Soldiers Mitts For Trenches

We have just the thing for the boys in cold wet trenches of Flanders.
A good strong waterproof leather, wool lined mitt, with trigger finger for rifle, and good high knit wool wrist.
A description of mitt needed in trenches has been forwarded to us by one of our firm in trenches and we have had it made especially.

Price \$1.25
Send your boy or friend a pair, he will appreciate it.

FERGUSON'S

RESTIGOUCHE AGAIN LEADS IN RECRUITING

Third Consecutive Week We Have Been at the Top—Quiet Now.

Restigouche again last week led the province in the number of recruits obtained, a total of 63 having been signed on in this county. Of these Campbellton had 41 and Dalhousie 22.

This is the third consecutive week that we have led and other counties are beginning to look our way for recruiting tips.

During these three weeks not a public recruiting meeting has been held and apart from personal appeals, no public addresses have been made.

Considering the fact that ever since recruiting began in the summer of 1914, Restigouche has been sending a steady stream of recruits to the colors, it is remarkable and the question is asked, where do all the men come from so freely? Restigouche has itself supplied nearly a battalion.

The St. John Telegraph has this to say of our county:

"This county of Restigouche has 'got the habit' and again for the third consecutive week leads the province in recruiting with 63 men. She is followed closely by the city of St. John with 59 men to its credit and it is no mean honor that Restigouche county deserves for her showing."

With the recurrence of this leadership in the weeks to come, Restigouche county will surely come to be looked upon as a county where British blood is reddest, where it flows strongest, where sons are born from the adamantine quarry of British traditions and British valor.

Northumberland county takes third place with 33 men, while Gloucester county is fourth with 32 recruits. Recruiting officers are of the opinion generally that the present week will show a larger total than the week here reported. It is in the present week that the New Year resolutions of the sons of New Brunswick are expected to be most strongly reflected.

This week has been considered slow here as only thirteen men have been enrolled, while two more are before the doctor.

The total strength of A. Company now quartered here is 268, while at Dalhousie there are 61, making a total of 329.

The names of the men signed on since our last issue are:
Mosey Beville, Gloucester, N. B.
A. M. Hamilton, Eel River Crossing, N. B.
G. R. Hovey, Campbellton, N. B.
E. S. Wilson, Petricodiac, N. B.
P. Michaud, St. Anne, Quebec, Que.
Rupert Ayotte, Shives Athol, N. B.
S. M. Dawson, Campbellton, N. B.
Finley F. Mann, Campbellton, N. B.
Alex. Ferriault, Ledges, N. B.
O. W. Kaak, Campbellton, N. B.
F. Furlotte, Sunny Side, N. B.
Tim Rily, St. Davis, Ireland.
John Joseph Crowley, Campbellton, N. B.

J. A. Firth, Flatlands, N. B.
John B. Jerome, Maria, Que.
Theodore Levesque, St. Alexis, Que.
The barracks, being prepared are about ready, and the Company expects to be comfortably installed early next week.

Restigouche is one of the smallest counties in this province, but the "men of the north" are always ready to do their "bit", whether it is fighting or contributory of the substance to ameliorate the sufferings of their fellow men.

Young men, enlist today. Your king and country need you now.

MORE SURVIVORS FROM S. S. PERSIA

Fifth Boat Reported at Malta—Terrible Tale of Disaster Told by Survivors

(Special to the Graphic), London, Jan. 6.—The fifth boat with survivors from the S. S. Persia has arrived at Malta.

The survivors of the British steamer Persia, which was torpedoed in the Mediterranean last Thursday, reached Alexandria, Egypt, all bearing traces of shock and hardship. Most of them had badly bruised and bandaged limbs. One woman is in a hospital with a broken leg.

The tragedy was enacted so rapidly that the survivors say they hardly realized what happened; consequently they had little to tell.

NEW TRAIN SERVICE FOR CAMPBELLTON

Suburban Train to Leave Bathurst Each Morning, Returning in Evening

Campbellton is to have an improved train service, or at least it is said so, although railway officials refused to confirm or deny it, other than to say that a time sheet for the proposed service had been made out and forwarded to Moncton.

The new service will do away with the mixed trains, No. 39 and 40, and instead an accommodation train will leave Bathurst each morning about 8.30, arriving here about 11.15.

This train will leave for Bathurst some time during the evening, probably after the arrival of the Local or Limited, and will make the run to Bathurst in about two and a half hours.

It is said that the new train will go on about Monday, Jan. 17th. We sincerely hope so.

For years Campbellton has been endeavoring to convince the railway officials that it was time for a change.

The present service was anything but satisfactory. With the proposed service people desiring to do business at either Dalhousie or Campbellton, will be reasonably sure of arriving at their destination the day they start and get home again, whereas now it is very uncertain.

This will mean more business for Campbellton.

RESTIGOUCHE STALWARTS ON THE FIRING LINE.—Boswell and Ross Malcolm, aged 19 and 21, sons of Mr Thomas Malcolm, railway contractor of New Brunswick, who are with the Canadian forces at the front. The former is 6 feet 5 inches in height and the latter 6 feet 1 1/2 inches.

NO OCEAN LIMITED ON SUNDAYS NOW

Change of Time Goes Into Effect Sunday, Jan. 9.—Maritime Daily

On Sunday, January 9th, the Maritime Express will run daily between Halifax and Montreal, leaving Halifax at 3.00 p. m. Connection will be made at Moncton to and from St. John daily. The Ocean Limited will not leave Halifax Sunday, January 9th, but will leave on its present schedule time 8.00 a. m. daily except Sunday thereafter.

Its continuance during the winter months will be pleasing news to thousands of travellers to whom the "Ocean appeals as an express train of excellence in service and comfort in travel."

From Montreal the Maritime Express will leave on its present schedule, 8.15 a. m. daily and the Ocean Limited, 7.25 p. m. daily except Saturdays.—2 w.

A QUIET WEEK

This has been an exceedingly quiet week in police court circles, not even an arrest for drunkenness.

RUSSIAN VICTORIES IN EAST ARE REPORTED

Are Forcing Enemy Back and Armies Apart.—German Steamer Captured

(Special to Graphic)
London, Jan. 6.—The Russians are slowly forcing Teuton armies apart on the Galician frontier.

The Russians have pierced the enemy's position in vicinity of Czernowitch, compelling them to fall back to their second line and assume defensive. The enemy's losses were enormous.

SUSPECTED OF FIRING SACRED HEART COLLEGE

Moncton Transcript, Tuesday: According to passengers, who came down from the North Shore this afternoon, two men have been arrested at Carleton Place, charged with setting fire to the Sacred Heart College, which was burned there a few days ago.

One of the men, it is said, was seen coming out of a barn connected with the college shortly before the fire broke out. He and another were placed under arrest. The matter is being further investigated.

OTHER DONATIONS

The secretary of the Patriotic Fund has a letter from Flat Lands enclosing \$46.60, the proceeds of a concert held there recently. \$25.00 of this amount is donated to the Patriotic Fund and the balance to the Belgian Relief Fund.

WOULD MAKE FINE CONVALESCENT HOME

Inch Arran Hotel at Dalhousie Would be Ideal Spot For Purpose

The Graphic learns that an effort is being made to induce the Dominion government to lease or purchase the Inch Arran Hotel at Dalhousie and use it as a convalescent hospital for wounded soldiers.

This hotel has about two hundred and fifty rooms, and as it has been open during the past seven or eight seasons, is practically ready for immediate occupation, being well furnished and in good repair.

The grounds are spacious and the bathing beach one of the best in Canada.

Mr. J. B. Dean, the present owner would accept any reasonable offer for the property.

If a convalescent hospital is needed no better location could be found in the Maritime provinces.

When a man, instead of possessing gold, is possessed by it, it is in a desperate condition.—Rev. J. Ossian Davis.

NARROW ESCAPE FROM INSTANT DEATH

Levi Adams of Flatlands Struck by the Limited Wednesday Noon

Levi Adams of Flatlands was struck by the Limited Wednesday morning, while walking on the track about a half mile this side of Flatlands, and quite seriously injured.

That he escaped instant death is little short of a miracle. The Limited, which was late, was travelling at a lively rate when a man was seen walking on the track, but expecting him to step off, not much notice was paid to him.

It was not until the engine was almost up to him that the Engineer, Mr. John Gilker, became alarmed and the airbrake was put on, but the unfortunate man was struck and thrown quite a distance into the snow.

Train hands tenderly picked him up and rendered first aid, and he was brought to the Hotel Dieu Hospital.

Here it was found that he had an arm broken, his head severely bruised and his back injured. While his injuries are severe, it is expected he will recover unless complications arise.

CHANGES IN 26th.

The 26th have now a full complement of officers, as some have joined from other units, among them being Lieut. Ward to A Company and Lieut. Reid and Capt. Bury to C Company, and Major Bates of the Calgary Light Horse, takes command of No. 7 Platoon in B Company. Captain Dawson is acting in command of D Company, and Lieut. Ferguson has Charge of the Machine Gun section. Lieut. Legere is now Bombing Officer, and Lieut. Knowlton acting Assistant Adjutant.

Lieut. Leonard has rejoined, after serving for some weeks with the 6th Brigade Mining section. Lieuts. Sturdee and Legere left on 20th December for France, for a week's course at the advanced Bombing School.

During Col. McAvity's absence for a few days, Major Pelyea was in command of the regiment.

The work of keeping the barbed wire entanglements in order is increasing and must be looked after every night, meaning many torn uniforms. Now all men are trained in wire work before leaving England.

F. W. WALLACE RE-ELECTED MAYOR OF SUSSEX

The civic elections at Sussex, Tuesday, resulted in the re-election of Mayor F. W. Wallace, and the following council board: Messrs. W. H. Culbert, Wesley Weyman, Seth Jones, M. Garfield White, J. A. Conrad, Hazen Adair and W. H. Upham. They are all new men with the exception of Mayor Wallace and Alderman Upham.

NEW NUMBERS FOR TRAINS

On and after the change of time, which is to take effect shortly, the Ocean Limited between Montreal and Halifax will be designated as Nos. 1 and 2, instead of Nos. 199 and 200 as formerly. The Maritime Express between Montreal and Halifax, which has for a great many years been designated as Nos. 33 and 34, will in future be known as Nos. 3 and 4. The North Shore accommodation, hitherto Nos. 35 and 36, will become Nos. 25 and 26, the latter number now being borne by the Buctouche local which runs from Buctouche Jct. to Moncton over the I. C. R. double tracks. There are some minor changes in the numbers of other trains.

LOCAL OPPOSITION PARTY CONVENTION

Will be Held at St. John Next Monday and Tuesday, Jan. 10th and 11th.

A convention of those opposed to the local government of New Brunswick will be held Monday and Tuesday, January 10th and 11th, 1916, at 101-107 Germain street, St. John.

A representative delegation from every county is desired because the time has arrived when, in spite of the earnest attention demanded by the whole empire in the war and its problems, our provincial affairs must have the consideration of thinking men, and the discussion and preparation of policies best calculated to advance the interests and promote the prosperity of our province must be the first business of the convention.

Resolutions touching upon many questions of importance have been considered and prepared by our executive committee and will be submitted for approval.

The convention will open Monday evening, January 10, at 8 o'clock. Tickets in I. C. R. and C. P. R. railways? one first-class fare on standard certificate plan.

Now AS A MOTHER

don't you have the good of your family at heart? Don't you want to get for your family the very best? For internal ailments—the best medicine? For sores and skin diseases—the best ointment? If so, get Zam-Buk. Mothers who have used Zam-Buk say there is nothing to equal its soothing, healing power in cases of skin diseases and injuries, and nothing so suitable for sensitive skins.

This is because Zam-Buk is composed entirely of medicinal herbs, essences and extracts, and is free from the poisonous coloring matter and harsh minerals found in ordinary ointments.

Children, having once used Zam-Buk, will cry for it when they meet with an accident. They know how quickly it stops the pain, and heals.

