SPENT SUNDAY AT HOME

Dr. Neil Smith spent Sunday at his father's home in Tilbury. "The shooting of oil wells out that way," he says, "is becoming an everyday occurrence, with the people of the vicinity, who at one time came from far and near to see a well shot. Now they don't think anything of it. There are so many of them being shot all the time. Many of the farmers who have wells on their places are piping the gas up to their residences, where they will use it for fuel during the winter season."

NEW PAVEMENT TO GO DOWN

King St. West Will Be Adorned With A Bitulithic Road Bed

REPORT OF THE EXPERTS

"Not before it is needed," is the general comment upon the action of the Council in deciding to put down a bitulithic pavement on King street west from Fourth street to the brick pavement in front of Piggott's office. Aid. Massey was the only absentee at the special meeting last evening when the matter was brought up and disposed of.

Mayor Marshall, after explaining the object of the meeting, read the following report from the men who were appointed to examine the work, and give a statement on its condition:

To His Worship the Mayor and Aldermen of the City of Chatham: Gentlemen,—We, the persons appointed to inspect the pavement on King street between Fourth street and the brick pavement laid by John Piggott and the Chatham, Wallaceburg & Lake Erie Railway Company, find as follows:

That the said street is in a dangerous condition and in our opinion must be renewed with a new pavement, as the present pavement cannot be repaired.

Dated at Chatham this 16th day of October, 1906.

W. H. CARSWELL,
JOHN E. STEPHENS,
ALISTER MCKAY.

After the reading of the report, Aid. Benson moved, seconded by Aid. Edmondson, that in the opinion of at least two-thirds of the Council, it is in the public interest to construct a bitulithic pavement, to replace the pavement now in a dangerous condition. This was carried unanimously.

Ald. Austin—Has the matter of the proportion of the cost to be borne by each of the ratepayers on that street been looked into?

The Clerk—The engineer's report attends to that.

Ald. Scullard asked as to the advice from the solicitor.

Mayor Marshall replied that the solicitor had given his advice that the pavement could be put down, according to a judgment given by Justice Meredith, where a pavement which was in a dangerous condition was replaced by a new pavement before the old pavement was paid for.

The by-law was then put through its various readings and finally passed.

Ald. Scullard then went into committee of the whole on the by-law appointing the new inspector, Aid. Austin in the chair.

Ald. Stone was first on the floor. He thought, along with Aid. Potter and Scullard, that the Board of Health should have made the selection of some one man from amongst

HIS LAST DAY

"This is my last day as Health Inspector," said Anson Mounter yesterday morning.

Today Mr. Mounter left the dull cares of Health Inspector, behind him to don a snow-white apron and help his brother in the William St. butcher shop. Good-bye to the back yards and side alleys for Anson's. Mr. Mounter should find his new work quite congenial, and his sunny ways should win him many friends among the customers of the butcher shop.

JAMES TOLES DEAD

West Lorne, Oct. 15.—The death occurred at the residence of his son, James Toles, Mill street, at nine p.m. Saturday of Mr. James Toles, aged 77 years and eight days. Deceased had been in poor health for some time, and had been confined to his bed for the past two weeks. A grown-up family is left to mourn his loss. The funeral service will be conducted at the house at 2.30 today, after which the remains will be sent to Wallaceburg via P. M. railway for interment.

DEATH'S CALL

Mrs. Sophia Hubble, an old and esteemed resident, passed away at her late home on Lacroix street yesterday morning. She leaves two children, Mrs. Wm. Simpson, Grey street, and Wm. Hubble, operator at the G. T. R. depot. The funeral will take place on Thursday morning at ten o'clock from the late residence on Lacroix street to the G. T. R. station. The interment will take place in Thamesville.

GEO. WEBBER IS APPOINTED CITY SANITARY INSPECTOR

The Appointment Causes Considerable Discussion At The Meeting—The Race Was Between Mr. Reid And Mr. Webber—The Truant Officer

The City Council, at their meeting last night, appointed Mr. Geo. Webber, who lives on St. George street, as civic Health Inspector. The appointment was made after considerable discussion on the subject.

The Mayor brought the matter up by stating that the members of the Board of Health, at a minority meeting in the afternoon, had recommended the names of Messrs. H. G. Reed, J. N. Adams and George Webber as efficient men to take the position. As there was a question as to the wisdom of the appointment, it would not be necessary for the Council to abide by their recommendations unless they so desired.

Ald. Edmondson—Is it necessary to appoint a new man to-night?

Mayor Marshall—We should do so. It only means a useless delay to leave the matter over till a later meeting.

