## SUPT. OF V.O.N. GIVES ADDRESS

### Miss Mary L. Boswell Speaks on Aims and Claims of Order.

Miss Mary L. Boswell, Inspector of the Victorian Order of Nurses of Canada, was a visitor in town this week and on Monday afternoon and evening addressed well attended meetings in the Board of Trade rooms during the course of which she reviewed the history of the Order, its rapid growth, popularity and the public appreciation of the work throughout the Dominion. In its first year of work it had 16 nurses but last year the number had increased to 277. It was organized in 1897 as a National Memorial in commemoration of the Diamond Jubilee of Queen Victoria. Its objects are to supply nurses thoroughly trained in Hospital and Public Health Nursing for the nursing of the sick, prevention of disease, and the promotion of health. The Order has had a nurse for some time in the town of Digby and in quite a number of other towns in the Province. In another issue The Monitor will refer at greater length to the work.

A committee consisting of Mayor H. B. Hicks (chairman), Dr. M. E. Armstrong, Dr. A. A. Dechman, Mrs. H. S. Maceo, President of the Women's Institute, and Mrs. (Dr.) C. W. Muir, was appointed to go into the question of ways and means with a view to having a nurse of this Order for Bridgetown and surroundings.

## GOOD ATTENDANCE AT BIG FAIR

### Nearly 1,400 Admissions—Booths Attractive and Pretty Well Patronized.

The big fair in aid of Bridgetown Athletic Club has passed into history after three very active days of existence commencing on Thursday afternoon and ending Saturday night. The attendance throughout was very good and results not at all bad. The booths were very well patronized and the business men in charge handled matters in a first class manner. Prizes given on floor tickets was a barrel of flour each night, Robin Hood brand from the well-known grocery of A. J. Burns. Winners were: Miss Egleston, Miss Ramey and Mr. H. T. Crosscup. Holders of lucky tickets in the popularity contest were Miss Edna Kinney who won the \$10 gold piece; Tom Chapman, the \$5 gold piece. The popularity contest winners were: first, Miss Hattie Anderson; second, Miss Florence Williams. Total attendance was nearly 1,400.

Bridgetown band gave good programmes of music and the various amusements and games were very fairly patronized.

## LACKENBACHER'S STORE AND HOUSE DESTROYED AT WEST DALHOUSIE

### Family Aways At Time. Not Known Whether Business Will Be Continued or Not.

The house occupied at West Dalhousie by Mr. J. Lackenbacher was destroyed by fire early Wednesday morning last, and the store adjoining was also burned to the ground with the stock. Mr. and Mrs. Lackenbacher were away at the time and the cause of the fire was not known at present. It is known that the store was some months ago from Kitchener, Ontario, and would to continue the business or not.

There is to be a "Cup Social" in the United Vestry on Monday evening, May 28th. A good evening's entertainment will be given as well as good tea, cake, etc.

Mr. and Mrs. Benson, of Sussex, N.B., who recently purchased the property of Mr. George Salter, arrived this week with their family to take possession of their new home.

Mrs. Rupert Sanford has been visiting Mrs. Albert Marshall, of Arlington.

Mrs. Charis Abbott, of Redding, Mass., was recently the guest of Mr. and Mrs. Ralph Berry.

Little Lawrence Bent had the misfortune to meet with quite a serious accident on Friday last, from a passing car. We wish him a speedy recovery.

Mr. and Mrs. William Warner, of Lawrenceport, spent Saturday at the home of Mr. and Mrs. Ralph Berry.

Mr. Henry Sanford has purchased and will shortly move into the Rupert Sanford place at West Paradise.

Mr. Percy Parker and brother Frank, spent Sunday at the home of Mr. and Mrs. B. W. Saunders. A guest for the week-end also was Miss Irma Campbell, of Paradise.

## LOCAL ODDFELLOWS CELEBRATE ANNIVERSARY

### Crecent Lodge Parade to Baptist Church and Are Addressed by Rev. A. J. Prosser.

On Sunday afternoon the officers and members of Crecent Lodge to the number of over a hundred, with a number of visiting brethren, celebrated the 104th anniversary of the founding of Oddfellowship by a parade to the Baptist Church where they were addressed in eloquent and suitable terms by the pastor, Rev. A. J. Prosser, who took as his text "The Golden Rule" and said in part:

The Oddfellows, like all existing institutions, must depend on its merit and on platform propaganda for its perpetuation. Inasmuch as it was rendering service to its constituency its future was assured.

In treating the text the speaker said that the closer the contact of the people the greater need there was for good will among them.

To the trend of people everywhere was toward the centres of population and hence the increasing necessity for right relations to exist among them. Misconduct endangering life was much more serious in a congested city than on a lonely prairie.

At different periods of the world's progress advocates had maintained that the hope of the world lay in the enlargement of the sphere of Education, Commerce, etc., but all had failed as far as contribution to the moral stamina or spiritual force is concerned.

The hope of the world lies in the Gospel of good will as practiced and preached by Jesus.

The quartette from Middleton rendered two selections with much acceptance.

## GRANVILLE FERRY

Miss Nettie Caswell returned home from St. John, N.B., on Saturday.

Miss Freda Mills having spent the past year in Lynn, Mass., returned home on Friday accompanied by her aunt, Miss Gertrude Roney.

Miss Jean Hutchinson, of Boston, and Mr. Rawald Dunmer, of St. John, N.B., were week-end guests at the home of Capt. C. W. and Mrs. Crosscup.

Rev. W. C. Machum, of Fredericton, N.B., was also a week-end guest at the same home.

## WOMEN'S AUXILIARY ANNUAL MEETING

### Upper Granville and Belleisle Societies of St. James Parish Have Pleasant Gatherings

Two annual Women's M. A. Auxiliary meetings have been held during the past week, within the parish of St. James, Bridgetown.

That of Upper Granville met at the home of Mrs. B. Gillis on Tuesday afternoon. The Secty.-Treas. presented a most satisfactory and pleasing report of the past year's work, and plans were made for the ensuing season, including the annual "Lawn Party" which will be held toward the end of July or beginning of August.

The officers for this year are: Pres., Mrs. B. Gillis; Vice-Pres., Mrs. J. Campbell; Secty.-Treas., Miss Sadie Chesley. The President will represent the branch at the Diocesan Annual Meeting in Halifax next week.

The proceedings on Tuesday were brought to a close with a social half-hour over "Afternoon Tea" which Mrs. Gillis knows so well how to serve.

The meeting of the branch at St. Mary's Church, Belleisle, was held at the home of Mrs. Hiram Young, on Thursday afternoon, and here also very encouraging reports were presented by both Secretary and Treasurer. But a note of sadness pervaded the meeting on account of the recent death of Mrs. Lyle, who, since the inception of the branch, fourteen years ago, has been its President. Probably no President has ever been more highly regarded as beloved, and her influence will long be felt.

The officers for the coming year are: President, Mrs. Hiram Young; Vice-President, Mrs. M. O. Wade; Secty.-Treas., Mrs. R. L. Dodge; Corresponding Secty., Miss A. P. Geener.

It was decided to hold the annual Ice Cream Social in Belleisle hall on the evening of Thursday, June 21st, the longest day.

