## ANNAPOLIS-DIGBY BOYS' CONFERENCE

The annual Older Boys' Conference for the counties of Annapolis and Digby opened here last Friday evening in the United Church with Rev. F. M. Milligan as Conference Leader.

At the close of the devotional program officers for the conference were elected as follows:—

Grand Preter—Douglas Tupper, Bridgetown.

Deputy Grand Preter—Roy Chute, Bridgetown.

Grand Scribe—Arden Cox, Mids.

Grand Comptroller—Morley Patterson, Annapolis.

A practical address on Investment of Life, by Rev. F. M. Milligan followed. The conference was then divided into three squares under the leadership of Rev. W. B. Turner, C. L. Andrews and a Leader's Square under the conference leader, Mr. Milligan. The separate squares then organized and held their first square meetings, after which all met together and closed the first session by singing the taps.

Saturday morning's session opened with a service of worship, presided over by one of the conference officers, Rev. W. D. Wilson then addressed the boys on the subject of "The Problem of Habits." This was followed by a discussion. The separate squares then again went session and after a business period took up the subject of "Temptation" in which the leaders and boys joined. The conference then again met for a brief closing.

The third session of the conference was held Saturday afternoon. The principal features were an address by J. T. Archibald on "The Boy and the Church" and a talk by Rev. F. M. Milligan on "Program Building." These were followed by discussion by several of the boys, and then the leaders. The conference then divided into squares and continued conference work.

At 6 o'clock the members of the conference with leaders and representatives of the C. O. I. T. groups sat down to a banquet prepared by the ladies of the town churches. A singing and a talk by Rev. F. M. Milligan then gave a good-night talk in story form and the program closed by singing the "Taps."

The fifth conference session, held on Sunday afternoon, had as its keynote "Life's Challenge." Each boy was urged to accept this challenge and many of the boys took the opportunity to sign pledge cards for church membership, clean life, etc.

The last session continued up the work of the conference and was held at the close of the evening church service. The boys' squares presented their resolutions, top-notch efficiency badges were presented to the members of the "Galahad" square by Rev. Mr. Milligan who then conducted the impressive closing ceremony.

The conference, although not large was considered to have been one of the most successful ever held in the Valley.

## ALBANY

November 14th—Pastor A. H. Whitman and Mrs. Whitman spent last Wednesday making calls. They came round the Alpena road from Lawrencetown, not daring to put their auto through the crisp woods.

Your scribe being away, did not learn until recently that Lewis Merry shot a very large deer, weight 45 lbs. Who shot a bigger one? Our advice to Mr. Merry is get a deer next time and we will listen for the wedding bells.

Mrs. Ada Fair after a protracted visit in Yarmouth at her son, Fred's, home is now welcomed back to Albany. She was accompanied by her son, Fred, and Mrs. Fair, Fred's genial companion.

Rev. George Earnest Whitman, who was ordained in Albany, gave a very interesting address here on Sabbath last. He has been 35 years a missionary under the American Board. He started on his return trip yesterday for Seattle, his present home, where he will remain until the unrest in China subsides.

Mr. Shippy Spurr was united in marriage to Miss Olive Wood on Wednesday last. We extend our wishes for a happy married life.

We hear that Mrs. Bessie Mason is expected to visit her many friends. Her home is Falkland Ridge.

Mr. Charles Whitman still keeps his bed and is not improving as we would wish.

The Moose and deer will hold a jubilee on tomorrow. If they had a "tongue" we might hear the shout: "Now, Mr. Hunter, shoot me if you can, if you dare."

The person in your office who has charge of that "Printer's Devil", he or she makes some awkward mistakes. In our "itms" printed some time ago it "makes" us say Joseph Whitman instead of Joseph Mallman. It is for strangers this item is written as "Albansians" know how to interpret it. (Note—The poor "Devil" He's the only one that makes mistakes?)