Use it for burns, cuts, bruises, skin injuries, piles, eczema, blood-poison, ulcers, chapped hands and cold sores. 50c box, all druggists, or Zam-Buk Co., Toronto.

GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD
Delicious "Fruit Laxative" can't harm tender little stomach, liver and bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act natural, or is feverish, stomach sour, breath bad; has sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.

CARAQUET COLLEGE DESTROYED BY FIRE

Fine Educational Institution Prey to Flames Early Friday Morning

Caraquet was visited by one of the greatest calamities in its history last Friday morning, when fire broke out in the top story of the Sacred Heart College, and in a few hours laid the splendid building in ruins. The cause of the conflagration is inexplicable. No one is known to have been in the part where the fire was first discovered for some time, and as the building is heated by a hot water system and hard coal is used as fuel, no sparks could have been blamed for the start of the fire. It was first discovered shortly before two o'clock a. m., when the crackling of the flames awoke the sleeping occupants, and in a very few minutes afterwards the dense smoke had so filled the whole building that the professors and the men who assisted them to turn the local water system on to the flames, were driven from their posts, and the pride of the Acadian people of the North Shore was doomed to destruction.

So rapid was the advance of the flames and the overpowering effect of the smoke, that it was impossible to save any of the contents of the building, the priests, sisters and pupils who had remained during the Christmas vacation, reaching safety with only the clothing which they had hastily donned. Calamitous as the fire was, it is most fortunate that it occurred while all but five of the two hundred students were absent at their homes for the Christmas vacation, as it is certain that serious loss of life might have resulted if all had been sleeping in the building when the fire was discovered.

The Caraquet College was one of the largest and most completely equipped of its kind in Canada.

The buildings composing the College cost between \$200,000 and \$300,000.

REPORT OF COMMISSIONER CHANDLER ON VENIOT CHARGES

(Continued from last week)
Mr. A. J. H. Stewart in his statement before me said that he had used the name of Edward Jennings in making out accounts for materials supplied with his consent. According to Mr. Stewart's statement, the sum of \$150.00 was due to him for lumber which he had supplied in 1909. He says that at this time the roads were bad and money was required, and he authorized the commissioners to use the road money in digging ditches and filling up holes. He sent them lumber, hemlock deals, amounting to 9,400 feet, from his mill, and this lumber was used for making culverts between Janeville and Grand Anse. He charged \$14.00 a thousand for this lumber.

When the Dempsey bridge was repaired in 1910 he put in a bill for \$131.00 in the name of Edward Jennings for stone and lumber, in order to get his pay for the lumber which he had previously supplied. The cheque was issued to Jennings and he endorsed it and Mr. Stewart got the money.

The second item in the voucher mentioned above is \$22.50 for five stringers twenty feet long, 10x12, at \$4.50. These particular stringers were brought from the Chamberlain bridge, where they had been left when the work was finished to the Dempsey bridge. They were of course not furnished by Edward Jennings and had apparently been included in the work done on the Chamberlain bridge. In Valentine Robichaud's returns as the Chamberlain bridge this same item of \$22.50 appears in a voucher made out in the name of Edward Jennings for five pieces of timber at \$4.50. According to Valentine Robichaud, Edward Jennings was paid for the timber supplied to the Chamberlain bridge, and why Mr. Stewart should have included this item of \$22.50 in the wholly imaginary account which he put in in the name of Edward Jennings in connection with the Dempsey bridge is more than I can understand or explain.

"FRUIT-A-TIVES" THE MARVELLOUS FRUIT MEDICINE

Has Relieved More Cases of Stomach, Liver, Blood, Kidney and Skin Trouble Than Any Other Medicine

THOUSANDS OWE THEIR GOOD HEALTH TO IT

Made From The Juices of Apples, Oranges, Figs and Prunes Combined With Tonics and Antiseptics.

"Fruit-a-tives" means health. In years to come, people will look back to the discovery of "Fruit-a-tives" and wonder how they ever managed to get along without these wonderful tablets, made from fruit juices.

"FRUIT-A-TIVES" is excellent for Indigestion, Dyspepsia and Sour Stomach. "Fruit-a-tives" is the only certain remedy that will correct chronic Constipation and Liver trouble.

"Fruit-a-tives" is the greatest Kidney Remedy in the world and many people have testified to its value in severe cases of Rheumatism, Sciatica, Lumbago, Pain in the Back, Impure Blood, Headaches, Neuralgia, Pimples, Blisters and other Skin Troubles.

"FRUIT-A-TIVES" has been one of the great successes of the century and the sales are enormous, both in Canada and the United States. 50c. a box, 6 for \$2.50, trial size 25c. At all dealers, or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.

and insurance was carried only to the extent of about one-quarter of this amount, so that the net loss is so severe as to practically cripple the students in their work for some years.

Quite a number of Campbellton boys attended this college.

Henri Bourassa is scarcely the stuff out of which is made either the martyr or the hero. To himself he may be the one, and to some of his Nationalist admirers he may be the other, but in the part he is playing in the national life of Canada he has neither the outlook of a statesman nor the unselfish devotion of a patriot.

DR. SQUIRES BOOK BEING WELL RECEIVED

First Edition Nearly Exhausted. Rev. Mr. Drumm's Review of the Book.

Many friends throughout New Brunswick will be pleased to learn that Rev. Dr. Chas. W. Squires' book entitled "Munsterberg and Militarism Checked" is meeting with a ready demand, and already the first edition is about exhausted and negotiations are under way for a much larger edition.

Rev. T. P. Drumm of Moncton, recently contributed a review of the work to the Moncton Transcript as follows:

Editor Transcript:—In the matter of recruiting no town in Canada has a better record than Campbellton, N. B. Out of a total population of about 4000, Campbellton has given 340 of her best men and that number is growing daily.

And now, from the pen of one of her most gifted ministers comes a splendid book which is proving to be a stimulus to recruiting all over the Dominion. We refer to "Munsterberg and Militarism Checked" by Rev. Dr. Squires, Minister of the Methodist Church in Campbellton.

Hugo Munsterberg is a philosopher of German extraction, who, with the audacity characteristic of his race, undertook some time ago to reproach the United States for supplying the Allies with munitions of war. This he regards as a breach of neutrality.

The Americans are prepared to supply Germany with shells and guns on the same terms but the Testons are unable to transport their supplies across the Atlantic—"Gott strafe" that British Navy. So Prof. Munsterberg is mightily incensed and accuses the people among whom he lives, moved by pictures of unfairness and hostility to his country.

This admirable book by Dr. Squires is a reply to Munsterberg and if it is possible to get below a German skin, he accomplishes the task. Dr. Squires is splendidly equipped for the task he sets out to accomplish. A student to the finger tips, perfectly familiar with all systems of philosophy, those made in Germany and elsewhere, he is able to meet the dough Munsterberg and beat him on his own ground.

The writer has read no more scathing indictment of Germany's policy and aim than this book—all the more scathing and effective because so reasonable, scholarly and free from hysterical denunciation. Germany's callous contempt for other nations, her disregard of common morality, her dedication of might, her substitution of the mailed fist for the mailed hand are all clearly proven by quotations from Teutonic writers. After exposing Germany's ideals with relentless accuracy, Dr. Squires proceeds to explain and vindicate the position taken by all the other nations concerned and he does so in a concise and convincing manner. The Eastern Section is to be congratulated on having a minister of the calibre of Dr. Squires within its fold. He has placed the Dominion, indeed the entire British Empire under a lasting debt of gratitude by writing this earnest learned and convincing book. Our advice to the public is to read the book and judge for yourselves.
T. PORTER DRUMM,
Moncton, N. B., Dec. 29.

The above book can be purchased at the book stores, or direct from Rev. Dr. Squires, Campbellton, \$1.00, post paid.

HON. ALLAN RITCHIE OF NEWCASTLE DEAD

Was Prominent Lumberman, and Held Many Positions in Public Life.

Newcastle, Jan. 2.—The death of the Hon. Allan Ritchie, one of Miramichi's best known citizens, occurred today. He had reached the eighty-eighth milestone of his career only the day previous.

He had been ill about six months and his death was not altogether unexpected. The deceased was born near Paisley, Scotland, the son of David Ritchie, and came to Restigouche county when four years of age. He was educated there and at Chatham.

In 1866 he entered the Chatham lumber business of his half-brothers, D. and J. Ritchie, of Liverpool, and with him his brother Robert became a partner in 1868. Dr. Ritchie returning to Liverpool, the deceased and his brother Robert carried on the Miramichi business, hiring their sawing done at various mills and shipping from Chatham.

In 1871 they removed to Newcastle and bought the Rundle site, where they erected a large mill of their own. They, however, maintained the old firm name and prospered. Robert died in 1907 and left the deceased, who later associated his sons with him, as sole proprietor.

The deceased took an active interest in public questions and was appointed to the old legislative council in 1890, and voted for the dissolution of that body in 1892. He was Newcastle's first mayor in 1899 and an alderman several times after that.

Bourassa's opposition to the Laurier naval policy in 1911, by which the Tory party won votes, is now discovered to be rampant disloyalty.

"So that my executors may have ready money."

The following extract is from the will recently probated, of a man, uneducated, and in the full prime of his life, who was a successful business man.

"Among the insurance policies on my life which were named in my children in equal shares, I am endeavoring to arrange that the proceeds shall be made payable to my estate so that my executors may have to hand ready money for some time to come. If this shall not have been accomplished at my death I desire my children to release their interest in the policies and to let it follow."

The \$27,847 life insurance provided the sale of property, which would otherwise have had to be disposed of at a great sacrifice.

The moral is plain. There is no estate, be it large or small, but should be covered by life insurance. A policy would prevent money to your widow or your children that would not otherwise be secured, because it would be ready money, especially if placed with

The Campbellton Skating rink opened for the season on New Year's day. This is the first season in many years that there was no skating on Christmas day.

MUNICIPAL COUNCIL
The regular Annual meeting of the Campbellton Municipal Council will meet at Dalhousie Tuesday, Jan. 18th. As the municipal elections were held last September there will be many changes in the personnel of the next Council.

ATTENDED SERVICE
Members of the 132nd, who were in town over the holiday, attended divine service Sunday as usual. They were escorted to the Catholic and Methodist churches by the Bugle Band.

DANCING CLASS
Dancing Class to be organized, Friday, January 4th, in the new Tea Rooms. All who are interested in organizing a dancing class are invited to be present. Admission 25c. Orchestra in attendance.

CARD OF THANKS
Mrs. William J. Keely and family wish to thank the members of A. Company of the 132nd Battalion, also the employees of Athol Yard, and all other friends for kind expressions of sympathy in their recent bereavement.

INDUCTION AT NEW RICHMOND
The Presbytery of Miramichi will meet at New Richmond on Tuesday afternoon, 11th, for the induction of Rev. Mr. Taylor. Rev. J. R. Miller to preside and induct. Rev. Hugh Miller to preach. Rev. F. L. Jobb to address the minister and Rev. Mr. Sutherland the people. The Presbytery expected to meet in New Carlisle on the following day for the induction of Rev. Mr. Haron, but it was learned later that Mr. Haron could not be present at so early a date. A congregational meeting is called for at Pointe a la Poudre for Monday 10th to moderate in a call to that congregation.

ASSOCIATION MEETING
The North Shore Shingle Association held a meeting at Bathurst Wednesday evening. Members of the Association from all points from Northumberland, Gloucester and Restigouche were present to discuss matters pertaining to the shingle business. Among those present from Campbellton were W. F. Napier, D. E. Richards and F. E. Blackhall.

APPOINTED RECRUITING OFFICER
Sergeant Edmund Sargent, who recently returned wounded from the front, has been appointed recruiting officer for Restigouche county.

ARRIVED IN ENGLAND
Friends in this city have received word from Gerald McLellan, informing them that the Pioneer Corps, of which he is a member, has arrived safely in England. —Moncton Times.

ICE BRIDGE
The ice bridge formed above town and on Monday teams crossed from Dunsmuir Point to the mission. There is still open water opposite town and the river is open to Dalhousie.

