dents may be filled up at the pleasure of the Society. A Special General Meeting may be called at any time when the President, or, in his absence, two or more Vice Presidents, or the Executive Committee, shall consider it desirable to appoint such Special General Meeting.

8th. The Executive Committee shall meet monthly during the year, with the exception of July, August, and September; and a Special Meeting may be called by the President, or, in his absence, by a Vice President.

9th. The Members of the Church in every part of the Province, are invited to co-operate with the DIOCESAN CHURCH SOCIETY, by forming Local Committees under the direction of their respective Clergymen, either in each Mission or Parish, or in more than one Mission or Parish united, as shall be deemed most convenient, and in strict accordance with the designs and Rules of the DIOCESAN CHURCH SOCIETY. Every Rural Local Committee shall have the power of appointing any one member of the Society to be a member of the Executive Committee. It is recommended to the Local Committees to forward their funds, as they may be collected, to the Executive Committee, who will faithfully apply them to the general objects of the Society; but when the Local Committee desire it, they shall receive Books at cost and charges, to the amount of one-fourth of their remittances, or the said one-fourth may be placed in the hands of the Endowment Sub-Committee, for the benefit of the Parish or Mission where the money was contributed.

10th. The following objects shall more particularly engage the attention of the Society, as soon as their means may enable them to afford such attention:—

- 1.—Provision for Assistant Missionaries.
- 2.—Missionary visits to neglected and destitute places, under the direction of the Bishop.
- 3.—Assistance to the Endowment of Parishes.
- 4.—Assistance to the erection and enlargement of Churches and Chapels belonging to the Church of England, in peculiar, or extreme cases.
- 5.—Supplies of Books and Tracts published by the Society for Promoting Christian Knowledge, and such other Books and Tracts in strict conformity with the principles of the Church of England, as, having been first carefully examined and approved by a Committee of Revision, to be appointed by the Executive Committee, shall then have received the approval of the Executive Committee, and lastly the written approbation of the Bishop.
- 6.—Assistance to the erection of Parsonage Houses.
- 7.—Assistance to deserving young men, desirous of being qualified for the Ministry of the Church, but requiring aid in pursuing their studies at the Collegiate Establishment at Windsor.
- 8.—Aid to Sunday and other Schools, in which due attention is paid to instruction in the principles of the Church of England.

- 9.—Encouragement to the instruction and training of respectable Teachers for Sunday and Daily Schools.
- 10.—Upholding, by all possible and proper means, the Collegiate Establishments at Windsor.
- 11.—It shall also be one of the objects of the Society to provide for the Widows and Orphans of deceased Clergymen, but no part of the Society funds shall be appropriated to this object, except such as shall be specifically given and paid into the Society therefor.

To these objects, generally, the contributions will be applied; while those who desire it may have their individual contributions scrupulously confined to any one or more of these objects. And as some Members of the Church, who are not unmindful of the great spiritual wants of their own neighborhood, still feel constrained, in pious gratitude for the blessings they enjoy, to allot something, however small, from the means with which a gracious Providence has blessed them, towards the spread of the glorious Gospel among the nations which still sit in darkness—

11th. This Society will gladly receive and forward to the Society for the Propagation of the Gospel whatever sums may be given for the conversion and instruction of the Heathen; to which object such sums will be strictly confined by the East India Committee of that Society.

12th. The Accounts of the Society shall be closed on the 31st December in each year, and shall be audited in one month from that time, by auditors to be appointed by the Executive Committee.

13th. An Annual Sermon shall be preached before the Society. The Preacher, time, and place, to be appointed by the President.

14th. None of the above Bye-Laws shall be altered, except at a General Meeting of the Incorporated Society; and a full year's notice of a proposal to change any of them must be given previous to the meeting at which the proposed alteration is to be effected.

15th. At each Annual Meeting of the Society, the first five on the Executive Committee shall go out of office; but all or any of them shall be eligible for re-election. The new members shall be placed at the bottom of the list.

PRAYERS.

“Appointed to be used at “all Meetings of the Society, and of the Committees,” before they commence business.

PREVENT us, O Lord, in all our doings, with Thy most gracious favour; and further us with Thy continual help; that in all our works, begun, con-

ained, and ended in Thee, we may glorify Thy holy name, and finally by Thy mercy obtain everlasting life through Jesus Christ our Lord. AMEN.