## WEDDING

### Smith-Palmer.

A very pretty wedding took place on Wednesday evening, May 9th, 1923, at the residence of Mr. and Mrs. Robt. B. Palmer, Weston, when their second daughter, Ruby Gertrude and Floyd Murdoch Smith were united in the holy bonds of matrimony by Rev. P. R. Hayden, pastor of the Berwick Baptist Church.

At the strains of Lohengrin's bridal chorus, played by Miss Marion Hird, the contracting parties entered the parlor and took their places beneath an arch of evergreen and trailing arbutus. The bride was charmingly gowned in white duchess satin and orange blossoms, and carried a shower bouquet of white sweet peas, Mayflowers and maidenhair fern.

Little Dorothy Sanford, niece of the bride, acted as flower girl, strewing flowers as the bride and groom entered.

The bride's travelling suit was of navy blue serge with picture hat to match. Congratulations were extended, a sumptuous repast was served, after which Mr. and Mrs. Smith left by motor for Kentville en route to Halifax. After a brief honeymoon they will reside at Clarence, Annapolis County, the groom being a prosperous farmer of that place.—Com.

## POPULAR YOUNG LADY "SHOWED"

### Miss Marion Bishop Receives Many Tokens of Esteem—Social and Personal Notes.

About forty friends met at the home of Miss Marion Bishop Tuesday evening, May 15th, giving her a surprise party and bridal shower. A part of the evening was spent in games characteristic of the occasion, after which Miss Bishop was presented with a May-day float, elaborately decorated in pink and white and containing many lovely gifts. When these had been viewed and the bride-to-be had prettily thanked those present, a much enjoyed refreshment was served.

The Junior S. S. boys of Clarence met at the parsonage, May 19th, and from there, accompanied by Pastor Smith, went to Paradise Brook on a fishing trip. The day will not be remembered for the number of fish caught but the trip and the picnic lunch helped to make the day sufficiently worth while. Miss Sarah Elliott is teacher of this class and is doing excellent work on their behalf.

Mrs. William Daley, of Halifax, is making several weeks' visit with her parents, Mr. and Mrs. H. W. Langley.

## NOTES AND NEWS OF LAWRENCETOWN

### Interesting Budget of Social and Personal Interest to Readers.

Lawrencetown—Mr. P. N. Saunders, father of Dr. Saunders, has had an attack of illness. This gentleman lived for some time in Lawrenceport, but for years had lived in the States. Mr. Saunders sent a kind letter and a gift to the Baptist Church, of which he had been a faithful member.

Monday evening a meeting was called to plan for the new school house. More land is needed to enlarge the present ground and give better drainage.

Miss Mabel Archibald is at present in a rest "home" near Toronto. She will return to India in the Autumn.

Miss Cora Elliott will also leave for India about the same time.

Mrs. Ward and Mrs. Stoddard spent Wednesday in Middleton.

Mr. and Mrs. Chipman Archibald were out of town for the week-end.

Mrs. Stephen Jefferson has returned to her home having spent some weeks in Halifax. Miss Jefferson also is at home.

Mr. W. B. Bishop, Montreal, is the guest of his sister, Mrs. West.

Mrs. W. Shaffner is slowly improving.

Several ladies from Lawrenceton attended a very interesting missionary meeting in Clarence.

Dr. J. B. Hall went to Bridgetown on Thursday.

Mrs. J. B. Hall goes to St. John on Monday, 21st, for a few days.

Mrs. C. F. A. Patterson left on Friday for a visit to relatives in Portland, Boston, New York and Washington.

Miss James spent Friday in Kentville.

Mrs. L. W. Wallace has gone for a visit to Wolfville.

Mrs. Pearl Pidgeon was called to a serious case of illness in Middleton.

Mr. E. Stevens spent week-end at the home of his sister, Mrs. W. Prince.

Mrs. Clougy and Miss Blackadder went to Kentville on Friday.

Mr. Burpee Bent, of Belleisle, is reported to be very ill.

Mr. L. Hanley has purchased a handsome new car.

Methodist ladies will hold a pantry sale on Saturday next.

On Sunday 20th a Sunday school was re-opened. A great deal of interest is shown by the Brickton people in this good work.

A rather amusing incident took place on the D.A.R. As the passengers went to enter a car the guard said "Go into the next one, this car is not going on." The ladies obeyed the order, went into the next car, and found it was the smoker! The gentlemen were surprised at this invasion of their room. One lady opened the door of a supposed carriage and behold it was the baggage room. The ladies sat down, smoke or no smoke. Then came the word that two smokes had prevailed, and all could return to a more comfortable car. The fair invaders marched on and left the much relieved gentlemen to smoke in peace and comfort.

The Elm House, in a new coat of paint, is an ornament to the town.

People are busy getting gardens in order, and the lawns are looking green and well cared for.

## RUN OFF HOLDS UP TRAFFIC

Three cars of the West bound way freight left the rails on Monday evening at Rice's Cut, just below here. These were gotten back on the track again on Tuesday morning. The "Owl" from Halifax was held up here, last night by the accident and the night freight also suffered a hold up of some hours.

## DEAFNESS

NOISES IN THE HEAD absolutely cured by "LARMALÈNE" the new Continental remedy which instantly operated upon the affected parts with complete and permanent success. Astonishing cures are recorded. Mrs. K. Wilkinson, of Stroud, writes:—"I feel a new woman, for I can go to bed and get a good night's rest now, which I had not been able to do for many months. It is a wonderful remedy, and I am delighted to recommend it." Nothing equals this new preparation, and every sufferer should give it a trial. **SIR HENRY THORNTON FAVORS OPERATION OF EXPRESS CO. AS DEPART. OF C. N. R.**

Montreal.—That the operation of the Canadian National Express Co. as a department of the Canadian National Railways would not be only economical, but would also provide an improved and efficient service, was Thornton, chairman of the Board of the view expressed by Sir Henry Thornton, and President of the C. N. R., when discussing the question with a press representative here.  
Sir Henry made it plain that in supporting the proposal to bring the operation of the express company under the direction of the traffic department he was merely following the general practice which has produced the best results in the transportation industry. He pointed out that in England where for eight years he was general manager of the Great Eastern Railway, the express business was handled by the traffic department and that within the last two years, American railway officers have been over there studying the position with a view to introducing this system of handling the collection and delivery of express on the United States railroads.  
"There seems to have developed considerable misapprehension in regard to the proposal that the Canadian Express Company should be operated as a department of the railway company," said Sir Henry, who continued:

"It is proper therefore that the public should be reliably informed upon the subject.  
"The proper function of the express company and the duties of its employees are intimately connected and interwoven with the railroad and the work of its employees. Where express companies operate independently, as is the case in the United States, there is always a certain amount of friction and lost motion arising from the fact that there are two companies with two sets of employees trying to perform a transportation service on the same railroad. It, as is sometimes the case, the express company and the railroad company are in effect the same thing, there would seem to be no particular virtue in maintaining two separate companies."

