things from home in its column. We
have had a mild winter with little
snow; the spring has been dry till
about two weeks ago; we have had
three good rains since then. The rain
came in good time for the crops."

There is no such thing as man's
rights and woman's rights separate
and distinct from each other. Wo-
man's rights are simply human
rights. The sexes belong to each
other; what benefits one helps the
other; what elevates either uplifts
both. Man is the outdoor and woman
the indoor partner in the firm of
humanity, notwithstanding the fact
that the latter is often outdoor more
than she is indoor.
U. F. O. CONVENTION
..L. W. Oke Choice of a Large
Convention on Tuesday.
The U. F. O. of East Lambton
held their nomination convention
Tuesday afternoon in the Lyceum,
which was crowded to capacity.
Arthur E. Vance county director of
the U. F. O. was elected chairman,
and A. W. Campbell, secretary.
The following were nominated to
contest the riding at the forthcom-
ing provincial election: John Darvell,
H. A. Gilroy, Silas Smale, L. W.
Oke, ex-M.L.A., Duncan Smith, B.
W. Fancher, M.P., H. Annet, D. A.
McIntyre, Donald Brown, Andrew B.
Auld and Nicholas Sitter.
Eventually all withdrew in favor
of L. W. Oke, the retiring member,
who accepted the nomination. The
principal speakers were B. W. Fan-
cher, M.P., for East Lambton, Silas
Smale and H. A. Gilroy.
The candidate opened his address
by stating that he felt embarrassed
over the dissemination in East Lambton,
and said he had just realized there
was disension during the past week.
He asserted that he had called a
meeting last Thursday to try and
straighten matters out and that the
some 100 people that attended all
seemed satisfied. In reviewing his
career in the Legislature he pointed
out that he had attended the U.F.O.
caucus at Toronto last week and
brought back with him a letter from
Premier Drury stating that he had
always been faithful and consistent
tous, although he did not always see
eye to eye with the Government. He
said he had been a member of six
committees, including the redistribu-
tion committee. He added that he
was one of 11 members from his
side of the House to be put on this
committee. He referred to Hon. F.
C. Biggs, minister of highways, as
being in a lot of trouble, but asserted
that nothing had ever been proven
against him.
In referring to the matter of auto-
mobile licenses, the speaker stated
that from 1916 to 1919 contracts
had been awarded to a St.
Thomas firm without tenders being
called for. He said that automobile
markers to-day were 23 cents per set
as compared to \$1.40 in 1910, 43
cents in 1911, and 38 cents in 1912.
The only time the price was below
23 cents was in 1922, when they
were only 14 1/2 cents, but proved
very unsatisfactory.
"The old parties want to bust the
U.F.O." he said, "I have tried for
four years to educate myself and to
be a credit to my party and to my-
self. I will fight clean to keep the
old parties away from you. They
are full of tricks," he declared.
The following resolution indorsing
the Drury government was moved by
H. A. Gilroy, seconded by Silas
Smale, and enthusiastically adopted:
"That this convention assembled in-
dorse in principle the actions of the
Drury government in toto for the
past year and a half." The U.F.O.
leaders claim that the spirit of the
convention augurs well for the suc-
cess of the farmer candidate.

W. R. DAWSON

To the Electors of Lambton East:

At a convention of the Conserva-
tive party of Lambton East held at
Watford in June last, I was selected
as their candidate to contest this
riding at the coming provincial elec-
tion, the date of which has now been
set for the 25th of June, and on the
day set apart for that purpose, June
14th, I expect to be one of the can-
didates nominated and will appeal
for your support on polling day.
Before anything is said on the
subject I wish to discuss in this
week's issue, let me draw your at-
tention to two matters which my
friends have asked me to clear up.
Firstly, the report that as a con-
sequence of that convention my
friends are not standing unanimously
behind me; Secondly, that I am
opposing the farmers as a body. As
to the first, it appears to be almost
too trivial to mention, but let me
say here, in order to clear the mat-
ter up, that there is absolutely no
division among my friends and that
the very estimable gentleman who
allowed his name to go before the
convention in conjunction with mine
stands right behind me to-day, as he
has always done and will continue
to do. As to the second, which is
almost as trivial as the first, I have
only to point you to the large num-
ber of farmers in my immediate
neighborhood, with whom I have had
the pleasure of doing business for
twenty-five years, many of whom
have perhaps never cast a Conserva-
tive vote in their lives, and who will
rally to my support in this contest.
I have no fault to find with the
farmer, never have had. I have no
fault to find with those who left
their party, be it Liberal or Con-
servative, in 1919 and voted as they
did, it was their privilege and their
right, but having experienced four
years of administration by the party

entrusted with the government of
this province in 1919 we have a
right to look the result squarely in
the face, and if we do that without
prejudice, I am quite content to
leave the matter and abide by the
decision of the electors on polling
day, and this brings me to the mat-
ter I wish to discuss in this issue,
namely economy. Economy was per-
haps the most outstanding plank in
the platform of the Progressive
party four years ago, and I am free
to confess that I myself had hoped
that some good would result from
the practice of a little economy at
Toronto. I believe that the vast ma-
jority of those who voted for them
at that time had the same feelings,
and were sincere in the step they
took, therefore I have no complaint
to make against those who broke
away from their old party ties at
that time. But when we find that
the particular brand of economy prac-
tised by them at Queen's Park dur-
ing the past four years has resulted
in more than doubling the expendi-
ture of the province, has more than
doubled the provincial debt, that in
almost every department the public
money has been spent with a reck-
lessness that is beginning to be
alarming, and looking at the esti-
mates for the coming year tabulated
in the Legislature two weeks ago
showing an increase in expenditures
over those of this year of \$2,700,-
000.00 and showing conclusively
that the government has no inten-
tion of retrenching, surely those of
us who have property in the provin-
ce, and who are paying the taxes
must realize that the promises made
four years ago, and which at that
time gave promise of better things,
have been violated and utterly
thrown to the winds.
It is not so long ago that we have
forgotten the famous slogan address-
ed particularly to the farmer, "The
ordinary member of the Legislature
receives \$1400.00 for six weeks
work, are you receiving that much
for your labor?" and yet at the first
opportunity we saw that indemnity
raised to \$2000.00. Consistency,
thou art a jewel!
Other phases of the administra-
tion will be discussed in this column
and on the platform during the cam-
paign, but on this one matter of
economy, I stand firm, we must have
a reduction in the ordinary expendi-
tures of the province, and if I should
be elected, my energies will be di-
rected in that direction, and I will
vote against my party if that party
does not consent to bring this about.
We are facing a crisis in the
affairs of this province to-day. I be-
lieve this to be the most momentous
election we have held in Ontario in
the past thirty years and I trust we
may see our way clear to emerge
from the tangle before disaster
overtakes us.
Yours truly,
W. R. DAWSON.

