Austro-Germans Flung Back at Three Points on River After Desperate Fighting--Many Captured and Fort Taken.

Petrograd, June 24--Via London. June 25--Austro-German forces were repulsed with heavy losses at three points on the Dniester River by the Russians, according to an official statement under date of June 23, given out to-day at the headquarters of the general staff. In the Kosmierjine district the Russians carried by assault a strongly-fortified height. Enormous losses are said to have been inflicted upon the Germans in the Kosmierjine region.

szkowitz there has been a fierce engagement which thus far has developed under conditions favorable to us. Important German forces which on the morning of the 23rd crossed in the Kosmierjine region to the left bank of the Dniester, suffered enormous losses. Driven back to the river they were forced to assume the defensive under very difficult conditions, some of their troops being crowded on islands in the river and others clinging to the left bank.

UNIQUE RECORD--FOUR COMMANDING OFFICERS FROM THE 38TH DUFFERIN RIFLES NOW ON ACTIVE SERVICE

LIEUT.-COL. ASHTON MAJOR M. A. COLQUHOUN LIEUT.-COL. H. GENET LIEUT.-COL. HOWARD

Commanding the 36th Batt. at Niagara.

Recommended to command 4th Ontario, now in field.

Commanding New 58th Batt. at Niagara.

Commanding the 12th Batt. at Shorncliffe.

In connection with the war thus far the Dufferin Rifles has a unique record with reference to the number of all ranks who have gone, or are going, to the front. Not a few citizens in former days used to regard the work of the regiment as "playing at soldiering," but with the call of Empire need there has come a response which has effectively knocked that idea higher than the proverbial Gilroy's kite.

Many hundreds in the ranks have volunteered and been accepted, and also nineteen officers, as follows: First Contingent--Lieut.-Col. Howard, Major Colquhoun, Capt. Hicks, Lieut. Pearce. What is more, no fewer than four of the above are in command of battalions.

Lieut. Genet, Lieut. Brewster. Fourth Contingent--Lieut.-Col. Genet, Major Ballachey, Captain Hicks, Lieut. Pearce. The Twelfth--Lieut.-Col. Howard. The Thirty-Sixth--Lieut.-Col. Ashton. The Fifty-Eighth--Lieut.-Col.

Genet. And, moreover, all of the above are Canadian-born except Lieut.-Colonel Genet, and he has lived in the country long enough to be one. This showing on the part of a regiment in a place of this size is one of which every citizen has just cause to feel sincerely proud.

AN UGLY CASE By Special Wire to the Courier. Kingston, Ont., June 25--County Constable Dowker, of Harrowsmith, heads a posse on the trail of two men, who abused a young woman named Westbrook, two miles north of Hartington on Thursday. The victim of their attack was picking berries when the men grabbed her, blindfolded her and tied her with a rope. After abusing her they released her and fled into a swamp nearby. The dog, which was with the girl, was also tied. Constable Dowker and the others travelled after the desperadoes until dark. The chase was again resumed early this morning. A former farm hand in Hartington vicinity is suspected.

SOCIALISTS SHOW DISAPPROVAL IN PRUSSIAN CHAMBER

Object to Campaign of Conquest and Refuse the Honeyed Blandishments of the Minister.

Berlin, June 25, via London--The debate in the Prussian chamber of deputies yesterday in which the attitude of the German people toward peace was discussed by Progress and Socialist members who were in turn answered by a government official, the Minister of the Interior, is attracting considerable attention this morning. Herr Braun, Herr Weiner, and Dr. Karl Liebknecht, took part in the exchanges. The morning newspapers report the proceedings substantially as follows:

war as this we can have but one thought, namely, to terminate it in a way that will make a repetition impossible. That is the goal which the Imperial Chancellor and the allied governments have set themselves, and that is the goal we must strive for along with us.

These words from the minister were greeted with evidences of disapproval from the Socialist members present.