MT. HANLEY

November 14th—Miss Vera Elliott is visiting her many friends in Clar once for a few weeks.

Mrs. Gerald Hines and children were guests of her parents, Mr. and Mrs. James Stocumb, Outram, a few days last week.

Mr. and Mrs. Gerald Hines had a few invited in on September 25th, 1925 to celebrate their fifth anniversary. Dr. W. M. Brown and wife, from Port George were the guests.

Dr. Brown spoke very appropriate for the occasion. Presents were presented to the bride and groom. Refreshments were served; and after music had been enjoyed, all dispersed to their homes wishing Mr. and Mrs. Hines and family many more years of happiness.

Those from this place that attended the Forty Years Anniversary of Mr. and Mrs. Lockard Hines at Cottage Cove, were entertained very pleasantly and enjoyed the evening very much. Presents were presented to the bride and groom of 40 years. Refreshments were served to about 40 guests; music was rendered; a short address was given by their pastor, Rev. M. Brown. All wished the bride and groom of 40 years ago many happy returns and wished that they may live to see their 50th anniversary.

Mr. Thobber, from Nictaux, was a guest of Mr. and Mrs. Frank Mosher one day last week.

Mrs. Newcombe, from Blomidon, Kings Co., was the guest of her brother, Mr. and Mrs. Owen Finco over Sunday.

## COTTAGE COVE

November 16th—Thanksgiving Day passed away very quietly in our community. Poppies seemed to be scarce to supply the people here.

The Crusade meeting of the W. M. A. S. met at the home of Mr. J. N. Hines, on Wednesday afternoon, November 11th. A good number were present. A very interesting programme was enjoyed as was also the bountiful refreshments served by the ladies.

A number of their friends assembled at the home of Mr. and Mrs. Joshua Hayes on Thursday evening, November 12th, to participate in the celebration of the thirty-fifth anniversary of their marriage. A very pleasant evening was enjoyed; a bountiful repast served, and the tokens of good-will testified to the best wishes of all present.

## Vets' Column

Edited and con-  
trolled by the  
Middleton Branch  
of the  
G. W. V. A.

### ARE YOU A GOOD MEMBER?

No, sir, you are not necessarily a good member of the G. W. V. A. if you only pay your dues and glance at the veterans once in a while. A man who drops a nickel or a quarter in the plate every Sunday is not necessarily a good Christian. He might be in the habit of going to sleep during the sermon and forget all about Christian principles during the week-days.

When you pay dues you buy obligations as well as benefits. One of the obligations is to support the association. You cannot support aims unless you know them. You cannot know them unless you find out what they are, and still more important, think over them. Still more obligations, to find out and think. Find out what is going on in the local, provincial, and Dominion commands. There may be lots you don't like but there is bound to be lots you do. You ought to know about them all. There is plenty of room for improvement in the G. W. V. A. and you Mr. INACTIVE MEMBER can help to improve it.

The G. W. V. A. is a democratic institution. It is run on constitutional lines. Its branch meetings provide as many opportunities for an individual to shine as does a debate in the House of Commons. Attend the meetings. Don't get that superior feeling about your former comrades-in-arms. The future of the association is in your hands. Expect to receive the best but also give your best. T. Y.

Taken from "The Veteran."

### LOCAL BRANCH NOTES

Have you been in attendance at the last three or four meetings of the Middleton Branch? If so, did you thoroughly enjoy the meetings? It sure looks as though our branch has taken on a new lease of life, and a desire to make the meetings as interesting, as well as instructive, if you have not been attending lately you are missing a great treat. The meetings are full of interest and are carefully dealt with, then there usually is a social hour or two, comprising snokes, music, and plenty of cats. Needless to say, the social part of the meetings "go over the top" each night, and the business is always speeded with plenty of instructive and careful discussions. Our entertainment committee is busy preparing the winter's program, and you will be missing some great treats and pleasant evenings, if you are not in attendance.

