## SESSION STATEMENT.

---

One thousand eight hundred and ninety-nine has closed with its unwritten record of failure and success. It is for us, as far as a general statement may, to review the affairs of the congregation since the last report was issued. The ranks of the Session have been depleted during the year. Mr. Adam Murray, who has for sixty-three years been a member of the congregation, and an Elder for a large number of years, has removed from the city, as has also Mr. John Levie. Dr. Arnott has been unable to serve through continued ill-health; while both Mr. Andrew Greenlees and Mr. John Mills were laid aside for a period.

There have been thirteen deaths among the families of the congregation, and the ages of those who have been called away vary from 10 years of age to 95; five of these—Dr. J. H. Wilson, Mr. George Marshall, Mrs. Janet Hanson, Mr. David Chambers and Mrs. John Craig—having been for many years members of this congregation. "One generation goeth and another cometh." Thirty-three have been granted certificates of disjunction, and six have been regretfully dropped from the list of members; eleven infants and two adults have been baptised during the year.

The Session Fund stands as follows:—

The Rev. Wylie C. Clark, B. D., acted as supply during the pastor's vacation, and his services were much appreciated.

We have suffered losses from the removal of very valuable members and adherents during the year elapsed, but the attendance at public services has been good, and there is much ground for thanksgiving. The various reports speak for themselves. The Session affectionately urge those in the congregation who are not engaged in special work in any of the various organizations, and who have the opportunity of time, strength and talent, to select their own sphere and give them-

selves earnestly to some branch of church work. Let the Society for Bible Study, the Musical and Literary Society, the Choir, the Women's Foreign Mission Auxiliary, the Ladies' Aid, the Mission Band, the Sabbath School, appeal to you, and give such response as you may.

Do not let the Wednesday evening meeting be overlooked; take advantage of the quiet midweek hour, and may our hearts be lifted to God in behalf of those who are shut out from such blessings.

The Session is gratified with the response made by the congregation to the appeal on behalf of the Century Fund, and is hopeful that the full amount apportioned us will have been attained by the month of May, 1901. The offering already received is encouraging; there will be one ere the summer holidays, one in the autumn, and one at our next anniversary service.

We look back with thanksgiving, and forward with confidence. "God be merciful unto us, and bless us, and cause His face to shine upon us."

W. J. CLARK,

HENRY BAPTY,

*Clerk.*

## BOARD OF MANAGERS' REPORT.

---

Your Board of Managers in presenting their report and financial statement at the close of another successful year, desire to unite with the congregation in thanksgiving to the bountiful Giver of all Good for past blessings.

It will be seen from the financial statement that the receipts from envelopes and collections, with the balance from 1898, have proven sufficient to meet the expenditure with a balance to the good of \$127.54.

The total amount realized from various sources aggregate \$8,681.74, and as follows :

Balance from 1898 .....	\$ 222 73
From envelopes.....	4,944 41
Open collections.....	588 68
Interest.....	2 66
Bequest by the will of the late Geo. Marshall.....	100 00
Century Fund.....	2,823 26

These amounts, with the exception of the two last items, which have not yet been apportioned, have been disbursed as per financial statement presented.

We have been called upon during the year to pay for extras amounting to about \$225.00. This is an inevitable yearly occurrence which may reasonably be looked for and cannot be avoided.

In rejoicing with you on such pleasing results, we with gratitude express our appreciation of your loyalty and generosity in all matters pertaining to church work, especially your liberal response to the request made on behalf of the Century Fund.

Since our last annual meeting our number has been lessened by the grim reaper Death. Mr. Robt. Reid, our chairman, having been called to his rest, his presence and assistance will be greatly missed. He has, during the period of office of the oldest member of the Board, and, before that time been mainstay of the Board of Management, and his careful considerations and wise conclusions on troublesome questions have on many occasions been of the greatest assistance to us in avoiding mistakes, and enabling us to steer safely through the troubled seas of congregational affairs. Mr. Reid will be greatly missed by your Board as well as by the congregation, but we pray that the recollection of his bright, honorable and useful life may be an efficient consolation to those near and dear to him who sincerely mourn his loss. We extend to Mrs. Reid and her family our most heartfelt sympathy in this their most trying bereavement, with a firm belief that the faith which has sustained them thus far through life will sustain and comfort them in their affliction.