A NEW FLAG
New Year's was celebrated by the P. O. janitor by the raising of a new flag on the post office flag staff. Not before it was needed.

LOST AND FOUND
The purse advertised in the Graphic last week was returned to the owner. A boy brought it to the Graphic Office Friday afternoon. Graphic advises reach the people.

LIGHT NEEDED
The post office clock performs its duty day and night, but its night service is not what it should be, as there is no light within to light the transparent faces. This is easily remedied and should be done at once.

APPOINTED ASSISTANT
Mr. John Meahan, son of Dr. J. C. Meahan, of West Bathurst, has been appointed Assistant to the Freight Agent at Bathurst Station of the I. C. R. and entered upon his duties a few days ago.

OLD YEAR OUT, NEW YEAR IN
The Bugle Band of the 132nd Battalion marched through the streets just before midnight Friday and played the old year out and New Year in. They were frequently cheered along the route. The band with a large number of citizens then went to the depot to greet soldiers passing on several trains.

NOT CORRECT
Several papers, among them the Moncton Times have made the statement that Major A. B. G. McKensie of this town is home from the front. This is not correct. Our popular Major is still doing his bit somewhere in France. It is Major McKensie of a Nova Scotia battalion who is home on furlough.

DESPATCHER CHANGES
Mr. Matthew McCarron, train despatcher of Newcastle has been promoted to Chief Despatcher at that point. Mr. Thos. V. Tozer, who has been despatcher at Newcastle for a number of years has been transferred to the despatchers office here and will enter upon his duties about Jan. 15th. Frank Ward, Jr., has been appointed temporary despatcher at Newcastle.

Commencing Sunday, Jan. 9th, the Rev. J. E. Purdie will preach a course of six sermons in Christ Church, Sunday mornings—General subject—Christianity and the Church. For special subjects see church notices. The General Subject for the evening course will be—Christianity and Her Foundation Truths.

SERIOUS ACCIDENT
Mrs. Geo. G. McKensie met with a serious accident Monday, when she fell down a step in Mrs. Jack Morton's home. Besides breaking her collar bone she was quite badly bruised, and suffered from shock. Many friends hope for a speedy recovery.

GIFT TO RETIRING PASTOR
A presentation was made on Wednesday evening to Rev. Wellington Camp and Mrs. Camp, of Leinster street Baptist church, by members of the congregation. The presentation was made by Sheriff Wilson who, after reading a splendid address, handed the retiring pastor a well filled purse of gold and Mrs. Camp a silver tea service. Rev. Mr. Camp thanked the donors for the kind gift. After the presentation refreshments were served and a social evening indulged in. Addresses were also made by Messrs. W. H. Barraclough, J. H. A. Anderson, Dr. Hutchinson and Dr. D. J. McPherson, of Brussels street Baptist church. —Telegraph.

GRAHAM-McEWEN
(From the Gloucester Northern Light)
A quiet wedding was celebrated at the Manse on Dec. 27 last, when Miss Henrietta Jane, daughter of Mr. and Mrs. Robt. McEwen of Middle River was united to Geo. C. Graham of Kouchibouguac, Kent Co. Rev. W. McN. Matthews performed the ceremony, and the happy couple were attended by Miss Margaret Carter and Mr. Hampton McEwen. After the ceremony the party drove to the home of the bride's parents, where a reception was given by their friends and well wishers.

TO TAKE QUALIFYING COURSE
(From the Gloucester Northern Light)
Messrs. J. Edmund White and Ernest J. LeBlanc of the 132nd Battalion, left on Monday for Halifax, where they are to take a course of training to qualify for commissions as Lieutenants in the regiment to which they belong. Messrs. Otto Schryer, Edwin Melanson and Walter Veniot left on Tuesday for Halifax for the same purpose. Large numbers of their friends were at the station to see the young men off and to wish them success in their efforts to qualify for official military positions.

MRS. DANIEL HAGGERTY
(From the Gloucester Northern Light)
As a result of severe burns received last Tuesday, when her clothing caught fire, Mrs. Daniel Haggerty of North Tatagouche passed peacefully away on Sunday morning. She was about 68 years of age and has lived in this community all her life, where she was highly respected by all.

The late Mrs. Haggerty is survived by three daughters, Misses Mary and Emma in Bangor, and Miss Katherine at home; and four sons—Timothy, Thomas and Augustine at home, and William in the United States. The funeral was held yesterday, and was largely attended. Burial was in the Holy Family cemetery.

FOR RETURNED
WOUNDED SOLDIERS

(From the Gloucester Northern Light)
Mr. T. M. Burns, who has been appointed to organize the Counties of Gloucester and Restigouche for the purpose of looking after returned and wounded soldiers on their return, held a meeting of the men of the 132nd at the recruiting rooms on Thursday evening, and explained to them what it was intended to do when they returned wounded or sick or disabled.

Mr. Burns will shortly call a meeting of citizens to organize for the purpose of welcoming returned heroes, and taking steps to look after them properly by means of securing suitable employment, etc. The date of the meeting will be announced later, and it is hoped that the citizens will take hold of the matter in a manner worthy of the cause.

(From the Gloucester Northern Light)
The C. M. B. A. Whist Party was very well patronized and well conducted. The prizes were won by Misses Mayme Power, Nellie Doucett and Mary Hall and Messrs. D. P. Connolly, Degreau, and Armony Comeau. The Band is desirous of expressing its gratitude to all who assisted them in making the affair a success.

PROFESSIONAL
Dr. A. Pierce Crockett, eye, ear, nose and throat specialist, of St. John, will be at the Waverley Hotel, Campbellton, FRIDAY, JAN. 11TH, where he may be consulted professionally.
Dec. 30-2-pd.

HENRY I. BERTIN WOUNDED
(From the Gloucester Northern Light)
Among the casualties in the 26th Battalion listed last week, the name of Henry I. Bertin of Bathurst appears. Pte. Bertin is a son of Mr. Isaac Bertin, a well known resident of East Bathurst. So far no particulars of the nature and extent of his injuries have been received.

If the Kaiser's ailment is as bad as the name of it looks in type he is getting his punishment.

The admiral of the peace ship, having landed in Norway, already wishes he were back in Michigan granting interviews to the newspapers.

WE ARE HERE TO SERVE YOU

LOWER COST OF DOING BUSINESS.

Do you know you pay the rent and clerk hire, and light bills and fuel bills of the merchants from whom you buy? If you buy from a mail order house you help pay enormous fees. You pay freight twice, to them and to you. If you buy where rent is hundreds of dollars pr. front foot, the price of your furniture includes all that. Because wood varies in quality, seconds with defects covered, often are sold at apparent bargains in high cost stores.

We live too close to you to get away with any work like that if we wanted to. It's our aim to take care of you so you'll come again. Because of our low cost of doing business we're able to sell you better goods at lower prices.

Try Us.

Vinol

Anemic Child Made Strong and Well

"My little daughter was anemic, delicate and nervous. She had no appetite and was listless. Nothing seemed to help her until we were advised to give her Vinol which we did. Inside of two weeks she showed a marked improvement in appetite, vim and looks and she is now well and strong." (Name on request.)

Vinol is a delicious cod liver and iron tonic, creates a healthy appetite, purifies blood and strengthens muscle tissue. Easy to take—children love it—makes them strong, rosy and happy.

Your money will be refunded if you are not satisfied that Vinol helped you.

NOTICE

We wish to remind our readers that Mr. J. G. MacColl is no longer connected with the Graphic. All communications intended for the editor should be addressed Graphic, Campbellton, and not to any individual member of the staff.

1916.

The lusty New Year, like an impetuous youth at the beginning of a task, is out for great things. Hopes, ambitions, successes are to be attained. Last year's failures and lapses are to be retrieved. The all absorbing question, The War—and our individual attitude to it. Business connections, social relations, were last year's obstacles in the path, keeping men from the post of duty, and the weakened ones—middle-aged and elderly people and women, in the old year were not quite satisfied with their positions. The early days of 1916 call for examination of the causes leading to this war, and of its prolongation. It did not just happen to break out. The old year taught us that it was preeminently a conflict between hatred and oppression on the one hand, against righteousness and freedom on the other hand. If righteousness obtains in very truth during the year we are entering, will not the purpose be fulfilled?

NEW YEAR RESOLUTIONS

There is indication, perhaps faint, of an approaching Provincial election. We call on our electors in the foreground as a demand upon our party, entire prohibition of the sale of liquor in the Province. Let the people resolve to have Prohibition, demand it, and keep on demanding it until it is attained.

We are willing to believe that sacrifice is necessary on the part of every well-wisher to bring about a conclusion of the war and an honorable and lasting peace. Let that sacrifice—if it is a sacrifice to part with the business—the gains go then, from the liquor traffic and begin to build a nobler citizenship.

Let this be our opening 1916 resolution—to ask for prohibition—and without any preliminary, not referendum, but PROHIBITION.

POLITICS EVERYWHERE

When recruiting first started in Campbellton there was no medical examination appointed and recruits went to the doctor of their choice to be examined. In the course of last winter a recruiting officer was appointed and that official on arriving in town, interviewed a medical man and asked him to act as medical examiner. The doctor consented, and his appointment was made from headquarters at Hall's.

Everything went smoothly until a military medical officer, lately, visited the town in company with Mr. W. S. Montgomery, the defeated tory candidate. Immediately orders were given that all recruits must be examined by another doctor and all sick soldiers must be treated by still another medical man. And, strange coincidence, the two medical gentlemen are strong conservatives. What about the political truce during the war?

BANISH BILE!

A bilious condition of the system is the result of inaction of the liver, often causing severe headache through the eyes and temples, culminating sometimes in nausea and vomiting, which is frequently followed by a bilious diarrhoea.

Abbey's Effervescent Salt, when taken as directed, stimulates the peptic glands of the stomach and increases the contraction of its muscles from above downward. This action is communicated to the intestines and increases the flow of the intestinal juice, thus stimulating the ducts of the liver to pour out the bile, when it can be carried downward by the laxative action of the Salt, instead of remaining to clog up the liver and flow back into the stomach.

A person who is subject to Bilious Headache will find Abbey's Effervescent Salt, the "Stomachic," will be kept up and no more in the system. At 25c. and 50c.

S. WRAN.

RECRUITING

Restigouche County stands prominently in the public eye, because of its success in recruiting. Why are we so successful in gathering our men to enlist for the carrying on of this, which ought to be styled "Holy War"? First might be noted the spontaneous efforts of all citizens, rich and poor, to carry on the work. There is very little talk of "Go" but on the contrary all are engaged as best they are able, in doing their several parts.

Then, there is no evidence of any one making money out of the enlistment or taking care of our soldier lads and lastly, our people are all keenly alive to our position now and what it would be under German rule. We have in our midst no "classes". There is a pleasant rivalry among nearly all the people of the County, to be foremost in the work of filling up the Battalion to its full strength and the supplying help and comfort to those who have gone to the front.

THE PROPER COURSE.

The following press despatch appeared in Monday's papers:

"Hon. T. W. Crothers, Minister of Labor, has intimated that all unmarried men in the Canadian civil service, who are physically fit and of military age, must join the colors or lose their positions. Returned soldiers, he intimated, are to be given the preference in the matter of government positions."

This is right and proper, and the course pursued by the Minister of Labor should be followed by all employees of labor.

We are pleased to learn that the large operators on the Restigouche are following this course in as far as hiring new help is concerned, and married men with families are given the preference. No doubt this has something to do with the successful recruiting for the 132nd Battalion.

THE SONG OF THE SOCKS.

A nice warm pair of socks am I, To keep dear Tommy's "footies" dry, When in the trenches o'er the sea For many days you'll have to be.

I've come across the ocean blue, Away from Canada to you, And bring with me the best of cheer From all the women over there.

My home is called St. John, N. B. The Winterport on Bay Fundy, And in this town, the best you find—Where everybody's good and kind.