Mr. and Mrs. Lantz, Bridgetown, were guests of W. P. Whitman, on the 6th.  
Mr. LeRoy Halsey, of Weston, spent the week-end with his sister, Mrs. Elbert Whitman.  
Miss Olive Hunt made a short trip to Round Hill last week to visit her sister, Mrs. E. Spurr. On her return she stopped off at Paradise with her friend, Miss Emma Sprowl.  
Mr. Jacob Beals, an aged resident, is in very failing health.  
Mr. Lawrence Morse, of the staff of the Royal Bank of Canada, has been spending his vacation in Sydney with his brother, Frank.  
Mr. Byron Morse was a visitor to Berwick last week.  
Mr. Jos. Woodworth, who had his house burned in the early part of the year, has had the shop moved on to the old foundation. This is being remodelled, a verandah and an ell is being added, so he will have a very nice residence when completed.  
Miss Iona Bishop gave a birthday party to her girl school mates on Saturday afternoon. Miss Helen Uihman won the prize in the peanut hunt. All report a very jolly time.  
The Women's Aid Society met with Mrs. B. M. Shankel on the 8th. The house-cleaning fever being at its height there were only a very few present.

**SIR RICHARD SQUIRES HAS BEEN RETURNED TO POWER IN NEWFOUNDLAND**  
St. John's, Nfld.—Premier Sir Richard Squires has been returned to power, probably by the same majority as in the general election of 1918. In that year the Squires party carried 23 seats in the House of Assembly to thirteen for the opposition. With only two seats to hear from the government was assured of twenty-one members in the Assembly, against thirteen carried by the opposition. The delayed returns are in St. Barbe and Burgeo, both regarded as safe for the Squires party.  
Twillingate district, which reported, returned three government members. Minister of Education Barnes headed the polls with 3,491 votes, his colleagues, Brown and Jones, taking 3,406 and 3,243 respectively. Ayre, Peters and Short, oppositionists, had 1,784, 1,678 and 1,634 votes in order.  
In re-electing Premier Squires the people of Newfoundland have endorsed the plan of the government to guarantee principal and interest of nine million dollars for the establishment of a pulp and paper industry by the Armstrong Whitworth Company, of London, England. The British government has undertaken to guarantee a similar amount towards the enterprise.

**N. S. FISHERIES—A NEW ASSOC. FORMED, OBJECT TO ENLARGE AND IMPROVE MARKETS**

The Nova Scotia Fisheries' Association came into being Tuesday night at a meeting of representatives of the industry from Lunenburg, Shelburne, Yarmouth, Digby and Annapolis Counties held in Yarmouth.  
Complete organization was not accomplished but a large number of charter members formed a committee to complete organization at once with W. A. Hodge as chairman. The aim of the Association is to enlarge and improve the markets for Canadian fish by seeking repeal of the Fordney-McCumber tariff or cancellation of the "modus vivendi" that permits United States fishing vessels port privileges that are not reciprocal. It was pointed out that if American vessels were not allowed to bait and take on fishing supplies at Canadian ports, there would be fewer operated and few fish caught, thereby opening wider markets for Canadian fish. This action was proposed if sufficient amendments could not be obtained to the Fordney tariff as respecting Canadian fish products. William Duff, M. P., Lunenburg, was the chief speaker.

**NOT SICK ONCE IN FOUR YEARS NOW**

**Mrs. Smith Declares Health Has Been Perfect Since Tanlac Ended Stomach Trouble.**

"For ten years hardly a day passed that I didn't suffer from stomach trouble, but I took Tanlac four years ago and haven't had a sick day since," is the remarkable statement made recently by Mrs. Thamar Smith, 85 McGee St., Toronto, Ont.  
"The little I managed to eat simply tortured me with pains in the pit of my stomach, and gas pressed around my heart causing it to skip beats until I thought it would stop altogether. I was as nervous as a witch, and lost so much sleep that I was dark and swollen under my eyes. I was so weak and run down I could hardly walk a block or do my housework, and was almost in despair."

"Tanlac certainly was a godsend in restoring me to such perfect health, and I think it's the greatest medicine ever made. Nearly everybody else on McGee Street seems to have used the treatment, and are praising it too."  
"Tanlac is for sale by all good druggists. Accept no substitute. Over 37-million bottles sold."

**MAIN FEATURES OF THE BUDGET**

(Continued from Page Two)  
sticks is left unchanged.  
A new item inserted to impose a duty on crude petroleum not in its natural state, 7900 specific gravity or heavier, a quality of petroleum being imported on the Pacific coast, the duty being three tenths to six tenths of a cent per gallon. Crude petroleum in its natural state remains free.  
A new item is inserted to put "unfinished" metal parts of spectacle and eye-glass frames on the free list.

**Will Benefit Dentists**

Dentists may get benefit of the low rates on composition metal and plated metal, which have in the past been opened to jewelers.  
The duties on iron and steel scrap under all three tariffs are cut in two, but there is a new provision inserted to limit the definition of what "scrap" is. There is also a revision in the definition of brass and copper scrap. There is a slight reduction in the duty on rolled iron and steel coming in under the British Preference.

**FOOLS AND FOREST FIRES**

Tommy and Tony were two pretty pets; They went to the woods and they smoked cigarettes, They tossed matches here, and they tossed the stubs there, Till suddenly wicked flames filled all the air.  
These flames burned the forest; they burned up the crops; They burned up the homes, and the factories and shops. They burned up the church, both the nave and the steeple; They burned up the village, and, alas! many people. Now when you go into the forest shades, cool, Don't be Tommy or Tony, act look a fool. Don't be careless with fire, don't toss cigarettes, Then the forest won't burn and you'll have no regrets. As for Tommy or Tony, they'd escaped once before, And carelessly thought they could do it some more; But found, to their sorrow, public feeling had risen, So, now, they are spending six months in a prison. —Quebec Chronicle.

**Lower Duty on Sugar**

In addition to the reduction in the duties on sugar, it is provided that the dumping duty shall be applicable to raw sugar, or to refined sugar when the value at the place of shipment direct to Canada is more than eight cents per pound.  
A new drawback clause is added to the tariff to provide for a drawback of thirty per cent, on raw sugar and molasses used in the manufacture of molasses, but not to include molasses produced in the process of refining sugar.  
There are also six other new drawback clauses added to the tariff, including a 99 per cent. drawback on oil for use in making Manila rope, glass tubing for scientific apparatus, soda ash for sodaless copper in block-ings or bars for trolley, telegraph.

**Excise Tax on Light Canadian Wines**

The excise tax on light Canadian wines is reduced from 30 to 7½ cents per gallon; and the excise on Canadian sparkling wine is reduced from \$3 to \$1.50 per gallon.  
No change is yet proposed as a result of the discount of ten per cent. in the duty on French brandy. Mr. Fielding said he would await results of that change before making any alteration in the excise.  
Five articles are added to the list of exemptions from the sales tax, namely: Raw furs, wool, drain tiles for farm purposes, manuscripts and newspapers.  
The bounty on manila fibre is repealed.  
The bounty on linen thread is to be allowed to lapse.  
The government will appoint a commission to investigate the question of placing an export duty on pulp wood.

Illustrated by Pictures at Primrose Theatre—Good Programme and Large Attendance.

