SCHOOL CARES ARE CAST ASIDE

Happy Pupils Freed for the Long Vacation

High School Principal Makes Reference to Conditions—John Bond's High Marks—Fine Record of Two North End Boys

With the closing of the schools today, more than 8,000 pupils are released from their studies and are set free to do as they will, (subject only to parents' orders) during the long summer months.

The total number of students enrolled during the year in the city schools was 8,958, which is 187 more than were enrolled last year. This was the most successful year that the high school has known both from a viewpoint of attendance and the number enrolled.

At the High School. The closing exercises of the St. John high school were held in the assembly hall of the high school building.

The closing exercises of the St. John high school were held in the assembly hall of the high school building. The hall was tastefully decorated in green and yellow, and the stage was gaily decked with flowers.

Alleged Plot To Kill British Cabinet Ministers

London, June 30—Special precautions are being taken to protect all the British cabinet ministers in consequence of the discovery of a plot to murder them, according to the Daily Sketch.

The paper says the police are seeking three men sent to London by certain organizations abroad for the purpose of assassinating the ministers. One of these men is described as a French medical student, a member of a Paris secret society; another an Irishman from the western U. S., and the third a Spaniard of Irish extraction.

Recitation, When Thomas Takes His Pen—Edmund Cole (Miss Gosnell's room). Dialogue, Canada East and West—Boys of Grade IV, Miss Sugrue's room. Chorus, O Canada.

As Hiram Sees It

"Hiram," said the Times reporter, to Mr. Hiram Hornbush, "I was thinking of you when I read the great prize fight."

"I was you," said Hiram, "I'd go up to Buelah Camp, New York and their places ain't good for the health of a fellow like you just now. You go up and see the brethren wrapped with sin and still you a lot more good. I callate to spend a Sunday there—see an' Hansee—If we kin get away."

"Buelah Camp," said the reporter, "is close to the White Sea. What do you make of that?"

"Where'd you expect it to be?" demanded Hiram. "Over at the Minister's Place," said the reporter.

"Well," said Hiram, "I ain't sayin' them folks out to review, but for real sportin' work you want to get close up—yes, sir."

"You speak from experience?" queried the reporter.

"Who—me?" said Hiram. "No, sir, me an' the Old Feller never had no dealin'. But for them that wants a real camp-meetin' in July—By He!"

Motorists Had to Climb on Top of Cars—Street Car Traffic Interrupted.

Toronto, June 30—A veritable cloudburst, accompanied by a severe electrical storm, inundated several streets in the western section of the city yesterday afternoon, doing considerable damage and causing not a little discomfort to pedestrians, motorists and street car passengers.

Strapped by a swirling flood under a subway three women in an automobile had a narrow escape, being drawn up by a street car.

Flooded streets above after railway workers had waded into the miniature river and fastened ropes around their waists.

Scores of motorists sought refuge on the tops of their cars, while draymen sought the highest vantage points on their vehicles. Street cars were forced to cease operations while passengers climbed on seats until the waters had subsided.

Flooded streets in West Toronto were so numerous as to excite little comment. The storm was not so violent in other sections of the city.

PREMIER MEIGHEN TO FRANCE FOR CROSS UNVEILING

London, June 30—(Canadian Associated Press)—Premier Meighen has accepted the invitation of the Imperial War Graves Commission to go to France during the week-end and take part on Sunday in the ceremonies in connection with the unveiling of a great war cross erected in one of the Vimy cemeteries near Arras in memory of the many Canadians who fell in the fighting there during April 1917.

ECHO OF FATAL AUTO CASE IN FREDERICTON

Fredricton, N. B., June 30—This morning an echo of the run-running case in which Fred Hallett, of Devon, was fatally injured when the car crashed into an electric light pole, was heard in the police court this morning when Roy Perley was charged with having taken a car from the garage of Phillips & Pringle Ltd., without permission. He was allowed out on \$2,000 bail, until the first week in August.

CHICAGO GRAIN ELEVATOR MEN ARE TO STRIKE

Chicago, June 30—Employees of Chicago grain elevators have refused to accept the elevator owners' and operators' offer to arbitrate their differences and a strike will be called tomorrow, so it was announced today.

CHILDREN WELCOME TO EAST END GROUNDS

Tomorrow morning, beginning at half past ten o'clock, the East End playground will be the centre of attraction for boys and girls, six to sixteen years of age. The East End Improvement League will give them its annual Dominion Day entertainment. The new swings are up, there will be a fine programme of races, including a relay race of teams from different parts of the city, and afterwards refreshments will be distributed. No doubt many parents will attend to share in the enjoyment of the day.

ONE PART SUSTAINED; ONE SET ASIDE

In the case of the King vs. Ritchie, in the matter of Hum Sec, a Chinese, convicted some time ago in the police court on an option charge, on appeal proceedings judgment was given this morning by Chief Justice McKewen, setting aside one part of the conviction and sustaining the other. The fine of \$1,000 or six months imprisonment was sustained. E. J. O'Leary represented Hum Sec and F. B. Taylor, K. C., the King.

NO GAS; MANY INCONEVENIENCED

Hope to Resume Manufacture on Saturday

Inspector and Sergeant of Dominion Police Here—Conference With Mayor—Other Phases of Street Railway Trouble

Except for the fact that the gas reserve, which was in the gasometers of the N. B. Power Co. when the break with their employees occurred on Wednesday morning, was entirely depleted, the present scheme of things, some of the most ardent spirits in the association will no doubt endeavor to use the situation of there being no last car to prolong the pleasant gathering to a later hour than would be possible when the street railway schedule was the guiding influence.

Inspector C. O. LaNause, of the Halifax squad of the Dominion police, accompanied by Sergeant J. P. Blakely, arrived in the city this morning. The inspector was in conference with the mayor and said afterwards that none of the police constables had arrived in the city yet. He was awaiting word from Ottawa.

It is understood the men are being held on call in case of necessity. The men of the North End were more fortunate than those of other sections of the city as an efficient Hinesy service was in operation today. Ten or twelve motor trucks and automobiles conveyed passengers from the head and foot of King street to Adelaide street for ten cents. A large number of people and the vehicles were carrying capacity loads.

A meeting of the members of the Trades and Labor Union was held this morning in the city hall, Canterbury room. Following roll-call, reports were received from the picket teams and committees. It was reported that by-five new members were initiated, bringing the total membership to above 280.

President Ira D. Parris said that they are arranging details for operating an efficient Hinesy service, which they proposed to start in three or four days. He said he had not received any communication from the N. B. Power Company, and conditions, he said, remained much the same as yesterday.

WENT HAND IN HAND TO DEATH

Tragic Fate of Three Little Girls—River Takes Toll of Five.

Montreal, June 30—Drowning accidents in Montreal yesterday took a toll of five lives. Two of the victims were adults, and three were children. In connection with the death of the latter, two other children were rescued by a fifteen year old boy.

The tragedy by which the three girls lost their lives occurred off St. Helen's Island soon after 3 o'clock. The party of children had attempted to wade from St. Helen's to the adjoining island, Ile Ronde. Starting off the beach hand in hand, they stepped from one stone to another. Part of the way across one slipped and the chain was broken, the three victims finding themselves on a stone, stepped out and fell into a hole, which is six feet in depth. The three girls screamed as they slipped. Several persons who witnessed the affair from the shore ran to the aid of the children. The rescuers included Alexander Martin, foreman of the island, and Constable Chyler. It was some minutes before the body of the eldest girl was found and efforts were made to induce artificial respiration. Later the other bodies were recovered and again artificial respiration was tried, but without success.

Toronto, June 30—Five young girls bathing near the Sunnydale pavilion, who waded beyond their depth, were saved from drowning last night by volunteer rescuers and the life saving crew. It was a close call.

WEATHER REPORT

Fair and Cool. Maritime—Moderate northeast winds; cloudy and cool, with local showers to day. Friday, fair and cool. Gulf and North Shore—Moderate to fresh northeast winds, decreasing; fair to cloudy and comparatively cool today and on Friday.