'Tis true I'm not a handsome pair, But I am strong and will not tear. I'm made of wool—the very best, Please Tommy put me to the test.

For many days my mistress knit, I wondered if I'd be a "mit". But one fine day I came to be The pair of socks which now you see.

Although you wore silk socks before, What good are they in time of war, The woolen ones you want to-day To help you on your long hard way.

Let "Wilhelm" wear the silken socks, And cut his feet on stones and rocks, You wear my brothers and be warm, And have dry feet when it doth storm.

If you'll give me a little care, And dry and mend me should I tear, I'll stay with you until the end, And prove a true and faithful friend.

And when the war is over, lad, And all the use for me you've had, When Kaiser "Bill" is up on the "isle" Then Tommy, you and I can smile.

So put me on now, soldier boy, And march to old Berlin in Joy, Let me your mascot ever be, I'll help you on to victory.

UPPER BALMORAL

Mrs. Frank Synnott of Dalhousie paid a flying visit to her parents in Balmoral, on her return from St. John, where she was visiting her husband, Pte. Frank Synnott, at the Garrison Artillery, Partridge Island. Mrs. Synnott denies the rumour that she could not see her husband, he being a prisoner. This report is absolutely false. There are no prisoners on Partridge Island, only boys detained until such time possible to rejoin their own units. These boys, on the sudden departure of their regiments, were either sick or had gone home on a pass, which extended later than the date when their battalions left.

Mrs. Synnott is all praise towards Col. Armstrong for the kind attention shown Mrs. Winchester and herself, there being two lady visitors on Christmas Day. The Colonel, who spent Christmas Day on the Island, ordered turkey dinner to be served to the ladies and their husbands, in a special room. The dinner was delicious and bountiful. Mrs. Synnott also reports the soldiers' quarters to be comfortable, very clean and excellent in every way.

Miss Anna Poirier, who has been teaching in Madawaska for the past few years, has taken charge of the school at Upper Balmoral for the present term.

The Duke of Connaught and Earl Robert Borden lead the Dominion of Canada's pay roll. The Governor-General's salary per annum is \$10,000, while the Premier receives \$12,000.

"DUM-DUM BULLETS"—

THEIR ORIGIN

During the present war, as in all recent wars, each army has frequently charged the other with the use of Dum-Dum bullets. They are forbidden, of course, by all of the laws of civilized warfare.

Like most other inventions, they arose from necessity. During the Indian campaigns of the British Army the Afghans or similar East Indian tribes did not seem to be readily stopped by the small bore packeted bullets then in use. Such bullets did not stop them. They would charge the British squares by moonlight, or by daylight brandishing their enormous machete-like knives, as sharp as razors, and frequently succeeded in reaching the British lines and slaying a soldier or two before they themselves would be brought down by the bayonet. When killed, they would be found full of holes, pierced clear through the body by several small bore bullets. Yet, they charged ahead as though they had not been touched.

Obviously, the British soldiers had to find some way to make their bullets more deadly, or else must expect to wait to meet their Afghans face to face in a contest of bayonet against machete, with the odds all in favor of the machete. So, in the little hill armory of Dum-Dum, the new bullet was evolved for making good men out of the Afghans. This was done by removing a part of the jacket from the point and exposing the lead. When tried on the next Afghan, the effect was surprising. Every man hit stopped where he was. It was found that the new bullet, as soon as it struck, split up, or spread out or much roomed, making a terrible wound which would immediately put the worst savage out of business. Since then, many other ways have been found for giving the same effect but one and all have been named after this place of origin of the first one of the type Dum-Dum.

WHAT MAKES SUCCESS?

Select a dozen of the most successful men you know. They will show every possible variation in their physical and mental characteristics.

They will include tall and short, fat and lean, brunettes and blondes, handsome and homely. There will be among them Canadians, Englishmen, Frenchmen, Irishmen and Americans. Some are young, others middle-aged and some past the meridian. Their weights will run from 105 to 250 pounds.

Mentally the differences are just as great. There will be optimists and pessimists, brilliant talkers and silent men; some nervous and fussy and others sedate; some fond of companionship, others solitary; some are neat, others careless, and they differ just as widely in intellectual attributes as they do in physical characteristics.

Of course, there are pronounced qualities that count decidedly against a man, and there are other qualities that count strongly in a man's favor. But every day almost we see the man with the unfavorable qualities winning out, and the man with everything in his favor failing.

It always has been so. History shows us that most of the men who have amounted to much in the world have had very little chance to start with.

Then, what is it, lying deep within the man and hidden from the surface, which impels him to success?

It is not environment—not what we commonly call opportunity. The greatest successes in history and in every-day modern business are achieved by men whose environment was unfavorable, apparently, and who had no opportunities that were visible except through their own peculiar vision. Their opportunities lay within themselves, not outside.

Then what's the answer?

THICK, GLOSSY HAIR

FREE FROM DANDRUFF
Gloria Try It! Hair gets soft, fluffy and beautiful—Get a 25 cent bottle of Danderrine.

If you care for heavy hair that glitters with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderrine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can get have nice, heavy, healthy hair if you have dandruff. This destructive scour robs the hair of its life, its strength and its very life, and it not overcome it produces a feverishness and itching of the scalp, the hair roots become famished and die; then the hair falls out. Surely get a 25-cent bottle of Gloria's Danderrine from any drug store and just try it.

W. G. T. U.

This department is conducted by the Local Union, and is under the charge of an editor appointed by them. This Editor assumes the responsibility for the statements and articles which appear in this column.

All members are requested to remember that January 11th, is our local day of prayer. Besides praying during the day for the furtherance of the Temperance cause, may each member show her zeal and enthusiasm in this great work by being present at the meeting on that day.

A firm of distillers in Dayton, O., made a special offer of "private-stock" whiskey at a special "introductory" price to Dr. A. I. Abernethy, and failing to hear from him with the order expected they sent a "follow-up" letter, expressing surprise that he had not accepted "the greatest offer we ever presented to the men of America." They further said: "Thousands of men jumped at the opportunity to try this superb whiskey, and we cannot understand why we did not hear from you. Now, we ask you—man to man—can't you use a quart of rich, pure, whiskey in your home?"

Then Dr. Abernethy made answer—You say that you cannot understand why you did not hear from me. Yes, and I, too, am surprised that you have not heard from me. I have used your rye whiskey in the past, and I have used red rye whiskey of other distillers of your kind, and I am surprised that they have not all heard from me. You should have heard from me when I drew a fortune of \$50,000 out of the banks and wasted it in riotous living, reveling with other unfortunate men under the demonic alchemy and spell of your devilish decoction. You should have heard from me when I threw away a reputation equal to that of any young man in America for the privilege of making an outcast and wreck of myself drinking your vile whiskey.

I will admit I have been remiss in not letting you hear from me long before this time. I should have written you with a pen made from the plumage plucked from the bird of paradise that I drove from my contented and happy home; I should have penned you in my heart's blood on the occasion of the burial of my gray-haired mother, whose heart I broke by my conduct while under the devilish influence of your damnable stuff. I should have kept you informed. I should have "reported progress." When I awoke to the sad realization that, from a man carrying degrees and the honors of the greatest universities, and started well up the ladder of recognition as the author of more than nine hundred historical works I had fallen into mental, moral, physical and financial bankruptcy I should have called on you. I should have weened my way into your richly decorated private office in Dayton, the walls of which are crimson with the blood of thousands of human wrecks, and there demanded of you that you give me the reward of my faithful vassalage to your devilish, demoralizing, disease-making, mind-wrecking business.

But if I have been remiss in letting you hear from me, remember that you will hear from me in the future. I am now a preacher of the Gospel, and am making it my business to let not only you but every other manufacturer of human wrecks, and there demanded of you that you give me the reward of my faithful vassalage to your devilish, demoralizing, disease-making, mind-wrecking business. But if I have been remiss in letting you hear from me, remember that you will hear from me in the future. I am now a preacher of the Gospel, and am making it my business to let not only you but every other manufacturer of human wrecks, and there demanded of you that you give me the reward of my faithful vassalage to your devilish, demoralizing, disease-making, mind-wrecking business.

You speak of talking as man to man. Why, you would not dare stand before a man and insult his manliness with the proposition to unstring his nerves, disorder his digestion, disturb his heart action, muddle his mind, demoralize his demeanor, abuse his activity and cloud his conscience with the use of your material. You urge me to stop and consider; and it is because I have stopped and considered that I am eternally and everlastingly the sworn enemy to your nefarious business so long as I shall hereafter be permitted to live.

PASPEBIAC WEST

Miss Marna Hocquard is spending the Xmas holidays with her parents here. Mrs. Fred Munroe and daughter Bertha, returned on Monday from a visit to Mrs. D. L. Campbell of Black Cape.

Miss Alma Briard is spending the Xmas holidays with her parents here. Miss Ada Bechevalois of Gaspe, returned to her home on Tuesday, after visiting friends.

Congratulations to Mr. and Mrs. Jesse Munroe on the arrival of a baby girl at their home.

Miss Myrtle Scott returned to her school in Sayabec on Monday, after having spent the Xmas holidays with her parents.

Mrs. H. St. Dennis and two children of Port Daniel are visiting Mrs. E. J. Briard.

Mr. Hugh Ross of New Richmond is the guest of Mr. D. P. Ross.

Our soldier boys, after having a week's vacation, returned to drill in New Carlisle on Monday.

School has reopened after the holidays. We wish the teachers and pupils every success.

Graphio Limited

Campbellton, N. B.

Whooping Cough

"The disease I most dread is Whooping Cough, for children are often permanently injured by the awful straining of the cough. You should never neglect it, and treatment should be started at the first symptom. You cannot mistake the symptoms: protracted coughing, worse at night; peculiar whoop; labored expectoration of mucus; apparent suffocation after coughing."

Chamberlain's Cough Remedy

is a positive remedy for this disease—repeat the dose frequently, for if given freely it liquefies the tough mucus, makes it easy to expectorate and counteracts any tendency toward pneumonia. There is no danger whatever from Whooping Cough when Chamberlain's Cough Remedy is freely given."

Before You Build—

Get This Free Book

It contains 150 pages like those shown here—116 pages give practical instructions for improving your farm, explaining the most economical way to construct all kinds of buildings, walks, foundations, feeding floors, walls, troughs, tanks, fence-posts, and 45 other things needed on every farm. There are 14 pages of information vital to every farmer who intends to build a silo. 22 pages show what concrete is: how to mix it; the tools needed; what kind of sand, stone and cement are best; how to make forms; how to place concrete; and reinforce it, etc., etc. In fact it tells everything necessary to know about the world's best and most economical building material—concrete.
This book is the recognized authority on farm improvements and has benefited 75,000 farmers. If you haven't a copy of this valuable book, one will be sent to you free. Fill in coupon and mail today.

MUSQUODOBOIT LINE

Will Run Service Tuesday, Thursday and Saturday, Leaving Dartmouth at 3 p. m.

Halifax, Dec. 31.—The operation of the Dartmouth to Deans branch of the government railway system will be undertaken on Monday, January 3rd. The trains will run from Upper Musquodoboit, leaving at 5.30 in the morning and arriving at Dartmouth at 10 o'clock in the forenoon, thus making the run of 70 miles in four hours. Returning the train will leave Dartmouth at 3 o'clock in the afternoon arriving at Upper Musquodoboit at 7.30 o'clock in the evening. The trains will run on three days each week—Tuesdays, Thursdays and Saturdays. It will be a mixed service—passenger and freight. Caviochi and Pagano, the contractors who built the road have been running the service for some months and have thereby been a great convenience to the people travelling from Halifax to Middle Musquodoboit. Now it is to be undertaken by the I. C. R. as a branch of the system that extends from Halifax to Winnipeg and soon may reach clear across to the Pacific. The desire of the people on the shore and through the Musquodoboit valley is at last to be gratified with the operation of the road as part of the I.C.R. and in this respect the beginning of 1916 will be memorable. It will be noted that the road, in the meantime, will be operated not to Deans, but to Upper Musquodoboit.

