The copy filmed here has been reproduced thanks to the generosity of:

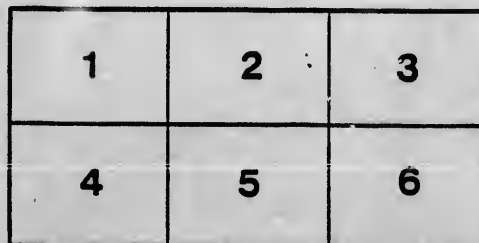

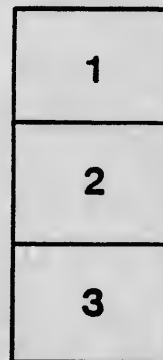

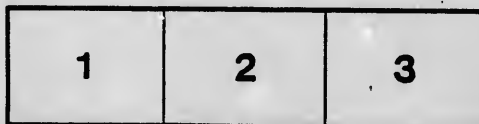

Archives of Ontario  
Toronto

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche sheet contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Archives of Ontario  
Toronto

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

WELLAND, Dec. 17th, 1895.

*F. E. Misener :*

DEAR SIR,—Being informed that a resolution has been passed in the County Council to the effect that a cistern or cesspool be constructed to receive the drainage from the Home, and at certain intervals to spread it upon the land. I am of opinion that this mea-

sure is unwise and will prove injurious as well as unpleasant to the inmates and also to parties living in the vicinity of the Home ; and it is still further advised by me as physician to drain by means of a large sewer leading south to Dohn's creek. This will prove satisfactory, and will eventually have to be done. I would, therefore, consider the measure now under consideration not only a loss of time but of money.

Yours, &c.

(Sgd.) J. O. EMMETT.

REPORT OF EDUCATION COMMITTEE.

*To the Warden and Council of the County of Welland, in Council Assembled:*

GENTLEMEN,—

Your Standing Committee on Education, to whom was referred

the communication of Wm. Beatty, Esq, Chairman of Welland High School Board, beg leave to submit this their report :

Your Committee find in December, 1891, an adjustment of accounts with the Welland High School was made by which the County pays to the Welland High School the sum of \$718.23, in addition to the equivalent of the two half yearly government grants for the years 1891, 1892 and 1893.

We have examined the Treasurer's books and find that this was done in 1891 and 1892, but in 1893 there was paid \$718.23 and the equivalent of only one government half yearly grant, \$308.87 ; therefore there is due them the equivalent of one government half yearly grant, \$308.87, which we recommend to be paid, and that the Warden be instructed to issue his check for the same.

All of which is respectfully submitted.

**MEMORIALS.**

---

*To the Honorable the Legislative Assembly of the Province of Ontario :*

The Memorial of the County Council of the County of Welland,  
in Council assembled,

RESPECTFULLY SHEWETH,—

That in the opinion of your Memorialists the jurisdiction and powers of the Division Court might, with great advantage to the general public, especially to those having recourse to it for the collection of debts, be considerably enlarged, and principally for the following reasons :

- 1 The costs in Division Court suits are not generally more than one-fifth of the costs incurred in a suit for a similar amount in a higher court.
2. The same judge presides in Division Courts as in County Courts.

3. A jury may be had in the Division Court if demanded by either the plaintiff or the defendant.

4. Division Courts are held in different places in the County, thereby saving time, travel and expense to all persons attending court.

5. It is the only court that is self sustaining.

For these among other reasons your Memorialists respectfully pray that you will be pleased to cause the jurisdiction of the Division Court to be enlarged so that the amounts specified in Section 70 of Chapter 51, R. S. O., Sub-Section (a) shall be increased from \$60 to \$100; in Sub-Section (b) shall be increased from \$100 to \$200; and in Sub-Section (c) shall be increased from \$200 to \$400.

And your Memorialists, as in duty bound, will ever pray.

*To the Honorable the Legislative Assembly of the Province of Ontario:*

The Petition of the undersigned, the Council of the Corporation of the County of Welland, in the Province of Ontario,

HUMBLY SHEWETH:

1. That under and by virtue of the Ontario Election Act, 1892, and particularly of Schedule B thereto, the cost of providing polling booths for use at elections of members of your most honor-

able body is now borne by the local municipalities wherein such elections are held.

2. That it is the desire of your petitioners that said local municipalities should be relieved of such cost.

Therefore your petitioners pray that your most honorable body may be pleased to enact such legislation as will so relieve said local municipalities of such cost as aforesaid.