NOTE AND COMMENT

We were told that various countries would settle down after the war but the chief difficulty today is to get many of them to settle up.

Canadians are heavily taxed and still the National Debt grows larger. If Canadians felt that they were paying to reduce the debt, few would complain. But we pay and pay again and the debt is not decreasing. How long will the suffering public remain passive if this continues?

Vancouver Province: The whole business of air travel is yet in its infancy. If we compare what has been achieved in 20 years, with the improvements made in the first 20 years of steam navigation, and consider what has been done since with water transport and travel we may dimly guess what is in store for the air voyager.

Freeman's Journal Dublin: Are they marvels that are really coming or is it imagination only? The British Air Ministry has succeeded, it is said, in perfecting an engine each cylinder of which will develop over two hundred horsepower. One such engine is credited with sixteen cylinders, which will give three thousand horsepower, and will cross the Atlantic in twelve hours.

Stratford Beacon-Herald: It is said that sugar prices dropped several points in New York because of the buyers' strikes organized by women. What women have done already is an indication of what they can do when they set their minds to a task. A nation-wide strike against high-priced sugar would certainly make it interesting for the speculators.

I fancy some of our readers think there is a far cry between housecleaning and sentiment. Yet who has not had emotional moments over things laid away in trunks and lower drawers? Things belonging to those who have gone before. Things cherished by generations that are past. Little mementoes of childhood perhaps, old forgotten photographs, too precious with memories to be destroyed, but needing to be yearly sorted, dusted and put in a new place of safety waiting to be discarded by someone who does not care.

Simcoe Reformer.—An English pamphlet has computed some interesting data in an endeavor to show who is paying for the war. The pamphlet states that England, per head of population, pays approximately \$100; France \$56; the United States, \$32; and Germany \$10. Further it reads: "Mr. Bonar Law's proposition that the Huns shall only pay 2,500 million pounds sterling means that they are only to pay \$42 per head of population. This, extended over 20 years, means nothing. They can easily pay it, but they will only pay if the French tighten the grasp on their throats until they squeal to be allowed to pay it; and they will squeal if the French squeeze their throats enough. Mr. Bonar Law considers that the Hun is a gentleman; Mr. Poincare knows he is a blackguard." The war should have definitely settled that point, and doubtless would have, had the "March to Berlin" ever come to pass.

WOULD NOT BE WITHOUT BABY'S OWN TABLETS

Once a mother has used Baby's Own Tablets for her little ones she would not be without them. They are the ideal home remedy for the baby; being guaranteed to be absolutely free from opiates or other harmful drugs. They are a gentle but thorough laxative and have been proved of the greatest aid in cases of constipation, indigestion, colic, colds and simple fevers. Concerning them Mrs. Ernest Gagne, Beausjour, Que., writes: "I have used Baby's Own Tablets for constipation and colic and have found them so successful that I would not be without them. I would strongly recommend every mother to keep a box in the house." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

WHY "COAL" DID NOT BURN GOOD

Amazing revelations are coming from the coal regions of Pennsylvania which according to a newspaper report the great coal companies that monopolized the anthracite of the nation during the bitter winter just passed shipped to market and made \$150,000,000 profits from the refuse—slate and slag and stone and dirt—of the great culm-banks that have been accumulating the waste matter of the mines for nearly a hundred years. With unbelievable avarice the coal barons are said to have shipped hundreds of thousands of tons of this waste incombustible material to market and sold it as coal, mulcting the public of millions of dollars for stuff that would not burn.

THE SWEEP OF THE RURAL SCHOOL FAIR

It is now declared by educationists in some parts of this Province that School Fairs have become a factor in placing farming on a scientific basis. It was the belief of Frank Hart, at that time District Representative for the Department of Agriculture, that the real broadening out on the farm should develop from the ground up, that is from the young people whose plant minds lead them to seek knowledge, as they found progressive steps much to their liking. And so it turned out soon after he established Ontario's first rural school fair a couple of miles south of Galt. The spirit of the Rural School Fair has swept the Province and proved effective in enabling boys and girls to appreciate rural life.

M. C. McPhail, B.S.A., of Stratford, in a recent interview stated that these fairs were more largely attended and a greater success last year than ever before, both parents and pupils displaying a keen interest in the work. In many cases where the fairs were conducted, the farmers were very busy with fall work, but considered the School Fair of such prime importance to the district and children that operations on the farm ceased for the day and all the family attended the School Fair. Moreover, they have been a wonderful factor in bringing home and school closer together. Ratepayers are getting a better grasp of the inestimable value of the work carried on. The building minds of the children are stimulated by giving them ample opportunities to suggest new features. They are held to a sense of responsibility in production and thus are being trained in leadership. It will be a strange corner in this Province that is not in possession of a Rural School Fair within the next five years.—Welland Telegraph.

