GRAND MASTER'S ADDRESS.

To the Officers and Members of the R. W. Provincial Grand Orange Lodge of Ontario East:

BRETHREN,—It now becomes my duty to address you on the occasion of our meeting in the loyal and progressive village of Tweed, to hold the thirty-fourth annual session of this R. W. Grand Lodge.

In doing so, I desire to congratulate you upon the large attendance present, showing the unflagging interest taken in the welfare of our beloved order by its members, whose numbers are steadily increasing and whose influence is being felt throughout the Empire by its unswerving support of the British crown and the Protestant religion.

It affords me the greatest pleasure, not only to congratulate the older brethren present, whose familiar faces are before me here to-day, and whose faithful services to Orangeism is assured by their re-appearance with us to take part in the deliberations of the cause they have so truly at heart; but I also most cordially and fraternally greet the younger brethren present who fill the places of brethren of advanced years who have earned an honorable place on the retired list of past officers, or who perhaps may have passed over to the silent majority, to these younger brethren we must look in no small degree for the future welfare of the order, and we gladly welcome them to our councils, where they may fit themselves for the positions they are destined to occupy.

The year now past has been an eventful one in the history of our fair Dominion as well as in the British Isles. The gradual attraction of the colonies towards closer alliance with the mother country has been a prominent feature. Their feeling is fraught with importance as unmistakably strengthening and assuring the future prosperity of the British Empire. In our own favored land peace and plenty prevails, notwithstanding the ravings of a few blue ruin prophets; material and mental progress move hand in hand, keeping fully abreast with the world's advancement. Its rapid development commands the admiration of civilized nations, and its future progress is now fully assured. Canadians feel justly proud of the rich inheritance they possess in the great North-West, where homes for happy millions stand invitingly attractive to the crowded centres of European population.

The returns from the various sections under the jurisdiction of this R. W. Grand Lodge are in the aggregate of the most encouraging character, but still a little well-directed energy would stimulate the progress of our glorious cause, and I look with the utmost confidence to the united wisdom and co-operation of every member of this Provincial Grand Lodge to further the advancement of the Order by every legitimate means in their power.

It is with feelings of the most sincere pleasure I bring to your notice the fact that since our last session two very prominent and highly esteemed members of our Order have been called to exalted positions in the public affairs of our country. These members have long enjoyed the confidence and esteem of their brethren, having both occupied the very highest positions in the Order, and I heartily congratulate Bro. the Hon. Mackenzie Bowell on his elevation to the Canadian Senate as Government leader of that honorable body, to which his ability, integrity and long years of faithful service to his country have fully entitled him. To Bro. the Hon. N. C. Wallace has been assigned the important position of Controller of Customs for the Dominion, as an acknowledgment of his sterling worth and great business capacity. I therefore congratulate him upon his elevation and look upon these promotions as most complimentary to the Orangemen of Canada and a fitting recognition of their influence.

Another matter that is worthy of our most serious attention is the Irish Home Rule legislation at present before the Imperial House of Commons. Lord Salisbury, one of the ablest champions of civil and religious freedom of our times, the tried and true friend of Protestantism and a living representative of British fair play and manly straightforwardness, having handed over the reigns of power to his octogenarian opponent Mr. Gladstone, whose erratic political career is likely to produce the most serious consequences upon the nation whose Government for the time being at least he may be said to control. We most ardently pray that the danger which seems pending may be averted; but should the suicidal policy of handing over the Protestants of Ireland to the control and pitiless cruelty of their hereditary foes be carried into effect, it will be the clear duty of Orangemen throughout the world to give such moral and material aid to their brethren of Ulster as shall

enable them to repel all attacks against their civil and religious freedom that under the guise of liberalism is being made to place the yoke of Rome upon their necks. I feel that it is the duty of the Orangemen of this Province to give no uncertain sound on this question, but to place on record their abhorrence of such an abandonment of true British principle and utter lack of concern for the welfare of a large, intelligent and influential body of people such as the Protestants of Ulster, who are unmistakably loyal to the crown of Great Britain, as to cast them off, nay, worse, to refuse that protection that it has hitherto been the proud boast of British subjects to enjoy throughout the world, under the fold of whose flag no slave exists, but it is worse than Egyptian bondage that the Gladstone Administration propose to force upon the Protestants of Ireland, a policy which would simply mean the commencement of the disintegration of the Empire.

