BIBLE CLASS FOR YOUNG MEN at 3.15 p.m.

THE WEEKLY PRAYER MEETING is held on Wednesday evening at a quarter to eight in the Lecture Room.

THE SACRAMENT OF BAPTISM is administered on the first Sabbath of every month. Parents are expected to give previous intimation of their intention to present their children for baptism.

THE SACRAMENT OF THE LORD'S SUPPER is observed on the last Sabbath in January, April, July and October.

THE SESSION meets in the Vestry every six weeks, or at shorter intervals at the call of the Moderator.

THE TEACHERS OF THE SABBATH SCHOOL meet, for the study of the lesson, every Wednesday at a quarter to nine p.m.; for prayer every Sabbath at the close of the School; and for business on the call of the Superintendent.

THE COMMITTEE OF MANAGEMENT meets in the Managers' room on the third Wednesday of each month at half-past eight.

THE YOUNG PEOPLE'S ASSOCIATION meets in its room on Monday evening at eight, and the young men meet for devotional exercises on Sabbath morning at a quarter-past ten. Young men are cordially invited to attend.

THE HOPEFUL GLEANERS' MISLION BAND meets in the Church Parlour on alternate Wednesdays at 3 o'clock.

MISSIONARY COLLECTORS visit their districts after the first Sabbath of each month, leave a copy of the Presbyterian *Record* with every family of the congregation, and are expected to pay the sums received to the Treasurer on the Wednesday evening following.

THE PRESIDENT AND TREASURER OF THE LADIES' CHURCH FURNISHING ASSOCIATION meet the Collectors in the Parlour on the last Wednesday of each month at 4 o'clock.

APPLICATIONS for sittings are made to the Managers, one or more of whom are present every Wednesday evening before and after prayer meeting to attend to this matter. *There are no seat rents. Those occupying sittings are expected to contribute towards the support of ordinances according to their ability and by weekly offerings; envelopes for which are given at the beginning of each quarter.*

ANNUAL MEETING.

THE Annual Meeting of the Congregation was held on the evening of January 19th. The meeting was opened with prayer by the Pastor. On the motion of Mr. Bruce, seconded by Mr. Telfer, Mr. H. W. Darling was appointed chairman. Mr. Robert Mills was appointed Secretary. The minutes of the previous annual meeting were read and confirmed.

The Secretary read the Managers' Report, and the Treasurer, Mr. J. Y. Reid, read his Financial Statement for the year.

It was moved by Mr. Wm. Gordon, seconded by Mr. R. C. Steele, and carried, "That the Report, and the Treasurer's Statement, be received and adopted, and that the thanks of the congregation are due, and are hereby tendered to the Managers, and especially to the Treasurer, for the manner in which they have discharged their duties; that the congregation at the same time desires to express its thankfulness for the satisfactory position of the finances."

The names of the retiring Managers were read, viz. :—

Messrs. McDonald, McEwan, Ewart, Darling, Steele, and Reid.

The following, after being duly nominated, were declared elected, viz. :—Messrs. Reid, McDonald, Steele, McEwan, Darling and Lowden.

Messrs. R. M. Gray and J. Bruce were appointed Auditors for the year.

It was moved by Mr. T. Kirkland, seconded by Mr. Wm. Kerr, "That the Report of the Building Committee, and of the Ladies' Furnishing Association, be considered as read, and that they be now received and adopted." Carried.

These Reports, as well as that of the Managers, and the Treasurer's Statement, were in hand in printed form, and will be found in the subsequent pages of this Report.

It was moved by Mr. Gowans, seconded by Mr. Kerr, and carried, "That the thanks of the congregation are due, and are hereby tendered to Mr. Douglas, the leader of the choir, for his services rendered in that connection, and as some token of appreciation, that the Managers be authorized to pay him the sum of three hundred dollars."

It was moved by Mr. Kerr, seconded by Mr. Kirkland, and carried, "That thanks are due, and are hereby tendered to the choir for their valuable assistance throughout the year in rendering the service of praise."

It was moved by Mr. W. D. McIntosh, seconded by Mr. D. S. Keith, and carried, "That the Session is hereby requested to consider the desirability of use being made of a melodeon as an aid to the service of praise at the weekly prayer meeting; and if the matter commend itself to them (as this meeting trusts it will), that the Managers be requested to make all necessary arrangements."