The six retiring managers are :—R. G. Fisher. A. Sharp, A. M. Hamilton, A. P. Templeton, Dr. Wood, W. C. Allan, all of whom are eligible for re-election. Also one to fill the vacancy caused by the death of Mr. Robt. Reid.

At a joint meeting of the Board of Session and Managers held on the 24th inst., the following resolutions were passed and recommended to the congregation :

1. That the sum of \$1,200 on account from the Century Fund be paid now on the church debt.
2. That W. C. Barron's services be continued for another term, the matter of salary to be left to the Board of Managers to arrange.
3. That the dates for making the next three offerings for the Century Fund be 1st Sabbath in June, 3rd Sabbath in October, 1900, and the 3rd Sabbath in January, 1901.

## SABBATH SCHOOL.

---

The teachers and officers beg to submit their Annual Report for the consideration of the congregation. By the tables which are attached to this statement it is evident that the total number of scholars is slightly less than at the beginning of last year. The average attendance is also slightly less than that of the preceding year, but this is due to the fact that the school sustained a number of losses more fully shown in detail further on. The highest attendance during the year was 194, and the lowest 72.

The changes in the teaching staff have not been as numerous as usual, but we regret to have lost the services of Mr. Campbell in the library, and of Miss Hodge and Mr. John M. Robb, most excellent teachers. In the removal of Mr. H. M. Lay during the present month we have lost not only a most efficient teacher but our Assistant Superintendent. We have been fortunate, however, in securing Miss Muriel Henrick and Miss McDougall for junior classes, and in welcoming back Mr. Harry Bapty and Mr. John Anderson, under whose efficient aid we expect our school to prosper yet more during the last year of the century.

There were added to the roll during the year 36 scholars, and 45 were removed, making a total loss of 9. Of these 45, 17 left the city, 9 went to the German Sabbath School recently started, 11 to other Sabbath Schools, four thought themselves too big to come, two were removed by death, and two left for causes unknown.

We mourn the death of two of our brightest scholars—Louie Craig, after a long and distressing illness, and Gordon Andrus, who was drowned at Southampton, where the family were spending the holidays. We rejoice in the hope and belief that they have entered into the blessed rest of their Master, whom they tried to serve.

At present the school consists of twenty-three classes, including the infant class.

As the congregation are aware, the collections of the Sabbath School are wholly devoted to Mission purposes, the expenses of the school being met by the congregational grant and from other sources. Last year the total amount raised was \$295.91, an increase over the preceding year of \$17.42. Of this amount \$8.91 was collected by the infant class.

During the year we intend to get the children interested in saving from their own earnings or pocket-money for the Century Fund, and we hope to have even better things to report for next year. We desire the co-operation and assistance of the older people in this aim, that the children may be led to make sacrifices for this worthy object and not simply worry the parents and older friends into giving them money for the fund.

Appended to this report will be found a statement showing the disbursements of the moneys used for Sabbath School purposes. We have suggested to the wisdom of the Board of Management the advisability of improving the lighting and heating of the Sabbath School rooms, and hope that when next we give you our report that we will be able to express our grateful thanks for much needed improvements.

During the past year we have been assisted frequently by members of the Pastor's Class for Bible Study, and we wish to express appreciation of their services and good will. We again urge on the parents the duty of assisting us by seeing that the children attend regularly and punctually, study their lessons and do not destroy the literature provided by the school, and contribute regularly to the spread of the Gospel by the support of Missions.

The Superintendent will be glad to be informed of any children of the congregation or others who do not attend Sabbath School that they may be added to our numbers.

We desire to express our gratitude to our kind and merciful Father for the favor that he has shown us in all times past, and we humbly pray that he will continue to bless our efforts for our own good and for that of many others.