The W.C.T.U. had a bumper house in Primrose Theatre on Thursday night when a varied programme was put on, much of it illustrating the beneficial effects of the cigarette habit. These were illustrated by slides and Rev. A. J. Prosser added appropriate remarks as the pictures were shown.  
The programme was as follows: "Onward Christian Soldiers". Pictures on Cigarette Smoking. Reading—Lydia Hopkins. Duett—The Misses Orlando. Reading—Olive Clarke. Song—Rev. J. H. Freestone. Remarks—Rev. E. Underwood. Mr. Underwood spoke very effectively on the various phases of the cigarette question and its menace.  
Reading—Miss Maud Hiltz. Piano Duett—Mrs. A. R. Bishop and Mrs. Freeman Corbett. Song—Mr. Charles Wheeler. Piano Solo—Miss Mildren Gardener. National Anthem.

**THE CANADIAN IS WORLD'S RICHEST MAN**

Toronto.—"If public deposits in banks and loan companies can be taken as a fair indication the Canadian is the world's richest man," said F. A. Hatch, of Hamilton. "These deposits amount to upwards of two billion dollars, or \$250 per capita."  
Mr. Hatch was addressing the annual meeting of the Ontario branch of the Canadian Manufacturers' Association here.

**CANADA'S ARMY ON THE RHINE WAS VERY COSTLY**

Ottawa.—The Canadian army of occupation maintained on the Rhine cost Canada \$7,350,976, according to an estimate made by the Overseas Ministry. This information was given to Joseph Archambault, Liberal member for Chambly-Verchere, in the House of Commons.  
"Did Germany or Canada pay this cost?" asked Mr. Archambault.  
"At a conference of Prime Ministers and representatives of the United Kingdom, the Dominions and India, the allocation of the sums received from Germany was decided upon. Canada's share being \$6,314,500," replied Hon. E. M. Macdonald, acting Minister of Militia.  
"Is the Government aware that the American forces on the Rhine did not cost the United States a penny?" pursued Mr. Archambault.  
"The Government has no information," was the reply.

## PORT LORNE

About thirty of Mr. Melbourne Charlton's friends from Port Lorne met at his home on the eve of his departure for Uncle Sam's domain and gave him a surprise. A very enjoyable evening was spent in playing games and singing, accompanied by the violin, after which refreshments were served by the ladies and Mr. and Mrs. Alfred Charlton. Wishing Melbourne a very pleasant trip and good success, hoping to hear his voice with us again soon.

A few days ago about fifteen of the friends and neighbors of Mr. and Mrs. Wm. Clark gathered at his wood pile and cut him a nice lot of wood, after which they were invited to the house where Mrs. Clark had a beautiful supper prepared and was very much enjoyed by all. Mr. and Mrs. Clark appreciate this kindness very much and wish to thank one and all who helped, as Mr. Clark's health is not very good.

## HAS CANADA A "SUGAR TRUST"?

General Managers and Presidents of Sugar Companies Summoned To Ottawa.

Ottawa.—If there is a "sugar trust" responsible for increasing prices of this household necessity to Canadian housewives, the special Agricultural Committee of the Commons, by questioning heads of the sugar industry in Canada, intends to learn of it. The General Managers and Presidents of five Canadian sugar refineries have been summoned to appear before the committee to give evidence on high prices and their cause, and also to produce all their figures showing costs of raw material, manufacture, distribution and spreads.

The summons has been sent to the following refineries: Acadia, Halifax; Atlantic, Canada and St. Lawrence, Montreal; and the Dominion Refinery, Wallaceburg, Ont.

Winnipeg.—Women's organizations throughout Canada have been asked to co-operate with the Women's Labor League of Winnipeg in instituting a national "sugarless day" as an initial effort to give effect to the boycott being organized against the recent price increase of the commodity.

Telegrams have been sent to organizations from coast to coast, and Mrs. Helen Armstrong, President of the League, stated that if support is given by other cities, the Dominion-wide day of protest against high prices would be launched next week.

## MILLIONS MADE IN ONE YEAR

"We landed in the city of New York last year 200,000 cases of whiskey," said Capt. Jabez White of Newfoundland, to a Sydney Post reporter, "and you have it from me, son, that we gathered in some coin on that deal."

This grizzled master mariner and veteran smuggler is en route to Gotham, where he will push off and join his vessel, which at present is anchored in Rum Row, off the New Jersey coast.

"Is there anything in these stories of enormous profits made by liquor barons in the rum running trade?" he was asked.

"Last year," he said, "we made four trips between Scotland and St. Pierre, and on each voyage carried back 50,000 cases of choice whiskey. Not daring to risk capture with that quantity on board, we called at the French colony, where we discharged 40,000 cases and then continued on to New York, where we stood off the coast and transferred our cargo to high powered motor boats and lighters. Having got rid of our supply we beat it back to St. Pierre for another ten thousand cases, and continued this routine during the season."

"We bought the liquor in Scotland for \$11 a case, which figures out at \$2,200,000 for the 200,000 cases. We sold the stuff to New York interests for \$50 a case, which totals \$10,000,000, giving us a gross profit of \$7,800,000. Not half bad for one year's work!"

"We in Canada were of the opinion that successful operation of the Volstead Act had made New York dry." "Dry? We have a list which shows us there are 6,000 saloons doing business in the greater city, and twice that many bootleggers," was the answer.

## TOO MUCH RED TAPE IN THE CIVIL SERVICE

Ottawa.—W. W. Cory, Deputy Minister of the Interior, was the only witness before the Parliamentary Committee enquiring into the operation of the Civil Service Act. A feature of his evidence, in support of his claim that the present system was too cumbersome, was the submission of a statement showing the voluminous correspondence which had taken place between his Department and the Civil Service Commission, and which, he said, represented about 50 per cent. of the time of his staff. He could see little advantage gained by the present system even over that in vogue prior to 1908.

But he did not blame the Commission. He thought it was trying to operate a "practically impossible system."

A statement read from the Chairman of the Soldier Settlement Board denying an assertion by a recent witness that his Department was about 300 overmanned as regards staff.

Major N. F. Parkinson, Deputy Minister of the Department of Soldiers' Civil Re-establishment will give evidence later.

Mr. C. F. DeWitt left on Saturday morning's fast freight with his trotting mare "Confection" and arrived in Truro early in the evening. The mare will be put in training for racing in the New Brunswick and Maine circuits during the present season.

## Would Not Be Without Baby's Own Tablets

Once a mother has used Baby's Own Tablets for her little ones she would not be without them. They are the ideal home remedy for the baby; being guaranteed to be absolutely free from opiates or other harmful drugs. They are a gentle but thorough laxative and have been proved of the greatest aid in cases of constipation, indigestion, colic, colds and simple fevers.

Concerning them Mrs. Ernest Gagne, Beauséjour, Que., writes: "I have used Baby's Own Tablets for constipation and colic and have found them so successful that I would not be without them. I would strongly recommend every mother to keep a box in the house."

The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

## SHIP SAIL FROM ST. JOHN

St. John, N. B.—The liquor trade is flourishing and schooners are leaving this port almost daily for, according to their clearance papers, ports in the West Indies but, it is alleged, probably to join the rum fleet off the coast of N. Jersey. Now that the worst of the stormy weather is over the trade is rapidly increasing and three schooners have cleared from this port within the last few days with exceptionally large loads of liquor.