GO-TO-SUNDAY-SCHOOL DAY SUNDAY, MAY THE 20TH

One of the best authorities on business and finance in America said recently that "America's greatest need today is not primarily more factories, materials, automobiles, railways, etc., (important as these may be, but rather more education, based on the teaching of Jesus." This statement may very well apply to Ontario today, and not only is the church recognizing the force of it, but hard-headed business is getting behind movements for backing up with men and money, movements for Christian education. Religious education is a challenging task. This Province's greatest asset is its boys and girls, who will be the citizens of to-morrow and we have no right to place the responsibilities of citizenship upon them unless we give them every opportunity to develop their spiritual nature, and build up a true character.

Under existing conditions to-day religion is not taught in the homes as it should be, and as a consequence the responsibility for most of the religious teaching of children is placed upon the Sunday schools. In Ontario there are about 60,000 volunteer Sunday school teachers, most of whom have received very little training in preparation for his responsible task. The denominational boards co-operating through the Ontario Religious Education Council have been emphasizing training for teaching and leadership, with the result that about 15,000 (more or less) of these teachers were able to receive special training last year.

Go-to-Sunday-School Day on May 20th, will be observed by a special service and offering for the O.R.E.C. in nearly 4,000 Sunday Schools. In May and June 162 township conventions will be held and in July and August 22 summer schools and training camps will be conducted under different departments. The O.R.E.C. Summer School at Courtright, July 2-9, and the Graduation Summer School at Couchiching, July 14-23, will be followed in September by 37 county council meetings, closing with Twin Provincial Conventions at Napanee, Oct. 23, 24, 25, and Stratford, Oct. 30, 31 and Nov. 1.

TAXATION CHANGES

Briefly, the taxation changes announced by Hon. W. S. Fielding, finance minister, in the House of Commons on Friday were:—

Sales tax to be six per cent., to be collected at source—manufacturers or producers. This applies to Canadian or foreign goods. Previously foreign manufacturers paid six per cent., and Canadian 4½ per cent., 2¼ from manufacturer to jobber and 2¼ from jobber to retailer. Indirect sales from manufacturer to retailer was 4½ per cent.

Five articles are added to the list of exemptions from the sales tax, namely: Raw furs, wool, drain tiles for farm purposes, manuscript and newsprint.

Maximum tax on checks reduced from \$2 to \$1.

Excise tax on Canadian wines reduced from \$3 to \$1.50.

Tax on confectionery is abolished. This tax was five per cent. on all candies except one and five cent pieces.

The tax on beet sugar is dropped.

The excise tax on beverages is abolished.

Carbonic acid gas in cylinders will be taxed one cent a pound.

Provision will be made that the tax on material used in manufacture of goods will not be paid until the completion of manufacture, to insure that only one tax will be paid on any particular class of goods.

There is no change in the income taxation.

The changes announced go into effect at once except the reduced taxation on checks, which will not become effective until August 1, 1923.

THE RED CROSS IN ACTION

When the Red Cross helps in an emergency, what actually happens? The request of the town of Cochrane for help in its typhoid epidemic was brought to the Ontario Red Cross on Saturday, April 28th, by the representatives of the Emergency Red Cross Committee, who had been sent to investigate conditions and report on the need.

The Executive Committee had already informed its committee to act if necessary, had made an appropriation of funds for immediate use. It was decided to take over immediately the financial responsibility of the emergency hospital of eighty beds with its staff of twenty-five nurses, which the municipality could no longer support.

This met the need of only a fraction of the sufferers who needed help. Perhaps even more urgent was the necessity of suitable food for the hundreds of convalescents just struggling back to normal life, who with out suitable nourishment might be unable to earn for weeks.

The same evening, an order for canned soup, fruits, malted milk, cereals, cheese, butter, lard, bacon, eggs, potatoes, soap, drugs, disinfectants, hospital supplies, nursing utensils, sheets, pillow slips, and towels, was shipped to the Deputy Commissioner of the Red Cross, who is a trained Public Health Nurse with business experience as stenographer and book keeper through whom all Red Cross supplies will be distributed.

The needs of the situation are such that this work must be maintained for at least six weeks, and it is in support of this work that public subscriptions are being solicited.

BOSANQUET COUNCIL

Council met on the 7th inst. All the members present. N. Sitter and O. Walden reported that they had examined a portion of the Canada Co. drain east of the bridge and recommend a payment of \$7,000.00. The following orders were given: Broderick Bros., \$6,000.00 for work on the Canada Co. drain; Standard Printing Co., \$280 ad. for tenders for Wadsworth drain and \$280 ad. for posting part 3 of Voters' List and size of travel box; H. J. Pettypiece, \$2,100 ad. for tenders for Wadsworth drain, 90 cents ad. for tenders for Mud Creek drain, and \$2.80 ads for posting up of part 3 of Voters' List; G. Coultis & Son, \$21.03 for plank; C. Shepherd, \$6.00 serving copies of Coultis drain by-law; Thos. Blunden, \$57.40 for tile for Proof Line; Wm. Bryant, \$35.00 printing Shawana drain by-law \$6.50, printing Wadsworth drain debentures and \$24.00 printing Coultis drain by-law; G. Sutherland \$130.00 on salary and J. H. Campbell \$187.00 salary as assessor and postage.

Council meets on Monday the 21st inst at one o'clock p.m. as a Court of Revision on Coultis drain by-law and for general business. At the Court of Revision on the Shawana drain by-law Wm. Munro's assessment was lowered \$24.00, Wm. Otton's \$22.00 and Dan Hampton's \$9.00. Henry Turner was assessed \$46.00 on west half of lot 17, S.B. con. and \$9.00 were added to the township assessment and with these changes the engineer's assessments were confirmed and Court closed. Geo. Sutherland, Clerk.

PAIN AFTER EATING

Proof That the Stomach is Weak and Needs Toning Up.

