## LOCAL HAPPENINGS

Bread is down a cent.  
How is your street cleaning account? Is it paid up?  
A Hanneletta bargain 10 yards for \$1.65, a fine wide cloth, good patterns.—Swift's.

Boys and squirrels are harvesting the most prolific crop of walnuts and hickory nuts that this district has grown for years.  
You buy Art Clothing you get what you want. Wide range of new suitings.—Swift's.

The merchant who is too busy to change his advertisement is blood brother to the carpenter who hasn't time to sharpen his tools.  
The season for rubbers is here. We have a full stock of all sizes.—P. Dodds & Son.

A meeting of the Essex, Kent and Lambton counties publishers and printers' association will be held at Chatham on Friday, Oct. 20.

Two ranges of Comforters 65x72, good quality chintz, plain \$3.25, fancy \$4.25. A bargain.—Swift's.

If the person who took the scales from Col. Kenward's garage by mistake will return and get the weights, they may be of some use to him.  
P. Dodds & Son ask all those owing the firm to make payment before October 20th and their so doing will be appreciated.

A number of dwelling houses are being wired for hydro just now, the reduction of hydro rates being an inducement to use the juice instead of oil lamps.

Rubber boots, good, strong, serviceable goods. Full line of sizes. Prices right.—P. Dodds & Son.

The ladies of Trinity church Guild will hold a sale of home-made baking in the basement of the Public Library on Saturday, Oct. 14. Sale at 4 o'clock.

Thrashing, sowing wheat, filling silos, husking corn and picking apples have kept the farmers very busy the past few weeks. One occupation crowding the other closely.

15 pair White Marquisette Curtains with insertion, 2 yards long, a bargain at \$2.40.—Swift's.

Service will be held in Calvary Baptist church Sunday next at 3 p.m. and in Watford Baptist church at 7 p.m. Rev. L. J. Stones will preach. Subject: "Conversion and Conversation."

Local dealers are as yet unable to supply any coal. But Providence is "tempering the wind to the shorn lamb" and giving us a long lease of sunshine and warmth. Long may it continue!

The Lambton's 149 I.O.D.E. will hold a dance in the Armory on Wednesday, Oct. 25th, at 8 p.m. There will be good music. Refreshments will be served. Couple \$1.50, extra lady 50c.

In another column will be found a communication from a reader on the subject of the captured German cannon. We are glad to receive signed letters on this or any other public question.

Dr. and Mrs. Newell desire to express their thanks to their many friends for congratulations and gifts on the occasion of their golden wedding anniversary, and wish to assure them that the same were much appreciated.

Dress goods for children's wear, 49 cents a yard, fine warm goods, splendid for separate skirts 49c.—Swift's.

The lack of the big pumpkin at the fall fairs is remarked by old exhibitors who explain that at "pumpkin" planting time the ground was very dry, and the seed did not germinate. When it did come on, it was too late to ensure the large ones that have been in evidence in years past.

Out of a class of five taken to London by Mr. W. P. Macdonald, Clifford Edwards, of Watford, won 3rd prize for judging heavy horses; Alex. Edwards, his brother, won first place for judging sheep and 3rd place for judging beef cattle. Russell Parker, of Watford, got 2nd in the latter competition.

On the afternoon of Thursday, Oct. 19, the W. I. will meet in the basement of the Public Library to pack a bale of clothing to send to the relief of the fire sufferers of New Ontario. Anyone wishing to contribute to this worthy cause will kindly leave their donations in the Library basement.

P. Dodds & Son stock of serviceable, strong, well-made everyday shoes is complete. Shoes made for wear, at reasonable prices. Come in and see them.  
The Lambton's 149 I.O.D.E. will meet in the basement of the Public Library on Tuesday, Oct. 17th, at 1 o'clock, to make quilts for the northern fire sufferers. Will anyone who could contribute finished tops or linings for quilts or articles of warm clothing kindly leave them there at that time.

Among the improvements made to houses in town this summer John Kersey has made an addition and other improvements to his home on St. Clair street. The Anglican rectory has had a new roof placed on it and much needed repairs and improvements made in the interior at the cost of several hundred dollars.

October is here, and we are right in the midst of the most glorious of Canadian seasons, when there is a tang in the air in the mornings and the great outdoors puts on its most attractive garb. Browning longed to be in England, "now that April's there," but so far as Canada is concerned, the month of October has a charm that is hard to resist.

Evidence of the abundant crops throughout this district has been seen at the various fairs in Lambton county, the majority of which have now been held. It is claimed that the quality and number of exhibits at both agricultural and school fairs has greatly surpassed those of last year. This is a good indication of a return of prosperity in the farming community.

The Musical Eckardts, who are billed to appear here on Saturday evening, Oct. 14th, have been entertaining the public for a quarter of a century, and in that time have visited nearly every town and village in Canada and the northern states. T. Eckardt, daddy of the organization, is still personally in charge of the company, and although an old man takes an active part in the performance. Since their last visit to Watford, two years ago, the Eckardts have engaged three men performers and promise an entire change of programme.

Members of the Women's Institute and also of the I.O.D.E. visited the Public School on Friday last to distribute the prizes won at the recent School Fair. One hundred dollars in cash was distributed and also some articles donated were given out. Coming up the aisle to receive the prizes won is the last but by no means the least of the pleasures derived by the little folks from the School Fair, judging from the smiling faces on Friday last.

The value of a Public Library to a municipality or neighborhood depends on the use made of it, and the character of the books perused and the way they are read. Many an individual has secured a large fund of useful information because they went at it systematically and stick to the program mapped out. It is an undoubted privilege to have a good library at your command, but it is very doubtful if it is appreciated by the large portion of people. The terms appear to be too easy to secure such opportunities.

The 28th annual convention of Strathroy District Epworth League & Young People's classes will be held in Bethesda Methodist church, Sixth line, Warwick, on Wednesday, Oct. 25th, commencing at 1.30 o'clock. The address of welcome will be given by Rev. T. A. Steadman and Rev. F. J. Rutherford will reply. An interesting program will follow in which Rev. Mansson Doyle, Rev. J. C. Moorehouse, Rev. W. K. Hager, Miss Beatrice Foster, Miss M. Mansfield, Miss Clark, Mr. Hair and Mr. Gerald Robertson will take part. Refreshments will be served between 6 and 7 o'clock in the hall adjacent.

Ladies' fancy pleated skirts, all wool \$5.50, \$5.75 and \$6.00. Styles, lowest prices.—Swift's.

A musical entertainment by three graduates of the Ontario School for the Blind, Brantford, will be given in the Lyceum, Watford, on Wednesday evening, Oct. 18th, at 8 p.m. The program will be given by Kathryn Sells, A. T. C. M., Pianist and Accompanist; Greta Lammie, A. T. C. M., Violinist, and Gladys Stey, soloist and elocutionist. These talented artists gave an entertainment here last year which was much enjoyed and praised by those who were present. By request they are again appearing in Watford. Make a point of hearing these accomplished young ladies who, under the handicap of blindness, are earning their living by entertaining others. Adults 50c, children 25c. Tickets can be procured in advance at the Guide-Advocate office.