O GOD, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we beseech Thee to visit with Thy favour our Sovereign Lady, Queen VICTORIA; and so rule her heart that she may in all things seek Thy honour and glory. Prosper with Thy blessing the designs of this Society. Comfort with Thy grace those benefactors who contribute to its support. Bless the ministry of Thy servants, the Clergy; the endeavours of all who are engaged in promoting the knowledge of true religion in the parent Kingdom, and the labours of those Missionaries who are spreading the same in the Colonies of the Empire. And may Thy Holy Spirit direct all our consultations to the advancement of Thy Glory and the good of Thy Church, through Jesus Christ our Lord. AMEN.

O MERCIFUL GOD, who hast made all men, and hatest nothing that Thou hast made, nor wouldest the death of a sinner, but that he should be converted and live: Have mercy upon all Jews, Turks, Infidels, and Heretics, and take from them all ignorance, hardness of heart, and contempt of Thy Word; and so fetch them home, blessed Lord, to Thy flock, that they may be saved among the remnant of the true Israelites, and be made one fold under one Shepherd, Jesus Christ our Lord, who liveth and reigneth with Thee and the Holy Spirit, one God, world without end. AMEN.

ALMIGHTY GOD, Father of all mercies, we, Thine unworthy servants, do give Thee most humble and hearty thanks for all Thy goodness and loving kindness to us and to all men; more particularly, for the providential support by which this Society has been hitherto sustained. But above all, for Thine inestimable love in the redemption of the world, by thy Blessed Son, for the means of grace, and for the hope of glory, which Thou hast given us in the same our Lord and Saviour Jesus Christ; to Whom, with Thee and the Holy Ghost be all honor and glory, world without end. AMEN.

OUR FATHER, which art in Heaven, Hallowed be Thy name. Thy kingdom come. Thy will be done in earth as it is in Heaven. Give us this day our daily bread. And forgive us our trespasses as we forgive them that trespass against us. And lead us not into temptation; but deliver us from evil; for Thine is the kingdom, the power, and the glory, for ever and ever. AMEN.

WHEN THE BUSINESS IS ENDED

THE grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost, be with us all, evermore. AMEN.

ANNUAL GENERAL MEETING.

THE Annual General Meeting of the Society was held on Wednesday, the 15th October, in the National School-room. The Right Rev. the President took the Chair at 2 P. M. There were present, the Venerable the Archdeacon, and a number of Clergy and lay delegates from the local committees in the country.

After Prayers and reading the Minutes of the preceding General Meeting, the Secretary was directed to read the Report of the Executive Committee for the past year.

It was moved by the Rev. C. Shreve; seconded by the Rev. R. Uniacke, and

Resolved—That the Report of the Executive Committee be received and adopted, and that it be printed and circulated under the direction of the Executive Committee.

The Bishop informed the Society that he had requested the Clergy annually to preach and make a collection in their parishes for the Widows' and Orphans' Fund.

It was moved by J. W. H. Rowley, Esq., delegate from Yarmouth; seconded by N. Clarke, Esq., and

Resolved—That the Executive Committee be requested to obtain and to publish in the Annual Reports such historical and statistical Accounts of the Parishes as they may deem expedient.

It was moved by A. M. Uniacke, Esq., seconded by the Rev. C. Shreve, and

Resolved—That the General Annual Meeting of the Society be held in the month of June instead of the present time.

N. Clarke, Esq. moved, that in order to ascertain the feeling of the Members from the country with regard to the proposed change, the meeting should divide on the question, that the majority of the country voters might be apparent.

The division took place, and there was a majority of the Members of the country in favor of the change.

The Rev. J. Ambrose gave notice that at the next Meeting he would move that the time for the General Meeting be changed to October.

The Revd. R. Arnold gave notice of a proposed change in the 5th, 9th, 10th and 11th Rules of the Widows' and Orphans' Fund.

The first five on the list of the Executive Committee went out of office, and the following Members of the Society were elected by ballot to fill the vacancy:—J. R. DeWolfe, Esq., W. Gossip, Esq., N. Clarke, Esq., S. P. Fairban's, Esq., and A. M. Uniacke, Esq.

