### REPORT OF THE SESSION.

Once more the session has the privilege of presenting its report to the congregation. God has graciously blessed and led us through another year. Neither disaster nor disturbance has interrupted the regular work of the Church, which, we trust, has not been altogether fruitless. It must be humbly acknowledged, however, that the harvest is not what it might have been, and therefore, our desires are not satisfied. We are waiting for showers of blessing from the presence of the Lord.

In the early part of the year, there was some interruption and perplexity in connection with the service of praise, caused by Mr. Balfour's resignation. After hearing a number of candidates, the session decided to appoint Miss Lawson to the double position of organist and leader of the choir. We trust her diligence and faithfulness have been so far successful as to meet the approval of the congregation and justify the action of the session. We rejoice in the continued prosperity of the Sunday School. Its importance cannot be over estimated. In order that the work may be done

to the best possible advantage, the congregation is recommended to consider very carefully the proposal to provide increased accommodation.

It is satisfactory evidence of growing interest in the missions of the Church that the congregation since its last Annual Meeting, has undertaken to support two laborers in the Home and two in the Foreign Field. We are sure that the result will be increased blessings upon our own work. The work amongst the young people continues to prosper as their own report will indicate. No part of the Church's work has more hearty sympathy on the part of the session. In all the goodness of the past we rejoice and commend ourselves and our work to His abundant grace with whom is the residue of the spirit, and from whom every good gift comes.

**MANAGERS' REPORT.**

The Board of Managers in presenting this their Thirteenth Financial Report and Annual Statement, beg to congratulate the congregation on the financial prosperity which has this year crowned their efforts. Without any special pressure and leaving the congregation very much to the exercise of their own conscientious liberality, they have pleasure in reporting that the ordinary revenue of the congregation from envelopes and open collections amounted to \$5,798.39, an average of \$111.50 per Sabbath. In addition they understand that the congregation has contributed \$2,327.88 through the various organizations of the Church. The outstanding liabilities as far as known to the Board are three accounts amounting to \$132.60, and accrued interest to the 31st December, 1891, \$75.42, making a total of \$208.02, leaving an actual balance of \$94.45.

The Board desire to explain to the congregation that the loan on the church property amounting to \$24,000 matured on the sixteenth day of July last. In making application for a renewal of the loan to the Trustees of the J. G. Worts estate, the Board were informed by the Trustees that recent legislation would not permit them to advance more than one half the value of the property. The Trustees' Valuator reported the property worth \$42,800, and on this basis a new loan was negotiated for \$21,000 for ten years, at 5½ per cent., payable half yearly, with the privilege of paying off any sum not less than \$500.00 at any time by paying a bonus of three months' interest on the part intended to be paid off. The Board also obtained a loan of \$2,000.00 which with cash on hand enabled them to discharge the old mortgages. They are pleased to report to the congregation that they have been able to reduce the indebtedness from the ordinary revenue and other sources, by \$1,000.00.

They would earnestly recommend all members and adherents of the congregation to reconsider their weekly offerings with a view to a general increase in order to pay off the floating debt. The Board desire the advice of the congregation in reference to the excavation requisite for the preservation of the church prop-

erty, they have also to explain that there is a loss of revenue from their inability to accommodate those applying for sittings. The number of applications for sittings lately have proved extremely embarrassing to the Pew Secretary, and if the prosperity of the congregation is to continue, pew-holders must assist the ushers in making room for strangers.

A detailed statement of receipts and expenditure is herewith submitted for the information of the congregation.

The Managers retiring this year are : J. B. Perry, Jas. Crichton, R. Laidlaw, Alex, Fraser, and F. M. Nicholson.

All of which is respectfully submitted.

(Signed),

JAS. HUNTER,

## SUPERINTENDENT'S REPORT.

Another year has closed with its opportunities and privileges. Teachers and scholars alike have had facilities for studying the Word, which may never be within their reach again. Lessons from the Old Testament engaged our attention during the first six months of the year, while the Gospel of St. John furnished in each of its chapters, a succession of profitable lessons from the life and words of our Saviour, for the second half of the year. Can it be doubted that these lessons have supplied the good seed the sowing of which in faith, shall result in the salvation of souls in due succession.

The work in the school has been considerably hampered by the crowded condition of the school. More accommodation is very much needed in order that new classes can be formed and greater space allowed for existing ones.

