L., "*Schismatical Libeller*." He immediately changed the original meaning to STIGMATA LAUDIS, and upon this tyrant (Laud) he continued to pour his running fire of criticism. Contains a COMPLETE POLITICAL and PROGRESSIVE HISTORY of EUROPE and the WORLD at LARGE, for Upwards of Eighty Years. It was inaugurated by Sidney Smyth, at that time the CURATE of SALISBURY PLAIN, who had migrated to London, and whose masterly command of wit, and whose delightful companionship is proverbial throughout Europe. FRANCIS HORNER, whose purity of character and masterly intellect is so well-known among the learned, MALTHEUS expounded Political Economy, and Physical Science became clear and interesting by PLAYFAIR'S celebrated contributions. SIR JAMES MACKINTOSH illustrated alike philosophy and literature and politics. FRANCIS LORD JEFFREY afterwards became editor, and the inexhaustible downpour of Radical opinions from such writers as Ricardo, Hallam, McCulloch, proved too much for SIR WALTER SCOTT, who started the "Quarterly." Its criticisms upon Byron, More and Wordsworth are well-known, and commemorated in "*English Bards and Scotch Reviewers*," etc. It was afterwards edited by Prof. W. Empson, and more recently by Mr. Henry Reeve; its influence on literature and politics has been immense; its character and stability is beyond question.