New England—Unsettled weather, with showers this afternoon and probably on southeastern coast tonight. Friday, probably fair; little change in temperature; moderate to fresh east and northeast winds.

COLLISION OF CARS

A motor car driven by Frederick Williamson collided with another automobile in Main street last evening. Considerable damage was done to Mr. Williamson's car but the other was hardly scratched. Mr. Williamson was turning from Durham street into Main and the other car was standing just around the corner. The moving vehicle struck it in the rear and drove it some twenty feet along the street. The stationary car was struck on a spare tire and rim carried behind and this saved it from damage. Mr. Williamson's car suffered badly damaged fenders, bumper, lights and wind shield.

REMOVED FROM HERE ON VISIT

Montreal, N. B., June 30—Rev. W. H. Barraclough and Mrs. Barraclough will leave here on Saturday for St. John, where they will be the guests of Chief Justice McKewen and Mrs. McKewen. They will return to Moncton on Monday and next week proceed to their new home in Lindsay, Ont.

EXCHANGE TODAY

New York, June 30—Sterling exchange steady. Demand, 3.723-4; cables, 3.737-8; Canadian dollars 12 1/2 per cent discount.

DOES THE SITUATION MEAN THE LAST OF THE LAST CAR CLUB?

When there is no first car or last car in fact any car at all, how can we justify our existence? This is a question that has been worrying members of the Last Car Club since the operation of the street railway ceased yesterday morning. This club was formed early in the year and held weekly assemblies in the homes of its members, taking its name from the fact that the gatherings broke up in time to allow the members to get home by the last car. Whether the meetings will continue is a matter which is now under consideration, but it is felt that should the organization continue its activities it will have to change its name, and adopt some new set of rules which will allow it to fit into the present scheme of things. Some of the most ardent spirits in the association will no doubt endeavor to use the situation of there being no last car to prolong the pleasant gathering to a later hour than would be possible when the street railway schedule was the guiding influence.

THE JUNE BRIDE

Kirk-Akerley. The wedding of Terence Austin O'Donnell and Miss Louise Cecilia Brown, took place in the Cathedral this morning at 6 o'clock with nuptial mass. Rev. Father Milligan performed the ceremony. The witnesses were Miss Mary O'Neill and H. O'Donnell.

Rogers-Ganter. A pretty nuptial event of much interest took place at six o'clock on Tuesday evening at the home of the bride's parents, 212 Noble street, Halifax, when Miss Irene Frances Ganter, daughter of Mr. and Mrs. Harry L. Ganter, formerly of St. John, was united in matrimony to Mr. Rogers-Ganter.

Five Thousand Women. New York, June 30—For the Dempsey-Georges Carpentier fight the list of reservations indicates that not fewer than 5,000 women, many of them socially prominent, will view the encounter. Innumerable diplomats and political leaders are to be there.

Eight Ounce Gloves. New York, June 30—Eight ounce gloves will be the weapons used by Dempsey and Carpentier. This was announced today by Tex Rickard, who said the eight ounce gloves were more favorable to the New Jersey boxing commission than those of the six ounce variety. Managers of both fighters inspected the gloves and pronounced them satisfactory.

Announcement last night that the ring would measure twenty feet on each side instead of eighteen, as originally announced, gave rise to some comment to the effect that Manager Descamps of the Carpentier camp had objected to the smaller arena. This was denied, however, by Rickard. Rickard's followers expressed the opinion that the larger ring would be more advantageous to the challenger, since it would allow him more room for his footwork. The New Jersey boxing commission rules require that the ring shall be not less than 18 nor more than 22 feet on each side.

Manhasset, N. Y., June 30—All members of the Georges Carpentier camp are confident that the Frenchman will be victorious in his battle with Dempsey next Saturday afternoon. Their various opinions follow: Manager Descamps: "Ah, my Georges never fooled me yet. After Saturday I will be manager of the world's heavyweight champion."

Trainer Gus Wilson: "Georges as a lightweight came into contact with some of the world's cleverest and hardest hitting ringmen. He knows too much for Dempsey."

Captain J. H. Mallet, the challenger's friend and adviser: "Georges has a hard hitting Boston National Outrider, at the top of the National League unofficial batting average. His percentage is .409. He leads Hornsby of St. Louis, according to these figures, by two points. Offered a Job.

Chicago, June 30—Whether Georges Carpentier or Jack Dempsey wears the championship belt after next Saturday's meeting at Jersey City, the defeated fighter has something to soothe his hurt feelings and bruised body. One of the "big five" packers today sent a telegram to Jack and Georges offering the loser a position in the company's intelligence department. Should Dempsey retain his title, Georges Carpentier can return to Paris as the French representative of the packer.

CARPENTERS IN TORONTO REFUSE 60 CENTS HOUR

Toronto, June 30—At a mass meeting called to discuss the contractors' decision that carpenters' wages should be eighty cents an hour, commencing July 7, union carpenters last night rejected the reduction.

CUT EXPENSES OF THE CUBAN GOVERNMENT

Havana, June 30—Cuban government \$104,000,000 to about \$86,000,000. These reductions include the elimination of government bonuses to public employes, cut in war department to \$840,000, and a million in the treasury department.

MAJORITY FOR DEMPSEY

Sportsmen For Him 165 Out of 225 on Straw Vote

Many Think it is Carpentier if Not Over in Five Rounds—Eight Ounce Gloves—The Ring—An Offer of Jobs

New York, June 30—Jack Dempsey ruled the favorite with 165 sportsmen out of 225 interviewed as to the probable outcome of his match with Georges Carpentier. Fifty-eight predicted that the French challenger would don the world's heavyweight champion belt, while a scattering few said they expected the bout to be about even.

The usual "if" figured largely among the speculations. If the bout goes five rounds, Carpentier will outbox the champion for the remainder of the contest, was declared by many who favor the challenger.

Atlantic City, June 30—Jack Dempsey wants his contest with Carpentier to end decisively with either himself or Carpentier stretched on the floor of the ring, if possible before the twelve rounds have been fought out. He said he did not want a towel thrown in as an acknowledgment of defeat. A championship contest, he said, should be allowed to go to a knockout without regard to the battered or helpless condition of either combatant. Dempsey also is opposed to having a contest stopped by the referee. "The best way to stop a fight to suit everybody is to knock the other man stiff," Dempsey said. "Then there is no chance for argument. I won't waste Carpentier's men to throw in a towel. I know when it comes my turn to take it they are not going to throw any towel in for me. I will keep on fighting until I am counted out."

Five Thousand Women. New York, June 30—For the Dempsey-Georges Carpentier fight the list of reservations indicates that not fewer than 5,000 women, many of them socially prominent, will view the encounter. Innumerable diplomats and political leaders are to be there.

DUSTIN FARNUM IN THE FOX LIST

Noted Actor, Remembered Here, Joins the Galaxy of Stars.

In keeping with the motion picture plans of William Fox for next season, Dustin Farnum has been added to the roster of Fox stars, and a programme of high class production is being arranged which will launch him in the way to establish him among the most prominent star offerings of the Fox output.

Dustin's management by Fox is in the nature of home-coming; "The Scarlet Pimpernel," "The Boy," "Durand of the Bad Lands," and "North of 37," in which he appeared during his previous service with Fox, were all notable successes.

Dustin Farnum was born in Hampton Beach, N. H., in 1874 and was educated there, in Boston and in Bucksport, Maine, whither his parents moved some years after his birth.

Later on, when he had come to be regarded as among the foremost romantic actors of the American stage, he starred in "The Virginian," "The Ranger," "The Squaw Man," "Cameo Kirby" and other plays.

LORE TO STAY LONGER. Owing to the extraordinary success of Lore, the mental marvel, at the Opera House, her engagement here has been extended for two days—Friday and Saturday, the latter will probably be her last appearance. On Saturday afternoon, as a special event, she will give to every lady in the audience a private, confidential reading, taking each one in turn. Her marvellous power in reading the mind and answering questions of a personal nature has been a sensation since she opened, and everybody is asking how she does it. If you are in doubt, ask Lore, for she knows all.