RIVER CHARGE
The River Charge Branch of the Red Cross Society has been very active during the last two months and on December 22nd forwarded five boxes to Provincial Headquarters, St. John, which contained the following:—

- 3 pillows.
- 5 Surgical Cushions.
- 2 quilts.
- 29 dozen bandages.
- 8 Grey Flannel Day Shirts.
- 2 Grey Flannel Bed Jackets.
- 20 towels.
- 515 Mouth Wipes.
- 31 cotton sheets.
- 6 pillow slips.
- 21 suits pyjamas.
- 1/2 dozen surgical shirts.
- 15 flannellette bed jackets.
- 2 dozen pairs socks.
- 5 pairs wristlets.
- 1 pair mitts.
- 7 1/2 dozen face wash cloths.
- 19 1/2 dozen hospital handkerchiefs.
- Also with to acknowledge with thanks 1 quilt, Mrs. Reid, 1 quilt, Mrs. John Hamilton, New Mills, and 1 quilt from the members of the Presbyterian Congregation at Belledune.
- The following articles have been kindly sent in by the ladies of Belledune.
- Miss Eliza McCurdy, 1 hospital shirt, 2 pairs socks.
- Miss Henry, 1 hospital shirt, 3 pairs socks.
- Mrs. E. McCurdy, 1 hospital shirt, 1 pair socks.
- Mrs. J. Chalmers, 1 hospital shirt.
- Mrs. J. Chalmers, Sr., 1 pair socks.
- Mrs. George Chalmers, 1 hospital shirt, 1 pair socks.

OUR RETURNED SOLDIERS

The Work of the Canadian Patriotic Fund and the Soldiers' Commission.

The establishment of the Soldiers' Aid Commission for Ontario, of which the Secretary is Mr. C. N. Cochrane, Parliament Buildings, Toronto, is the first result of the report recently issued by the Hospital Commission, and the forerunner of others.

The care of the soldier who has returned to Canada, mutilated or weakened as a result of active service, is the prime duty of Canadians. For some months the Canadian Patriotic Fund has been endeavouring to ensure that the men already back from Europe should suffer no want. This work has been voluntarily undertaken by local committees of the Fund, although in most instances their time is fully occupied with the task of making provision for the families of soldiers.

Each soldier is interviewed at Quebec by a representative of the Fund and a confidential report sent by the town to which the soldier is going. This serves the two-fold purpose of protecting the Fund against the greedy or unscrupulous and of giving the local committee information that is helpful in finding employment for the deserving. Not every man who returns to Canada wearing His Majesty's uniform is included in the latter category, but the great majority have done their duty in the fullest degree. To the latter it has been the privilege of the Fund to present a small badge bearing the words, "For service at the Front." The men who are wearing these badges are the worthiest citizens that we can acknowledge. Like charity, that badge should be allowed to cover a multitude of sins.

The work that the Canadian Patriotic Fund can do for returned soldiers, however, is limited by Act of Parliament, and it has been specifically enacted that no assistance can be given by the Fund to "any person who is in receipt of any gratuity, pension or allowance paid by His Majesty or by any foreign government in consequence of

KINDLY REMEMBERED

Address Presented to Rev. W. Camp, Silver Service to Mrs. Camp

(St. John Globe).
Rev. Wellington Camp has left to take up his new charge in Campbellton, where he will preach for the first time on Sunday. Before he left he and Mrs. Camp were given proof of the esteem in which they are held by the congregation of Leinster street Baptist church, for an address was presented from the church to Rev. Mr. Camp and a silver service was given to Mrs. Camp. The vestry was filled by the large number of those who attended for the presentation on Wednesday evening after the regular prayer service. Mr. A. A. Wilson, High Sheriff, who is chairman of the Board of Trustees of the church, read the address, and the presentation to Mrs. Camp was made by Rev. J. B. Ganong on behalf of the women of the congregation. Short addresses of appreciation of the work of Mr. Camp among the ministers of the city were given by Revs. W. H. Barracough, D. Hutchinson, D. D., and J. H. A. Anderson and D. J. McPherson. The address was signed by Mr. Ira B. Kierstead, chairman of the deacons; Mr. A. A. Wilson, and Mr. W. H. Downie, clerk. Camp was assured that he and Mrs. Camp had rendered most efficient service and it went on: "You have identified yourself so closely with us in every interest which touches our lives that your departure to another sphere of labor is regarded by every member of our church and congregation as a definite and incalculable loss. The church during your ministry has maintained more than its ordinary standard of efficiency. It has enjoyed a period of unity, fellowship and development along spiritual and denominational lines not equalled in recent years. Your noble Christian life has commended your preaching and has given us all a clearer vision. In times of trial and affliction your fine sympathetic ministry has proved to so many of our homes a real benediction and blessing. No pastor in the history of our church has enjoyed to a fuller extent our love and confidence. We are glad that in the Providence of God we have been favored with such a helpful, stimulating ministry. We realize that a 'good minister' is one of God's choicest gifts to His church. As you turn your face to another congregation, you are leaving behind you people whose love and devotion has never wavered. We wish in some tangible way to express our goodwill. It is our desire that you regard this gift as a feeble interpretation of our esteem and affection. We heartily join in wishing for you and Mrs. Camp a happy and most successful stay in Campbellton."

MORE RECRUITS NEEDED
If Restigouche is to uphold its reputation, at least another thousand men will have to join the colors in 1916 to fill its quota in the half million men promised by Canada.

THANKS
The Ladies' Aid of the Methodist Church wish to thank all who assisted in making their recent sale and tea a success. A number of dishes which were not consumed, are now at the Methodist church basement where owners can get them.

SLOWLY IMPROVING
Many friends will be pleased to learn that the latest word from Mr. Thomas Malcolm, who recently underwent a serious operation in New York, is that he is slowly improving.

SASKATCHEWAN LEPER TO BE SENT TO TRACADIE, N. B.

Swift Current, Sask., Dec. 31.—The suspected case of leprosy quarantined here has proven to be the genuine disease and the afflicted man will be sent to the leper hospital in New Brunswick, all precautions being taken to completely isolate the victim on the way to that institution.

incapacity of death occurring as aforesaid." Partly on this account and largely because the pensions and gratuities paid to incapacitated men are oftentimes admittedly inadequate, it has been necessary to establish a Hospital Commission and Disablement Fund. The officials of the latter, in their report to the Federal Government, recommended among other measures, that provincial commissions be formed for the purpose of supplementing these pensions either by monetary grants or by free training in various trades. The Soldiers' Aid Commission of Ontario, as we have said above, is the first step in this direction. Already it has announced its intention of mobilizing the manufacturers of Ontario and we do not doubt that the process will be facilitated by the manufacturers themselves. Others also will be asked to lend their aid in discharging a great national duty and there is every prospect that in Canada at least the traditional tragedy of the returned soldier will have no place.

DURING WEEK OF PRAYER

Program as Laid Down by Evangelical Alliance Being Followed

The opening service of the Week of Prayer was held on Tuesday evening last in the Baptist Church. The service was conducted by the new Pastor, Rev. Wellington Camp. The address was given by Rev. E. E. Purdie, his subject being, "Confession and Thanksgiving" as appointed by the Evangelical Alliance of the world. In his remarks he said, "Confession must come before thanksgiving. All the days that the children of Israel spent in the land of Egypt they did not once lift up their voices in praise. They had no spiritual liberty. After they were redeemed by the sprinkling of the Passover Blood, they crossed the Red Sea and lifted up their voices in praise and thanksgiving. The Red Sea stood between them and the land of darkness. So the sinner must lose his burden of sin at the cross of Christ before he can really praise God with the heart and understanding. The subject tonight is really for such—for those whom the New Testament calls Christians. The believer must confess his sins. The believer has no sin on him because by his acceptance of Christ and his trust in the all-atoning blood of Calvary, God has blotted out all his past and as far as his standing goes he is accepted by God through faith, as complete in Christ. But while here we are not celestial beings and still have sin in us. God's children in all ages have had much to confess. The Church at present has much to confess because she has lived too much in alliance with the world. God cannot reach sinners through a cold and formal church. The church has to a measure lost the old Bible vision of sin, and if she is to have the power that was the moving characteristic of the early Church, Christians must get down on their knees before God and unitedly confess their sins and failings to Him. After we do this we will be able to praise God in real thanksgiving. Remember all the way God has led you and that your blessings are like the sands of the sea for number. As Canadians, we should be thankful for the way our manhood and womanhood has responded to the call of God and country. Three closing thoughts—Give your heart to God and trust your all to Christ; Present your bodies to His service as a living sacrifice. Remember that Jesus Christ is the same yesterday, today and forever."

Dr. C. W. Squires, the speaker on Wednesday evening in the Presbyterian Church took as the foundation of his remarks a passage from the fifteenth chap. of 1st Corinthians—"Some have not the knowledge of God". He showed in his introduction that science had been very successful during the past century in conquering the physical world, but the very knowledge acquired by scientific men had generated a certain pride in themselves and in material things and they had thus neglected God and the basal realities of the spiritual world. It was shown by which this knowledge may be given to the heathen world are consecrated men, men of prayer and faith, and above all men who themselves possess the higher spiritual knowledge. Examples of the first are found in such men as William Carey and Dr. Duff, the great pioneers of Missionary endeavour in India and an example of the second is found in David Livingstone, who died on his knees in the heart of Africa, and was brought by devoted natives nearly 1000 miles through almost impenetrable forests to the sea coast.

Since we are well acquainted with the conditions by which the message can be sent, there is no excuse for indifference. We must call forth all our efforts to shake ourselves loose from its baneful influence. The total indifference of England to the mighty preparations of Germany for forty years resulted in unpreparedness on the part of the former and the burning tears of many thousands of orphans and widows. Indifference in respect to our own supreme need and the need of our brothers still in darkness is the greatest evil of all and ought at once to be rectified.

Tonight the service will be held in Christ Church, when Rev. Wellington Camp of the Baptist church will deliver the address.

The last service of the series will be held Friday night in the Methodist church and Rev. Hugh Miller will speak.

These meetings are being well attended. All are invited.

Studio Closing

As I will close the Photographic Studio in the Dimock Building on January 31st, it is imperative that all desiring Photos or work done should arrange to have it finished now.

SHIVES LUMBER Co. Ltd.

WORK FOR LUMBERMEN

Millmen, sawyers, teamsters, and all engaged in logging and lumbering are wanted by the King.

He wants strong, able bodied quick witted, handy men, men who have pluck and can fight.

Shirkers and slackers can stay home; they are not wanted. When found at the front, they are shipped back.

Men of sufficient intelligence to know the danger the country is in, if Britain should be conquered by the German Huns and stand ready to do their part to protect our own land and our own homes and families—these men are wanted, now.

Men from all parts of England, Scotland and Ireland are at the front—millions of them fighting our battles.

The true man will fight his own battles—he will not ask other men to do it for him.

The men at the front call for aid. More men are needed. The King calls for them. It is your duty—if you are not ineligible) to go.

The best young men of the Country have gone or are going.

Mount Allison, Sackville, has sent 160 men.

King's College, Windsor, 60 men. Acadia, Wolfville, 170 men. Dalhousie College, Halifax, over 150.

St. Peter's Catholic Church, St. John, has sent 125 men—one half of its young men.

The Cathedral at Halifax has sent over 140 men.

These men know and feel that they are only discharging the highest and noblest service they can to their Country and their God.

German prisoners of war at Fort Henry, Kingston, protested against eating turkeys for their Christmas dinner, and as a result the bill of fare was changed to goose, which the Germans prefer.

A few years of war would drain the world's gold into the Treasury vaults at Washington. Since the war began over 200 tons of British coined gold valued at over a hundred million dollars has been melted and transformed into gold bars by the United States Treasury.