At the suggestion of the Rev. T. H. White, seconded by the Rev. R. J.

Uniacke, the thanks of the Society were offered to the Treasurer, the Assistant Secretary, and the Secretary for their services during the past year.

The Rev. E. Gilpin, Jr., A. M., was appointed Secretary; H. Pryor, Esq., A. M., Assistant Secretary, and W. C. Silver, Esq., Treasurer for the ensuing year.

At the suggestion of T. B. Akins, Esq., seconded by the Rev. J. Stannage, the warm thanks of the Society were tendered to the Clergymen who preached for the Society on Sunday the 12th inst.

The Rev. J. M. Campbell gave notice that at the next Annual Meeting he would move that in future no grants be made from this Society to aid in the building of churches, except upon the condition that all the seats should be free.

A. M. Uniacke, Esq., gave notice that at the next Annual Meeting he would move that in future the new members for the Executive Committee should first be proposed and then ballotted for.

The Meeting adjourned.

PUBLIC MEETING.

A Public Meeting of the Society was held in the Temperance Hall, on the evening of Wednesday, the 15th October, 1856.

The Right Rev. the Lord Bishop took the chair at half-past seven o'clock.

There were present an unusually large number of clergymen and lay delegates from the country, more than sufficient to fill the diminished platform, while a numerous and highly respectable audience were in the Hall.

The Bishop invited the meeting to join in singing the 100th Psalm.

The Venble. the Archdeacon read Prayers.

The Right Rev. the President opened the Meeting with an introductory address relative to the affairs of the Church in the Diocese.

An abstract from the Report of the Executive Committee, for the year 1856, was read.

W. Tupper, Esq., delegate from Aylesford, moved the first Resolution, which was seconded by Dr. Drumm, delegate from Bridgewater:

Resolved—That the Society upon this, its 18th Anniversary, gives most humble and hearty thanks to the Father of all mercies for His past blessings, and for the success which he has vouchsafed to our efforts, and expresses also its faithful reliance upon His support and protection for the continuance of our future exertions.

The Meeting then united in singing a hymn suitable to the occasion.

The second Resolution was moved by B. Smith, Esq., delegate from Rawdon, and seconded by the Rev. R. Arnold:

Resolved—That inasmuch as the Venble. the Society for the Propagation of the Gospel has been compelled actually to commence the diminution of that generous aid to this Diocese (for which this Society will ever be grateful,) the future maintenance of the clergy demands the immediate and serious attention of every Churchman in the Province.

A collection was then taken in aid of the funds of the Society.

The third Resolution was moved by Lieut. Col. Poyntz, seconded by the Rev. J. Forsythe.

Resolved—That the successful establishment of the fund for the Pensions of the Widows and Orphans of the Clergy, is a subject of sincere congratulation to the Society, and of thanks to those who so liberally contributed to its formation : at the same time the Society cannot but regard with much anxiety the condition of clergymen who may hereafter be incapacitated by age or infirmity for longer service in the Church.

The meeting then sang the Doxology, and was dismissed with the Apostolical benediction.

 THE next Annual Meeting of the Society will be held in June, 1857.

# REPORT

OF THE  
EXECUTIVE COMMITTEE  
FOR 1855.

THE return of the Society's anniversary enables the Executive Committee once more to render an account of the duties intrusted to their care.

They gladly embrace the opportunity of congratulating the Society upon the position which it maintains in the confidence and affection of the Churchmen of this Diocese, and they invite you to join in humble thanks to Divine Providence for the continued support of our efforts, and the blessings which have attended the labors of those who have willingly offered to the Lord.

The usual operations of the Society have been continued since our last meeting, and the responsibilities which it assumed have been faithfully discharged. But the uniformity of the expenditure allows of little variety in relating the proceedings of each year. The Committee cannot but regret the want of regular Reports from those local committees to whom grants are made for the support of Missionaries: Such Reports would enable the Committee to give the Society more interesting information relative to that object which it considers of most importance.

The Committee would suggest, that in order to make the Annual Report more valuable, each year's publication might contain a brief historical statistical account of some one Parish or Mission in the Diocese. This might be useful at any time for reference, and would gradually form a history of the Church in this Province.