MR. LAFLEUR HEARD FROM. Ottawa, June 22, 1921. Memorandum for the Deputy Minister: With reference to your memorandum of the 20th instant, enclosing a clipping from the St. John Times, under date of the 16th instant, in respect to the Canadian Pacific Railway Bridge over the St. John River near the City of St. John, I beg to report as follows:—

No attempt has been made to disprove this oft-repeated statement that "the new bridge would be 5% feet lower than the present railway bridge at 75 feet from the centre line of the highway". Nor is it required that it should be either proved or disproved, as it has absolutely nothing to do with the question as to whether or not the new bridge will give a greater clearance than the old.

What has been proved to I venture to say, the satisfaction of all unprejudiced minds, is that following the ordinary course of navigation as determined by actual observations the new bridge will give a clearance at all points but one, than the present structure over a channel 128 feet wide, and that for ninety-five feet of that width the clearance will be 84.95 feet, or 2.68 feet greater than given by the present structure, then gradually decreasing to 82.00 feet at the point of intersection of the 82.00 feet clearance of the present structure with the cantilever arch.

(Sgd.) EUGENE D. LAFLEUR, Chief Engineer.

ABOUT PLAYGROUNDS.

It is worthy of note that the Playgrounds Commission of Ottawa has asked the Board of Control to give a new superintendent of civic playgrounds a salary of \$2,400 per year at the start. The present superintendent is retiring from office. Ottawa finds that it is good business to have such an official in Toronto.

The result of the stoppage of a portion of the power company's service is already being felt. It is of the first importance that the light, gas and industrial power service should be kept in full operation.

TAXES IN HALIFAX.

The Halifax Recorder says: The Halifax tax rate for 1917-18 only four years ago was \$2.18. Last year the rate was \$2.85. This year, \$3.51. The St. John assessment for the current year is \$2.74; last year it was \$2.99. St. John decreases, Halifax increases.

"WE ARE THE DEAD."

(By Willard Watter, Read at the Dedication of Memorial Hall, Massachusetts Agricultural College.) The light of old South College one by Blossum in fire; across the quiet Pond A murmur stirs and whispers and is gone.

Whether we faced them from the lecturer's chair Or shoulder to shoulder listened in the We know one golden lad of yellow hair Walks on the wind and still his comrades greet;

LIGHTER VEIN.

Almost Like New. Caller—Isn't that picture one of the old masters? Mrs. Newrich—I believe so, but my husband had it varnished and framed in his way that makes it look almost as good as new.—Boston Transcript.

NOT FAR TO GO.

Exasperated Husband—If you don't stop your nagging I'll go crazy in a minute. Sarcastic Spouse—You could make it, all right and not exceed the speed limit, either.

VERY ANNOYING.

In the departed days a somewhat befuddled guest appeared unsteadily before the desk of a smart hotel and demanded in thick but firm tones, "What room is changed?" "In sorry," the clerk answered him, "but all the rooms are taken."

A SUGGESTION.

Miss Plainsmith—"I don't care if my face isn't classic. My beauty's beneath the surface. Miss Teachlow—If I were you I'd have my next photograph taken by X-ray.

MARVELS OF PLUMBING.

"Why did you stand around and watch that plumber all morning instead of going to your office?" asked Mrs. Dabwall. "I was fascinated," replied Mr. Dabwall. "I never realized before that a human being could earn a comfortable living with one hand while holding a lighted cigarette in the other."—Birmingham Age-Herald.

FATHER.

"Father," said a little boy thoughtfully, as he watched his parent collect his notes and arrange the slides for a parish entertainment, "why is it that when you spend your holiday in the Holy Land you always give a lantern lecture on it? You never do when you have been to Paris?"—London Morning Post.

LOWLY WORK NEEDED.

Words of warning and counsel were uttered this week by the president of the Baptist Union at the opening of the 14th annual convention in Des Moines. He laid emphasis upon the "great necessities in living," the "deplorable lowering of morals in our social life," the "moral degeneration and let-down in the habits of our young people," the "inroads in our local politics, perhaps lower than ever before," and the "non-church-going and non-religious people, whose knowledge of the sacraments is chiefly confined to those of marriage and of death" as evidence of such a crisis.

GROWING INTEREST IN CHILD HYGIENE

Astonishing Results of Draft Examinations Given as the Chief Reason.

Milwaukee, June 30.—The need of early correction of defects as shown by the somewhat astounding results of the draft examinations and the nation-wide interest in child health aroused by the Children's Year Programme, are the outstanding causes for the growing interest in child health, Dr. Ada E. Schweitzer of Indianapolis told the National Conference here.

MORNING NEWS OVER THE WIRES

The Moncton Rotary Club had its speaker at luncheon yesterday, George W. Wallace, inventor of the retort and certain other machinery, being used at the shale plant of the D'Arcy Exploration Co., Alberta county. Mr. Wallace said that New Brunswick shale was a very successful event.

TRIAL OF MRS. PERRY IS CONTINUED

Mrs. Elizabeth Perry, charged with the murder of her husband, Captain George H. Perry, was continued yesterday at Yarmouth. There was little new evidence added to that which already had been given at the coroner's inquest. Miss Eleanor Perry was produced on the stand to testify against her mother. In all district.

FRANCE DOES HONOR TO CANADIANS

(Canadian Press Despatch.) Ottawa, June 29.—Marshal Fayolle, in the name of France, this afternoon presented to the Canadian people Rodin's La France Reconnaisante (grateful France). The ceremony took place in the railway commission room of the House of Commons and was greeted by the presence of the leaders of the state.

PRECAUTION AGAINST BOVINE TUBERCULOSIS

A few years ago the United States breeders of pure-bred cattle, recognizing the necessity of more effective measures for the control of tuberculosis, arranged a conference with officials of the Bureau of Animal Industry at Washington, the result of which was the adoption of what is known as the accredited herd plan, meaning that the herd had been thoroughly tested and found entirely free from any symptoms of tuberculosis.

RECENT WEDDINGS

Parlee-Lingley.

A pretty wedding was solemnized yesterday afternoon at 5.45 at the home of the bride's mother, Mrs. A. T. Waters, Kennedy street, when Rev. Dr. D. Hutchinson united in marriage Miss Len Marie Waters and Charles E. Lingley. The house was attractively decorated with field daisies and caryings, and the bride, who was given in marriage by her brother, E. S. Waters, wore a smart traveling suit of blue serge and a fur and a moleskin hat. She carried a shower bouquet of Ophelia roses and sweet peas. The ceremony was performed in the presence of relatives and a few intimate friends and following it a dainty luncheon was served. Mr. and Mrs. Cameron left on the Boston train for a wedding trip through various

American cities to Detroit and will return by way of Toronto and Montreal. On their return they will reside at 101 Victoria street. They have the best wishes of a host of friends for their future happiness. Included among the many gifts which they received were a beautiful case of silver, from the associates of the groom in the passenger department of the C. P. R. and a cut glass water set and mahogany tray from the staff of the Dominion Rubber Systems Ltd., in which office the bride had been employed.

Cross-Currie.

The marriage of Miss Evelyn Campbell Currie, daughter of Mrs. Agnes Currie, formerly of St. John, and now of Brookline (Mass.), to Paul B. Cross, son of Mr. and Mrs. W. C. Cross, of St. John, was solemnized at the Lafayette Presbyterian church, Brookline, on Saturday afternoon, June 25, by the minister of the church. The bride, who wore her traveling gown of navy blue with hat to match and an ermine fur, was given in marriage by her brother, Weldon Currie. Both bride and groom were unattended. They left for a short wedding trip to Albany, Toronto, Montreal and other United States and Canadian cities and on their return will make their home in

St. John. They will spend the summer at Renforth. Among those who attended the wedding were the groom's parents, Mr. and Mrs. W. C. Cross, of St. John; Dr. and Mrs. H. E. Williams, of New York, uncle and aunt of the groom, and their sons, and Captain and Mrs. Francis E. Cross, of New York, uncle and aunt of the groom, and their son.

Roberts-Belyea.

