Mr. J. E. Peters will address the meeting Sunday afternoon.

UP TO DAY.—The case of Isaiah Bickerton of the Salvation Army against Thomas Elter of Westmorland Point for assault comes up before Magistrate Cahill to-day. Bickerton claims that while marching in the Salvation Army on the evening of Dec. 1st last Elter drove over him seriously injuring him. The collision occurred between Brunswick House Hill and Cran's Corner. T. A. Kinnear appears for complainant.

CASE IN EQUITY.—H. A. Powell has been home from Fredericton for a few days attending the Estabrooks vs. Estabrooks case in equity at Dorchester. Seven years ago Burton Estabrooks of Centerville deeded his farm to his daughter Mrs. Valentine Estabrooks of that place in consideration of support for herself and wife during remainder of their lives. Lately a quarrel has arisen and Burton Estabrooks has entered a suit in equity to set aside the deed. Powell & Bennett for plaintiff and F. A. Kinnear and B. Barry Smith for defendant. Hon. Justice Hamilton presides.

RELIEF FUND.—A subscription list for relief of the distress in Newfoundland was started in Sackville last week by Rev. W. Harrison and Dr. Allison and a draft for \$275 has already been forwarded to the relief committee. St. John's Nfld. A supplementary list will be sent later and those who have not yet been given an opportunity to subscribe may lend their contribution to Dr. Allison or Mr. Harrison, or leave them at the office of the Post.

FOOTBALL CONCERT.—The Mt. Allison Athletic Association is making arrangements for a grand Football Concert to take place in a few weeks time. The concert will be somewhat different from that of last year and will embrace some features entirely new. College songs and medleys will form a prominent part of the programme, and one of the most eloquent speakers in the University will deliver an oration. The entire entertainment will be along popular lines. Further announcements will appear later.

A. O. U. W.—Tuesday evening at the regular meeting of the A. O. U. W., Mr. Archibald Woods, grand organizer of Quebec and the Maritime Provinces, was present. Mr. Woods has been visiting various lodges in the province. He has initiated about thirty new members and put in two new lodges one at Marysville and one in St. John. The Grand Lodge for Quebec and Maritime Provinces was formed in January 1894 and has now nearly 3,000 members. There were twelve assessments of \$1 each in this lodge last year or \$12 on \$2,000. The average yearly cost for thirteen years in Ontario is \$1.25. The membership of the whole order at present is about 345,000. Since its initiation the order has paid out \$57,407,506. In Sackville lodge officers for '95 were installed by Mr. Woods as follows:—M. W. R. P. Foster; P. M. W. J. F. Allison; E. Alex. Ford; O. R. King; Recorder, B. E. Teod; Financial, W. Turner; Receiver, The Marquis; Guide, H. E. Henderson; J. W. H. Wray; O. W. E. F. Ayer.

COUNTY POOR HOUSE.—The second of a series of letters by C. E. K. regarding a county poor house and housing for Westmorland appeared in Tuesday's Times. The writer shows that the total annual expenditure for the support of poor in Westmorland county is \$7,250 and that the cost is increasing from year to year. Following are the figures given which with the cost of Moncton almshouse make up the total:

Bedford	£ 658 82
Westmorland	190 52
Sackville	929 87
Salisbury	1,238 79
Dorchester	943 43
French	800 00
Moncton	659 80
French	400 00
Shediac	169 78
French	500 00
Total	\$6,208.92

The letter concludes: "The Dominion has a marine hospital at Sackville, now seldom used. The Executive may hereafter require a place where seamen at the head of 'the Bay' could be taken care of when ill or suffering from accidental injuries, and would perhaps incur less expense than a hospital in Westmorland for the treatment and care of sick and disabled mariners. I repeat the subject is an important one, and will that it should be discussed in all the papers in the county so that if a conclusion is reached the necessary legislation may be obtained at the next session of our Legislature."

Local.

THE STANLEY which has been making very regular trips of late lays up on Monday for a week to clear her boiler.

To St. John.—Alexander McInnis of Middle Sackville whose mind has become somewhat deranged was taken to St. John for treatment on Wednesday last week.

THE NEW PRESBYTERIAN CHURCH at Shediac was dedicated Sunday by Rev. Dr. Macrae of St. John and Rev. Mr. Robinson of Moncton. The new building is better and better adapted to the wants of the congregation than the old which was destroyed by fire some months ago.

On Tuesday morning when word of the death of Miss Anna Mack in the hospital at Middleton, N. Y., reached here by telegram, Miss Mack had gone to the hospital about a fortnight before to be treated for appendicitis, but it was some form of abscess which caused her death. The news was received here with universal regret as Miss Mack was not only greatly admired as a singer but also very highly esteemed by her many friends here especially as the husband, a wreath of flowers was ordered sent by Dr. Borden for the funeral.