Canadian girls who become the wives of American citizens must now obtain their own naturalization papers if they wish to enjoy the rights of American citizenship. Up to September 22 of this year marriage to an American citizen automatically carried the rights of citizenship to the bride, but the Department of States of the United States is now notifying all United States consuls in Canada of the changed order of things. Under this ruling if an American citizen should come to Watford for instance, and marry one of the charming girls of this town, with the intention of taking her back with him to the home in the United States, he would be forced to pay a head tax of \$3 on his bride before the immigration authorities would permit her to cross the border.

## PERSONAL

Dr. J. A. Cameron, Herman, Neb., is spending a week at his old home here.

Mr. Fred Taylor, London, is visiting at his father's here for a few days.

Miss Sadie McCausland and little niece Jean, spent the weekend with her parents here.

Mr. Jas. Griffith returned Thursday from an extended visit with relatives in Ottawa and district.

Dr. and Mrs. Mitchell, London, and Miss Brown of Montreal, were weekend visitors at the home of Mrs. Wm. Mitchell.

Miss Geraldine Durstan returned to Strathroy Hospital after a two weeks holiday with her sister in Pt. Huron and other friends.

Mr. Jack Irwin, Mr. and Mrs. Carl A. Class and Carl A. Class Jr., returned to Kingsville on Sunday to visit the former's parents, Rev. S. P. and Mrs. Irwin.

Mr. T. B. Taylor has returned from Guelph where he spent several weeks. Mr. Taylor remains there for the present suffering with a slightly injured knee.

Rev. Henry Coulter, a graduate of the Guide-Advocate, gave us a "pleasant call" on Thursday. Mr. Coulter is now situated in Nokomis, Sask., connected with a Union church and is down here to attend the Methodist conference in Toronto. It is about 28 years since he left here.

## LAWN TENNIS MATCH

The Alvinston Tennis Club visited Watford last Wednesday and played return match with the local teams. Each town scored two events. The players were considerably handicapped with having only one court at their disposal so shot sets had to be played, but it is hoped this handicap will be removed by next year. Some brilliant plays were staged in the sets of men's doubles and the spectators showed their appreciation by enthusiastic applause.

The results:  
Men's Doubles—(Alvinston) Larter and Paul defeated (Watford) Franklin and Siddall 4-6-5-5.  
(Watford) Connolly and Kinnell defeated (Alvinston) Urie and Whitton 6-4-6-2.

(Alvinston) Larter and Paul defeated (Watford) Howden and H. Siddall 4-4-6-3.  
Mixed Doubles—(Watford) Miss Dodds and Connolly defeated (Alvinston) Miss Gilroy and Urie 6-4-6-2.

## WARWICK

Service at Bethel church next Sunday evening at 7.30. Everybody welcome.

Mr. Lloyd Hall of Theford visited a few days at his old home on the second line of Warwick.

Mr. Jay Kitehen, Port Dover, spent a few days this week at the home of Mr. I. J. Kadey.

A number from Watford and vicinity attended the fowl supper at West Adelaide on Thursday evening.

Mr. John White, Postmaster of Swift Current, Sask., spent the weekend with the Watsons, Wisbeach.

Alex. Bryce, Sixth line, had a very successful sale of his farm stock and implements on Wednesday. He is giving up farming.

Mrs. C. E. Stewart of Forest spent the weekend with her daughter, Mr. C. E. Lester and her son, Mr. J. W. Stewart, second line.

Sheetings in 30 yard and 60 yard ends, the price of this line has advanced, we have a big stock at old prices 20c and 24c a yard.—Swift's.

Mr. Isaac J. Kadey, who met with a severe accident recently and was taken to Victoria Hospital, London, was brought home on Wednesday. There is no improvement in his condition.

## BORN

In Sarnia on Tuesday, September 26, 1922, to Mr. and Mrs. Raymond Scarrow, 185 1/2 Davis street, (nee Stella McMacken) a daughter, Dorothy Jeanne.

## MARRIED

At the home of the bride's parents, Mr. and Mrs. Wm. Pratt, con. 4, Brooke, on Wednesday, October 4, when their daughter, Gladys Victoria became the bride of Mr. Leslie Earl McNally.

## CHOP STUFF

The price of bread in Glencoe has been reduced to 9c per loaf.

Jack Bowlen, Ailsa Craig, colored barber, died Sunday after being confined to his bed for a week.

James Keenleyside the well-known license inspector of London, died Friday following a short illness, in his 67th year.

The fall fairs have no fault to find with the weather this year, unless it be that farmers were more than ever tempted to stay at home and speed up the fall work.

Jack Mitchell, Oakdale, happened with a bad accident on Saturday, which will lay him up for some time. While gathering corn the team ran away knocking him down and fracturing several ribs.

Harry Sanders, late proprietor of the Arlington hotel, Sarnia, and family left recently for their old home at Coventry, England. Mrs. Kidd former proprietor of the hotel has taken possession.

Last year the Christian Guardian, the organ of the Methodist church in Canada, lost \$20,000, and an appeal for increased circulation was sent out, accompanied by the declaration that it could not be made to pay otherwise.

F. W. Willson, Crown Attorney and barrister, Sarnia, has taken into partnership with him Leigh H. Snider and the firm will engage in the general practice of law under the name of Willson and Snider but no change in office quarters will be made.

Cecil Janes' general store at Clachen was entered Monday night of last week and about \$80 in cash was stolen. County Police found the store in a state of disorder as though the robbers had worked hurriedly. This is the second robbery in that store within a month.

With a loss estimated at about \$5,000, the barns and buildings on the farm of Joseph Bogart, a short distance from the town limits of Wallaceburg, were completely destroyed by fire about three o'clock Thursday morning, together with all this year's hay and straw and a considerable amount of machinery.

Simmons Goff, of Glencoe, while hauling gravel two miles south of town, had a narrow escape from being killed. While getting on his wagon which was loaded with gravel, the horses took fright and ran away, throwing Mr. Goff off. He escaped with three broken ribs. The horses were stopped without damage to the outfit.

During the attendance of Mr. and Mrs. John B. McKellar and other members of their household at the Glencoe fair, unknown parties entered their farm house, situated on lot 21, second range north of Longwoods Road, Ekfrid, and after thoroughly ransacking all the rooms, got away with articles to the value of nearly \$300.

The sugar beet crop in Kent, according to the latest reports, is below the average this year. The dry weather was a great drawback, and it is stated that the blight hit the crop early this year, and that the average yield will probably be between nine and ten tons to the acre, as compared with the yield of twelve tons to the acre last year.

There were many fine exhibits at the rural school fairs reflecting much credit upon the youthful exhibitors but the best exhibit of all was the children themselves, eager, interested, anxious, but happy and all alive.

Our county has an untold fortune in its boys and girls preparing in its rural and urban schools to be men and women of tomorrow.