In consequence of the dangerous illness of our Grand Secretary, Bro. Major A. J. Van Ingen, Bro. F. M. Clarke, Deputy Grand Secretary, has, with my approval, taken charge of all the books and papers, the property of this R. W. G. lodge and has since ably discharged the duties of the office. I have also, at Bro. Clarke's request, appointed him an assistant pro. tem., viz., Bro. J. E. Halliwell. In making this announcement I feel certain that every member of this R. W. G. lodge will join me in expressing deep regret at the illness of Bro. Van Ingen, who has with such marked ability and devotion to the cause discharged the responsible duties of the office for the past 24 years, and whose stalwart form and genial presence at our annual gatherings has greatly added to their enthusiasm and success. I am deeply grieved to have to announce that his physicians are hopeless of his recovery, but he has so far rallied from the unconscious condition produced by the earlier stage of his attack as to be now sensible of his surroundings. Our earnest prayer for our stricken brother is that the Angel of Peace will surround his bed in his sickness. I take pleasure in commending to the notice and support of the brotherhood the faithful services rendered to our cause by the organ of our Order, *The Orange Sentinel*, and at the same time to express the great loss we have sustained by the premature death of Bro. R. Clarke, one of its able editors. The reports of the Grand Executive officers will be laid before you and will be found worthy of your most careful consideration, as showing the present condition of the Order and its general working in this eastern Province. Commending the business of the session to your hands and soliciting the aid of Divine guidance upon all our deliberations, I have the honor to subscribe myself fraternally yours,

JOHN H. DELAMERE,

Grand Master O.E.

Moved by Bro. George McCartney, seconded by Bro. Major John Hughes, and

Resolved,—That the address of the Grand Master be received and referred to the Committee on Correspondence.

The R. W. Deputy Grand Secretary then presented

THE GRAND SECRETARY'S REPORT.

To the Right Worshipful the Provincial Grand Master and Members of the Grand Orange Lodge of Ontario East :

RIGHT WORSHIPFUL SIR AND BRETHREN,—Owing to the dangerous and protracted illness of the R.W. Grand Secretary, Bro. VanIngen, your Deputy Grand Secretary, in response to a message from Mrs VanIngen, went to Newcastle on the 20th February last, and got the property of the Grand Lodge pertaining to the office of Grand Secretary, and since that time has performed the duties of that office, with the approval of the R.W. Grand Master, to the best of his ability.

I have carefully examined all the correspondence and returns of the year, and would respectfully submit, as required by the Constitution, the following report :

CORRESPONDENCE.

The correspondence of the year is varied and interesting, and was conducted on the part of your Grand Secretary with promptness and courtesy, which, together with his letter book, is submitted to your Committee for their careful consideration, whose special attention is directed to the following letters received, viz.: From R. Birmingham, 24th March, 1892; S. Colter, 10th June, 1892; Rev. James Stewart, of Coleraine, Ireland, 20th May, 1892; William Needham, 16th September, 1892; William Livingston, 14th November, 1892; and A. Sweet, 18th January, 1893; and replies on pages 63, 66, 125, 144, 156 and 161 of the letter book.

NEW WARRANTS.

Four new Primary Lodge warrants have been issued, viz.: Nos. 162 and 150, to the County of Grenville; and Nos. 1385 and 419 to the County of West Peterboro'.

There have been two Ladies' Lodges organized, both in the County of Leeds.

County Masters will please take notice that printed forms will be supplied for application for warrants, in accord with the requirements of the Act of Incorporation.

RETURNS.

The annual returns to the Most Worshipful Grand Lodge of British America were made out and forwarded to the M.W. Grand Secretary in due course.

The several Primary, District and County Lodges in many cases are very careless in filling out their annual returns, and unless there is more uniformity and care taken by these lodges, it will be impossible to furnish important data regarding the membership of the Order and value of lodge property, as required by the new forms of returns now intended to be used.

The Annual was mailed to County Masters at the proper time, and in one instance at least the cypher slip was not judiciously taken care

of or destroyed. Too much care on the part of the County Masters cannot be exercised in this particular.

GRAND LODGE MEETING.

