The copy filmed here has been reproduced thanks to the generosity of:

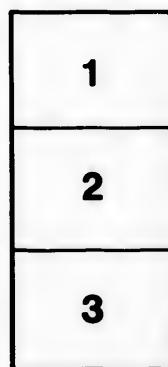

National Library of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Bibliothèque nationale du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

## P R E F A C E.

WITH the design of maintaining the utility and efficiency of LOVELL'S MONTREAL DIRECTORY, and of adapting its size and bulk to the convenience of those consulting it, the Publishers have decided to continue the printing of the Alphabetical portion in a small but clear type, giving greater prominence than hitherto, by the use of a bold Gothic letter, to the names of Advertisers.

In presenting to the public this issue of the Directory the publishers trust that the feature above referred to will meet with general approval, as it enables them more satisfactorily to adapt the book to the demands of our ever-increasing population.

It need hardly be said that the same labor and effort to secure accuracy which the Publishers have always put forth have not been withheld in the preparation of the present edition, and that this labor has been greatly increased this year, owing to the renumbering of several of our principal streets, and the addition of ST. JEAN BAPTISTE VILLAGE to the Street and the Alphabetical Directories.

As usual, the book will be found divided into four parts, viz.: (1) The Advertiser's Classified Directory; (2) The Street Directory; (3) The Alphabetical Directory; and (4) The Miscellaneous Information.

This book is respectfully dedicated to its generous patrons — THE PUBLIC.

MONTRÉAL, June 21, 1886.

Entered according to Act of Parliament of Canada, for the year one thousand eight hundred and eighty-six, by JOHN LOVELL & SON, in the office of the Minister of Agriculture.

## PROSPECTUS.

The Montreal Music School has been established to enable Students to obtain a thorough Musical Education, under competent Professors, at the lowest possible terms.

The Scholastic year consists of Four Terms; Nine Weeks constitute a Term.

The Course of Instruction comprises the following branches, from which the Student may select:

Piano, Voice Culture, Organ and Harmonium, Violin, Violoncello, Flute, Rudiments of Music, Harmony, Thorough Bass, Counterpoint & Composition, Elocution, Italian & German Languages.

The Piano, Organ, Harmonium, Violin, Violoncello, Flute, and Solo Singing are not taught in Classes, but individually, each Student receiving one half-hour's instruction, twice a week.

Students joining the school are examined by the Principal as to their musical capabilities, and the result of the examination will decide into which Section the Student is to enter.

The study of the Pianoforte is divided into five Sections. In the first Section the Student is taught the notes, the formation of tone and easy preparatory exercises; in the three succeeding Sections the studies continue in progressive order until the fifth Section is reached, where the most difficult technique is studied, and the highest literature pursued.

The first and second Sections, being Elementary, require each one or more year's study, according to the age and talent of the Student; the remaining sections embrace a period of four years. All studies and pieces for the different Pianoforte Sections, as well as those for the Singing-classes, are selected by the Principal.

Students before entering a higher Section have to pass another examination for that purpose.

The Pianoforte is taught according to the system followed by the Royal and Imperial Conservatoires of Stuttgart and Vienna; the formation of tone being made an especial feature in the Elementary Sections.

Students may begin at any time. Payment commencing from date of entrance.

Lessons missed are charged, except in case of protracted illness.

Only Classical and Modern Standard Compositions are used in the School.

Special instruction in the Art of Teaching is given by the Principal to those who intend to follow that profession. Every competent Student will, on application, receive from the Principal a certificate as to his ability in teaching.