Generally speaking, person in good health can digest most foods. If not, and there is pain after eating, the stomach has lost tone and is too weak to do its work. In that case your stomach needs strengthening and the way to do this is to build up your blood with Dr. Williams' Pink Pills. There cannot be good digestion without a sufficient supply of good red blood, and there is nothing better than Dr. Williams' Pink Pills to renew and enrich the blood. That is why they have proved so successful in thousands of cases of indigestion. Mr. D. J. Shaw, Selkirk Road, P.E.I., has proved the value of Dr. Williams' Pink Pills in a severe case of indigestion and relates his experience for the benefit of other sufferers. He says:—"I suffered from indigestion for a number of years. My case was so bad that words fail to describe it. My appetite was gone, constipation was present, and my nerves were all on edge. I could not sleep well at night, and the world was a dark spot to me. I tried a number of remedies, but without any benefit. Then Dr. Williams' Pink Pills were recommended, but without much faith, after so many failures, I decided to try them. After taking three boxes I noticed a change for the better. Then I got three boxes more, and found I had a genuine remedy. I continued the treatment, took moderate exercise, could take good plain food with out suffering as formerly, and proved that these pills make good blood, and that this good blood will restore the stomach and nerves. Anyone suffering from stomach or nerve trouble will make no mistake in giving Dr. Williams' Pink Pills a fair trial." You can get these pills from any medicine dealer or by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

HALL'S CATARRH MEDICINE
Those who are in a "run down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE is a tonic and Blood Purifier, and acts through the blood upon the mucous surfaces of the body, thus reducing the inflammation and restoring normal conditions.

Fretful Little SKIN SUFFERERS

Fretful crying babies are often upon examination, found to be suffering from some form of skin irritation or "heat." Zam-Buk—Nature's pure herbal balm, is a magical soothing and healer for these troublesome skin humors. Mothers! Save your little ones lots of unnecessary suffering by using this grand herbal Zam-Buk. "Zam-Buk—Nature's pure herbal balm, is a magical soothing and healer for these troublesome skin humors." "The rash on my baby's skin made her very fretful and caused her to lose weight. When the doctor's lotion had failed I took the child to a second medical man but with no better result. "A friend urged me to get Zam-Buk, and in a week's time this balm soothed and purified baby's skin and made it look much better. Before the month it brought it to beautifully soft healthy condition. \$2 worth of Zam-Buk did this when \$30 of doctors' treatment failed." Get Zam-Buk from your dealer to-day!

DRAGGED FORTY RODS WITH FOOT CAUGHT IN HORSE'S HALTER

An incident of a most thrilling nature occurred at the farm of Bernie Galbraith in Ekfrid on last Thursday evening. Following the fire, reported elsewhere, a number of the neighbors were at the scene keeping watch lest the wind might carry sparks and start any fresh outbreak. A young horse had during the fire been hurriedly turned into the pasture field

without removing a long halter from about its neck. Malcolm Galbraith, brother of Bernie, undertook to catch the horse, an unbroken and somewhat fractious animal, and untie the halter. In attempting to do so the rope became fastened about his ankle and the horse bounded away, dragging Mr. Galbraith some 40 rods in a semi-circle around a ten-acre pasture field. No one doubted but that he would be killed outright, and it was impossible to give him any assistance. Finally the rope was dis-

engaged from his ankle and it was a great relief to the onlookers to see Mr. Galbraith stand up and to hear him shout "I am all right boys." While Mr. Galbraith is suffering from many bruises and a particularly severe one on the side of one knee it is not thought that any very serious results will follow. Fortunately the rope was long enough to keep Mr. Galbraith a safe distance from the horse's heels. The course over which he was dragged is clearly distinguishable as a grazed

trail in the sod of the pasture field and through a dried up creek. A gold watch, a keepsake from his father, which he carried in his vest pocket, was broken and the works torn out of the case. The parts were picked up in the field and the watch is not beyond repair.—Glencoe Transcript.

THREE PLYMPTON PIONEERS PASS

David McKay, another of Plympton's few remaining pioneers, died in the hospital in Sarnia, on Tuesday, May 1, in his 92nd year. He had been in the hospital about three weeks, under treatment for diabetes with which he had been ill for a long period. Mr. McKay was born in Lanark Co., and when a young man came to Plympton, and settled on the 6th line, then an almost unbroken forest. His wife, who came with him from Lanark, and shared with him all the trials of early pioneer life, died about 30 years ago. Three sons and three daughters survive him, viz., John, in Plympton; David A., in Moore; Robert in Wyoming; Mrs. Jos. Abel and Mrs. D. N. Anderson in Plympton, and Mrs. Geo. Saunders in Petrolia. The funeral took place last Friday from Sarnia, where service was conducted by the Rev. J. R. Hall, thence to Warwick Methodist church where service was conducted by the Rev. A. Roy Johnston, assisted by the Rev. J. Jones. Interment was made at Warwick cemetery. The bearers were Peter Anderson, A. E. Archer, Jas. Dodge, John McKay and David and Wm. Watson.

Wm. Dodge In the death of William Dodge, which occurred at the home of his son-in-law, Arch, McMillan, 8th line, Plympton, Sunday, May 6, another pioneer has passed away. Deceased who was in his 86th year, was born in Cornwall, Great Britain, in 1837, and in 1854 came with his parents to Plympton settling on the Egremont road. He was married on January 15th, 1868, to Elizabeth Jane Rogers who died on May 29, 1917. Two sons and one daughter survive him viz., Thos. H. Dodge, Holland, Man., Geo. E. Dodge and Mrs. A. McMillan of Plympton. One brother and one sister are living, James Dodge and Mrs. David Watson, Plympton. The funeral took place Wednesday afternoon, from Mr. McMillan's home to the Uttoxeter cemetery. The services were conducted by Rev. Geo. Jewitt, of Forest, a former pastor, and Rev. A. Roy Johnston. The bearers were Chris. Armstrong, John Hoskin, Donald McMillan, John and Sydney Sherk and Wm. Trotter.