Notices of this meeting and railway arrangements therefor were mailed in due course to County Masters and others. In some counties where returns were not sent in promptly, some of the officers could not receive the notice until last week. County Secretaries are requested to read clause 54, page 19 of Constitution.

SISTER GRAND LODGES.

Reports of proceedings have been received from the following Grand Lodges, viz.: British America, England, New Zealand, Quebec, Scotland, Orange Young Britons, Manitoba, New York, North-West Territories, New Brunswick, Nova Scotia, Newfoundland, Prince Edward Island, Queensland and Ireland.

COUNTY OF NORTH FRONTENAC.

The Grand Secretary has frequently made reference to the semi-dormant condition of this County Lodge, and as no returns have been received from that County this year, some action should be taken by this Grand Lodge to either re-organize the County or have lodges there report direct to this Grand Lodge.

PETITIONS.

The following petitions have been received and will be referred to the proper Committee, viz.:

From L.O.L. No. 41, recommended by the District of Emily and County of Victoria, for the reinstatement of Andrew Faulkner.

From the County of Central Hastings, asking re-instatement of John Jones, expelled from L.O.L. No. 319.

From the County of Lennox and Addington, asking this Grand Lodge to recommend to the M. W. Grand Lodge of British America that no change be made in the lectures.

DORMANT WARRANTS.

The following warrants have been returned dormant, viz.: Nos. 102, 150, 162, 520 and 525.

Nos. 150 and 162 were again re-issued, as reported under the head of "New Warrants."

VALUE OF PROPERTY.

Many of the lodges have not made any returns as to the value of the property held by them, as is now required, but from those who have made such returns we find:

Value of real estate, so far as reported.....	\$35,170 00
Value of other Lodge property, so far as reported....	8,026 00

Total value.....	\$43,196 00
Insurance thereon	20,737 00

This cannot possibly represent more than one-third of the value of property held by the several lodges in this jurisdiction, and it is hoped that County and District Masters will urge upon the primary lodges to make more complete returns in the future.

PROGRESS.

Cheering reports are received from nearly all parts of this jurisdiction of the substantial progress of our beloved Order, a few of which are as follows, viz:

Bro. H. J. Hunt, 5th April, 1892, says: "New lodge No. 282 is working well and prospects are bright for its future."

Bro. John Kelly, 14th June, 1892, says: "The semi-annual meeting of the County Lodge was the best held for some time."

Bro. A. Bradley, 14th June, 1892, says: "There was a large representation from every district and the reports of the various District Masters were very encouraging, showing an increase in membership all over our loyal county."

Bro. James Malone, 8th December, 1892, says: "The lodges around here are in a flourishing condition and applications for membership are pouring in."

Bro. C. F. Rath, 22nd October, 1892, says: "Orangeism booming in my county."

And almost every County Secretary reports the Order aggressive and prosperous.

THE ORANGE MUTUAL BENEFIT SOCIETY.

This Society has now been taken over by the M. W. Grand Lodge of British America, as provided for at the Grand Lodge meeting in 1891, and it will now devolve upon this R. W. Grand Lodge to elect a delegate to represent this Grand Lodge on the Executive Board.

This institution is with us to stay, and the brethren cannot do better than to place a portion of the insurance they need, for the protection of their families when they are called to the Grand Lodge above, in our own Society.

THE SENTINEL.

The recognized organ of the Orange Association should not need a reference in my report, but we are sure that many of our brethren who are not subscribers to this paper are not aware that by taking into their homes *The Sentinel*, they are not only providing the very best Society paper published, but as a family newspaper it has few equals and no superiors, not only every Orangeman, but every loyal Protestant in our fair Dominion should be a reader of this paper.

BROTHER VAN INGEN.

When the members of this Grand Lodge learned of the dangerous illness of our dear brother and faithful Grand Secretary, I am sure there was not one whose tenderest sympathies were not moved towards

the suffering brother, who, since 1869, has so faithfully performed the duties of this office, and who, by his genial, true, kind and brotherly disposition has cemented friendships that cannot be broken.

It will be gratifying to the brethren to learn that Bro. VanIngen is to-day reported as "Steadily improving."

Let us hope that in the providence of the all-wise Ruler of events that our worthy brother may be restored to health, and his valuable services preserved to the Order.

