DAYS, FRIDAYS & SATURDAYS.

Thorley's Cattle Food.

It does not contain antimony or any ingredient of an injurious character to man or beast. With Horses it coaxes the appetite, imparts bright eyes and a skin like velvet. With Cows it increases the quantity of milk and butter. Will fatten sheep and lambs; will prevent hollow horn in cows; will check heaves and epizootic in horses; scour in calves and pigs; gapes and croup in fowls For Poultry it is invaluable. It is almost impossible for any animal fed regularly with this Food to be attacked with any of the diseases prevalent among them.