Besides contributing to the ordinary schemes of the Church, further sums have been voted from the Sunday School moneys to aid in the support of both Home and Foreign Missionaries now in the field, thus applying the gifts of the scholars in specific directions.

It is our earnest hope and prayer that the blessing of God may be more manifest in our midst during the coming year, and the whole congregation may see, more than ever before, the necessity of helping forward a work which concerns so much the eternal welfare of the young of our Church.

It is with great pleasure that we again present our Annual Report as we feel that it has been one of our most prosperous years of work for the Master, and that Christ has been nearer to us during this year than ever before.

Twenty-two business meetings have been held, and also sewing meetings for charitable purposes every week during the months of October, November and part of December. 73 articles

of clothing have been made and distributed and other aids of a substantial kind given to 35 or 40 families.

Much district visiting has been done, especially amongst the sick and needy, and we humbly trust that many lonely hearts have been comforted thereby. One of the most important changes was the decision to try for a time, the abolishing of entertainments for raising money for "Poor Fund," and instead thereof the placing of envelopes for that purpose in each pew periodically, which scheme has so far proved most satisfactory.

Meetings are held on the last Tuesday of every month and all ladies of the congregation are cordially invited to attend.

The Society rejoices to report a year of numerical and spiritual progress. There have been changes in the membership, many members having left us to take up their life's work in other fields. It is encouraging, as showing something of the fruit of our labor, that word comes from these ex-members assuring us that they are sustained and helped by the power of the spirit received in our midst. We also notice with gratification that the number of young people of ages from fourteen to twenty years who manifest an interest in our work is rapidly increasing.

The members have appreciated and been strengthened by the greater interest taken during the past year in our Society by the older members of the congregation. Their presence at our meetings has done us good, and we would be glad to have more of them visit us and join in our services.

In July last the Society sent Miss Sarah Laidlaw as its Delegate to the International Convention at Minneapolis, and in September sent Miss Leamen to the Provincial Convention at Peterboro, and much benefit was derived from the carefully prepared reports which they respectively submitted to the Society of the methods and progress of Christian work among young people.

Last June the Society undertook to raise \$100.00 for special mission schemes. Up to the 31st December last it had collected \$41.91. The amount raised by the Society for its various objects other than Missions during the year was \$110.51.

The membership of the Society now numbers 152, 69 being Active members and 83 Associate members.

All of which is respectfully submitted.

**GENERAL MISSIONS.**

The Treasurer, in presenting his report of Mission Scheme for 1891, expresses his regret that receipts are slightly less than those of 1890.

This may be accounted for on the ground of commercial depression as well as the efforts made by the congregation to support special missionaries to the North-West and China.

It is hoped, however, that the coming year will show an improvement in the direction of increased liberality in support of the schemes of the Church.

JAMES CRICHTON,

It is with praise and thanksgiving to our Heavenly Father, that we present our Sixth Annual Report, for this year has been one of singular blessing to the society, we believe the hallowed influence of the day of prayer at its beginning, has been a source of spiritual blessing, and a benediction on our work.

Meetings have been held regularly on the 2nd Wednesday of each month. Number of members on the roll, 41; members of General Society, 17; average attendance, 19 members and 9 visitors; 31 subscribe to the Letter Leaflet; and \$6.00 worth of literature has been donated, and distributed in the society by our representatives on the Board. We are pleased to have among our members, four mothers of missionaries, and we have had the pleasure of reading portions of their diaries in our meetings, and are much interested to hear how the Lord is leading and blessing them in their work.

In May an open meeting was held, when the report of the Delegate to the Annual Meeting at Kingston was read. The Pastor, Mr. Mackay, gave a sketch of the work of the Society among the Indians of the North-West, and a collection was taken up for their Clothing Fund. Sewing meetings were held weekly for two months. Nine large quilts and a number of warm skirts were made, some useful material and a large quantity of partly worn clothing was sent in. Total value of goods, \$145.00, and \$25 in cash was forwarded to Committee.

The Thank-Offering service was held in October, the leaflets and envelopes prepared by the Board were sent to all the ladies of the congregation, and many and hearty were the responses. The offering amounted to \$64.60, and a most delightful and blessed meeting was held.

