results

heria, this winter, who might have been aved by a single bottle of Johnson's Anodyne any organ already weak. Liniment. It is a sure preventive of diph-theria and will cure nine cases out of ten. No family should be without it a day.

year for marriage. "Having suffered severely for some years with Eczema, and having failed to find relief from other remedies, I have made use, during the past three months, of AYER'S SARSAPARILLA, which has effected a complete cure. I consider it a magnificent remedy for all blood diseases."

"What are these cups for?" asked a well-dressed man of a jeweler. pointing to some elegant silver cups on the show case. "These are race cups, to be given as prizes to the best racer." "If that's so, suppose you and I race for one," and the stranger, with the cup in hand, started, the jeweler of the stimulant had been omitted. after him. The stranger won the cup.

Health is impossible when the blood is impure, thick and sluggish, or when it is thin and impoverished. Under such constitution organization. When struck with a constant of chillings 15 to 20 draws of chillings. ditions, boils, pimples, headache, neuralgia, rheumatism, and one disease after another a tumbler of water, will often start a and it will make the blood pure, rich, warm uniform circulation all through the MONEY! and it will make and vitalizing.

> In a prayer meeting in Westfield, Mass., a brother arose and said: "I want to hear sung that beautiful' hymn, 'Split Doors.' A ripple of laughter was suppressed by a sister who struck up "Gates Ajar." "That's it! that's ft!" the brother shouted as he sat down to enjoy the melody. as he sat down to enjoy the melcdy.

For toothache, Burns, Cuts and Rheu. natism, use PERRY DAYIS' PAIN KILLER. adv. in other column.

'De you know,' said Spicer, to the 'old prevent after chilling of the feet, or "De you know,' said Spicer, to the 'old man as they passed a store where the employees of a glass company were busy, 'Why that company is like an obstinate hen?' The O. M. said he did not know unless because they had to coratch around to their work. 'No, said Spicer, 'it is because they take great panes to set.'—Boston Bullstin.

"Bullstin."

"Prevent after chilling of the feet, or any other part. After the feet heating, wipe dry quickly and cover them warmly.

The best remedy we have found for a recent cold is a moderate movement of the bowels with castor oil, or caustic or other mild cethoric.

Blectricity.—Of all the known Electro-Galvanic appliances at the present day it is now conceded by the Medical Fraternity and Electricians generally, that the American Galvanic Co's Howard Shields are the best, possessing intrinsic Electrical merits, as one shield or appliance can be fitted to any part of the body, which is not true of any other. See advertisement in another column of this paper.—Electric Gazette. tf.

Blectricity.—Of all the known Electro-Galvanic appliances at the present dail, drawn from the blood to the alimentary canal, and thus reduces the pressure upon any one congested point, just as drawing off part of the batter from a flooded pond relieves pressure upon a weakened dam or embankment. This is to be followed by keeping the body warm and comfortable, and toning it up with good food or a sivente tonic. with good food, or a simple tonic

When a young men says that his girl is worth her weight in gold he, assuming her weight to be 130 peunes, only makes her out to be worth \$30,000, and generally three years ago, heard of a physician three years ago, heard of a physician it is allowed never

For Cramps, pain in the Stomach, Bowel Complaint or Chills use Perry Davis' Pain there were many patients in the Killer. See advertisement in another United States Army dying with that

An Arkansas nurse who was in a hurry to meet her lover, the other night, frighten-ed her charge, a 3-year-old boy, to death by threatening to call in a ferocious bull-dog if the child did not go to sleep. Do you know there are strange people plied the venerable physician, "it's in our community? We say strange be-

body, as this quickly enters the

whole blood and is stimulating.

Soaking the feet in warm water,

gradually adding warmer water as

ong as it can be borne, draws off the

blood from all the rest of the body,

and often relieves congestion in any

local part. Smart friction upon any

part or the whole of the skin surface,

or caustic or other mild cathartic

magnesia. This produces a flow of

nerves and complexion. "Then a beautiful lady, all in soft, rustling silk, came up the aisle, leading the lovelies tchild I ever saw, with a great glory of golden hair around ther head like the picture of an angel. I felt Jack start, for it was that very child whose tace had come to him in that awful moment on the flying engine.

The Beaver Lumber Company of Yamachiche, Que., just failed, owe \$10.000 dividence and among some two hundred creditors—about the biggest list of creditors heard of lately. Of the above amount \$30 000 is in the shape of privileged claims. They show nominal assets of \$63,000, and offer twenty-five cents, but no settlement has set been arrived at, a committee having been appointed to investigate.

A DISCOUNT CLERK SHORT.—A short time since Mr. John Henessy, discount clerk of La Banque du Peuple, informed Mr. Trottier, the cashier, that he could not balance his books and could rot account for the deficiency. An investigation disclosed a deficit of \$14.800, which it is understood, habeen made good by a relative. Mr. Henessy has been in the bank for a long time, and bears a good reputation.—Montreal Gazette

holding her, straight and tall.
"But he did not take the purse ST. ANDREWS, DEC. 19 -Four men, Alex ST. ANDREWS, DEC. 19—Four men, Alex. Pollins, Percy Truesdale, Stymest McFariane and William Wilson, the first three young men, and Wilson a married man, having a large family, and all belonging here, left Robbinston last night at 930 o'clock for St. Andrews. Not having reached here at noon, to-day, it is feared the whole party have been drowned. The sails and oars of the boat were found on the beach at Joe's Point.

said, and looked at the child's mother "The lady nodded, and my boy took a little pair of scissors from his vest-pocket and cut the curl off gently,

and put it carefully away.

"And, sir, if they had cheered before, what was it now? The arched ceiling rang, the gas-jets flared and flickered, and the very pendants on the shandeliers clashed together.