At our next regular meeting, Wednesday, November 25th, the election of officers for the ensuing year will take place. In glancing over the nominations received at our last meeting it appears as though, nearly the entire branch has been nominated for one or more offices. This feature alone ensures plenty of excitement. As we have more or less experience in elections this year, we should be in a fair condition to "pull all the wires" at our command, and make a good old election night. Be sure to be there and help us have a good time. In all probability the entertainment committee will have something to help live up affairs.

The Vets' Orchestra is sure causing our members to realize that you can never tell what amount of "groans and squeals" may be found under a member's hat, or made by his hands. We wish to state that the "musical talents" are greatly appreciated, and we believe before a long time, they will be producing the

"real stuff" - maybe for "CRNA". Here's wishing them every success.

The Branch wishes to take this opportunity of thanking the L.O.D.E. School Teachers, and all individuals who assisted in making "Poppy Day" such a pronounced success in our district this year. All the subscribers have not been heard from yet, but when the returns are complete, a statement of expenses and receipts will be presented in this paper, for the benefit of all interested in the campaign.

If there are any ex-service men who are in need of help, you are cordially invited to our meetings, where your troubles can be confidentially dealt with. You may rest assured the Association is desirous of rendering whatever help is necessary to returned comrades. If you are unable to attend, through sickness, or other causes, have one of our comrades, in your vicinity, bring the matter up at a meeting and it will be presented in this paper, for the benefit of all interested as it brought personally.

At our last meeting, the "tripping of the light fantastic" was very much in evidence. This was not confined to the young boys, altogether, as several of the "older boys" were "right there" and made a good showing at the "Buckin'-wings", "Step Dance", "Double Shuffle", "to say nothing of "Lancers" and "Quadrille." We hope to have many repetitions of the "tripping" in the future. Let us "step out" and enjoy a real good time.

The judges have been selected for the essays in the Poppy Contest, which has aroused so much interest in our nearby schools. They are now busy checking up the essays submitted. As soon as we have the report of the judges, we will be able to announce the winners, and several of the best essays will be published in "The Outlook."

At our last meeting we were most pleased to warmly welcome five new members to our branch. With the "rats", "music", and the business part of the meeting was all very pleasing and greatly enjoyed. I think the enrolling of the five new members was the crowning event of the evening. There are still many of our ex-service men who do not belong to our branch. We would extend a hearty invitation to each of them to attend our meetings, see what we are doing, and then we have no doubts but that they will be anxious to enroll with us and help to carry on the work we are striving to do. You are sincerely invited to attend our meetings whether you enroll or not.

### AN OPEN LETTER

Middleton, N. S., Nov. 16, 1925  
Mr. P. W. Foster,  
President N. S. Fruit Growers' Association.

Dear Sir:

The organization of which you are the head has a long record of usefulness. It has helped the Annapolis Valley fruit grower to solve many difficult problems regarding the growing, transportation and marketing of his fruit.

The present seems to offer another opportunity for service by the N. S. F. G. Association. The Valley farmer was never in greater "need of a friend" and he naturally looks for guidance to your Association.

Despite diligent effort and heavy expenditure for dust, or spray, our fruit growers the past two years have been baffled in their fight against the "spot." They have been obliged to sell a large part of their apple crop to the evaporators and vinegar factories at 35 cents to one dollar per barrel, while two, or three dollars was necessary if they were to break even on their output.

There were, however, a few exceptions this year to the general rule for here and there in the "Valley" was a splendid yield of fruit. One of the best—perhaps the best—was in the orchard of Mr. Chase Bentley of South Berwick.

Mr. Bentley's orchard includes 35 acres of young bearing trees which yielded nearly 4000 barrels of large, highly colored fruit almost absolutely free from "spot." There was scarcely any but some of the fruit was not so good as presented as fine a fruit picture as was ever seen in the Annapolis Valley.