Miss George V. Belyea, daughter of Mr. and Mrs. F. B. Belyea, 29 Victoria street, and Ernest M. Roberts, son of Mr. and Mrs. Walter Roberts, Seely street, were married at the home of the bride's parents by Rev. G. D. Hudson, of Victoria Baptist church, yesterday morning. The bride and groom left on the S. S. Governor Dingley for Boston. On their return they will live in Moncton, where the groom is one of the partners in the firm of Roberts Bros.

Kilcup-McGee.

Lepeau, N. B., June 28.—The marriage of Miss Claire L. McGee, daughter of Mr. and Mrs. John R. McGee, of Back Bay, St. George, Charlotte county, to Hugh E. Kilcup, son of Mr. and Mrs. Hugh J. Kilcup, of New River, Charlotte county, was solemnized at the parsonage of the German Baptist church, 81 Queen street, St. John, the Rev. S. S. Poole officiating. The bride was attractively gowned in navy taffeta and wore becoming hat of taffeta of the same hue and carried a shower bouquet. After the ceremony the bridal party enjoyed a dainty wedding luncheon, after which they motored to the home of the groom at New River.

Kierstead-Bonnell.

A quiet wedding took place at the residence of Alfred E. Kierstead, Manawagonish road, last evening, when Rev. C. T. Clark, pastor of the Fairville Baptist church, united in the bonds of matrimony Mrs. H. A. Bonnell and Richard F. Kierstead, of Blaine (Me.) Mr. and Mrs. Kierstead will reside in Blaine.

Mosher-Barker.

At the home of the bride's uncle and aunt, Mr. and Mrs. W. A. Johnson, 142 Charlotte street, last evening, Joseph Ira Mosher, of Loch Lomond, and Miss Margaret Helen Barker, of the same place, were united in marriage by Rev. F. H. Bone. The bride was given away by her uncle. After a dainty luncheon, Mr. and Mrs. Mosher will reside at Loch Lomond.

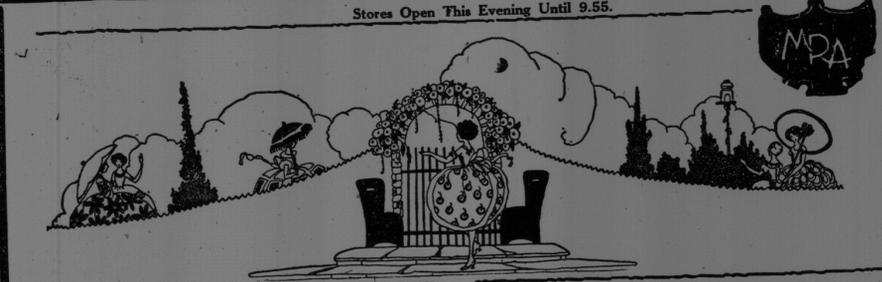

O'Mara-Gleeson.

On Saturday last in St. Joseph's Catholic church, Ottawa, Miss Helen Margaret Gleeson, daughter of the late Mr. and Mrs. David Gleeson, formerly of St. John, was married to Basil Edmund O'Mara, son of the late John O'Mara, K. C.

McGarrigle-Purcell.

In St. Stephen Catholic church, Milltown, on Wednesday morning, Mildred, daughter of Mr. and Mrs. Michael Purcell, was married to J. Philip McGarrigle of Calais. Rev. M. Murphy officiated with nuptial mass.

Montreal, June 30.—Yesterday in St. George's church, St. Anne's Bellevue, Dorothy, daughter of the late Col. J. A. Longworth and Mrs. Longworth, of Montreal, formerly of Charlottetown, P. E. I., was married to Edward J. Watkinson, son of Mr. and Mrs. Thomas Watkinson, of Westmount. The bride was given away by her uncle, H. J. Palmer, K. C., of Charlottetown.

HON. CHARLES J. BONAPARTE DEAD

Baltimore, June 29.—Hon. Charles J. Bonaparte, of Baltimore, died at Belle Vista, his country home, near here, last night. He was attorney-general of the United States in the Roosevelt cabinet and was a noted public speaker and a leading layman of the Roman Catholic church.

He was a descendant of the Corsican family of Napoleon Bonaparte, whom he resembled in facial features. Death was caused by heart and kidney trouble. He was 70 years of age.

RECENT DEATHS

Mrs. J. N. Smith.
At Hampton on June 29, Annie A. wife of Dr. J. Newton Smith, died at her residence, leaving one son, Dr. Newton Whitfield Smith, of Kentville, N. S., and two daughters, E. Beatrice Mackinnon and Miss Lillian L. Smith, of Vancouver, B. C. Interment will be at Hampton on Friday.

HELD FOR DEATH

New Waterford, N. S., June 29.—Alex. McIsaac is dead and Joseph Baxter is in the town jail on a charge of manslaughter as a result of a street fight here on June 11. According to the police Baxter was accused by McIsaac and an altercation ensued in the course of which Baxter struck McIsaac on the head with a stone or a stick. McIsaac felt no ill-effects at the time, but died last night.

GUARDSMEN BOMBARDED
BOOZE-FILLED WOODS

Syracuse, N. Y., June 30.—Thousands of dollars worth of liquor, hidden in the woods which fringe Pine Camp, the army "big gun" training station, were destroyed during the last week, when the 106th Field Artillery of Buffalo turned its 6-inch howitzers against the woods during artillery practice.

The story leaked out only when night-riding tactics operators in Watertown are reported to have made several midnight emergency calls to the edge of the camp to salvage the stock of wet goods which escaped the bombardment.

WORK OF THE ICE SCOUTS

Two Steamers Kept by the United States in the North Atlantic to Warn Vessels of Bergs in Vicinity.

Halifax, N. S., June 30.—(By Canadian Press.)—Since the great steamer Titanic was sent reeling to the bottom of the ocean by one of the giant ice terrors of the North Atlantic and over fifteen hundred lives paid the price of ignorance, this port has had as constant visitors in the months of April, May and June two United States coast guard steamers, who keep vigil on the steamship lanes to prevent, if possible, a like catastrophe.

At 6 p. m., seventy-fifth meridian time, the cutter patrol sent out information about the bergs, using the 600-metre wave-lengths. The information was sent three times at intervals of two minutes. At four p. m. a radio was flashed to the Branch Hydrographic office at New York defining the ice danger zone or giving other definite ice news.

In obtaining their information the cutters did not depend altogether on their own observation. When a steamer entered the ice zone she was asked for her position, course, speed and the temperature of the water—this last in order to ascertain her nearness to the margin of the Gulf Stream. On one of her last trips of the past season the Seneca found the Gulf Stream had reached such a northern latitude that there was practically no chance of the bergs threatening the northern transatlantic steamship lanes this year.

The ice-area which makes necessary such precaution during the months of

EAST ST. JOHN ASKS THE CITY FOR TERMS

A delegation representing residents of East St. John conferred with the mayor and members of the common council yesterday afternoon in the mayor's office in regard to that suburb becoming part of the city.

The residents are anxious to secure sewerage and other conveniences and the delegation asked under what terms the city would take in the suburb. It was said that if East St. John would offer to come into the city and accept the same tax rate and valuations as prevailed in the city proper the city council would consider the matter.

A meeting of the residents of East St. John will be held in the near future when the matter of joining the city will be further discussed.

Semi-ready \$30 Suitings

This is real cloth and better workmanship than the average Bespoke Tailoring.

This is a 1914 quality for six guineas—the price which the same suit is sold for by the best London Tailors.

1914— Many thousands of men bought and liked the Semi-ready Suits at \$30 and \$35.

1915— Storage of wool by War Boards started the prices of clothing soaring.

1917— Manufacturers received a date of their orders from the weavers, at any high price the mills had the greed to ask.

The Suit that was \$20 and \$23 before the war is now \$30. Men who know realize that labor costs are still high, and that these lower prices are only made possible by the closest scrutiny of costs and a limitation to very small profits.

In fact there has been a loss of from \$3 to \$5 on every Semi-ready Suit sold this year in Canada.

Bespoke To any man whom we cannot fit exactly we offer the service of our Special Order Tailoring Department, where he can order any \$30 Suit to be made from any one of the 22 cloth patterns, and pay the same price as for the ready-to-try-on suits.