And your petitioners, as in duty bound, will ever pray.

COMMUNICATION AND PETITION FROM COUNTY OF  
GREY RE PAUPER CHILDREN BROUGHT IN THIS  
COUNTRY.

COUNTY CLERK'S OFFICE,

OWEN SOUND, January 15th, 1896.

DEAR SIR,—

At the last session of the County Council of the County of Grey a committee was appointed to memorialize the House of Commons and the Legislature of Ontario, asking that certain measures be taken to regulate the importation of pauper children into this Dominion, as well as to provide proper supervision over the children placed out by the various organizations acting as immigration societies or otherwise.

I send you herewith duplicate copies of the Memorial to be presented to both Houses of Parliament. Will you please present the same to your County Council at its approaching January session and

solicit their co-operation with the Council of this county in furthering the object of the Memorial. I will be obliged if you will drop me a postal card and state what action, if any, was taken by your Council.

Yours respectfully,

(Sgd.) JOHN RUTHERFORD,  
County Clerk, County of Grey.

To the Honorable the House of Commons of the Dominion of Canada,  
in Parliament Assembled :

The Petition of the County Council of the County of.....  
in the Province of Ontario,

HUMBLY SHEWETH :

That in the opinion of your petitioners very many of the pauper children brought into this country through the several immigration agencies and homes are physically and mentally incapable of becoming useful and intelligent citizens of our Dominion ;

And further, that a considerable proportion of such children become eventually absorbed into the vicious and criminal class of the community, thereby becoming not only a burden and expense, but also a source of danger to the country.

Your petitioners would therefore pray that the Government bonus in aid of the immigration of pauper children be discontinued.

That such legislative measures be enacted as shall compel all societies or organizations for the immigration of pauper children into Canada, to re-take and keep, at the expense of said organizations, any of such children under the age of 18 years who may be proved to be physically incapable of work or worthless or criminal, and that such societies or organizations be required to guarantee all expenses to which municipalities may be put by such criminal or useless immigrants.

## FROM ONTARIO RIFLE ASSOCIATION.

ONTARIO RIFLE ASSOCIATION,  
TORONTO, January 8th, 1896.

*County Clerk, County of Welland :*

DEAR SIR,—

By direction of the President and Council of the Ontario Rifle Association, I am instructed to solicit from the Municipal Corporations of the Province of Ontario a grant of \$10 00. The main object of the Association is to induce the various members of the different battalions throughout the province to become proficient in the use of the national arms, and for this purpose annual rifle matches are held by the Ontario Rifle Association, at which a large amount of cash is given in prizes to competitors, who are members of the active militia force of Canada. The grant asked for is small, but if all contribute a sufficient amount will be obtained to give a much needed stimulus to rifle shooting.

The Association is in no sense a money making concern, and a number of prominent men throughout the Province such as Lieut.-Col. Gibson, M. P. P., Major S. Hughes, M. P., William Mulock, M. P., and numerous other gentlemen have given both time and money to furthering the object of the Association in inducing our militiamen to become expert in the use of the national arms.

The motto of the Association, "In Peace Prepared," speaks for itself.

Trusting that this may receive the most favorable consideration.

Yours truly,

(Sgd.) A. D. CARTWRIGHT, Lieut.,  
Sec'y Ontario Rifle Asso'n.

LIEUT.-COL. JOHN I. DAVIDSON,  
President Ontario Rifle Asso'n.

FROM JAS. H. BALL RE GRANT.

WELLAND, ONT., Jan. 27th, 1896.

SIR,—

Having received the annual grant of twenty-five dollars from the Education Department on account of the County of Welland Teachers' Association, I would beg leave hereby to make application for the County equivalent, as provided by statute.

I have the honor to be, sir,

Your obedient servant,

(Sgd.)

JAS. H. BALL,

Treasurer County Welland  
Teachers' Association.

ROBERT COOPER, Esq.,  
*County Clerk, Welland.*

FROM E. R. HELLEMS, ESQ.

E. R. HELLEMS,  
*Police Magistrate.*

WELLAND, 30th January, 1896.

*J. Harrison Pew, Esq., Warden County of Welland:*

DEAR SIR,—

I would most respectfully request you to consider and lay before your Council the following facts, and request them to consider the same with a view to remunerating me for a large amount of work performed by me for which I have received no remuneration.