The total receipts this year are \$258.97, being an increase of \$28.82 over last year. When we look back to our first report read in January, 1887, we find 30 members on the roll, and the amount contributed \$76.35, and while we regret the small increase in membership, we rejoice at the largely increased liberality shown by the financial report, proving the fact that we only need to have our hearts and minds opened to the degradation of our heathen sisters, without the Gospel light, and their claims upon us, to awaken our sympathy and liberality on their behalf, and we earnestly pray that many in the congregation will come and unite with us, in seeking to obey the last command of our Blessed Lord, that by our gifts and prayers we may be co-workers in winning the "World for Christ."

MISS CHAPMAN .....	<i>President.</i>
MISS MITCHELSON .....	<i>Vice-President.</i>
MISS FRASER.....	<i>Secretary.</i>
MISS GALL.....	<i>Treasurer.</i>

In presenting this, the third annual report of the Faithful Gleaners, we desire to express thanks to our Father in Heaven for His goodness during the past year, and pray that He will guide and prosper us in all our efforts for the advancement of His kingdom in the year now entered upon.

We have 16 members on our roll, 10 of whom have been taking the "Leaflet."

Two quilts were made and sent to the North West, a special collection being raised for that purpose. A special collection was also raised to enable us to do sewing for Miss McIntyre's Rescue Home.

In November Mr. Mackay gave a lecture for the benefit of our Band, entitled "A walk through Picture Galleries," which was well attended and very much appreciated.

Our second Thanksgiving Service was held on Nov. 2nd, which proved entertaining and we hope profitable to all who were present.

May we, in the coming year, through God's grace, be enabled more fully to show our love to Christ by increased earnestness and zeal for his cause.

The roll shows a membership of nineteen, four of whom have been added during the year. The average attendance was about thirteen.

A programme is prepared for every meeting, consisting of either essays, debates, lectures or magic lantern entertainments on missionary work or lives of missionaries.

A senior department has been organized in the Band which has its own separate meetings. Members are only admitted after examination on every branch of mission work. This department has been organized for the purpose of making a thorough study of different fields of missionary labor.

The Band has made rapid progress in the past and has still more favorable prospects for the future.

It extends a cordial greeting to all the boys connected with the Church, and would like to see a much larger attendance at its meetings on Friday evenings.

GORDON WINCHESTER,  
Secretary.

### *SPECIAL HOME MISSION.*

(WINLAW)

On Wednesday evening, 22nd April, 1891, a meeting was held in the Bible class room for the purpose of considering the question of supporting a missionary to labour in Home mission work in the North-West Territories. The Rev. R. P. Mackay in the chair. It was moved, seconded, and carried, "That one missionary at least be maintained, and that the sum of Two hundred and fifty dollars be guaranteed for his support, and that John Douglas be appointed Secretary-Treasurer, for the purpose of receiving subscriptions and forwarding the missionary's stipend from time to time." It being mentioned when the vote was taken guaranteeing the support of the missionary that the same would be for a period of three years, and that the amount opposite each name indicated his or her subscription for each year unless the contrary was expressed.

The secretary immediately communicated the decision of the meeting to Rev. Dr. Robertson, Superintendent of Presbyterian Missions for Manitoba and the North-West Territories, asking him to designate a mission for us and give us the name of the missionary who would labor there. Dr. Robertson assigned a mission, consisting of four or five preaching stations in South-Eastern Assinaboia, called "Winlaw," with an ordained missionary in charge, named John Cairns.

The congregation have responded liberally in this matter, thereby manifesting their active sympathy in supplying in some

measure to their kinsmen the privilege of worship according to the custom of their forefathers.

Receipts to the 31st December, 1891....	171 50
30th December, 1891, paid Dr. Reid for special mission Winlaw, South-Eastern Assiniboia, N.W.T.....	125 00

#### SPECIAL FOREIGN MISSIONS.

In the month of June last, at a Congregational meeting it was decided to raise if possible the sum of six hundred dollars for the support of James Lawson and James Duff as Missionaries in China in connection with the Inland China Mission.

The sum of \$203 was subscribed, the same evening and since then, the Sabbath School have contributed \$75 and The Faithful Gleaners, the Girl's class and the Boys Mission Band together \$25 making a total subscribed of \$303 or \$3 more than one half the sum desired. It is hoped that before the end of the year (June, 1892) the remainder will not only be subscribed, but paid, as the work carried on by these two faithful young men (who are our fellow-members) is a most deserving one and one which has been and is now being abundantly blessed by our Master. All are asked to take part in this special work among the heathen and if every one cannot contribute with their means, then prayers are asked for the success of the work and especially for our young friends.