Edward Broad, one of Bothwell's most progressive gardeners, has successfully raised two crops from his garden this year. The first crop of potatoes was exceptionally fine, and after harvesting the potatoes Mr. Broad planted sweet corn, and the result is local residents are enjoying fine ears of corn at their tables a month longer than usual.

Masons of Sarnia presented Robert Kerr, president of the Masonic Hall, Ltd., with a gold gold Waltham watch as a mark of appreciation for his earnest efforts in behalf of the welfare of the organization. The presentation took place in the chamber of commerce building, following the monthly directors' meeting. Mr. Kerr has been treasurer of Victoria lodge for 27 years, and has filled every office in the Masonic blue lodge, chapter and preceptory.

Fire on Thursday completely destroyed the fine barns and implement buildings of Wm. C. Franks, con. 3, Aldborough, together with all the contents. The loss, which will reach \$10,000, is partly covered by insurance. The blaze broke out in the loft where a crop of beans was stored, and it is believed that the fire was caused by combustion in the beans. Over 1,000 bushels of grain were destroyed, together with farm implements which had been stored in the barn.

## ALVINSTON FAIR

Alvinston, Oct. 10.—The 47th annual Brooke and Alvinston fall fair was held on Tuesday, and in spite of threatening weather, the attendance was good, upwards of 3,500 being present. The agricultural hall was filled with one of the finest displays of fruits, vegetables, canned goods, dairy products and fancywork that has been shown in years. The center of the hall was given entirely to the school fair and the display was a credit to the many schools and individuals that helped make it the success it was. Maple Ridge school exhibition won first prize and attracted much attention.

The entries of cattle and horses were not below the average, and many fine animals were shown. Entries of hogs and sheep did not come up to that of former years, but the fair, taken on the whole, was a decided success despite the efforts of the weather man to the contrary. Races were held in the afternoon and although the track was a little heavy much speed was shown.

**NOTE AND COMMENT**

One wonders if the signing of another scrap of paper will make the Turk any better and wiser and more like a human being.

King Constantine says he has resigned as a matter of patriotism. The Greeks didn't care whether it was a matter of patriotism or what as long as he resigned.

A writer takes half a column to tell how to get out of bed. If he would give the information as to how to get the inclination to get out of bed his labors might be of some avail.

There is a lively dispute in the United States as to whether John D. Rockefeller or Henry Ford is the richest man in the country, but neither John nor Henry is taking part in it.

Miss Lulu N. Cargill, a clerk in the New York post office, holds the championship for the most rapid sorting of letters. In eight hours Miss Cargill sorted 30,215 pieces of mail—more than a letter a second.

The report of the Toronto "Hydro" System points out that to generate from steam the power purchased from the Provincial Commission in 1921 would have required 428,000 additional tons of coal, which would have cost nearly three times the amount paid to the Commission for "Hydro" power.

Effective October 2nd, the new C. O. D. postal service begins work as announced some time ago. Parcels and packages to the valuation of \$100 may be sent from any money order post office in the Dominion to any other money order post office under regulations providing for their insurance where desired.

The election of R. M. Johnson as Progressive member for the Federal constituency of Moose Jaw on December 6 last year was declared void in a judgment handed down Friday by Mr. Justice Embury and Mr. Justice MacKenzie. Mr. Johnson was found guilty of corrupt practices in making false returns in connection

with election expenditures. Definite plans are said to be under consideration for airships which would have a gas capacity of 110,000 to 150,000 cubic metres, to cross to America in 60 hours, German engineers assert. They would tear through the clouds at 140 miles an hour. The estimated passenger accommodation would allow for 100 fares, in addition to a crew of 50.

Montreal Gazette.—Of all the days of the year that should be particularly honored, Armistice Day occupies a premier position. This is the day when ceremonies are held to recall the proud part which Canadians in common with the rest of the Empire's fighting forces played in the greatest war in history. Armistice Day should not be regarded as a day of mourning, but rather one of great rejoicing and pride.

Everybody should be a Community builder, not a wrecker. The element in control in a neighborhood has much to do in setting the tone or pace of the people. This is true in all the realms, educationally, religiously, industriously, morally. We are moulded and fashioned largely by what others do, especially if they hold the confidence of folk. High standards are surely important, if course that wears all the year round should be sought. Pure gold shines all the brighter by being rubbed against. Are we lifters or leavers in our community?

Guelph Herald.—If the peaches, peaches and apples that go to waste because of the cost of picking and shipping to markets, temporarily over-loaded were to be gathered and valued it would be found that hundreds of thousands of dollars are being lost. When orchard acreage is so valuable and the trees are of years' growth, a better system for utilizing the whole instead of half or two-thirds of the yield, seems badly needed. It is a shame to see carloads of good fruit undisposed of when there are millions of people to eat it.

Galt Reporter.—The world's hope is in the youngsters who are marching through school days to take up where we leave off. They are going to inherit big problems. And they are going to solve them, for they will get on the job with fresh energy and a new viewpoint. Naturally it would be foolish for us to lie down and quit cold, letting problems grow worse until youngsters grow up. But the hope of civilization is unquestionably in the boys and girls returning to school after vacation. The best way to solve our problems is to make those boys and girls as efficient, sensible and straight-thinking as lies within our power.

According to statistics compiled by Dr. James Whitney Hall, assisted by a number of various physicians who have kept a number of various hospitals, insanity in Chicago has in-

creased more than 100 per cent since the Volstead Act went into effect. An average of 150 persons are becoming insane every week, as against 60 or 70 weekly in the old days before prohibition. Every hospital accepting mental cases is packed beyond capacity. These are the victims of the deadly hooch distilled in some basement of poisonous ingredients and sold under forged labels as whiskey, or brandy. The victims pay a high price for the poison and consume it, although they must know they are taking desperate chances on blindness, insanity and death.

Peaches by the ton are rotting on the trees in the Niagara peninsula and owners are picking only the choicest of fruit. In one orchard over thirty thousand baskets were allowed to go to waste and that condition prevails generally in the fruit belt. The lack of labor and the low price with the uncertainty of a market is responsible. What a commentary this is on our economic system. Thousands of people in Northern Ontario and the Northwestern Provinces, and even in our own cities in the east, would be glad to have this fruit, but our transportation facilities, along with our labor and financial systems, render it impossible, through the cost being made prohibitive.—Milverton Sun.

Several characteristically Canadian gifts have been made to Lord Byng during his present western tour. Upon his arrival at Wainwright, Alta., recently where the party detained in order to visit the great buffalo herd in the national reserve there, he was met by the masses of school children and large numbers of the citizens and presented with a civic address mounted upon a buffalo skin. Later their Excellencies and party motored to the National Park and inspected the herd of over 7,000 buffalo, as well as the moose, elk, and cattle contained in the enclosure. Some prime buffalo meat was also presented to the Vice Regal party who thoroughly enjoyed this unusual gastronomic treat. While at Edmonton His Excellency was presented with a fine mounted buffalo head and the Cree Indians from the Hobbema Reserve created him Chief Buffalo Head of their tribe.