Patterns, self-measurement forms and illustrations of these suits are so plain that we can make for any man between Halifax and Victoria—and guarantee a perfect fit.

LOCAL NEWS

The North End fire department had a needless run shortly after 12 o'clock this morning when it responded to a false alarm from box 132, in Chesley street, near the old Hamilton mill.

Eighty-four members of the local organization of engineers and trainmen returned here yesterday in two special cars from Brownville, Me., where they had been entertained by the trainmen of that district. The local men were loud in their praise of the hospitality of their fellow trainmen in Maine.

The old Baptist Seminary at St. Martins was formally taken over yesterday afternoon from three St. John owners by Havelock Sanson of Campbellton, Frank D. Smith of St. John, and M. P. P. Doaktown, in behalf of E. W. Kenyon, who will utilize it as the headquarters of the Bethel Bible School, an institution now conducted in Spencer (Mass.).

The members of the W. A. of St. Jude's church had a delightful picnic at the residence of Mrs. Robinson at Ononette yesterday afternoon. There were about forty attended and the majority went to and from Ononette by automobile. The members of the Engineers' Institute, to whom the pictures were loaned by the Canadian Air Board. The pictures consisted of hydroplanes, airplanes and large bombers in action during the summer of 1918. The exhibition concluded with a reel depicting the surrender of the German fleet.

The board of arbitration made its report yesterday afternoon on the alleged breach of contract between the organization of the R. M. S. P. steamer and the Royal Mail Steam Packet Company. The trouble arose over the number of men employed on the R. M. S. P. steamer at the sugar refinery. The board found that there had been a technical breach of contract, but recommended that the company employ three more men to handle seven bags of sugar to a sling instead of five as at present. The vice-president of the William Thompson Co. said yesterday that they had decided to accept the terms. The reply of the men will be given next week after a general meeting has been held.

MUSIC AND ST. JOHN.

To the Editor of the Times: Sir—As a most ardent admirer of music, I wish to second the motion of "One for a Better City." But at the same time I find with a little reflection that the writer has taken a rather one-sided view of the matter. The writer's statement that "good music" appeals to everyone. I am very sure he is wrong. I have known persons to whom such music was an affliction. Happily such people are in the minority. Personally speaking, I dislike "jazz music" as much as the writer appears to, but I disagree with him (or her) again in that it should be banished from the city.

I think that any broad-minded person will agree with me when I say that there is no earthly reason why "jazz music" should be denied the thousands of persons who want it simply because the writer and a few other fanatics do not like to hear it.

Now I think I am safe in saying that a great many people do not care to hear "music that will bring tears to the eyes," and I am afraid it would be very difficult to find many young people (not to say old people), for I have been greatly surprised to see many persons of both sexes and rather on the wrong side of forty, gay and jingling in one of the better class dance halls in the city, who would advocate such a move as banishing the dearly loved recreation.

I take it that the object in view, of at least the majority of "grown ups" is the straight forward living and happiness of our youth, and I assure the despondent writer of last night's article that without light music and recreation there will be very little happy laughter heard within our stagnant city. Still there is reason for complaint from those who love music of a higher standard. I have been asked many times why we in St. John cannot have such musical treats as can be had in Toronto and Montreal? It is a very simple answer—

So long as theatres producing cheap vaudeville and motion pictures are thronged with patrons, there will be little or no high music and music of any kind. Every season—from September until April—all the stars, near-stars and satellites of the Metropolitan Opera, and many other operatic and musical organizations tour Canada, i. e., Toronto and Montreal. The majority of these celebrities do not know that there is such a city on the map as St. John.

I, as an anonymous correspondent, call upon The Evening Times and every music lover in the city to start a campaign for an operatic season in St. John. Let us have a musical season this coming fall and winter—if we cannot have opera let us at least have the artists who tour Montreal and Toronto. Most people in this city have heard them and the phonograph and will unflinchingly flock to hear (or at least to see) the brilliant stars and satellites who are continually keeping the two hemispheres in uproarious applause.

CAM. STREET CAR SERVICES To The Editor of the Times: Sir—To settle an argument you kindly let us know through the columns of your interesting paper, how many cities and towns in the provinces of New Brunswick and Nova Scotia and the adjoining State of Maine, have electric street car services.

Yours respectfully, P. J. AND MIKE, St. John, N. B. June 28.

St. John, Moncton, Halifax, Sydney, and Yarmouth have street cars. The Times has no available record of the Maine towns.

MIXED THE MARYS. To the Editor of the Times: Sir—Relative to a paragraph re lock of Mary Stuart's hair, in Times of June 28, dated Washington, it is correct that Mary, daughter of Henry VIII and Catherine of Arragon, was suspected and was executed by her step-sister Elizabeth. It was said that Mary reigned as queen, died of dropsy, and Elizabeth then reigned.

SHOT HERSELF DEAD IN THE BUSH

Parry Sound Woman Accidentally Discharged Rifle Climbing a Fence.

Parry Sound, Ont., June 30.—Word has been received of the fatal shooting of Mrs. Lorne Fraser, of Humphrey Township, about twenty miles from here, on Saturday morning. Mr. and Mrs. Lorne Fraser and family resided on the Tally-Ho road, about two miles east of the Parry Sound road. The cows failed to return on Friday night, and Saturday morning Mrs. Fraser left to find them. Ah she would have to pass through a piece of brush she took a thirty-two calibre rifle with her. Some time in the afternoon the pastor called, and not finding Mrs. Fraser at home, called up the husband and they went in search for her. About half a mile from the house they found her body, which had evidently been lying there at least six hours.

QUEBEC STRIKE IS AT AN END

Quebec, June 29.—"The strike is over and the firemen, as well as the police will return to duty," said Mayor Samson, today. "The time limit which we gave them, we are willing to extend now that the affair is satisfactorily settled. The mayor said that no man against whom any charges should be proven, would be accepted back."

Mayor Samson said that the men had to return to duty on the conditions submitted by the city. The men will get increases in pay of seventy-five cents and \$1 per week, according to length of service. The wage scale of the firemen and police now runs from \$18 to \$26 per week. The men went on strike Saturday, demanding an increase of \$1.50 per week.

FIVE CANDIDATES FOR THE MINISTRY ARE LICENSED

The Southern United Baptist Association of New Brunswick at the closing session of its annual meeting last night went on record as favoring every movement for the furtherance of temperance. At the evening meeting the report of the committee on licenses was read by Rev. S. S. Poole. Its recommendations were agreed to and licenses were given to R. H. Rushton, of Haldibald's Point; H. H. Titus, of Grand Bay; J. A. Beja, of Smith Town; H. K. Grimmer, of North Head, and T. L. Brantley, of Fennfield.

THREE YEARS FOR THUG

Cowardly Highwayman Sentenced at Ottawa. Ottawa, June 30.—Convicted of having stolen \$367.41 on a public highway, with violence, Alfred Fournier, of East Hull, was sentenced to three years in the penitentiary by Magistrate Miller. Fournier waylaid an old man, Philip Duford, also of East Hull, about 4 o'clock on the morning of June 3.

POTATO SPRAYING

(By A. Keadall, Entomological Laboratory, Annapolis.)

In the maritime provinces it has been several times said that there are four main factors under the grower's control which determine the potato crop. These are, seed, cultivation, fertilizer and spray. All are undoubtedly important, but very frequently the one least understood is that of spray. They have many times appeared in the papers the result of yields on sprayed and on unsprayed potatoes. Spraying for the control of the potato beetle is necessary and profitable every year. Spraying for the control of potato blight is a highly profitable operation almost every year, increases in yields sometimes being obtained as high as 200 bushels per acre.