Imagine the increased wealth it would have brought to the "Valley" if the Bentley orchard could have been the rule instead of the very rare exception.

The only fertilizer used by Mr. Bentley is nitrate and the quantity is 400 to 500 pounds per acre. He used only dust and made two applications before the blossoms fell and several after. He believes the first dusts were the most effective and next year will probably make three applications before blossom time.

The plow and harrow are never seen in the Bentley orchard. It is in sward and the grass is cut and used as mulch.

Now I suppose the practical questions are these: Was the success of Mr. Bentley and the other orchardists who enjoyed like good fortune due to pure accident? Was it due to some advantage of soil or situation? There is a question only of methods followed? If of methods could the same results be secured in the other orchards of the Annapolis Valley?

Could not your Association, Mr. President induce the Agriculture Department to send one of their best experts to study and answer these questions? If the report of such expert could be submitted to the next annual meeting of your Association I would afford a most interesting topic for discussion and might assist many a sorely perplexed and discouraged grower to decide if he should stop setting apple trees and if he should change his methods of culture.

Respectfully yours  
Fred E. Cox.

## Baby's Own Tablets

Are of Great Value

To All Mothers Having Young Children in the Home.

No other medicine is of such aid to mothers of young children as is Baby's Own Tablets. The Tablets are the very best medicine a mother can give her little ones during the dreaded "ething time" because they regulate the stomach and bowels and thus drive out constipation and indigestion; prevent colic and diarrhoea and break up colds and simple fevers.

Concerning Baby's Own Tablets Mrs. John A. Patterson, Scotch Village, N. S., says:—"I have six children, and all the medicine they ever get is Baby's Own Tablets. I would use nothing else for them and can strongly recommend the Tablets to all other mothers."

Baby's Own Tablets are sold by medicine dealers, or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

SPRINGFIELD  
(occasional)

November 10—On Monday evening,  
November 2nd, the members of the  
Baptist Church in Springfield, Falk-  
land Ridge and Dalhousie assembled in  
the vestry of the Springfield church,  
to the number of about seventy, to say  
good-bye to pastor Dron, who left  
next day enroute to his home in Edin-  
burgh, Scotland.

There was an impromptu enter-  
tainment of music and readings. Mrs.  
Louisa Mason, on behalf of the mem-  
bers and friends gathered, presented  
Mr. Dron with a box containing money  
and the good wishes of all. Re-  
freshments were served by the ladies.  
Rev. Donald Dron has been with  
this group of churches just one year.  
There are many homes where he will  
be greatly missed. With his genial  
smile and cheery words, he was al-  
ways a welcome guest. We found  
him to be a lover of the Old Book and  
his sermons were strong and helpful.  
May the blessing of God go with him  
as he goes back to his home for a  
season. Mr. Dron expects to return  
to Nova Scotia in the spring and  
hope to bring his family with him.  
Miss Bessie Lockhart, returned  
missionary from India, spoke at the  
Baptist Church, Sunday morning.  
Crusade Day will be observed in the  
Springfield church on Tuesday after-  
noon and evening. A supper and enter-  
tainment in the evening.  
G. M. Durling sent a fine lot of  
clothes to the Halifax market last  
week.

The Annual Business Meeting of  
the Springfield church was held at the  
church Tuesday evening, November 3.  
Reports were read and officers and  
committees elected for ensuing year.  
Quite a number from this place at-  
tended the funeral of Mrs. Elton  
Saunders, on Saturday of this week.  
Our sympathy goes out to the bereav-  
ed family.

Miss Ermine DeBolis is the guest of  
Miss Rita Wilson. Miss DeBolis, who  
was father is pastor of the First  
Baptist Church, Boston, is attending  
Acadia this year.

Several of the young people met at  
the home of Mrs. G. M. Durling, to  
celebrate a missionary dinner, on  
Wednesday evening last week.  
Mrs. David Allen and daughter  
are visiting friends in New Germany.  
Mrs. Sophia Crouse has been on the  
sick list. Glad to report she is some  
better.