Mr. Darling was asked to leave the chair, and Mr. R. C. Steele to take his place, when it was moved by Mr. Ewart, seconded by Mr. McDonald and carried, "That thanks be given to Mr. Darling, for the efficient manner in which he has discharged the duties of the chair." These were duly tendered by Mr. Steele, and Mr. Darling in return, acknowledged the same, and then called on Mr. Geo. Laidlaw to close the meeting with prayer, which was accordingly done.

ADDRESS FROM THE SESSION.

DEAR BRETHREN,—The time has again come when the Annual Reports of various agencies connected with the congregation are put into your hands. We avail ourselves, as in previous years, of the opportunity to say a few words respecting the state of the congregation, as brought out in these reports, and to add some items of intelligence on matters coming more directly under our supervision as a Session.

We have been gratified to observe the generally favourable character of the reports submitted. In almost every particular the year is marked by an advance on the preceding one. The ordinary income of the congregation has been slightly increased; the indebtedness arising from the erection of the commodious church in which we worship, has been considerably reduced. It has been gratifying to us to learn that there has been an increased attendance on the Sabbath School, and on the Bible Classes for senior scholars; and it is matter for special thankfulness that the various missionary and educational schemes of the Church have been more liberally sustained than during any preceding year. We believe that God is calling the Presbyterian Church in Canada to do a very great work, both at home and abroad, and it must ever be a source of pleasure to us to see you taking a large share in this work, even as we are confident it must prove an instrument of blessing to yourselves.

Attention was called in the last address of this kind to the almost stationary character of the attendance on the

weekly prayer meeting. We have been glad to observe some advance in this respect, and we hope to see still larger in the year on which we have entered. Let us encourage one another in waiting upon God in this way. Let us come especially to seek that "promise of the Father," the receiving of which in larger measure will give us "power" to be "witnesses" in word and act for Him who has redeemed us, and whose is the one saving name.

The number of members in full communion on the 1st of January, 1880, was 471; it is at the corresponding date this year, 483. Sixty-six were added on profession of faith and by certificate; fifty-four were removed, seven by death, and the remainder by change of residence and other causes. The names of the former are: Basil Henderson, Mrs. Livingston, Mrs. Berry, Margaret Young, Hon. George Brown, J. G. Thompson, and Mrs. Miller. To these may be added Thomas Fotheringham, for many years a faithful elder of the congregation, and again worshipping with it at the time of his last illness, though still connected in membership with the Norwood congregation. We renew to the bereaved households the expression of our sincere and warm sympathy. Several of those removed by certificate had been for many years active workers in the congregation. It is a gratification to us to know that they are still usefully employed in the new spheres to which they have gone.

We are desirous that the year on which we have entered should be one of large blessing to all connected with the congregation, and especially that it should witness the decisive acceptance of the Saviour by many not yet openly committed to His service, and we invite the earnest and prayerful co-operation of parents and teachers to this end. It is scarcely necessary to remind you that it is not a result to be secured by outward pressure, or by multiplication of meetings and urgency of appeal. It must be the work

of God's Spirit, using, as He is ordinarily pleased to do, the instrumentality of the Word. May the year be one of abounding prayer for His quickening and sanctifying presence, and may we all have grace to avoid whatever would either cause Him to withhold His presence, or make our prayer for it faint and ineffectual!

MANAGERS' REPORT, 1880.

THE Managers have much pleasure in submitting to the Congregation its Twenty-seventh Annual Report.

The Treasurer's Statement, they think, will be found very satisfactory when compared with those of previous years.

The receipts from ordinary revenue amounted to \$5,093.44, being an increase of \$63.74 over those of 1879, and the expenditure amounted to \$5,001.48, showing, when compared with that of previous year, a decrease of \$82.84.

The balance on hand is \$584.81.

The receipts were made up as follows :—

Weekly Collections.....	\$1,818 11
“ Offerings.....	2,806 33
Quarterly Contributions.....	469 00
	<hr/>
	\$5,093 44

From the Treasurer's Statement it will be seen that this year \$1,000 has been paid out of the ordinary revenue to the Building Committee, to assist in meeting the interest on the debt. This we could scarcely have accomplished had not the amount (about \$275 per annum) which we have hitherto been paying on account of the Sherbourne-street property, been available for that purpose.

At a conference of the Finance Committee, of the Building Committee, and the Managers, held recently, it was suggested that as the floating debt had been paid, and the debt on the Church was represented by two mortgages amounting to \$28,000, the Managers should now assume

charge of these. Should the Congregation deem this proposal satisfactory, it will be the duty of our successors to endeavour to reduce this debt as quickly as possible.