The experience of the past year has convinced the Committee that the long dreaded time of self-support has actually commenced in our Church. We have long been fed from the bounty of the Society for the Propagation of the Gospel. The warmest thanks and most lasting gratitude are due to that Venerable Society, from every Churchman in the Diocese. An affectionate remembrance of its fostering care should be handed down from generation to generation, among those who love the Church of our Fathers.

The frequent demands upon the bounty of that Society made by the increasing number of colonial Dioceses, prevent it from continuing its aid to us.

As those Clergymen who are now supported by the Government allowance or by the S. P. G., gradually rest from their labors, the serious question arises, how can their places be supplied. The Parent Society cannot continue the same support to any parish, and has given us notice that from many places its aid will be entirely withdrawn.

The villages but it is impossible to provide for them.

The villages and wealthier parishes may be able to support their rectors, but it is impossible to foresee how the living voice of the Church can be provided for the many poorer districts.

Our Divine Head will indeed feed his own flock, but Churchmen are not only collectively but individually responsible for the exertions they make to preserve for themselves and their children the ministrations of the church of which they are members, in its pure Apostolical form, with its Divine Sacraments and its appointed ordinances.

Our Diocesan Church Society appears to be the means appointed by Providence for effecting this object. It is well adapted for exciting and combining the efforts of all. It must become the channel through which the clergy of this Diocese will all at some future day receive part of their support, and through which all other funds for the maintenance of our church will flow. We must never feel satisfied until every member of the Church in the Province is enrolled as a contributor to its income.

It must as handmaid to the Church bind together as one body every parish and district, and be moreover, according to its original intention, a means of promoting among us a spirit of christian charity and emulation in good works for Christ's sake.

We acknowledge with gratitude the wisdom and foresight of the Ecclesiastical rulers, who in this and the sister Provinces originated the Diocesan Church Societies, in order that they might gradually relieve the Parent Societies in England, and assume the position which they have long filled in connection with the church in this land.

Under the present circumstances of our Ecclesiastical affairs, this committee does not hesitate earnestly to recommend that all members of the Society increase their yearly subscriptions, and that active measures be taken in every parish to enlist more members in the common cause.

A brief notice of what the Society has already done may not be without service at the present time.

Up to the end of the year 1855, £309 15s. has been paid toward the erection and completion of Parsonages.

In the building and enlargement of Churches there has been expended £1486 10, and toward the support of Missionaries the Society has paid £4,212.

The total amount received by the Society during the year 1855, was £2153 3 7½, of which £1,233 16 8½ was for the following especial purposes :

|                                       |           |

Leaving the sum of £919 6 11 for the general purposes of the Society, which is £56 16 1 more than on any preceding year, and affords us much encouragement in this good work.

## MISSIONARIES.

During the year 1855 the sum of £575 has been paid toward the support of Missionaries.

This outlay has called forth the exertions of the people in the several Missions to which grants have been made, and the amount of at least £500 has been paid by them to meet this expenditure on the part of the Society, but it is not considered as part of our income, nor does it appear in the accounts.

In October, 1855, grants were made to the following places :

|               |              |
|---------------|--------------|
| Albion Mines, | Bridgewater, |
| Liverpool,    | Newport,     |
| Stewiacke,    | Annapolis,   |
| Chester,      | Milford,     |
| Pugwash,      | Westport.    |

The Revd. J. Breading, of Beaver Harbor ; the Revd. W. G. Jarvis, of Guysboro', and a Travelling Missionary on the Western Shore.

Since then the Executive committee granted £25 toward the support of an assistant Missionary at Beaver Harbor, on the Eastern Shore.

Our benevolent patron the Society for the Propagation of the Gospel, has encouraged our exertions and those of the people, by contributing the sum of £512 10, during the past year, toward the support of the Missionaries in the above named places.

The Society will learn with gratification that the Clergymen who fill these positions (some of them the roughest and most difficult in the Province,) are universally spoken of as zealous and diligent in their holy vocation, that they win the confidence and esteem of the people, and that their ministrations are gratefully received and highly appreciated.

Several applications have been made for aid in supporting more missionaries, but the Executive Committee did not think the Society was able to entertain them at present.

The calls for assistance with reference to this all-important object will probably be so frequent and pressing in future, that the greatest economy will be necessary in the distribution of our income, in order to extend its benefits as widely as possible.