Many of the schooners load their cargoes and, after clearing, quietly slip out of the harbor without attracting very much attention. A vessel will arrive from southern port in ballast and tie up at one of the local wharves for a few days and then quietly drop down and receive its cargo of rum and vanish suddenly as it arrived.

## SEVEN WEEKS BATTLE WITH ICE BETWEEN ST. JOHN'S, Nfld., AND NORTH SYDNEY

Completing a battle lasting seven weeks with the ice and elements from St. John's, Nfld., to North Sydney, via Port Aux Basques, during ten days of which the ship was fast in the ice only a few miles from North Sydney, C. B. the Reid Newfoundland steamer "Kyle" reached that port at 3:45 Wednesday morning. Immediately on reaching port, Captain Stevenson, of the Reid Newfoundland Company, and Mrs. Stevenson, who have been ill on the imprisoned ship, were taken to Hamilton Hospital.

## RESOLUTION PASSED BY TUBERCULOSIS VETS. ASSOCIATION

Kentville.—At a meeting of the Tuberculosis Veterans Association held here on the 8th inst., the following resolution was adopted: "That this Association place itself on record as strongly opposed to the Board of Pensions Commissioners' total disregard of the findings of the Royal Commission, and be it further resolved that copies of said resolution be wired Hon. E. M. MacDonald, Hon. W. S. Fielding, and Mr. Robinson at Ottawa."

The fact that the Pension Board has turned down several particularly deserving cases, cases which were being given fair consideration in the matter of adjustment prior to the findings of the Royal Commission being made known, when they were suddenly closed, plainly shows that they intend to challenge the Commission's report.

## SIX MONTHS IN RUSSIA BEST CURE

The orders given by Attorney General W. J. O'Hearn for the apprehension and arrest of Malcolm Bruce, the "Red" agitator and the raids which subsequently followed in Cape Breton resulting in the seizure of seditious literature are moves which commend themselves to all law abiding citizens in Canada. Understudies of the "Red Internationale" are not wanted in this country and it would seem incredible to many that the small coterie represented by Bruce, McLachlan and a few more fire-eaters should be allowed take part in and abet acts of disloyalty. We are glad to see that the authorities are at last taking moves to put an end to their mischievous activities.

The best cure which could be given some of these individuals would be a six months' exile to Russia where they would have an opportunity to study the methods of the Soviet at first hand. The cure was very effective in the case of Emma Goldman and others who went from the United States and would no doubt be equally so with the element which keeps Cape Breton labor circles in a turmoil.

The work of these men in Cape Breton has not been wholly evil. They have accomplished somewhat for the cause of labor. It is useless to deny that but the bad has for some time outweighed the good and they will become more and more regarded as scheming adventurers making a good living out of the credulity of their dupes.

## DEVELOPING AIR LANES

The British business man residing in Manchester and having business on the continent may leave Manchester at 9 o'clock in the morning, be in London before noon, and in Berlin before the shops close for the night. This is part of the schedule worked out by a new international system which will cover Europe with aerial conveyances. The air fare from London to Berlin will be little more than \$30—not an exorbitant amount in view of the relative novelty of the system and the fact that initial operating installations will have to be made before it becomes operative. Europe is rapidly developing air lanes quite as marked as railway lines and steamer routes.—Sydney Record.

## OBITUARIES

### Mr. Daniel Hubley

Mr. Daniel Hubley passed peacefully away at his late residence, Clementsvale, May 6th, at the advanced age of eighty years.

Mr. Hubley was a faithful, consistent member of the Baptist Church for many years. Altho in failing health for the past few years, he always attended the house of God when strength permitted. Mr. Hubley was a man widely known and respected by all, young and old.

He leaves to mourn their loss, wife, three daughters: Jennie Potter, of Clementsvale; Olive, of St. John, N. B.; Freelove, at home, and one stepson, George Phillips, of Mass., also six grand children survive.

Services were conducted at his home May 9th, by Rev. O. P. Brown, of St. John. Favorite hymns of the deceased were sung "Home, Sweet Home", "Bye and Bye", and "The Christian Good Night". The remains were then taken and laid to rest at Millford cemetery.

Farewell father we shall miss thee, There will be one vacant chair; But we'll linger by the fireside, When we breathe our evening prayer.

—St. John papers copy.

Decision was given on Monday by the arbitrators selected to decide the claim for damages of Prof. J. H. Morse against Frank Orde for having run down last year by his auto in Lequille and seriously injured. The award was \$600.—Spectator.

### Mrs. Daniel Parker.

Mrs. Daniel Parker, after a long and painful illness, passed away on May 13th.

Mrs. Parker was sixty-three years of age, a daughter of the late Joseph and Kezia Weatherspoon Gilliat, and was the last living member of her family. Mr. and Mrs. Parker had made this their place of residence until about ten years ago, when they moved to Ohio, Yarmouth Co., returning here three years ago. Mrs. Parker was a woman of fine qualities and was a member of the Methodist Church. She leaves to mourn their loss her husband, Daniel Parker.

The funeral was conducted by Rev. R. B. Thomas on Tuesday. Interment was in Parker's cemetery.

Floral tributes were very nice and as follows:—Philo, from husband; Cross, from Mr. and Mrs. J. L. Ambertman, and many other lovely sprays and wreaths from friends.

In every Office, there is one Superior Stenographer. One young lady upon whom the responsibility falls, one to whom everybody goes for information.

This Superior Stenographer is usually a MODERN or a SUCCESS graduate.

## Electric Service

Owing to erroneous reports going about regarding the twenty-four hour service and the special rates offered for motors and for household appliances, we offer the following explanation:-

The lighting rate remains as it has been since the installation of meters, and any person desiring to use small household appliances such as flat-irons, toasters, vacuum-cleaners, washing machines, etc., etc., on their electric light wiring may do so without doing any extra wiring by paying the lighting rate.

A special rate of 4 cents (net) per k. w. h. for household appliances, and especially for electric ranges or water-heaters, is available to any person who will install separate wiring or a time-switch. Either separate wiring or a time-switch is necessary in order that this company may install a separate meter to measure the current used on the low rate.

A special rate of 8 cents (net) per k. w. h. is offered for motor services of one half horse power to five horse power.

### N. S. STEERS FOR ENGLAND

Car Load Shipped From The Experimental Farm, Kentville.

Kentville.—A car load of fat steers consigned to the Deputy Minister of Agriculture, Dr. J. H. Grisdale, C. P. R. stock yards, Montreal, were recently shipped from the Experimental Station, Kentville. These were purchased from farmers last Fall and have been finished here for export. They will be graded in Montreal, and one-half of them slaughtered there and shipped to Great Britain as chilled meat and the other half shipped alive. In this way it is hoped to gain some information as to the best method of handling finished steers for export.

### HANTS CO. MAN LOSES FOOT

THROUGH BLOOD POISONING

Mr. Perry Lake, a D.A.R. railroad employee, received an injury to his foot while engaged as a member of a train crew at Avonport a few days ago. The injury at the time did not appear of a very serious nature, but the wound became infected, blood poisoning followed with the result that amputation below the knee was found necessary. The poisoning was finally checked through a second operation, the unfortunate man, whose home is in Walton, Hants County, losing the knee joint.—Hants Journal.