In this connection it may be well to state clearly how we stand with regard to the debt. The interest on the debt amounts at present to \$1,960 per annum, interest being at the rate of seven per cent., towards which last year the Congregation, out of its ordinary revenue, paid \$1,000; and if the interest upon the indebtedness is, during the current year, to be fully met out of the ordinary revenue of the congregation, increased liberality on the part of many would seem indispensable.

There are subscriptions amounting to \$2,000 which are expected to be paid in this year, and if the interest is provided for as suggested, this amount will be applied to the reduction of the debt.

It should also be mentioned that the mortgages are due in November of this year, and it is confidently expected that they can be renewed at a rate of interest which will effect a saving of a least \$300 per annum.

The reports of the Building Committee and Ladies' Furnishing Association compare also very favourably with those of the previous year, both showing a very considerable reduction in the indebtedness of the Congregation.

The congregation has reason for great thankfulness to God for all He has enabled it to do during the past, and should earnestly pray that His blessing may attend all its efforts in the future.

THE REVENUE

of the congregation, as will be seen from the Treasurer's Statement, is derived from three sources, viz. : weekly collections, weekly offerings, and quarterly subscriptions.

No pew rent is asked from any one, but, in place of this, members and adherents are expected to contribute *voluntarily* for the support of ordinances, and to the *best of their ability*. Some accordingly place what they may have to give on the collection plate, others give a sum enclosed in an envelope on Sabbath, and some give a subscription quarterly.

The weekly offering system has been adopted by many in the congregation, and during the last few years the greatest part of the revenue has been obtained from this source.

The managers prefer that the mode of giving should be by weekly offerings.

Those taking this means of giving are expected to fix on an amount they can afford to give, and, having done so, are expected to give it regularly, as far as their circumstances will permit. The amount of any omission, through oversight or absence, may be ascertained at any time from the Treasurer.

Special collections for missionary purposes, or for any of the schemes of the Church, are supposed to be given over and above this amount, and are not to be placed in the envelope, but on the collection plate.

All who wish to adopt this plan, and who have not been furnished with the envelopes used for the purpose, are re-

Any who have adopted this system, and whose stock of envelopes may through oversight not be renewed from time to time, will oblige the Managers, when this happens, by applying to them for a fresh supply.

The Managers would respectfully urge the necessity of *liberal* and *regular* contributions, in any of these ways that may be preferred.

REPORT OF SABBATH SCHOOL.

Another twelve months have passed since it was our privilege to present the Annual Report of this school. These months, we doubt not, have been months of blessing, both to teachers and scholars. We are thankful to be able to state that, while there has been the

usual number of changes in the staff of teachers, there has been no death, and one whose health had been impaired, has been enabled to resume her work among us. Two of the pupils, Carrie Glover and Robert Bryan, have died during the year. The latter had been a long and patient sufferer, and was, in a degree that can only be pronounced remarkable in one so young, the subject of divine grace.

The number of names on the roll at present is 290: 116 boys and 174 girls. This is an increase of twenty over the number reported last year. The disproportionate attendance of boys, as thus reported, is due in great part to the fact that a large number of them, of the same age with the senior classes of girls, are in attendance at the Pastor's Bible Class, which meets at the same hour.

The most advanced class of girls is again taught by Mr. Kirkland, and is very largely attended. It meets in the school room to take part with the rest of the school in the opening exercises, and then adjourns to the ladies' parlour. The infant class, since the removal to St. Mary's of Mrs. Wilson, is taught by Miss Caven and Miss Inglis. It numbers seventy-four: thirty-nine boys and thirty-five girls, and this notwithstanding that very recently two new classes have been formed from it; a pleasing evidence of the interest taken in its exercises by the children.

In addition to this class, there are at present thirty-one classes, taught by seventeen female and fourteen male teachers.

There have been considerable changes in the teaching staff during the year; some on account of removal from the city, and others through indisposition or other circumstances rendering them unable to attend. Mrs. Wilson, Mrs. Steele, Mr. Adamson, Mr. Bryce and Mr. Glover, some of them among our longest and most successful workers, have left the city. Dr. McPhedran, Mr. Geo. Inglis, Mr. C. Thompson, Mrs. Woodbridge, Mrs. Gowans,

Mrs. Jeffray, and Misses Greig, Berry, Cameron, have been compelled to withdraw, for a time at least, from the work. We have received, in their places, Mrs. Picken, Mrs. Kirkland, Misses Millar, Caven, Thompson, Bethune, and E. Bethune, and Messrs. Picken, Monteath, Johnston, Peattie, McPherson, John O. Anderson, and Dawson.