Alex. McLean The death of Alexander McLean occurred at the family residence, 10 con., on Saturday, May 5th, in his 72nd year. Deceased had been in failing health for several years caused by a stroke. The late Mr. McLean was born in Bosanquet township, but has lived in Plympton ever since he was a year old. In 1897 he was married to Miss Maggie McKenzie of Brjden, Ont., who with two children Cameron and Mary, survive. The funeral was held on Monday afternoon to Beechwood cemetery for interment the Rev. Gazley conducting the services. Acorn Lodge I.O.O.F. of Camlachie of which deceased was a member attended in a body and gave their burial service. The bearers were old friends of the deceased viz., Wm. Sutcliffe, A. Patterson, J. Wilkie, D. Johnson, W. Crawford and D. Greenlees.

CONGREGATIONAL W. M. S. The annual meeting of the London District Branch of the Canada Congregational Woman's Board of Missions was held on Thursday, May 3rd, in the Central Congregational church, Forest. The President, Miss E. Tapscott of London, presided at the afternoon session. The reports of the secretary, Mrs. Cody of Embro, and of the treasurer, Miss E. Kemp of Stratford, indicated a most successful year. The delegates by a unanimous standing vote, authorized the sending of greetings to the honorary president, Miss F. B. Rawlings at present on service as a missionary at Dondi, West Central Africa. The election of officers resulted as follows: Honorary President, Miss F. B. Rawlings, Dondi, West Africa; President, Miss E. Tapscott, London; Secretary, Mrs. W.W. Kemp, Forest; Treasurer, Miss B. Kemp, Stratford; Superintendent of Mission Bands, Miss L. M. Claris, London; Superintendent of Associate members, Miss M. Marwick, Watford; Superintendent of Missionary Reading, Mrs. Rodda, London. Following the election, a picturesque missionary pageant was presented by the members of the Mission Band and the Baby Band, under the direction of Mrs. W. Scott and Miss Jean Scott. The little children were in costume representing the children of all nations, and sang

GENTLE REMINDERS

"The World Children for Jesus." Miss Diadem Bell, a returned missionary from West Central Africa, gave an interesting talk to the children following which Miss Bell and Mrs. T. H. Hill of London, sang "Jesus Loves Me," in African language, the children all joining in the chorus.

The supper-table session was presided over by Rev. T. DeCourcy Rayner, of Watford, and messages of greeting were given by representatives of the Woman's Missionary Auxiliaries of the Presbyterian, Methodist and Baptist churches, and by Mr. J. L. McPherson of the Y. M. C. A., work in Hong Kong, China. The evening session was presided over by Mrs. T. H. Hill, of London, president of the Woman's Board of Missions, who was for many years a missionary of the board in Africa. The devotional exercises were conducted by Rev. Mr. Rayner, and an anthem was rendered by the choir. An interesting and instructive paper was read by Miss Wrighton, of the First Church Auxiliary, London.

Mrs. Hill then introduced Miss Bell of Chesamba, paying a high tribute to her work there during the past 21 years. Miss Bell first gave an account of Miss Rawling's work at Chesamba, Camundonga and now at Dondi, as matron of the Currie Institute for the training of boys. She spoke briefly on some of the customs and beliefs of the natives and the out-station work of the missionaries. Solos were sung by Miss Margaret Steven of London, and Mr. Mac. Maxfield, of Forest.

Feels Like a Young Girl Again

Dragged to the verge of despair by twelve years unbroken misery—Mrs. Garnett's case a most remarkable recommendation for Dreco—also helps her husband.

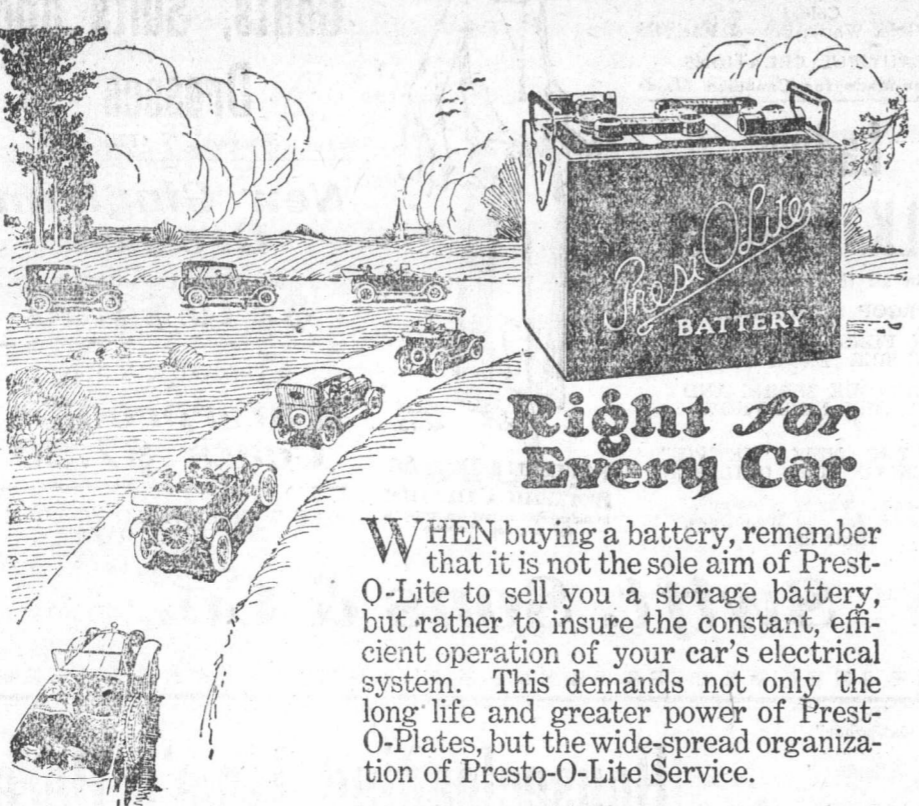

Picture the joy of Mrs. E. E. Garnett, of 715 Maitland street, London, on finding in Dreco quick and permanent relief from twelve long years of suffering, that were rapidly wrecking her life. Picture how, in her new found happiness and faith in the wonderful properties of Dreco, she recommended it to her husband and saw it quickly overcome for him a particularly distressing case of catarrh and rheumatism. Then you may have some appreciation of the gratitude of this woman to Dreco, the greatest of all herb and root remedies.