## CHILDRENS AID IS RE-ORGANIZED

Well Attended Meeting in Primrose Theatre Addressed By Supt. Blois And Rev. A. J. Prosser

OFFICERS ELECTED  
Executive Partially Named, Others to be Added to Make It Representative of Whole County

On Wednesday evening last there was a large gathering in Primrose Theatre of those interested in Child Welfare Work the need for which has been made pretty evident by a number of disclosures coming up during the past week or two.

Mayor Hicks presided and in the course of a few brief remarks referred to the fact that The Children's Aid Society had been organized here some few years ago but had become defunct. The present seemed an opportune time to revive it. He then called upon Rev. A. J. Prosser, who spoke on the needs and on the splendid work which could unquestionably be accomplished through the cooperation of the various churches with the officials of the town. The children had certain rights to which the citizens should respond.

The chairman then called up Mr. E. H. Blois, of Halifax, Supt. of the Province, of Delinquent and Neglected Children's Department. The question of Child Welfare was old as the human race and always true was the old scripture quotation: "Train up a child in the way he should go and when he is old he will not depart from it. The primary object of the organization was to keep the home life right to see that the children were properly cared for and looked after. Failing that the secondary object was to find good homes for them. This was an important incidental in making them good citizens. To bring children up right sympathetic and friendship must be shown them. To further the usefulness of the Society meant work and responsibility, but these things were well worth while.

The by-laws of the Society were read and approved and a nominating committee was appointed to select officers who were elected as follows: President—Rev. A. J. Prosser. 1st Vice-Pres.—A. M. King (Annapolis). 2nd Vice-Pres.—H. B. Hicks. Secty.—J. I. Foster. Committee composed of officers—Rev. J. H. Freestone, Rev. E. Underwood, Dr. M. E. Armstrong, Mrs. (Dr.) Mair, Mrs. H. S. Margee, Mrs. A. P. Runsey of Lawrencetown, C. L. Piggott, Mr. Fred W. Bishop of Paradise, Rev. W. D. Wilson of Middleton, Rev. W. R. Turner of Middleton, and others to be named so as to render the organization thoroughly representative of the County.

MAIN FEATURES OF THE BUDGET  
Ottawa.—The main features of the Budget are as follows:—  
Increase in the British preference on goods shipped through Canadian rivers and sea ports.  
Sales tax to be collected at source at the rate of six per cent.  
Reduction in sugar duties.  
Excise duties on beet sugar dropped.  
Cigarette tax reduction to former rates.  
Tax on "soft drinks," replaced by tax on carbonic acid gas used in manufacturing them.  
Bounties granted on hemp and copper with the ceasing of bounties on manilla, linen thread and petroleum.  
New items created to give protection to the artificial silk industry.  
Duty increased on raisins to allow offer of substantial preference to be made to Australia.  
Reduced excise on Canadian wines.  
Raw furs, drain tiles for farm purposes, manuscripts and newsprint to be exempt from sales tax.  
Duty on American Potatoes  
In addition to the changes mentioned in the official summary, the following appear on an examination of the budget resolutions:  
The duty on potatoes imported from the United States, or from any country imposing a duty on Canadian potatoes, is raised from 20 to 25 cents per 100 pounds under the general and intermediate tariffs and from 12 1/2 to 20 cents under the British preference.  
Raisins and dried currants are made free under the preferential tariff and raised from 2-1/2 cent to 3 cents under the other tariffs. The purpose of this is to permit of an advantage over other competitors being offered to Australia.  
Hemp seed for agricultural purposes is placed on the free list. This and the bounty on hemp are measures to encourage the growth of that business.  
The specific duty on malt flour containing less than 50 per cent. in weight of malt is reduced from three to two cents per pound, the ad valorem duty remaining unchanged at 35 per cent.  
Liquorice paste not sweetened is reduced in duty by five per cent. under all tariffs. Liquorice in rolls and

PHINNEY COVE  
Messrs. Peter and George White, of North Williamston, spent a few days with friends here during the first week of May. Mr. Joseph White at the same time visiting his father, Mr. Otho White, North Williamston. Mr. Winifred Young visited her brother, Mr. Harley Farnsworth, May 7th to 9th.  
The April pie sale was held on the 27th at Mr. Percy Fash's. We were pleased to meet a number of friends from Hampton, and all spent a pleasant evening. We have not been able to learn what the next appointment will be.  
We have had some sickness among us this Spring. Mrs. Clyde Chute is slowly recovering from a serious illness, two doctors being needed on the case. Mrs. Smith and Mrs. Vernon Bent have also been quite poorly but are now improving.  
Mrs. Turpel has gone to Mrs. E. B. Chute's, Bridgetown, for the Summer. Miss Eleanor Chute is home after spending some weeks with her sister, Mrs. Lloyd Hudson, of Upper Granville.  
Mr. Richard Sarty and son, Huev, of Granville Ferry, visited Mr. and Mrs. Edmund Bent a few days ago.  
Mr. Enos Munroe visited friends at Parker's Cove, May 6th.  
Mrs. Maus Banks and daughter, Lavenia, are visiting friends at Parker's Cove, going the 5th.  
Some of our men are getting good catches of lobsters.  
Mr. Bernard White, of Young's Cove, asked us to report the following:—A few weeks ago one of his hens had her crop break out through her breast until it was wholly on the outside. She carried it around in this way for some time but seemed to be in good health, and we understand Mr. White that she continued to lay regularly. Finally they noticed that the crop seemed to be distinct from the hen's body and only stuck to a few feathers. They caught the bird and by clipping a few feathers removed the crop. As nearly as they could tell, the hen has grown a new crop which seems to be a little to one side instead of in the usual place. Mr. White had the detached crop to show and as far as we could see it was a crop all right.  
One of Mrs. Enos Munroe's hens a few days ago laid an egg so tiny that the contents would easily go in a common thimble. We regret that the egg got broken without exact measurements being taken.  
We have reported so many freaks and curiosities during the last two or three years that we fear some of your readers will think we are cheerful liars. However, we have only reported things that we have known personally, and things that have been told us by parties that we believe to be truthful.

## LABOR PAPER AT GLACE BAY

Silly Takes Exception to Statements in Maritime Labor Herald— Staff Chased To Street.

Silly Barrett, former U. M. W. International Board member for District 26, accompanied by his brother, Tom, descended upon the office of the radical Maritime Labor Herald, at Glace Bay, and after a stiff fight, cleaned the place out and chased the staff into the street. A large crowd witnessed the battle, as a result of which, it is stated, warrants were issued for the arrest of the Barrett brothers, on charges of assault and of damaging property.

The raid was the result of continual criticism of Silly Barrett, culminating in a particularly savage attack in the current issue of the Herald, which refers to him as a "deal ticket artist," a "miserable wretch," and so forth.

Barrett is regarded as chief of the conservative or Lewis faction in the district, while the Herald is the organ of the more radical executive officers. Barrett some time ago warned the Herald people that if they did not stop their sniping he would proceed to drastic action.—Halifax Herald.

## COAL SHIPPING BUSINESS BRISK

Sydney and Louisburg Railway Is Operating Fifty Trains a Day.

Sydney.—The Sydney and Louisburg Railway is just now one of the busiest lines in the country. On Thursday no less than fifty-two trains were operating on the S. and L. between Glace Bay and Louisburg, and of this number forty-nine were special coal trains.