**THE FIRE IN NORTHERN ONTARIO**

Up to the present time nearly fifty lives are known to have been lost in the fire zone and the loss of property is estimated at \$8,000,000. The relief work is progressing along well organized lines, but the loss, suffering and sorrow caused by the conflagration still remains. Those who came through it will never forget it, and unless the rest of us are incapable of sympathy, the thought of it will not fade from our minds. It is the duty of all who have any influence to keep before the public the fact that on the verge of the Winter season there are many people in the stricken district who are without homes, clothing, food and comforts of any kind. Generous people are assisting the government in the relief work and helping to provide for the many who have been stripped of all their worldly possessions by the great fire. The work must be kept up and the government must take hold of the devastated area and minister to the afflicted people there in a spirit of liberality. The emergency work must broaden out into an extensive policy for establishing the stricken people on a fresh footing in that new country, and whatever is done to alleviate the lot of the sufferers will have the approval of all right thinking people.

**Asthma Victims.**—The man or woman subject to asthma is indeed a victim. What can be more terrifying than to suddenly be seized with paroxysms of choking which seem to fairly threaten the existence of life itself. From such a condition Dr. J. D. Kellogg's Asthma Remedy has brought many to completely restored health and happiness. It is known and prized in every section of this broad land.

**Robert Stead, Famous Canadian Author, Once More Takes Up the Pen to Produce An Absorbing Story of Dominion Life**

"Neighbours," a Happy Novel of the Northwest, is Hailed as His Greatest Book

Romance and Authentic Record of Colorful Period of National Life Combined in Novel of the Homestead

Of all Canadian-born, Canadian-writing authors to-day, Robert Stead stands out as that one who most steadily and unflinchingly has painted Canada at her best. His former novels, "The Homesteaders," "The Cowpuncher," and "Dennis Grant," have established for him a wide reputation throughout Canada, and for that matter all of the British Empire and the United States. It was Stead who made the experiment not so long ago, of publishing his first book in Canada, through a Canadian firm (Messrs. Hodder & Stoughton Limited), and printed by Canadian presses. The experiment was so successful that the book outsold the best selling imported titles of its season, and the Stead books have been proving the truth of the All-Canadian theory ever since.

This latest novel is in many ways Stead's greatest. It is very simple writing, with evidence of a fine restraint and understanding, and demonstrates again his unrivalled knowledge of the country of its setting. The love story of two families of young people, who have been children together in the east and take up adjoining homesteads in the Saskatchewan country, is its main theme. And a beautiful and absorbing love-story it is, with a touch of suspense toward the close which makes it all the happier in the end. The life of the Homestead neighbourhood is told with delightful humour, and a more delightful evidence of real knowledge of the settlers' country and the characters which make it up.

"Neighbours" is a book which should be found on every library table in Canada this year, and on

ROBERT STEAD, Author of "Neighbours," "Dennis Grant," "The Cowpuncher," "The Homesteaders," etc.

every shelf in every library for the years to come, for its charm is not greater than its real value as a picture of a changing time—a time which held some of the greatest realities and the greatest sweetness of our history. Robert Stead has assuredly won "The Immortal Garland" in "Neighbours."

"NEIGHBOURS" by Robert Stead, a happy novel of the Northwest, Hodder & Stoughton, Toronto, \$1.75

Ask Any of the 300,000 Happy Thought Users

Every corner of the home heated by a Happy Thought Range-Furnace is a place of comfort.

The stove-heated home can have no better stove than a Happy Thought Heater.

Their homes have been brightened and their labors lightened by Happy Thought Ranges. They are satisfied. You will be. Baking, broiling, frying, preserving—no matter what—the Happy Thought Range is always dependable.

For forty years Canadian women have been using Happy Thought Ranges because of the satisfactory results they give. The large oven, with its even heat—the large cooking surface—easy regulation—small fuel consumption—excellent appearance—and all the little attachments that save labor have made this range their Choice.

Ask the woman who owns one. She will say: "I like my Happy Thought because it's such a good baker."

### Essentially Different

THERE are two most important things about any Electric Range—the cooking element and the oven. Everything else is of lesser importance.

And in McClary's Electric Range both these points are different and superior.

The Cooking Elements are protected. The heating coils being embedded in tough porcelain, are protected from spilled food and other damage. They heat as quickly and remain hot much longer than any other kind.

The Seamless Oven—of welded steel, porcelain enameled with rounded corners is sanitary and easily kept clean. It operates like a fireless cooker, because when once heated it stays heated until the baking is done.

### MAVITY—FISHER

A quiet wedding was solemnized at Detroit on Saturday when John E. Mavity, son of Mr. and Mrs. J. J. Mavity, London Road, Sarnia, was united in marriage to Miss Bessie M. Fisher, also of Sarnia. The ceremony was performed by Rev. H. Warren of the Presbyterian church and the young couple were attended by John Brake and Miss N. Brake. After the ceremony a wedding dinner was served at the home of the groom's cousin, J. E. Brake. On their return from a wedding trip, Mr. and Mrs. Mavity will reside in Sarnia.

### MCNALLY—PRATT

A quiet but pretty wedding took place at the home of Mr. and Mrs. Pratt, Inwood, when their eldest daughter, Gladys Victoria, became the bride of Leslie Earl McNally, son of Mr. and Mrs. James McNally of Inwood. Rev. A. McVicar officiated in the presence of only immediate relatives. At 2 o'clock the bridal party, who were unattended, took their places beneath a white wedding bell which hung from an arch of evergreen and flowers. The bride, who was given in marriage by her father, wore a becoming frock of midnight blue canton crepe and corsage bouquet of sweet peas and ferns. The Lohengrin bridal chorus was played by Mrs. Grace Pratt, sister of the bride. After a dainty buffet luncheon Mr. and Mrs. McNally left for a short honeymoon to Niagara Falls, and other points east. The bride traveled in a suit of brown velvet with beaver collar and hat to match. The young couple were the recipients of many beautiful and costly presents. After their return they will reside on concession 8, Broke. Prior to her marriage the bride was honored by a shower given by her friends, when she received many useful gifts and good wishes.

### SULLIVAN—McLEAN

A pretty wedding was solemnized at "Fairview Farm," Kerwood, the home of Mr. and Mrs. A. H. McLean on Wednesday, Oct. 4, when their youngest daughter, Mary Pearl was united in marriage to J. Paul Sullivan, of Warwick. Rev. W. R. McIntosh performed the ceremony in the presence of about 20 guests. At 3 o'clock the bridal party, who were unattended, entered the drawingroom and took their places beneath an arch of evergreen, trimmed with white and banded with autumn flowers. The bride, who was given in marriage by her father, looked charming in a becoming frock of white satin softly draped and caught with pearl trimmings. She wore a veil of silk net arranged in cap fashion, and held in place with a wreath of orange blossoms. Her only ornament was a diamond necklace. The bride and groom were the recipient of a shower of white carnations. Following the ceremony and congratulations the guests retired to the dining-room, which was daintily decorated in pink and white, with ferns and autumn blooms. Here a wedding dinner was served by four girl friends of the bride. Later Mr. and Mrs. Sullivan motored to London, en route for Niagara Falls and Buffalo. The bride traveled in a handsome suit of blue with fox furs and black hat. On their return they will reside on the groom's farm, second line, Warwick. The bride and groom were the recipient of many handsome gifts, including several substantial checks. Prior to her marriage the bride was

guest of honor at two showers where she received many useful gifts and the good wishes of her young friends.