Ald. Potter was of the opinion that the Board of Health should have met and appointed a man, and not throw the responsibility over their shoulders to the City Council. However, the Council had some names before them which had been recommended by members of the Board, and he was in a position to deal with the matter at once and have it settled. If the Board of Health couldn't get a man, it was their fault, and the best would have to be made out of the situation. He thought it was peculiar that the Health Board could not get a quorum to deal with so important a matter, and one which concerned the whole department so much. The Council were always able to get together when there was any business on hand, rain or shine, and often two or three times a week.

Ald. Scullard also thought that the Board of Health were the proper people to make the appointment, and he deplored the fact that they were unable to get a quorum together to deal with the matter. It was really a case where the Board of Health should make the selection, not the Council. He said that he for one would be very sorry if the Council should appoint a man who would not prove satisfactory to the Board afterwards.

Ald. Austin thought that the matter should be finally dealt with at once.

The Council then went into committee of the whole on the by-law appointing the new inspector, Aid. Austin in the chair.

Ald. Stone was first on the floor. He thought, along with Aid. Potter and Scullard, that the Board of Health should have made the selection of some one man from amongst

the applicants. There was an option open to the Council; they could either deal with the three names recommended by the Board or they could open the whole matter up again. He thought a vote should be taken to decide which way the matter should be dealt with.

Ald. Potter said that the Board were united on three names, and it was his opinion that the Board's views on the matter should be respected. If any one of those three were chosen, the Council would be complying with the wishes of the Board. Aid. Potter moved that Mr. George Webber be appointed to the position. He said that he had known Mr. Webber for upwards of thirty years, and he was sure of his efficiency and fitness to fill the position.

Ald. Benson said that he could not say much to what the other members had already said, but he thought that recommendations of the members of the Board should be abided by.

Ald. Edmondson moved that Jos. Northwood be appointed to the position. He said that he had known Mr. Northwood for upwards of thirty years, and he was sure of his efficiency and fitness to fill the position.

Ald. Stone moved in amendment that the whole matter be thrown open again for the aldermen to choose from the full list of applications submitted. This was lost, Aid. Edmondson alone voting for it. On account of Aid. Stone's amendment being lost, Aid. Edmondson's motion nominating Jos. Northwood to the position, did not hold good.

Ald. Stone then nominated Mr. Reid to the position. This was lost on the following vote:

Yeas—Scullard, Stone, Benson and Edmondson.

Nays—Austin, Thompson, Marshall, Potter and Radley.

Ald. Potter's original motion that Mr. Webber be appointed to the position, was then put, and carried on exactly the reverse vote to the above.

THE TRUANT OFFICER.

Ald. Potter remarked that the truant officer was, as a rule, appointed by the Police Commissioners. It was his opinion that this work should go back to the police, where it properly belonged. He moved that the Clerk be instructed to notify the commissioners that the Council recommended that the duties of truant officer should not be shouldered on the Health Inspector, as previously, with a salary of \$120 a year attached.

Ald. Stone thought that the duties of the truant officer could be capably looked after by the Humane Officer.

On Aid. Potter's motion being seconded by Aid. Benson, it was put to a vote and carried.

There are the officers chosen: Lady Edgar, Toronto, president; Mrs. John Thompson, St. Louis; Lady Laurier, Lady Taylor and Mrs. Sanford, Hamilton, vice-presidents; Miss Duplek, Montreal, recording secretary; Mrs. Frost, Smith's Falls, treasurer; Mrs. Willoughby Cummings, Toronto, corresponding secretary.

Two in Quebec County. Quebec, Oct. 17.—The nominations in the County of Quebec took place yesterday at St. Amable Indian Reserve, and at 2 o'clock there were only two candidates in the field, George E. Amyot and Lorenzo Robitaille. Dr. Neilson and Martineau have withdrawn from the fight.

Joseph Devlin spoke for Dr. Amyot and Henri Bourassa for Robitaille. Hon. R. Lemieux and Senator Choquette replied to Bourassa.

BORDEN'S ADVICE

Deplores Lack of Organization Which Causes Many Defeats.

St. John, N. B., Oct. 17.—A post-mortem examination yesterday on the body of Detective Warner of Montreal, who died from a wound received in the recent strike battle, revealed that the detective was hit by an explosive bullet.

The strikers' defence will be that he was shot by one of his own men, the bullet being the same kind that killed Union Leader Belanger.

The town is quiet. The bodies of the two dead strikers, Belanger and Theriault, will be exhumed by order of the Attorney-General, so that the new jury may view them.