Spraying Materials. Bordeaux mixture is by far the preferable material to use on potatoes. Spraying should commence with Bordeaux of the 4-4-4 formula, and if the spraying machine used is delivering lots of spray, say eight gallons or more to the acre, this formula may be continued throughout the season. But we have found it advisable, particularly where machines are delivering less spray, to use the formula 5-5-40 for the second spray and 6-5-40 for the third and following sprays. In order to poison the potato beetle, a poison of, of course, to be added, and one of the cheap and convenient materials is arsenate of lime, which should be added at the rate of 1 1/2 lbs. to each forty gallons. In New Brunswick particularly, arsenate of soda is on the market under the trade names of "Arsenoid" and "Sol Arsenate." This also is an excellent material and should be used at the rate of one pound to forty gallons of Bordeaux mixture.

White arsenic is undoubtedly the poison which is cheapest and most satisfactory to use, for all growers who make their Bordeaux mixture by keeping on hand a stock solution of copper sulphate. White arsenic can only be used in Bordeaux mixture, for in other combinations it burns foliage. And even in Bordeaux mixture it must be used in a particular manner in order to make it absolutely satisfactory, but when directions are followed there is no doubt that it is the cheapest of all fungicide-insecticide combinations, and perfectly efficient and harmless. In order to properly use white arsenic it must be mixed in a dry condition with an equal weight of hydrated lime. This mixture can be purchased under the name Del mixture, and is also generally known as white-arsenic-hydrated lime mixture.

Supposing it is wanted to prepare ten gallons of copper sulphate stock solution, the following is the procedure. Sift two pounds of the white-arsenic-hydrated lime mixture (Del mixture) into ten gallons of water and stir. In a bag suspend in this ten pounds of copper

sulphate, and occasionally, while the copper sulphate is dissolving, give the material a stir. This should be made a day or so before using, but when made will keep indefinitely. This solution of copper sulphate and poison should be used just like an ordinary stock solution of copper sulphate. It will be a blue solution containing a green precipitate, and should be, of course, thoroughly mixed before using. The Bordeaux mixture which is made from this stock solution will be a shade more green in color than an ordinary Bordeaux mixture.

In some districts for the past few years the potato beetle has been troublesome. The ordinary poisoned Bordeaux mixture has no effect on this insect. When potato aphid first make their appearance a pint of nicotine sulphate per 100 gallons should be added to the regular spray. However, if the potato leaves are curled by the aphid before they are noticed, it is useless to attempt to control them. Also if the spray being used will not direct spray upwards on to the underside of the leaves, it is useless to try and control the potato aphid. Time of Spraying - Spraying should commence when the plants are about nine or ten inches high, or younger if the potato beetles are troubling them. From that time on, a fresh application should be made about every twelve days. If the weather is wet the periods between spraying should be made shorter, but if the weather remains fine a somewhat longer period will do very well. Dusting Potatoes. The dusting of orchards is now so common that it is only natural that many should think of following the same procedure with potatoes. We have always had good results from dusting potatoes when it has been properly done. For small areas of potatoes a hand duster is very satisfactory. But for large areas this means too much work, and unfortunately a really good traction duster can very well be put on the market. Persons who own a power orchard duster can very well use this machine and get good results. In our experience so far we have found the best dust to use on potatoes to be composed of the following materials: Fifteen pounds dehydrated copper sulphate, ten pounds of dust per acre per application are used.

of hydrated lime. In applying this dust the same rules hold good as in applying dust to orchard, namely, that the best work is done when the air is calm and preferably when the plants are wet. On full grown potatoes about fifty pounds of dust per acre per application are used.

Each class, however, carried out individual programmes, consisting of recitations, songs, readings and choruses. The class rooms were decorated and although regretting the absence of an auditorium where all might have heard the programmes, the pupils thoroughly enjoyed the day. In Grade VIII, the O. D. E. prize for British and Canadian history, which was presented by the Brunswick Chapter, went to Gordon McDiarmid. The presentation was made by Mrs. S. H. Mayes, on behalf of the regent, Mrs. W. I. Fenton. The principal, William McDiarmid, reported that a year had been a very successful one.

WINTER STREET.

The closing exercises of Winter street school were much enjoyed. The programme was:
March—"America the First."
Chorus—"Canada My Home."
Patriotic Exercise—Grade IV.
Chorus—"Forth to the Meadows," (Subber).
Operetta—"A June Flower."
Garden—Grade I, II, III.
Chorus—"Welcome, Sweet Springtime" (Ruhinstein).

Selection by Grade VIII.
Salute of Flag; God Save the King.
March—"Our Boys"—Winter street orchestra.
Dufferin.

Two members of the Grade VIII in Dufferin school, Murray Brown and Willard Moore, received special mention during the exercises for having gone through the entire eight years without having missed a day. The success achieved by the Dufferin School Boy Scout Corps, who made the highest marks in their review, was also recalled.

Any visitors enjoyed the splendid programme and commented favorably on the many drawings on the boards.
The closing exercises consisted of two programmes:
Primary Grades.
Chorus—"Canadian All" by schools.
An Exercise—"Welcome All," twelve girls Grades II and III.
Recitation—"Too Little and Too Big," Edna Clarke.

Mount Carmel.
The closing exercises in Mount Carmel day school took place this morning. Many visitors were present and all were delighted with the various numbers on the programme which were excellently rendered by the little girls. The programme consisted of:
Address of welcome by the class to their visitors.
Chorus by the school.
A playette, "How the Fairies Choose Their Queen."
Songs, recitations, and musical selections, by various members of the two classes.
Grades III and IV next appeared on the stage and opened their programme with a chorus. Their next number was a little play, "The Birds' Carnival," which depicted in poetry and song the different habits and characteristics of many native birds. This number was very interesting and instructive and brought forth much applause from the audience. Songs and recitations by members of the class followed, and the closing of the school year was concluded by the singing of the National Anthem.
Rev. J. MacDonald, of Holy Trinity parish, presided.
Aberdeen School.
In the lower hall of the Aberdeen school a pleasing programme of songs and readings were delivered by the pupils. The exercises were begun with a chorus, "Welcome Sweet Spring," which was followed by "Four Leaf Clover," a song by one of the pupils. The members of Grade IV, presented a pleasing number, "Slumber Boat," and Grade II, gave "Hawthorn," to advantage. A song, "Full Away," was followed by a treatise

IMPROVED TRAIN SERVICE WOODSTOCK-ARROSTOOK

Effective after June 28th Canadian Pacific trains 153 and 154, now operating St. Stephen to Woodstock and return will be extended to run as far north as Arrostook. Train 154 will leave Arrostook at 4.10 a.m. Eastern Standard and run through to McAdam, making connections at that point with all trains east and southbound. Returning train 153, connecting at McAdam with all evening trains will leave Woodstock at 9.00 p.m. and arrive Arrostook at 11.30 p.m.
This service will be of great benefit to the traveling public generally, and more particularly to those located at points north of Woodstock up to and including Arrostook and they will now be able to make trip to St. John, Fredericton, St. Stephen, St. Andrews or other points in province and return the same day.
Mixed trains 155 and 156, which carry passengers between Woodstock and Arrostook have been cancelled. 7-5.

HALIFAX TOO HAS TASK LIKE OURS

Question of Distribution of Hydro Power is Worrying Minds of City Council—Ontario Expert Now There.

Halifax, N. S., June 29.—(By Canadian Press)—City fathers in Halifax are much exercised at the present time over the question of the introduction into the city by the Nova Scotia Power Commission of hydro-electric power recently developed at the new government-owned plant at St. Margaret's Bay, Halifax County.

Late into last night the members of the city council have sat in solemn conclave debating the advisability of the various schemes proposed. The matter is not one to be lightly disposed of inasmuch as the introduction of the power on whatever basis is expected to reduce the price of the kilowatt hour in Halifax from ten to seven cents to something over one cent.

Some days ago in a state, bordering on despondency, the city fathers turned the matter over to a conference consisting of members of the provincial government, several members of the city council and representatives of the tramways company whose poles the city will use if it decides to distribute its own power.

Recently private interests pooled some funds and sent for J. J. Jeffrey, assistant consulting engineer of the hydro-electric power commission of Ontario. Mr. Jeffrey has arrived in the city and had a conference with Mayor S. P. Parker. His investigations have not yet been concluded, however, and meantime the hydro-electric question is a boon to the press and the city clubs.

