MORTGACE SALE.

Kendall's Spavin Cure. Kendall's Spavin Cure.

Hutchinson's Ranch, 12 miles north of Denver, Col.

Mar. 5th, 1883.

Dr. B. J. Kendall, & Co., Gents:—For the past three years I have used Kendall's Spavin Cure. In every case of spavin, of which I have treated five, thas killed them all, and entirely removed three. In case of splint I find it has no equal, one case I had was of three years standing and the Spavin-Cure removed it entirely. I had a cow get spavined and it entirely cured her. One year ago a two hundred pound block of ice fell out of a wagon striking my foot on instep and toes, it would be mpossible to mash a foot worse without breaking any bones. I was taken home and carried into the house. I do not think amputation of the leg would cause any more pain. I sent for Kendall's Spavin Cure, it was all I used, and in six days I could walk around. About three weeks ago my team ran away and threw me out of the wagon, the hind wheel struck my knee. After applying several highly recommended liniments without obtaining any relief, I went for Kendall's Spavin Cure. My leg was drawn up and my knee swolen badly. In three days I was able to walk to the barn. I could go into details more fully and make this a very long letter, but will not weary you.

I am very respectfully yours,

Oscar F. Hurchinson,

P. O. Lock Box, 2862, Denver City, Col.

seit, and it did tar better than he had expected. Cured the sprain in very short order.
Yours respectfully, . C. O. THEBAND.