W. H. Kelly and Alexander Cunningham, the other lumbermen here, have engaged fifteen of the strikers on the point of starvation and sent them to their camps about eight miles up the Lieve River.

The deadlock continues. A citizens' committee has failed to bring about a settlement.

Joseph Demery Elected. St. John's, Que., Oct. 17.—Nominations in the Counties of St. John's and Bonaventure, for a representative to replace the Hon. Philippe Demery, who has been elevated to the bench, resulted in the election by acclamation of Joseph Demery.

Secession in Australia. Perth, Australia, Oct. 17.—The Legislative Assembly yesterday, by a vote of 19 to 8, adopted a motion that the State of Western Australia secede from the rest of the Commonwealth.

FAILED TO GET QUORUM

Board Of Health Was Thus Unable To Select Their Inspector

THREE RECOMMENDED

A meeting of the Health Board was called for yesterday afternoon at three o'clock for the purpose of recommending to the City Council who should get the position of Health Inspector left open by the resignation of A. T. Mounter. It appeared impossible to get a quorum together, however, though considerable telephoning was done by the chairman in an effort to coax some of the absent members to the meeting.

Those who did attend were Dr. Charteris, Dr. Hall and Messrs. Baxter and Wanless and Inspector Mounter. Some discussion arose as to whether the Board should open and read the tenders when there was not a quorum present, but it was finally decided to do so, the chairman remarking that the tenders had been opened at the Council meeting held the previous night, and there could be no harm in the members of the Board looking over them when it was certain they would be made public by the newspapers later in the evening anyway. The tenders were the same as were presented to the Council Monday night.

After some discussion it was decided that as there was not a quorum present, the Board could make no recommendation to the Council. The members present, however, decided to recommend the following four applications to the Council, each member signing his name below the recommendation along with that of the M. H. O.

The gentlemen recommended to the position were James M. Adams, Geo. Webber, H. G. Reid and Warren Martin.

SUCCESSFUL SALE

The Ladies Guild of Holy Trinity church are holding a sale of home-made cooking at Williamson's grocery to-day. A Planet reporter called this morning, and found the ladies busy with a large number of customers. They said that they were quite satisfied with the results of the sale so far and they expected successful results before evening.

The ladies in charge of the sale are Mrs. N. H. Stevens, Mrs. F. Marx, Miss Beaton, Mrs. J. W. Hodgins, Mrs. R. V. Bray and Miss Northwood.

A BAD MIX-UP

Quite a serious mix-up of vehicles which resulted in some costly damage occurred on Queen street shortly before two this afternoon, while the crowd were going to the races. Just how the rigs got mixed up is not definitely known, but things were very exciting in the vicinity for a few minutes. The vehicles in the wreck were Lampard's double wagonette, Benson's coal wagon, a farmer's buggy and an auto. The street didn't prove wide enough for all to pass safely, and all three were jammed together. The coal wagon, despite its size and weight, apparently got the worst of it. The axle was broken, and it was otherwise considerably damaged. Two young men in one of the rigs was thrown to the ground and badly cut up.

The horses attached to Mr. Lampard's wagonette became unmanageable during the confusion which followed, and ran away from the boy who was driving them. Both horses had their legs gashed, and the harness was somewhat damaged.

Bad Knee Cured By Zam-Buk

A FOOTBALLER'S VALUABLE EXPERIENCE.

As an example of the value of Zam-Buk in cases of abrasions and injuries to muscles and tendons, as well as to the skin, the recent experience of Mr. E. Leslie, of Harriet street, Winnipeg, may be mentioned. He says: "While playing football I received a kick on the knee. I had had previous trouble with this knee, and expected that I would be laid off, unable to walk, next day. I rubbed on some Zam-Buk, however, and, to my surprise and pleasure, it prevented all serious consequences. Before I had used the second box the knee was quite cured. Now, I always carry a box when travelling, for I think Zam-Buk a blessing to humanity."

Such it has proved on many occasions. Made entirely from herbal essences, it is a purely natural balsam. It cures abrasions, sores, cuts, burns, blisters, itching, sore feet, itchy or chafed surfaces, sore feet, blisters or chapped hands, sore nipples—for all these, as well as for cuts, burns, bruises, scalds and everyday skin injuries. It is a veritable boon for household use, nurses, doctors and mothers everywhere give it a good word. Of its value to athletes the above case is but one example. Sherring, the winner of the Marathon race, used Zam-Buk while training, and used it for bruising, sore feet, and as an embrocation. The leading athletes of the world have expressed their appreciation of its value. All druggists at 50c. per box, or post free from the Zam-Buk Co., Toronto, upon receipt of price 6 boxes for \$2.50. Send one-cent stamp and full name and address, and free sample box will be mailed you.