THE CAPES ROUTE.—Saturday evening's Transcript states that the N. B. and P. E. I. train which left Sackville Tuesday morning had not been returned. The Transcript had been misinformed. The train got back Thursday night and on Friday and Saturday made regular trips carrying mail both ways and on Saturday evening getting back sharp on time. Compared with other branch roads as the Albert, and Bouctouche and Moncton, the Cape line has done remarkably well, and the management deserves full credit for their active and successful efforts to keep the line clear. Monday also the train made both ways but Tuesday the boats were unable to cross on account of fog. The train is now making her regular time. Yesterday the boats crossed both ways and the train brought back a day's mail and ten passengers, one of them a lady.

THE ANNUAL BAND CONCERT held on Friday evening last was well attended despite the bad roads and threatening weather. An excellent program was rendered and the band showed the results of careful training and steady application. Applause was long and frequent. A notable addition is Mr. S. J. Trow, bass soloist, who delighted the audience and was applauded to the echo. Mr. Trow's efforts to improve the band by introduction of new instruments and careful training are meeting with good success. The concert solo by Mr. Allison and the concert duet by Mrs. Ansell and Snowden were much appreciated as was also the brass quartette by Messrs Snowden, Rogers, Sharp and Ansell. Mrs. Ansell who is possessed of considerable instrumental ability, appeared to excellent advantage in her reading The Little Hero and received a most hearty encore. Perhaps however the excellence of the program was best shown by the vocal solo of a young lady, a soprano and was listened to in breathless silence broken at the close by a storm of applause. Her response to an encore was again enthusiastically received. The program for the first two numbers in reality sang four and did not satisfy the audience even then. His first selection, "The Sentinel and the Soldier" was very fine and with much feeling and delicate conception of the merits of the piece. "The death of Nelson" (by request) quite captured the hearts of the audience. The encore was appropriate. Mr. Mayne has won many admirers in Sackville by his visit. Regarded from a musical standpoint the entertainment was probably the most successful yet held by the band.

Wedding Bells.

MORRISON-RICHARDSON.

Seventy or eighty guests assembled at the residence of Mr. John Estabrooks Tuesday evening to witness the marriage of Miss Cassie L. daughter of Chas. A. Richardson to Mr. Rufus S. Morrison for the ceremony was performed by Rev. W. C. Vincent. Beside the Sackville guests a number were present from Amherst and other places. After the ceremony the company sat down to a bounteous supper and after a few minutes of social conversation the guests were dismissed. The presents were numerous and very handsome. Mr. Morrison left yesterday for his home in Lynn. Mrs. Morrison will follow in a short time.

CROSS HUTCHINSON.

"The Hyde Park (Mass) Times says: One of the prettiest home weddings of the season at Moncton was that of Miss Abigail Cross, daughter of Joseph A. Cross of this place, and Miss Edith Alma Hutchinson, daughter of Mrs. Louisa Hutchinson of Dorchester B. The ceremony was performed by Rev. G. A. Phinney, assisted by Rev. J. J. Perity. Edwin R. Briston officiated as best man and the maid of honor was Miss Emma Cross, sister of the groom.

The bride wore a handsome costume of white silk, cut and trimmed with pearls and lilies of the valley, and she carried a bouquet of the same flowers. The maid of honor wore a very pretty dress of white lace and carried a bouquet of pink roses and a large number of friends called to offer congratulations. A long list of presents follows.

Great Shemogue.

—Snow showers are in demand.
—Miss Josie Ayard is visiting friends in Sackville.
—Mrs. Lewis Ayard is slowly recovering from her recent illness.
—Mr. Harold Ayard of Boston Mass is visiting his friends at home after an absence of six years.

—We have had no service in the Methodist church for the last three Sabbaths. Our pastor resides about ten miles from us. But we hope to see him again in the future.
—Joshua Tingley sen. is confined to his bed from the effects of a fall short time ago. As he is now in his ninety eighth year his recovery is doubtful.
—The storm of late have been so severe the roads are in a very bad state. Several lumbermen are out of the woods owing to the depth of snow. C. F. Ayard & Son have suspended operations in that line at present. The mail carrier did not make his regular trips during the storm but he had good service under circumstances.
—Quite a contrast between this and last winter in the hay market here; it is plentiful and no demand at present.

Personals.

—Archibald Martin, a colored porter on the I. C. R. Pullman car, who appropriated a \$1,000 check of one of the passengers about four years ago and was sent to Dorchester penitentiary for six years has conducted himself so well that his sentence has been remitted. He was set free last Monday. He has made himself so indispensable to the warden that he goes back to work for him.