On the 15th January, the Anniversary of the school was held in its usual place of meeting, when besides singing and addresses from some friends, Mr. Gowans a member of the congregation, very kindly gave, not only the use of his magic lantern, but his own services in connection with it. The season was one of great enjoyment to the children. The usual summer gathering was held on the 26th June, at the Mimico Grove. It was the largest of the kind we have ever had, and was considered by all present, children and parents, one of the happiest. Mr. McDonald reports the Library to be in a good state. A considerable addition has been made to it lately. The *Children's Friend* and *Infant's Magazine* have been supplied monthly to the scholars, and in some classes the teachers have supplied quarterly to those under their care the notes on the lessons.

The annexed statement of the Treasurer shows that \$85 have been received from the Treasurer of the Congregation towards meeting the expenses of the school, and that there is a small balance on hand.

The contributions of the school for missionary purposes have amounted during the year, including a small sum for interest, to \$229, being an advance of \$9 over the former year. This amount has been allocated as follows :

For Home Missions.....	\$100 00
“ Foreign Missions.....	79 50
“ French Evangelization.....	50 00

The thanks of the school are due to Miss Douglas for

her services as organist, and also to those teachers who have given their assistance in leading the singing in the absence of Mr. Keith, who had, for a length of time, discharged well this important duty.

ALEXANDER SMITH, TREASURER.

THE PASTOR'S BIBLE CLASS.

This class for young men meets on Sabbath afternoon, at a quarter past three. The subject studied in it in the early part of the year was the Epistle to the Galatians ; in the later part it has been the personal teachings of the Saviour on certain specified questions. The interest has been well sustained, and the attendance larger than during any previous season. The number of young men at present on the roll is eighty, most of whom are regular in their attendance. Mr. Kirkland teaches, in connection with the Sabbath School, a corresponding class for young women. The interest, if one may judge from the increasing attendance is also great. The number on the roll is over thirty.

It has been customary for the Young Men's Association to present a brief statement at the time when the reports of the other organizations connected with the church are presented and printed. We have this year to report a new departure in the form of our Association, which, after much deliberation, and with the consent of the Session, has been changed into a Young People's Association. The change was recommended, if not rendered necessary, by the small attendance on the meetings of the Association in its previous form, and by the desire to extend its benefits to a larger number. It is too soon to speak confidently of the degree of success which has followed the change. The attendance on the meetings since it was made, and the interest taken in the business, would seem to have fully justified it, and lead us to entertain the confident expectation that it will be our pleasure to chroni-

The objects of the Association are, the intellectual and moral improvement of the young people of the church ; the promotion of kindly feeling among them ; and the organization and direction of their efforts in the field of Christian work. As these are objects which must commend themselves to all right-thinking people, we invite the sympathy and co-operation of the members of the congregation in seeking their attainment. The meetings are held every alternate Monday evening, at eight o'clock, in the room of the Association.

The Young Men's Meeting, in the same apartment, for devotional exercises, on Sabbath morning at a quarter-past ten, is continued as formerly, and an earnest invitation is addressed to the young men of the church to attend it.

REPORT OF HOPEFUL GLEANERS' MISSION BAND.

Secretary : MISS BURFIELD.

In presenting the report of our Band for the past year, we may say it has been a successful year. Our subscription to the parent Society was the same as last year, \$90, the greater part of which was made by ordered work with which our friends kindly supplied us. We have also made and distributed some clothing to the poor of our own city.

Our roll numbers thirty-three working and six honorary members, showing an increase of six workers and one honorary member. We hope the numbers will still continue to increase.

We have held two re-unions. The first was well attended, but owing to several other meetings being held the same evening, the attendance on the second one was smaller, though not less appreciative. Miss Ewart, now Mrs. Steele, who had been our President since the formation of the Band, and a most indefatigable worker, having left the city, her connection with us necessarily ceased. She is still affectionately remembered, and carries with her our best wishes for her future welfare. Her place is at present ably filled by Mrs. Gilchrist, who will, we hope, long continue at our head. In closing our report, we feel that

the thanks of our Band are due to the members of the congregation for their kindly sympathy. Above all, we desire to be thankful to our Heavenly Father, and to work heartily, knowing that "our labour shall not be in vain in the Lord."

REPORT FOR 1880.