WENT TO WALKERVILLE

For some time past a number of influential citizens, and principally Mr. Alex. McCallum, the hardware man, interested themselves in trying to secure an industry from Windsor which was looking for a new site. The industry was the Anthony Wire Fence Co., the manager of which wrote to Mr. McCallum some time ago, stating that it was likely they would remove their factory to a new site shortly. Mr. McCallum thought it would be a good idea to try and have the fence company locate in Chatham. So he and some other influential citizens brought their influence to bear to try and have it come here.

Things looked quite promising at first, but the company eventually decided to locate in Walkerville, which place was offering them some rather unusually good advantages. Mr. McCallum received a letter from the firm this morning stating that they had definitely decided to locate at Walkerville.

A great deal is said in advertisements about the quality of goods, but we think nothing is so convincing as the offer of the "SALADA" Tea Co., who are always inviting the public to go into their grocer's, get a packet of their tea and try it for a couple of days, and if they do not find it much superior to the tea they are using, it can be returned to the grocer, getting the full amount paid for the packet in return for the half empty one. This is a more convincing proof of quality than a dozen page advertisement.

Preventives, as the name implies, prevent all Colds and Grippe when taken at the sneeze stage.

Preventives are toothsome candy tablets. Preventives dissipate all colds quickly, and taken early, when you first feel that a cold is coming, they check and prevent them. Bowel Troubles of Childhood

It is impossible to exaggerate the value of FRUIT-A-TIVES as a medicine for children. They contain no alcohol—no morphine or cocaine—no dangerous drugs of any kind.

Fruit-a-tives are fruit juices—concentrated and combined with the most valuable tonics and internal antiseptics known to medicine.

Fruit-a-tives are free of calomel, cascara, senna and the host of violent purgatives that simply act by irritating the bowels. Fruit-a-tives are made from fruit and tonics and are pleasant to take, and so mild in their action that they never gripe or pain.

During the summer, when children are so apt to eat improperly, mothers should have a box of Fruit-a-tives always handy.

At the first sign of Diarrhoea, Indigestion, Headaches, Biliousness, Peevishness, Vomiting—give Fruit-a-tives according to directions. These splendid fruit liver tablets will instantly correct faulty digestion—clean and sweeten the stomach—regulate the bowels, kidneys and skin—and so invigorate and strengthen the whole system, that the little ones can quickly throw off the temporary illness.

Get a box now—to-day. 50c. a box or 6 for \$2.50. Sent on receipt of price. If your druggist does not handle them.

FRUIT-A-TIVES LIMITED, OTTAWA.

GROUP OF NEW SLEEVES.

Wear to be chic in the extreme, with never a hint of color to relieve their somberness. When made of handsome material, perfectly tailored and cut, nothing is smarter than one of these suits.

In dressy wraps and house gowns empire effects will still hold good, but it is in the back of a costume that the "period" influence is most seen.

Elbow sleeves for street wear have become unfashionable. They will appear on dressy indoor costumes, but for all other purposes they have had their day.

The sleeves seen in the illustration are among the newest styles of the coming season. The puffed effect at the top predominates, with pretty introductions of trimming farther down the sleeve.

VANITY'S VISION.

Silk Handkerchiefs Make Gilt Shirts. Evening Sleeves Are Short.

Silk handkerchiefs are making pretty golf and tennis shirts. Five handkerchiefs thirty-two inches square of soft silk in solid centers and varicolored borders are required. The plain part is plaited on the shoulders and a cuff border is set into the shoulder seams and brought tapering to the waist line. Under the arms is seen the plain silk.

HINTLETS OF FASHION.

Braiding to Be Much Used Next Winter—Navy Blue Again Popular.

It is predicted that braiding will have a great vogue this fall. Many of the new skirts show narrow silk and military braids applied so as to convey the effect of paneling. A wide kind with a cross plait forming a checked surface is being used a good deal on the new boleros.

Navy blue, the real dark blue that used to be considered so fashionable and attractive, has again come into favor. And black costumes for winter

are also in vogue.

At the first sign of Diarrhoea, Indigestion, Headaches, Biliousness, Peevishness, Vomiting—give Fruit-a-tives according to directions. These splendid fruit liver tablets will instantly correct faulty digestion—clean and sweeten the stomach—regulate the bowels, kidneys and skin—and so invigorate and strengthen the whole system, that the little ones can quickly throw off the temporary illness.

