CANADA.

The Quebec Morning Chronicle of the 15th inst, in an article on the prospects of the Abnexasionists in Canada effecting their object, holds the following language on the subject. The Chronicle is a sensible, well-informed journal, but appears to favour the informed journal, but appears to favour the reighbouring Republic would prove advantageous to that annexation to the neighbouring says:—

The mystery is solved, and there is no longer any room for evasive denials, obscure

"All the de lared opinions to the world hints and apologatic explanations, as to the about its being for the good of the councourse of this administration on the Nical squatry, never will induce England to grant us a creative the Mosquito question. It is disseparation; and we are persuaded there is incidently enough avowed by Mr. Clayton, no present earnest desire for a sexation on the part of many people in this province. Upper structions were given to Mr. Squire, in concanda is dead against the movement; and we may as well say that Lower Canada is against it. Our grievances have not been such as to make it appear to the religious that annexation is desirable. As Crontwell felt he was an instrument in the hund of the Lord to humble kings, so must Canadians quate authenticity, that the United States Lord to humble kings, so must Canadians feel that their cause is rightous before they can bring themselves to that ferrid state of enthusiasm which is recessary for the attainment of any national end. The people of this province are not so impressed Many would like independence could they obtain it without trouble, or by agitation or by petricos; but none are incined to fight for it, and therefore we believe that Canada is not prepared, either for independence or and the state of either for independence or and therefore we believe that Canada is not prepared, either for independence or and the state of either for independence or and therefore we believe that Canada is not prepared, either for independence or analyses which will back out.

is not prepared, either for independence or an additional prepared, either for independence or an additional prepared, either for independence or an additional prepared that the standing the wealth, the respectability of the parties, who have declared themselves in favor of annexation, will have great weight. This wa dould: The standing of Mr. Smith O. Brien and those connected with him in Irish repeal declarations, was fully equal to the standing of the repealers of Canada. Respectability, nor private worth, has money, is not all that is required to insure success; nor even much towards it—all present respectability station and wealth, have been obtained as colonists, and argues little, if any thing a all, in favor of a change.

The fact of respectable people seeking change is only proof of their being dissatisfied with things as they are, but is no proof must be done to oust Great Britain from her

change is only proof of their being dissatisfied with things as they are, but is no proof
of a change being for the advantage of the
country. The document in our opinion
would be more valuable without a signature
attached to it, if it pointed out much more
clearly than it does the benefit which will
result from an incorporation with the States.

The hout graits of Paris were the revolution. Grey-town, and then send a massage to ing Changes should be well weighed and prosecute a war, though they may, as soon not hastily effected. The United States as it is over, repudiate and punish its authors. ave, to, use a favorite expr ssion, gone ahead since the revolution; but it must be emembered that prosperity has only succeeded to years of shinplastering and war."

Europa.

THE REVENUE.

The revenue returns for October quarter have been published, which exhibit a satisfactory state of affairs. The customs duties for the peace, the important office of Custos Rottorian decrease of £153,211; but on the year and the peace of £293,736. On the other hand, the excise has increased on the quarter by £155,000, whilst on the year it has fallen off by no less than £413,945—The states of £224,805 on the quarter, and on the year of the fallen office.

THE REVENUE.

The revenue returns for October quarter have been published, which exhibit a satisfact tory state of affairs. The customs duties for the peace, the important office of Custos Rottorian adverse of £293,736. On the other hand, the excise has increased on the quarter by £165,000, whilst on the year it has fallen off by no less than £413,945—The states give a very slight improvement on the quarter, and on the year the increase £125,408. The taxes give a very slight improvement on the quarter, and on the year, whilst the property tax has especially improved by about £21,000 on the quarter.—

THE ROMAN STATES.

The revenue returns for October quarter in the ended of this maintain the name of Amurath, and becomes a three bailed pashid assumes of the familiary genius. Kossuth has written a very eloquent letter on this present position to Lord Palmerston.

Is under the distance of 1300 miles from the 4th the name of Amurath, and becomes a three bailed pashid assumes and the bailed pashid assumes only to the 9th August, and out of 107 men only its military genius. Kossuth has written a very eloquent letter on the very eloquent letter on the fall pashid assumes of £203,736. On the other was a general increase of £293,736. On the care is general increase of £293,736. On the care

moderate price. The increase of the expairs of the country during the first eight months of 1849, is now £7,570,000, which not only absorbs the enormous decrease of last year, but leaves an improvement of £2,283,000, as compared with 1847. Whilst the total exports have thus augmented fully 24 per kent.

AUSTRIA AND HUNGARY.

It has been rumoured that the Hungarian of General Augic to congratulate them up and General Augic to congratulate them up on their energetic and resolute conduct, and have slept for 75 nights, without a covering save the campy of the news.