In 1892 your Council appointed a constable to take charge of

the vagrants who visited this vicinity. I was also requested at the time to avoid as much as possible dealing with these cases at the instance of other constables, which request I have endeavored to comply with. In the following statement I have only given the number of cases dealt with by me at the instance of the constable appointed as stated. I have also dealt with a large number of cases when vagrants were arrested outside this neighborhood by other county constables, but I do not purpose asking any remuneration in those cases unless the Council should deem it proper to consider them with the others.

The number of convictions and commitments made in the several years since the appointment of the constable referred to, in which he was the prosecutor, are as follows, viz., in

|            |            |
|------------|------------|
| 1892 ..... | 18         |
| 1893 ..... | 57         |

| 1895 ..... | 43         |
| 1896 ..... | 9 to date. |

Total.....171

In addition to the foregoing I have disposed of a number of cases under the "Summary Trials by Consent Act," thereby saving a considerable amount to the county, which I respectfully ask your Council to consider, though you may not see proper to grant any remuneration therefor.

Respectfully yours,

(Sgd.) E. R. HELLEMS.

FROM E. MORDEN, SEC.-TREAS. W. C. F. I. RE GRANT.  
 JANUARY 30th, 1895.

*Warden and County Council:*

DEAR SIRS,—

As the annual meeting of the Farmers' Institute now occurs early in June, we need to apply for our usual grant of \$25.00, that being the amount specified in the statutes. We had 140 members in 1895, and already have about 70 in 1896. We yearly held a meeting in each township. We are holding a series of meetings this year. A lady teacher of cookery will visit the county shortly and will doubtless reach the stomachs of the people.

 Sec'y-Treas. Welland Co. Farmers' Institute.

FROM J. E. COHOE, SEC.-TREAS. COUNTY OF MONCK  
 FARMERS' INSTITUTE,

GENTLEMEN,—

I have been instructed by the Monck Farmers' Institute to petition the County Council of the County of Welland for the usual grant of \$10 to assist the Institute in carrying on its business.

Hoping you will favorably consider the application,

I have the honor to be, sir,

Your obedient servant,

(Sgd.) J. E. COHOE,  
 Sec.-Treas. Monck Farmers' Institute.

MR. HEMMING'S COMMUNICATION.

WELLAND, Jan. 29th, 1896.

*To the Warden and Council in Council Assembled :*

GENTLEMEN,—

I beg, on behalf of the matron, to ask you to allow her the grant for extra work in attendance upon prisoners whilst working at the Home—from Nov. 18th, 1894, till March 23rd, 1895.

This, I may say, the matron says is entirely outside of her duties, and she trusts, gentlemen, you will reward her for the extra work.

Yours obediently,

(Sgd.) JNO. W. HEMMING,

## FROM S. C. WOODWORTH.

*To the Warden and Members of the County Council :*

GENTLEMEN,—

I was appointed by the Welland County Teachers' Association to ask you for a grant of thirty dollars (\$30) to pay the expenses of printing and sending to each school in the county the uniform promotion examination papers.

Last year our grant was only \$20 instead of \$25, which was the usual amount granted, while our expenses were nearly \$35, and it is hoped that you will grant enough to nearly or quite cover the expense of the coming year.

I am, gentlemen,

Your obedient servant,

(Sgd.) S. C. WOODWORTH.

WELLAND, Jan. 30th, 1896.

FROM WM. BEATTY, CHAIRMAN H. S. BOARD.

WELLAND, Jan. 28th, 1896.

*To the Warden and Council of Welland County :*

GENTLEMEN,—

I find that the Welland High School Board did not receive in the year 1893 as much money as they should have done from the County Council. Will you have the Committee on Education look into the matter and let me know when they will take it up so I can meet them and give them what information I can.

Your attention to this will oblige.

Yours respectfully,

(Sgd.) W. L. BEATTY,  
Chairman Welland High School Board.

FROM ONTARIO GOOD ROADS ASSOCIATION.

SECRETARY'S OFFICE,

St. Thomas, Jan. 14, 1896.

*To the Municipal Clerk:*

I have the honor to enclose herewith recommendation from the Ontario Good Roads Association.

Please bring the same to the attention of your Council at its first meeting and oblige.

Yours truly,

DEAR SIR,—

I am instructed by the Council of the Corporation of the County of Kent to forward to you the enclosed copy of a Memorial of this Council to the Legislative Assembly of the Province of Ontario and to request you to kindly lay the same before your Council for their co-operation.