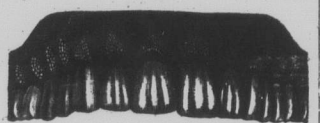

Jingle Bells

Now is the time for pleasure driving. Not too cold. Not too much snow. If you want a drive that will give satisfaction in every way, ring up DOYLE'S LIVERY, Phone 24, and ask for a rig, and it will be sent to you to any part of the town.

Good comfortable sleighs, lots of buffaloes, and horses that cannot be excelled. Hack meets all trains, except Nos. 33 and 34 but a special order to them will be attended to. I also drive parties to dances, tea-parties, etc. Prices right.

NEWSY ITEMS FROM NEARBY PLACES

Gathered by Graphic Correspondents.—Contributions to this Column are Solicited from every District of the Bay Chaleur.

AN APPEAL FOR HELP.

Many localities throughout the Bay Chaleur country have no regular correspondents whose duties are to send news to the Graphic. We would like to have volunteers in every district for this work. Will YOU help. We desire only reliable news. Stamped envelopes and paper will be sent to parties who will take up this work.

GASPE

We are pleased to say that skating is in full swing at the Olympia rink, which opened on New Year's eve. The ice number one, everybody enjoyed the first evening skating in the rink, and last for 1915.

This cold snap has put the ferry out of commission, which closed on the 30th.

The government steamer Montcalm was in port on the 29th with a general cargo for Gaspé and coast, calling at different places on her way here. On the return trip to Quebec calling at Anticosti and the north shore. This is late for navigation around here, but Gaspé Harbour is not frozen solid for ten months in the year as a great many think so.

Drilling began here three weeks ago. Sergeant W. Jones is in charge of over twenty recruits, who have joined the Co. of Gaspé Overseas Detachment.

Our boys who were home on leave have all returned to their different stations and with them three new recruits for the Grenadier Guards.

We are pleased to see the electric light at Gaspé Harbor is again in working order, as it is very dull in town without light.

"The Fatal Oath" in three parts and "For the Empire" in a two reel drama was shown in the Orpheum on New Year's Day. Thanks to good luck no break down as on Xmas.

SCOTTY.

MATAPEDIA WEST

The concert and Xmas tree given by our teacher, Miss Ida Fairweather, assisted by the young ladies of this place proved a success. Much praise is due Miss Fairweather in the training of the school children, it being some of the best first appearances on the stage. They were greatly applauded by some of the audience. The program was as follows:—

An opening address by Miss Flora Adams.

Chorus, Glad Xmas Tide.

Recitation, Sister's best Fellow, by MacBeth Adams.

Tableau, Six Little Candles.

Duet, Xmas Bells by Flora Adams and Sadie Moore.

Recitation, The Temperance Boy by Gordon Fraser.

A reading by Mr. Aylett, entitled, I came out seven hundred dollars behind.

Song, The Roll Call by Misses Maud Stiles, Ida Fairweather, Flora Adams, Sadie Moore, Laura Fraser and Ida Moore.

Recitation, Little Joe's Letter by Charles Adams.

Dialogue, Trouble in the Monman Family by Misses L. Fraser, Maud Stiles, Edie Miles, Flora Adams, Sadie Moore, Ida Moore.

Recitation, Sandy McNab by Miss Ida Fairweather.

Song, Miss Lucy Long.

Recitation, Gone to be a Soldier by Moreland Adams.

The Man who Wont, by F. Adams.

Recitation, A Stitch in Time by Opal Adams.

Love's Sacrifice by Miss L. Fraser.

Another recitation following by Dugald Adams, the program ended with the closing songs, God Save our Men and Country, God Save our King.

Mrs. T. Woodman, accompanist.

The young ladies together with the teacher, Miss Fairweather, wish to thank Mrs. Woodman through the columns of this paper for her kindness in presiding at the organ.

Proceeds which amounted to \$20.00, will go towards a library for the Sunday School, balance for school desk.

The young ladies of this place will give a concert and basket social later on. Proceeds of coming concert will be for the Soldiers Comfort. Particulars later.

PASPENAC

Mr. and Mrs. M. O. Harris left on Dec. 31st for Montreal, where they intend spending the next two weeks.

Mr. F. LeBas of Robin, Jones & Whitman spent the New Year holidays in Gaspé, the guest of his brother, Mr. W. LeBas.

Mr. J. McKenzie of Gault Bros, Montreal, was in town last week.

Mr. John LeGresley and three little sons, spent Saturday and Sunday here the guests of Mr. D. Blison.

Miss F. E. Robinson spent the week end at her home in Shigawake.

Mr. F. LeGresley of Robin, Jones & Whitman, Newport, spent New Year visiting friends.

CANADIENNE.

One automobile to every 8 families will be the record reached by next year according to statisticians of the motor vehicle industry. Sales in 1916 are expected to reach 1,000,000 cars.

NEWPORT

Mr. and Mrs. James Jessop spent New Year's Day in Grand River visiting friends.

Miss Edna LeMarquand, who has been attending school in Paspé, is home for a few weeks.

Miss Irene and Mr. Harold LeMarquand of Mount Allison College, are spending the holidays at their homes.

Mr. R. H. Wetmore, representing Webster, Smith & Co. of Halifax, was in town last week.

Miss Drucie LeMarquand has returned from Paspé, where she was visiting friends.

Miss Yvette Jessop is spending the holidays with her parents.

Mr. and Mrs. G. Chapados are visiting friends at Gaspé.

Mr. and Mrs. Dion of Chandler were the guests of Dr. and Mrs. Richard on the first.

Mr. Edwin Agnes of Robin, Jones & Whitman, Paspé, was visiting friends in town last week.

Catarrahal Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Cure acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Cure. Circulars free. All druggists, .75c.

F. J. CHENEY & CO., Toledo, O.

BATHURST

Rev. Father Rogers of St. Thomas' College, Chatham, is spending a vacation here, and is a guest of Mr. and Mrs. O. J. McKenna.

Mrs. John Robertson and little daughter Gladys of Springhill, N.S., arrived on Thursday to visit Mr. and Mrs. John Robertson.

Miss Emma Power returned on Friday from a visit to Chatham.

Miss Hazel McConnell left on Friday to spend the holidays with friends and relatives in Fredericton and Blackville.

Mr. J. E. Connolly returned on Friday from a short visit to Moncton.

Mr. F. A. Hourihan, Principal of the Grammar School, who spent his vacation at his home in Pembroke, returned during the week, and has resumed his duties.

Miss Mitchell of St. John is the teacher in charge of the new department in the Grammar School. The other teachers are the same as last term.

Mr. Gordon Chalmers spent a few holidays in Chatham last week. Mrs. Chalmers has been spending a few weeks with her relatives there.

Lance Corp. Charles L. Brown of the 104th Batt. arrived on Thursday night from Woodstock, spent the holidays with Mr. and Mrs. John Robertson, and returned to Woodstock on Tuesday.

Mr. and Mrs. Wilfred Daley spent the holidays in Loggieville, guests of Mrs. Daley's parents, Mr. and Mrs. Tait.

Miss Evelyn Deming, who spent the holidays with her parents here, returned to resume her teaching duties at Millerton on Monday.

Mrs. Gordon Lee and children returned on Monday to Quebec, after spending the holidays with Mr. and Mrs. H. Bishop.

Mr. and Mrs. Andrew Hacquail of Fort William, Ont., are guests of Mayor Michaud and Mrs. Michaud.

Mr. Chester Walls of Blackville has been this week a guest at St. Luke's.

Mr. and Mrs. Patrick Salter of Jacquet River are visiting relatives in town.

Mr. G. Harry Willet came from

Moncton to spend New Year's with his family.

Mr. J. Y. Moncreau returned on Friday to his home in Chatham.

Mr. and Mrs. J. Bollen are guests at the home of Mayor and Mrs. Michaud.

After a visit to her parents, Mr. and Mrs. Jas. H. Doucet, Mrs. Stanislas Hachey, returned during the week to Grand Anse.

Mr. Basil Howarth, of the Bank of Nova Scotia, Campbellton, made a short visit to his home here on his way to Port Elgin, having been transferred to that branch of the bank.

Mr. James J. Gilmore of Winnipeg, formerly with Reed Co., Moncton, was here on Thursday on his way to visit his home in Chatham.

Mr. Frank Merritt made a short visit last week to Chatham.

Pte. George Meteler and Pte. Watson of Campbellton of the 182nd Batt., spent New Year's Day here, guests of Pte. Meteler's grandfather, Mr. P. H. Melvin.

Mr. David O'Keefe has returned from a visit to St. John.

Mr. Wm. McConnell and little son Max, have returned from Blackville, where they spent New Year's Day with relatives.

Mr. Olaf Roddick made a brief visit to Chatham last week.

Mr. Frank Foley has returned from a visit to his home in St. John.

Mr. W. W. Lamb left this week for Faussett, P. Q., where he will spend several weeks.

Pte. Napoleon Canty of the 104th Batt., Woodstock, is at home on sick leave.

Mr. Leslie Kerr has been making a visit to friends in Dorchester.

Mr. and Mrs. Walter Veniot have gone to Edmundston, where Mrs. Veniot will remain with her relatives during Mr. Veniot's absence in Halifax Military College.

Mr. Willard Douglas of Shives Athol visited Mr. and Mrs. Joseph C. Berrin last week.

Mr. John T. Léger and his son Victor have returned from Hot Springs, Arkansas, and are both feeling much improved in health as a result of several months' treatment.

A German professor having declared that Moses was a German, it may be well to recall that Moses broke the whole Ten Commandments.

OUR RETURNED SOLDIERS

The Work of the Canadian Patriotic Fund and the Soldiers' Commission.

The establishment of the Soldiers' Aid Commission for Ontario, of which the Secretary is Mr. C. N. Cochran, Parliament Buildings, Toronto, is the first result of the report recently issued by the Hospitals Commission, and the forerunner of others.

The care of the soldier who has returned to Canada, mutilated or weakened as a result of active service, is the prime duty of Canadians. For some months the Canadian Patriotic Fund has been endeavoring to ensure that the men already back from Europe should suffer no want. This work has been voluntarily undertaken by local committees of the Fund, although in most instances their time is fully occupied with the task of making provision for the families of soldiers.

ALWAYS TOO BUSY.

Are we too busy to live today? Is that the reason why we put off living until tomorrow? There is a friend whom we should like to visit. The days, the weeks, the years go by and we have not called. The friend is taken away. We have put off the visit too long; we were too busy.

There is pleasure to be found in a little trip to the country. It would rest the husband and be a holiday for the children. But we are too busy. We put it off until some other time and the other time seems never to come.

We are always too busy. There are a hundred little kindnesses we should do if we only had the time. The chances pass, the time never comes. We are too busy for the kindnesses. We are too busy today. We are too busy week in and week out. There is time for everything if we place the most important thing first. We are too busy over trivial matters to get the real good out of living. When we get over our hurry, some day we shall live as we wish, we shall be ourselves. We come, we see, and we never know the joys of life.

We have been too busy to live. Too busy—always too busy.

and the nerves. Exercise gives even pale faces a becoming flush. Deep breathing expands the narrow chest, changes the lack lustre eye back its sparkle. Pure air and peace are helps for soothing our ugly lines.

SEIGEL'S SYRUP

AND BANISH STOMACH TROUBLES

Are you full of energy, vital force, and good health? Do you know that good digestion is the foundation of good health? Take Seigel's Syrup.

Glenn Motherhood

The Ancient Greeks created standards of beauty and health toward which modern women often look with envy and despair. Their secret is no secret at all. It is the knowledge of plain food—drank copiously of pure water—exercised freely in the open air—and created motherhood as a divine function, not a diagram before childhood and a struggle of nerves. Their reward was to their reward if you will but do likewise.

Just let old Mother Nature mother you for a while. Live as your good sense has often told you you ought to live—and help rebuild your nerves, stomach and blood into natural health.

'ZOE-TIC'

The Great Tonic and Reconstructor.

Mothers and housekeepers whose nerve force is under such steady drain will find Zoe-tic invaluable in rebuilding and maintaining a thorough state of health.

