The Institute has attempted to obtain the best original copy available for filming. Features of this copy which may be bibliographically unique, which may alter any of the images in the reproduction, or which may significantly change the usual method of filming, are checked below.

L'Institut a microfilmé le meilleur exemplaire qu'il lui a été possible de se procurer. Les détails de cet exemplaire qui sont peut-être uniques du point de vue bibliographique, qui peuvent modifier une image reproduite, ou qui peuvent exiger une modification dans la méthode normale de filmage sont indiqués ci-dessous.

The copy filmed here has been reproduced thanks to the generosity of:

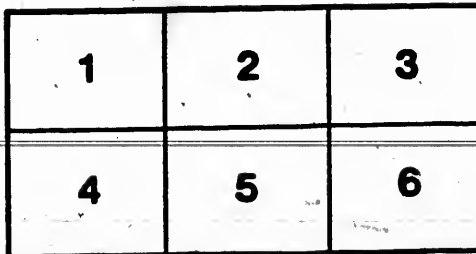

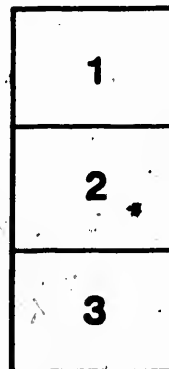

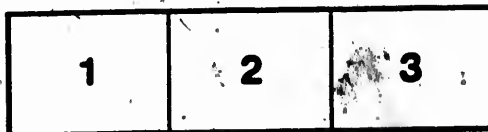

Société du Musée
du Séminaire de Québec

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Société du Musée
du Séminaire de Québec

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat, et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

**CONDITIONS OF
CARY'S
CIRCULATING LIBRARY**

I. Subscription for one month, three shillings and six-pence; for three months, nine shillings; for six months, fifteen shillings; and for twelve months, one guinea. The money to be paid at the time of subscribing. And single Books will be let out at the following rates:—4tos. 6d.; 8vos., 4d.; and 12mos. 1d. per volume.

II. Each subscriber is entitled to two books at a time, which he may change once a day, and not oftener.

III. Any book torn or damaged, while in the possession of a reader, must be paid for; or, if it belong to a set, the set must be paid for according to its value.

IV. No reader to keep any book beyond a week. Non-subscribers who transgress this rule, are to pay for every subsequent week the same as the first.

V. So long as books are kept in the possession of subscribers, (from whatever cause it may happen,) they will be considered as subscribers, and charged accordingly.

VI. No subscriber to lend any book to a non-subscriber, or others, it being thereby liable to be lost; and consequently, the subscriber in whose name it is lent, will be obliged to pay for it.

VII. Readers are required to return the books, without their being sent for.

VIII. Readers to have the use of a Catalogue, in the Library: but those who choose to take one home, are to pay for it.

IX. To prevent disappointment, when books are sent for, subscribers are requested to make out a list of several numbers from the Catalogue, of such books as they wish to read.

X. No books to be changed on Sundays.

XI. Strangers will be expected to deposit the value of such books as they may take, if required.

XII. Attendance will be given every day, (Sunday excepted,) at the Library, from eight in the morning to seven at night.

THE PROPRIETORS OF THE LIBRARY beg to offer their best thanks for the past support given to the undertaking. The difficulty of obtaining and keeping up a collection of books, in this country, must be obvious to all:—they therefore respectfully request that the readers will be punctual in the return of books, and that they will not require more at a time, than the number allotted. They feel it necessary to adhere strictly to the conditions of the Library, as being the only means of rendering justice to all the readers indiscriminately.

II. Chaque souscripteur a le droit de recevoir deux livres à la fois, et de le changer une fois par jour et le plus souvent.

III. Tout livre déchiré ou endommagé, lorsqu'en la possession du lecteur, sera payé ; ou s'il appartient à un ouvrage de plusieurs volumes, l'ouvrage sera payé tout entier d'après sa valeur.

IV. Aucun lecteur ne pourra garder un livre plus d'une semaine. Les non-suscripteurs qui contreviennent à cette règle, payeront pour chaque semaine subséquente de même que pour la première.

V. Aucun lecteur ne pourra emporter de livre de la bibliothèque, sans avoir préalablement fait inscrire le numéro dans un livre tenu à cet effet.

VI. Tant que les livres seront en la possession d'un souscripteur, n'importe pour quelle cause, il sera considéré comme souscripteur, et sera chargé en conséquence.

VII. Aucun Souscripteur ne prêtera de livres, soit à un non-souscripteur ou autres, étant par là exposé à les perdre ; et conséquemment le Souscripteur au nom duquel il sera chargé, en sera responsable.

VIII. Les lecteurs sont requis de renvoyer les livres, dès qu'il soit besoin de les envoyer chercher.

IX. Les lecteurs auront l'usage d'un Catalogue dans la Bibliothèque ; mais ceux qui voudront en avoir un chez eux le payeront.

X. Les Souscripteurs sont priés de faire une liste de plusieurs numeros du Catalogue des livres qu'ils désireront lire, afin de n'être point trompés dans l'attente de ceux qu'ils voudront avoir.

XI. Aucuns livres ne seront changés les dimanches.

XII. Les étrangers doivent s'attendre à déposer la valeur des livres qu'ils prendront, si on le requiert.

XIII. Il y aura une personne qui assistera tous les jours à la Bibliothèque, (les Dimanches exceptés,) depuis huit heures du matin jusqu'à sept heures du soir.

Les Souscripteurs et autres lecteurs sont respectueusement priés d'avoir la bonté de renvoyer les livres, avant de quitter leurs logemens, parce qu'il arrive souvent que par la négligence de ceux auxquels ils sont confiés, ils sont perdus, ou détenus longtems, ce qui prive les autres lecteurs, et cause un grand dommage au propriétaire.