### COMMUNICATION

To the Editor:  
Dear Sir: Are "the powers that be" in our Village really ashamed of the war trophy which the Government sent to us? I refer to the captured German cannon. Truly it is a homeless stranger in our midst, unhonored and unused. Even had it been Fritz himself it could scarce deserve worse treatment than it is getting. At first it was given an honorable resting-place, even if not the most suitable, in front of the Public Library, but apparently it was in the way and so was ordered to "move on". It did so, then sojourned awhile on the boulevard (roadside would be a better name) in front of the Armory. Now it is put in an obscure corner by the door of the Armory, and I presume its next move will be to the junk pile. Whoever heard of a town's prized possession being placed on a side street? Villages not so favored as ours, securing only small machine guns instead of cannon, nevertheless place their war trophies in honored places in parks on their main streets. The logical place for our war trophy with all its sacred memories, the death of our boys who fought for liberty and righteousness, is in the front of Federal Square. If we did not intend to honor it, and care for it with an occasional coat of varnish to prevent decay, why did we accept it?  
Yours, etc.,  
T. DeCourcy Rayner.

### PETROLEA

Word comes from Fort William of the sudden death of Dr. Oliver, brother-in-law of Mr. A. M. McQueen. While full particulars are not available we learn the doctor died suddenly last week.  
Mrs. J. D. Noble, who underwent a harrowing experience when the cottage of her son, Stafford, at Saranac Lake, N.Y., was burned to the ground has returned to Canada and for the present will reside in Sarnia.  
To add to the sunshine of life, Miss Rhos Parkinson was tendered a kitchen shower on Tuesday evening at the home of Mr. and Mrs. F. Spurr, King St. Friends numbering about twenty were present and a delightful time was spent, after which a dainty lunch was served. Miss Parkinson received many useful utensils and the good wishes of her many friends.  
Mr. R. D'Oily Noble, well-known to the last generation of Petrolians died on September 15th, at his home in London, England. He was a brother of the late John D. Noble and returned to England to reside about twenty-five years ago. He is survived by two aged sisters. During his residence in Petrolea Mr. Noble engaged in the oil industry.

### HALL'S CATARRH MEDICINE

Those who are in a "run down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE is a Tonic and acts through the blood upon the mucous surfaces of the body, thus reducing the inflammation and assisting Nature in restoring normal conditions.

## Money Thrown Away!

Specialist charged \$15 a week. \$1 worth of Zam-Buk Saved Her Leg.

"I had only one week of the 'special' course of bad leg treatment, supplied in my own city, and it cost me \$15 in coarse ointments. It was simply money thrown away," writes Mrs. James Eisworth, 902, Selkirk Ave., Winnipeg.  
"The ulcers first appeared on my left ankle, and they spread from the top of my foot up to the knee. Laid up in bed helpless with pain. I was treated by five different doctors. I persevered with their lotions and ointments until I felt positive there could be no cure.  
"Then one day I was brought a sample of Zam-Buk. Even this small quantity was decidedly soothing, and it encouraged me to get a supply from the druggist. Perseverance with Zam-Buk proved wonderfully and thoroughly effective. The irritation and the pain were speedily subdued; the ulcers were thoroughly cleansed of poisonous matter and the leg permanently healed."  
Zam-Buk, the magic herbal balm, is equally good for eczema, ringworm, poisoned wounds, pimples, boils, abscesses, piles, cuts, burns, scalds and all skin injuries. 50c. all dealers.

## You Need a Good Engine

You can't realize the money-saving value of a good farm engine until you've seen how much more quickly and efficiently you can clear up the numerous odd jobs about the farm. For milking, separating, churning, sawing, grinding, sharpening tools, mixing cement, shelling corn, filling the silo—there's nothing I know of that will give better service with so little attention as a Toronto Engine. And they operate on either kerosene or gasoline.  
Let me explain in detail these sturdy little workers next time you pass my way. Don't forget to see their able assistants—The Toronto Saw and the Toronto Grain Grinder—at the same time.

FRIDAY, OCTOBER 13, 1922

The oldest inhabitant of Old Ontario will not be able to recall a summer so nearly approaching the ideal as the one which is now passing into fall.

WHERE WILL YOU BE AT 65?

The American Bankers' Association is circulating a pamphlet compiled from Government statistics which shows the divergent financial careers of a hundred men who start on an equal footing at twenty-five years of age.

Ten years later, when all are 35 years of age, 10 are wealthy, 10 are in good circumstances, 40 have moderate means, 35 have saved nothing, and 5 are dead.

Twenty years later, when all are 45 years of age, 3 are wealthy, 65 are self-supporting and no more, 16 are dependent on others, and 16 are dead.

Thirty years later, when all are 55 years of age, one is very wealthy, 3 are in good circumstances, 46 are self-supporting and no more, 30 are dependent on others, and 20 are dead.

Forty years later, when all are 65 years of age, one is very wealthy, 3 are moderately wealthy, 6 are self-supporting, 54 are dependent on others, and 36 are dead.

THE COUNTRY NEWSPAPER

(By Anne Campbell)
An hour a week I give to memory,
That's when the old home paper comes to me—
The only link that binds that life to this
And brings back days that I try not to miss.

FOOD FOR THOUGHT

Some times people say that education in these days is costing too much, but it is just possible that the following editorial that appeared in an American paper may convince them of the fact that it is the unessential things that are eating up

Luxuries vs. Education

In 1920 the United States blew away in smoke of cigars and cigarettes \$300,000,000 more than the total cost of education in 1918, according to P. P. Claxton, U.S. commissioner of education.

According to government returns for 1920, the people spent twenty-two times as much for luxuries that year as spent for education in 1918, and six billions or 30 per cent. more than we have spent for public education in all our history.

JUST A FEW YEARS AGO

The most overworked expression in the language was: "This is on me."

The papers were full of the doings of Wright, a nut in Dayton, who thought he could make a machine that would fly.

Marconi another nut, was getting some space in the papers by his fool plan of wireless telegraphy.

The prize nut of all was wandering around Detroit trying to get somebody to put money into his automobile scheme.

Everyone was laughing at the fellow who claimed that submarines would really sub.

Skirts at the shoe top were considered indecently short.

We knew when we met a blonde with powder on her nose that there was a musical comedy in town.

Eggs were 15 cents a dozen.