The Rev. S. D. Green, whom the Bishop had appointed to Stewiacke, has been obliged on account of ill health to return to England, and his place has not yet been supplied.

## ENDOWMENT OF PARISHES.

The sum of £217 17 3 has been added to this fund during the year 1855. This has arisen from the fourths of their contributions, reserved by the several parishes, £134 9 11 ; interest on money already held, £43 7 4, and a grant from the Society of £40.

This fund has already enabled several of the parishes to make additions to their Glebes, and procure lands adjacent to the parsonages. It is very desirable that this valuable auxiliary for aiding the people in the support of their missionary should be brought more prominently forward, and some regular

system adopted, in accordance with which aid will be granted proportionate to the exertions of the parishes.

During 1855 the sum of £153 10 has been given in trust to the Society; to be held as the property of the parishes by which it was sent, and the yearly proceeds paid to the Rectors. Of this amount £100 has been returned to the parish of Cornwallis, a secure investment having been found there. Care was taken by the Committee on Endowment that it should be so secured that the interest could be paid only for the use of the incumbent of the parish. The total amount under the care of the Investment Committee is stated in the Treasurer's abstract of sums invested.

#### CHURCHES.

The Society has paid £10 during 1855 toward the erection of a new Church in Ship Harbor on the Eastern shore, being first moiety of a grant for that purpose.

The following grants have been made for this object :

|                           |   |   |     |    |   |

It might be desirable for the Society to adopt plans and models of churches such as are best adapted to the wants of the country, and that all grants should be made upon the condition that one of the proposed plans and models should be followed.

#### BOOKS.

£37 11 8 has been paid for Books from the Depository of the S. P. C. K., to be returned to several of the local Committees, in lieu of the fourth of their contributions.

The Executive Committee, acting upon a recommendation adopted by the Society at the last Annual Meeting, voted £40 stg. to meet the same amount given by the Foreign Dist. Com. of S. P. C. K., in order to distribute by means of a colporteur, some of the valuable Books in the Depository.

The Committee of Revision, appointed by the Society in 1853, was directed to take the superintendence of the effort.

For some time the Committee were unable to find a suitable person to act as colporteur; but lately they have been more fortunate, and the experiment has been tried with sufficient success to induce the committee to renew the effort as soon as possible.

The zealous and active colporteur, a divinity student at King's College, was able, during six weeks of the summer vacation, to dispose of about £116 6 1 worth of Books, although his supply was not very well adapted to the wants or taste of the people on the western shore, where the trial was made.

It is very desirable that the effort to distribute these books of the S. P. C. K. should be continued, although it cannot be done without some cost to the Society.

The following incident, which served to cheer the labors of the colporteur, will be read with interest, and will afford a bright example of Christian piety. May a blessing attend the "Widow's mite:"

"Next day passed over twenty-four miles of dreary wilderness, with only one house—receipts, 1s. 3d. But a most interesting circumstance happened in the evening that richly paid me for my day of toil, like one of those sunny spots in life, to which we can ever look back with pleasure, and I am sure I will remember this as long as reason keeps her seat. In the house in which I put up for the night was a poor old widow, living with her son. I was struck with the appearance of the woman when I first saw her, and when I came to talk with her, I found her quite intelligent; and while the family were out about their evening work, she told me something of her life. She was the daughter of a soldier, and spent her early days in Halifax. She has since seen many changes. For the last three years she has not seen a Church Minister; but she is a religious woman, and devoted to the Church, whose ministrations she enjoyed in her earlier days. She said she thought within herself that she, poor and destitute as she was, must and could do something for the Church, so she resolved that one tenth of all that passed through her hands should be dedicated to the Lord. Since then God had blessed her in all that she did, and her savings now amounted to fifteen shillings, which she asked me to receive at her hand. The thing was so extraordinary and unexpected, that I did not know what to do. I told her I would take it and give her books for it, but she said that would not be carrying out her intention. She intended it as a freewill offering to the Church. I then told her I would take it as a donation from her to the D. C. S. She said she was satisfied, and gave me the money, with a prayer that it might be the means of doing some good. If each donor to the Society would give in the same spirit as this poor widow gave in, what a blessing the Society would be; and if each member of our Church could feel as I felt when I received that "poor widow's mite," knowing her circumstances, how much would the funds of our Society be increased? I left her in the morning, with a promise that a Report of the Society should be sent her, and I made the best of my way down through Dalhousie."