—Geo. J. Treuman returned home Saturday evening from Boston Mass. where he has been having specialist examine his eyes. The report is most encouraging.

—Inspector Burke of Indian Revenue Dept., St. John, was in town last week.

—Several Sackvillians went to Dorchester yesterday to attend the marriage of Miss Beattie Lane of that place to Mr. Michael Wynn, brakeman I. C. R. Father Cormier performed the ceremony at 3 p. m. The honeymoon will be spent at Halifax.

—James Forbes, operator at I. C. R. station here left Tuesday evening for Waverley near Halifax to attend the funeral of his brother who died of fever Tuesday noon.

—Senator Ferguson of P. E. Island passed through Sackville on his way to and from Ottawa last week. A special train took him the Cape Monday night, but he could not reach the place being filled with snow. Another man was detained a long time the same morning in clearing his back kitchen—an outside door on opposite sides thereof had been forced open by the storm. So far no cases of real suffering have come to light though it is known that certain supplies for men and beast became exhausted during the prevalence of the storm.

—The horse of the resident Methodist clergyman, after being on short allowances for several days, was finally left without any hay. A neighbor kindly supplied a little between two storms, which may last until a supply enjoyed at some distance can be obtained.

—The staff of life at a boarding house was wanting fast, and over the drifts from a point a mile or more away a man had to draw a bag of flour on a hand sled.

—The infant child of Capt. Jacob Allen of Bayfield died on Monday afternoon aged about five months. It was ill of a gripple less than a week. Within less than two years death has claimed from this home two children. The parents have the sincere sympathy of the community.

—Alfred Raworth Esq. of the Upper Cape has been troubled recently with an affection of the throat interfering with articulation and deglutition. The affection was suddenly and was at latest report gradually disappearing.

—Mrs. Allen, relict of the late Thompson Allen Esq. of Bayfield, died of a gripple at an early hour on Tuesday morning after a few days illness, at the residence of her son-in-law, Mr. F. J. Allen. She was 81 years of age; her maiden name was Porter; she originally lived at Amherst Head, N. S. and had been a widow 13 years. Her life was a most exemplary one. In religion she was first of all a Christian, and in her profession of religion she was a Baptist. The funeral took place yesterday afternoon. The ceremony was performed by Rev. A. H. Lavers assisted by Rev. C. W. Hamilton. Rev. Lavers preached an appropriate sermon from 2 Cor. IV 17 and 18. A large number of relatives and friends attended.

Bale Verte

—Feb. 12th A basket social held at Coburg Monday evening 4th inst. proved quite a success. \$9.50 was realized. Last week.

—Two of our oldest settlers passed away last week. Mrs. Daniel Casey, of Bale Verte, in the 80th year of her age, and Mr. Christopher Atkinson, of Tidnish in his 78th year.

—On account of the storm no service was held on Sunday last in either of the churches. The storms which have prevailed throughout the country were the most severe seen here for a life time. The public roads are blocked and travel for some considerable time will be next to impossible. We have had only two mails since the 4th inst.

—Mr. Morley Turner has returned home from the United States.

—Storms have been very plentiful. The Cape Train did not make her regular trips last week on account of the snow.

—The lumbermen are not doing as well now as in the past on account of the snow.

Upper Cape

—From the first of this month to the present date 12 inst the weather has been one succession of storm, snowing, blowing and drifting. The snow on a few of the woods is over four feet deep. The roads are 8 or 10 in places, travelling and work is at stand still.

—J. Fred Raworth came near losing a valuable horse in Tuesday's storm 5 inst. He left from Raworth's at noon for home taking the ice at Harvey Allen's point. His horse broke through in 8 feet of water. Unable to get him out he sought help.

—The aid of Harvey Allen and his boys he got the horse out about gone. The horse was taken to Mr. Allen's barn and well cared for. Determined to go home Fred started on foot on a journey of three miles facing a blinding snow storm blowing a gale. He reached home about dark exhausted having lost his way once or twice. He says he never wants to pass through such another experience.

Torrentine Notes.

Feb. 13. All out door activities have been for the last two weeks greatly limited by the severity of the weather. Storms in every direction are almost impossible though they have been broken out after each successive storm. Church doors have not been often opened for many days and when opened have been entered by few. For two weeks preachers have had very easy times so far as preaching is concerned though it may fairly be assumed the usual amount of sermonizing has been done. The detention from church on account of the storms and bad travelling has, it is hoped, afforded the people the better opportunity for the cultivation of home piety.

—Mrs. Jones, daughter of John Harvey Trenholm of Bayfield, mourns the loss by death of her first born child eleven weeks of age. The child was buried on Thursday of last week. Mr. Jones is absent in the United States.