PEACE IMPOSSIBLE AT THE PRESENT TIME, PRESIDENT TOLD

Roslyn, R.I., June 25--From the lips of Col. E. M. House, President Wilson heard the true facts of the European situation yesterday. It was made clear to him that peace talk is absurd and peace efforts vain in the present juncture of the war, for Col. House entertains no illusions as the result of his recent visit to the scene of conflict.

president conferred with Col. House. Sitting on the porch of the Piping Rock Club late yesterday afternoon, Col. House waved his hand in the direction of the president, then on the golf links, and told a friend: "There goes the man who will be the chief factor in bringing about peace in Europe."

PIER COLLAPSED; MANY DROWNED

Pleasure Garden Fatality in Russia Near Moscow. By Special Wire to the Courier. Petrograd, June 25, via London--A despatch received here from Kazan, in European Russia, 400 miles east of Moscow, says that upwards of 100 lives have been lost in the collapse of a river pier at one of the pleasure gardens. The last steamer returning to the city was scheduled to leave the island garden at midnight. A crowd of holiday-makers, men, women and children, were forcing their way in the darkness to the boat over the flimsy pier. The structure suddenly collapsed under their weight and virtually everybody was thrown into the water. The crew of the steamer did their best at rescue, but only a few persons were saved.

BRITAIN WILL WILLINGLY EASE THEIR BURDEN

Washington, June 25--Great Britain, in a memorandum transmitted to the United States and made public here and in London last night, recites at length its efforts to minimize inconvenience to neutral commerce resulting from the order in council against trade with Germany, Austria and Turkey, and asserts that American citizens have no just grounds for complaint on account of the treatment accorded their cargoes.

"I Will if I Can" Says Pres. Wilson

Springfield, Mass., June 25--"Keep us out of war Mr. President." "I will if I can." President Wilson was in Springfield for five minutes at 9 o'clock this morning while on his way to his summer home in Cornish, N.H. Mr. Wilson did not speak to the crowd at the station, but when his car had been taken to the railroad yards he waved his hand and smiled at a group of railroad men. They called to him and he came out and shook hands with them and gave them the assurance quoted.

GRADUAL ADVANCE RECORDED

Italians Take Globina, North of Plava, and Other Points

Rome, June 25--A gradual advance along the Isonzo River, with the occupation of Globina, north of Plava and Val Piccolo. In the region of Sagrado and Monfalcone, are announced in an official statement issued to-day at the headquarters of the Italian general staff. The communication follows: "In the Tyrol-Trentino region and in Cadore there have been methodical artillery actions. At the same time we have been maintaining our activity along the front by means of reconnoissances by small detachments and by the capture of concrete cases and the regulations under which they are dealt with."

Plot to Blow Up Buildings is Discovered

Windsor, Ont., June 25--A plot to blow up two more buildings, one of them a factory in Walkerville, was uncovered this morning by provincial policemen Nash and Smith. Twenty sticks of dynamite were found planted at the rear of the Gramm Motor Truck Company, which has been filling orders for the British Government. The explosive was found near the Pere Marquette tracks. In a house on Drouillard road, Ford City, another dynamite cache was discovered. The building is a boarding house occupied by foreigners.

FUTURE OF PALESTINE.

By Special Wire to the Courier. Boston, June 25--The future of Palestine, with particular reference to the effect of the war upon the movement for restoring the land to Jewish control, will be discussed at meetings of ten national Zionist organizations here extending over a week. Headquarters for the registration of delegates were opened to-day and the programme will start with religious services and a reception to-night. To-morrow will be given over to religious observances, and on Sunday there will be a joint open session of all the conventions.

London, June 24--The number of casualties in the bombardment of Hartlepool, Scarborough and Whitby some time ago by hostile warships totalled 127 killed and 567 injured. Under Secretary Bryce announced in the House of Commons. TERRIFIC SHELLING IS GIVEN

Dunkirk Has Thirty Six Tons of Explosives Thrown In.