#### WIDOWS' AND ORPHANS' FUND.

With reference to this object of the Society, the committee have much pleasure in stating that the effort made during 1855 to make some provision for the Widows and Orphans of the Clergy, has been as successful as we could expect. Our hearty thanks are due to those who joined in raising the £1000 as a basis for the scheme.

At the end of 1855 the committee had received £1013 11 4, including the premiums of those clergymen who took out certificates. Since then the amount has increased to about £1250. Thirty eight clergymen hold certificates.

The committee to whom this matter was intrusted have made their own report, which we lay before you.

The committee cannot refrain from alluding to a kindred subject with the above, viz., the condition of Clergymen whom age or infirmity may compel to retire from active labor in the Church. They are obliged in most cases to live upon so small a pittance that it is utterly impossible for them to make any provision against such a calamity.

After spending his years of usefulness in the service of his Church, he might, at the time of life when least able to endure hardship, when "the grasshopper becomes a burden," be turned off in poverty as a dependant upon others.

Though the funds of the Society cannot be applied to the relief of such cases, yet the subject might well be brought to the notice of Churchmen who may be disposed to make donations in trust to the Society for that object.

The Auditors have examined the Accounts for 1855 and found them correct. They report a balance in the Society's favor of £405 6. From this apparent balance must be deducted the sums due at the end of the year for support of Missionaries, and as grants toward building Churches yet to be called for. These deductions would make the true balance about £41 3 5.

Income of the Society so far as it has been yet received, amounts to £1847 19, of which £277 18 1 is for the Widows' and Orphans' fund, £100 6 0 for the Bishopric Endowment Account, £611 4 3 for the Endowment of Parishes, £10 a donation to be funded, £35 9 5 for the Colporteur account, and £813 2 1 for the general purposes of the Society.

The Rev. the Rector of Liverpool, when forwarding the liberal contribution of £65 from that parish, writes :

"I, however, cannot refrain from mentioning that, in face of the greatest scarcity that I have ever known here, our town list exceeds that of any previous year; nor can I forbear calling your attention to the annual subscription of one of my wardens, Mr. Snow. Year by year has it been gradually swelling in amount, until it has reached the sum of £7 10. Nor is this the only instance of increasing interest, there are others who exhibit the same spirit, and whom, I pray, may long be spared to offer such examples to the flock. You will also observe that, while we have to regret the loss of our local Secretary, E. C. Barss, Esq., and others, from various causes, our list shows 79 new members have been added this present year:

With the contribution from New Dublin we have received the following account from the Rector :

"The people are gradually learning to appreciate the D. C. S. and I hope are also learning the *pleasure* of contributing to God's cause. I anticipate, with God's help, a continual increase in their benefactions. With this sum, the account of which I now enclose, they have contributed to church purposes; in various ways, during the last fifteen months, about £226, and have lately subscribed about fifty pounds for a new church at LaHave River. And yet their land is thin and rocky, and their fishery, last year, did not nearly reach the ordinary yield. Add to this that the provision market was higher last year, by fifty per cent., than it usually is. I think, therefore, considering all things, that I have reason, like St. Paul, to 'thank God and take courage.'"

The Revd. T. H. White, of Shelburne :—"I shall however still have a small sum to forward, which I trust will make our contribution a trifle more than last year.

"This result I must confess is beyond my expectations, as our people for the most part are very poor, and from the pressure of the times and almost

total failure of the fisheries *along this shore*, many are in very distressed circumstances.

“ Money is a rare sight among them, and therefore unless they look forward (which indeed is the right and scriptural way) for the day of collection, there is one hundred to one against their having a penny at their command.

“ I am thankful to say that some do thus look forward and prepare, and accordingly are found ready with an offering, an offering truly made to God, which astonishes their not poorer but less thoughtful neighbours, and puts to shame the contribution of many a one who, though rich in this world's goods, are poor toward God; who are ever ready to squander pounds on passing vanities, but think a three-copper piece is as much as they can afford for Christ and the church.

“ These are indeed melancholy truths, and as I suppose not confined to this locality.