You could always start an argument about the relative merits of Jeffries and Fitz.

A person who played golf was more to be pitied than censured.

SAFETY RULES FOR GASOLINE

- 1. Remember that you must take no chances with gasoline; it is one of the most dangerous explosives in common use.
2. It must always be kept in tightly fastened cans; never in glass bottles.
3. It should never be uncovered within the house nor at any point where its fumes can travel to an open flame, a live coal, or a spark.
4. Do not use it for cleaning, if you can get a safe cleaning operation.
5. Gasoline in quantity should be kept in underground tanks.
6. No one should be allowed to smoke in an automobile while its gasoline tank is being filled.
7. Do not use water upon a gasoline or coal-oil fire; use a chemical extinguisher, or else throw earth or sand upon it.

CHILDREN COMPETE FOR FORESTRY ESSAY PRIZE

Scores of school children in every school district of the Dominion are competing these days in the national school essay competition on Forestry and Tree Planting, inaugurated recently by the Canadian Forestry Association.

DON'T FOR GIRLS

- Don't say "say."
And don't say "see?"
Don't say "listen"
And don't say "gee!"
Don't powder your nose
In the public gaze;
Don't polish your nails
In the public ways.
And don't display
Such a length of limb;
Don't dress on the street
As if going to swim.
Don't talk too much about "him" and "his."
Don't say often, "I'll say it is."
And don't say "dearie."
And don't chew gum.
And then I'll say
The millennium's come!
—The Fellow Worker.

NEW IDEA IN TOOTH TREATMENT

For many years scientists have been endeavoring to evolve a really effective method of cleansing and polishing the teeth, but credit is now given to The Nyal Company Limited of Windsor, Ont., for having discovered the perfect dentifrice.

This new product is called NYAL PUMO-DENT—the modern Tooth Treatment, and consists of a Polishing Cream and a Tooth Paste in one package. The polishing cream contains powdered pumice and other special polishing ingredients which keep the teeth clean and bright, while Pumo-Dent Tooth Paste prevents acid mouth and similar conditions which cause tooth decay.

Mrs. Burbank of Dorchester spent the weekend at the home of Rev. B. Snell.  
Mrs. Roy Smith of St. Thomas is visiting with relatives in this community.  
Miss Olive Armstrong of London is visiting at the home of her sister Mrs. Bertie Campbell.  
Mr. and Mrs. James Welch of Thamesford spent a few days this week at the home of Mr. and Mrs. L. Welch.  
A very enjoyable afternoon was spent at the home of Mrs. (Rev.) Montiehi, when the regular meeting of the Book Club was held on Tuesday afternoon. Mrs. R. M. E. McDiarmid gave a very interesting paper comparing the women of Canada with those of foreign lands.  
Miss Augusta Martyn gave a paper "In the World Wide" and dealt very ably with her subject, discussing the cruelty and oppression of the Turk toward the Christians. A social hour was afterwards spent during which lunch was served by the hostess.  
The local high school held their second annual field day on Friday afternoon with a large crowd present to witness the various sports run off by the students of the local school and those of the visiting schools. Although the day was somewhat cool and dull it did not dampen the spirits of those taking part in the events and they were keenly contested for by all. Only one accident occurred to mar the day's events, that taking place during the Junior boys half mile bicycle race, when Edward McKinley and Fraser McDougall collided with their bicycles with such force as to throw both some distance but outside of a few bruises and severe shaking up both boys escaped serious injury.

**INWOOD**

Mrs. Thomas Hartley and daughter, Lena, are in London, for the weekend.  
Messrs. W. R. Dawson and Johnston Vance were in Sarnia on Saturday.  
Mrs. John Atkin of Leamington visited relatives in town last Saturday.  
Mrs. Edward Oke of Detroit spent a day last week with her parents Mr. and Mrs. C. Atkin.  
Mr. and Mrs. Melbourne McKay and daughter, Marjorie, are spending a week in St. Marys and Seaford.  
Mr. and Mrs. Ivan McCauley and babe of Aughrim spent Sunday at the home of Mr. Clayton Johnston.  
Mr. and Mrs. Alex. Blaikie were in St. Thomas Monday attending the funeral of her cousin, Mr. John Smith.  
Mrs. Fred Bennett has returned to Detroit after spending several weeks with her sister, Mrs. E. S. Lorrman.  
Mrs. Roy E. Melton and children of 10 con., Brooke, spent a few days last week at the home of her father Mr. E. S. Lorrman.  
Mr. and Mrs. Thomas Matthews of Exeter, former residents of Inwood, spent a few days this week with Mr. and Mrs. J. H. Morrison.  
Messrs. W. R. Dawson, J. W. Johnston, J. R. Morrison and S. Maddock were in Detroit on business last Thursday.  
Mrs. M. S. Crawford has received word from Haileybury that her parents and sister are safe, living on their farm near New Liskeard, but their home in Haileybury was totally destroyed in the recent fire.  
A number from here attended the funeral of little Fay Atkin, daughter of Herman Atkin, near Sarnia last Friday. Interment took place in the Alvinston cemetery. Much sympathy is expressed to the bereaved family.  
Sylvianous Bull, a well-known resident of Euphemia, died on Saturday, Sept. 30.

**PLYMPTON**

Miss Gertrude Thompson of Detroit has been visiting her sister, Mrs. Clifford Rankin of Plympton.  
Mr. James Rankin of Plympton, who has been seriously ill with an attack of pneumonia is able to be around again.  
About thirty of the neighbors and friends of Mr. and Mrs. F. Randall were invited to their home last Thursday evening and spent a very enjoyable time husking corn and playing games after which a dainty luncheon was served of cake and ice-cream.  
David Nesbit is driving a new Dodge car.  
Mrs. Geo. Leach, townline, is spending a few days with her daughter, Mrs. Wm. Scoffin, Uttoxeter.  
D. A. Graham of Strauchro attended the pure-bred stock sale of Mr. John McCorkindale on Tuesday, October 3rd.  
Mrs. Jas. Capes and son John motored to Forest on Saturday to visit Mr. John Capes, Sr., who is at present critically ill with pneumonia.  
The Young People's Society met on Tuesday, Oct. 3rd, and a record attendance was present. Mr. Andrew Auld of Warwick and L. W. Oke, M.L.A. of Alvinston, was present and gave very instructive addresses. Mr. Oke spoke at some length of the work which will be done by the young people of the country and concluded by saying that the young man or woman who took their parents as their best chums were the happiest. Next meeting will be held on Tuesday, Oct. 17th, a splendid program is being prepared.

Mr. Norman Crawford who was injured in an auto accident is improving favorably at his home here. Everyone reads the "Guide-Advocate Want Column" on page 4.