It will be remembered that during the period covered by the last Annual Report of the Missionary Association, special contributions, some of them of large amount, were given on behalf of the Home Mission Fund. It is known also, that in the early part of the present year, the congregation lost by death the largest contributor to the funds of this Association. We refer to the Hon. George Brown, in regard to whom, it is pleasant to think that his last public utterance was made here and in behalf of the cause towards which he was both a generous and a cheerful contributor. In

these circumstances, it could not have been surprising if your Committee had had to report an income smaller than that of last year. It is happily otherwise. It is their privilege again to report an amount, contributed by the congregation, in advance of that contributed in any previous year.

The sum received through the Collectors is \$1,505.77 ; the sum paid directly to the Treasurer, including a donation of \$200 by Mr. William Gordon, for the proposed College in Formosa, which passed through the hands of the Rev. Dr. Mackay, is \$339.75 ; the collection at the missionary meeting in February last, was \$33.71 ; the collection on last Sabbath morning for Home Missions amounted to \$74 ; that in the evening for Foreign Missions to \$161. Adding to these these sums the interest received for money deposited during a part of the year, \$14.95, it will be seen that the entire revenue of the Association for the year is \$2,129.18, as against \$1,955.84 last year ; or an increase of \$173.34.

Of this amount \$581. were contributed specially for Foreign Missions, made up as follows : \$200 for College in Formosa, by Mr. William Gordon ; \$10 for Formosa Mission, by Mr. Geo. Smith ; \$10 for Foreign Missions, by four little girls ; and the Sabbath evening collection, already referred to, of \$161 ; also \$76 were contributed specially for Home Missions, being a personal contribution of \$2, and the Sabbath morning collection of \$74. Deducting these special donations, and \$50 paid for copies of the *Record*, and \$2 for advertisement, there remains \$1,620.18 to be allocated among those schemes of the Church, on behalf of which these moneys have been contributed.

The following allocation of this amount is suggested for the approval of the congregation : For General Assembly's Home Mission Fund, \$856.18 ; for the Foreign Mis-

sion Fund, \$180; for Colleges (Knox College, Toronto; Queen's College, Kingston), \$390; for University Scholarship Fund, \$60; for Manitoba College, \$25; for French Evangelization, \$109.

To complete the view of what has been raised by the congregation during the year for the schemes of the Church, it is necessary to add to the amounts already mentioned, \$229, contributed by the Sabbath School for Home, Foreign and French Mission work; \$90 by the Hopeful Gleaners' Mission Band, for Foreign Missions; \$52, the collection on the day of public thanksgiving, for the Aged Ministers' Fund and Ministers' Widows' Fund; \$41.30 paid by the Treasurer for the Assembly, Synod and Presbytery Fund; and \$146 contributed by members of this congregation for the Toronto Presbyterian Church Extension Association; in all, \$558.30; bringing the whole amount contributed by the congregation for Missionary, Educational and Church Extension purposes, to \$2,687.48.

That the congregation may understand more clearly what is given from all sources to each object, the following statement, in which the several contributions are grouped, is appended:

The event of greatest interest in connection with the anniversary services of this year is the presence with us of the honoured pioneer-missionary of Northern Formosa, the Rev. Dr. Mackay, a former member of this congregation. Your Committee feel assured that a great impulse has been given to the interest which the congregation has hitherto taken in the spread of the Gospel in heathen lands, by the impressive statement of triumphs won by it and sufferings endured for it, in his distant field of labour; and that in common with many other congregations of the Church which have been favoured with his presence, this one will follow him on his return to China with earnest prayers for similar successes in the future.

Your Committee has to record its deep and grateful sense of the services rendered by the Collectors, to whose fidelity and perseverance no small measure of the success of the year has been due. Some have left the city in the course of the year, or have been unable to continue the

work, but others have been found ready to take their districts. We bespeak for them a cordial welcome to your homes.

In conclusion, we seek to present this report in no spirit of self-glorification, but in one of deep thankfulness to God. We have not done in this respect all that we could have done, any more than, in view of our obligations to the Gospel, all that we ought to have done; and that we have done even so much as it has been our privilege to recount, is due to the grace of God, giving at once the substance and the heart to surrender it to His cause.

ROBERT KILGOUR, } SEC.-TREASURERS.
 GEORGE LAIDLAW, }

The foregoing report was read and adopted at the Missionary Meeting of the congregation, which was held in the Church on the evening of January 25th. The meeting was addressed by the Rev. Dr. Mackay, Rev. Mr. McLeod, Rev. Mr. Rainsford, Rev. Dr. Castle, and by T. W. Taylor, Esq., in terms well-fitted to deepen the interest of those present in the work of Home and Foreign Missions.