To R. COOPER, Esq.,  
*Clerk of the County of Welland.*

The Memorial of the Municipal Council of the County of. . . .

HUMBLY SHEWETH :

That the loss to the farmers in the Province of Ontario caused by sheep being worried by dogs is very great, so much so that many farmers residing near cities, towns and villages have been forced to quit sheep husbandry ; the mischief being done at night, it is seldom possible to trace it to the owners of the dogs, and in most instances when traced nothing can be collected. The Act for the Protection of Sheep thus bearing unjustly on the rural municipalities, inasmuch as they have to pay for a great number of sheep worried by dogs harbored in cities, towns and villages.

And whereas sheep husbandry in many parts of the Province would be one of the most lucrative branches of farming, if it were not for the great loss sustained by the destruction of sheep by dogs principally harbored in the cities, towns and villages throughout the Province.

Therefore your Memorialists pray that your Honorable Body will amend the Act to impose a tax on dogs for the protection of sheep, so as to form a county fund for the payment of losses caused by dogs worrying or killing sheep, by enacting that every dog in the Province shall be taxed. . . . .dollars and every bitch. . . . .dollars, one moiety of said tax to be paid to the treasurer of the municipality in which the said tax is collected for the use of the municipality, the other moiety to be paid to the County Treasurer of the county in which the municipality lies, to form a county fund for the payment of losses caused by the damages done to sheep by dogs.

That all losses caused by the worrying of sheep by dogs be paid in the first instance by the municipality in which the losses were sustained in accordance with the Act at present in force, and that said

municipality be reimbursed by the County Treasurer on the receipt of an order from the head of the municipality that the amount has been paid by the treasurer of their municipality.

That if the County Fund so held by the County Treasurer should increase so as to exceed.....thousand dollars, the excess shall be refunded to the municipalities contributing to the fund pro rata as paid by them to the fund.

And your Memorialists, as in duty bound, will ever pray.

Dated.....day of.....A.D. 1896.

FROM COUNTY OF GREY RE TO EXTEND THE JURISDICTION OF DIVISION COURTS.

OFFICE OF THE COUNTY CLERK, CO. GREY,  
OWEN SOUND, January 2nd, 1896.

DEAR SIR,—

At the December Session of the County Council of the County of Grey a resolution was adopted to memorialize the Ontario Legislature to extend the jurisdiction of Division Courts throughout Ontario, the object being to very greatly reduce the expense to litigants in consequence of the lower tariff of costs chargeable in Division Court actions as compared with those dealt with in the County and High Court of Justice, as well as affording greater convenience, in that Division Courts are held throughout the County instead of in the County town alone.

Herewith find draft of memorial embodying the views of the County Council of Grey, and I have been instructed to ask the co-operation of the various County Councils in furthering the object of the memorial.

Will you kindly lay the matter before your County Council at its January Session; and I will be obliged if you will send me a postal card stating what action was taken by your Council in the matter.

Wishing you the compliments of the season.

Yours respectfully,

(Sgd.) JNO. RUTHERFORD,

*Co. Clerk, Co. Grey.*

*To the Honorable the Legislative Assembly of the Province of Ontario :*

The Memorial of the County Council of the County of.....  
in Council assembled,

RESPECTFULLY SHEWETH,—

That in the opinion of your Memorialists the jurisdiction and powers of the Division Court might, with great advantage to the general public, especially to those having recourse to it for the collection of debts, be considerably enlarged, and principally for the following reasons :

1. The costs in Division Court suits are not generally more than one-fifth of the costs incurred in a suit for a similar amount in a higher Court.
2. The same judge presides in Division Court as in County Court.
3. A jury may be had in the Division Court if demanded by either the plaintiff or the defendant.

4. Division Courts are held in different places in the County, thereby saving time, travel and expense to all persons attending Court.

5. It is the only Court that is self sustaining.

For these among other reasons your memorialists respectfully pray that you will be pleased to cause the jurisdiction of the Division Court to be enlarged so that the amounts specified in Section 70 of Chapter 51, R. S. O., Sub-Section (a) shall be increased from \$60 to \$100 ; in Sub-Section (b) shall be increased from \$100 to \$200 ; and in Sub-Section (c) shall be increased from \$200 to \$400.

And your Memorialists, as in duty bound, will ever pray.