**KERWOOD**

Mr. Sinclair of Port Huron called on friends in the village.  
We are sorry to report the serious illness of Mrs. W. E. Smith.  
Jack Wright had the misfortune to dislocate his wrist while cranking a car.  
Mrs. Wilson and Miss Marjorie Wilson of Ottawa are visiting at the home of Mr. and Mrs. Frank Hull.  
Mr. Geo. Chittick, Jr., has returned home after spending several weeks with his grandparents at Burlington.  
The Women's Missionary Society will meet on Thursday afternoon of this week with Mrs. Wm. Thompson at 3 o'clock.  
Mr. and Mrs. Frank Hull, Mrs. Austin Carrothers motored to Stratford and spent several days guests of Mr. and Mrs. Kerr.  
The Ladies Aid held a very successful meeting at the home of Mrs. Harry Watson with twenty-eight members present. Plans were discussed concerning the church anniversary and fowl supper to be held in the Methodist Church Nov. 5th and 6th.  
Owing to the big losses among our Methodist people a special offering will be taken in the congregation on Sunday at all services. No less than seven Methodist churches and four parsonages were burned, to say nothing of the greater loss of the homes of our people.  
A good turn out was the result of the Rally Call in the Epworth League last Tuesday evening. Three very helpful papers were given by Miss M. Smith, Mr. Russell Johnson and Mr. Fred Richardson. Special music was also provided making a very successful meeting.

**FOREST**

There were 2000 entries at the Forest Fair and the gate receipts were \$700.  
Mrs. S. Adair and children have returned home after spending three weeks with Mrs. Adair's mother, at Inwood.  
Delbert McFarlane of Edmonton spent the weekend in town with his mother, Mrs. R. McFarlane and other relatives.  
Miss Patterson of Sarnia, who recently bought Reeve Spearman's residence property here, expects to move in this week. Her brother and uncle, Mr. McConnell of Sarnia, will also come here to reside.  
Nelson Cardwell and two daughters of Airdale, Scotland, arrived here this week and will make their home here in the future. Mr. Cardwell is a son of Thomas Cardwell of this town.  
W. W. Hutchins, one time an extensive grain dealer in Forest, now of Sydney, Cape Breton, renewed acquaintances in town this week. He left here 25 years ago, and has been back here but twice since, the other visit being five years ago.  
The office adjoining the flax warehouse of Howard Fraleigh, Forest, was entered early on Thursday morning by thieves, who rifled the safe and escaped with \$25 in cash, two checks for \$100 and \$1,000 and bonds and notes to the amount of about \$13,000. Provincial Constable W. C. Oliver and High Constable Scott, who are on the job, stated that a reward has been offered for recovery of the notes and bonds.  
A power of its own—Dr. Thomas' Electric Oil has a subtle power of its own. All who have used it know this and keep it by them as the most valuable liniment available. It uses, are innumerable and for many years it has been prized as the leading liniment for man and beast.

**WANSTEAD**

Mrs. M. S. Crawford has received word from Haileybury that her parents and sister are safe, living on their farm near New Liskeard, but their home in Haileybury was totally destroyed in the recent fire.  
A number from here attended the funeral of little Fay Atkin, daughter of Herman Atkin, near Sarnia last Friday. Interment took place in the Alvinston cemetery. Much sympathy is expressed to the bereaved family.  
Sylvianous Bull, a well-known resident of Euphemia, died on Saturday, Sept. 30.

**B. & E. TOWNLIN**

The monthly meeting of the "Builders' Club" was held at the home of Mrs. Wilson Butler on Thursday afternoon. Two quilts were completed. All report a good time.  
Several families of this vicinity attended the anniversary services at Shiloh, Sunday last, Rev. Hoskings taking the services.  
Rev. Colter is visiting his brothers John and James, in this locality.  
Mr. and Mrs. LaVerne Tanner and Miss Aileen Core, teacher, visited the former teacher, Mrs. Emerson Weldon (nee Mary Pauling) of Alvinston on Thursday evening.

**WYOMING COUPLE AT  
FIFTIETH ANNIVERSARY**

Family Reunion Marks Golden Wed  
ding of Mr. and Mrs. George  
Brock, of Plympton Twp.

An event of unusual interest oc  
curred at the residence of Mr. Geo.  
Brock, Wyoming, on Saturday, when  
Mr. and Mrs. Brock celebrated the  
50th anniversary of their marriage.  
Mr. Brock was born in London town  
ship 74 years ago, and his wife, then  
Miss Jennie Shanks, spent her girl  
hood in Waterdown, near Hamilton.  
They were married by Rev. Mc  
Dermott, in Moore Township, on Oc  
tober 8, 1872, and have lived in  
Plympton almost continuously since.  
Three children, who are still liv  
ing, blessed their union: Dreda  
Brock, of Detroit; Mrs. Alfred  
Brownlee, of Wyoming, and Mrs. A.  
E. Beck of Strathroy. There are al  
so seven grandchildren: Misses Annie  
Eva, Jean and Master Irwin Brown  
lee; Miss Evelyn Beck, and Masters  
Keith and Dreda Beck.

Mr. Brock comes from one of the  
oldest pioneer families in Western  
Ontario, his father being a popular  
local preacher of Wyoming in the  
early days of Methodism.

The happy couple are still active,  
healthy and able to carry on the  
usual busy day's work. Guests, num  
bering 64, were present to offer their  
greetings at the tables being taste  
fully decorated with yellow chrysan  
themums.

Among the numerous gifts were a  
number of gold pieces ranging in  
value from \$5 to \$20.

Aside from their own children  
and grandchildren the guests present  
were:

Mrs. Eliza Williams, sister of Mr.  
Brock; Mrs. W. McKellar, Mrs.  
Charles Elliston; Mrs. J. Murray,  
Mrs. G. Millar, Mrs. H. Canton,  
Mr. and Mrs. Walter Benest, Mr.  
and Mrs. G. Shanks, Mr. and Mrs.  
W. Shanks, Mrs. A. Hosié, Mr. and  
Mrs. M. Hicks, Mr. and Mrs. C. H.  
Smith, Mr. and Mrs. G. Metcalf,  
Mr. and Mrs. Knab, Mr. and Mrs.  
E. Muray, Mr. and Mrs. F. Crone,  
Mr. and Mrs. McBain and daughter,  
Elizabeth, Mr. and Mrs. H. Mc  
Kellar, Mr. and Mrs. Bert McKellar,  
Mr. and Mrs. Wallace Williams,  
Mr. and Mrs. Russell Shanks, Mr.  
and Mrs. Harrison Shanks and son,  
James, Mr. Walter Movis and son,  
Dwight, Mr. and Mrs. Walter  
Seignor of Tavistock, and Mr. and  
Mrs. H. Walters.

Mrs. Florence Roberts of Sarnia  
was Friday the means of her husband  
Charles T. H. Roberts, being com  
mitted for trial on a charge of incen  
diarism. Mrs. Roberts, who is the  
mother of two children, testified that  
her husband, in March last, set fire  
to a house on Wellington street in  
which he was living at tenant, in or  
der that he could collect insurance  
money on the furniture. Evidence  
showed that Roberts, following the  
fire, received \$226 from the insur  
ance company. His wife said the  
reason she had not told the story be  
fore was because her husband had  
threatened to kill her. She also al  
leged that he tried to induce her  
sister to insure her furniture for  
\$1,000 and place it in the house for  
burning.