## THE SOCIETY FOR BIBLE STUDY.

---

In presenting the report of our society for 1899, would say that whilst our attendance was not quite as large as it has been in preceding years, still the meetings have been as instructive and beneficial as ever.

One of the reasons for the decrease in attendance has been the removal from the city of several of our members. Two of those who we miss most are Mr. S Silcox, who was our vice-president and a very active worker, and Mr. Robert Kippen, who has very kindly acted as organist for the past two or three years. Whilst regretting their departure, we are pleased to know they are doing well elsewhere.

Our membership is now 70, and during 1899 we had 43 Sunday afternoon meetings and two social evenings which were very enjoyable and hopeful.

We are still using the course of studies prescribed by the General Assembly, which for the year 1900 is based on the Parables of Christ.

Of the moneys collected the Y. M. C. A. and Y. W. C. A. have each received \$5.00, the balance of a subscription made to them in 1898. We also made our annual payments, \$25 to the Building Fund, and \$15 to the Knox Missionary Society.

The Young People's Presbyterial Society of this Presbytery are contributing to the support of the Rev. John Pringle, of Atlin Lake, and we have subscribed \$18 to this purpose.

We would again call the attention of the young

people of the congregation to our society and the benefit derived from our meetings, and any who are not otherwise engaged on Sunday afternoons we would be pleased to have make us a visit. We assure them of a pleasant and well spent hour.

## MUSICAL AND LITERARY SOCIETY.

---

At the opening meeting for the season 1899-1900 of the Musical and Literary Society new officers were elected as follows :

Hon. President, Rev. W. J. Clark.  
President, - J. Chas. Riach.  
Vice-President, J. B. Aikenhead.  
Secretary, - John Sharp.  
Asst. Secretary, Miss Ida Phillips.  
Treasurer, - W. C. Allen.

The society has held four regular meetings and one open meeting, and all have proved enjoyable, though the young people are not taking as much interest in the society as formerly.

The membership of the society is not as large as in past years. The funds derived from membership fees and collections received at the opening meetings are to be applied towards reducing the debt on the piano in the school-room.

As it is desirable that the debt should be wiped out this spring, we would suggest that the Managers undertake to make up the difference between the funds of the society at the end of the season and the hundred dollars to be paid.

Respectfully submitted,

J. CHAS. RIACH,  
*President.*

J. A. SHARP,  
*Secretary*

## MISSIONARY COMMITTEE.

---

Your Committee beg to report that the amount collected for missions during the year 1899 was \$1,028.75, as against \$948.50 in 1898. This shows an apparent increase of \$80.25, but as we received during the year a legacy of \$200 from the late George Marshall (\$100 each for Home and Foreign Missions), the sum raised by the congregation was really \$119.25 less than last year. The number of contributors, too, has fallen from 201 to 155, which has raised the average contribution from \$4.72 to \$5.33.

We cannot but regret this falling off in the missionary contributions, while the ordinary congregational revenue appears to have been fully maintained. It would seem to indicate a lack of interest in the work of the church at large, which must arise largely from want of information. Your committee hopes, however, that better things are in store. The efforts that are being made in connection with the Century Fund will no doubt have the effect of educating the people up to a higher appreciation of the work that is being carried on by the Presbyterian Church of Canada, and a fuller realization of our duty in regard to it. May we not therefore hope that while liberally providing for the support of ordinances amongst ourselves we may not forget those who are not so favorably situated, and find in our experience the truth of the words of the Master, "It is more blessed to give than to receive."

## AUXILIARY W. F. M. SOCIETY.

---

The work of the auxiliary for the year which has just closed has resulted in a slight increase in membership, attendance and contributions. For this we are thankful to Him who has led us all the way, and we look forward to another year of still better results, trusting in God for a blessing on our efforts.