GROUP OF NEW SLEEVES.

Wear to be chic in the extreme, with never a hint of color to relieve their somberness. When made of handsome material, perfectly tailored and cut, nothing is smarter than one of these suits.

In dressy wraps and house gowns empire effects will still hold good, but it is in the back of a costume that the "period" influence is most seen.

Elbow sleeves for street wear have become unfashionable. They will appear on dressy indoor costumes, but for all other purposes they have had their day.

The sleeves seen in the illustration are among the newest styles of the coming season. The puffed effect at the top predominates, with pretty introductions of trimming farther down the sleeve.

THANKSGIVING !

THE Day, when we go back to the old home to feast on the home-fattened Turkey and the Pies that Mother makes. The Day, when Friend meets Friend. The Man, who goes a visiting as well as the Man who entertains will, of course, wish to appear at his very best.

We're ready to strengthen any weak spots in the wardrobe, and place a Man in condition to appear well on Thanksgiving Day.

SUIT, OVERCOAT, HAT, TIE, GLOVES. ANYTHING THAT'S WANTING, CAN BE FOUND HERE.

The style will be right, the prices will be right and the Man we dress will have something to be Thankful for.

Aldermen Express Favorable Views Re Civic Government by Commission

J. EDMONDSON RETIRES

They were in the City Clerk's office, waiting for a quorum of aldermen to arrive, just previous to the Council meeting last evening.

The conversation turned to municipal affairs, and the discussion was quite free and impromptu. Ald. Anstip's expressed intention to retire from the aldermanic field, was the first subject touched upon.

"Well," said Ald. Edmondson, "here is another you can count on when the next election rolls around."

Ald. Stone thought that he had heard Ald. Edmondson say the same thing before, but he was generally in the race and his election was always assured.

"No," continued Ald. Edmondson, "I am through at the end of this year. I have had enough and it is up to some one else to step in and look after the city's business."

"I'll tell you one thing," he continued, "if before Ald. Benson and the local press that the only way to run the city's business is by electing a civic commission. Let the city pay men who will devote their whole time to it."

Ald. Benson came in at this point and he put another spoke in the wheel.

Ald. Potter, who was present, thought that the scheme of appointing a commission a good one.

From all accounts the trend of the times seems to be towards a board of civic commissioners, and the abolishment of the present system of electing aldermen. It seems quite probable that in a short time Chatham will consider such a move.

The Markets

There was a large Thanksgiving market to-day. The excellent condition of the weather no doubt had a tendency to bring out both buyers and sellers, and to-morrow being more or less of a feast day the demand for dairy produce in general was good. Particularly was this the case with regard to poultry, of which there was an abundance on the square. The prices are somewhat changed from last Saturday's quotations.

MRS. BISHOP DEAD

Former Well Known Resident of Chatham Passes Away in Hillsdale Mich.

Mrs. Addie Bishop, wife of James M. Bishop, passed away at her late home at 46 Oak St., Hillsdale, Mich., October 8, after a lingering illness. The deceased and her husband were former Chathamites, well-known and highly respected here.

The late Mrs. Bishop was, before her marriage, Miss Addie Moorehouse, and she was brought up by her uncle, C. W. Raymond, of Mitchell's Bay, her father having died when she was but one year old. She was united in marriage to Mr. Bishop eleven years ago, and they lived in Windsor afterwards for four years, when Mr. Bishop died of his firm and he and his wife moved to Chatham. While in the Maple City, Mr. Bishop was employed in the Kent Mills as millwright. Later, Mr. Bishop again took up farming in Hillsdale, but owing to the ill-health of his wife he was forced to give it up, and he and Mrs. Bishop removed to Hillsdale, thinking that the change would perhaps benefit her health. They stopped with the late Mrs. Bishop's sister, Mrs. H. E. Wolcott, in Hillsdale.

The funeral took place to Lake View Cemetery, Hillsdale, where she leaves a husband and four children to mourn her loss.

The deceased lady was formerly a member of Victoria Ave. Methodist Church, was connected with the Ladies' Aid of the same church. She had been ailing since last February with a complication of diseases, and though she was given the best medical attention her health failed rapidly, ending in her demise.

ST. ANDREWS SOCIAL

A tea-meeting was held in St. Andrew's Church, 6th Con., Dover, on Monday evening. A large number of Chatham young people attended. There was a fine program provided which was as follows:

Selection—DeCov's Orchestra.
Address—Chairman M. J. Houston.