Pure, Rich Blood  
Means Good Health

Also it Means Bright Eyes, Red Lips  
and Rosy Cheeks

The lack of sufficient red, health-  
giving blood does not and merely in-  
pale faces and listless eyes. It is  
much more serious. Bloodless peo-  
ple are the tired, languid, run-down  
folk who have no enjoyment in life.  
They have heart palpitation, head-  
aches and backaches, no appetite,  
sometimes fainting spells, and always  
nervousness. Just a little more rich  
red blood and these troubles vanish.  
To get this new, rich red blood Dr.  
Williams Pink Pills are just the  
thing you need. That is why these  
pills have a world-wide reputation as  
a blood and nerve tonic. Among those  
who have proved the truth of these  
statements is Miss Annie M. Blomski,  
Woodridge, Man., who says:—"I be-  
came very weak and nervous, had  
pains in the side and back and suf-  
fered from frequent sick headaches.  
I was hardly able to do anything  
about the house and would awake  
with a start at night, with my heart  
pounding violently. If I walked up-  
stairs I would be breathless and my  
heart would flutter rapidly. I used  
doctor's medicine but it did not do  
me any permanent good. Then I was  
advised to take Dr. Williams' Pink  
Pills and decided to try them, and I  
can now walk and strong and  
again and able to do all my work,  
and this is all due to Dr. Williams'  
Pink Pills. I have recommended the  
pills to others who have taken them  
with equally good results."

You can get the pills from your  
druggist or by mail at 50 cents a box  
from The Dr. Williams Medicine Co.,

## FRONTIER COLLEGE

The frontier calendar, just issued, of  
Frontier College, Canada's "un-  
iversity in overalls," tells the manual  
workers, no matter how far out in the  
frontier, how they may obtain a  
university degree and what help is  
available. For twenty-five years the  
Frontier College has been taking  
secondary education to the frontiers.  
To our outer lines of settlement. It  
is now prepared under Dominion  
Charter to confer degrees in arts  
upon those who have the pluck and  
determination to complete courses.  
Inspired by the principle that every  
worker has a right to education be-  
cause that given in the primary  
schools, the Frontier College has  
sent its instructors to the mines, the  
forests, the fisheries, the outlying  
communities, and the factories, and has  
carried on educational work in remote  
places. University men and students  
in research departments engage in  
the same hard manual labour as their  
fellows by day and achieve success  
in teaching after working hours.  
Each year has seen an increasing  
enrollment of students and instructors,  
proving that success will follow ef-  
fort to carry opportunity to the frontiers  
when tact and courage are com-  
bined with instruction. A little sup-  
port from a provincial government, or  
here, or from a railroad there, an oc-  
casional gift by corporation or indi-  
vidual, the Frontier College has  
built up its courses and its reputa-  
tion with only the pith of education  
to stimulate it, and the glamour to  
smooth the steps to Parnassus.

To the man, anywhere in Canada,  
who works with a craving for knowl-  
edge, this calendar, which may be  
obtained from the College at 67  
Tonge Street, Toronto 2, Ontario,  
brings hope of achieving his dream  
with friendly and practical assist-  
ance, and under special conditions,  
with some financial help in follow-

## OBITUARY

Mrs. Susan Tutts  
The death of Mrs. Susan Tutts oc-  
curred at Kingston, Saturday evening,  
November 7th. She was the widow  
of the late Leander S. Tutts, who pre-  
deceased her two years. Although  
Mrs. Tutts had been in delicate health  
for some time, the end came with sur-  
prising suddenness. She was in her  
80th year. Her life having been  
spent in Christian usefulness she will  
be greatly missed.