“ May He who can dispose and turn our hearts as seemeth good to his Godly wisdom, grant that we may all both perceive and know what things we ought to do, and also give us grace and power faithfully to fulfil the same.”

THE Executive Committee will be glad to receive from the clergy in the country communications adapted to publication in the Annual Report.

N, Jr., Secretary.

er annum.

A Resolution was passed, Oct. 14, 1854, by the D. C. S.; directing the Endowment Sub-Committee to receive and hold any money given in trust to the Society for church purposes, and to pay over the annual interest arising from the same, when invested toward the furtherance of the special object for which it was given."

In May, 1855, £100 of the amount held in trust for St. John's Parish, Cornwallis, was returned to be invested on landed security at Hantsport.—The money was so invested that the proceeds could be paid only for the use of the incumbent of St. John's, Cornwallis.

During 1855 the sum of £371 7s. 3d. was added to the amount in the hands of the Endowment Sub-Committee. This proceeded from the reserved fourths of remittances, from special donations, and a grant of £40 from the D. C. S.

The money now under their care is represented by three shares in the Bank of N. S., £254 7s. 9d. in Railway Bonds in New York, and £491 £s. 9d. in the Savings Bank, Halifax, at 4 per cent.

CHURCHES.

Every application for aid in the erection of a Church must contain the following information :

- 1.—The precise situation, especially with reference to the nearest Church, and to the amount of population within five miles of the Church.
- 2.—The Title of the Ground on which the building is to be erected.
- 3.—The size of the building; the numbers it can accommodate; and probable amount of the congregation that will usually attend it.
- 4.—The supposed cost of the building; the progress it has made towards completion; and the amount of contributions on the spot in money or labour.
- 5.—The frequency and regularity of the proposed services in the Church.
- 6.—The manner in which the pews are to be disposed of—number of free seats, &c.

It is the wish of the Executive Committee that no Clergyman should, when building a Church, rely upon aid from this Society without first ascertaining whether it is in the power of the Society to grant any assistance.

All grants to Churches are made on the following terms, viz.—That the first moiety be called for within one year, and the second within two years from the date of the grant. The first moiety may be claimed when the exterior is finished, the second when the interior is finished.

With reference to a Resolution authorizing the employment of Assistant Missionaries, it was Resolved on the 17th August, 1849 :

"That no part of the Funds of this Society shall be paid under that Resolution, until the first and each subsequent Quarterly payment of the £50 to be provided by the People in such cases, is actually paid in advance to the Treasurer of the Local Committee."

"Resolved,—That it is the opinion of the Executive Committee, that it is the intention of the fifth Bye Law, that the annual payment of five shillings to the general objects of the Society constitutes a Member; but that any person may devote his money to any particular object which is recognized by the Society."

At a Special General Meeting of the Society, Oct. 14th, 1854, it was Resolved—"That the Rule under which the assistant missionaries of this Society are employed is not to be construed so as to preclude the Executive Committee from making a grant for one of the said missionaries to a separate cure, whether of an old or a new Parish, in any case where they may think such grant to be necessary."

At a meeting of the Executive Committee, April 20, 1855, it was directed that the following *form of Legacy* be printed in the next Report :

"I give to the Diocesan Church Society of Nova Scotia the sum of £            to be applied to the general purposes of the Society, and the Receipt of the Treasurer of the Society shall be sufficient discharge for the same."

At the general meeting of the Society, October 10, 1855, it was directed, "That all donations of £10 and upwards be funded, and the interest only applied to the general purposes of the Society."

It was also resolved—

"That the Society will not make its usual grant toward the payment of an assistant missionary appointed to a separate cure, unless the people there consent to pay toward the *endowment fund of their Parish or mission*, all the proceeds of whatever Glebe Lands may be in that Parish."

At a meeting of the Executive Committee, Oct. 19th, 1855, the following Resolution was adopted :

"That in future all subscription lists received before the 31st March in each year will appear in the next forthcoming Report, while those received after that date shall be omitted."

At a meeting of the Executive Committee, April 18th, 1856, it was directed :

"That if Reservations and special donations are not mentioned at the time when the contributions are sent in from the Local Committees, the whole amount will be considered as devoted to the general purposes of the Society."