It is estimated that over 34,000 tons of coal were hauled by these forty-nine trains on Thursday and Louisburg shippers and trimmers are just now busily engaged in supplying 14 coal boats with the output of the Cape Breton mines.

Shipping men at Louisburg state the present past Winter to have been the busiest experienced at that port in years.

## PAIN AFTER EATING

Proof That The Stomach is Weak and Needs Toning Up.

Generally speaking, a person in good health can digest most foods. If not, and there is pain after eating, the stomach has lost tone and is too weak to do its work. In that case your stomach needs strengthening and the way to do this is to build up your blood with Dr. Williams' Pink Pills.

There cannot be good digestion without a sufficient supply of good red blood, and there is nothing better than Dr. Williams' Pink Pills to renew and enrich the blood. That is why they have proved so successful in thousands of cases of indigestion. Mr. D. J. Shaw, Salkirk Road, P.E.I., has proved the value of Dr. Williams' Pink Pills in a severe case of indigestion and notes his experience for the benefit of other sufferers. He says: "I suffered from indigestion for a number of years. My case was so bad that words fail to describe it. My appetite was gone, constipation was present, and my nerves were all on edge. I could not sleep well at night, and the world was a dark spot to me. I tried a number of remedies, but without any benefit. Then Dr. Williams' Pink Pills were recommended, but without much faith, after so many failures, I decided to try them. After taking three boxes I noticed a change for the better. Then I got three boxes more, and found I had a genuine remedy. I continued the treatment, took moderate exercise, could take good plain food without suffering as formerly, and proved that these pills make good blood, and that this good blood will restore the stomach and nerves. Anyone suffering from stomach or nerve troubles will make no mistake in giving Dr. Williams' Pink Pills a fair trial."

You can get these pills from any medicine dealer or by mail at 50c. a box from The Dr. Williams' Medicine Co., Brockville, Ont.

## THE EGG SITUATION

Eight cartons of eggs were imported into Nova Scotia in the month of March. One carton of these was returned to Montreal, owing to the eggs being far below the quality demanded by local markets. The quality of these imported eggs places them in the "storage seconds" class, and in some cases the grade is even lower than this.

The situation requires attention on the part of both farmers and the poultrymen and dealers. The fact is obvious that Nova Scotia does not produce enough eggs to supply the local demand. Immense quantities of eggs were imported last Summer and the same condition is practically certain this season.

ANCIENT COIN FOUND IN YARMOUTH  
Winston Scoville, an employee of the Grand Hotel, picked up a rather ancient coin on Friday afternoon while engaged filling in and leveling the lot of land formerly occupied by the Old Zion Vestry. It is a copper about the size of a Canadian half-dollar and marked "one stiver." It is a piece of currently in use in the time of King George III, and one side bore his profile and inscription: "Georgius III." On the other side is the crown, at the top, under that is ONE STIVER and the date 1813. Surrounding that side is a wreath apparently of heather and some lettering, some of which is so badly obliterated by lying in the earth that it cannot be discerned. A stiver is a Dutch coin, the present value of which is a penny or two cents.—Yarmouth Herald.

THE CANADIAN NEWSPAPER DIRECTORY  
The A. McKim, Limited, Advertising Agency has just issued the 1923 Canadian Newspaper Directory. This is the sixteenth edition of this comprehensive directory of Canadian Publications and Gazetteer. The first edition was published in 1892 when many Canadian papers, now recognized as great influences in moulding the country's destiny, were weak, struggling enterprises. The Canadian Newspaper Directory has kept step with the great advance made by Canadian publications. Each edition has been in advance of the previous issue. New features have been introduced, geographical, physical and commercial. In fact the book serves as a commercial gazetteer for all Canada and is on the desk of practically every national advertiser.

## The Quality Car You Can Afford to Own

YOU should have a Chevrolet because time is your greatest asset—and in a motorized world any man suffers a serious handicap who does not possess this great multiplier of the value of time—the automobile. And Chevrolet is the most economical of all automobiles.

You can afford a Chevrolet because of its amazingly low purchase price. This price includes complete modern equipment. Not an extra remains for you to buy. You can afford to own a Chevrolet because it costs so little to operate—less than any other car made. It takes less gasoline and oil. The tire expense is correspondingly small.

Chevrolet offers you everything that you could want in an automobile. It offers you this at the smallest original investment and at the lowest per mile transportation expense.

Come in and see the 5 handsome models and let us prove these statements true.

**UPSTREAMERS ARE STILL ON TOUR**  
Have Given Three Entertainments at Belleisle, Round Hill, Concluding Performance at Lawrencetown.

In our last issue we had opportunity only to barely mention the Upstreamers Taxis Boys' entertainment given in Belleisle hall on Monday evening. Since the event, however, nothing but praise has come over the wire. A full house greeted the performers and from the opening chorus until the end they and the audience were on good terms. Every item was well received and when it came to the local hits (all original and composed especially for the occasion) the house fairly rocked again and again. Belleisle citizens have a reputation for entering into the spirit of "local hits" and on Monday they certainly were true to tradition. The all-round good reception accorded was particularly pleasing to

the performers as, on the previous Friday at Round Hill, they did not elicit anything like such a response to their efforts. A number of causes might have contributed to this. Round Hill was their first experience on a strange stage and away from home. However, it was a big drop from a well equipped theatre such as the Primrose, Bridgetown, to a country hall, where much improvising had to be done. On the other hand, Belleisle hall has a fine stage setting and well nigh everything needed to hand, and these things are a great help. Nevertheless, the boys desire to thank their patrons and all who kindly helped them in any way in both places.

To-night (Wednesday) they "are billed to appear in the "Gem" theatre, Lawrencetown, where they will do their level best to repeat "his success of Bridgetown and Belleisle. The curtain will go up at eight o'clock sharp and this will be the last presentation of this particular entertainment.

### PROFITS ONLY FOR UNCLE SAM

A New York despatch advises us that a loan of \$135,000,000 to Austria is about to be floated through one of the Wall Street banking houses. The despatch adds that the loan is being guaranteed to the extent of twenty per cent. each by Great Britain, France, Italy and Czechoslovakia. The other 20 per cent is to be guaranteed by other members of the League of Nations. The notable fact is that the one nation best qualified to sustain a loss—and whose people will share solely in the profits of the loan has not gone good for one cent of the guarantee. It all looks like a repetition of the happenings in the early part of the Great War. While Britain and her allies put up the guarantees of men and money for future world peace the United States rolled in the dollars. Today little struggling Czechoslovakia is guaranteeing help to a former enemy while big, rich, prosperous United States does nothing but make sure of its profit. Uncle Sam is great, ut very canny.—Ex.

### CLOSING AT ACADIA

Dalhousie has had its regular closing and Mount Allison followed next in order. The closing at Acadia commenced on Sunday, May 20th, when Dr. J. A. Huntley, now of Moncton preached the Baccalaureate sermon. Dr. Huntley has just returned to the Provinces after occupying several important pulpits in the United States. Dr. Huntley is a graduate of Acadia class of 1900. He married Miss Shaw, daughter of the late Mr. and Mrs. Robert Shaw, of Avonport.