Put it in your children's diet. It will build up their system and make them healthy. Young women from 14 to 20 and young men whose school and social work drives them to the verge of nervous breakdown will find Zoe-tic a most valuable and carefully thought out tonic.

Zoe-tic is a new and improved combination of glycerophosphate, iron, and cod liver oil. It is a most valuable tonic and will build up the system and make it healthy. It is a most valuable tonic and will build up the system and make it healthy.

On Hon. Mr. Mann, D.D.S. did not know Mr. Mann, D.D.S. it is a most valuable tonic and will build up the system and make it healthy.

THE MISFORTUNE OF A WIDOW

Thousands of boys and girls leave the Grammar and High schools each year to accept minor positions in the business world. They are forced to undergo the humiliating experience of having graduates of grammar schools placed in positions of honor. These graduates are not only the most capable but they are also the most reliable. They are the ones who are most likely to succeed in the business world. They are the ones who are most likely to succeed in the business world.

SOUL ACID STOMACH

Each "Pape's" capsule digests 3000 grains of food, ending all stomach troubles. It is the most reliable and most effective remedy for all stomach troubles. It is the most reliable and most effective remedy for all stomach troubles.

Pape's

Time is five minutes all stomach troubles will go. No indigestion, heartburn, nervousness or belching of gas, or eruptions or eruptions of the skin, or nervousness, bloating, foul breath, or any other stomach trouble. Pape's capsules are the most reliable and most effective remedy for all stomach troubles. It is the most reliable and most effective remedy for all stomach troubles.

COPY

REPORT OF COMMISSIONER CHANDLER ON VENIOT CHARGES

(Continued from page 2)

Hebert, who was employed by Adelard Robichaud. The work seems to have been done, and so far as I can see there is nothing wrong in connection with this particular item.

Cedar for the bridges.

St. Simon and Macintosh Cove Bridges, Parish of Carleton Place, Gloucester County, N. B.

Mr. Veniot asks for enquiries into the procuring of a quantity of cedar timber alleged to have been used in the construction of bridges in the Parish of Carleton in the year 1913-14.

At the enquiry held by me at Bathurst in the month of September last, Mr. A. J. H. Stewart made the following statement on oath as to this matter:

"I pointed out to the Chief Commissioner the fact of my having been in the winter of the last year. The Chief Commissioner gave me general authority to get material. Valentine Robichaud and I made estimate of cedar required for bridges to be repaired. The estimate was about six thousand pieces. I distributed the getting of this cedar and Robichaud named the prices to be paid. He fixed the prices with me. I arranged to get the stuff. I sent Robichaud a list of persons supplying cedar. Robichaud went up and counted the pieces of cedar and made a return to me. The list made by Valentine Robichaud is correct. I had no written authority. This was in the winter of 1913-1914. The lumber has not been all used. Some of it has not been taken away. Some of this lumber was used this year in the White bridge, Eel River bridge and St. Simon bridge. This lumber would be available for any purpose. London did not use the lumber, as it was too far away. This lumber is all paid for except possibly for sixty pieces. We estimated that 5,400 pieces would be required in Robichaud's district for bridges and ordered 5,425 pieces; 7,829 pieces were got out and taken."

In his evidence given before me Valentine Robichaud, the superintendent mentioned above, gave some information with regard to this cutting of cedar mentioned by Mr. Stewart.

Robichaud says that 7,829 pieces of cedar timber were got out, and that this quantity of this timber was taken away and that about half the timber cut was left on the ground where it was cut, to be used for bridge work when required.

It appears that Robichaud made two trips to a place called Miller's Brook and Clifton on the Carleton Railway, where this timber was cut, and that he took up a number of men, some sixteen in all, who had been working on St. Simon bridge, to load this timber. The two trips cost about \$24.00.

According to Robichaud the timber so loaded on the Carleton Railway for the St. Simon bridge, a distance of some thirty miles. Robichaud received instructions from Mr. Stewart to go up and count the pieces of cedar timber that had been cut, and he did this, the total amounting to 7,829 pieces, a list of which was produced by Robichaud at the hearing.

Some of the Evidence.

On the examination before me of Hon. John Morrissey, Minister of Public Works, he stated on oath that he did not cut out cedar as stated by Mr. Stewart, and gave him no authority either written or verbal in connection with this matter.

Mr. Morrissey stated that the first he knew of this transaction was at the meeting of the House for the year 1915, and on an inquiry held into certain bridge accounts submitted by Valentine Robichaud it appeared that certain bridges were built up with cedar procured by Valentine Robichaud. Mr. Morrissey also stated that he received bills from the Carleton Railway for hauling certain quantities of cedar which he did not understand.

Mr. Morrissey stated that to the best of his belief there was no cedar used in the St. Simon bridge, as he sent a man up to look into the matter. According to the information furnished to the Minister by Valentine Robichaud and a man named London, it appeared that cedar brought from Miller's Brook had been used in some bridges in the County of Gloucester, and that what was actually used was paid for by the department, but that no other cedar timber cut at Miller's Brook had been paid for by the department, and he further stated that no cedar was cut at Miller's Brook for the Government or the Department of Public Works was concerned that this cutting of cedar timber was entirely unauthorized and that there had been no communication with Valentine Robichaud, the structural superintendent, as to this timber before it was got out and that Valentine Robichaud had no instructions from the department in connection with this cedar. Also that neither the Minister nor the department knew anything at all as to the haul out of this timber or part of it, or the Carleton Railway by Valentine Robichaud until some time after the transaction took place.

Mr. Harry Blair, Secretary of the Board of Works, stated on oath that an account for cedar procured had been sent in to the department by Valentine Robichaud, the whole account amounting to some \$2,200.00.

A Departmental Investigation.

The Public Works Department refused to authorize this account and an investigation was held in the office of the Minister at which were present Valentine Robichaud and Denis

London, structural superintendent, and the provincial engineer and representatives of the County of Gloucester.

London had previously been sent to the St. Simon bridge and he reported that he had been to the site of the St. Simon bridge, and that there was no money and others with stuff from the store.

It appears that in the return made by Jean J. Robichaud he included the name of a man named Clement Lantagne as having worked on the Lantagne road and the cedar which Lantagne did not work on the Lantagne road in the fall of 1914, but he says that he did work the year before with John Alphonse Duguay and that when he Robichaud made his return Duguay told him to enter Lantagne's time in his returns. This man's time was ten and a half days.

Jean J. Robichaud charged 10 per cent. of the cost of the work as his commission or remuneration for looking after the work. The work done under Robichaud's superintendence cost about \$2,200.00.

I asked Robichaud why he charged 10 per cent., and he said because it used to be the old custom. That he told Mr. Martin F. Robichaud when he was making up his returns that he wanted 10 per cent. and Mr. Robichaud then said to him, "If you ask for it I will have to give it to you," and this is all there was said about it. Jean J. Robichaud admits that he never got any instruction or communication from the Department about this work, and that the only person who appointed him was Mr. Robichaud.

Docthees Chiasson in his returns charges \$2.50 per day for his services, his charge being \$17.50, and the work done under Chiasson amounted to very much more than the work done under Robichaud.

No great effort seems to have been made to get materials for this work as cheaply as possible, and anybody who supplied materials for the work done seems to have been promised just what he asked for it, though, as a matter of fact, no one has been paid for anything.

There was some question raised about a man named Joseph Guindard being allowed his time while he was hauling provisions for the men, but the time so allowed was only a couple of days.

The work done on the Lantagne road only extended over about a mile and a fifth, and while the work seems to have been well done and was necessary, the old road being too low and liable to be flooded, the work seems to me to have been extravagantly done and with very little effort by those looking after the work to keep down the cost.

So far as Docthees Chiasson is concerned, the men under him boarded themselves.

I understand that this work was started by Mr. Martin F. Robichaud after the road money allowed by the Provincial Government to Gloucester County for 1914 had all been expended.

Mr. Martin F. Robichaud offered no explanation whatever for his course in connection with this matter, but it is of course obvious that if many of the Provincial representatives acted in the same way as Mr. Robichaud, the whole revenues of the Province would hardly be sufficient to meet the expenditure that would be incurred.

GLUCESTER ROADS.

Services Performed for All Money Charged to Lantagne Road, But Work Was Unauthorized and There Were Irregularities.

Gloucester County Roads.

The charge in this matter is that a considerable amount of money was expended on the Lantagne Road, on Shippegan Island, Gloucester County, under Special Commissioners Docthees F. Chiasson and Jean J. Robichaud, without the authority of the Minister of Public Works. This charge is admittedly correct.

In the fall of the year 1914 Mr. Martin F. Robichaud, representative for the County of Gloucester, appointed Docthees F. Chiasson and Jean J. Robichaud to oversee the work on the Lantagne Road, and work to the amount of nearly \$7,000 was done on this road under the superintendence of these two men, according to the return made by them.

Mr. Martin F. Robichaud admits that he ordered the work done without authority, and that the bills for this work are all unpaid.

Mr. Martin F. Robichaud, in giving evidence, stated that he took upon himself to employ Docthees Chiasson and Jean J. Robichaud to do this work on the Lantagne road.

It was also charged in connection with this work on the Lantagne road that incorrect reports and returns were submitted by the foreman Robichaud and Chiasson, a number of witnesses were examined on this charge. The evidence shows that Louis L'Hullier, whose name appears among the list of persons who worked on this road, did not work on the road at all, but cooked for a number of men who were working on the road and who lived in a shanty while the work was being done.

In the return made by Jean J. Robichaud, Louis L'Hullier is stated to have worked twenty-eight days on this road at \$1.50 per day, his wages amounting to forty-two dollars.

L'Hullier says that he worked for thirty-one days as cook, and did no work on the road at all. He was paid for his work by Jean J. Robichaud by goods out of Robichaud's store. The same thing applies to a young man named Maillet, who was assisting L'Hullier in this work. Maillet did no work on the road at all. Jean J. Robichaud claimed that it was cheaper to employ a cook for these men and charge his wages to the Government, as under this arrangement the men would be near the work and would not lose any time.

I asked Jean J. Robichaud why he did not put L'Hullier's name in as cook instead of as a laborer, and he answered that they wanted to have him paid by the Government, and that he had thought of it he would have put in his name as cook.

There may be something in Robichaud's claim that money was saved by this arrangement, but the whole transaction was of course grossly irregular and altogether unwarranted.

Maillet got the same pay as L'Hullier and was paid with goods out of Robichaud's store. Robichaud kept no account of the supplies furnished by him for boarding the men, but he

charged the men 50 cents a day, and expected to get that amount due him out of their pay when they got it.

It is needless to say that this expectation on the part of Mr. Robichaud has not yet been realized. He says he paid some of the men with money and others with stuff from the store.

It appears that in the return made by Jean J. Robichaud he included the name of a man named Clement Lantagne as having worked on the Lantagne road and the cedar which Lantagne did not work on the Lantagne road in the fall of 1914, but he says that he did work the year before with John Alphonse Duguay and that when he Robichaud made his return Duguay told him to enter Lantagne's time in his returns. This man's time was ten and a half days.

Jean J. Robichaud charged 10 per cent. of the cost of the work as his commission or remuneration for looking after the work. The work done under Robichaud's superintendence cost about \$2,200.00.

I asked Robichaud why he charged 10 per cent., and he said because it used to be the old custom. That he told Mr. Martin F. Robichaud when he was making up his returns that he wanted 10 per cent. and Mr. Robichaud then said to him, "If you ask for it I will have to give it to you," and this is all there was said about it. Jean J. Robichaud admits that he never got any instruction or communication from the Department about this work, and that the only person who appointed him was Mr. Robichaud.

Docthees Chiasson in his returns charges \$2.50 per day for his services, his charge being \$17.50, and the work done under Chiasson amounted to very much more than the work done under Robichaud.

No great effort seems to have been made to get materials for this work as cheaply as possible, and anybody who supplied materials for the work done seems to have been promised just what he asked for it, though, as a matter of fact, no one has been paid for anything.