BAPTIST WOMEN ELECT OFFICERS

The Women's Missionary Society of the Southern Association of the Baptist Church of New Brunswick at its organizational meeting in the Ludlow street church yesterday elected Mrs. W. E. MacIntyre of John as its first president. The new society held a largely attended public meeting in the afternoon and both sessions were marked by inspirational addresses.

In election of officers resulted as follows: President, Mrs. W. E. MacIntyre; St. John; vice-president, Mrs. N. W. Everleigh, of Sussex; Mrs. Thomas Todd, Narrows, and Mrs. J. H. Jenner, St. John; secretary-treasurer, Mrs. L. H. Crandall, Chipman. These officers with the three district secretaries comprise the executive of the new association.

At the afternoon public meeting, the address of welcome was given by Mrs. George Gibbon and was responded to by Mrs. Clifford T. Clark of Fairville. The work of the Mission Bands was dealt with by Mrs. F. H. Bone. Rev. A. L. Tedford gave a description of non-English speaking mission work in Western Canada. The newly elected president, Mrs. MacIntyre, read a paper entitled "Our Denominational Papers," Messages from Telugu Land were given in the addresses of the two returned missionaries, Miss Clara Mason and Miss Flora Clark. A reading, "The Impersonation of a Hindu Widow," was given by Miss Muriel Jenner. During the afternoon solos were sung by Mrs. Blake Ferris and Rev. Isaac Brindley.

To Sue Toronto Railway Toronto, June 30—Approval of the action of the Board of Control in directing the Civic Legal Department to sue the Toronto Railway Company for percentages due the city was unanimously given by the City Council. The amount alleged to be due from the company to the city is \$1,407,123.

DE VALERA OUT OF LONDON MEETING

Proposal of Lloyd George Not Acceptable to Him in its Present Form

(Canadian Press Despatch.) London, June 29.—Eamonn De Valera, the Irish Republican leader, in a letter to Sir James Craig, the Ulster Premier, says that the proposal of the prime minister, Mr. Lloyd George, for a conference in London between representatives of southern and northern Ireland and the British government, owing to its limitations, is impossible of acceptance in its present form.

REFORMED BAPTIST ANNUAL MEETING

The thirty-third annual session of the Alliance Association of the Reformed Baptist Church of Canada opened at Beulah camp grounds on Wednesday morning with a social service led by the vice-president, Rev. S. H. Clark. This was followed by a business session at 2.30 p. m. in which the following officers were appointed: President, Rev. S. H. Clark; vice-president, Rev. G. B. Trafton; corresponding secretary, Rev. W. B. Williams; assistant secretary, Rev. H. C. Archer; treasurer, E. Costman; auditor, Rev. L. T. Sabine. The following committees were then appointed: Devotional, Rev. L. J. Alley; nominating, Rev. H. C. Archer; Rev. W. W. Howe; Rev. C. S. Hilyard; Rev. H. C. Archer was appointed the reporter for the Alliance Association.

The committee in charge of the hotel at Riverside camp grounds at Robbinston (Me.) reported. The committee on camp meeting workers reported not having been able to secure any special speaker this year and that the preaching would be done by the ministers in attendance, including Rev. Cochrell, of Ohio. The Beulah hotel committee re-

KNOX CHURCH CADETS LEAVE THE CUP TO ST. ANDREW'S

One hundred and sixty marks were scored by Knox Presbyterian Cadets last evening, when they underwent their annual inspection by Colonel A. B. Snow on the High School grounds. The Strathcona Cup thus goes to the St. Andrew's Cadets, who turned in 170 marks at their annual inspection, held three weeks ago. The Knox Cadets could have won the cup had their signallers performed even fairly, but not one word was correct, and fifty marks were lost. Their other marks were as follows: March past, 20; extended order, 25; physical training, 35; manual of arms, 40; company drill, 30. Total 160. Pipe Major Fryer and his brother played the Cadets to and from the grounds with the bagpipe and drum. Sixteen Cadets were on parade.

GEORGE R. RIDEOUT GETS BIG PURSE

Sydney, N. S., June 29.—As a mark of their appreciation of his services during the first two months of the bone dry Sydney campaign, leading citizens of Sydney tonight at the Y. M. C. A. presented Inspector George R. Rideout with an address and a substantial purse on the eve of his departure for Montreal to attend the annual convention of the Chief Constables Association of Canada. The presentation was made by C. P. Moore, president of the local Social Service Council.

BUMPER APPLE CROP EXPECTED

Million Barrels for Export, and Furness, Withy Co. Have the Ships to Handle the Business.

(Halifax Chronicle.) A bumper apple crop is expected this year, and, according to reports from the Valley, it has been estimated that over a million barrels will be available for export, all of which, of course, will go through the port of Halifax. Shipping for some months past has been very quiet, and with the prospect of a million barrels of apples being shipped from here next fall and winter it is an indication that the old-time activity will return.

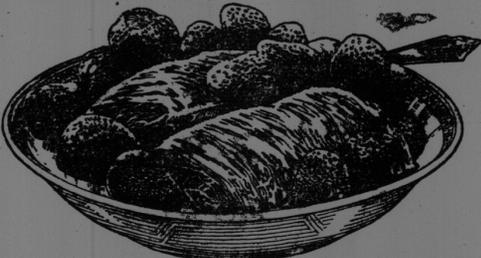

The importance of this apple export business at the port of Halifax is not generally recognized, but it is probably worth more than combined passengers and outside business that the port gets. Last year it meant the calling at Halifax of eighty-five steamers with a subsequent outlay for port charges, provisions, coal, stevedore labor and all other incidentals, a great contribution to the revenues derived here from the shipping industry.

One cannot make mention of the apple export trade without linking the name of Furness, Withy & Company with it. For many years this firm has cared for and developed the only services that have given the maritime provinces regular and direct connection with United Kingdom ports. During the past thirteen years, out of over seven million barrels of apples exported, the Furness Lines provided facilities to the shippers for the carriage of over five millions of this total.

ELECTED N. S. MODERATOR. Sydney, N. S., June 29.—Rev. J. H. Hamilton, a leading figure in the bone dry campaign, was today elected moderator of the presbytery of Sydney.

IMPERIAL Polarine MOTOR OILS. Quality maintains economy. No matter how much you "use gallons" for other lubricants, you get more lubrication "per dollar" when you use Imperial Polarine Motor Oil. Maintains Economy.

IMPERIAL Polarine Motor Oils save many thousands of dollars every year for Canadian motorists because of reduced operating expenses.

Imperial Polarine Motor Oils cut down repair and maintenance costs, reduce fuel bills and insure you for all time against excessive depreciation and repair expenses. Imperial Polarine quality maintains economy all along the line.

Judged by quality—gauged by actual miles of perfect lubrication each gallon will give, and by real motoring satisfaction. Imperial Polarine is the least expensive motor lubricant that you can obtain. The more carefully you check up costs, the more thoroughly convinced you will be of the advantage using Imperial Polarine Motor Oils exclusively.

Standardize on the correct grade of Imperial Polarine Motor Oils. Consult our Chart of Recommendations at your dealer's or write to 56 Church Street, Toronto, for our interesting booklet, "Automotive Lubrication."

Victor in 55 Out of 64 Bat-
tles, 45 by Knockout Route
—Each Knocked Out Once.

New York, June 30.—Veterans
of numerous gory ring battles, will face
each other in the ring when Jack Dempsey
defends his heavyweight title against
the challenge of Georges Carpentier in
the Jersey City ring, July 2. Through
several campaigns, both have won and
lost contests in nearly every possible
manner. Both have won by knockouts,
on points and by fouls; both have lost
on points and by knockouts, although
Dempsey never has lost a decision on a
foul as did Carpentier to Frank Klaus,
when Manager Descombes climbed into
the ring to save the Frenchman from
further punishment.

Carpentier, fighting since 1907, is the
more grizzled veteran of the two. In
winning his way up from the bantam-
weight three-fours he has climbed into
the ring to save the Frenchman from
further punishment.

