St. George's Hall has a seating capacity of about 500. It furnishes excellent accommodation for Lectures, Concerts, Musical Recitals, Conventions, afternoon and evening Social Entertainments, etc., etc., at very moderate charges.

It is well lighted, heated and ventilated, is supplied with convenient supper, dressing, and retiring rooms, kitchen, etc., and is of easy access, being on the ground floor of the building.

In addition to the Hall there are Lodge Rooms and Parlors suitably furnished for Meetings of Societies and other bodies.

Application may be made to the Secretary, who will be pleased to show the premises.

NORTH SIDE OF ELM STREET, NEAR YONCE

To the Shareholders.

The St. George's Hall building was erected for the use and for the benefit of St. George's Society, and the funds were contributed by the members of the Society.

By liberal gifts and through the financial success of "Ye Olde Englyshe Fayre," the Society has become the owner of four hundred and forty-nine shares in the paid-up stock of the Hall Company.

It is hoped that many more persons will assist the charitable work of the Society by giving a portion, at least, of the shares they hold, either by a donation while living or by will.

To aid anyone so disposed, the accompanying form of bequest has been prepared.

J. HERBERT MASON,
President.

ANNUAL MEETING

The Ninth Annual Meeting of Shareholders was held in St. George's Hall, Elm Street, on Thursday, February 15th, 1900, at 8 o'clock p.m., the President, Mr. J. Herbert Mason, in the Chair, the following shareholders being present, viz.:

Messrs. W. E. Wellington, T. G. Mason, S. G. Wood.

The Minutes of the last Annual Meeting were read and confirmed.

The President then presented the

DIRECTORS' REPORT.

The Directors of St. George's Hall Company, Limited, have much pleasure in submitting their Report for the year 1899.

From the Financial Statement herewith presented it will be seen that there is a substantial and gratifying increase in the revenue derived from rentals, while the expense items show a decrease, arising principally from the fact that the insurance premium paid in 1898 was for three years. Instead of writing anything off the Building and Furniture the Directors deemed it wiser to begin a Reserve Fund to provide against depreciation and other contingencies. As the nucleus of this Fund the sum of \$1 000 has been set aside out of the surplus of the year, after providing for all expenses and charges, leaving \$573.59 still at the credit of Profit and Loss.

This, therefore, has proved the most satisfactory year the Company has had since the erection of the Building and the hope expressed in the Directors' last report has been realized.

All which is respectfully submitted.

J. HERBERT MASON,

President.