Dunkirk, France, June 25--Thirty-six tons of explosives and metal were fired into Dunkirk yesterday from the German positions somewhere behind Dixmude. Several civilians were killed or wounded and considerable material damage was done, but not a single shell reached the port or any other point of military importance. The impression on the inhabitants differed in no way from that made by preceding bombardments, and the first train out of the city yesterday carried no more than the usual number of travellers.

SAYS NATION FAILS TO GRASP SIZE AND MEANING OF THE WAR

London, June 25--In the course of the debate in the House of Commons on the Munitions Bill, Capt. Frederick E. Guest, third son of Baron Wimborne, attached to Field Marshal Sir John French's staff, said that he had obtained 72 hours leave of absence to come to London and tell the House his belief in the peril confronting the nation. He said that the nation still failed to grasp the meaning, size and significance of the war. The emerging of the manufacture of munitions, he said, although it brings a sigh of relief to the trenches, was only "tinkering with the main proposition of the summer offensive."

AUSTRIAN STATEMENT ON RETREAT. Austrian Press Headquarters, via London, June 25.—The results of the success achieved by General Von Boehm-Ermolli's army in taking Lemberg and in the battles to the east of the Galician capital are making themselves felt also on the Dniester. Since taking Mikolajow, this army has been operating with General Linsingen's army to the south and has been pressing the Russians back irresistibly upon their positions north of the Dniester. The Russians are offering a desperate resistance on the Dniester, especially in the center, to permit their retreating armies to save themselves and their war material. The retreat of the Russians along the San and in the angle of the Vistula continues under conditions which are bringing successful results to the pursuing army of Archduke Joseph Ferdinand.

Lull Takes Place In Fighting. London, June 25.—Something in the nature of a lull in the fighting, as compared to the feverish activity of the past fortnight is enabling the military observers at both sides to take stock of the present situation and forecast future operations. Petrograd claims that the Russian defensive positions are so secure that the Austro-Germans will not be able to withdraw many troops for use against the allies of Russia. The Russians assert further that their present line before Warsaw is as strong as it ever was, and that their armies on the River Dniester will fall back only if the eastward drive of the Austro-Germans from Lemberg threatens to cut them off.

WHY THAW LEFT? New York, June 25.—Interest in the proceedings to ascertain whether Harry K. Thaw is now sane or insane was divided to-day between the taking of evidence in court here, and the application by counsel for the state for the appointment of a commission to learn from Dr. Charles W. Eliot, president emeritus of Harvard University, why Thaw left that institution in 1892 without completing his course. Deputy Attorney-General Frank K. Cook, who yesterday asked Justice Hendrick to appoint the commission, expected his application would be granted to-day.

RE-EDUCATING WOUNDED. Bourges, France, June 25.—The school opened here for the re-education of maimed soldiers, is operating with great success. The number of pupils enrolled already is 150, nearly all of whom will be unable to work at the trades by which they earned their living before the war, and must learn some new means of making a livelihood. A staff of eminent physicians is faithfully attending the unfortunate, preparing them for their changed future and helping lighten their tasks. Among the instructors are former teachers who are themselves crippled. In spite of their afflictions, the students go about their work gaily. Men who before the war were grocers, plasterers, barbers and miners now are designing patterns for lace while farm hands and butcher boys are taking courses in electricity and architecture. The course in stenography and accounting is the most popular, the pupils, including a former head waiter, a carpet-layer and gardener.

GERMAN PRISONER IS SHOT DEAD. Four Others Seriously Wounded Trying to Escape From Prison. Amherst, N.S., June 25.—During an outbreak early this morning at the alien internment camp near Amherst, one of the prisoners, Fritz Clause, a German, was shot dead, and four others, also said to be Germans, were seriously wounded. A rumor was abroad during the day that the shooting occurred when a squad of German prisoners attempted to escape. Few details are obtainable. All that can be learned is contained in the following version obtained from a competent source: "While the prisoners of war in the detention camp were being conducted to the compound for physical exercise, one of them, Fritz Clause, assaulted one of the international police, knocking him insensible. The camp police with the guard was called out to quell the mutiny, and in the meantime the originator of the trouble was shot dead and four of the other prisoners were seriously wounded." There are about 59 prisoners in the camp, including more than 100 German sailors who were rescued from cruisers after engagements in the Atlantic.