Says Mrs. Garnett: "For twelve years I suffered from chronic constipation and for the past three years the cruel torture of rheumatism added to my misery. I suffered agonies of pain through my right shoulder and was hardly able to lift my arm. My limbs ached and I had severe pains through my back. My stomach was in a terrible condition. Gas would bloat me up and press against my heart. I got very little sleep and would get up in the morning, dead tired. Every medicine I tried was a failure until, in the depth of my discouragement I tried Dreco. I have only taken two bottles, but the result is simply marvellous. I can eat anything, have no pains or gastric formations after meals and the pains in my shoulders and limbs are almost gone. My constipation is fully relieved and I wake up in the mornings refreshed and bright and happy as a young girl."

"Dreco also brought immediate relief to my husband, who had suffered severely from rheumatism and catarrh. It has aided his digestion and helped him in every way. "Dreco is the greatest medicine we ever heard of and we cannot thank it enough for rescuing us from our years of distress." No suffering from kidney, stomach, liver or intestinal disorders is too severe or too deep rooted for Dreco to overcome. It acts quickly and gently, toning and regulating the whole system. This natural herb and root remedy is bringing new life and hope to the most despondent sufferers.

Dreco is being specially introduced in Watford by Siddall's Drug Co., and is sold by a good druggist everywhere.

DEATH OF MRS. MARY MATHEWS

Mrs. Mary Mathews, relict of the late Robert Mathews, passed away at the residence of her daughter, Mrs.

Fred Wynne, Warwick, on Monday, May 7th 1923, in her 80th year. She was much beloved by her family and all who were acquainted with her thus making many friends. Deceased was born in England and

came to Canada with her parents at five years of age settling in Plympton township when it was then a wilderness. Her husband predeceased her nearly 18 years ago. Also one daughter, Mrs. Chas. Thomson predeceased her less than two months ago. She leaves to mourn her loss three sons and two daughters, Alonzo and George of Warwick, Dr. Fred of Toronto, Mrs. Fred Wynne and Mrs. Ben Smith of Warwick. The funeral took place from the home of her daughter, Mrs. Fred Wynne on Wednesday to Bethel cemetery and through the day was very stormy it was largely attended the services being conducted by Rev. T. D. Rayner assisted by Rev. W. K. Hager. The pallbearers being three sons, Alonzo, George and Dr. Fred, and three sons-in-law, Charles Thomson, Fred Wynne and Ben Smith.

MRS. ALEXANDER MCKENZIE

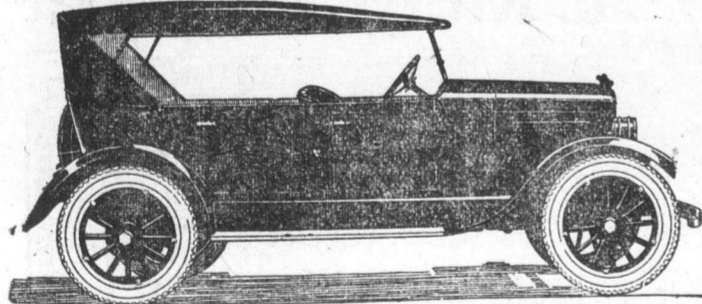

Margaret Fleming, beloved wife of the late Alexander McKenzie passed away at the old family residence, 2nd line south, Warwick, on Saturday, May 5th, after a few weeks' illness. Deceased was in her 75th year.

Mrs. McKenzie was a devoted member of the Presbyterian church and was interested in all its work. Her illness was born with patience and a calmness of Christian serenity that enabled her to "trust and not be afraid." She has left a legacy of Christian life, integrity, and experience that is cherished by her children and grandchildren and those who knew her.

She leaves to mourn her loss the following children: Mrs. E. A. Edwards, Mrs. W. E. Parker and Hugh A. of Warwick; Wm. J. of West Williams and Harvey M., of Woodville, Ont.; also 22 grandchildren. Three sisters and three brothers also survive, namely: Mrs. E. Clark, Watford; Mrs. J. McKenzie, London; Mrs. T. Crapper, Alsask, Sask.; Peter Fleming of Warwick, Wm. of Camlachie, and Alex. of New Westminster B. C.

Her pastor, Rev. H. V. Workman, assisted by Rev. W. K. Hager conducted a fitting memorial service at the old home on Monday, May 7th. Interment took place in Watford cemetery. The pallbearers were six grandsons: George, Russel and Ivan Parker, Dalton and Everett McKenzie and Alex. Edwards.

C.C.M. BICYCLES

Here's the New Sport Model that is taking the Country by storm!

Built for the real bicycle fan—for the man who loves the open road, the green fields, the running brooks and shady nooks.

The Sport Model is light, nimble and quick, with a frank suggestion of the motorbike's dash and vim.

Climb on it. Enjoy the resilient comfort of the big motorbike type saddle. Feel how easily the hands grasp the long leather grips of the handle bar.

Push on the pedals. Away you go with the ease of a swallow. The Triplex Hanger gives you power to burn. The Sport Model will speed you over the hills and far away with a zest and joy that will thrill you.

Choice of Maroon, Sapphire, Blue or C. C. M. Green. Each one finished with a double Gold stripe. Very swaggar!