All of which is respectfully submitted in Union, Love and Truth.

F. M. CLARKE,

Deputy Grand Secretary.

TWEED, 7th March, 1893.

Moved by Bro. J. L. Winters, seconded by Bro. Joshua Scott, and

Resolved,—That the report of the Acting Grand Secretary be received and referred to the Committee on Correspondence.

The Grand Treasurer then presented his report.

GRAND TREASURER'S REPORT.

To the Right Worshipful Grand Master and Members of the Grand Lodge of Ontario East:

RIGHT WORSHIPFUL SIR AND BRETHREN,—Your Grand Treasurer has much pleasure in presenting you with a report of the receipts and expenditures for the past year, hoping it may prove satisfactory.

I am pleased to be able to say that the financial returns have come to hand more prompt and complete than in any year of my term of office. The amount of arrears at present is very small, which is evidence conclusive that the brethren who have the management of this department have faithfully done their duty. I would, however, just here suggest to the Grand Lodge the necessity of trying some different method of collecting the dues, as the present is inadequate to meet the demands, and does not bear fairly on the membership. I would recommend that \$2.50 be charged, as now, for all lodges of twenty-five members and under, and a per capita tax of ten cents on the membership of all lodges having more than twenty-five members. This, I think, would meet all necessary requirements, and bear more equally on the membership. At present a lodge of fifteen members has to pay the same as one of sixty. I am hopeful that some such plan will be adopted by this meeting.

In conclusion, I wish to express my sincere regret at the cause of the absence of our Grand Secretary, Bro. VanIngen, and my sincere sympathy with himself and Mrs. VanIngen in their severe affliction. I can truthfully say, after a long and intimate acquaintance, that I know of no truer Orangeman, nor a more efficient and painstaking officer of

any institution. I have never known him to neglect the least thing that tended to the welfare of our beloved Institution. My earnest prayer is that he may be longer spared to his family and friends, and to still further the cause he has loved so well.

To J. H. Delamere, Esquire, Grand Master, and R. W. Grand Orange Lodge of Ontario East:

GENTLEMEN,—Allow us, on behalf of the inhabitants of the village, to bid you a hearty welcome on this, your first visit to Tweed.

It is with feelings of pleasure we welcome the assembly of your Right Worshipful Grand Lodge in our midst at this time. It shows us that your Order is not in the interest of any section of the community, but that all loyal and true men may enjoy of the meeting of your Grand Lodge.

We are pleased to be able to inform you that though our village has been devastated by fire several times in the past two years, yet Phoenix-like, it has risen from its ashes, and is now more beautifully and substantially built than it was before.

We sincerely hope that your deliberations at the present session of Grand Lodge will be characterized by kindly and brotherly feeling, and the visit of your representatives in our community may be as pleasing to them as it is to those who tender their hearty thanks for the honor conferred by you on us on the present occasion.

In conclusion, we sincerely trust that the meeting of Grand Lodge may bind more firmly together the members of your influential body in true loyalty to British institutions and the British crown.

God save the Queen!

On behalf of the Municipal Council of Tweed.

WILLIAM WRAY,

TWEED, March 8th, 1893.

L. O. District No. 2, South Hastings, presented and read the following address of welcome:

ADDRESS.

To the Right Worshipful Grand Master and Members of the Grand Orange Lodge of Ontario East:

RIGHT WORSHIPFUL SIR AND BRETHREN,—The brethren of District Lodge No. 2, County of South Hastings, take great pleasure in tendering you a hearty and fraternal welcome on this, your first visit to our little town.

We assure you that we fully appreciate the kindly spirit which prompted you to decide to come here, instead of going to places of greater note and more ample accommodation, but we can assure you that while you may lack many of the conveniences which you could have found elsewhere, you would have found no place where the hearts of the brethren beat more strongly in sympathy with the principles of our glorious Association than here. So loyal are all that no taint of treason exists, and no word of Annexation has been uttered.

The Orange tree was planted in this township about sixty years ago, by the direct descendants of the men who defended the strong pass of Enniskillen, and marched with Wolseley along the shore of Lough Erne to the relief of Crom Castle, and fought on the bloody field of Newtownbutler in 1688.