The Sunday evening address, before the Y.M.C.A., was given by Dr. Melbourne S. Reid, Professor of Philosophy at Colgate University, who graduated from Acadia in 1891. Dr. Reid and his brother, the late Dr. Elephat A. Reid, came to Acadia from the Berwick school and made exceptionally high records.

The exercises at Acadia this year attracted a large number of people, as important arrangements were made in reference to plans for the New Acadia. The decision to carry on at Wolfville where Acadia has had universal expansion and prosperity will meet the wishes of about all who have the interests of Acadia at heart. There young men and young women will continue to be taught for usefulness in life, those with any limited means, finding every advantage to qualify themselves for competing with any in the larger Universities of the United States in post graduate work. Acadia has never failed in any financial aim on Forward Movement which it has undertaken. Under its new President it will move forward with more hope and brighter prospects than ever before in its history. The Acadia spirit is strong in the Maritime Provinces and also feels the hearts of its friends and supporters in the Alumni Associations of New England and elsewhere. Its financial needs will be overcome by the sacrifice of many of its loyal supporters. Soon the new buildings will be rising from the ashes of the old and Wolfville ere long will greet one thousand students yearly at the various institutions.

## A Girl's Face Is Her Fortune

Because it is the greatest of all womanly charms, a skin which is fresh, smooth, and alluring with the radiance of health, predicts a happy future.

Don't be content to have a lifeless, sallow and blemished complexion—begin at once to remedy these defects.

Every girl can have a beautiful attractive skin if she will only learn to give it proper care.

Thorough cleansing with a fine mild soap once a day, is the secret. Cold cream is beneficial when applied to a clean skin, and rouge and powder are harmless beautifiers—but—start fresh every day on a clean foundation.

Keep your skin active and it will be clear, fresh, youthful and attractive.

Soap to be thorough need not be harsh. The mildest toilet soap is the most thorough of cleansers, as you will know after you try Palmolive.

Its mildness and thoroughness are due to the same source—the scientific blending of Palm and Olive oils, the natural cleansers discovered thousands of years ago in ancient Egypt and made use of by Cleopatra.

Palmolive freshens, livenes and stimulates the skin, leaving it delightfully fresh and rosy.

You can buy Palmolive Soap at all first-class dealers.

**BAIL REFUSED TO NICHOLLS**  
Application on Behalf of Upper Clementsport Man Accused of Attempted Murder Falls Before Judge McKenzie.

At Supreme Court Chambers Mr. Justice MacKenzie heard application for bail in the King vs. Nicholls, of Upper Clementsport, charged with attempted murder. Mr. Doty, in support of the application, stated that the prisoner was a respectable man of substance in the community who had never before been charged with a criminal offence and who, if he had committed the alleged offence, was under the influence of liquor and asked that bail be granted. The Attorney General personally opposed the application and contended that the evidence showed that the accused, after kicking his wife around the kitchen, discharged a shotgun with effect at his step-son, who interfered, and then pursued the wife and step-son up the road, discharging the gun. Mr. O'Hearn strongly pressed the court not to release the accused on bail as he claimed that in cases of violence of a serious nature bail should not be granted. The Attorney General also pointed out that the accused could be tried at Annapolis on June 12th next. Mr. Justice MacKenzie said he concurred in the suggestions of the Attorney General and dismissed the application.—Chronicle.

**PRICE OF SUGAR IS COMING DOWN**  
Winnipeg.—The wholesale price of sugar dropped 40 cents a hundred pounds, following the tariff reduction. Local agents of Canadian refiners announced. Retail prices declined one cent a pound, selling at \$1.20 for ten pounds as compared with \$1.30 last week.

### CHINESE TROOPS LOOT A TRAIN

Shanghai.—Members of the Chinese government gendarmerie boarded the train from Peking to Shanghai, attacked officials, beat their Chinese servants, who resisted, seized everything on the tables despite the protests of foreigners and held possession of the train for several hours, it was learned when the train reached here.

### A GOOD ANSWER

A farmer who was carrying an express package from a city mail order house, was accosted by a local merchant: "Why didn't you buy that bill of goods from me?" he asked. "I could have saved you the express, and besides you would have been patronizing a home store, which helps pay the taxes and build up this locality." With characteristic frankness, the farmer replied: "Why don't you patronize your home paper and advertise? I read it and didn't know you had the goods I have here, nor do I ever see your name in the paper inviting me to come to your store."

### MRS. HILAIRE BOUDREAU DROWNED NEAR WEYMOUTH

A sad drowning accident occurred at White's Cove, Tuesday, when Mrs. Hilaire Boudreau met her death off the government wharf. It appears the unfortunate woman, who has been demented for some years, wandered away from her home early in the morning and went to the wharf and jumped off. A crowd of thirty-five men searched the woods and the shore all day until about three o'clock when they discovered her body. Besides her husband the deceased leaves four children, two daughters, one in St. John and one in Boston and two sons, Leo of Boston, and Henry at home. Mrs. Boudreau was about 78 years of age. Interment at St. Bernard's.—Courier.

## Local Happenings

Chicken raising bids fair to become an important industry in Bear River. The reputation of Winchester farm is already firmly established and Mr. Hough states that he has more orders for young chicks than he can handle. In fact, he is now three thousand chicks behind on his orders. The Harris Brothers at Hillside farm are also increasing the size of their flock. Mr. Hatheway is also getting ready to go into the chicken business on an extensive scale.

Enforcement of the laws in regard to automobiles has begun under Chief of Police Gilliat in this town with an undiscriminating and matter of fact programme, four citizens being arraigned before Town Stipendiary Arnaud on Tuesday for failing to display this year's auto numbers on their cars and each of the four being fined \$25.—Spectator.

Work is progressing very favorably on the erection of the Yarmouth Town and County War Memorial. The base is now practically complete and the bronze figure will be put in place immediately. The grounds surrounding it are being beautifully graded, sodded or sown with grass seed, making such a striking change that the premises are barely recognizable, while the handsome granite steps and walk leading to the monument are completing a magnificent finish to the whole affair.—Yarmouth Herald.

Captain James Lintlop, of Halifax, has purchased the Lowe property East Granville Street, and with his wife and family has moved into his new home. We are pleased that the captain, in moving from Halifax, decided to locate in Bridgetown.

Remember the Rummage Sale on Saturday afternoon in the Beckwith store under the auspices of the Women's Institute. Home-made candy will be on sale.

A number of local horsemen went to Aylesford on Monday and will work out their horses there previous to taking part in the races on the 24th. Mr. Norman Dargle took Grey Bird, Elias Ramey, Crown J., and Victor Ramey, a third spatter, to add to the interest.

Mr. and Mrs. Harry V. McCormick, of Granville Centre, accompanied by their son and daughter, leave very shortly for Lynn, Mass., where they will in future reside. Mr. McCormick has disposed of a part of his large farm to his brother-in-law, Mr. Geo. C. McCormick, and is offering other lands, implements and household furnishings mentioned in another column. All join in wishing Mr. and Mrs. McCormick and family all prosperity but are sorry to lose them from the county.

Mr. Noble C. Wheelock, who, with Mrs. Wheelock, returned recently from the West, has purchased the H. T. Crosscup farm at Karahia. Mr. and Mrs. Wheelock are welcomed back again to Annapolis County.