A limited number produced for this season. To make sure of getting one place your order early. Just five ten-dollar bills and one five-spot will make you a proud owner of one of these striking C. C. M. Sport Models.

News of East Lambton

ALVINSTON

Mother's Day was fittingly observed in Hope Methodist church on Sunday last. A mothers' choir furnished special music for the occasion.

What might have proved a fateful accident occurred on Willoughby's hill when a large McLaughlin touring car driven by Mr. Herb. Leitch backed over the embankment and rolled down the steep bank.

Miss Evelyn Harrison, of Ellrick, spent the weekend as the guest of Mr. and Mrs. Herb. Leitch.

Mr. Stuart Angle of Toronto, spent the week as the guests of Miss Ella Martyn.

The High School baseball team journeyed to Rodney last Friday and were defeated by that team to the tune of 9-4.

Mr. Kenneth McEachern spent the weekend in Detroit.

WANSTEAD

Mr. Lawson Dodge had his toes badly smashed while helping to unload steel on the C.N.R. lately.

Mrs. B. B. Baskerville, Strathroy, spent over Sunday with her sister, Mrs. Elma Ramsay.

B. A. Ramsay, barrister, London, spent the weekend at his home here.

Mrs. Peter McDougall and son, Murray, who has spent the past six months in Toronto, where the latter has been attending dental college, are spending a few days with relatives in this vicinity before returning to their home in New Westminster, B.C.

Mr. and Mrs. W. A. Lampman and infant daughter, Windsor, are spending a few days with the former's mother, Mrs. W. F. Lampman.

The Wanstead Farmers' Club shipped a double deck of hogs to Toronto on Saturday. They will load again in two weeks.

This enterprising organization is planning to run an excursion to the O.A.C. Guelph in June. Particulars later.

PETROLEA

A monstrous celebration will be held here May 24th. The initial opening of the Petrolea baseball league will be held this day.

A double-header will be staged in the afternoon when the Enaros will meet the Maple Leafs and the Shamrocks will clash with the Crescents.

John Forbes Jr., Townline, has recently graduated from the School of Applied Science, Toronto, and taken a position with the Canadian Westinghouse Electric Co., Hamilton.

Mr. Forbes attended Petrolea high school as a boy and enlisted with the 149th battalion of Lambton during the Great War. He served three years and was slightly wounded.

One of Petrolea's most prominent and highly respected citizens was laid to rest Thursday in the person of John Wesley Downer, who died Tuesday afternoon, being stricken with apoplexy. Mr. Downer was 76 years old. He served in the public school boards for many years and always took a deep interest in all matters pertaining to education. He has also served on the town council for a number of years as well as being a member of the High School board.

He is survived by his widow, one daughter, Mrs. Minnie Thompson at home, and his brother, James Downer of Santiago, Cal.; C. H. Downer of Pontiac, and Ira Downer of Adelaide, and two sisters, Mrs. Saunders of Smith's Falls and Mrs. Franks of Strathroy.

Funeral services were held at the home of Mrs. Thompson at 10 o'clock on Thursday. Burial was in the cemetery at Stratford.

BIRD'S ROOFS

Bird's Twin Shingles Please the Pocket Book as Well as the Eye

Bird's Neponset Twin Shingles are attractive in appearance and give the look of prosperity to the residence, bungalow or cottage.

These shingles measure 12 3/4 in. long x 20 in. wide, and when applied the entire roof surface is covered with three layers of material—self-spacing—two shingles in one—can be laid rapidly with a saving of time, labor and nails. Made of the same materials as Bird's Paroid Roofing.

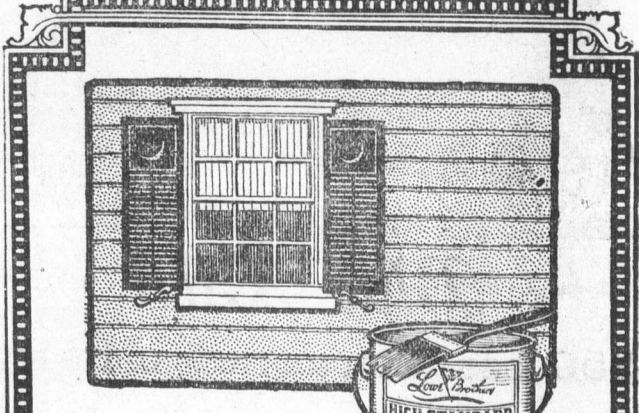

Bird's Canadian Twin Shingles

Made from similar materials as Bird's Neponset Twins, but measure 20 ins. by 10 ins., less material, therefore less cost. Slate surfaced, red or green.

Drop in and let's get down to figures. We will gladly show you that it is to your advantage to roof with Bird's Twin Shingles.

Canada exports to 44 different countries and has stepped from ninth to fourth place among the great exporting countries of the world.
Hardware dealers have been notified by government officials that hereafter a record must be kept of all cartridges sold for 32 rifles and up, and also the names of those who purchased them.
Persons possessing radio apparatus in Canada are said to have heard a speech made at a banquet in Albany, in which Rear-Admiral Benson was eulogized as the man who saved Europe with 450 ships. However, you can always stop listening until the spasm is over.

A statement presented by Hon. Chas. Stewart, minister of Immigration shows that during the fiscal year ending March 31st, 1923, Canada rejected 14,519 persons, including 419 English, 24 Irish, 34 Scotch and 2 Welsh, at her ocean ports and along the international boundary.
Engineer Muir, of the highways department, has been instructed to prepare a report on the roads embraced in the proposed Blue Water Highway. His investigation will take several months. Mr. Muir will prepare full data on the character of all the links in the proposed Windsor-Owen Sound route.