WHAT HOLDS
MEN BACK

IN LIFE, IN MANY CASES, AND MAKES THEM
WEAK, NERVOUS AND IRRITABLE
WHEN THEY OUGHT TO BE IN
THEIR BEST PRIME.

As men grow older the iron in their
blood is apt to thin out and as a conse-

come weakened and they may respon-
sively lose both bodily and mental vigor.
A New York physician says that more
than one half the population of America
perishes before middle age and that one
of the chief contributory causes of this
terrible waste of human life is the
deficient amount of iron in the blood.

His many friends in the city will extend a hearty welcome to him.

INSPECTOR FOR WATER MAIN

Com. Jones of Opinion That Present Arrangements Satisfactory

The question of the appointment of an inspector on the pipe manufacture for the new Spruce Lake main was the only matter before the committee meeting of the common council this morning.

Commissioner Jones presented the city engineer's report in the matter.

The engineer said that an inspector was not needed. He said that his assistant was on the job practically all the time, and he himself visited the scene every day.

Commissioner Jones said he was perfectly satisfied with the present arrangement. The responsibility for the work was on his shoulders, he said. He would not recommend the appointment of an inspector.

Mr. Bullock said he would not be a party to bearing the responsibility. He said that when he visited the scene Mr. Balleentyne, the engineer's assistant, was not at the mixing plant, where the inspector should be.

Commissioner Jones said that as Mr. Balleentyne was busy a great part of his time in laying out lines for the excavation, etc., he could not be watching the manufacture of the pipe.

The matter was finally left to the mayor and Commissioner Jones to report back.

COMMENT ON MISS COUGHLAN'S CASE

(Toronto Globe.)

"Even though the immigration law were all right in the main," says the New York World, "there is something wrong with it in detail when a librarian who enters this country from Canada to work in the New York Public Library can be deported as a contract laborer. Miss Eileen Coughlan was hired to work in the periodical room of the library while still employed in the public library at St. John, N. B. She entered the United States unquestioned and took the job. But when the immigration authorities got wind of the nefarious preliminary agreement they summoned her to Ellis Island and, finding her to be a contract laborer, sent her back to St. John. This ruling reaches and passes the height of the ridiculous."

THE JUNE BRIDES

(Continued from page 1.)

of St. John, was united in marriage to Arthur Wyckoff Rogers, L.L.B., son of H. Wyckoff and Mrs. Grace Dean Mead Rogers of Amherst, N. S. The drawing room was beautifully decorated with a profusion of palms, pink hydrangeas, snapdragon and sweet peas.

The ceremony was performed by Dr. George B. Cutten, president of Acadia University. Miss Rae Wilson of St. John, N. B., played The Voice That Breathed O'er Eden and Mendelssohn's wedding march, and Miss Helen Ganter, sister of the bride, sang very sweetly O Promise Me.

The bride wore a beautiful wedding gown of ivory charmeuse satin with Brussels lace and bridal veil arranged in Juliet cap with wreath of orange blossoms. Her bouquet was of pale pink roses, with shower of sweet peas.

Following the service a reception was held. The tea cups were presided over by Mrs. G. Rex Ganter of St. John. Mrs. Ganter, mother of the bride, wore a gown of French gray Canton crepe with red and blue and coral steel. Mrs. Rogers, the groom's mother, wore a gown of white taffeta with Flemish lace and a lace hat with crown of flowers.

Both bride and groom are graduates of Acadia University. Mr. Rogers is also a graduate of Dalhousie Law School. He has a fine war record, having served in France with the 6th C. M. R. and 85th Battalion. He was awarded the M. C.

Among the out-of-town guests at the wedding were Mr. and Mrs. H. Wyckoff Rogers, Dean Rogers, David Rogers, Horace Reid of Amherst, N. S., Mr. and Mrs. G. Rex Ganter, Miss Rae Wilson, Miss Hazel Clark, St. John; Miss Evelyn Smallman, Wolfville, N. S.; Murray Chipman, Kentville, N. S.

Martin-Keith

A wedding of much interest took place this morning at six o'clock at the home of Mr. and Mrs. C. L. Keith, 55 Wright street, when their youngest daughter, Gladys May, was united in marriage to Robert D. Martin, son of the late George H. and Mrs. Martin of this city.

The ceremony was performed by Rev. F. H. Bone, in the presence of the immediate relatives of the bride and groom. The bride, who was given away by her father, was dressed in sand-colored crepe de chine, and carried a bouquet of American Beauty roses. The parlor, in which the ceremony took place, were beautifully decorated with cut flowers and ferns. After a wedding breakfast was served, the bride and groom left on the early train for Boston and other cities where the honeymoon will be spent.

The bride's travelling suit was navy blue serge, with hat to match, and French mole scarf, the gift of the groom. On their return they will reside in Fair Vale. They were the recipients of many beautiful presents, including a chest of silver from the staff of M. R. LeLac, where the groom is employed, and a gift from the Chinese department of Central Baptist Sunday school, where the bride was a teacher.

Butler-Hughes

A very pretty wedding was solemnized with nuptial mass, by Rev. W. M. Duke, in the Cathedral of the Immaculate Conception at seven o'clock this morning, when Miss Gertrude Cecilia Hughes, daughter of Mr. and Mrs. John J. Hughes, was united in marriage to James Frederick Butler, son of Mrs. Angus Butler. The bride, who was given away by her father, looked charming in a dress of white duchess satin, with veil and orange blossoms, and carried a shower bouquet. She was attended by her sister, Ethel, who was becomingly attired in blue satin, with maize colored hat and carried pink carnations. Louis Butler, brother of the groom, was groomsmen. Mr. and Mrs. Butler left for an extended wedding trip, and on their return they will reside in Milford.

Roberts-Belyea

A very pretty wedding took place yesterday morning at the home of Mr. and Mrs. Fred Belyea, 29 Victoria street, when their daughter, George V. Belyea, was united in marriage to Ernest M. Roberts, son of Mr. and Mrs. Walter Roberts of Cedar street. Rev. G. D. Hudson officiated. The house was attractively decorated with roses and ferns. The bride wore a traveling suit of blue tricotine, moleskin tie and mohair hat. She carried a shower bouquet of Ophelia roses. After the ceremony, a dainty luncheon was served. Mr. and Mrs. Roberts left for a wedding trip to Boston and New York. On their return they will reside in Moncton, where the groom is one of the partners of the firm of Roberts Bros. Both bride and groom were the recipients of many handsome gifts, including cut glass, silver and checks.

Poirier-Sullivan

Moncton, N. B., June 30—In St. Bernard's Church yesterday morning, Miss Elizabeth Sullivan, daughter of Mr. and Mrs. Elizabeth Sullivan, 257 High street, became the bride of Wilfrid P. Poirier, son of Alexander Poirier, of Cape Breton, at one time on the staff of the Bank of Montreal, Moncton, at present traveling for a Nova Scotia firm. Rev. Father W. J. Mallette officiated. Miss Mabel Sullivan and William Poirier were the attendants. Mr. and Mrs. Poirier left for Montreal, Ottawa and Toronto. The bride was formerly employed in the office of F. A. McCully, K.C.

McGovern-McInnis

A wedding of interest in this city was solemnized in St. Columba Church, Iona, Cape Breton, on Wednesday morning, when Rev. R. McKenzie, who was celebrant at nuptial mass, united in marriage Miss Catherine McInnis, of Iona, and William J. McGovern, of Milford, N. B. The bride was attended by her cousin, Miss Mary A. McInnis, and the groom was supported by Joseph McLaughlin of this city. Following the ceremony a dainty wedding breakfast was served at the home of the bride's parents, after which they left on a honeymoon trip to St. John, arriving here this morning. They will return to Iona in a couple of weeks and will reside there. The groom is foreman in the Iona Gypsum Company. They received many beautiful presents.

Christie-Cleghorn

Fredericton, N. B., June 30—Miss Mamie Elizabeth Cleghorn, daughter of Mr. and Mrs. Alex. Cleghorn of Plamé Ridge, Charlotte county, and Roy Christie of Harvey, were united in marriage by Rev. G. G. Warren, of the Brunswick Street Church on Wednesday afternoon.
