Herein Lies a Big Economy Sale Sixty-Nine New Spring Suits on Sale Every Model Reflecting the Season's Most Authoritative Style Tendencies

TEREIN lies the most important news in today's big paper, and probably the most important announcement from this store this season. It involves a sale of sixty-nine of this season's newest and most handsome tailored suits, reproductions of New York's most favored styles for the coming season, produced by the most noted fashion creators in the country.

The vast importance of this sale is emphasized by the fact that at this moment the thought uppermost in the minds of most women is of the new spring suit. What glad tidings this will bring them, when we tell these women who have not yet selected their new garments that this sale means considerable saving and on garments of the newest type.

Commencing today, therefore, we offer at special reductions, for a two-days' sale, sixty-nine only of our newest suits for spring and summer. Come the first day of the sale if you canof course, for, needless to say, the most striking models are usually snapped up first.

. This remarkable sale of brand new suits will naturally give many the occasion to ask the "Why" of such a sale at the very season when these garments are in greatest demand. And "Reason why" advertising has ever been this store's policy. Listen. Certain factories in the east had a little difficulty with striking employes, and consequently couldn't make deliveries when they should. These sixty-nine handso me suits were late in shipment, hence the whole and sole reason of this sale today and tomorrow-Tuesday and Wednesday.

Every new shade is included in the lot, as well as black and . the ever popular shades of greys, navys and browns. Sizes range from 32 to 42, and the price story runs as follows: Regular \$25.00 to \$27.50 Suits, Wednesday \$21.50

Regular \$35.00 Suits, Wednesday \$29.50 Regular \$37.50 to \$40.00 Suits, Wednesday \$32.75

Joliette, Quebec.

Gentlemen: During August last I went to Montreal to consult a Specialist, as I had been suffering terribly with Stone in the Bladder. He decided on an operation, and was assisted by another doctor. They said the calculus arger than a bean and too hard to crush, and they could not take it out.

I returned home suffering greatly, and did not know what to do, but was recommended by a friend to try Gin Pills. I bought a box, and I found relief of pain at once. I took a second and a third bex, after which I went back to the same doctor. He told me the calculus was reduced in size; still he could not relieve me of it, although he worked two and one half hours. I returned home again and continued the use of Gin Pills, as they reduced the pain very much, but I did not expect they would relieve me of the stone; but to my great joy I passed the stone on October 8th, and am now a well man and

very happy. I am sending the stone in to you so that you can see for yourselves what a great work Gin Pills did for me. Gin Pills is the best medicine in the World, and because they did me so much good I will recommend them all the rest of my life. My wife will testify any time that the stone I sent in to you is the same as passed by me. Yours truly, J. ALBERT LESSARD.

573 James St., North, Hamilton, Ont. Gentlemen:

When I remember how I suffered not so long ago from Kidney and Bladder trouble, and now now I am healthy and strong. I feel I should tell my experience and the wonderful merits of Gin Pills.

Four years ago I was taken down with inflammation of the Bladder. During the at-tacks, which occurred more and more frequently, the agony was unbearable, and I be-came so weak I could not walk across the floor. The doctors could do nothing to relieve or cure me.

My wife sent for a box of Gin Pills to try and see if they would help me. From the first they did me good-the pain was relieved at once, and the attacks began to come at longer intervals. I continued taking the Pills for six weeks, and then, to my surprise, and delight, the stone I sent you some time ago came from me and my pain stopped. It t now three years since Gin Pills cured me. I have had no return of the trouble, and 1 have not lost a day's work on account of it

There is not the slightest doubt that Gin Pills saved my life. Yours gratefully,

PAINFUL Mr. Jesse Gouge

We quote from Mr. W. J. Thorold, of London Press Association: (Albertan, March 11, 1910):—"To me the city presents the most remarkable future. I am told that in Calgary and vicinity, there will be commenced construction of works requiring an ultimate expenditure of TWENTY-FIVE MILLION DOLLARS, and of this sum the C.P.R. will expend Sixteen Million Dollars on the extension of their branch lines. The balance is to be expended in civic improvements and the construction of other branch lines into Calgary. Such an expenditure as this can only result in Cal-gary becoming one of the foremost cities in the Canadian or American West."

Try and realize what this will mean for Calgary. As a city expands, land suitable for gardening, or property that lends itself to home building, becomes greatly in demand and valuable. The near future will see such property commanding prices double what we are asking.

Calgary's progress during the last few years has borne out the saying, "There is no tomorrow." Putting off until "To-morrow" in Calgary realty has spent a lost "Yesterday" in thousands of instances. The future will bring regret to many who let OPPORTUNITIES pass. Others will take advantage of present offerings and invest, reasoning out the truth of Mr. Therold's statement: That Calgary will become one of the foremost cities of the Canadian or American West, with the consequent increase