Sympathy For the Allies in Portugal. Paris, June 25.—A Havas despatch from Lisbon says: "The ministerial declaration read in the chamber yesterday afternoon renews manifestations of sympathy for the allies, discloses the governmental decision to present to parliament documents which throw light on the attitude assumed by Portugal in relation to the European war and in conclusion affirms the country's resolution to seek revenge for damage suffered in Africa. After the reading of the declaration Alexandre Braga, leader of the Democrats, promised the government the support of his party."

Lemberg Was Being Made Slavic. Berlin, June 25, via London.—The Russians assert further that their present line before Warsaw is as strong as it ever was, and that their armies on the River Dniester will fall back only if the eastward drive of the Austro-Germans from Lemberg threatens to cut them off. The authorities of the central empires are less communicative concerning their future intentions and movements, but it is believed that Warsaw again is their objective. In England the campaign for munitions is in full swing, with the possibility of national registration to ascertain the "man power" of the nation. That England appreciates the need of adding to her fighting resources is sufficiently indicated by the publication in the London Times of tables showing that the casualties of officers during the past month come within a few hundred of the total officers' casualties during the entire South African war. The total in South Africa was 2,752, while the lists since May 26 show that 2,440 officers have been killed or wounded, or reported missing.

A trio, "Abide with Me," by Mesdames Chapman, Hibbit and Wood, and a solo, "Sing rock a bye baby to me," by Miss Marjorie Hammond, added greatly to the delightful afternoon's programme. This brought them to their senses for they immediately secured another buggy for the girls. This kind of nonsense ought to be punished severely.

LAWN SOCIAL.
The Jackson Mission Circle of Sydenham Street church gave a lawn social to the members of that organization and the W.M.S. Auxiliary and their friends, on the grounds of Mr. and Mrs. Charles Hulman, St. George Street, last evening. The affair was quite a success and attained the object for which it was held. A delightful social time was spent, and the ice cream, candy and fishing tables were well patronized. The following took part in an interesting programme: Miss Arnold, Miss Cowton, Florence Gowman, Fern Scruton, Alma Baty and Mrs. J. Laing and Messrs. A. R. Knott and Howard Vancouver. Miss Ursula Willis, the president of the circle, conducted the programme in a tactful manner.

ROYAL TEMPLARS.
A large turnout at the usual weekly meeting held last Thursday night. The occasion was the installation of officers. Bro. Grand Councillor T. S. Morris performed the ceremony.

Afterwards a social and musical evening was spent. During the evening five members were initiated. Bro. Morris during the course of an eloquent address, congratulated the council on its splendid attendance and also its splendid hall, which he considered one of the best he had been in. He went on to show that the order of Royal Templars stood for protection, temperance and fraternity. The order was also a training ground. In this respect he quoted several notable citizens of Hamilton and Toronto. When these persons first joined the order, the speaker said they could not give a speech, but now they had attained to the high honors of mayor, aldermen, etc., and could speak fluently and influentially through the training they had received from the order. He (the speaker) urged the members to work for the uplifting of suffering humanity. He mentioned the case of what a kindly act could do. It was through the kindly act of a lady that reformed John B. Gough and made him the man he proved. He claimed that moderate drinkers were far higher in the death rate than total abstainers. Bro. Morris spoke of his work in connection with his council at Hamilton, and urged the members to live up to the highest ideals. Bro. Morris' address was warmly received.

British Tommies Keep Up Their Old Reputation

The British Tommy all over the world carries with him that comradeship of the free-hearted kind which makes him popular with all races.