The township was then an almost unbroken wilderness. The beginning was small: the place of meeting a rude log cabin, but the little one has become a thousand. It has proved to be a tree of most luxuriant growth, under the shade of which very many can, and do, worship God, "none daring to molest or make them afraid."

In this District, comprising the township of Hungerford, there are to-day seven living, vigorous Orange Lodges, who are the owners of seven substantial lodge rooms, free of debt, and whose membership is composed of the leading members of the different Protestant churches, men fearing God and working righteousness; and we are glad to believe that no member of this Grand Lodge, however sensitive, will have occasion to lower his head, while walking the streets of our little town,

on account of misconduct of any of the brethren in this locality, who are expecting that your visit will be productive of great good to the Order here.

We realize that if ever we needed to be on the alert it is now, the brethren in the old land threatened with Home Rule, and in our own fair Dominion the mutterings of Annexation among the disaffected, proving, if proof be necessary, that our Association is as much needed in 1893 as in 1688 or 1798.

Our hope is that your short stay with us will be so pleasant and profitable as to give reason to expect that you will come again to visit us at some future time.

In conclusion, our earnest prayer is that the Great Grand Master may so bless the brethren and guide their deliberations, that this meeting may tend to the glory of His own name and the growth and consolidation of the principles of our noble Order.

Again, tendering you a very hearty welcome to our midst, we are, fraternally yours,

R. GORDON, *P.C.M.*
R. T. PORTER, *P.C.M.*
JAMES E. BROWN, *D.M.*
WILLIAM E. ROBINSON, *Dist. Sec.*

To which the following reply was received:

To John Delumere, Tweed, Ont.:

Resolved,—That this Grand Lodge do now adjourn and re-assemble at 1 o'clock for the purpose of escorting the Most Worshipful Grand Master to the station.

The Committee on Correspondence then presented their report.

REPORT OF THE COMMITTEE ON CORRESPONDENCE.

To the Right Worshipful the Grand Lodge of Ontario East:

RIGHT WORSHIPFUL SIR AND BRETHREN,—We, your Committee on Correspondence, having carefully considered the able and very eloquent address of the Grand Master, believe that the sentiments expressed therein deserve more notice than can be expressed in the limited nature of your Committee's report, but recommend that it be embodied in the minutes and printed reports of this Grand Lodge.

We earnestly recommend to the careful study and perusal of every brother here present that address, and hope that the principles therein expressed shall be impressed upon the members of the Primary lodges.

Your Committee heartily endorse that portion of the address referring to the honors conferred upon our esteemed brethren, the Supreme Grand Master, N. Clarke Wallace, and Past Grand Master, the Hon. Mackenzie Bowell, and believe the sentiments expressed therein will be re-echoed by every brother Orangeman throughout the Dominion, and express the hope that still higher positions in the councils of our country shall be conferred upon them.

We also fully concur in the sentiments expressed in reference to Irish Home Rule and hope that a kind Providence may save our Protestant co-religionists from the miseries of Rome Rule there.

We desire to express sincere sympathy with Bro. Van Ingen and his family in his illness, and hope for his speedy restoration to health and strength.

We are glad to notice that the public interest in our noble Order is steadily increasing, and that the young men of our country are becoming active members of our Association.

Your committee have great pleasure in referring to the very encouraging and carefully prepared report of your Grand Secretary, but as it shall be embodied in the report, we find it unnecessary to refer to it further than to compliment Bro. Clarke, Assistant Secretary, upon the able manner in which he prepared the said report, and filled the position of Grand Secretary since the sudden and lamented illness of Bro. Van Ingen, Grand Secretary.

We find that the voluminous correspondence of the Grand Secretary has been carefully considered, and deem it our duty to only refer to the notice of the M.W. Grand Secretary, Bro. Birmingham, re members of Executive Board of the Orange Mutual Benefit Society, and a resolution from the County of Frontenac, opposing any change of lectures in the Grand Lodge, which we approve of and attach to our report.

We recommend that the delegates to our Grand Lodge, present, take immediate steps to disseminate the loyal and patriotic principles of our noble Association in their respective localities, in order to check the sentiments of disloyalty to our Queen and country which are being

sown broadcast throughout our fair Dominion, and let us never forget "That British subjects we were born, and British subjects we shall die."

All of which is respectfully submitted.