The funeral was conducted from her  
late residence Monday afternoon by  
her pastor, Rev. A. A. McLeod, as-  
sisted by Rev. W. H. Watts and  
Rev. E. H. Howe. The choir of the  
United Baptist Church sang the  
hymns: "It is Not Death to Die" and  
"A Psalm in Jesus." A duet "God's  
Way is Best" was rendered by Mrs.  
Evelyn Hatt and Miss Margaret Mar-  
shall. Many beautiful floral tributes  
were received from relatives, includ-  
ing a wreath from the U. B. W. M. S.

## RECREATIONAL NOVA SCOTIA

It would appear from the Maritime  
province reports that the tourist traf-  
fic this season has been exceptionally  
heavy, and the hotels have been cater-  
ing to vast numbers of motorists.  
These have come mostly from Ontario,  
Quebec and the New England States,  
and it is said their stay in the prov-  
ince has been longer than usual.  
The tourist trade is particularly  
lucrative, have shown a keen interest in  
Nova Scotia and its game and fisher-  
ies. Many are asking as to the lo-  
cation of points where hunting and  
fishing may be indulged in. Unfortu-  
nately, until recently, this informa-  
tion was not in such form as to be  
easily available. The Natural Re-  
sources Intelligence Service of the De-  
partment of the Interior, which has  
been very active in promoting the  
interests of the Maritimes, has just is-  
sued a map of Nova Scotia, which  
should be particularly valuable to  
those who are interested in promoting  
the tourist trade in that province.  
The new map, which is called "Motor  
Roads and Recreational Resources  
Map of Nova Scotia," shows the dis-  
tributions of the various roads from  
provincial highways to those which  
are designated as in fair con-  
dition only. On the map also are  
shown the various fishing areas,  
the golf courses, hotel accommodation  
and tourist sites. The map is printed  
on coloured and on paper that will stand  
folding for pocket use, and copies may  
be had on application to F. C. C.  
Lynch, Director of the Natural Re-  
sources Intelligence Service of the De-  
partment of the Interior, Ottawa.

## OBITUARY

Harvey Morse  
The death occurred at Melville  
Square on October 10th of Harvey  
Morse, aged fifty years. His death  
came as a shock to the community at  
a very early illness. He was well  
and favorably known by a large num-  
ber of people having driven the mail  
for a period of time, thus enlarging  
his circle of friends.  
The funeral took place on Wednes-  
day afternoon from the residence of  
his cousin, Harding Morse, Melville  
Square and was attended by a large  
number of friends. Rev. A. A. Mac-  
Leod, pastor of the United Baptist  
Church, of which the deceased was a  
member, conducted the services at  
the house and grave. The choir of  
the Melville Square United Baptist  
Church sang the hymns: "The Sands  
of Time are slipping" and "Face to  
Face." No immediate relatives sur-  
vive him.

## OBITUARY

Robert E. Barlow, manager of  
Walter Hagen, announces that the  
British Open Championship winner  
will make a golf tour of Western  
Canada this summer visiting Win-  
nipeg, Regina, Calgary and the  
famous Rocky Mountain course at  
Banff. Hagen has won the British  
Open Championship twice and the  
United States Open Cham-  
pionship once.

Arrangements have been com-  
pleted for staging the biggest In-  
dian Pow-wow ever held on the  
North American Continent at Mac-  
leod, Alberta, early in July. Thou-  
sands of Indians from the Bloods,  
Blackfeet, Peigans, Crows, Crees,  
Stonies, Sioux and representatives  
from the Six Nations, in the East  
will take part in the historic and  
picturesque pageant.

A Canadian Pacific Railway  
freight train was recently held up  
near Lemberg, Sask., by a swarm  
of tent caterpillars which inter-  
fered with the functioning of the  
drive wheels on the greasy rails,  
where the insects had gathered in  
millions. All efforts to plow  
through or remove the swarm were  
unsuccessful and no progress could  
be made until half the cars were  
discharged.