The latest story of his genius for help comes from Alexandria, where the wife of a local Armenian, George Katagian, 162 Darling street, is staying at present. Since the outbreak of the war no cash orders can be cashed in Egypt and Canadian bills are refused, and though in receipt of sums from her husband on this side, the good lady, who is, by the way, a British subject, found herself unable to obtain their equivalent in "real" money, the Egyptian coinage. Weighing in desperation, she at last decided to try her luck in England. She suggested the Bank of England and accompanied her there, but it was more than useless, so the Tommies decided to buy that \$10 bill and cash it on their return to England, which they did. This gave Mrs. Katagian something to go on with and her letter to her husband telling of the kindness of these big-hearted Tommies is a subject of admiring comment in the colony. "Fine fellows; British alright," they say.

If you were to give your eyes the same careful attention we give them from the time you come to us, you would come to us to-day for those glasses you need.

Several New Pitchers to Report

Close and Cooper will be to-day's battery. Dunn will be played in right field, replacing Foran to-day. A new pitcher is also expected to report. This twirler is no other than A. Rev. Bowyer, of Cavalry Baptist Church, officiated. The deceased had been an earnest and sincere member of Cavalry Church for several years. At the graveside, Rev. Mr. Cole said the last rites, as the remains were lowered to their last resting place, the interment taking place at Mt. Pleasant cemetery.

WARNER LOST HIS OWN GAME AGAINST SAINTS

His Error Allowed Winning Run—Brants Failed to Clutch Game With Golden Opportunities in the Eighth and Ninth Innings.

The game yesterday with St. Thomas was a close one. The locals only secured four hits, and the Saints five. The field work was good in all cases, and brilliant in some. In the first two innings, nothing was done on either side. Then the Saints scored two, and were ahead until the fifth frame, when the Brants tied the score. In the eighth, St. Thomas again forged ahead and eventually won the game. The Brants had a splendid chance to tie and even win, in both the eighth and last innings, but failed to do so. In both frames, they filled the bases to no account. In the first for St. Thomas, a smart double play was pulled off. Stewart slammed out a hot one which Dunlop caught, and putting Kopp out, threw to Ivers, who put Stewart out also. Dunlop played a good game all through, making nine assists and putting two out. He had an error chalked up to him, but it was by no means a serious one, as the base runner was only allowed one base. Warner spilled the beans when he fumbled the ball Fried tossed to him in the eighth, allowing Forgue to score. His pitching was good and he allowed only one base on balls. The innings in which the runs were scored, briefly described are as follows: In the Saints third, Forgue walked, Howick sacrificed and allowed Forgue to make second. Then Kopp smashed out a triple over first base, just out of Gabby's reach, and Forgue scored. Stewart rapped out a grounder to second and Kopp scored. Hadley was thrown out. In the Brants fifth, Mullen and Cooper both walked, Dunlop sacrificed, putting a man on second and third bases. Fried drove out a long grounder to right field, and Mullen and Cooper scored. The next two up, Warner and Foran failed to score any more runs. St. Thomas in their eighth, sent in Forgue first. He grounded to third and made first bag. Howick sacrificed, bunting the pill out to Fried. Warner covered the bag but muffed the ball, allowing Forgue to make third and Howick second. Kopp rapped out a single to centre field. Forgue scored, and another run was just saved by Burrill's peg into home, for Howick had followed Forgue around and nearly scored. Stewart forced Kopp out and the frame closed when Hadley was thrown out. For St. Thomas, "Dad" Stewart certainly played a good game in centre garden, catching six flies. The score is as follows: ST. THOMAS. A. B. R. H. O. A. E. AMERICAN LEAGUE

Cleveland, June 24.—Weaver's single and Eddie Collins' double with two out in the nineteenth inning gave Chicago a victory over Cleveland yesterday by 5 to 4, its sixth straight win from Cleveland. Cleveland looked like the winner until the eighth, when a batting rally, consisting of Blackburn's single, Felsch's double, Weaver's single and E. Collins' triple gave Chicago a one run lead. Cleveland came right back, and with two out bunched Chapman's double and singles by Jackson and Graney for two runs. These were made off Cicotte. Roth began the ninth for Chicago with a single, and Schalk walked. Blackburn bunted and was safe on Mitchell's fumble. With the bases filled, Morton replaced Mitchell and forced in a run by passing Felsch. That was all the scoring until the nineteenth. Score:— R. H. E. Chicago 14, St. Louis 13.