There was some question raised about a man named Joseph Guindard being allowed his time while he was hauling provisions for the men, but the time so allowed was only a couple of days.

The work done on the Lantagne road only extended over about a mile and a fifth, and while the work seems to have been well done and was necessary, the old road being too low and liable to be flooded, the work seems to me to have been extravagantly done and with very little effort by those looking after the work to keep down the cost.

So far as Docthees Chiasson is concerned, the men under him boarded themselves.

I understand that this work was started by Mr. Martin F. Robichaud after the road money allowed by the Provincial Government to Gloucester County for 1914 had all been expended.

Mr. Martin F. Robichaud offered no explanation whatever for his course in connection with this matter, but it is of course obvious that if many of the Provincial representatives acted in the same way as Mr. Robichaud, the whole revenues of the Province would hardly be sufficient to meet the expenditure that would be incurred.

A FARM PURCHASE.

200 Acres at Clifton, Gloucester County, Were Sold to the Farm Settlement Board.

Re Farm Settlement Board.

This matter was brought up for investigation by Mr. P. F. Veniot, in connection with the sale to the Farm Settlement Board of certain lands in the Parish of New Brandon, in the County of Gloucester, known as the Knowles Farm, was irregular.

I examined in connection with this matter Mr. James Gilchrist, the Secretary of the Farm Settlement Board, Mr. W. R. Knowles and Mr. Fred H. Eaton; Mr. A. J. H. Stewart also gave some evidence as to this matter.

It seems, according to the evidence given before me, that in the month of July in the year 1912, Mr. W. R. Knowles wrote to Mr. Stewart, and asked him to get the Farm Settlement Board to buy certain property formerly owned by the Knowles Company and then owned by the Royal Bank of Canada, and according to the letter written by Mr. Knowles to Mr. Stewart, Mr. Knowles was willing to pay two thousand dollars for the property in question. This property consisting of two hundred acres of land at Clifton, Gloucester County, had been previously sold at Sheriff's sale and had been purchased by the Royal Bank of Canada, a creditor of the Knowles Company and at this time was owned by the Bank. After getting this proposition from Mr. Knowles, Mr. Stewart asked Mr. Eaton, the Manager for the Royal Bank of Canada, at Bathurst, and asked him what the Bank would take for this property. Mr. Eaton communicated with the Board of the Bank and the Board told Mr. Stewart that the Bank would take twelve hundred dollars for the property, which amount Mr. Stewart agreed to pay. Mr. Stewart then obtained a cheque for fifteen hundred dollars dated October 25th, 1912, drawn upon the Bank of New Brunswick and payable to the Royal Bank, Bathurst, or order. He took this cheque to Mr. Eaton and asked him to place the proceeds of it to his credit, that is, to the credit of A. J. H. Stewart; the cheque was later cashed and the proceeds credited to Mr. Stewart at Bathurst by the

SHERIFF SALE

I will sell at public auction to the highest bidder in front of the Post Office in the town of Campbellton in the County of Restigouche on Tuesday the 25th day of January 1916 at the hour of three o'clock in the afternoon all the estate, right, title and interest both at law and in equity of Peter M. Shannon in the following lands and premises, that is to say all and singular a certain lot and parcel of land and premises situate in the town of Campbellton aforesaid, at the south west corner of Wellington and Central Streets being the lot now owned and occupied by the said Peter M. Shannon:

SECOND, that certain lot of land and premises in the town of Dalhousie at the corner of Renfrew and Grey Streets formerly purchased by the said Peter M. Shannon from Charles Stewart;

THIRD, a certain lot of land situate at Eel River in the County of Restigouche being the west half of lot number 31, block 50, lately purchased from James E. Stewart, assignee of the estate of Alexis Levesque and John Splude;

FOURTH, the lessee's interest in lot number 17 on the Joseph Sharpe property in the Town of Campbellton leased by the said Peter M. Shannon from the said Joseph Sharpe;

FIFTH, lot of land known as lot Letter N, block 51 at Eel River in the County of Restigouche;

SIXTH, the lessee's interest in lot of land on Lily Lake Road in the County of Restigouche also lot of land in the Town of Dalhousie bordering on the Inch Arran road; the same having been leased by me and to be sold under and by virtue of an execution issued out of the Supreme Court against the said Peter M. Shannon at the suit of Armstrong and Bruce.

Dated at Campbellton this 25th day of November A. D. 1915.

JAS. E. STEWART,
Sheriff of the County of Restigouche.

NOTICE OF SALE

To Philip LeBlanc of the Town of Campbellton in the County of Restigouche and Province of New Brunswick, and all others whom it may concern:

Notice is hereby given that under and by virtue of a Power of Sale contained in a certain Indenture of Mortgage bearing date the seventeenth day of November, A. D. 1913 and made between the said Philip LeBlanc, Mortgagor of the one part, and William J. Jamieson, Mortgagee of the other part; and registered in the office of the Registrar of Deeds in and for the County of Restigouche in Book "12" pages 386, 387, 388 and 389 as No. 14774 on the 29th day of May, A. D. 1914, there will for the purpose of satisfying the money secured by the said Indenture of Mortgage default having been made in payment of principal and interest thereof, be sold at Public Auction in front of the Post Office, Campbellton in the County of Restigouche on Friday, the twenty-first day of January, A. D. 1916 at the hour of twelve o'clock noon all the lands and premises described in the said Indenture of Mortgage, bounded and described as follows:—"Beginning at a point on the northern side line of the International Railway reservation at the southeast corner of Lot No. 30, thence running north seventy-eight degrees west seventy-four feet three inches, thence north five degrees east eight-one feet to the southern side of a reserved street, thence easterly along the said reserved street seventy-three feet three inches, thence south five degrees west ninety-one feet to the place of beginning," said lot being known as Lot No. 28.

Together with all improvements and buildings thereon and rights and members privileges and appurtenances to the said lands and premises belonging or in any manner appertaining;

Dated at Campbellton in the County of Restigouche this twenty-first day of October, A. D. 1915.

difference between what the Board thought was the actual price of the property and the amount which the Board was willing to take for it.

In my judgment, Mr. Stewart's conduct throughout this transaction was reprehensible and altogether unworthy of a man occupying the position of a public representative.

Glorious Motherhood Splendid Childhood

The Ancient Greeks created standards of beauty and health toward which modern women often look with envy and desire.

Such mothers as they were—such children they bore!

Their secret is no secret at all. It is known to all who will read the teachings of the physicians and the writings of the immortal historians.

They lived the natural life. They ate moderately of plain foods—drank copiously of pure water—exercised freely in the open air—and trusted motherhood as a divine function, not a disgrace before childbirth and a source of sorrow.

Their reward can be your reward if you will but do better!

Just let old Mother Nature mother you for a while. Live as your good sense has often told you ought to live—and help rebuild your nerves, stomach and blood into natural health with

'ZOE-TIC'

The Drink Tonic and Reconstructor.

Mothers and housekeepers whose nerve force is under such steady strain will find Zoe-tic invaluable in rebuilding and maintaining a thorough state of health.

Pure, illustrated children will absorb Zoe-tic and thrive on it like a plant that has been starved for water.

Young women from 14 to 30 need years of age, whose school and social work has driven their vitality and joy almost entirely into a regular routine of life and carefully thought out diet and exercises.

Zoe-tic is a new and improved combination of glycerol, cod liver oil, containing no poisons and the best preservative of the body. Your own physician will tell you that glycerol contains the actual elements of the human body in the most assimilable form. It is a building tissue, and tends to increase the vitality of the body. It is a well known fact that a regular routine of life and exercises, with the use of Zoe-tic, will give you the best of health.

Take Zoe-tic—the health food for nerve energy, live naturally and drink lots of pure water. If you don't report on an ordinary basis, report on a Zoe-tic basis. You will find that the pressure of our daily life is lessened, and that you will know of what Zoe-tic will do.

Everywhere in Canada at the same price.

One Dollar for a Generous Bottle. (There is no substitute for Zoe-tic.) Compounded from food and tonic substances.

THE ZOE-TIC COMPANY, Montreal.

Mr. and Mrs. S. McLean and children who were visiting Mrs. McLean's parents, Mr. and Mrs. John Floyd, left on Monday for their home in Chicago.

Sgt. Harold Wallace of the Siege Artillery, St. John, returned to his duties on Tuesday morning after spending the holiday at his home here.

Miss May McIntyre, after spending her vacation here with her parents, Mr. and Mrs. John McIntyre, has returned to the J. H. Dunn hospital in Bathurst, where she is on the nursing staff.

Mr. and Mrs. H. V. Ramsey of Campbellton, N. B., returned to the Embassy on Monday after spending Christmas with the Ramsey parents, Mr. and Mrs. J. H. Ramsey, Springfield, Mass.

Pte. Donald Blue left this morning for Halifax, where he will take the prescribed course for a commission.

The Blue wishes to thank his many friends for the Christmas favors received from them before leaving.

Mrs. W. J. Gillis of Flat-Lands has just returned from an interesting visit to South Hadley, where she had been the guest of Dr. and Mrs. MacAlister. While in Mass. Mrs. Gillis visited friends in Boston, Cambridge, Springfield and Holyoke.

Lieut. Arthur J. McIntyre of Bathurst who spent the New Year holidays at his home here, has returned on Monday, accompanied by his brother, Master Alonzo, who returns on Friday to resume his studies at St. Joseph's College, Memramcook, N. B.

On Christmas afternoon Miss Agnes Hill was very agreeably surprised, when a committee called at her home and Mr. A. F. Hackett, on behalf of the congregation of Athol Union church, presented her with an address and purse of money for her services as organist. Miss Hill in a few words thanked the people for their thoughtful gifts, after which a dainty lunch was served and a social evening was spent in singing and music.

Mr. Dodge of Aylesford, Nova Scotia, spent the Christmas season with his friend, Mr. F. W. Kelly, who came home from Moncton for the holiday. Mr. Dodge was formerly on the Bank of Nova Scotia staff here, and was transferred to Moncton. He severed his connection with the Bank in May last on account of illness, and returned to his home at Aylesford, where he has been slowly recovering. He hopes to be able to enter upon his duties in a position which is awaiting him in Aylesford some time early in the year. He was also in Wednesday morning for a slight blaze in the McLennan Foundry & Machine Co.'s plant. A pulley was set on fire by friction. No damage resulted.

FIRES

The fire department was called out Monday night for a slight blaze in a passenger car in the L. C. R. yard.

Little damage was done. An alarm was also rung in Wednesday morning for a slight blaze in the McLennan Foundry & Machine Co.'s plant. A pulley was set on fire by friction. No damage resulted.

EXPRESS LATE

The Maritime express was very late in arriving here Tuesday morning.

The delay was caused by a car getting off the line this side of New Mills and blocking the main line. The auxiliary from Campbellton cleared away the wreck and the express arrived here about 9 o'clock, being delayed about five hours.

A FAMILY REUNION

The home of Mr. and Mrs. Joseph Dow Macle Green was the scene of a very pleasant family gathering on New Year's day. The entire family of eleven children, with daughters-in-law and sons-in-law, together with twelve grand children, came together and a most enjoyable time was spent. This is the first time the family has ever been united as the elder children were married and away before the younger ones were born.

HOCKEY AT DALHOUSIE

The Dalhousie boys have organized four hockey teams and are looking forward to an interesting season of sport. W. A. Gallop has been elected President. W. Sheehan, Secretary and H. Trudelle, Treasurer.

DELEGATES APPOINTED

A largely attended meeting of the Liberal Association was held here last evening and delegates were appointed to attend the convention to be held in St. John next Monday and Tuesday. A large delegation will go down to represent Restigouche.

CURLING

The ice at the Curling rink is now in fine condition. The first game of the season was played last night. This is the latest date for a long time of time, but the lack of heavy frost prevented ice making at an earlier date. The regular schedule of games will be proceeded with at an early date.

Let Santa Claus suggest a suitable gift that daily service will prove of practical value.

Our High-Class

PLEASES EVERYBODY

BERNIE

THE TAILOR