Preparations are practically com-  
plete for the 1925 Calgary Exhibi-  
tion and Stampede. It is antici-  
pated that the stampede this year  
will be the biggest ever held. It  
has been extensively advertised in  
Canada and the United States, and  
a large number of inquiries have  
been received from interested par-  
ties, who anticipate being present.  
Entries have been received from all  
the best known riders and ropers  
on the continent, and the large  
number of valuable prizes offered  
for competition ensure that the  
spectator will see the best that can  
be offered in the way of broncho  
breaking, roping, wild steer riding  
etc.

MacLeod and was largely attended. Interment was made at the Presbyterian Cemetery. 7-40

### WOMEN

A sidelight is cast upon the progress made by women during the past ten or fifteen years by the announcement that, in ten years, from 1910 to 1920, the number of women in the ministry in the United States rose from 682 to 1,937. Thus, in ten years, their numbers have practically trebled. It is significant that a greater advance has been made in the church than politics, in which sphere women have failed to come forward in great numbers. It is natural, however, that woman's greatest advance should be made in the church. In days when woman was scarcely recognized as a human being, Jesus raised her to a position of close friend, with Himself, and wherever Christianity has penetrated has commanded respect and consideration, never accorded to her under any other system of religion. 0-00

The Christmas buying season is at hand. Are you getting your share of it? There is only one method that will help you best to get it—that is by good follow-up advertising in The Outlook. The way is open—but do not wait until a couple weeks before Christmas to start a campaign. People are buying now—and now is the time to do your advertising.

Station U.B. "Junior Dumbbells" was on the wires Tuesday night, and rendered several selections for the benefit of the Y. M. C. A. of Yarmouth. The way is open—but do not wait until a couple weeks before Christmas to start a campaign. People are buying now—and now is the time to do your advertising.

It is with profound regret that we announce the passing away of one of Nova Scotia's sterling citizens, Mr. George W. Brown, who crossed the bar to the great beyond on Monday, November 18th. He had been in failing health for the past year or more, and while the end was not wholly unexpected, his departure caused a deep gloom over the entire community. Much sympathy is felt for the sorrowing family.

The Syncope Dance Trip of 1926, consisting of L. G. Landers, W. E. Hanson and C. W. Longmire, after a very successful season in the Valley, left on Tuesday for Florida. While in Yarmouth they put on a dance for the benefit of the I. O. O. F. of that town. We wish them every success in "land of oranges" and hope when they return to "the land of Evangeline" next spring they will bring with them all the latest "dance hits" from the sunny land to our south.

We have noticed great advertising campaigns carried on by the governments of British Columbia and Ontario, and the Fruit Growers of California, laying before the public of Canada and other places the good qualities of their respective fruits. British Columbia and Ontario advertise at home as well as abroad. It is no wonder they sell their fruit at good prices. Advertising helps them. Would it not be a good idea for Nova Scotia to take the tip, and prepare a campaign for next season? Ready do we see a local ad, stressing the Nova Scotia product. Our apples do not need to take a back seat to any others—but they will have to if some advertising is not indulged in. We will then have them in time, and it allows us to make some of the late comers. 1-12

Rev W. H. Watts will conduct the following services on Sunday, November 22nd: South Farmington at 11; Margareville at 3; Kingston at 7.30. 1-12

### THE SOFT ANSWER

"Yes, I'll take Jim's note for a hundred dollars," said a banker when an offer to sell a note to the bank was made.

"I want to warn you, though," said the man in whose favor the note had been drawn, "that Jim is a good promoter, but a poor payer. I don't want you to have anything against me because of this note."

"Jim's honest, and I'll take his note for a reasonable amount any time," said the banker. "I had some trouble with him once over an overdraw, and it turned out that the bank was at fault, and that he had not actually overdrawn. I'll admit I was pretty hasty in my talk to him about it, because I was so sure the bank was right. The average man under those conditions would have 'cussed' me out at least, but Jim said, although he was madder than thunder, was 'I don't see why you wife ever married you'."