FEDERAL LEAGUE

Table showing Federal League records for teams like Kansas City, St. Louis, Chicago, Pittsburgh, Newark, Baltimore, and Buffalo.

TORONTO TO HAVE COLLEGE SHORTSTOP

Boston, June 25.—The Shannon twins, Maurice and Joe, their name is really Shannon, joined the Braves yesterday. For a few minutes they will be the only twins in major league serfdom. After looking them over carefully, Manager Stallings will probably send them to the farm. Rube Cram, the Brown University pitcher, who also joined the club on Wednesday, and Fletcher Low, the Dartmouth shortstop for a season's training with a Class AA team, Low will probably be placed with the Toronto club.

TORONTO CLUB IS PURSUING ROACH

Toronto, June 25.—When the Buffalo Federals took the field against the Pittsburgh team at Buffalo yesterday Sheriff's officers of the county of Erie, New York, walked onto the diamond and served Shortstop "Roxey" Roach with papers in an action for \$3,500 brought by the Toronto club. Roach recently jumped the Leafs for the Buffs. President McCarty and Manager Clymer were in Buffalo to see the thing through. While the papers were being served a draft for \$1,289.47 on a local bank in favor of the Toronto Club was forwarded by representatives of Roach. That amount represents what Roach believes is due the Toronto club as the latter's portion of a \$1,700 bonus which was given the player when he signed a two year contract with the Leafs. The \$3,500 mentioned in the suit includes the bonus and other expenses in connection with the case. Roach's bank account was also attached. The Toronto club proposes going the limit to protect itself to the last nickel.

NATIONAL LEAGUE

Chicago, June 25.—Heinie Zimmerman, the crippled infielder of the locals, batted in a pinch yesterday, and made good with a double, which enabled Chicago to tie the score, and then stole home with the winning run after Good's infield out had put him on third, Chicago defeating St. Louis 14 to 13. The game was a wild exhibition of baseball, with plenty of hitting and errors on each side. R. H. E. St. Louis 13 17 5 Chicago 14 17 5 Robinson, Meadows, Perdue, Doherty and Gonzales, Snyder, Zabel, Standridge, Cheney, Pierce and Archer. At Pittsburgh—Cincinnati defeated Pittsburgh five to three here yesterday. Mammaux was knocked out of the box in the third inning, after having allowed a total of seven hits. He was relieved by Adams, who was also hit hard. Score:— R. H. E. Cincinnati 5 12 0 Pittsburgh 3 5 0 Toney and Clark; Mammaux, Adams and Gibson. At Boston—Boston made it three

DEMAND TO BE TOLD THE TRUTH

"Times" Demands Outspoken Statement on the Situation.

By Special Wire to the Courier.

London, June 25—A demand that the nation be "told the truth about the war" is voiced by The Times in an editorial. The paper declares there is no immediate prospect of being able to compel the Germans to withdraw within their own frontiers; that it will take months to provide the British forces with the big guns, high explosives and machine guns which are necessary.

"The country has got to set its teeth," says The Times, "disregarding confusing bulletins and face the probability of a protracted and unprogressive campaign in the west while General Von Mackensen's successful march probably has postponed a resumption of the Russian offensive for several months until they also are provided with guns and shells."

"To put it briefly the allies on both fronts are being held with no prospect of an early change. Moreover the outlook in the Dardanelles, of which the less said the better, long ago ceased to offer prospects of a swift and easy diversion in the middle east."

The London Times is one of Lord Northcliffe's papers which has waged an energetic campaign for greater publicity in connection with the war. His attacks upon the British Government are credited with being largely responsible for the formation of the new coalition ministry and the appointment of David-Lloyd George as minister of munitions.

Washington Has it Under Consideration

By Special Wire to the Courier.