**MANY TROUBLES COME  
THROUGH THE BLOOD**

If Kept Rich and Red Good Health  
Will be Yours

Nearly all the common diseases are  
caused by bad blood, weak, watery  
blood poisoned by impurities. Bad  
blood is the cause of headaches and  
backaches, lumbago and rheumatism,  
debility and indigestion, neuralgia,  
sciatica and other nerve troubles. It  
is bad blood that causes disfiguring  
skin diseases like eczema, and salt  
rheum, pimples and eruptions. The  
severity of the trouble indicates how  
impure the blood is, and it goes al  
ways from bad to worse unless steps  
are promptly taken to enrich and  
purify the blood. There is no use try  
ing a different medicine for each  
trouble, for they all come through  
the one cause—bad blood. In con  
ditions of this kind Dr. Williams'  
Pink Pills have been found very ben  
eficial, as they have a direct action  
on the blood, enriching and purify  
ing it. That is why this medicine is  
so often successful, after other reme  
dies have failed—they reach the  
root of the trouble in the blood. Mr.  
Albert E. Giffin, Mount Pleasant,  
P. E. I., tells why these pills did for  
him. He says:—"Some months ago  
I was in a badly run-down condition.  
My blood was poor, I had no appetite  
and my work left me completely  
tired out. I fell off in weight, was  
altogether in a miserable condition. I  
was taking medicine, but it was not  
doing me any good. At this stage a  
friend who had used Dr. Williams'  
Pink Pills with beneficial results, ad  
vised me to take them, and acting on  
his advice I did so. The result can  
be summed up in a few words: I took  
the pills for a little over a month,  
when I can honestly say I never felt  
better in my life. I can now eat a  
hearty meal, do my work with com  
parative ease, and have gained in  
weight. I advise weak, run-down  
people to give these pills a fair  
trial."

You can get these pills through  
any medicine dealer or by mail at 50  
cents a box or six boxes for \$2.50  
from The Dr. Williams' Medicine Co.,  
Brockville, Ont.

**WYOMING FAIR**

Wyoming, Oct. 9.—The 66th  
annual fair of the Plympton and Wy  
oming Agricultural Society was held  
here on Friday and in spite of  
threatening weather the attendance  
was good, cars being parked in every  
available space in the afternoon.  
At 1.30 Petrolia brass band head  
ed a parade of school children from  
School Sections 6 and 7, up Broad  
way to the fair grounds. The pupils  
were prettily costumed and carried  
banners and streamers.

The agricultural hall was filled  
with fine exhibits of fruits, vegeta  
bles, grains, canned fruits, dairy  
products, fancywork, etc.

Mrs. Ambrose Bison had the hon  
or of capturing Dr. Houghton's spe  
cial first prize for the best baby under  
one year, while Mrs. White, of Wy  
oming, won second prize with her  
little boy, Mrs. Ronald Smith was  
third.

The exhibit from School Section  
No. 7 won first prize and attracted  
much attention, carved animals,  
dolls, beds, cardboard, and art work  
showed considerable skill on the part  
of the young generation. School  
Section No. 4 won second prize. The  
vegetables grown by the children  
were very large and deserve great  
praise.

School Section No. 4, Plympton,  
won first prize for the best parade.  
The children carried a large banner  
bearing the words "Britain's Bul  
wark".

The entries of cattle and hogs  
were below the average, while those  
of sheep exceeded those of former  
years. A fine display of poultry was  
shown. The horses made an excellent  
showing and compared favorably  
with the larger fairs.

The secretary-treasurer, Wallace  
Rice, reports 1,000 entries; members  
tickets sold 300, and attendance up  
wards of 1,500.

An entertainment was given in  
Memorial Hall in the evening by the  
Skating Rink Association, followed  
by a dance in Butler Hall.

**CASTORIA**

Fletcher's Castoria is strictly a remedy for Infants and Children.  
Foods are specially prepared for babies. A baby's medicine  
is even more essential for Baby. Remedies primarily prepared  
for grown-ups are not interchangeable. It was the need of  
a remedy for the common ailments of Infants and Children  
that brought Castoria before the public after years of research,  
and no claim has been made for it that its use for over 30  
years has not proven.

**What is CASTORIA?**

Castoria is a harmless substitute for Castor Oil, Paregoric,  
Drops and Soothing Syrups. It is pleasant. It contains  
neither Opium, Morphine nor other narcotic substance. Its  
age is its guarantee. For more than thirty years it has  
been in constant use for the relief of Constipation, Flatulency,  
Wind Colic and Diarrhoea; allaying Feverishness arising  
therefrom, and by regulating the Stomach and Bowels, aids  
the assimilation of Food; giving healthy and natural sleep.

Coal miners who go back to work at the old wages will wonder whether it was worth while to put five months between two pay days.

Four babies at a birth came to a Braddock, Pa., woman last week. They all died soon after birth. The combined weight of the four—all girls—was 19 lbs. The mother weighs 125 lbs and is 22 years old.

President Harding and the Cabinet determined Tuesday to call the prohibition navy off the seas outside the three-mile limit of the United States. It was determined that attempts of American prohibition officers to search foreign ships outside American territorial waters or to interfere with them in any way, whether rum-laden or not, is not within the legal rights of the United States Government.

An eastern philanthropist is offering \$1,000,000 reward for an infallible and permanent cure for any one of three diseases, tuberculosis, cancer or locomotor ataxia. Coming from an individual citizen, the offer is munificent. But if the united governments of the whole world offered \$1,000,000,000 for a certain cure for any one of these three plagues, they would be getting dirt cheap the most precious discovery ever made in the annals of human suffering.

Brantford City Council placed itself on record Monday night that it was strongly opposed to the name of "Theodore Roosevelt Highway" being given to the new provincial highway, but that it should be called the "Macdonald-Laurier Highway" as a memento to the two men who helped to make Canada what it is today. Brantford City Council has taken a proper view of the matter. The late Theodore Roosevelt was an able American statesman whose name it is creditable for Americans to perpetuate, but that is no reason why Canadians should establish a memorial to his name. Canada has had as eminent statesmen who served the country truly and well, who Canadians should be proud to honor. To pass them by for an American would show a lamentable lack of the true fitness of things.

A revival of the controversy as to the world's richest man appeared in last week's issue of The Wall Street Journal, which declared Henry Ford unquestionably holds that distinction. The previous discussion apparently ended with Ford and John D. Rockefeller immovably tied for the honor. A news bulletin of The Journal today says: "Henry Ford has, in the Ford Motor Company, the largest income, and, if capitalized, the largest fortune, in the world. Profits before taxes for 1922 will exceed \$125,000,000. After taxes they will be \$110,000,000 about \$100 a car. With these earnings, the Ford Motor Company would be capitalized at \$2,000,000,000, and pay 5 per cent. on that capital."