The attention of the local Committees is particularly requested to the above Resolutions."

## WIDOWS' AND ORPHANS' FUND.

The Sub-Committee upon provision for Widows and Orphans of the Clergy have much satisfaction in stating that thus far their efforts have been successful. The sum of £1200 has been received, including premiums paid by the clergy for the year 1856. This amount is deposited in the Savings Bank on interest at four per cent. per annum. It is hoped that a more profitable investment will soon be procured.

In accordance with the provisions of the Act, the time the said men now have their united

4th. Every person wishing to avail himself

In accordance with the Rules of the Society, all applications for participation in its benefits were received up to the 10th April, 1856, at which time the six months specified in the 4th Rule expired. Thirty-six Clergymen now hold certificates assuring a pension to their widows or orphans.— Their united premiums amount to £118 18s. per annum.

As many certificates have been issued as could have been expected, since many of the clergy have already assured their lives in public assurance companies, and can ill afford to pay two premiums, and there are a few to whom the certificate could bring no benefit.

The income for the payment of pensions will be derived from three sources, viz: the interest of the funded money, the premiums paid by the clergy, and an annual collection in every parish or mission in the Diocese. It is thought that not less than £250 may be reasonably expected from the above sources, which is at once a provision for ten pensions at the present rate of £25. The calculations which have been made prove the plan to be decidedly safe. Whatever surplus funds may be in the hands of the Sub-Committee will be added to the original capital of £1000 for the benefit of those who take certificates of pension. The following Rules will clearly explain the management of the fund.

## RULES AND REGULATIONS.

The following is the 11th object of the Diocesan Church Society :

“ It shall also be one of the objects of the Society to provide for the Widows and Orphans of deceased clergymen, but no part of the Society’s funds shall be appropriated to this object except such as shall be specifically given and paid into the Society therefor.”

1st. In accordance with the above, the Society will open a special Account for this object, to be called “ *The Widows’ and Orphans’ Fund.*”— This fund shall be formed and consist of all subscriptions, donations, legacies, and other contributions, given and paid to the Society for this special object, and of all premiums received under these Rules, and of all benefits arising therefrom ; and this fund shall be held and applied to and for this particular object, and none other.

2nd. A standing Sub-Committee of seven members shall be appointed, in whom, together with the Secretary of the Diocesan Church Society (who shall be paid as Secretary of this Sub-Committee), shall be vested the whole management of this matter.

3rd. The Diocesan Church Society undertakes to pay, out of this Widows’ and Orphans’ funds, the pensions which become due under the following Rules.

4th. Every Clergyman of the Church of England within the Diocese, wishing to avail himself of the benefits of this fund, shall, within six months from

the 10th October, 1855, or within one year from taking orders, or from his admission into the Diocese, apply to the Secretary for a Certificate of pension, and shall pay the annual sum or premium therefor, as hereafter mentioned.

5th. Any applicant after such period of time shall only be permitted to receive such Certificate at the option of the Sub-Committee, and upon such terms as they shall direct.

6th. The following shall be the rate of the yearly sum or premium payable by every Clergyman applying for a Certificate, according to his age at the date of his first application. It being understood that any Parish or congregation contributing to the fund more than £2, then the excess be counted toward payment of the premium of the Minister or Ministers for that year.

8th. Upon payment of the first sum or premium, the applicant shall receive a Certificate, as hereafter mentioned, and the same sum shall be paid by him, up to the time of his death, on the first day of January in each year.

9th. If any person fail to pay the amount of his premium within 40 days after the payment becomes due, all claim to the pension under his Certificate shall be forfeited, and the same shall thereupon become null and void. But if he desire to have his claim to the pension renewed, it shall be in the power of this Committee to readmit him upon such terms as they see fit.

10th. Permanent removal of the Clergyman from this Diocese, to any place beyond the limits of British North America or the United Kingdom, except with the leave of this Sub-Committee expressed in writing, or under such conditions as they may impose, forfeits all claim to the pension.

11th. If any Clergyman shall go beyond the limits mentioned in Rule 10th without the leave of the Sub-Committee, he shall forfeit all claim to the pension.

12th. The widow of every Clergyman who shall have paid the annual sum or premium (subject to the above exceptions) shall receive a pension of £25 per annum during widowhood.