Washington, June 25—United States Government officials to-day had under consideration in connection with the new American note to Great Britain concerning delays to neutral commerce, the latest British memorandum on the subject.

The British note, which was published here and in London to-day, explains in detail measures taken by the British Government to minimize inconveniences to neutral commerce under the order in council. The claim is made however, that American citizens have no just grounds for complaint on account of the treatment accorded their cargoes.

The United States, in its communication now in course of preparation, will renew its protest of March 1st against the principles in the order in council. The British memorandum makes no attempt to answer the principles, asserted in the note of that date.

The American note probably will refer to the British memorandum, but it was said to-day that the manner of enforcing the order in council would not be treated as irrelevant to the question at issue—whether or not there is any warrant in international law for the powers that Great Britain and her allies have assumed to exercise over the commerce of the world.

In brief, the British memorandum emphasizes the various favors shown to the owners of cargoes sent abroad from the United States, says that British officials have acted with the utmost despatch in showing in every case such consideration for neutrals as might be compatible with the object in view—to prevent vessels from carrying goods for, or coming from the enemy's territory, and points out the earnest desire of Great Britain to remove all causes of unavoidable delay in dealing with American cargoes and vessels detained.

WORLD-WIDE POPULARITY OF TEA.

"In the tea trade there is much talk of enormous increases in the drinking of tea everywhere since the war began. Russia, already a large consumer of tea, is taking more and more to the beverage now that vodka is banned. In France tea is beginning to threaten the supremacy of coffee. The greater demand means higher prices in our households, especially as there is said to be no corresponding increase in the supply. Dealers are naturally uneasy as to the position."—London, (Eng.) Times, April 24.

DETAINED AT KIRKWELL

By Special Wire to the Courier.

Christiania, via London, June 25—The steamer Bergensfjord, on which Dr. Bernhard Dernburg was a passenger on his way from the United States to Germany, arrived last night at Bergen, after being detained at Kirkwall, Scotland, by the British authorities. Dr. Dernburg, who had been engaged in presenting to the United States the German side of the European war, sailed from New York on the Bergensfjord on June 12. He was granted a safe conduct by the allies. A London despatch, dated June 20, but delayed by the censor until yesterday, made the first announcement that the Bergensfjord had been detained at Kirkwall.

AUSTRIA'S PLAN A VIOLATION OF ALLIANCE

Italy's Participation Was Compelled by Disregard of Rights.

By Special Wire to the Courier.

Paris, June 25—Tomasso Tittoni, the Italian ambassador to France, speaking at a meeting of the Franco-Italian League yesterday, read with the consent of Antonio Salandra, the Italian premier, the telegraphic foreign office correspondence between the ambassador and the Marquis Di San Giuliano, then Italian foreign minister, in April, 1913, at the moment when Austria threatened to occupy Montenegro. The correspondence indicated that the Italian government's conviction was in violation of the triple alliance.

Signor Tittoni, whose advice in the premises had been asked by the Marquis Di San Giuliano, wired the foreign minister on April 30 that "the day Austria undertakes to disturb in whatever fashion or extent the equilibrium of the Adriatic, the Triple Alliance will cease to exist. The Triple Alliance will have been torn up by the hands of Germany and Austria."

Signor Tittoni averred that Italy was compelled to take part in the present war because Austria, prior to the war, habitually disregarded Italy's vital interests in the Balkans, and began war against Serbia in entire disregard of the rights of Italy, as stated in the alliance.

Appeal to U. S. Court For Becker

By Special Wire to the Courier.

New York, June 25—Counsel for Charles Becker, considered to-day the advisability of an appeal to the United States Supreme Court to save Becker from execution in the week of July 12, for the murder of Herman Rosenthal. It was reported that either a writ of error or of habeas corpus might be requested on the ground of newly discovered evidence.

Either writ would automatically stay Becker's execution. A letter written to Becker's counsel by a prisoner now in Sing Sing prison asserting that he overheard part of a plan by Jack Rose, Harry Vallon and Bridgie Webber to "frame" Becker, may be the basis of the proposed appeal.