Brig. Gen. King, officer commanding Military District No. 1, addressed the Collegiate Cadets, at Stratford one day last week, and expressed the hope that the boys would not have to engage in war, but voiced his opinion that due to unsettled conditions, to Turkey's efforts to play off the nations against one another, or to the actions of Russia in trying to force its form of government on the world, another war would have to be engaged in before the peace that was hoped for could be gained.

There will be no militia camps this year for units of the non-permanent militia in military district No. 1, Major D. J. Cornwall, G.S.O. M.D., No. 1 has announced. All training will be carried out at local headquarters except where, in a few cases, this may be impracticable, in which case local camps will be held.

John Peter McKinlay, a justice of the peace at Ridgeway for more than 30 years, and the father of Justice John F. McKinlay, of Detroit, died at the latter's home on Thursday. He would have been 100 years old had he lived until next New Year's day. Judge McKinlay's death was caused by a storm door blowing against him, knocking him down a step. He was born in Aldborough township and lived there until his early manhood. When he retired he was the oldest justice in the province of Ontario in years and in age, as he was past 90 when he completed his last term.

Inquiries are made as to the law regarding the placing of omitted names on voters' lists for the forthcoming provincial election. The new law provides that election boards shall be formed for each county. The boards will be composed of judges of the district court, local registrar, sheriff and clerk of the peace. These boards really run the election under the authority of the chief electoral officer, Allan M. Dymond of Toronto. Three members of any board form a quorum. The chief electoral officer is to advise the various county boards and supervise and instruct returning officers, poll clerks, and so on. As soon as convenient after the issue of the election writ these boards are to fix times and places in every municipality to hear complaints regarding voters' lists. Public notice must be given of such meetings. The last day for making complaints is two days before the date of the board's sittings. Any person entitled to vote can give notice of complaint, as to any other person whose name should be on the list. Evidence before these boards is all under oath.

COUNTER CHECK BOOKS

The Guide-Advocate is agent for the Appleford line—a better grade book and at the lowest price. Before you give your order to any travelling agent phone 11w. There is a tendency among some of the check book firms towards higher prices in the near future; however, we have been instructed to accept orders at present prices for delivery any time in the next three months. Look up your supply and if you will require more in the next six months, give your local agent the order.
When a mother detects from the writing and fretting of a child that worms are troubling it, she can procure a reliable remedy in Miller's Worm Powders which will expel all worms from the system. They may cause vomiting, but this need cause no anxiety, because it is but a manifestation of their thorough work. No worms can long exist where these Powders are used.

TWO THINGS THAT HURT THE EYES

READING BY INTENSE LIGHT
The light should come through ground glass to soften it. Never use clear glass for either gas or electricity. Oil lamps give out a soft light, therefore clear glass chimneys.
READING BY DIM LIGHT
Take our advice—do not read or sew by a dim light—it will be a direct strain upon the sight centres of the brain. On these two things hang the fundamental laws of sight economy. Never use cheap or pick-up glasses—come to us for advice about things optical.
Everything needful here.
Take good care of your iiiiii's!

WOMAN SUFFERED FOR MONTHS

Weak and Nervous. Made Well by Lydia E. Pinkham's Vegetable Compound

Webbwood, Ont.—"I was in a very weak and run-down nervous condition, always tired from the time I got up until I went to bed. Sleep did not rest me at all. My sister recommended Lydia E. Pinkham's Vegetable Compound to me and others told me about it, but it was from my sister's advice that I took it. It did not take long until I felt stronger, headaches left me and my appetite came back to me. I am a farmer's wife and have many things to do outside the house, such as milking, looking after the poultry, and other chores. I heartily recommend the Vegetable Compound to all who have the same trouble I had, for it is a fine medicine for women."—Mrs. L. M. ELSASSER, Hillcrest Farm, Webbwood, Ont.
Another Nervous Woman Finds Relief
Port Huron, Michigan—"I suffered for two years with pains in my side, and if I worked very much I was nervous and just as tired in the morning as when I went to bed. I was sleepy all the day and didn't feel like doing anything, and was so nervous I would bite my finger nails. One of my friends told me about Lydia E. Pinkham's Vegetable Compound, and it helped me so much that I soon felt fine."—Mrs. CHARLES BEELEK, 401-14th St., Port Huron, Mich.
Women who suffer from any feminine ailment should try Lydia E. Pinkham's Vegetable Compound.
Internal parasites in the shape of worms in the stomach and bowels of children sap their vitality and retard physical development. They keep the child in a constant state of unrest and if not attended to, endanger life. The child can be spared much suffering and the mother much anxiety by using a reliable worm remedy, such as Miller's Worm Powders, which are sure death to worms.

RUBBING ALCOHOL

A Daily Need in Every Home

A reliable rubbing alcohol compound is vitally necessary in the home, the sickroom, the hospital, and the athletic training quarters. PURETEST RUBBING ALCOHOL is selling faster today than any other rubbing alcohol compound on the market. Leading hospitals, gymnasiums, and athletic teams throughout the country are using it exclusively. Campers, trampers, and all people who work hard with the muscles and body should use it to relieve soreness, lameness, stiffness, bruises and sprains.

The medication, by which this preparation has been made fit for external use only, does not render it unpleasant in smell.

Fine for reducing fever and excessive perspiration, and for relieving inflamed skin and headaches.

HAIR NETS
 FIT BETTER AND LAST LONGER

Fit, wearing qualities and size are the things most women look for in selecting their hair nets. That is why we feature and recommend the GOODFORM.

GOODFORM HAIR NETS possess unusual elasticity. This holds the net in perfect shape, making it fit perfectly on your coiffure.

The small, perfect diamond-shape meshes and the double knot which holds the meshes securely in place make the GOODFORM the longest wearing of all hair nets.

In size, the GOODFORM is the largest hair net on the Canadian market today.

Single and double mesh, cap and fringe styles, the usual shades—we have them all. And we are never too busy to see that you get the one which suits you best.