—Farmers experienced much difficulty during the recent storms in attending to their stock, it being some days impossible to get the animals to water. Owing to the unthawing and blowing open of doors and windows the interior of some barns took on wintry appearances, and indeed this was the case with some human dwellings as well. One man reports great difficulty one morning in finding his moccasins in the main room of his home, the door having blown open during the night and the place being filled with snow. Another man was detained a long time the same morning in clearing his back kitchen—an outside door on opposite sides thereof had been forced open by the storm. So far no cases of real suffering have come to light though it is known that certain supplies for men and beast became exhausted during the prevalence of the storm.

CUMBERLAND NEWS.

—The annual meeting of the Rhodes Curry & Co. Ltd. will be held 26th inst. It is said a satisfactory dividend on last year's work will be declared.

—Gilbert Seaman, one of the oldest citizens of Minudie, died at his residence Sunday morning at the age of 75 years. Gilbert Seaman was born at Minudie, the son of Amos Seaman. He deceased was a member of his father's firm A. Seaman & Co., who did business at Minudie many years ago, but recently he has lived a quiet life. He was universally respected by those with whom he came in contact and his death will be generally regretted. He was the father of the male members of the family. He leaves three sisters, Mrs. (Dr.) Mitchell, Amherst; Mrs. (Senator) Macfarlane, Wallace, and Mrs. George Hubbard, Lower Cove; two sons, Mr. Frank, of Minudie, and Dr. William, late of River Hebert, and two daughters, Mrs. (Rev) Pike, of Ocala, Florida, and Miss Emma.

River Hebert.

—The funeral of the late G. Seaman Esq. on Sunday afternoon 17th inst. was attended by a large number of persons although the roads were very bad.

—Mr. J. Peck, has kept account of the fall and winter weather. He has found that the new year morning up to the 11th inst. we have had 79 inches and we had about 3 inches since the 11th. Of course it has settled a good deal, but it is very deep in the woods and on other places, especially on the main roads where it has drifted in. The people build high road fences in many places, and close to the road ditch. It did not seem to be an improvement to rebuild those fences with wire (the plain kind) as fast as the poles and boards fences require renewing.

—It is hard to break roads and keep a track open especially in districts where a good many of the men and teams are in the woods.

—Rev. D. Wright, of Spring Hill preached in the Presbyterian Church here on the afternoon of Sunday last, but is a little better.

Amherst.

—Our latest bride Mrs. T. N. Campbell is receiving this week.

—Dr. D. C. Allen who has been absent for some weeks for the benefit of his health is expected home this week, with Mrs. Allen who accompanied him.

—Mrs. Thomas L. DeWolf of Port Greville spent two or three days in town on her way to St. Stephen, N. B., where she has gone to visit relatives.

—The Parlor Concert at the residence of Mr. John McKen on Wednesday evening last in aid of the Y. M. C. A., proved highly profitable and enjoyable. About \$40 was realized to swell the fund.

—The skating rink is proving quite attractive and we presume lucrative to the promoters. Another fancy dress carnival is down for Monday evening next, and Green and McCracken will give an exhibition of their skating on Friday evening.

—A brick block is to be erected, "so reported" on the site of the old Lamy mill, where it is to be connected as soon as practicable. Stores have already been engaged in the prospective block.

—Our energetic firemen did good work again at the fire early last Thursday morning confining it to the one house. Mr. Anderson's \$13,000 worth of stores were more injured by water than fire, and the same may be said of Dr. McCully's dental outfit.

—Dr. McCully will open about the first of March in rooms over Morris and Bent's store, where they are now being fitted up by the proprietors.

Point de Hebe.

—Angus Tingley of Upper Pt. de Hebe, is dangerously ill. He was a little better however at last report. Dr. Bowser of Sackville is attending him. The only son of Babby Oulton of the same place is very ill from inflammation of the bowels. Dr. Bowser is also attending Mrs. Jones, widow of the late William Jones, who is likewise very ill.

—The public temperance meeting in celebration of the forty-fifth anniversary of Westmorland Division was very successful. The W. P. of the Division, Walter W. Wells presided. The speakers were Rev. Mr. Lavers, W. C. Fullinwider, who was a charter member, and Dr. Treuman, Nathan Miner who is a son of the first worthy patriarch James Oulton, Walter Miner and Frank Treuman who gave a very interesting recitation. Sir Leonard Tilley organized the division with the help of the late S. F. Black and the late Dr. Treuman. The charter members were Mr. Lavers, W. C. Fullinwider, and James Moir. Only two of these have remained in connection with the division during the forty-five years. Edward Treuman and Hiram Treuman are still honorary members of the division. The original charter having been burned with the hall in 1856 during the time the prohibition law was in force makes it difficult now to determine just who were charter members.