Our auxiliary membership is now 63, which includes 16 "Scattered Helpers." Ten meetings were held during the year with an average attendance of 39. A number of papers were read at the meetings, being on mission or Christian work in general, which showed careful preparation, and contained many practical and hopeful hints. The meetings were also very pleasant in a social way for which, in a great measure, we are indebted to the Ladies' Aid Society.

In October Miss Duncan, who was at home on furlough from India, gave an address to the union meeting of the Mission Bands and Auxiliaries of the city. The Thank-offering meeting in November was very interesting and well attended, 118 being present. Our pastor, Mr. Clark, gave an address on "Why we should be interested in mission work." The latter part of the evening was of a pleasant social nature, refreshments being served by the Ladies' Aid Society. The offering was the largest in the history of the society, being \$99.63.

The "Scattered Helpers" Association has during the year contributed financially to the auxiliary. The membership is the same as last year, viz.: 16. The work has been well looked after by Miss McGuffin, the secretary, who has visited the members faithfully.

The box of clothing which our society sent to the Northwest was valued at \$130. The greater part of the contents was new, but all the second-hand clothing which was sent was in good repair and clean.

The total contributions of the auxiliary for the year amounts to \$204.09, expenses \$28.50, which leaves a balance of \$175.59, which we have sent to the Presbyterial Treasurer.

We are much encouraged by the results of the past year's work, but feel that more could be done if a greater number of the women of the church would connect themselves with the society.

## VICTORIA MISSION BAND.

---

Our Mission Band has closed another successful year in its history, and we are justly pleased in having a gratifying report to place before you.

During the year just closed, 1899, ten regular meetings have been held. For the most of these programmes of music and reading were prepared by the officers with the acceptable assistance of many of the members. Three of these meetings were spent sewing for our North West box, which, when completed, was valued at \$40.67—a goodly sum from our little circle.

We have many faithful members in the Band who always encourage us by their regular attendance and willingness to assist in the work. We deeply regret the loss by death of two of our members, Louie Craig and Gordon Andrus.

Early in the year Mr. Radcliffe, of the Collegiate Institute, lectured for us on "Rudyard Kipling." In November a very enjoyable "Musical" was given in the Lecture Hall, and we are deeply indebted to Mrs. Cooper, of Chatham, for helping to make the evening so successful. Later in the same month we held our Thank-offering meeting. Invitations were sent out which resulted in a large attendance and very generous offering. Mr. Clark was present and gave us one of his usual interesting talks which are always appreciated.

Financially we have done splendidly, having raised \$113.24 during the year, with disbursements amounting to \$28.99; we have a balance of \$84.25 to send as our share of the general fund.

M. A. BURNS,  
*President.*

EDNA LEONARD,  
*Secretary.*

## LADIES' AID SOCIETY.

---

Another year has passed, and with it has gone the record of work faithfully attempted by our Ladies' Aid Society.

We have held in all nine meetings, with an average attendance of thirty. Early in the year the meetings were distinctly work meetings, the ladies having decided to assist the W. F. M. S. in the preparation of their box for the North-west. Their efforts were crowned with success, and our sister society was enabled to send a very worthy box of clothing to needy ones in our home mission field.

In midsummer the meetings were discontinued. The remaining meetings were devoted to business, concluding with afternoon teas.

The membership of our society numbers seventy-eight. Two congregational receptions have been given by the society—one at our annual meeting in January, and the second a hearty welcome to Mr. and Mrs. Clark in September.

The society contributed gladly \$100 to our Church Choir Fund, and \$25 to the Klondike Nurse Fund—both worthy objects.

The contributions, which were voluntary, amounted to \$179. We deeply regret the removal by death of one of our members—Mrs. McDonald.

We ask for the hearty support of every woman in this Church in our work, inasmuch as thus meeting

together the bond of union grows stronger between us, we become more familiar with the work of the Church, are enabled to strengthen the hands of our beloved Pastor, and give encouragement and help to those in need.

We ask that the second Thursday afternoon of each month be prayerfully given to further the Lord's work among us.

MRS. W. C. ALLAN,  
*Secretary.*
